Theodoreti reprehensio.

Vnum quidem Christum confitemur, sanctis Apostolorum doctrinis credẽtes, eumdemq. propter vnionem & Deum & hominem nominamus, secundum hypostasim vero vnionem modis omnibus ignoramus, tamquam peregrinam & alienam à diuinis scripturis & Patribus, qui eas interpretati sunt. Si autem per vnionem secundum subsistentiam hoc vult dicere is à quo hæc orta sunt, quòd temperamentum carnis & diuinitatis sit factum, contradicemus omni cum alacritate, & redarguemus blasphemiam. Necesse enim est ad temperamentum sequi confusionem; ingressaq. confusio aufert vniuscuiusque naturæ proprietatem. Quæ enim temperantur, non permanẽt vt primo fuerunt. Hoc autem de Deo Verbo, & eo qui ex semine Dauid est, dicere absurdissimũ est. Oportet autem credere Domino ostendenti duas naturas, atque dicenti Iudæis: Soluite templum hoc, & in tribus diebus suscitabo illud. Si autem temperatio facta fuisset, neque Deus permansisset Deus, neque templum cognitum fuisset templum, sed & templum Deus, & Deus templum; (hoc enim exigit ratio temperamenti) & superflue Dominus dixisset Iudæis: Soluite templum hoc, & in tribus diebus suscitabo illud. Oportebat enim dicere: Soluite me, & in tribus diebus suscitabor; si quidem vere aliquod temperamentum factum fuisset, atque confusio. nunc autem ostendit soluendum templum, & suscitantem Deum. Superflua itaque secundum subsistentiam vnio, quam pro temperamento nobis, sicuti puto, proponunt. Sufficit autem dicere vnionem, quæ & naturarum proprietates ostẽdit, & vnum edocet adorare Christum.

gnitionem, quæ tanta per illud tempus sciebat, quanta Deitas inhabitans reuelabat. Hæc & de alijs similibus dicenda sunt. Quomodo enim rationi consentaneum est, Deum Verbum dicere ad Patrem: Pater, si possibile est, transeat à me calix iste: verumtamen non sicut ego volo, sed sicut tu? Multa enim incongrua rursus hinc accidunt. Et primum discordes erunt Pater & Filius; & alia quidem volet Pater, & alia Filius. Ait enim: Verumtamen non sicut ego volo, sed sicut tu. Deinde magnam rursus ignorantiam videbimus in Filio. Inuenietur enim ignorãs, an possibile sit, vel non, quòd transeat calix. Hoc autem de Deo Verbo dicere, impium & blasphemia plenum foret. Sciebat enim optime, qui propter hoc aduenerat, qui sponte nostram naturam assumpserat, qui se ipsum exinaniuerat, quisnam sacramenti dispensationis finis esset. Vnde & sanctis Apostolis prædicebat: Ecce ascendimus Hierosolymam, & Filius hominis tradetur in manus Gentium ad illudendum, & flagellãdum, & crucifigendum: & tertia die resurget. Qui igitur hæc antea prædicauit, & Petrum deprecantem ne hoc fieret, corripuit, quomodo deprecatur ne fiat, qui manifeste sciebat omnia euentura? Quomodo autem non absurdum, Abraham quidem ante multa sæcula diem eius vidisse, & gauisum esse; & Esaiam similiter prædixisse salutarem eius passionem, & Hieremiam, & Danielem, & Zachariam, atque adeo omnem Prophetarum chorum; ipsum vero & ignorare, & liberationem petere, & deprecari quod in salutem orbis futurum erat? Igitur hæc verba non sunt Dei Verbi, sed formæ serui, quæ metuebat mortem, eo quòd nondum erat mors destructa: cui etiam formæ Deus Verbum, loco timori dato, hæc dicere permisit, vt geniti appareret natura, & ne eum qui ex Abraham & Dauid descenderat, putatiuum vel phantasticum suspicaremur; vnde impiorum hæreticorũ consensus hanc blasphemiam protulit. Igitur ea quæ dicta & facta sunt Deum decentia, Deo Verbo accõmodabimus: quæ vero humiliter dicta & facta sunt, formæ serui aptabimus, ne eodem quo Arius & Eunomius blasphemiæ morbo laboremus.

Cyrilli defensio.

En quanto satius ò amice foret, cũ, cuius mens ab odio & affectionibus libera est, dictorum nostrorum vim exquirere. Verum hoc facere non curat, sed hæc redigit rursum ad id quod sibi placet. Etenim dicit: Sunt & hæc his quæ iam dicta sunt, similia. Vult enim, tamquam temperatione facta, in sermonibus qui in sacris Euangelicis & Apostolicis scriptis dicti sunt, nullam esse differentiam, idq. fortasse, vt aduersus Arium & Eunomium & ceteros hæresiarchas se pugnare glorietur. Sed hæc quidem ille. Ego autem tantum abest vt dicam contemperatas inter se naturas,

Non igitur dicetur & suimetipsius Deus ac Dominus Emmanuel, quandoquidem ipse idem simul est Deus & homo, postquam Verbum Dei homo factum & incarnatum est. Verumtamen vnus est Christus ex ambabus Deitatis & humanitatis naturis, secundum dispensationis vnionem. *Ioan. 20. 17.*

Anathematismus VII.

Si quis IESVM tamquam hominem à Dei Verbo operandi vim habuisse, Vnigenitiq. gloriam illi, tamquam alteri cuipiam ab ipso Verbo, aduenisse dixerit; anathema sit.

Theodoreti reprehensio.

Si mortalis est humana natura, Deus autem Verbum cum sit vita & viuificans, suscitauit templum à Iudæis solutum, & in cælos euexit, quo pacto forma serui per formam Dei glorificata non est? Si enim cum natura sit mortalis, facta est immortalis propter vnionem cum Deo Verbo, accepit quod non habebat. si autem quod non habebat, accepit, & glorificata est, ab eo qui dedit, glorificata est. Idcirco & Apostolus clamat: Secundum operationem potentiæ virtutis eius, quã operatus est in Christo, suscitans illũ ex mortuis. *Ioan. 2. d. 19.* *Ephes. 1. d. 19.*

Cyrilli responsio.

Qui Christum nominant, non vnum quempiam sicut nos vulgarẽ hominem, sed Verbum ex Deo natum, hominem factum & incarnatum auditoribus significant: atque adeo si quid, quod maxime Deũ deceat, per corpus suum, quod vt organum sibi ministerium exhiberet, fecisse dicatur; nihilominus ipse virtutum Dominus Christus operãs est, non cõcedens alteri vt possit operari, quemadmodum scilicet beatis Apostolis potestatem contra spiritus immundos dedit, vt illos eijcerent, & curarent omnem morbum & omnem languorem in populo. Propterea beatus Paulus inquit: Non enim audeo aliquid loqui eorum quæ per me non effecit Christus verbo & factis, in virtute signorum & prodigiorum, in virtute Spiritus sancti. Gaudentes autem etiam beati discipuli *Matth. 10. 4.* *Rom. 15. d. 18.*

nequissimas immundasq. virtutes: sed non ita dicimus eũ, sicut vnumquemque scilicet sanctorũ, virtute Spiritus sancti tamquã aliena vsum. Erat enim & est eius Spiritus, sicuti certe & Patris. Et hoc nobis bene satis explanat diuinus Paulus scribẽs: Qui autem in carne sunt, Deo placere nõ possunt. Vos autem non estis in carne, sed in spiritu: si tamen Spiritus Dei habitat in vobis. Si quis autem Spiritum Christi non habet, hic non est eius. Procedit enim ex Deo & Patre Spiritus sanctus, secundum Saluatoris vocem: sed non est alienus à Filio. omnia enim habet cum Patre. & hoc ipse edocuit, dicens de Spiritu sancto: Omnia quæcumque habet Pater, mea sunt. Propterea dixi vobis, quia de meo accipiet, & annuntiabit vobis. Ergo clarificauit quidem IESVM Spiritus sanctus admirabilia * operantem, verumtamen vt spiritus eius, & non vt aliena virtus, & eo præstantior, secundum quod intelligitur Deus. Non blasphemauimus igitur in sanctos Angelos, nec in Prophetas, sicut dicere præsumpsit qui solumnodo accusare nouit. Quia vero propositum eius & sociorum est, vt vnum in duos Christos diuidant, & illum quidem clarificari, & ad operandum permoueri, hunc vero & clarificare & operari dicant: ideo carpunt insipienter omnem sermonem pium, & qui ipsos à tali peruersa sententia dimouet. Proinde & de beato Gabriele faciens sermonẽ calumniator iste: Etenim secundum carnem, inquit, Christum ex Spiritu sancto natum esse, primus ille & ante formationem prædicauit. Ea propter licet pietatis persona se induant, & vnũ dicant esse Christum; vere tamen duos esse putantes, audiant à nobis: Vsquequo claudicatis in ambobus poplitibus? Anathematismus X.

Confessionis nostræ Pontificem & Apostolum factũ esse Christum, Scriptura diuina docet: obtuliisse quoque semetipsum pro nobis Deo & Patri in odorem suauitatis. Si quis ergo dixerit, Pontificem & Apostolum nostrum non esse ipsum Dei Verbum, posteaquam caro & homo nobis similis factum est; sed hominem illum qui ex muliere natus est, quasi alterum quempiam ab ipso diuersum: aut si quis illum pro seipso quoque, & non potius pro nobis solis sacrificium obtulisse dixerit (neque enim oblatione egebat, qui peccatum non nouit) anathema sit.

A lus dixerit qui rectam colat Fidem, increatum & non factum & Patri coæternum Deum Verbum; sed eum qui ex semine Dauid, qui ab omni peccato liber existens, Pontifex noster & victima factus est, ipse semetipsum pro nobis offerens, habens in semetipso videlicet ex Deo Deum Verbum vnitum sibi, & inseparabiliter connexum.

Cyrilli responsio.

Propheta Hieremias offendenti Israel, & exacuenti ad iracũdiam omnium Deum dicebat tristis: Quis dabit capiti meo aquam, & oculis meis fontem lacrymarum, & defiebo populum istum die ac nocte? Arbitror autem ego huiusmodi voces non illis potius conuenire, & eos decere, sed his qui effrænatum & incontinens in Christum os habent; quiq. obloquuntur aduersus gloriam ineffabilem, audaces, sibi placentes, sicut scriptum est. Lamentatione quippe & gemitu digni vere fuerint, qui ex multa nimis dementia, rectam & irreprehensibilem pietatis erga Christũ relinquentes viã, semitas sibi faciunt peruersas, & corruptis sensuum adinuentionibus pulchritudinem veritatis adulterant. Ergo audiant hi, qui sapere elegerunt quæ omnibus respuenda sunt: Erratis, nescientes Scripturas, atque venerandũ & magnum inhumanationis sacramentum. Scripturæ namque diuinitus inspiratæ Deum nobis inhumanatum prædicant Emmanuel, & communicasse carni & sanguini similiter ac nos, Dei & Patris Verbum affirmant, & carnem, hoc est, hominem factum, non per conuersionem seu mutationem, sed per virtutem ineffabilis vnionis. Ideoq. & vnum dicimus Iesvm Christum Dominum, vnamq. Fidem, & vnum sanctum baptisma. Qui autem à dogmatibus adeo rectis recedunt, & contra sacras litteras dura atque superba obsistentes mente, hoc solum quod ipsi bene habere arbitrantur, inspiciunt. hominem vero assumptum à Deo Verbo dicunt, secundum illud fortasse quod per vnum sanctorũ dictum est Prophetarum: Non eram propheta, neque filius prophetæ; sed pastor eram fricans sycomoros; & assumpsit me Dominus ex ouibus. & sicut ait beatus Dauid: Suscipiens mansuetos Dominus; per habitudinem nempe & familiaritatem spiritalem, quæ existit tamquam in voluntate & gratia & sanctificatione; sicut & nos ipsi adhærentes Domino, vnus spiritus sumus, secundum quod scriptum est. Sed non est hoc inhumanari Deum, sed neque similiter ac nos carni & sanguini communicare; sed magis conciliare sibi hominem, & non secundum alium modum, quàm quo dici poterit & Prophetas & Apostolos & alios sanctos omnes. Putasne sanctus Paulus decepit sanctificatos per fidem, apertissime dicens de Vnigenito: Quia cũ esset diues, pauper est factus propter nos? Absit. Vera namque dicit omnino veritatis præco. Sed quis nam est diues, & quomodo pauper factus est? Etiam nunc sermo noster examinet; si quidem

Vt & secundum veritatem homo factus crederetur, licet permansisset quod erat, hoc est Deus. Sed nescio, quomodo qui Christum se vnum dicere fingunt, & Filium & Dominum, eumdem Deum & hominem, non illud ex Deo natum Verbum appellari dicunt Pontificem & Apostolum confessionis nostræ, quando factum est homo; sed velut alterum quemdam singulariter hominem ex semine Dauid vocatum ad hoc affirmant; metuentes fortasse, ne peruersa Nestorij opinione contempta, recta sapere deprehendantur. Ait enim sic ille: Iste fidelis Deo factus Pontifex. factus est enim hic, non sempiterne ante fuit hic, qui paulatim ad Pontificis prouectus est, hæretice, dignitatem.] Deinde vt ipse putat, confirmans in veritate suas voces, intulit dicens: De quo & Ioannes dicit in Euangelijs: IESVS autem proficiebat ætate & sapientia & gratia. Et rursus: Cũ sit nobis hic solus Pontifex, cõpatiens, ac cognatus, & stabilis, á firma in eũ fide nolite deficere. Ipse enim nobis pro benedictione promissa ex semine Abraham missus est, tamquã pro se & genere suo corporis sacrificiũ oblaturus.] Illius autem execrabilitatis optimus imitator egregius iste Theodoretus, non erubescit dicens: Humanam naturam assumpsit, & hanc vltra communes statuit pontifices, sicut & Paulus ait: Omnis enim Pontifex ex hominibus assumptus, pro hominibus constituitur in his quæ sunt ad Deum, compati valens ignorantibus & errantibus, quoniam & ipse circumdatus est infirmitate: & propterea debet quemadmodum pro populo, ita etiam pro semetipso offerre pro peccatis.] Putas non hominem nobis communem, quantum ad suum placitum, effecit Emmanuel? Non similia sensit his qui nuper à nobis nominati sunt, & eamdem parturientia blasphemiam? Dic mihi, metuis pontificij modum saluatoris omnium nostrum IESV Christi? incongruum esse dicis Deo Verbo humane sacrificium ministrare propter dispensationem? Ergo aufer personam, nega haud dissimulanter inhumanationem Verbi, propter quam nominatũ est etiam Pontifex. Numquid Patri sacrificantem vides tamquam alteri & potiori Deo? Numquid aspexisti hostias immolantem illorum more qui ex hominibus assumpti sunt, & compati possunt ignorãtibus & errantibus, eo quòd & ipsi sint in nostris infirmitatibus? Non considerasti, quia ab omnibus fidem, siue fidei cõfessionem sibimet consecrat, & per omnia sancto Patri? Dic mihi, putasne morẽ esse humani sacrificij, fidem petere ab eis qui in odorem suauitatis sese obtulerunt in spiritu? καπεξήσομεν πίστιν. πρῶτον μὲν γὰρ οὐδαμοῦ σαρκὸς νοερᾶς ἐμνημόνευσεν, οὔτε ἄνθρωπον τέλειον τὸν ἀναληφθέντα ὡμολόγησεν, ἀλλὰ παντάχοῦ σάρκα λέγει, τοῖς Ἀπολιναρίου δόγμασι συνακολουθῶν· ἔπειτα τὴν τῆς κράσεως ἔννοιαν, ἑτέρους ἐμβαλὼν ὀνόμασι, καὶ ἐπιδύει σαφέστερον τοῖς λόγοις. ἐντεῦθεν γὰρ σαφῶς, ἄψυχον τὴν τοῦ κυρίου σάρκα φησίν· εἴ τις γάρ, φησὶ, τὴν τοῦ κυρίου σάρκα, μὴ ἰδίαν αὐτοῦ τοῦ ἐκ θεοῦ πατρὸς λόγου, ἀλλ' ὡς ἑτέρου παρ' αὐτὸν λέγει, ἀνάθεμα ἔστω. ἐξ ὧν τοις, δ- * δῆλον, ὡς ὁμολογεῖ ψυχὴν ἀνθρωπείαν τὸν θεὸν λοις ἐχ λόγον, ἀλλὰ σάρκα μόνην· αὐτὸν δὲ εἶναι αὐτὴ ψυχῆς τῇ σαρκί. ἡμεῖς δ' ζωοποιὸν εἶναι φαμὲν τὴν ἔμψυχον, καὶ λογικὴν ἓνωμένην κυρίου σάρκα, διὰ τὴν ἑνωμένην αὐτῇ ζωοποιὸν θεότητα. ὁμολογεῖ δὲ αὐτὸς ἄκων τῶν δύο φύσεων τὸ διάφορον, σάρκα λέγων, καὶ θεὸν λόγον, καὶ ἰδίαν αὐτοῦ προσαγορεύων τὴν σάρκα. οὐκοῦν οὐχ ὁ θεὸς λόγος εἰς σαρκὸς ἐτράπη φύσιν· ἀλλ' ἰδίαν ἔχει σάρκα, τὴν ἀναληφθεῖσαν φύσιν, καὶ ζωοποιὸν αὐτὴν τῇ ἑνώσει πεποίηκεν.

patefaciemus. Primum quidem nuſquam carnis intelligentis meminit, neque aſſumptum confeſſus eſt hominem perfectũ: quin potius vbique carnem dicit, ſequens Apollinarij dogmata. deinde ſententiam de mixtione alijs nominibus introductam, ſermonibus ſuis inſerit. hinc enim aperte carnem Domini inanimatam dicit. Si quis enim, inquit, carnem Domini non propriam Verbi Dei Patris, ſed tamquam alterius præter ipſum dicit, anathema ſit. Ex quibus patet, non confiteri eum, ſumpſiſſe Verbum animam, ſed carnem tantum; ipſum autem Verbum fuiſſe carni pro anima. Nos autem viuificam eſſe dicimus animatam & rationalem Domini carnem, propter diuinitatem viuificam ei vnitam. Confitetur autem ipſe inuitus differentiam duarum naturarũ, cum dicit carnem, & Verbum Deum, & propriã eius carnem appellat. Ergo Deus Verbum non eſt conuerſum in naturam carnis, ſed propriam habet carnem, naturam ſcilicet aſſumptam, & eam fecit vnione viuificam.

Keats's publishers, Taylor and Hessey, were
not willing to publish the poem, and it was
printed by Charles and James Ollier in
1820. Keats's friend Charles Brown
wrote that Keats "was not pleased with
the printing, and he was right, for it is
full of errors." Keats's friend Richard
Woodhouse wrote that Keats "was
annoyed at the publication, and
especially at the printing."

The poem was published in a volume
with "Isabella; or, The Pot of Basil" and
"The Eve of St. Agnes." The volume
was published on July 1, 1820, and
was dedicated to Leigh Hunt.

Ο μακάριος Ησαΐας, δέσποτα, φησὶ, πρός με ἓν τῶν σεραφὶμ· καὶ ἐν τῇ χειρὶ εἶχεν ἄνθρακα, ὃν τῇ λαβίδι ἔλαβεν ἀπὸ τοῦ θυσιαστηρίου· καὶ ἦλθε πρός με, καὶ ἥψατο τῶν χειλέων μου, καὶ εἶπεν· ἰδοὺ ἥψατο τοῦτο τῶν χειλέων σου, καὶ ἀφελεῖ τὰς ἀνομίας σου, καὶ τὰς ἁμαρτίας σου περικαθαριεῖ. Φαμὲν δὲ τὸν ἄνθρακα τύπον ἡμῖν, καὶ εἰκόνα πληροῦν τοῦ ἐνανθρωπήσαντος λόγου· ὃς, εἴπερ ἅψαιτο τῶν χειλέων ἡμῶν τουτέστιν, ὅταν τῇ εἰς αὐτὸν ὁμολογήσωμεν πίστει, τότε καὶ ἁπάσης ἁμαρτίας ἀποφαίνει καθαροὺς, καὶ τῶν δεχαίων ἐγκλημάτων ἐλευθεροῖ. πάλιν ἔστιν ἰδεῖν, ὡς ἐν εἰκόνι τὸν ἄνθρακα, ἐνωθέντα μὲν τῇ ἀνθρωπότητι τὸν ἐκ θεοῦ λόγον, οὐ μὴν ἀποβεβληκότα τὸ εἶναι, ὅ ἐστι, μεταστοιχειώσαντα δὲ μᾶλλον τὸ ληφθὲν, ἴδιον ἐνωθὲν, εἰς τὸ ἑαυτοῦ δόξαν τε, καὶ ἐνέργειαν. ὃν γὰρ τρόπον τὸ πῦρ ὁμιλῆσαν ξύλῳ, καὶ εἰσδὺνον αὐτὸ, καὶ περιλαβὸν μὲν αὐτὸ, καὶ σὺν ἐξίστησι μὲν τοῦ εἶναι ξύλον, μεθίστησι δὲ μᾶλλον εἰς τὸ τοῦ πυρὸς ἔψειν τε, καὶ φωτίζειν, καὶ πᾶν αὐτῷ τὸ ἴδιον ἐνεργάζεσθαι, καὶ ὡς ἤδη λελόγισται μετ' αὐτοῦ, οὕτω νοήσεις καὶ ὅλη κεκτῆσθαι. ἐνωθεὶς γὰρ ἀπορρήτως ἀνθρωπότητι θεὸς, τετήρηκε μὲν ἰδίαν τοῦθ', ὅπερ εἶναι φαμὲν μεμένηκε δ' καὶ αὐτὸς ὅπερ ἦν· ἐνωθεὶς δ' ἄπαξ, ὡς εἰς λελόγισται μετ' αὐτῆς, οἰκειούμενος μὲν τὰ αὐτῆς, ἐμποιῶν δὲ καὶ αὐτὸς αὐτῇ τῆς ἰδίας φύσεως τὴν ἐνέργειαν.

Ὅτι τῆς ἀσωμάτου θεότητος σῶμα γέγονεν ἡ σὰρξ, ψυχὴν ἔχουσα λογικὴν· ἢν ὅπερ διαίροντες ἀπ' ἀλλήλων αὐτὰ, πάντα τὸν καὶ πάντως ἀφανίζομεν τῆς ἐν χριστῷ γενομένης οἰκονομίας τὸν λόγον.

Ἐν τῷ ἄσματι τῶν ἀσμάτων αὐτὸς ἡμῖν εἰσκεκόμισται λέγων ὁ κύριος· ἐγὼ ἄνθος τοῦ πεδίου, κρίνον τῶν χειλέων. ὥσπερ οὖν ἡ ὀσμὴ ἀσώματον μέν τι χρῆμά ἐστι· κέχρηται δ' ὡσπερ ἰδίῳ σώματι τῷ, ἐν ᾧ ἐστι· πάλιν ἓν ἐξ ἀμφοῖν νοεῖται τὸ κρίνον, καταφθείρει δὲ πάντως τὸν ἐπ' αὐτῷ λόγον ἡ εἷς διάστασις, ἐν ὑποκειμένῳ γὰρ ἡ ὀσμή· ἔστι σῶμα τὸ ὑποκείμενον, οὕτω νοήσωμεν δ' ὅτι καὶ θεοῦ, θεότητος φύσιν τὴν ἰδίαν τε, καὶ ὑπερκόσμιον, ὑπεροχὴν διαιτᾶσαν τῷ κόσμῳ καθάπερ ἐν ὑποκειμένῳ τῇ ἀνθρωπότητι, καὶ τὸ ἀσώματον κατὰ φύσιν, καθ' ἕνωσιν οἰκονομικὴν μονονουχὶ θνητὰς καὶ ἐνσώματον διά τι τὸ θέλειν ἀπαγινώσκεσθαι διὰ σώματος. ἐνήργηκε γὰρ ἐν αὐτῷ τὰ θαυμαστά· σὺν οἷς νοεῖτ' ἂν εἰκότως ὡς ἐν ἰδίῳ σώματι τὸ ἀσώματον, καθάπερ ἀμέλει καὶ ἐν ὑποκειμένῳ τῷ ἄνθει τῆς εὐοσμίας τὸ χρῆμα· λέγομεν δὲ κρίνον τὸ συναμφότερον.

Ὅτι καὶ πρὸς ἕνωσιν ἀλληλικὴν συνιεμένοις τῷ λόγου πρὸς τὸ ἀνθρώπινον, ἀσύγχυτα μεμενήκασι τὰ ἡνωμένα.

De Carbone. Cap. IX.

BEatus Esaias: Missum est, inquit, ad me vnũ ex Seraphim, & in manu habebat carbonẽ, quem forcipe accepit ab altari, & venit ad me, & tetigit labia mea, & dixit: Ecce tetigit hoc labia tua, & auferet iniquitates tuas, & peccata tua purgabit. Carbonem autem dicimus figuram & imaginem nobis exhibere Verbi hominis facti: quod si labia nostra tetigerit, id est, cum fidem in ipsum confessi fuerimus, tunc nos ab omni peccato puros efficiet, & pristinis criminibus liberabit. Ceterum tamquam in imagine licet in carbone cõspicere vnitum quidem humanitati Deum Verbum, non tamen abiecisse quod est, sed potius trãsformasse assumptam seu vnitam naturam, in suam gloriam & operationem. Quemadmodum enim ignis ad lignum accedens, & in id penetrãs, comprehendit quidem ipsum, & quamuis à ligni statu ac natura non expellat, tamen speciem illius viresq. trãsmutat, & in eo quidquid sibi proprium est operatur, & cum ipso iam quasi vnum aliquid æstimatur: idem intellige & in Christo. Vnitus enim ineffabiliter humanitati Deus, seruauit quidem ipsam in eo quod est, & ipse permansit quod erat: semel tamen vnitus, quasi vnus iam cum ipsa putatur, ea quæ sunt illius, sua faciens; conferens autem ei etiam ipse naturæ suæ operationem.

Quòd incorporalis diuinitatis corpus facta sit ipsa caro, habens animam rationalem: & quòd, si ea à seipsa diuidere voluerimus, proculdubio labefactabimus rationem dispensationis, quæ in Christo intelligitur. Cap. X.

IN Cantico canticorum ipse nobis introductus est dicens Dominus [Iesvs Christus:] Ego flos campi, & lilium conuallium. Quemadmodum ergo odor res quidem est incorporea, habet autem quasi proprium corpus id, in quo inest; tamen vnum ex vtroque intelligitur lilium; sed corrumpitur omnino ratio ipsius, vnius rei discessu (in subiecto enim corpore odor est:) ita etiã in Christo intelligimus diuinitatis naturam, & illam excellentissimam maiestatẽ, vt odorem suauissimum mundo dispergeret, in ipsa humanitate tãquam in subiecto sitam; & id quod incorporale est per naturam, per vnionem dispensatoriam pæne dicam factum fuisse corporale, propterea quòd voluerit se cognosci per corpus. In eo enim diuina signa operatus est. Igitur id quod incorporale est, tamquam in suo corpore conuenienter intelligi potest, quemadmodum etiam odor in flore subiecto: lilium tamen iam simul vtrumque nominatur, & odor, & flos.

Quòd & vnito Deo Verbo vere humanitati, inconfusæ tamen substantiæ permanserint. Cap. XI.

ERectum est secundum Dei voluntatem sanctũ tabernaculũ per desertum, & in eo multis modis figurabatur Emmanuel. Ait enim Deus omnipotens ad diuinum Moysen: Et facies mihi arcam

Chapter CDLX

ἐφάνετο. Διὰ τοῦτο καὶ ἐν παραρραίοις ἐστὶ, καὶ ὑπὸ ἀγγέλων δοξάζεται· ὁ δὲ ἀστὴρ καταβαίνων πρὸς τοὺς μάγους· οὔτε γὰρ τοὺς τόπους ἀμείβουσιν οἱ ἀστέρες· ἀλλ' ἐπειδὴ τῶν Χαλδαίων ἡ γῆ πλείους ἔχει τῇ κινήσει τῶν ἀστέρων προσέχοντας, ἡ δύναμις ἡ κρείττων, ὁδηγοῦσα τοὺς μάγους, ἀστέρος εἰλήφθη ἰδίωμα· ἵνα ἀφ' ὧν ἔμαθον οἱ Χαλδαῖοι, μάθωσιν ὃ οὐκ ἠδεισαν· καὶ ἀστρονομίᾳ προσέχοντες, αὐτοῖς τοῖς ἄστροις τὰ τοῦ Χριστοῦ διδαχθῶσι μυστήρια. ἔστι γὰρ οὐκ ἀστὴρ, ἀλλὰ δύναμις ἀγγελικὴ, ὁδηγοῦσα τοὺς βαρβάρους πρὸς τὴν εὐσέβειαν, αὐτὸς ὁ εὐαγγελιστὴς δηλοῖ, τὸν ἀστέρα τοτὲ μὲν καὶ ἐν ἡμέρᾳ φαίνεσθαι, ποτὲ δὲ καὶ κρύπτεσθαι, λέγων· ἄλλοτε δὲ καὶ ὁδηγεῖν αὐτὸν τοὺς μάγους, φησὶ, καὶ σὺν αὐτοῖς ἐλθεῖν τὴν Βηθλεέμ ἐκείνην· ὅπερ οὐκ ἄν τις εἴποι περὶ τῶν συνήθων ἀστέρων· δῆλον τῇ αἰσθήσει ποιεῖν, ἀλλὰ δύναμιν ἐν ἄστρου σχήματι φαινομένην τοῖς ἀστρονόμοις. τὸ δὲ, ἧκεν ἐπάνω οὗ ἦν τὸ παιδίον, πρὸς τὸν ἀστέρος ῥηθὲν, δύναμιν εἶναι τὸ φαινόμενον, μᾶλλον σαφῶς. οὐ γὰρ ἄν τις τῶν ἐν οὐρανῷ πεπηγότων ἀστέρων δῆλος ἐγένετο, ἐπάνω στὰς τοῦ παιδίου· ἐπειδὴ τὸ τοῦ διαστήματος μέγεθος, τῆς ὄψεως κλέπτον τὸν κρίσιν, οὐδὲ στάσιν, οὐδὲ κίνησιν τῶν ἀστέρων, δήλων τῇ αἰσθήσει ποιεῖ. ἔστη, φησὶν, ὁ ἀστὴρ ἐπάνω, οὗ ἦν τὸ παιδίον. στὰς οὖν ἀπολιπὼν τὸ ὕψος ὁ φαινόμενος ἀστὴρ, χαμαιλαίτερος γέγονεν, ἵνα τῇ στάσει δείξῃ τοῦ βασιλέως τὴν γέννησιν. καὶ γὰρ ὡς βασιλέα ἐζήτουν οἱ μάγοι, βασιλέως ἐπερωτῶντες τὸν τόπον, καὶ τοῖς ἰουδαίοις λέγοντες· ποῦ ἐστὶν ὁ τεχθεὶς βασιλεὺς τῶν ἰουδαίων; εἴδομεν γὰρ αὐτοῦ τὸν ἀστέρα ἐν τῇ ἀνατολῇ, καὶ ἤλθομεν προσκυνῆσαι αὐτῷ. βασιλέα ζητεῖς, ὦ μάγε; καὶ τίνος ἕνεκεν ὡς θεῷ προσφέρεις τὸν λίβανον; ἀλλ' οἶδα τὸν βασιλέα, καὶ θεὸν ἐγνώκαμεν. Διὰ τοῦτο καὶ χρυσὸν αὐτῷ προσφέρω, καὶ λίβανον, τοῖς δώροις ὁμοῦ καὶ θεὸν, καὶ βασιλέα μυοῦντες. Ἀλλ' οὗτος, ὁ τότε μάγος ἰλικὰς ἀῤῥήτῳ δυνάμει πρὸς τὴν εὐσέβειαν, καὶ νῦν τὴν φάτνην πεντήκοντα σωτηρίοις ἡμέραις, οὐκ ἐπὶ ἐν φάτνῃ τιθέμενος, ἀλλ' ὅτι τῆς σωτηριώδους τραπέζης πάντας προκείμενος· ἐκείνη γὰρ ἡ φάτνη τῆς τραπέζης ταύτης μήτηρ ἐγένετο· Διὰ τοῦτο ἐν ἐκείνῃ τίθεται, ἵνα ὅτι ταύτης βρωθῇ· καὶ γένηται τοῖς πᾶσι σωτήριον ἔδεσμα. ἀλλ' ἡ μὲν φάτνη τὸν λαμπρὸν αὐτὸν ἀπέδειξε τράπεζαν, ἡ δὲ παρθένος τοὺς χορεύοντας ἐβλάστησε τῆς παρθενίας· ἡ δὲ ἐν Βηθλεὲμ οἰκίσκος ἄπλετα πᾶσι τοῖς θεοφανεῖς τούτους ἀπέδειξε ναούς· τὰ δὲ τότε παράγοντα τῶν νῦν ἁμαρτημάτων λυτήρια γέγονεν. εἶδες τῆς τότε πενίας τὰ νῦν φαινόμενα κατορθώματα; εἶδες πλουσίαν ταύτην πτωχείαν πλούτου γεγυμνένην μητέρα; μὴ βλάπτει ἡ κάτω τοῦ μονογενοῦς πρὸς ὀλίγον ἄπλετα, τοσοῦτον πλοῦτον τῇ οἰκουμένῃ κομίσασα; τί οὖν ὀνειδίζεις Χριστῷ τὸν ἐν Βηθλεὲμ ἄπλετον; Διὰ τί πενίαν φέρεις εἰς μέσον, τὰ ἐξ αὐτῆς κέρδη τοῦ κόσμου μὴ λογιζόμενος; Διὰ τί ἀνάξιον λέγεις θεοῦ πάθος, τοσούτων ἀγαθῶν γινόμενον αἴτιον; Διὰ τί ἀφαιρῇ τῷ μονογενοῦς τὰ τραύματα, ὅς τοσοῦτον σωτήρια τοῖς ἀνθρώποις ἐπήγασε; τί παρακαθίζῃ

parebat. Propterea & pannis inuolutus est, & ab Angelis glorificatur, [& in præsepi positus, & à stella denuntiatus;] non à stella descendente ad Magos: neque enim stellæ loca permutant: sed quoniam Chaldęorum terra plurimos habet stellarum motus inspicientes, virtus quædam præstantior deducens Magos assumpsit stellæ speciẽ, vt ab ijs ipsis quæ didicerant Chaldæi, quod nescirent agnoscerent, & cum astronomiæ studiũ adhiberent, ab ipsis astris Christi mysteria docerentur. Quòd enim non erat stella, sed virtus angelica ducens barbaros ad pietatem, ipse Euangelista significat cum dicit, stellam hanc in die aliquando quidem apparuisse, aliquando rursum latuisse, aliàs vero deduxisse Magos, & cum ipsis in Bethleem profectam esse: quod nemo vtique facere dixerit vllum è solitis sideribus sensui notis, sed virtutem in stellę figura astronomis apparentẽ. Quod autem ait de stella, etiã stetisse eam super puerum, virtutem esse, quod apparebat, manifeste indicauit. Nulla etenim stella quæ in cælo sita est, super puerũ stare conspici potuisset, quoniam spatij magnitudo aspectus iudicium fugiẽs, neque statum neque motum stellarum manifestũ sensui facit. Stetit, inquit, stella supra locum, vbi erat puer. Ergo relinquens altitudinem stellæ quæ apparebat, humilior facta est, vt statu suo natiuitatem Regis ostenderet. Nam tamquam Regem quærebant Magi, Regis natiuitatem interrogantes, Iudæisq. dicentes: Vbi est qui natus est Rex Iudæorum? Vidimus enim stellam eius in Oriente, & venimus adorare eum. Regem quæris, ò Mage? Et cur tamquam Deo thus offers? Sed noui & Regem & Deum. Propterea & aurum ei offero & thus, muneribus simul Deum, simul Regem designans.

Sed iste, qui tunc Magos ineffabili virtute ad pietatem traxit, idem lætam hanc festiuitatem hodierno die constituit; non iam in præsepi positus, sed in hac salutari mensa propositus. Illud namque præsepe mater factum est huius mensæ. Propterea in illo est positus, vt in ista edatur, & fidelibus fiat salutaris cibus. Sed illud præsepe quidem claram hanc mensam designauit, Virgo autem choros istos virginum germinauit; Bethleemitici autem diuersorij vilitas, clara hęc templa extruxit; & panni, quibus tunc inuolutus est, facti sunt præsentium resolutio peccatorum. Vides illius paupertatis quæ nunc spectentur egregia opera? Vides paupertatem tantarum factam diuitiarum parentem? Numquid obest illa deorsum Vnigeniti ad exiguum tempus abiectio, quæ tantas diuitias contulit orbi terrarum? Quid ergo exprobras Christo Bethleemiticam humilitatem? Cur paupertatem profers in medium, lucra exinde orbi terrarum parta non computans? Cur indignam dicis Deo passionem, quæ tantorum bonorum facta probatur occasio? Cur aufers Vnigenito vulnera, quæ tantam salutem hominibus attulerunt? Cur adhæres profuderunt?

A ἔργων ἐγένετο· πάντα καλὰ, ἢ καλὰ λίαν ἐαὐτῶν ἴδωμεν, ὡς ὁ πλάσης αὐτὰ γεγραμμένα. εἶδε γὰρ ὁ θεὸς τὰ πάντα, ὅσα ἐποίησε, καὶ ἰδοὺ καλὰ λίαν. ἀπερίστατα βλέπε πάντα τοῖς ὀφθαλμοῖς· καὶ εἰ ὡς ὁ θεὸς αὐτὰ βλέπῃς, λίαν καλά. ἐξόρισον τὸ πάθος, καὶ γνωρίσῃς τὴν ἀγάπην τοῦ γεγραμμένου. τί οὖν θαυμαστὸν, εἰ ἐν ἰδίῳ ἔργῳ, καὶ οἴκῳ καταπαύσειεν ὁ θεός. featur indignum. Omnia namque bona, & quidem valde bona, si ea intueamur, vt cõditor iam
Genes. 1. facta intuitus est. Vidit enim Deus omnia quæ fecerat, & ecce bona valde. Omnia proinde quæ aspicis, oculo à perturbationibus immuni aspice; & si vt ipse Deus ea videbis, omnia esse valde pulchra deprehendes. Abijce passionem, & summam in Dei opere nobilitatem comperies. Quid ergo mirum est, si Deus in proprio opere ac domo habitare voluerit?

Sed dicis, decenter illum quidem in cælis habitare: sed hominem indignam ipso habitatione putas, non veritate rationum, sed sola passione, anticipataq. opinione rei naturam iudicans. Dic quæso, quid sublimius, cælum ne, an homo? Non mihi iam elementorum splendorem attendas; non propter coloris elegantiam rerum naturas præferas; non coruscantis Solis radios obstupescas; non te moueat, quòd ego, iuxta diuinum Iob, pelle & carne indutus sum: sed rationalis animæ excellentiam considera, hominis constitutionem contuere; ita hoc animal admirabere. Mentem habet, qua ceteris omnibus animantibus dominari ac imperare potest. Manus sortitus est mentis intelligentiæ administras, quibus tamquam instrumentis omne artificij genus operatur. Solum hoc animal inter cetera omnia à coactione liberum conditum est: solum hominem suæ voluntatis dominum creauit Deus. Nonne cernis solem naturali quadam necessitate adactum volui? nonne constantem, semperq. sibi similem illius conuersionem aduertis? Cur autem hoc? Quia suæ voluntatis non habet arbitrium: tu vero procedis liber, facis quod lubet; necessitatem quæ te per vim impellat, nullam pateris; animo constitutus es libero. Sol famulatur necessitati; homo voluntatem sortitus est liberam. Quis ergo, dic mihi, præstantior est, seruus, an liber? necessitatis iugo subiectus, an ab omni necessitate immunis? Nihil igitur mirum, nihil incredibile ac nouum, si in homine habitauit Deus, quem ad suam imaginẽ formatum benigne complexus est. Suum namque erga hominem consilium in ipso statim creaturæ primordio declarauit:
Genes. 1. puluerem quidem ex terra sumens formauit eum, & simulacrum suæ diuinitatis effecit. Sed cur, quem tanto ornatu decoraturus erat, ex tam vili substantia formauit? Cur non ex Solis splendore materiam sumens, ipsum hominem condidit; sed ex terra, terræq. puluere, elemento vtique infimo, omniumq. pedibus conculcato, illum effinxit? Vis scire, quam ob causam? Quoniam hominem sua imagine honoraturus erat, ipsum ex vili natura formauit, ne forte honoris excellentia eleuaret hominem in superbiam: vt cum super naturam eum honoraret, abiectæ naturæ suæ memoria à fastu compesceretur; simulq. agnosceret, honoris amplitudinem non sui meriti esse, sed largitoris gratiæ. Pertinuit itaque & hoc quoque ad creatoris benignitatem, vt ipsa imago Dei ex terra haberet naturæ originem. Naturam enim illam pro moderati animi pignore habebat. Est ergo nobile animal homo; licet passionibus postea subeuntibus, magna ignominia sit affectus. Non enim

Nec eſt quòd hac de cauſa mireris. Si enim dignũ Deo habitaculũ nunc teipſum conſtitueris, in te quoque habitabit, etiamſi non ad eum modum, quo in Chriſto. In Chriſto enim inhabitat omnis plenitudo diuinitatis corporaliter. Sed ò miraculum. Omnis plenitudo diuinitatis in vno habitat corporaliter, & tamen omnia implet, & vniuerſam excedit creaturam: totus exiſtit in vno, & à nulla creatura ſeparatur. Nec quod hic dicitur, tibi impoſſibile videatur. Etenim ego quoque verbum nunc profero, & hoc ipſum verbum totum eſt in vno, & totum rurſum in omnibus factum eſt: & totum hoc verbum hauſit vnus; neque à multitudine ita circumſcribitur, [quin ſinguli hauriant totum.] Si itaque res ortui occaſuiq. obnoxia, tota exiſtit in vno, & tota comperitur in omnibus; quid mirum tibi videtur, ſi Deus & totus in cælo erat, & totus inuenitur in omnibus?

Hodiernæ itaque ſolemnitatis cauſa & fundamentum eſt, Deum hominem factum ſuſcepiſſe humana, vt tribuat diuina: & proprias ſibi feciſſe paſſiones, vt nobis impatibilitatem donet: mortem ſubijſſe, vt immortalitatem nobis largiatur. Et licet humanæ naturæ incommoda vt propria ſuſcepit; propriam tamen naturam non demutauit; ſed voluntarie id tamquam ſuum ſibi vindicauit: & id quidem admodum appoſite fecit, poſteaquam hominem ſaluare propoſuerat. Sed quam ob cauſam humanæ naturæ paſſiones ſibi proprias fecit? Quia paſſiones per paſſionem adimere, mortemq. morte abolere, ac ſimilia ſimilibus voluit debellare. In ſe ſuſcepit crucem, ſuam fecit alapam, vincula ſua fecit, vt Dei propriæ effectæ paſſiones, aduerſus paſſiones acciperent poteſtatem. Neque enim Dei natura læſa eſt, nec per ſui mutationem paſſiones in ſe ſuſcepit; ſed fortitudinem illis diuinam contra eiuſmodi paſſiones tribuit. Mors namque veluti ipſius Dei facta mortem deſtruit: & moriens ille, mortis tyrannidem ſoluit, quoniam ſimul Deus & homo erat. Neque enim purum hominem crucifixerunt Iudæi; neque eam ſolam naturam, quæ cernebatur, transfixerunt; ſed in ipſum Deum, qui vnitæ naturæ perpeſſiones ſibi appropriabat, impij temerarijq. extiterunt. Vt autem & hoc ipſum quoque tibi perſpicuum euadat, ad exemplum in exordio propoſitum orationem rurſus reducamus. Fingamus itaque, Regem quempiam ſermonem depromere, qui libertatis, vel aliorum regalium munerum quibus oportet impertiendorum, decretum

litatem Deus sese demisit, nullam secundum propriam naturam perpessus diminutionem, sed hanc nobis gratiam faciens. Hoc quod erat permanens, assumpsit quod non erat. Deus esse non desitit propter propriam naturam: quod autem tu es, id factus est ille ob suam in te benignitatem. Ne igitur curationis modum in contumeliam vertas; neque improperes medico, si incorporis humilitate constitutus, tuam operatus est sanitatem. Non est illa humilitas probri loco; sed certum humanitatis argumentum. Descendit ad te, non vt in inferioribus perpetuo hæreat, sed vt te ad seipsum subuehat. Ne ergo inficieris descensum, vt non amittas ascensum: amplectere contumeliam, quę tuam peperit gloriam. Diuinitatis natura nullam ignominiam est perpessa; gratia autem tibi contulit beneficia. Propter te seruum ignominiam promeritum, ignominia afficitur Dominus. Quæ tua sunt ille assumpsit, quoniam tu quæ illius erant, deseruerat. Nos à pio Domino aufugimus, gratiamq. ab eodem oblatam non tulimus. Ad vlum delicias paradisi acceperamus; sed legem violantes, necnon in legislatorem præuaricantes, & hosti morem gerentes, ex honore excidimus. Interrestri hoc loco degebat ille fugitiuus, neque oculos ad Dominum subleuabat, voluptatis sensus deorsum mersum tenebat, ipsa vis peccati vinctum habebat fugitiuum; desperabat posse fieri, vt humana mens Deum suspiceret. Quid ergo? Numquid mea tarditas Deum pulcherrimæ huius possessionis, quæ homo est, iactura afficiet? Absit. nequaquam enim id vniuersorum Deus est passus. Nefas enim erat, vt inuidia gratiam Domini superaret: sed neque decebat, vt Dei donum insidijs diaboli quasi deuictum cederet. Quid igitur Dominus facit? Venit ad fugitiuum. seruus enim ad ipsum venire non poterat. Accedit ad seruum non maiestate herili, non Angelorum satellitia præmittens, non Archangelorum phalangas ciens, non igneos globos vibrans, non elementa concutiens; (hoc enim erat, facere vt fugitiuus Dominum aduenientem fugitaret,) sed ita accedit, vt fugitiuũ capiat, propriamq. possessionem recuperet. Non enim per visibilem speciem illum abigit; sed personæ humilitate ad familiaritatem & amicitiam prouocat; efficitur conseruus, vt dominus declareris. Propter hoc enim magnus ille Apostolus dicit: Hoc sentite in vobis, quod & in Christo IESV. IESVM hic vocat. Dic quæso, quale nomen mater infanti indidit? Vocabis, inquit, nomen eius IESVM. Vbi est ergo qui Christum diuidit? vbi qui nostrum hoc mysterium ad homonymiam redegit? vtpote vnum Christum nominans, re ipsa autem duos ponens; alterum seruum, alterum dominum; alterum patibilem, alterum impatibilem. Quid proficit vna appellatio, vbi duæ res ponuntur? Hoc, inquit, sentite in vobis, quod & in Christo IESV. IESVM enim nominat qui cernebatur, cui Virgo id nominis imposuerat. Hoc quiuis in se sentiat, quod est in Christo IESV. Quid ergo in Christo IESV sensimus? Nempe quòd cum in forma Dei esset, non

μωπάτω, καὶ ὑπερφυᾶ δυώαμίν τι, καὶ ἐξουσίαν. καὶ A non potuisset, nisi quadam lenitate ac mansuetudine temperata fuisset. Quare beatus propheta Dauid pro se aliisq. omnibus in terra degentibus preces fundens, modo ait: Memento Domine quoniam puluis sumus; modo rursum: Si iniquitates obseruaueris Domine, Domine quis sustinebit? Quin optimus quoque Iob à diabolo tentatus, cum in acerbissimis atque sæuissimis ærumnis teneretur, ad Deum clamabat: Quare, ait, non fecisti obliuionem iniquitatis meæ, & expiationem peccati mei? Obsignasti enim iniquitates meas veluti in sacculo, & notasti si quid etiam inuitus prævaricatus sum. Sed statim, opinor, dicet hic quispiam: Quid igitur, ò generosissime athletarum? Tu ne id crimini Deo vertis, quòd eius qui deliquit, non miseretur? Tu ne ob id statim legislatorem insimulas, quòd peccata non obliuiscitur? Næ, inquit ille. Qui enim natura sua misericors est, neque vulgarem inde gloriam obtinet, cur non etiam mihi talem se præbet? Si enim fieri potest, vt humana mens nullo pacto prolabatur, exactissime in illum iudex inquirat, obsignet iniquitates velut in sacculo, deneget obliuionem ijs qui ipsum vel inopinato interdum offenderunt. Si vero in multis offendimus omnes, omniq. vacare culpa in ipsum solum conuenit, delicta eorum libens obliuiscatur, qui imbecilles esse solent. Decet itaque excellentes præstantesq. naturas, vt sereno placidoq. sint animo. Hæc autem lenitas animiq. serenitas singulari modo adest diuinæ supremæq. illi naturæ, & ad illius exemplum, etiam vestræ maiestati, Christi amantissimi Imperatores. Siquidem cælestis illius regni quoddam simulacrum, & hominibus exemplum propositum vos estis, & quidem soli, in omnes imperium sortiri, vt timore ac mansuetudine subditos vestros conseruetis, & veluti illustrem quamdam pacatamq. serenitatem per vniuersum orbem diffundatis. Quare & ego quoque impulsus sum, vt læsam vestram pietatem conuenienti defensione placarem. Quod vero mihi id efficere cupienti in primis vtile & necessarium futurum erat omitto, & quidem inuitus, propter obseruantiam quæ vestræ maiestati iure ab omnibus debetur. Etenim si me non eius temeritatis, aut væsaniæ fuisse dixero, vel non ita omnis decori oblitum pronuntiauero, vt aliquid deliquerim, & hoc aduersum vos, forte haud impune id dixero. Metuo enim, nec iniuria, sententiæ vestræ aduersari, ne aliquid eiusmodi mihi eueniat, quod Israëli accidit. Qui cum haud prorsus ita innocens esset, vt non aliquando deliqueret, (In multis namque offendimus omnes, & humana natura hoc veluti morbo laborat, vt facile labatur,) tamquã diligens Legis custos nullo pacto Deum se offendisse aliquando persuasum habebat. Verum hunc mox sibi dicentem audiuit: Ecce ego iudicio tecum contendam, eo quòd dicis, Non peccaui. Satius itaque consultiusq. est potentibus cedere, & offensionis veniam petere. Habet enim hoc, sicuti dixi, vestra maiestas ex diuina imitatione, vt offensarum obliuiscatur.

A nostrum saluatorem Christum Dominum. Scriptum namque est, neminem dicere, Anathema IESVM, nisi in Beelzebub; hoc est, neminem negare Christum, nisi satanam habeat, qui ad hoc illum instiget. neque quisquam est, qui hoc in dubium vocet. Draco igitur apostata ille, hoc est satanas, virum sacerdotē incautum, ac potius mente seductum nactus, & linguam adeptus temerariam, & ad veritatis dogmata inconsiderate calumniandum, Christiq. saluatoris nostri gloriæ detrahendum promptissimam, (erat enim petulans, effrenatoq. impetu quēuis etiam absurdissima audacter aggrediens,) turbis seditionibusq. omnes Ecclesias adimpleuit. Oppugnatā autem ad hunc modū recta Fide, vbique oriebantur dissensiones, & multa cura sollicitabantur ij etiam, qui iam crediderant, num errauerint quòd Christum verum Deum esse putassent. Et quid inde sequutum est? Pestifera quædam lues orbem depascebatur vniuersum, originem quidem habens ex mendacio, patrem vero satanam. Cum itaque à Deo speculatores constituti simus, vt populorum curam geramus; quomodo nobis non incumbebat, vt admodum alacriter sacra ecclesiasticaq. tuba arrepta, his qui pietatem seruare cupiunt, diabolici [f] laquei inuasionem detegeremus? Quam enim pœnam Deus parauit tacentibus? Sanguinem, inquit, eius de manu tua requiram. At erat, religiosissime Rex, tutū immotumq. cor tuum. Erat sane, & hoc ipse profiteor; potius autem res ipsæ hoc clamant, longusq. præterea tēporum tractus testatur, quo omnium approbatione cùm pietatē coleueritis, cum maiorū vestrorum gloria certatis: immo vero, quia illis gloriosum est quòd à vestra serenitate superantur, nihil veritus merito dixerim, meliorem hac de re honestioremq. vos tulisse sententiam. Noui enim, quàm immota vobis insit fides, quàm firma in Christum dilectio. Scripsi vero non inutiliter, ad hoc vt ipsi alijs, immo vero Ecclesijs omnibus hoc tempore turbatis opem feratis. Vestri enim moris est conseruare. Vt ergo tuba, quæ barbarorum insultus denuntiat, robustissimum quidem ac pugnacissimum quemque tantum propriæ fortitudinis admonet, timidum vero tironemq. cautum reddit, ne qua ratione in hostium acies per imprudentiam incidens, crudelitatis ipsorum præda fiat: ita quæ ego de Christo conscripsi, vestræ quidem pietatis aculeos aduersus diaboli laqueos excitabāt, cereros vero qui leui mobiliq. in malū mente sunt, cautos in Fide stabilesq. reddebant. Christi mysterium non ita facile à multis capitur. illius enim doctrina admodum profunda est; & illis etiam qui mente plurimum valent, diuinasq. Scripturas exquisite versant, vix tamquam in speculo atque ænigmate cognita. Cum autem, vt sacratissimus Paulus dixit, corrumpant bonos mores colloquia mala; guttaq. distillans, secundum Salomonis dictum, saxa excauet; si noxij illi sermones in humanam mentem instar distillantis guttæ

guttæ ſubinde incidant, fit quandoque, vt non mediocre, ſed maximum potius afferant damnum. Inſtituta itaque vtiliter ac neceſſario hæc à me eſt admonitio, tum ad eum ipſum [retundendum,] qui præter omnem opinionem Chriſto bellum intulerat, tum ad alios quoque [confirmandos inſtruendosq.] qui cum myſterij huius cognitionem non admodum exacte tenerent, ſeductoris verbis non ſecus ac graui tempeſtate iactabantur. Quòd autem neceſſario ſcripſerim, ex ipſa rei natura confirmari poteſt. Superioribus quidem temporibus, multisq. retro ſæculis, res humanæ à Deo diſſidebant. (errabat enim vniuerſa terra, & ſicut beatus Dauid canit, Omnes declinauerunt, ſimul inutiles facti ſunt, non eſt qui faciat bonum, non eſt vſque ad vnum.) ſed viſitauit nos oriens ex alto: apparuit nobis vnigenitum Dei Verbum, & cum ijs qui in terris degunt, conuerſatum eſt, noſtri ſimilis factus homo, ita vt maneret ſecundum naturam Deus; ac interſtitio ſublato, per ſe ipſum Deo & Patri nos coniunxit; & iniuriarum oblitus, à peccato, per quod ab illo dirimebamur, nos liberauit, fideq. iuſtificauit. Eſt enim ipſe pax noſtra, ſecundum Scripturas. Futurum itaque erat, vt Fide violata, vinculũ pacis noſtræ, quo Deo connectimur, diſrumperetur, iuſtitiæq. via à mentibus noſtris abſcõderetur, ne quid dicam grauius. Iuſtificamur enim per ſanctum baptiſma, mortem Chriſti annuntiantes, ſimulq. reſurrectionẽ eiuſdem confitentes. Verumtamen, Chriſtianiſſime Rex, mortem annuntiamus non vulgaris hominis, ſed inhumanati Dei, paſſi quidem noſtra cauſa ſecundum carnem, vt ſcriptum eſt, viuentis autem tamquam Dei, & ſecundum propriam naturam impaſſibilis manentis. Cum ergo Chriſtianorum ſpes, quod quidem ad ſeductoris ſermones, imperitamq. & effrenatam eiuſdem linguam attinebat, in apertum periculum adduceretur; neceſſitate quadam adacti non potuimus, ò Rex, ſocia habentes ipſius veritatis arma, illos qui recte credunt, non defendere. Vt autem hoc faceremus, illud maxime nos impulit. Beatinamque Patres noſtri, [a] cum ſacerdotium à Deo accepiſſent, hæreticorum peruerſitati ſuo quique tempore ſeſe intrepide oppoſuerunt, maxime vero impiorum Arianorum; etiam ſi ij qui tunc humanarum rerum dominium obtinebant, veritatem ignorarent, immo magis cum illis quoque ſentirent, dentibusq. aduerſum Eccleſiæ doctores infremerent. Verum illi omni metu ſuperato, rectam & irreprehenſibilem Fidei doctrinam libere prædicabant. Nouerant enim Dominum noſtrum IESVM Chriſtum dixiſſe: Nolite timere eos qui occidunt corpus, animam autem occidere non poſſunt: ſed potius timete eum, qui animam & corpus poteſt perdere in gehenna. Cum igitur illi, tametſi infenſiſſimos eos haberent qui vniuerſale per id tempus in omnes imperium obtinebant, nihilominus nõ ſiluerint, vt Saluatoris noſtri omnium gloriam ab iniuria vindicarent; quomodo neceſſe non erat, vt nos quo-

sum venerat, quid prohibuit, quominus nos conueniret, libere accusaret, in medium crimina, proferret, confidens in sancta Synodo ad respondendum vocaret, ac denique vnà cum alijs aut crimine liberaret, si quidem recte sapiebamus & loquebamur, aut certe ab Ecclesiasticis dogmatibus aliena sentire deprehensos iustæ condemnationi subijceret? Verum qūia non ignorabat, frustra se nos accusasse, impiamq. contra orthodoxos calumniam se struxisse; nihilominus Nestorij reuerentię & amicitiæ, nos infectando, gratificari volens, abscondite nos læsit; & veluti in nocturna quadam pugna non visus, iaculo nos petijt: siquidē chartam quamdam falsis accusationibus plenam concinnauit, eamq. ad pias vestras aures deferre ausus est, nequaquam id quod diuinis litteris proditum est, animo perpendens: Nullum mendacium coram Rege protuleris. *Pron.24.* Nos vero vbi hoc resciuimus, libellos sanctæ & *c. sec. LXX.* œcumenicæ Synodo exhibuimus, cum rectam ĳlibatamq. Ecclesiæ Fidem profitentes, tum eos quoque qui Arij, Eunomij & Apollinarij dogmata sectantur, anathematizantes. Rogauimus etiā illum, vt iuxta Ecclesiasticas leges in mediū prodiret, suos sermones firmaturus, errorisq. nos conuinceret. Erant autem, opinor, quæ agebamus, legi consentanea. Ipse autem in eam stultitiam, immo vero timiditatem ac desperationē prolapsus est, vt neque ad nos venire, neque sanctam Synodum intueri ausus fuerit; cum tamen potius fortiter instare oportuisset, neque expectare vt vocaretur, sed sponte occurrere, diserte redarguere, damnationis reos pronuntiare, ac pro sua ipsius sententia decertare. Verum male sibi conscius id minime fecit; adeoq. sanctæ Synodi præsentiam metuebat, vt ne ex ædibus quidem prodire auderet. At quomodo verisimile erat, electos sacerdotes, memores sacerdotij, memores Dei dicentis: Iustum iudicium iudi- *Deut.1.6.* cate; & personam in iudicio non accipies; Dei *16.17.* enim iudicium est: nos condemnationis sententię omnino subiecturos non fuisse, si hæresi infectos deprehendissent? Erat enim admodum necessarium, vt actorum commentarij conficerentur, & hæc ipsa vobis palam fierent. Regionibus etenim totis, magnisq. ciuitatibus dominationis vestrę nutu vnus iudex præficitur, qui [vestra fretus auctoritate] capitalium rerum iudicia exercet, vosq. legislatores veretur, vestrisq. decretis ad ius inuestigandum dirigitur. Cum itaque hæc ita habeant, quomodo credibile sit, homines à Deo ad sacerdotium electos, tantoq. numero, qui propter vitę splendorem existimatione admirabili essent, nos magis reuerituros fuisse, quàm diuinum præceptum? Quòd autem illius animus ad superbiam & arrogantiam sit plane infrænis, id ex alijs quoque rebus perfacile cognoscere licet. Iam tertius agitur annus, ex quo nouorum dogmatum inuentor Nestorius blasphemias suas in Ecclesia euomere non destitit. Postquam vero suis etiam litteris sanctissimo Roma-

EPISTOLA SANCTAE MEMORIÆ Cæleſtini Papæ, poſt damnationem Neſtorij ad ſanctam Synodum Epheſinam ſcripta.

Cæleſtinus Epiſcopus ſanctæ Synodo apud Epheſum conſtitutæ.

XX. TAndem malorum fine gaudendum eſt; tandem nobis omnibus in commune dicendũ: Dextera tua Domine glorificata eſt in virtute, dextera manus tuæ confregit inimicos. Propriene namque ipſi confracti ſunt, quando iniqua loquentium, dicente Dauid, os videamus eſſe obſtructum. Huiuſce tamen tam fideliter peractæ rei vos executores nobiſcũ videmus fuiſſe fidei defenſores; qui conuenientes in vnum, & ſecundum Apoſtolum, non quæ veſtra ſunt quærentes, ſed quæ Chriſti IESV, negotium Domini communis egiſtis. Apud vos ergo de veſtra loquimur ſanctitate, quorum in omnem terram ſonum gaudemus exiſſe, cum & in finem eiuſdem orbis prædictæ veritatis à vobis verba venerunt. Deus noſter non patitur latere quod præſtitit: quia numquam beneficia ſuperna cælantur. Ita namque fit, vt tanto munere innoteſcente cæleſti, pro voluntate diuina, ſicut ſcriptum eſt, omnis homo ſaluus fiat, & veniat ad ſcientiam veritatis. Loquor ergo victoribus, & qui in prælium ſolam contra hoſtem portauerunt Fidem, quæ & Ioanne Apoſtolo dicente, vicit & mundum: vobis eiuſdem proprie perſcribo ſermonibus, qui ſecundum diuinam paginam, vt patres cognouiſtis quod ab initio eſt; & vt iuuenes, dum fortes eſtis, & verbum Domini in vobis manet, viciſtis malignum. In talibus ſocijs gratulantes, de hoc euentu minime dubitamus. Habuit animum noſtrum fiducia ſuperandi, qui vobis videremus diuinæ cauſæ pondus incumbere, quos bene admodum noueramus, ſecundum illud propheticum, odiſſe congregationem malignorum, & cum impijs non eſſe ſeſſuros. Obtinui ergo quod credidi, quia contra nocentes atque peruerſos, ſicut ſupradictus ait, innocentes & recti adhæſerunt mihi. EIVSDEM CAELESTINI epistola ad Clerum & plebem Constantinopoli constitutam, post Synodum.

Caelestinus Episcopus Clero & plebi consistentibus Constantinopoli.

XXIII. EXultatio matris est congregatio filiorum: denique lætatur Ecclesia ita se filios, quos diabolus disperserat, iterum congregasse, vt ex his, nisi filius perditionis, nemo sit perditus, quia eum filium suum nequaquam Pater agnouit. Illum namque, ex quo erat, sicut legimus, imitatus, vobis legitimis Dei filijs hereditatem conabatur auferre, quos dicente Apostolo, pro fide vestra & heredes Dei, & Christi nostri futuros credimus coheredes. Non ergo ei palmam de his referre permissum est, qui de ipso magis per arma Fidei triumpharunt. Victores vos, immo com munis regis de hoste victoriam loquitur tyrannus exclusus: vicit in vobis, cuius incerta fieri diuinitas putabatur. * Separetur "prauitas, quæstionem dixerim quam sibi vnusquisque bene credens debet simpliciter aperire. Quis enim ad examen vocare audeat Deum, eumq. discutere qualiter venerit subuenire? Non fuit difficile Deo posse quod voluit, cum dignatus est liberare, qui potuit. Sed vnde illi peccatori in tanta caligine sua lumen non videre? vnde terrenis argutijs in superioribus positam colligere veritatem? Hæc in tenebris suis videre non possunt, qui lucernæ illius verbum nesciunt, quod esse lumen semitis suis Dauid propheta testatur. Cum quo Psalmographo, vt supra diximus, matrem lætantem, in vterum suum, quem dissipatio hucusque ridicula & blasphema turbauerat, reuersis filijs, cantare delectat: Ecce quàm bonum & quàm iucundum habitare fratres in vnum. Competenter hæc ergo verba de eo fuerim mutuatus; mihi nãque ex parte maxima, venerandæ Trinitatis auxilio, Ecclesiæ vniuersalis quietem & summam præsentium vindico gaudiorum, quem hucusque omnes qui scandalizabantur, vrebant, & infirmitas aliquantorum faciebat infirmum. Meminit charitas vestra apud vos mihi dudum de patientia fuisse sermonem; iactaui quæ debui semina sacerdos in animo Christiano, nec me in vobis seges expectata decepit. Quid enim patientiæ vestræ messis intulerit, ipsis fructibus approbatis. His inuidens seuerat peritura zizania intra aliquantorum mentes agricola periturus: seuerat longe aliud quàm acceperat seminandum, vel inuenerat seminatum. Habemus certe Fidei "nostræ semina, quæ ipsius Domini sermo vel Apostolorum doctrina iactauit: quæ quoties ista contingunt, non ea quæ terra suscepit, sed alia super-

A fusa corrumpunt. Nihil vestræ simplici fidei messis Domini poterit imputare, qui in Euangelio auctorem zizaniæ interrogatus ostendit. Illi tũc dixerint: In bono semine vnde zizania? nos dicamus: In tanto regno fidei vnde perfidia? Respondemus tamen vobis sermonibus Christi: Homo inimicus hoc fecit. Qualiter vos exercuit priorum palæstra doctorum, fortitudo vestræ mentis *adstruxit. ipsis agnitionem debetis huius erroris, quorum hic indignus laudibus fuit, qui bona tam gloriosa despexit; non partem"* columbæ simplicitatis, sed in toto studuit serpentis astutiç. Nec mirum, si parans occidere simplices animos, B eum suadendo secutus est, qui suadendo primus occidit. Denique verbis illum legimus decepisse, hic inferre mortem non nisi per verba tentauit. Non tamen impune suum est secutus auctorem, quando Iudæ "Episcopatum eius alter accepit. Iure vtrumque tenet vna sententia, quia in vnum, sicut legimus, ambo peccauerunt. Sit licet vterque ante oculos nostros, Saluatoris nostri calumniator, & traditor; tamen deliberare difficile est inter discussorem natiuitatis, & mortis auctorem. Facti sui videlicet vacuum statim Iudã pœnituit, prœuenit' exitum traditori supplicium proditoris. Ille statim laqueum, peccatum suum confessus, elegit: hic impietatis pertinacia gloriatur. Nec ego perfidiæ huic dabo nomen erroris: non est error impietas omnis. Denique quoties Ecclesiæ vel eius quieti diabolus inuidus fuerit, intra eam nata contentio saluam seruauit ipsius certaminis causam. Quò proficiebat iste conflictus, quo laborabatur non vt religione quis vinceret, sed vt ipsa religio vinceretur? Meminisse certe eius, quia necesse est meminisse blasphemiæ. Sed iam oblitionem tantorum malorum volo sanctis mentibus imperatam: ex animis tollatur, qui sublatus est oculis: tollatur inquam, qui sic vocatus est præcursor inferni. Ha- D buit crebras similiter prædicator insidias, tetendit arcum suum frequenter, vt legimus, & ore suo spicula venenata iactauit; neminem tamen vestro in numero quem feriret inuenit: retorta in se tela redierunt, postquam sagittare in obscuro rectos corde non potuit, & nihil in filios lucis licuit filio tenebrarum. Quæ nos de vobis in bello intestino positis cura atque sollicitudo tunc habuit? In modum dicrum duximus noctes, quia talibus causis omne tempus angustum est: non oculos somno declinauimus inquietes. Quem enim caperet dilectio dormiendi, sic vigilante raptore, nesciebamus. Quis intra caulas timor? E quanta intra septa formido? quotiens luporum iciuna esuries multa circuit, aditu quærit prædã, fœuit & absentibus minata perniciem? quanta hic pro sua cautione grex dignus est laude, quem non attigit secum raptor inclusus? Patet cauta turrionis huiusce; in apertum est qui restiterit inimico. Intelligamus & fateamur omnes, quòd vos ille tutatus est pastor, qui in Euangelio se dicit esse pastorem. adfuit, nec vos deseruit qui patiebatur in vobis. EPISTOLA IOANNIS ANtiocheni Episcopi ad Cyrillum Archiepiscopum Alexandrinum.

Domino meo religiosissimo, & sanctissimo comministro Cyrillo, Ioannes in Domino salutem.

XXX. PIissimorum Imperatorum nostrorum edicto, religiosissimorum Episcoporum Synodus ad Ephesiorum metropolim, tum Ecclesiasticarum rerum & controuersiarum, tum rectæ quoque Fidei causa dudum conuenire iussa est. Cum autem ad prædictam ciuitatem peruenissemus, ac citra mutuum colloquium inde rursum abijssemus, (superfluum est autem dissensionis causas nũc pacis tẽpore commemorare;) cumq. Ecclesiæ hoc modo in graues discordias incidissent; quandoquidem omnes id maxime curare oportebat, vt omni animorum dissensione è medio sublata, Christi Ecclesiæ demo consociarentur; ipsiq. religiosissimi, ac Christi amantissimi Reges hoc ipsum vt fieret, mandassent, eiusq. rei gratia dominum meum præclarissimum, & spectabilem tribunum & notarium Aristolaum misissent, pias ipsorum litteras afferentem, quæ deinceps nos conuenire iuberent, atque scandala omnia è medio tollere, omnemq. perturbationem & offensionem consopire: nos pijs illius litteris morem gerere volentes, rectà mox dominum meum Deo per omnia dilectissimum ac sanctissimum Episcopũ Paulum mittendum duximus. Quod consilium sanctissimo pijssimoq. patri nostro Acacio, ceterisq. qui nobiscum erant, Deo dilectissimis Episcopis probatum fuit. Fecimus autem hoc maioris compendij causa, eo quòd quæ à religiosissimis Imperatoribus nostris sancita sunt, perficere nobis ipsis in vnum conuenientibus non licuit. Mandauimus autem illi, vt vice nostra & pro nobis & coram vobis constituat quæ ad pacem faciunt; id quod huius legationis præcipuum caput est; simulq. pietati tuæ exhibeat expositionem de Domini nostri IESV Christi incarnatione concorditer à nobis editam. Quam proinde pietati tuæ per prædictum pijssimum virum misimus, quæ est hæc.

De Virgine autẽ Dei genitrice Maria quomodo sentiamus & loquamur, deq. vnigeniti Filij Dei incarnatione, necessario, non additamenti loco, sed confirmationis specie, dicemus breuiter, sicuti ab initio ex diuinis litteris, sanctorumq. Patrum traditione hausimus; Fidei in Nicæa à sanctis Patribus expositæ nihil prorsus adijcientes. Illa enim, vt antea diximus, ad omnem pietatis cognitionem, omnisq. hæreticæ praue doctrinæ depulsionem abunde sat est. Nec illa etiam quæ consequi non possumus, audacter aggrediemur; sed propriæ infirmitatis confessione excludemus eos qui adoriri nos volunt in his, in quibus consideramus quæ supra humanum captum sunt. ΕΠΙΣΤΟΛΗ ΙΩΑΝΝΟΥ ΕΠΙσκόπου Αντιοχείας, πρὸς Κύριλλον ἀρχιεπίσκοπον Αλεξανδρείας.

Τῷ θεοσεπτῳ μου τῷ θεοφιλεστάτῳ, καὶ ἁγιωτάτῳ συλλειτουργῷ Κυρίλλῳ, Ἰωάννης ἐν κυρίῳ χαίρειν.

ΠΡώην ἐκ θεοπρεπῶν τῶν δυσεβεστάτων ἡμῶν βασιλέων ἐπιλύθη σύνοδος θεοφιλεστάτων ἐπισκόπων κ᾽ τὴν Ἐφεσίων μητρόπολιν συναθροισθῆναι, ἐκκλησιαστικῶν ἕνεκα πραγμάτων, καὶ τῆς ὀρθῆς πίστεως. καταλαβόντων δὲ καὶ ἡμῶν τὴν μνημονευθεῖσαν πάλιν, καὶ ὑποφευκτῶν ἐκτὸς τῆς πρὸς ἀλλήλους συντυχίας· περιττὸν δὲ τὰς αἰτίας τῆς διχονοίας ἐν καιρῷ εἰρήνης νῦν εἰπεῖν, διερημένων ἢ πρὸς διχόνοιαν τ ἐκκλησιῶν τούτῳ τρόπῳ, ἐπειδὴ τοῦτο μάλιστα φροντίσαι πάντας ἐχρῆν, ὅπως συναφθεῖεν, ἐκ μέσου γενομένης διχονοίας ἁπάσης, καὶ τῶν δυσεβεστάτων, καὶ φιλοχρίστων βασιλέων, αὐτὸ δὴ τοῦτο θεοσεβῶν θεοπιστάτων, τὸ ἐνῶσαι τὰς τοῦ Χριστοῦ ἐκκλησίας, καὶ εἰς αὐτὸ δὴ τοῦτο ἀποστειλάντων τὸν κύριόν μου, καὶ θεομακάριστον, καὶ περιβλέπτου τριβουνῆσιον, καὶ νοτάριον, Ἀριστόλαον, φέροντα τὰ δυσεβῆ αὐτῶν γράμματα, τὸ ὡδηγηκὸς ἐκεῖθεν ἤδη συμβιῶναι ἡμᾶς, καὶ πειθαρχῆσαι τοῖς παραδόσεσι τοῖς τοῦ μέσου, καὶ κατὰ πᾶσαν τὰ ἐκκλῆναι, καὶ πᾶσαν λύπην· ᾧ εἰκότως δυσεβῆ γράμματα, δῆλος, καὶ ὡδηγηκὼς ἀπεστάλκειν τὸν κύριόν μου, καὶ κ᾽ πάντα θεοφιλέστατον, καὶ ἁγιώτατον ἐπίσκοπον Παῦλον· τοῦτο συναρέσαι κ᾽ τῷ ἁγιωτάτῳ, καὶ θεοφιλεστάτῳ ἐπισκόπῳ πατρὶ ἡμῶν Ἀχαικίῳ, κ᾽ τοῖς παρ᾽ ἡμῖν θεοφιλεστάτοις ἐπισκόποις. ὑπὲρ δὲ πλείονος σωτηρίας τοῦτο πεποιήκαμεν, ἵνα τὸ μὴ δυνάσθαι ἡμᾶς συνελθόντας, τὰ θεσπισθέντα ὑπὸ τῶν δυσεβεστάτων ἡμῶν βασιλέων, κ᾽ πρόσωπον εἰς πέρας ἀγαγεῖν, ἐντελάμενοι αὐτῷ, ὥστε κ᾽ αὐθ᾽ ἡμῶν, κ᾽ ὑπὲρ ἡμῶν, ἐν εἰς πρόσωπον ἡμέτερον, τυπῶσαι μὲν τὰ περὶ τῆς εἰρήνης, ὅπερ ἐστὶ σπουδαιότερον, ἐγχειρίσαι δὲ τῇ σῇ θεοσεβείᾳ τὴν ἔκθεσιν τὴν παρ᾽ ἡμῶν συμφώνως γενομένην περὶ τῆς ἐνανθρωπήσεως τοῦ κυρίου ἡμῶν Ἰησοῦ Χριστοῦ, ἣν ἀπεστείλαμεν τῇ σῇ θεοσεβείᾳ διὰ τοῦ περιλεχθέντος θεοφιλεστάτου αὐδοὸς, ἥ τίς ἐστιν αὕτη.

Περὶ δὲ τῆς θεοτόκου Μαρίας παρθένου, ὅπως κ᾽ φρονοῦμεν, καὶ λέγομεν, καὶ πόθεν τὴν ἐνανθρώπησιν ἔσεσθαι μονογενοῦς υἱοῦ θεοῦ, ἀναγκαίως, οὐκ ἐν περιττῷ μέρει, ἀλλ᾽ ἐν πληροφορείᾳ εἶδεν, ὡς αὐτὸς ἐκ τῶν θείων γραφῶν, ἐκ τῆς παραδόσεως τῶν ἁγίων πατέρων περιληφθέντες ἐχήκαμεν, διὰ βραχέων ἐρῶμεν, ἁδὸν τὸ σύνολον προσπαθοῦντες τῇ τῶν ἁγίων πατέρων ἐν Νικαίᾳ ἐκτεθείσῃ πίστει. ὡς γὰρ ἔφημεν εἰρηκότες, πρὸς πᾶσαν ἐξαρκεῖ καὶ δυσεβείας γνῶσιν, ἐκ πάσης αἱρετικῆς κακοδοξίας ἀποκήρυξιν. ἐροῦμεν δὲ καὶ παρολμῶντες τῶν ἀνεφίκτων, ἀλλὰ τῇ ὁμολογίᾳ τῶν θείων ἀληθειῶν ἀποκλείοντες τὰς ἀπιθάνους βουλομένοις, ἐν οἷς τὰ ὑπὲρ ἄνθρωπον ἀφοσιούμεθα.

O rem admirandam. Parit virgo, & manet virgo: fit mater, neque omnia tamen, quæ matres solent, experitur. Peperit enim vt matribus mos est, virgo tamen remansit præter mulierum parturientium legem. Hoc miraculum olim propheta Esaias præuidens exclamabat: Ecce virgo in vtero habebit, & pariet filium: & vocabitur nomen eius Emmanuel. Quod Euãgelista exponens, idem sonare docuit, quod, Nobiscum Deus. Parit itaque Dei genitrix Maria Emmanuelem.

Esai. 7. b. 14.
Matth. 1. c. 23.

Populus acclamauit: Ecce fides hæc est, Dei hoc donum est, orthodoxe Cyrille: istud audire quærebamus. Qui ita non loquitur, anathema sit. Prosequutus est Episcopus Paulus:

Qui, inquit, ita non dicit, intelligit, ac sentit, anathema sit ab Ecclesia. Peperit proinde nobis Deipara Maria Emmanuelem: Emmanuelem autem, hoc est, Deum hominem factum. Nam Deus Verbum, qui ante sæcula arcano inefabiliq. modo ex Patre genitus est, nouissimis temporibus natus est ex muliere. Natura namque nostra perfecte assumpta, humanitateq. ex prima conceptione sibi coniuncta, ac nostro corpore sibi in templum coaptato, ex Deipara Virgine Deus perfectus, & homo itidem perfectus prodijt. Nam duarum naturarum perfectarũ concursus, humanæ scilicet & diuinæ, vnũ nobis constituit Filium, vnum Christum, vnum Dominum.

Populus acclamauit: Bene venisti, orthodoxe Episcope: dignus digno coniungitur. Dicunt Christiani: Hoc Dei donum est, orthodoxe Cyrille. Episcopus Paulus subiunxit:

Noram & ego, dilectissimi, quòd ad orthodoxum Patrem venirem. Neque enim nos quaternitatem adoramus, sed Trinitatem, Patrem videlicet, & Filium, & Spiritum sanctum. Qui vero dicunt duos esse filios, eos anathematizamus, & è sacris Ecclesiæ septis explodimus. Non igitur duos filios asserimus, neque merum hominem Emmanuelem, qui ex Deipara virgine natus est; neque gratiam, veluti prophetam, aut iustum alium quem, plus alijs consecutum. In ipso enim cõplacuit omnem diuinitatis plenitudinem inhabitare corporaliter, hoc est, veluti in proprio corpore; siquidem corpus nostrum sibi proprium fecit. Super hanc fidẽ, super hanc spem, super hanc petrã à Domino Deo posita sunt Ecclesiæ fundamenta. Cum igitur Christus Dominus proficisceretur Hierosolymam, interrogabat discipulos suos, dicẽs: Quem me dicunt homines esse filiũ hominis? Apostoli dixerunt: Alij quidem Eliam, alij vero Hieremiam, aut vnũ ex prophetis. Et dixit illis: Vos autem? hoc est, qui à me electi estis, falsas dicitis opiniones, quòd alij quidẽ Eliam dicant, alij Hieremiam, aut vnum ex prophetis. ὡς ὁ υἱὸς τοῦ θεοῦ τοῦ ζῶντος, τὴν διπλῆν φύσιν, καὶ τὸ μοναδικὸν πρόσωπον τοῦ υἱοῦ. ὁ θεολόγος Ἰωάννης λέγει· καὶ ἐσκήνωσεν ἐν ἡμῖν, δύο φύσεις, καὶ τοῦ μονογενοῦς τὸ ἓν πρόσωπον. ἔμεινε δὲ ὁ θεῖος λόγος ἀπαθής. πάλιν γὰρ ἐπ' ἐκεῖνο ἔρχομαι· πρόσεχε τῷ λεγομένῳ. καὶ τῶν μὲν θείων μετέδωκε τῇ ἀναλημμένῃ φύσει, τῶν δὲ τῆς ἀνθρωπότητος οὐδενὸς μετέλαβε. περιεπάτησεν ὡς θεὸς θαλάσσης, ἀλλὰ μὴ τοῦ ἰδίου σώματος. ἐπετίμησε τοῖς ἀνέμοις, καὶ τῇ θαλάσσῃ, ἀλλὰ διὰ τοῦ ἰδίου σώματος. ἀπήντησεν αὐτῷ λεπρὸς, λέγων· κύριε, ἐὰν θέλῃς, δύνασαί με καθαρίσαι· λέγει· θέλω· καθαρίσθητι· καὶ ἥψατο αὐτοῦ τοῦ σώματος τοῦ δεσποτικοῦ, καὶ ἐφυγάδευσε τὸ νόσημα· ἀπέχυθη ἡ λέπρα. ἔθρεψε πεντακισχιλίους ἐκ πέντε ἄρτων, ἀλλὰ διὰ τοῦ ἡμετέρου σώματος· λαβὼν γὰρ εὐχαρίστησε τῷ πατρὶ, καὶ ἔκλασε, καὶ ἔδωκε τοῖς μαθηταῖς αὐτοῦ, οἱ δὲ μαθηταὶ τοῖς πλήθεσι· καὶ ἐπερίσσευσαν δώδεκα κόφινοι κλασμάτων. μόνου θεοῦ ἐστιν ἀφιέναι ἁμαρτίας· πάλιν λέγει· ἵνα δὲ εἰδῆτε, ὅτι ἐξουσίαν ἔχει ὁ υἱὸς τοῦ ἀνθρώπου, ἀφιέναι ἁμαρτίας· πάλιν λέγει· οὐδεὶς ἀναβέβηκεν εἰς τὸν οὐρανὸν, εἰ μὴ ὁ ἐκ τοῦ οὐρανοῦ καταβάς, ὁ υἱὸς τοῦ ἀνθρώπου, ὁ ὢν ἐν τῷ οὐρανῷ. ὁρᾷς, πῶς τὰ θείων μετέδωκεν; ὅταν δὲ ἴδῃς αὐτὸν πεινῶντα, καὶ διψῶντα, κοπιῶντα, καὶ ἱδρωτῶτα, παραδιδόμενον Πιλάτῳ, ἀγόμενον, καὶ δεσμούμενον χερσὶ δημίων, ἀγωνιῶντα, δυσχεραίνοντα· ἐλωὶ, ἐλωὶ, λεμὰ σαβαχθανεί; τοῦτο ἐστι, θεέ μου, θεέ μου, ἵνα τί με ἐγκατέλιπες; καὶ πάλιν· εἰ δυνατὸν, πάτερ, παρελθέτω ἀπ' ἐμοῦ τὸ ποτήριον τοῦτο· πλὴν οὐχ ὡς ἐγὼ θέλω, ἀλλ' ὡς σύ. ὅταν ἴδῃς αὐτὸν ἀναστρεφόμενον· ὅταν ἴδῃς ἥλους ὄντας τῶν χειρῶν, καὶ τῶν ποδῶν, καὶ κεκεντημένον τὴν πλευράν, τότε νόει, ὅτι ὁ θεῖος λόγος ἀπαθὴς μεμένηκε, πῶς δὲ πάντα οἰκειοῦται τὰ γενόμενα εἰς τὸ ἴδιον αὐτοῦ σῶμα. ἵνα γὰρ δείξῃ, ὅτι οὔτε ἐν τῷ καιρῷ τοῦ πάθους ἀπέστη τοῦ ἰδίου ναοῦ, ὅτι καὶ οἱ ἰουδαῖοι ταῦτα ἐδραματούργουν κατὰ τοῦ δεσπότου, ἀπέσβεσεν ὡς θεὸς ἀκτῖνα ἡλιακήν· σκότον κατέχεε τοῦ κόσμου· ἔσχισε τὸ καταπέτασμα τοῦ ναοῦ· πέτρας διέῤῥηξε· νεκροὺς ἤγειρε. πῶς πάντα εἰργάσατο, ἵνα γνῷς, ὅτι σοφῷ τῷ πάσχοντι· καὶ τὰ μὲν πάθη φυσικὰ, αὐτὸς δὲ ἀπαθὴς ἄσπορα εἰργάζετο. Τὰ ὑμῶν ὑμῖν παρεθήκαμεν. αὕτη γὰρ ἡ πατρὸς ἡ διδασκαλία· ἦτις ὁ θησαυρὸς πρόσεστιν ὑμῶν· αὗται μακαρίου Ἀθανασίου τὰ δόγματα· καὶ μεγάλου Θεοφίλου τὰ διδάγματα, τοῦ κύλικος τῆς ὀρθοδοξίας. ἀλλ' ἐπειδὴ μακρὸν θύμωσε τῶν ἡμετέρων λυσιχεόντων ψελλισμάτων, ἀκούσατε νῦν τοῦ πατρὸς τὴν σοφίαν. ἠκούσατε καλάμου ποιμενικοῦ, ἀκούσατε δὲ σάλπιγγος μεγαλοφωνοτάτης,

Ὁ λαὸς εἶπεν· ἡ Θεοφίλου, καὶ Ἀθανασίου, Κυρίλλου σοφίαν ἀκούσωμεν. ὁ ἐπίσκοπος Παῦλος εἶπεν·

autem dicit: Tu es Christus filius Dei viui; naturæ dualitatem, personæ autem vnitatem exprimens. Ioannes vero Theologus ait: Et habitauit in nobis; duas naturas, & vnam Vnigeniti personam subindicans. *Matth.16.* *Ioan.1.*

Manfit autem Deus Verbum impatibilis. nam huc iterum regredimur. Aduerte quid dicatur. Diuiniora quidem assumptæ naturæ communicauit; verum eorum quæ humanæ sunt naturæ, nihil in se transtulit. Nam accepto pane gratias egit Patri, & fregit, deditq. discipulis suis; discipuli autem turbæ. Et supersuerunt duodecim cophini fragmentorum. Solius Dei est peccata dimittere. dicit autem: Vt sciatis quia Filius hominis habet potestatem dimittendi peccata. Rursus dicit: Nemo ascendit in cælum, nisi qui descendit de cælo, filius hominis, qui est in cælo. Cernis quomodo diuiniora communicauit! Cum autem vides illum esurientem, sitientem, defatigatum, sudantem, Pilato traditum, lictorum manibus ductum circumactumque, agonizantem, orantem, Eloi, Eloi, lammah sabacthani; hoc est, Deus meus, Deus meus vt quid dereliquisti me? clamantem. rursum: Pater, si possibile est, transeat à me calix iste: verumtamen non quod ego volo, sed quod tu: cum vides in crucem actum, clauis manus & pedes illius fixos, latusq. confossum; tum cogita Deum Verbum permansisse impatibile; hæc autem omnia, quæ suo illata sunt corpori, sibi appropriasse. Vt autem ostenderet, quòd ne passionis quidem tempore à proprio recessisset templo, quando Iudæi hæc tragica contra Dominum agebant, tamquam Deus compressit solis radios, diffudit tenebras per terrarum orbem, discidit templi velum, disrupit petras, excitauit mortuos. Esai.12.a.3. BEatus propheta Esaias Christianorum doctorum facundiam prænuntians aiebat: Haurite aquas in gaudio de fontibus Salutaris. En igitur hausimus vobis aquam ex sacro fonte, Doctoris inquam, qui ante nos disseruit; qui Spiritus sancti lumine illustratus, exposuit nobis magnum illud ac venerandum Saluatoris nostri mysterium, per quem credentes in ipsum saluati, & graui ac intolerabili peccatorum mole exonerati sumus; ac præterea vinculis mortis dissipatis, propheticum illud dicimus: Vbi est mors victoria tua? vbi est stimulus tuus, inferne? Itaque Deus Verbum, quod erat in principio, quodq. in Patris est sinu, per quod omnia & in quo omnia, vltro nostri causa sese exinaniuit, & factum est caro, hoc est homo. Humiliauit semetipsum propter nos, & factus est filius hominis, vt nos vicissim propter ipsum Deo patre ditemur. Edocti enim sumus, cum oramus, dicere: Pater noster, qui es in cælis. Ob id proinde vnigenitus factus est primogenitus, quò nos, vt dixi, bonis eius ditemur. Sustinuit crucem confusione contempta; obtulit sponte corpus suum morti, non vt nobiscum, qui morti sumus obnoxij, mortuus maneat, sed vt mortis imperio proculcato, nos secum exuscitet. Gratias itaque agamus Verbo propter nos incarnato, nunc & semper, & in sæcula sæculorum. Amen.

Thus, in the case of the Ionic capital, the volute is the
principal feature, and the echinus is subordinate to it;
but in the Corinthian capital the volute is subordinate
to the echinus. Hence, in the Ionic capital, the volute
is made to project beyond the echinus, and the echinus
is made to project beyond the volute in the Corinthian
capital.

The Ionic capital is also distinguished from the Corinthian by the absence of the abacus, which is a square
member placed above the echinus, and which is found in
the Corinthian capital.

commentis per omnia congruere. Verum vt mendacia illorum aperte oſtendamus, Neſtorij nugas illorumq. ſententias in medium afferamus. Hac vna enim ratione, non aliter, veritas examinata patefiet.

Neſtorius itaque vnigeniti Filij Dei natiuitatem ſecundum carnem prorſus è medio tollere comperitur. negat enim illum ex muliere ſecundum Scripturas natum. Verba illius ſic habent: Deum ex Chriſtipara Virgine proceſſiſſe, ex diuina Scriptura edoctus ſum: at vero Deum ex ipſa genitum eſſe, id nuſquam edoctus ſum. Et in alia quadã expoſitione rurſum: Nuſquam igitur diuina Scriptura Deum ex Chriſtipara Virgine genitum eſſe dicit, ſed IESVM Chriſtum, Filium, Dominum.] Quòd autem dum iſta dicit, illum qui vnus eſt, in duos filios diuellat; & alium quidem Verbum, quod ex Patre genitum eſt, ſeorſum per ſe ſumptum, Filium & Chriſtum & Dominum dicat; alium rurſus ſeorſum per ſe Filium & Chriſtum & Dominum, qui è ſancta Virgine natus eſt, cui dubium eſſe poteſt, cum hoc ipſum ille tantum non elata voce clamet? Illi autem ſanctam Virginem Deiparam nominant, vnumq. Filium & Chriſtum & Dominum eſſe prædicant; perfectum in diuinitate, perfectum rurſus in humanitate, eo quòd caro illius intelligente anima fuerit animata. Quòd enim non alium eſſe dicant Filium, illud ex Deo Patre Verbum, & alium rurſus illum ex ſancta Virgine natum, ſicuti Neſtorio videtur, ſed potius vnum eumdemque, id perfacile ex ijs quæ conſequuntur, cognoſcere licet. Explanantes enim qui nam ſit, adijciunt, quòd perfectus vt Deus, & perfectus etiam vt homo: qui ante ſæcula ſecundum diuinitatem natus eſt ex Patre, nouiſſimis autem diebus propter nos & propter noſtram ſalutem ex ſancta Virgine ſecundum humanitatem: idem Patri conſubſtantialis ſecundum diuinitatem, & nobis coëſſentialis ſecundum humanitatem. Minime itaque vnum Filium & Chriſtum & Dominum IESVM in duos diuidunt; ſed eumdem eſſe dicunt illum qui ante ſæcula, & qui poſtremis temporibus, nimirum illum ex Deo Patre vt Deum, & ex muliere ſecundum carnem vt hominem. Quomodo enim nobis ſecundum humanitatem coëſſentialis intelligatur, qui, ſecundum diuinitatem inquam, ex Patre genitus eſt, niſi idē Deus ſimul & homo eſſe intelligatur ac dicatur? Hæc vero longe aliter ſe habere Neſtorio videtur: immo vero eius ſententia his omnino aduerſatur. Itaque in Eccleſia ediſſerens, ita dicere auſus eſt: Propterea etiam Deus Verbum nominatur Chriſtus, quia perpetuam cum Chriſto coniunctionem habet. Rurſum: Inconfuſam itaque naturarum copulam retineamus. Confiteamur in homine Deum: veneremur hominem illum, qui propter diuinam cum omnipotente Deo coniunctionem ſimul adoratur.] Audis igitur quàm abſurde loquatur? Equidem plena impietatis eſt eius oratio. Docet namque Dei Verbum ſeorſum per ſe Deum nominari; habere autem cum Chriſto perpetuam copulationem. Num igitur non duos Chri-

ineffabiliter & citra confusionem inter se vnita, mens humana considerat, attamen vnita neutiquam disiungit; sed vnum ex vtroque & Deum & Filium & Dominum existere credit, & conuenienter admittit.

At vero Nestorij praua sententia ab hac doctrina est plane diuersa. Nam etsi Deum Verbum incarnatum, hominemq. factum confiteri simulet; attamen incarnationis virtutem ignorans, duas naturas nominat, easq. à se inuicem diuellit, Deum seorsum ponens, & itidem seorsum hominem habitudine quadam Deo coniunctum, per solam honoris æqualitatem, seu auctoritatem. Hæc enim sunt verba illius: Inseparabilis est Deus à visibili. vnde honorem eius qui non separatur, non separo: separo naturas, sed coniungo adorationem.] At vero Antiocheni fratres ea ex quibus Christus constitutus intelligitur, simplici solaq. cogitatione complectentes, naturarum quidem differentiam dixerunt, (neque enim, vt supra dicebam, idem naturali qualitate sunt diuinitas & humanitas) attamen vnum Filium & Christum & Dominum agnoscunt; & tamquã vnus vere sit, vnam quoque esse eiusdem personam dicunt. quæ vero inter se vnita sunt, ea nullo pacto distrahunt. Sed neque vllam naturalem diuisionem recipiunt; vt infelicium inuentionum auctori sentire placuit: solas autem voces, quæ de Christo dicuntur, secernendas contendunt: competere autem eas asserunt, non alias quidem Dei Patris Verbo tamquã filio seorsim per se posito; alias vero illi ex muliere genito, tamquam alteri rursus distincto filio: sed alias quidem diuinitati illius, alias rursum humanitati. Vnus enim idemq. simul Deus & homo existit. Addunt nihilominus, quasdam esse quodammodo communes, & velut ad vtramque naturam spectantes, diuinitatem inquam, & humanitatem. Quod dico, eiusmodi est. Inter voces, quę Christo tribuuntur, quædã diuinitati potissimũ conueniunt; alię autem magis ad humanitatẽ pertinent: aliæ denique quasi mediæ, Filium Deũ & hominem simul & in eodẽ esse declarant. Etenim cum Philippo dicit: Tanto tempore vobiscũ sum, & non cognouisti me Philippe? Non credis quia ego in Patre, & Pater in me est? Qui videt me, videt & Patrem. Ego & Pater vnum sumus. vocẽ diuinitati maxime conuenientem proferre affirmamus. Cum vero Iudæorum populum increpans, ait: Si filij Abraæ essetis, opera Abraæ faceretis. Nunc autem quæritis me interficere hominem, qui veritatem vobis locutus sum: hoc Abraam non fecit. eiusmodi exponere dicimus, quæ homini proprie competunt. Verumtamen hoc ita accipiendum est, vt & illæ quæ diuinitati conueniunt, & illæ rursum voces quæ ad humanitatem pertinent, vni tantum Filio adscribantur. Cum enim Deus esset, homo factus est, diuinitate non amissa, sed carne & sanguine, hoc est, humanitate assumpta. Quoniam vero vnus est Filius & Deus & Dominus, fit vt vnam quoque tantum personam, tam nos quàm ipsi agnoscamus. Medias autem voces illas esse asseueramus, vt cum beatus Paulus scribit: Iesvs Christus

In his igitur eiusmodi voces, quæ de Domino prædicantur, ne diuidas: simul enim in eodem complectuntur & quod Deo & quod homini conuenit: sed adapta illas vni Filio, hoc est, incarnato Dei Verbo. Aliud est ergo naturas ipsas dirimere, idq. post adunationem, hominemq. secundum solam honoris æqualitatem Deo coniunctum esse asserere; aliud rursum vocum differentiam agnoscere. Quomodo igitur illorum dicta cum Nestorianis" vocum nouitatibus congruunt? Nam etsamsi dictionum structura, sententiarumq. enuntiatio eiusmodi fit, vt à subtiliore illa diligentia nonnihil recedere quibusdam videri queat, non est valde mirum. etenim non parum difficile est hæc apte explicare. Nam & diuinus Paulus sermonem à Deo in oris sui apertione quærit. Quòd autem vnum Dominum nostrum Iesvm Christum in duos non diuidant, etiamsi voces illas quę Deo cõueniunt, diuinitati eius, alias rursum quæ homini competunt, humanitati illius aptandas esse dicant, quis dubitat? Affirmant enim, vt ante dixi, ipsum illud Dei Patris Verbum, quod ante sæcula genitum est ex Patre, postremis temporibus ex sancta Virgine secundum carnem natum esse. Addunt autem, propter inenarrabilem illam inconfusamq. vnionem etiã sanctam Virginem Deiparam esse se credere; necnon vnum Filium & Christum & Dominum aperte profitentur. Est autem omnino improbabile putare, eos, cum vnum dicant, in duos nihilominus illum vnum diuidere. Nec enim ita insaniunt, vt transgressores seipsos constituant, inconsulte ea rædificantes, quæ recte euerterant. Si enim Nestorij opinionibus consentiunt, quomodo illas tamquam profanas & detestandas anathematizant?

Dicimus igitur, vniuersorum Deum, cum ad euertendum Gentilium errores, qui multos Deos colebant, eorumq. illuminationem qui in tenebris sedebant, priscis illis legem suã per Moysen tulisset, numquam passurum fuisse, vt ipsemet via & ostium, immo vero etiam doctor ac magister ad hoc vt impuri dæmones honorentur, existeret. Proinde si accuratius ea quæ in diuinis literis abdita sunt, exquisierimus, latentem veritatem reperiemus. Ceterum inspectis legalibus vmbris, id dicamus par est, quod per quemdam

no hircum ex capris maſculum Immaculatum. Dixit & ipſe quoque vniuerſorum Deus alicubi de his qui legale ſacerdotium fuerant ſortiti: Peccata populi mei comedent; hoc eſt, ſacrificia pro peccatis oblata. Pars enim & ſors ſacerdotum, vt ſcriptum eſt, id erat quod Domino offerebatur. Chriſtus itaque ſecundum Scripturas factus eſt hoſtia pro peccatis noſtris: & hac etiã de cauſa peccatum ipſe nominatur. Quare ſcribit ſapientiſſimus Paulus: Eum, qui peccatum non nouerat, pro nobis peccatum fecit: nimirum Deus & Pater. Neque enim dicimus Chriſtum fuiſſe peccatorem: abſit hoc: ſed hunc iuſtum, immo illam ipſam iuſtitiam (peccare enim non nouit) victimam fecit Pater pro mundi peccatis. Et cum iniquis reputatus eſt, cum ſententiam ſuſtinuit iniquis conuenientiſſimam. Cui quidem rei fidem facit Eſaias diuinus propheta: Omnes, inquit ille, quaſi oues errauimus, vnuſquiſque in via ſua errauit: & Dominus tradidit eum iniquitatibus noſtris; & ipſe pro nobis dolet, & liuore eius ſanati ſumus. Scribit & ſapientiſſimus Petrus, dicens: Quòd peccata noſtra ipſe pertulit in corpore ſuo ſuper lignum. Iis ergo qui in terris erant, ſors illa impendebat, vt mori neceſſe eſſet; idq. tum propter tranſgreſſionem in Adam, tum propter peccatum, quod ab eo ad nos vſque tyrannidem ſuam extendebat. Verum Dei Patris Verbum illud, largum ad benignitatem atque clementiam, factum eſt caro, hoc eſt, homo nobis peccato obnoxijs conformis; & ſortem noſtram ſubijt. Nam, vt optimus Paulus ſcribit: Gratia Dei pro omnibus guſtauit mortem. ſuamq. animam pro omnium vita redemptionem dedit. Sed & vnus quoque pro omnibus mortuus eſt, vt omnes Deo viuamus, ſanctificati & viuificati per ſanguinem eius; iuſtificati etiam gratis per gratiam ipſius. Nam & beatus Euangeliſta Ioannes ſcribit: IESV Chriſti ſanguis ab omnibus peccatis nos emundat. Nomen itaque capro immolato erat, Dominus; ſorteq. mactabatur, & ſancta erat ſacraq. victima in typum Chriſti, qui non pro ſeipſo, ſed, vt dixi, pro nobis mortuus eſt, ſanguineq. ſuo Eccleſiam ſanctificauit. Mactabit, inquit, hircum pro peccato, eum qui pro populo, ante Dominum: & inferet de ſanguine eius intra velum, & aſperget ſanguinem eius ſuper Propitiatorium, contra faciem Propitiatorij, & expiabit Sanctuarium ab immunditijs filiorum Iſraël, & ab iniuſtitijs eorum, pro omnibus peccatis eorum. Et ſic faciet tabernaculo teſtimonij, quod extructum eſt inter eos, in medio immunditiæ eorum.] Ingreſſus eſt enim Chriſtus in ſancta ſanctorum non per ſanguinem hircorum aut vitulorum, ſed per proprium ſanguinem, æterna redemptione inuenta, & ſanctificans, vt dixi, verius illud tabernaculum, hoc eſt Eccleſiam, & omnes quotquot ſunt in ipſa. Scribit igitur beatus Paulus alicubi:

bi : Propter quod & IESVS, vt sanctificaret per suum sanguinem populum, extra portam passus est. Et alibi rursum : Estote ergo imitatores Dei, sicut filij charissimi : & ambulate in dilectione, sicut & Christus dilexit nos, & tradidit semetipsum pro nobis oblationem & hostiam in odorem suauitatis. Considerandum est igitur in capro immolato Emmanuelem subijsse mortem secundum carnem, sed hoc ad mortis peccatiq. destructionem. Erat enim inter mortuos liber, vtpote neque à peccato victus, neque mortis sententiæ, sicut nos, obnoxius. In altero quoque, hoc est, in viuo ac dimisso hirco eumdem spectemus, dum in eo quod secundum humanam naturam patitur, non patitur secundum diuinam ; & dum carne moritur, mortis victor euadit : neque, secundum Iudæorum amentiam, nobiscum in monumento remansit, neque vnà cum alijs intra inferni portas detẽtus fuit. Nam, vt discipulus illius asserit, non derelicta est in inferno anima eius, neque caro eius vidit corruptionem. Reuixit enim spoliatis inferis ; & ijs qui vincti detinebantur, dixit, Exite ; & ijs qui in tenebris erant, Reuelamini : & ad supernum cælestemq. Patrem, locum vtique hominibus inaccessum, abscessit ; peccatis nostris in se susceptis, & propitiatio pro illis existens. Scribit enim beatus Ioannes his qui in illum credebant : Filioli mei hæc scribo vobis, vt non peccetis. Sed & si quis peccauerit, aduocatum habemus apud Patrem, IESVM Christum iustum. & ipse est propitiatio pro peccatis nostris : non pro nostris autem tantum, sed etiam pro totius mundi.

1. Ioan.2. a.

Arbitror autem non abs re fore, si & de legalibus quoque scripturis commonefaciendi auditoris gratia nonnulla hic repetam. Habent autem ad hunc modum : Et adducet hircum viuentem ; & imponet Aaron manus suas super caput hirci viuentis, & confitebitur super ipso omnes iniquitates filiorum Israël, & omnes iniustitias eorum, & omnia peccata eorum : & imponet ea super caput hirci viuentis, & emittet eum in manu hominis ad hoc parati in solitudinem. Vide igitur quo pacto etiam priore hirco mactato, alterum subinde viuum appellet. Erat enim, vt iam dixi, in vtroque vnus & solus filius & Dominus IESVS Christus adumbratus ; vt qui, licet secundum propriam carnem pateretur, tamen extra omnem passionem ageret : vt morti subiectus, & supra mortem. Viuebat enim Dei Verbum etiam interea dum sancta illius caro mortem gustabat : manebatq. impatibile, quamuis proprij corporis passionem veluti propriam in se transferret. Videre est autem magnum hoc profundumq. mysterium & alia quoque figura in Leuitico nobis delineatum. Lex enim per Moysen data leprosum esse immundum pronuntiat ; & tamquam pollutum à castris excludit. Quod si morbum cessare contigerit, tunc demum admitti iubet. Et quidem ait : Lex leprosi sic habet : Quacumque die mundatus fuerit, adducetur ad sacerdotem. & egredietur sacerdos

Deſcendit autem per carnis diſpenſationem ad noſtram ſimilitudinem,& formam ſerui accepit: verumtamen & hoc quoque pacto è ſupernis eſt. Diſerte namque ad Iudæos dixit: Vos de deorſum eſtis,ego de ſupernis ſum.vos de mundo hoc eſtis, ego non ſum de hoc mundo. Et iterum: Nemo aſcendit in cælum, niſi qui deſcendit de cælo,Filius hominis. Sicut enim paulo ante dixi, etiam poſteaquam caro,hoc eſt, perfectus homo factus eſt, non terrenus erat, aut è puluere ſicut nos,ſed cæleſtis ac ſupermundanus,quatenus animo concipitur vt Deus.Ceterũ quod ante viſum eſt in hircis, hoc ipſum & in paſſeribus ipſis obſeruare licet, Verbum carne quidem paſſum eſſe ſecundum ſcripturas; ſed tamen quauis perpeſſione maius extitiſſe:& humanitus quidem mortuum, diuinitus vero viuum permanſiſſe. Verbum namque vita exiſtit. Quare & ſapientiſſimus diſcipulus ille, carne quidem mortificatum dicit, viuificatum autem ſpiritu. Verum enimuero licet Verbum ſecũdum propriam naturam paſſionis mortisq. expers permanſerit; at ſuæ tamen carnis, vt iam dixi, paſſiones veluti proprias in ſe tranſtulit. nus palpare; ita & in cœlis constitutus, sanctis Angelis planum fecit, iure merito ex ipsorum amicitia prolapsum eiectumq. esse dilectũ Israëlem. Vnde & vestimentum sanguine rubricatum, & plagas in manibus ostendit: non quòd illas abijcere non queat (ex mortuis enim excitatus, corruptionem, & cetera omnia quæ ex illa erãt, penitus exuit) sed vt, quemadmodum dixi, multiformis sapientia Dei, quam in Christo secundũ æternum propositũ exhibuit, per Ecclesiam Principatibus & Potestatibus in supercœlestibus dispensatorie nunc patefieret. Ita enim sacratissimus Paulus quibusdam scribit. Sicut ergo in duobus hircis manifeste delineatum est Christi mysterium; ita & in duobus quoque passeribus. Dicet autẽ fortasse quispiam: Quomodo vnum & eumdem dicis esse Filium & Dominum IESVM Christum, cum duo hirci & duo passeres in mediũ adducti sint? Numquid Lex per hoc clare ostẽdit duos omnino Filios & Christos esse? Et in hanc quoque impietatem aliqui iam prolapsi sunt, vt alium seorsim & per se Christum esse dicant & sentiant Verbum, quod ex Patre est; & alium rursus eum qui ex semine Dauid ortus est. Nos vero his, qui ex inscitia id ita habere suspicantur, dicimus, apud diuinum Paulum scriptum extare, vnum esse Dominum, vnam Fidem, vnum Baptisma. Quapropter ‖ duos filios esse dixerint, duo etiam prorsus erunt Domini, & duæ Fides, & totidem Baptismata. Mentietur is igitur, qui aiebat, se Christum in se loquentem habere. Sed absit vt horum aliquid sit. Vnus itaque est Dominus, vna Fides, vnumq. Baptisma. Credimus enim in vnum Dominum IESVM Christum, hoc est, vnigenitum Dei Verbum, hominem factum & incarnatum. Vnde & in eius quoque mortem baptizamur, & ipsum solum Dominum, vtpote Deum, agnoscimus: non separantes à se inuicem hominem & Deum; sed ipsum, vt dixi, Dei Patris Verbum, salua per omnia Deitate (est enim secundum naturam suam omnino immutabile & inalterabile) hominem factum confitentes. Etenim dicant nobis aduersarij, si duos filios asserunt, vnum quidem seorsum, qui sit ex semine Dauid ortus; alterum rursum, & separatim, ipsum Verbum ex Deo Patre genitum; an non Dei Patris Verbum suapte natura incomparabilibus "excellentijs præstantius sit illo qui ex semine Dauid natus est? Quid enim est hominis natura, si cum diuina, & suprema illa natura comparetur? Arbitror autem, quòd inuiti etiam dicturi sint, Verbum quod ex Deo Patre est, secundum naturam præstantius esse. Hoc autem posito, quid faciemus quòd hircos videmus non diuersæ inter se naturæ esse, sed vtius eiusdemq. speciei potius, nec vlla re inter se differre, in eo quod hirci sunt? Eadem vtique ratio est & duorum passerum. Concedant ergo propter eamdem hircorum vel passerũ speciem, Deum Verbum nihil differre ab homine. Sed non concedent, vt ego puto, hanc doctrinam. Est enim plurimum omnino discriminis inter

A inter diuinitatem & humanitatem. Sunt igitur eiusmodi typi & exempla secundum rationem quæ ipsis conueniat, accipienda. Multum enim veris rebus inferiora sunt, & aliquam tantum partem eorum designant, quorum typi sunt. Legem autem vmbram ac typum extitisse asserimus, & veluti quamdam picturam ad spectandum propositam aspicientibus res ipsas. Vmbræ autem sunt prima tantum in pictorum tabulis delineamenta: quibus si colorum flosculi accesserint, illustris picturæ venustas mox exoritur. Oportebat itaque, vt lex per Moysen data cum Christi mysterium perspicue delineare vellet, non in vno hirco vel passere simul illum viuum & mortuum spectandum proponeret, ne scenica quædam portenta proponi viderentur: sed illum cædem perpessum in vno admisit, eumdemq. viuentem ac dimissum ostendit in altero. Hebr. 10.

Vt vero huius rei declarationem non excedere consentaneam rationem demonstrem, arbitror aliam quoque imaginem ijs, de quibus locutus sum hactenus, adijciendam esse. Scriptum est igitur in libro de origine mundi: Et factum est post hæc verba, tentauit Deus Abraam, & dixit ad eum: Abraam Abraam. At ille respondit: Ecce ego. Et dixit: Tolle filium tuum dilectum, quem dilexisti Isaac, & vade in terram sublimem, atque ibi offeres eum in holocaustum super vnum montium, quem monstrauero tibi. Surgens itaque mane, strauit asinam suam; sumpsitq. secum duos famulos, & Isaac filium suum. Cumq. concidisset ligna in holocaustum, surgens abijt ad locum, quem dixerat ei Deus, die tertia. Et respiciens Abraam oculis suis, vidit locum à longe. dixitq. Abraam ad pueros suos: Sedete hic cum asina: ego autem & puer transibimus vsque illuc, & cum adorauerimus, reuertemur ad vos. Tulit autem ligna holocausti, & imposuit super Isaac filium suum. Sumpsit vero in manibus & ignem & gladium; & perrexerunt ambo simul. Et post alia: Et ædificauit Abraam in eo loco altare, & imposuit ligna. Cumq. alligasset Isaac filium suum, posuit eum in altari super struem lignorum. Et extendit Abraam manum suam vt arriperet gladium, vt immolaret filium suum. Iam si quispiam ex nobis hanc Abraæ historiam in tabella quadam depictam cernere velit, quo quæso modo pictor depingeret illum? Numquid simul delineabit facientē ea omnia quæ iam dicta sunt; an vero per partes aliter & aliter, hoc est, alia & alia forma eumdem sæpenumero depinget? Exempli causa: modo quidem asinæ, puero assumpto, famulisq. sequentibus, insidentem; modo rursum, asina cum famulis infra in campestribus relictis, ligna Isaac imponentem, manibusq. gladium & ignem gestātem: modo tandem eumdem illum Abraam alia rursum figura adolescentulum supra lignorum struem ligantem, gladioq. dexteram ad mactandum armantem? Atqui non erat alius atque alius Abraam, licet alia Genes. 22. a.

& alia effigie & ſchemate ſubinde ſpectetur; ſed vbique idem, pictoris arte rerum vſibus vbique ſeſe accommodante. Neque enim conueniebat, aut fieri poterat, vt omnia hæc quæ dicta ſunt, ſimul obire oſtenderetur. Erat itaque lex picturæ quædam, ac rerum typis veritatem vtero geſtans. Quamuis ergo vſus poſtulabat, vt duo hirci, ac duo itidem paſſeres ad exprimendum Chriſti myſterium inducerentur: vnus tamen in vtriſque Chriſtus continebatur, hinc quidem vt paſſioni obſtrictus, inde vero vt extra paſſionem conſtitutus: hinc rurſum morti ſubiectus, inde vero morte ſuperior, cælosq. conſcendens, veluti ſecundæ quædam humanitatis primitiæ ad incorruptionem inſtauratæ. Nam ipſe nobis viam ad cæleſtia innouauit. Vado, inquit, parare vobis locum: & iterum veniam, & accipiam vos ad me ipſum; vt vbi ſum ego, & vos mecum ſitis. Et hanc certam ſpem habemus.

Hactenus quidem quæ ſciebam ſcripſi: pietatis vero tuæ fuerit, exactius ſcripta iſta examinare; vt ſi quid melius inuenire contigerit, id & nobis, & ceteris quoque qui iſtic ſunt, profit. Chriſtus enim eſt qui & profunda & abſcondita reuelat, & intelligentiam cordi inſerit. In ipſo namque & ab ipſo omnes ſunt theſauri ſapientiæ & ſcientiæ abſconditi. Per ipſum & cum ipſo ſit Deo ac Patri & ſancto Spiritui gloria & imperium in ſæcula ſæculorum, Amen.

COMMONITORIVM AB Archiepiſcopo Cyrillo ad Eulogium Presbyterum Conſtantinopoli agentem miſſum.

Cyrillus Epiſcopus Alexandrinus Eulogio ſalutem.

XXXVII. EXpoſitionem, quam Orientales fecerunt, reprehendunt nonnulli, ac dicunt: Quam ob rem Epiſcopus Alexandrinus illos tolerauit, ac laudauit etiam, cum duas naturas nominarent? Qui autem Neſtorium ſectantur, eadem & ipſum ſentire contendunt; eaq. ratione illos, qui minus accurate rem percipiunt, in ſuam ſententiam abripiunt. Verum ijs qui hoc nomine nos accuſant, reſpondendum eſt, non omnia quæ hæretici dicunt, ſtatim fugienda ac repudianda eſſe. Multa enim confitentur ex ijs, quæ nos quoque aſſerimus. Exempli cauſa, cum Ariani Deum Patrem omnium conditorem ac Dominum eſſe dicunt, num ideo conſequens eſt, vt eiuſmodi confeſſiones auerſemur? Sic & de Neſtorio quoque, licet duas naturas eſſe dicat, carnis & Verbi Dei differentiam ſignificans, (eſt enim alia Verbi, alia carnis natura) attamen vnionem vnâ nobiſcũ non confitetur. Nos enim illas adunantes, vnum Chriſtum, vnum eumdem Filium, vnum Dominum confitemur, vnam poſtremo Dei naturam incarnatam dicimus. Simile quid & de quouis homine dici poteſt. Nam & ille ex diuerſis naturis conſtat, ex corpore nimirum

ΥΠΟΜΝΗΣΤΙΚΟΝ ΕΥΛΟΓΙΩ πρισβυτέρῳ, ἀπὸ μηνὸς τὸν Κωνσταντινουπόλει, ἀπὸ τοῦ ἀρχιεπισκόπου Κυρίλλου.

ΕΠιλαμβάνονταί τινες τῆς ἐκθέσεως, ἣν ἐποίησαν οἱ ἀνατολικοὶ, καὶ φασι· Διὰ τί δὴ φύσεις ὀνομαζόντων αὐτὴν ἠνέσχετο, ἢ καὶ ἐπῄνεσεν ὁ τῆς Ἀλεξανδρείας; οἱ δὲ τὰ Νεστορίου φρονοῦντες, λέγουσι κἀκεῖνον οὕτω φρονεῖν, σφᾶς παίζοντας τοὺς οὐκ εἰδότας τὸ ἀκριβές. χρὴ δὲ πρὸς μεμφομένους ἐκεῖνο λέγειν· ὅτι οὐ πάντα, ὅσα λέγουσιν οἱ αἱρετικοὶ, φεύγειν, καὶ παραιτεῖσθαι χρή· πολλὰ γὰρ ὁμολογοῦσιν ὧν καὶ ἡμεῖς ὁμολογοῦμεν. εἶεν, οἱ Ἀρειανοὶ ὅταν λέγωσι τὸν πατέρα, ὅτι δημιουργός ἐστι τῶν ὅλων, καὶ κύριος, μὴ διὰ τοῦτο φεύγειν ἡμᾶς ἀκόλουθον πάντως τὴν ὁμολογίαν οὕτω καὶ ὅτι Νεστόριος καὶ λέγει δύο φύσεις, τὴν διαφορὰν σημαίνων τῆς σαρκὸς, καὶ τοῦ θεοῦ λόγου· ἑτέρα γὰρ ἡ τοῦ λόγου φύσις, καὶ ἑτέρα ἡ τῆς σαρκὸς, οὐκέτι τὴν ἕνωσιν ὁμολογῶ μεθ' ἡμῶν. ἡμεῖς γὰρ ἑνώσαντες πάντα, ἕνα Χριστὸν, ἕνα υἱὸν, τὸν αὐτὸν, ἕνα κύριον ὁμολογοῦμεν· καὶ λοιπὸν μίαν τὴν τοῦ θεοῦ φύσιν σεσαρκωμένην. ὁπόταν ἐπὶ καὶ ὅτι τοῦ κοινοῦ εἴπῃς ἀνθρώπου· ἔστι μὲν γὰρ ἐκ διαφόρων φύσεων, λόγου τε σώματος φημὶ καὶ ψυχῆς·

ψυχῆς· καὶ ὁ μὲν λόγος, ἡ θεωρία, οἶδε τὴν διαφοράν· ἐνώσεως δὲ, φησὶ, μιᾶς μεμνήμεθα μίαν ἀνθρώπου φύσιν. ὅτε γὰρ τὴν εἰδέναι τῶν φύσεων τὴν διαφορὰν, διαιροῦμεν εἰς δύο τὸν ἕνα Χριστόν. ἐπειδὴ γάρ τινες οἱ ἐκ τῆς αἱρέσεως νομίζουσιν ἡμᾶς τοὺς ὀρθοδόξους τῆς Ἀπολιναρίου δόξης ἀκολουθεῖν, καὶ φρονεῖν, ὅτι σύγχυσις ἐγένετο, ἢ σύγχυσις· τοιαύτης δὲ καὶ αὐτοὶ κέχρηνται φωναῖς, ὡς τοῦ θεοῦ λόγου μεταβεβληκότος εἰς φύσιν σαρκὸς, ἢ τῆς σαρκὸς τραπείσης εἰς φύσιν θεότητος, συνεχωρήσαμεν αὐτοῖς, ἂν διελεῖν εἰς δύο τὸν ἕνα Χριστὸν μὴ γένοιτο, ἀλλ' ὁμολογῆσαι μόνον· ὅτι οὔτε σύγχυσις ἐγένετο, οὔτε σύγκρασις, ἀλλ' ἡ μὲν σὰρξ, σὰρξ ἦν, ὡς ἐκ γυναικὸς λαφθεῖσα, ὁ δὲ λόγος, ὡς ἐκ πατρὸς γεννηθεὶς, λόγος ἦν· τοιοῦτον δὲ ὁ Χριστὸς, καὶ θεὸς, καὶ υἱὸς, καὶ κύριος, κατὰ τὴν Ἰωάννου φωνὴν, ὡς γεγονότος σαρκὸς ὁ λόγος· περισπουδάσθωσαν δὲ αὐτοῖς, σχεῖν τὴν ἀναγκαίαν τῆς ἐπιστολῆς τοῦ μακαρίου Πάπα Ἀθανασίου· ὅτι ἐπεὶ φιλονεικούντων τινῶν, καὶ λεγόντων ὅτι ἐκ τῆς ἰδίας φύσεως ὁ θεὸς λόγος μετεποιήσατο ἑαυτῷ σῶμα, ἄνω, καὶ κάτω ἰσχυρίζετο, ὅτι οὐχ ὁμοούσιον ἦν τῷ λόγῳ τὸ σῶμα· εἰ δὲ οὐχ ὁμοούσιον, ἑτέρα πάντως, καὶ ἑτέρα φύσις, ἐξ ὧν ὁ εἷς, καὶ μόνος νοεῖται Χριστός. κἀκεῖνο δὲ μὴ ἀγνοούντωσαν· ὅταν γὰρ ἕνωσις ὀνομάζηται, οὐχ ἑνὸς πράγματος σημαίνεται σύνοδος, ἀλλ' ἢ δύο, ἢ πλειόνων, καὶ διαφόρων ἀλλήλοις καὶ τὴν φύσιν. εἰ τοίνυν λέγομεν ἕνωσιν, ὁμολογοῦμεν, ὅτι σαρκὸς ἐψυχωμένης νοερῶς, καὶ λόγου· καὶ οἱ δύο λέγοντες φύσεις, οὕτω νοοῦσι. πλὴν τῆς ἑνώσεως ὁμολογουμένης, σὺν ἡ διαίρεσιν ἀλλήλων τὴν ἑνωθέντα, ἀλλ' εἷς λοιπὸν ἦν, μία φύσις αὐτοῦ, ὡς σεσαρκωθέντος τοῦ λόγου. πῶς ὁμολόγησαν οἱ ἐκ τῆς αἱρέσεως· εἰ καὶ σφᾶς τὴν λέξιν ὀλίγον ἐσκοτίσθησαν. οἱ γὰρ ὁμολογοῦντες, ὅτι ὁ ἐκ θεοῦ πατρὸς γεννηθεὶς μονογενὴς λόγος, ἐγεννήθη ὁ αὐτὸς καὶ ἐκ σπέρματος ἐκ γυναικὸς, καὶ ὅτι θεοτόκος ἐστὶν ἡ ἁγία παρθένος, καὶ ὅτι ἓν αὐτοῦ τὸ πρόσωπον, καὶ ὅτι οὐ δύο υἱοὶ, οὐ δύο Χριστοὶ, ἀλλ' εἷς, πῶς τῆς Νεστορίου συμφέρονται δόξης; Νεστόριος μὲν γὰρ ἐν τοῖς ἑαυτοῦ ἐξηγήσεσι πρόσωπα λέγει· ὅτι υἱὸς εἷς, καὶ εἷς κύριος· ἀλλὰ διαφέρει τῇ ὑπονοίᾳ, καὶ τῇ κυριότητι, ἅτε μόνον τὸν τοῦ θεοῦ λόγον. ὅταν δὲ ἔλθῃ εἰς τὴν οἰκονομίαν, πάλιν, ὡς ἕτερον κύριον, τὸν ἐκ γυναικὸς ἀνθρωπον φησὶ, συναφθέντα τῇ ἀξίᾳ τῆς ἰσοτιμίας. τὸ γὰρ λέγειν· ὅτι διὰ πάντα ὁ θεὸς λόγος Χριστὸς ὀνομάζεται, ὅτι ἔχει τὴν συνάφειαν τὴν πρὸς τὸν Χριστὸν, πῶς οὐκ ἐναργής ἐστι δύο λέγειν Χριστοὺς, εἰ Χριστὸς πρὸς Χριστὸν ἔχει συνάφειαν, ὡς ἄλλος πρὸς ἄλλον; οἱ δὲ ἐκ τῆς αἱρέσεως οὐδὲν εἰρήκασι τοιοῦτον. τὰς δὲ φωνὰς διαιροῦσι μόνας. διαιροῦσι δὲ κατ' ἔργον τὸν τρόπον, ὡς τὰς μὲν θεοπρεπεῖς εἶναι λέγειν, τὰς δὲ ἀνθρωπίνας, τὰς δὲ κοινοπαθείας, ὡς ἐχούσας ὁμοῦ ἐκ τῆς θεοπρεπείας, καὶ τῆς ἀνθρωπίνης.

A rum & anima. Quamuis enim ratio & contemplatio horum discrimen non ignorent; tamen posteaquam illas vnierimus, vnam hominis naturam facimus. Quamobrem naturarum differentiam agnoscere, non est vnum Christum in duo diuidere.

Quia vero omnes Orientales putant, nos orthodoxos Apollinarij opiniones sequi, sentireq. naturarum commixtionem vel confusionem factam esse, (eiusmodi enim vocibus ipsi vtuntur) quasi Deus Verbum in carnis naturam transierit, & carnis natura in diuinitatis naturam conuersa sit: concessimus ipsis, non vt vnũ Chri-
B stum in duos diuidant (absit,) sed vt tantum fateantur, neque confusionem factam esse, neque commixtionem; sed carnem fuisse carnem, vt ex muliere sumptam; ac Verbum vt ex Patre genitum, fuisse Verbum: verumtamen vnum esse Christum, vnum Filium, ac Dominum vnum. Verbum enim, iuxta Ioannis vocem, factum est *Ioan. 1. b.* caro. sic autem paratos esse, vt lectioni epistolæ beati Papæ Athanasij attendant. Cum enim [a] suo tempore nonnulli contenderent ac dicerẽt, [a] illic nonnulli
Deum Verbum ex propria natura corpus sibi adaptasse; omni ratione confirmare conatus est, Christi corpus non esse Verbo consubstantiale.
C Quòd si Verbo consubstantiale non est, alia omnino atque alia natura sit oportet, ex quibus vnus ac solus Christus constitutus intelligitur. Nec illud ignorent; vbicumque vnio nominatur, ibi non vnius tantum rei coniunctionem significari, sed vel duarum, vel plurium, earumq. secundum naturam inter se differentium. Si igitur vnionem dicimus, carnis procul dubio intelligente anima prędita ac Verbi eam esse vnionem fatemur. Atque ita intelligunt qui duas naturas dicunt. Attamen vnione semel iam asserta, non amplius à se separantur quæ sunt vnita; sed
D vnus iam existit Christus, vnaq. ipsius natura, vt Verbi nimirum incarnati. Hæc confessi sunt Orientales, quamuis verbis aliquanto obscurioribus vsi. Qui enim confitentur, illud ex Deo Patre natum vnigenitum Verbum, idem etiam secundum carnem ex muliere natum esse; & sanctam Virginem Dei genitricem, & vnam esse Christi personam, & non duos Filios, nec duos Christos, sed vnum tantum: quomodo Nestorij opinionibus consentiunt? Nestorius enim in suis expositionibus simulat se dicere vnũ tantum Filium, & vnum solum Dominum esse; sed filiationem ac dominationem ad solum Dei Verbum
E refert. At vbi ad dispensationis mysterium ventum est, rursus vt alium Dominum seorsim hominem dicit ex muliere natum, qui sola æqualis honoris dignitate coniunctus sit Verbo. Quandoquidem dicere, Dei Verbum ob id Christum nominari, quòd cum Christo coniunctionẽ habeat; quid aliud est quàm clare asserere duos esse Christos, si Christus cum Christo coniunctionem habet vt alius nimirum cum alio? At vero Orientales nihil eiusmodi dicunt, solum autem voces discernunt. Discernunt autem ad eum modum, vt alias quidem diuinitati, alias vero humanitati, alias autem vtrique communiter conuenire dicant, quòd simul habeant quod Deo & homini con-

[a] μίαν.

conueniat, ita tamen, vt omnes de vna eademq. persona dicantur. At non ita Nestorius, qui alias Verbo Dei seorsim, alias vero illi adscribit ex muliere nato, tamquam alteri filio. Aliud autem est vocum agnoscere differentiam; aliud rursum duabus personis, tamquam alteri & alteri, differentes accommodare voces. Epistola vero ad Acacium præcipue, cuius initium est: Res sane dulcis & commendabilis est fratribus amica salutatio; plene de his omnibus satisfacit. Habes & plurimas quoque epistolas in capsula, quas studiosè tradere debes: offer etiam magnificentissimo Præposito duos libellos, quos ad illum misi; alterum contra Nestorij blasphemias scriptum, alterum acta Synodi contra Nestorium, eiusdemq. assecias, complectentem, & refutationes, quas contra Andream & Theodoretum Episcopos, qui aduersus capita scripserunt, edidi. Complectitur autem idem libellus sub finem breues quasdam de Christi dispensatione expositiones, easq. bonas admodum & vtiles. Offer ei similiter ex illis quæ corio obductæ sunt, quinque epistolas: vnam beati Papæ Athanasij ad Epictetum; alteram meam, illam videlicet, quam ad Ioannem perscripsi; rursum duas meas, quas ad Nestorium misi; exiguam vnam, prolixam alteram; denique illam, quæ est ad Acacium. Nam istas omnes à nobis petijt.

EIVSDEM CYRILLI EPIstola ad Donatum Nicopolis veteris Epiri Episcopum.

Domino meo dilecto fratri & comministro Donato, Cyrillus in Domino salutem.

XXXVIII. OPerępretium duxi pietatem tuam de ijs rebus certiorem facere, quæ super Ecclesiarum pace constituenda euenerunt. Venit itaque dominus meus præclarissimus Tribunus & notarius Aristolaus Antiochiam, litteras Regias secum deferens, quibus Ioanni pijssimo ecclesiæ Antiochenæ Episcopo mandabatur, vt scelerata Nestorij dogmata anathematizaret, necnon vnà cum sancta Synodo depositionis sententiam contra illum ferret, atque ita nostram communionem peteret. Et hæc quidem continebant illæ litteræ. Quidam autem ex Orientalibus Episcopis, qui Nestorium forte necdum condemnarunt, aut etiam illi fauent, rectam nostram Fidem offendunt, & Christi omnium nostrum Saluatoris gloriam haud mediocriter oppugnant, atque ita sanctissimum pijssimumq. Acacium Berrhœensem Episcopum, vt ad me absurda quędam scriberet, induxerunt, tamquam ipsi postularent, oportere vt omnia quæ aduersus Nestorium scripsimus, abolerentur, & velut irrita reijcerentur, solumq. Symbolum à sanctis Patribus in ciuitate Nicæa congregatis expositum admitte-

remus. Meminit sanctitas tua nuper Ephesi quoque eiusmodi ab illis propositas fuisse conditiones. Ego vero ad hæc rescripsi, rem illos postulare quæ fieri plane non possit, eo quòd quęcumque scripsimus, recte scripserimus, vtpote rectæ integræq. Fidei patrocinantes; nihilq. prorsus ex ijs quæ à nobis scripta essent, negare nos posse. Neque enim quidquam omnino temere à me dictum est, vt ipsi dicunt; sed ea tantum, quæ cum Fidei rectitudine vbique cohærent, veritatiq. per omnia consentiunt: æquiusq. multo esse, vt ipsi ambagibus illis ac dilationibus, quibus vtebantur, missis, neque vltra quàm necessitas postulat, progrederentur, sed pijssimi Deoq. dilectissimi Imperatoris, sacræq. Synodi placitis acquiescentes, Nestorij nugas & blasphemias contra Christum dictas anathematizarent; necnon & depositioni illius consentirent, atque ordinationem sanctissimi pientissimiq. Episcopi Maximiani comprobarent. Cum itaque has ad illos litteras misissem, animaduertentes se communionem recipere non posse, nisi ea quę facere debebant, prius perfecissent; miserunt Alexandriã Paulum reuerendissimũ religiosissimumq. Emisenũ Episcopum, qui ad me litteras afferret, communionis quidem instaurationem concernentes, parum tamen recte dictatas. Præ se ferebant enim quasdam querelas aduersus nos habere, quasi quædam in sacro Concilio neque recte dicta, neque recte facta essent. Verum huiusmodi quidem epistolas non admisi, sed respondi: Cum de prioribus veniam suppliciter petere deberent, quomodo nouas iterum contumelias inferre audent? Cum autem memoratus pijssimus Episcopus factum excusaret, iuramentoq. affirmaret, non esse hoc illorum propositum, sed ex mera animi simplicitate ad id scribendum progressos esse; charitatis causa purgationem admisi. Ceterum non prius illum ad synaxim recepi, quàm dato libello, Nestorij dogmata suo scripto anathematizasset, seq. illum pro deposito habere confessus esset, & ordinationi religiosissimi Episcopi Maximiani assensisset. Petijt autem, vt istis à se omnium religiosissimorum Orientalium Episcoporum loco oblatis libellis, nihil amplius exigerem: quod nulla ratione fieri sum passus; sed vna cum domino meo præclarissimo Tribuno ac notario Aristolao duos è nostris clericis misi Antiochiam, chartamq. tradidi, mandans vt si Ioannes reuerendissimus ecclesiæ Antiochenæ Episcopus subscripsisset, & illã accepisset, tunc demum litteras de communione redderet. Aegre enim moram ferebat memoratus clarissimus Tribunus Aristolaus. Cum igitur pijssimus Ioannes subscripsisset, ceteriq. qui cum ipso illustriores erant, cumq. Nestorij doctrinam anathematizassent, & quòd ipsum pro deposito haberent, professi essent, ac Maximiani religiosissimi pientissimiq. Episcopi ordinationem approbassent, communionem illis restituimus. Hæc enim sola etiam Ephesi sancta Synodus ab ipsis exi-

exigebat. Sciat & hoc quoque tua ſanctitas, religioſiſſimum pientiſſimumq. Epiſcopum Paulũ initio plurimum inſtitiſſe Helladij, Eutherij, Himerij, & Dorothei depoſitorum cauſa, obnixeq. rogaſſe, vt quæ contra ipſos decreta erant, abrogarentur. Affirmabat enim, pacem Eccleſiarum aliter perfici non poſſe, niſi id quoque ſuiſſet adiectum. Ego vero reſpondebam, rem ipſum modis omnibus impoſſibilem conari, eo quòd nos iſtud numquam eſſemus permiſſuri. Manſerunt itaque in eodem ſchiſmate, in quo etiam nunc perſeuerant; neque vlla eorum in condicionibus de pace ſanctarum Eccleſiarum propoſitis facta eſt mentio. Miſerunt autem eamdem illam epiſtolam, quam ad me ſcripſerunt, ad pijſſimos ſanctiſſimosq. Xyſtum magnæ Romæ, & Maximianum ſanctæ eccleſiæ Conſtantinopolitanæ Epiſcopos: id quod integritatem tuam perſpicue noſſe neceſſarium fuit, ne ſorte aliqui, qui alia pro alijs ſæpe nugari ſolent, nonnullos ex fratribus conturbent, perinde ac ſi nos quæ contra Neſtorij blaſphemias ſcripſimus, iterum retractauerimus. Miſi autem exempla epiſtolarum, tum eius, quam ad Ioannem religioſiſſimum Antiochiæ Epiſcopum ſcripſi, tum illius rurſum, quæ de anathematiſmo blaſphemiarum Neſtorij, deq. eiuſdem depoſitione ipſe ad me miſit: vt integritas tua hæc omnia quàm exactiſſime pernoſcat; nec vllas alias litteras præter has, quiſpiam proferat. Saluta quæ tecum eſt fraternitatem. Te noſtra in Domino ſalutat.

Ad hunc itaque modum vnigenitus Dei Filius in orbem ter-

Quare cum dicitur natus & ex muliere, necessario secundum carnem simul infertur, ne à sancta Virgine subsistendi initium accepisse quispiam putet. Quamuis enim ante omne sæculum existat ille Deus Verbum Patri suo coæternus, & semper cum illo simul subsistens: attamen quando eiusdem Dei Patris beneplacito seruilem formam assumere voluit, tunc natiuitatem quoque secundum carnem ex muliere nobiscum subijsse dicitur. Quamobrem quod ex carne prodijt, id citra omnem controuersiam caro est; & quod ex Deo, Deus. Est autem simul ambo Christus, cum vnus sit Filius & Dominus vnà cum sua carne, non inanimi, vt dixi, sed anima intelligente prædita. Ne ergo nobis vnum Filium diuidant, seorsum Verbum statuentes, & alterum rursus filium seorsim, hominem illum qui ex muliere natus est, vt ipsi aiunt: sed cogitent Deum Verbum non homini coniunctum esse, sed ipsum dici hominem esse factum, semine Abræ,
Hebr. 2. 6. 16. iuxta Scripturas, apprehenso, fratribusque, solo peccato excepto, per omnia assimilatum. Hæc autem per omnia assimilatio consequens est vt habeat, & quidem præ ceteris, partum ex muliere: qui partus in nobis quidem humano more cogitatur, & secundum nos; at in Vnigenito, supra nostrum modum. Deus namque est incarnatus. Quare etiam Dei genitrix vocatur sancta Virgo. Quòd si dixerint, Deum & hominem simul coëuntes vnum constituisse Christum, vtriusque hypostasi inconfuse seruata, quæ tamen secundum rationem diuidatur: facile videas nihil illos hac in re quod verum certumq. sit sentire aut loqui. Neque enim, vt ipsi aiunt, Deus & homo simul concurrentes vnum Christum constituerunt; sed, vt modo dixi, Deus Verbum perinde atque nos carnis & sanguinis particeps effectum est, ita vt Deus homo factus esse, & carnẽ nostram sumpsisse, eamq. sibi propriam feciſſe intelligatur: vt quemadmodum quiuis nostræ conditionis homo ex anima & corpore conflatus vnus est, ita & ipsum quoque vnum esse

esse & Filium & Dominum fateamur. Vna namque hominis est natura, & vna hypostasis, etiam si ex rebus diuersis, specieq. differentibus constituatur. Palam est enim corpus esse quiddam ab anima diuersum, sed tamen proprium ipsius, & vnà cum ipsa vnius hominis hypostasim plene constituere. Et quamuis secundum mentem & cogitationem, prædictorum discrimen non sit obscurum; attamen illa coitio, seu concursio, cum sit indiuisa, vnum animal, hominem ipsum efficiunt. Itaque vnigenitum Dei Verbum non homine assumpto prodijt homo; sed quamuis ineffabilem ex Deo Patre generationem haberet, templo per Spiritum sanctum sibi consubstantialem constructo, homo factum est. Vnus proinde intelligitur, etiam si corpus quod assumpsit, ipsa rationis contemplatione diuersæ sit ab ipso naturæ. Vbique vero fateamur non inanime fuisse, sed anima intelligente præditum.

Audio nihilominus quosdam in eam vesaniam prolapsos esse, vt dicere non vereantur, Deum Verbum in illo homine ex Virgine nato perinde ac in quodam filio inhabitasse, eumdemq. sua illa inhabitatione deificasse. Sed, ò boni viri, non hoc est, inquam, Dei Verbum incarnatum, vel hominem factum esse; sed potius in homine non secus ac in aliquo sanctorũ Prophetarũ habitasse. Enimuero admirabilis illius secundũ nos mysterij ratio, vt paulo superius monuimus, illud ipsum Dei Patris Verbum carnem, secundum Scripturas, factum docet: non quòd naturalem aliquam mutationem aut alterationem sustinuerit, aut in carnem versum sit; sed quòd carnem anima rationali vegetatam sibi adsciuerit, homoq. processerit; non quòd homini sit coniunctum, aut in homine inhabitauerit, vt ipsi dicunt. Porro illum, in quo habitarit, dicere deificatum fuisse, vt ipsi asserunt, (id enim nos prorsus respuendum censemus) quomodo non summæ stultitiæ significationem habet? Pugnat enim cum sacrarum Scripturarum scopo: quandoquidem diuinus Paulus Deum Verbum in forma & illa per omnia Dei Patris æqualitate constitutum, non rapinã arbitratum dicit æqualem se esse Deo; verum semetipsum exinaniuisse, seruiq. forma accepta in similitudinem hominum factum esse, vtpote hominem, ac semetipsum humiliasse. Illi vero rerum naturam ad quiduis contrarium detorquent, vimq. veritatis impie adulterantes, hominem deificatum asserunt. Verum si res ita habet, quis nam quæso semetipsum exinaniuit? quomodo præterea seipsum humiliauit? qualem, dicite mihi, serui formam accepit? Etenim hæc illorum doctrina hominem videlicet inducit, qui ex nostra humilitate in sublime euectus sit, quiq. ex nostra exinanitione in Deitatis plenitudinem euaserit; necnon ex forma seruili in dominicam formam transierit. Equidem quomodo vnigenitum Dei Filium exinanitum, quomodo item humanæ naturæ humiliationem sustinuisse dicant, omnino intelligere non valeo: nisi forte per hoc exinanitum asseuerent, quòd hominem gloriæ suæ participem fecerit. Verum si alterum honorans, Philip. 2.

ipſe honoris ſui detrimentum facit; ſi alterum glorificans, ipſe exinanitur: cui dubium eſſe poteſt, quin præſtabilius illi fuerit neque honorem cuiquam, neque vero gloriam illum tribuere? Niſi enim hominem, quem ſibi, vt ipſi loquuntur, proprium fecit, honoraſſet, eumdemq. gloria ſua cumulaſſet, in propria excellentia conſtans perſtitiſſet. An non ea cuique riſu digna, & extremæ ſtultitiæ plena videantur, quæ illi & ſentire ſtatuerunt, & eloqui audent? At vero ſermo veritatis nullo modo quidquam aliquando exinanitum cenſebit, ſi id ipſum antea ſecundum naturam ſuam plenum non erat: neque rurſum humiliatum, niſi illud in ſublimi & ſummo poſitum, in id poſtea deſcenderit quod prius non erat: illum præterea qui ſerui formam acceperit, prorſus intelliget antequam illam acceperit, naturalem libertatem habuiſſe: & eum qui homo ſit factus, fuiſſe hominem priuſquam factus ſit, non agnoſcit. Quamobrem cum ſacra & diuina Scriptura exinanitionem, ſeruilemq. formam, necnon & humanitatem nominet, eumq. qui hæc voluntarie ſuſcepit, Dei Patris Verbum appellet; quomodo iſti eximiam illam admirandæ huius diſpenſationis ſapientiam in contrarium ſenſum detorquentes, hominem quemdam deificatum eſſe contendunt, ita vt iam Chriſtiani nulla re ab ijs differant, qui prætermiſſo creatore adorant creaturam? Numquid ſanctos Angelos quoque, qui, vt diuinæ litteræ teſtatum faciunt, Primogenitum in terrarum orbem inductũ adorare iuſſi fuerunt, vnà etiam nobiſcum erraſſe concedent? At quomodo, obſecro, Primogeniti nomen Vnigenito attribuere licebit, ſi vere incarnatus non fuit? Nam ſi verum eſt illud, Vt in multis fratribus; tum certe conuenienter primogenitus intelligitur, cum ad fraternitatem proculdubio noſtram deſcendit, cum homo noſtri ſimilis factus eſt, per omnia, ſolo peccato excepto, fratribus aſſimilatus. Nobis autem ad pietatem ſatis eſt vt cogitemus & intelligamus, carnem, quæ Dei omnia viuificantis peculiaris effecta eſt, viuificam ipſius Verbi virtutem & operationem obtinere; gloriamq. ineffabilem & inacceſſibilem conſecutam eſſe.

Ceterum qui hoc modo ſentire propoſitum habent, eos & alias quoque calumnias in ſacras litteras afferre mirum non eſt, dum perſonę Vnigeniti, quas à Iudæis ſuſtinuit iniurias, & ipſam præterea carnis mortem quã pertulit, adimunt; easq. illi qui ex muliere, veluti alteri ſeorſum filio adſcribunt. A στiam in odorem ſuauitatis obtulit: fit ea de cauſa, vt ea omnia quæ in eius carnem facta ſunt, etiam ipſum ſuſtinuiſſe dicamus. Nam cuius eſt corpus proprium, iure illi etiam omnia quæ ſunt corporis, ſolo excepto peccato, tribuuntur. Igitur quoniam Deus Verbum poſteaquam homo factus eſt, manſit quidem ſecundū naturam diuinam impatibilis, ea tamen quæ carnis erant, neceſſario veluti propria ſibi fecit: ideo quæ ſuæ carnis erant pertuliſſe dicitur, etiam ſi ſecundum diuinam naturam nulli penitus paſſioni eſſet obnoxius. Vnde falſa pietatis perſuaſio à veritate eos abducit. Non enim animaduertunt,
B impatibilitatem quidem illi manſiſſe quatenus erat ab initio & eſt Deus; ſed tamen quod ſecundum carnem pro nobis pertulit, illi adſcribitur, quatenus Deus natura exiſtens, factus eſt caro, hoc eſt, perfectus homo. Nam quis, quæſo, erat, qui ad Patrem qui eſt in cęlis, ac Deum loquebatur, dicens: Sacrificium & oblationem noluiſti, *Hebr.10.a.* corpus autem aptaſti mihi; holocautomata & *5.ex Pſal.* pro peccato noluiſti. tunc dixi, Ecce venio, vt *39.*
C faciam Deus voluntatem tuam. Qui enim corporis expers erat vt Deus, corpus ſibi aptatum fatetur, vt eo pro nobis oblato, ſuo nos omnes li- *Eſai.53.a.* uore, iuxta Prophetæ vocem, ſanaret. Quo pacto etiam vnus pro omnibus mortuus eſt, qui iu- *2.Cor.5.c.* ſtum pro omnibus pretium exolueret, ſi illa paſ- *14.* ſio puri cuiuſpiam hominis fuiſſe putatur? Quòd ſi ſecundum humanam naturam eſt paſſus, vt qui ſuę carnis paſſiones ſibi proprias fecit, ſibiq. vindicauit; tunc demum vnius mortem ſecundum carnem, iuſtum pro omnium hominum vita pretium fuiſſe rectiſſime aſſerimus: non quòd mors illa vnius vulgaris hominis noſtri ſimilis fuerit, etiam ſi noſtri ſimilis factus ſit; ſed quòd cum per naturam Deus eſſet, incarnatus homoq. factus ſit, ſecundum ſanctorum Patrum confeſſionem. Quòd ſi ſunt qui ob id paſſionem
D ſecūdum carnem Vnigenito adimunt, quòd turpis, incongrua, indecensq. videatur; adimant ipſi pari ratione & ipſam quoque ſecundum carnem ex Virgine natiuitatem. Nam ſi illi turpe eſt quòd carne paſſus eſſe dicitur; quomodo non ante hoc turpis erit illa ſecundum carnem natiuitas, quæ paſſionem antecedit; aut, vt ſemel dicam, ipſius humanationis modus? Perijt itaque hac ratione vniuerſum Chriſtianorum myſterium; &, quod hinc conſequitur, totius ſalutis noſtræ ſpes inanis redditur.

Sed dixeris: Quomodo pati id poteſt, quod nulli paſſioni eſt obnoxium? Illud igitur ex Deo
E Verbum proculdubio, vt iam dictum eſt, ſecundum propriam naturam nullatenus eſt patibile: dicitur tamen ſecundum Scripturas propria carne paſſum, quoniam erat in patiente corpore. Quod beatus Petrus confirmat, hunc in modum de illo ſcribens: Qui peccata noſtra pertulit *1.Petri.2.* in corpore ſuo ſuper lignum. Quocirca licet Verbum, cū vt Deus ſecundum naturā conſideratur, ſit impatibile; ſecundum diſpenſatoriam tamen appropriationem, paſſiones carni competentes

ipſius propriæ cenſentur. Alioqui quomodo ille primogenitus omnis creaturæ, ille per quem facti *Coloſſ.1.c.* ſunt Principatus & Poteſtates, Throni & Dominationes, & in quo conſiſtunt omnia, factus eſt primo- *15.*

genitus ex mortuis,& primitiæ dormientium, ſi
Deus Verbum corpus,quod pati natum erat,ſibi
proprium non fecit? Quemadmodum autem
Deus ex muliere ſecundum carnem ortus, no-
ſtram ſibi humanitus natiuitatem appropria-
uit, quamuis propriam ex Patre natiuitatem ha
beret: ita idem etiam carne dicitur pati ſecun-
dum nos, & humanitus, etiamſi vt Deus in-
telligitur, nulla patibilitas in illum ex natura
conueniat. Ad hunc namque modum Chriſtus
agnoſcitur: ad hunc modum etiam cum Patre
conſidet; non vt homo per Dei Verbi inhabita-
tionem honoratus;ſed vt vere Filius etiam tum,
quum homo eſt factus. Siquidem præeminentiæ
dignitas,quę eſſentialiter illi ineſt,integra ei ſem
per permanſit,etiamſi diſpenſatorie in ſerui for
ma apparuerit. Quare, vt inquit,licet noſtræ na-
turæ particeps fuerit vt homo, cum hoc ipſo ta-

Ceterum audiui quemdam, qui cum reditus

potitum vt cum Patre conſidèret,vbi,ait,naturæ

Ergo cælum factũ eſt illi pro munimine;& receſ-

A cunt, & Fidei traditionem veluti quoddam depositum in mente conditum retinent, sanctamq. ac incorruptam eamdem cõseruant, veluti in obscuro sagittare se posse existimant. Itaque acres illi impostores, & qui sententiarum commentis multipliciter contextis, rudiores à veritate inuestiganda abducunt, aliorumq. hæreticorum malitiam æmulati, stulte proponunt, quæ illi solent; parum id quod scriptum est reputantes: Væ illis qui proximo suo turbidam subuersionem propinant. Enimuero Arianæ impietatis propugnatores vnigenitum Dei Verbum alterius essentiæ esse dicunt, & post ipsum generantem secundo loco constituunt, necnon creatum & conditum esse contendunt, & illum, per quem omnia, & in quo omnia, in creaturarum ordinem redigunt. Deinde dum Vnigeniti in carne dispensationis mysterium curiose inquirunt, per summam fraudem vim veritatis corrumpunt: cumq. præterea Apollinarij opinionis crimine laborent, Dei Verbum carnem quidem sumpsisse asserunt, sed intelligente anima minime præditam fuisse. Ipsum enim Verbum mentis & animæ vices in assumpto corpore explere; idque, vt dixi, per summam fraudem facere deprehenduntur: quandoquidem ne voces illas Domini nostri, quæ in humanam naturam conueniunt, dispensatoria quadam ratione dictas arbitremur, & ex mensura quæ humanitati conuenit posteaquam factus est homo, furtim adimunt carni animam intelligentem & in carne habitantem: qua fraude illum deijciunt, Patreq. secundum essentiam inferiorem esse aiunt: & suæ huius aduersus eum calumniæ firmamenta ex sacris litteris impie colligunt. Sed ecce nunc quoque illorum stultitiæ æmulatores acerbi nos adoriuntur, qui Nestorij profanas vocum nouitates non admittimus, & rectam inculpatamq. Fidem aggere structo obsident, ac inanium sententiarum quisquilias in vnum conglomerant. Aiunt enim beatum Paulum de Christo omnium saluatore dixisse: Exinaniuit semetipsum, formam serui accipiens, in similitudinem hominum factus, & habitu inuentus vt homo: humiliauit semetipsum, factus obediens vsque ad mortem, mortem autem crucis: propter quod & Deus exaltauit illum, & dedit illi nomen quod est super omne nomen. & alio rursum loco: Deus erat in Christo, mundum reconcilians sibi. & iterum: Quia in ipso inhabitat omnis plenitudo diuinitatis corporaliter. Suam quoque sententiam Petri vocibus accommodant, qui nunc quidem dicit: IESVM à Nazareth, quomodo eum vnxit Deus Spiritu sancto & virtute, qui pertransiuit benefaciendo, & sanando omnes oppressos à diabolo, quoniam Deus erat cum eo. & rursum: Et tempora quidem huius ignorantiæ despiciens Deus, nunc annuntiat hominibus, vt omnes vbique pœnitentiam agant, eo quòd statuit diem, in quo iudicaturus est orbem in æquitate, in viro in quo statuit, fidem præbens omnibus, suscitans eum à mortuis. tum illud Verbum esse secundum naturã Deum ignorari non permiserit. Nemo, inquit, venire potest ad me, nisi Pater qui misit me, traxerit illũ. Simili modo & ipsa quoque eius vnctio circa humanam naturam fuit. Nam cum Vnigenitus, qui ex Patre gignitur, secundum naturam sanctus esset non secus ac Pater, secundum nos vnctus, hoc est, à Patre sanctificatus dicitur, quatenus nimirum homo apparuit. Qua de re sapientissimus Paulus de illo ac de nobis ita scribit: Qui enim sanctificat, & qui sanctificãtur, ex vno omnes. propter quam causam non confunditur fratres eos vocare, dicens: Annuntiabo nomen tuum fratribus meis. Ergo cum Vnigenitus secundum naturam suam sanctus sit, ipsamq. creaturam sanctificet; attamen cum frater noster est factus, tunc secundum humanam naturam nobiscum quoque vnctus dicitur, vtpote mensuram humanæ naturæ conuenientem & consentaneam propter dispensationem nequaquam aspernatus. Ita enim beatum Ioannẽ Baptistam profecto alloquitur: Quoniam decet nos implere omnem iustitiam. Quòd si Deus cum ipso quoque esse dicatur; quomodo acuti illi sophistæ non intelligunt, Patrem naturaliter semper esse cum Filio, cum & ipse in illo sit, & illũ in seipso habeat? An non meminerunt quid Christus dicat: Tanto tempore vobiscum sum, & non cognouisti me, Philippe? qui vidit me, vidit & Patrem. Ego & Pater vnum sumus. Non credis quia ego in Patre, & Pater in me est? Et alibi rursum discipulos alloquens ait: Venit hora, & iam venit, vt dispergamini vnusquisque in propria, & me solum relinquatis: & tamen non sum solus, quoniam Pater meus mecum est. Non enim, vt ij persuasum habent qui alieno vomitu insipienter replentur, Verbũ quod Deus erat, tamquã alter filius cum altero filio, nempe cũ assumpto homine fuit, (id enim nihil aliud quàm sectio est atque diuisio, filiorum dualitatem inducens) sed erat Deus & Pater cum Filio, hoc est, cum incarnato inhumanatoq. Deo Verbo. Pater namque à Filio separari nequaquam potest.

Iam etsi Deus iudicaturus sit orbem terrarum in viro, quem statuit; nemo tamen prudens sacram Scripturam affirmare existimet, vnigenitum Dei tamquam in viro seorsim considerato filio, illo inquam ex muliere, terrarum orbem iudicaturum esse: quin immo id pium esse asserimus, si illud intellexerimus quod Christus dixit: Pater, inquit, non iudicat quemquam, sed omne iudicium dedit Filio, vt omnes honorificent Filium, sicut honorificant Patrem. Etenim Deus Verbum homo factus, & inter homines numeratus, hoc est, ita nobiscũ appellatus, nihilominus iudex erit tamquam Deus & Dominus, & tamquam vnus Filius, quippe cum sic quoque Deus & Pater in ipso sit. Habet namque, vt modo aiebam, Patrem in se manentem, & ipse vicissim in Patre inest. Quemadmodum autem vnus est Deus & Pater, ex quo omnia; ita quoque vnus est Dominus IESVS Christus, per quem omnia. Quin & illud etiam quod recte beati Pauli voce pronuntiatum est, in deteriorem sensum detorquent.

quent. Ille enim dicit, & quidem recte: Deus erat in Christo, mundum sibi reconcilians. Isti vero vni Christo & Filio crassam quamdam sectionem inferentes, Deum Verbum prorsus diuellunt, & tamquam in alio quodam Christo seorsim considerato ipsum esse asserunt, ita vt iam in homine habitasse verius, quàm carnem sumpsisse intelligatur. Sed vos alloquor viri sapientes, ipse diuinarum litterarum scopus hæc ita se habere non permittit. Confunditis enim lectionem; sententiarumq. vim ad ea distorquetis, quæ non decet; cum tamen omnem intellectum in obsequium Christi nos captiuare oporteat, sicuti scriptum est. Erat enim Deus in ipso, mundum sibi in Christo reconcilians. Christo namque reconciliati, Deo quoque & Patri reconciliamur: quandoquidem Deus Verbũ, quod ex Patre ortum est, quantũ ad essentiæ identitatem spectat, non est ab eo diuersum, cum etiam si factum sit homo, nulla tamen ex parte lædatur, quo minus sit secundum naturam Filius. id enim etiam carne assumpta permansit. Ecclesiastes 3:1 To every thing there is a season, and a time to every purpose under the heaven: 2 A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; 3 A time to kill, and a time to heal; a time to break down, and a time to build up; 4 A time to weep, and a time to laugh; a time to mourn, and a time to dance; 5 A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; 6 A time to get, and a time to lose; a time to keep, and a time to cast away; 7 A time to rend, and a time to sew; a time to keep silence, and a time to speak; 8 A time to love, and a time to hate; a time to war, and a time to peace. 9 What profit hath he that worketh in that wherein he laboureth? 10 I have seen the travail, which God hath given to the sons of men to be exercised in it. 11 He hath made every thing beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end. 12 I know that there is no good in them, but for a man to rejoice, and to do good in his life. 13 And also that every man should eat and drink, and enjoy the good of all his labour, it is the gift of God. 14 I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it: and God doeth it, that men should fear before him. 15 That which hath been now; and that which is to be hath already been; and God requireth that which is past. 16 And moreover I saw under the sun the place of judgment, that wickedness was there; and the place of righteousness, that iniquity was there. 17 I said in mine heart, God shall judge the righteous and the wicked: for there is a time there for every purpose and for every work. 18 I said in mine heart concerning the estate of the sons of men, that God might manifest them, and that they might see that they themselves are beasts. 19 For that which befalleth the sons of men befalleth beasts; even one thing befalleth them: as the one dieth, so dieth the other; yea, they have all one breath; so that a man hath no preeminence above a beast: for all is vanity. 20 All go unto one place; all are of the dust, and all turn to dust again. 21 Who knoweth the spirit of man that goeth upward, and the spirit of the beast that goeth downward to the earth? 22 Wherefore I perceive that there is nothing better, than that a man should rejoice in his own works; for that is his portion: for who shall bring him to see what shall be after him?

Ecclesiastes 4:1 So I returned, and considered all the oppressions that are done under the sun: and behold the tears of such as were oppressed, and they had no comforter; and on the side of their oppressors there was power; but they had no comforter. 2 Wherefore I praised the dead which are already dead more than the living which are yet alive. 3 Yea, better is he than both they, which hath not yet been, who hath not seen the evil work that is done under the sun. 4 Again, I considered all travail, and every right work, that for this a man is envied of his neighbour. This is also vanity and vexation of spirit. 5 The fool folded his hands together, and eateth his own flesh. 6 Better is a handful with quietness, than both the hands full with travail and vexation of spirit. 7 Then I returned, and I saw vanity under the sun. 8 There is one alone, and there is not a second; yea, he has neither child nor brother: yet is there no end of all his labour; neither is his eye satisfied with riches; neither saith he, For whom do I labour, and bereave my soul of good? This is also vanity, yea, it is a sore travail. 9 Two are better than one; because they have a good reward for their labour. 10 For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up. 11 Again, if two lie together, then they have heat: but how can one be warm alone? 12 And if one prevail against him, two shall withstand him; and a threefold cord is not quickly broken. 13 Better is a poor and a wise child than an old and foolish king, who will no more be admonished. 14 For out of prison he cometh to reign; whereas also he that is born in his kingdom becometh poor. 15 I considered all the living which walk under the sun, with the second child that shall stand up in his stead. 16 There is no end of all the people, even of all that have been before them: they also that come after shall not rejoice in him. Surely this also is vanity and vexation of spirit.

Ecclesiastes 5:1 Keep thy foot when thou goest to the house of God, and be more ready to hear, than to give the sacrifice of fools: for they consider not that they do evil. 2 Be not rash with thy mouth, and let not thine heart be hasty to utter any thing before God: for God is in heaven, and thou upon earth: therefore let thy words be few. 3 For a dream cometh through the multitude of business; and a fool's voice is known by multitude of words. 4 When thou vowest a vow unto God, defer not to pay it; for he hath no pleasure in fools: pay that which thou hast vowed. 5 Better is it that thou should not vow, than that thou should vow and not pay. 6 Suffer not thy mouth to cause thy flesh to sin; neither say thou before the angel, that it was an error: wherefore should God be angry at thy voice, and destroy the work of thine hands? 7 For in the multitude of dreams and many words there are also divers vanities: but fear thou God. 8 If thou seest the oppression of the poor, and violent perverting of judgment and justice in a province, marvel not at the matter: for he that is higher than the highest regardeth; and there be higher than they. 9 Moreover the profit of the earth is for all: the king himself is served by the field. 10 He that loveth silver shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity. 11 When goods increase, they are increased that eat them: and what good is there to the owners thereof, saving the beholding of them with their eyes? 12 The sleep of a labouring man is sweet, whether he eat little or much: but the abundance of the rich will not suffer him to sleep. 13 There is a sore evil which I have seen under the sun, namely, riches kept for the owners thereof to their hurt. 14 But those riches perish by evil travail: and he begetteth a son, and there is nothing in his hand. 15 As he came forth of his mother's womb, naked shall he return to go as he came, and shall take nothing of his labour, which he may carry away in his hand. 16 And this also is a sore evil, that in all points as he came, so shall he go: and what profit hath he that hath laboured for the wind? 17 All his days also he eateth in darkness, and he hath much sorrow and wrath with his sickness. 18 Behold that which I have seen: it is good and comely for one to eat and to drink, and to enjoy the good of all his labour that he taketh under the sun all the days of his life, which God giveth him: for it is his portion. 19 Every man also to whom God hath given riches and wealth, and hath given him power to eat thereof, and to take his portion, and to rejoice in his labour; this is the gift of God. 20 For he shall not much remember the days of his life; because God answereth him in the joy of his heart.

Ecclesiastes 6:1 There is an evil which I have seen under the sun, and it is common among men: 2 A man to whom God hath given riches, wealth, and honour, so that he wanteth nothing for his soul of all that he desireth, yet God giveth him not power to eat thereof, but a stranger eateth it: this is vanity, and it is an evil disease. 3 If a man beget an hundred children, and live many years, so that the days of his years be many, and his soul be not filled with good, and also that he have no burial; I say, that an untimely birth is better than he. 4 For he cometh in with vanity, and departeth in darkness, and his name shall be covered with darkness. 5 Moreover he hath not seen the sun, nor known any thing: this hath more rest than the other. 6 Yea, though he live a thousand years twice told, yet hath he seen no good: do not all go to one place? 7 All the labour of man is for his mouth, and yet the appetite is not filled. 8 For what hath the wise more than the fool? what hath the poor, that knoweth to walk before the living? 9 Better is the sight of the eyes than the wandering of the desire: this is also vanity and vexation of spirit. 10 That which hath been is named already, and it is known that it is man: neither may he contend with him that is mightier than he. 11 Seeing there be many things that increase vanity, what is man the better? 12 For who knoweth what is good for man in this life, all the days of his vain life which he spendeth as a shadow? for who can tell a man what shall be after him under the sun?

Ecclesiastes 7:1 A good name is better than precious ointment; and the day of death than the day of one's birth. 2 It is better to go to the house of mourning, than to go to the house of feasting: for that is the end of all men; and the living will lay it to his heart. 3 Sorrow is better than laughter: for by the sadness of the countenance the heart is made better. 4 The heart of the wise is in the house of mourning; but the heart of fools is in the house of mirth. 5 It is better to hear the rebuke of the wise, than for a man to hear the song of fools. 6 For as the crackling of thorns under a pot, so is the laughter of the fool: this is also vanity. 7 Surely oppression maketh a wise man mad; and a gift destroyeth the heart. 8 Better is the end of a thing than the beginning thereof: and the patient in spirit is better than the proud in spirit. 9 Be not hasty in thy spirit to be angry: for anger resteth in the bosom of fools. 10 Say not thou, What is the cause that the former days were better than these? for thou dost not inquire wisely concerning this. 11 Wisdom is good with an inheritance: and by it there is profit to them that see the sun. 12 For wisdom is a defence, and money is a defence: but the excellency of knowledge is, that wisdom giveth life to them that have it. 13 Consider the work of God: for who can make that straight, which he hath made crooked? 14 In the day of prosperity be joyful, but in the day of adversity consider: God also hath set the one over against the other, to the end that man should find nothing after him. 15 All things have I seen in the days of my vanity: there is a just man that perisheth in his righteousness, and there is a wicked man that prolongeth his life in his wickedness. 16 Be not righteous over much; neither make thyself over wise: why should thou destroy thyself? 17 Be not over much wicked, neither be thou foolish: why should thou die before thy time? 18 It is good that thou should take hold of this; yea, also from this withdraw not thine hand: for he that feareth God shall come forth of them all. 19 Wisdom strengtheneth the wise more than ten mighty men which are in the city. 20 For there is not a just man upon earth, that doeth good, and sinneth not. 21 Also take no heed unto all words that are spoken; lest thou hear thy servant curse thee: 22 For oftentimes also thine own heart knoweth that thou thyself likewise hast cursed others. 23 All this have I proved by wisdom: I said, I will be wise; but it was far from me. 24 That which is far off, and exceeding deep, who can find it out? 25 I turned about, and my heart to know, and to search, and to seek out wisdom, and the reason of things, and to know the wickedness of folly, even of foolishness and madness: 26 And I find more bitter than death the woman, whose heart is snares and nets, and her hands as bands: whoso pleaseth God shall escape from her; but the sinner shall be taken by her. 27 Behold, this have I found, saith the preacher, counting one by one, to find out the account: 28 Which yet my soul seeketh, but I find not: one man among a thousand have I found; but a woman among all those have I not found. 29 Only, lo, this have I found, that God hath made man upright; but they have sought out many inventions.

Ecclesiastes 8:1 Who is as the wise man? and who knoweth the interpretation of a thing? a man's wisdom maketh his face to shine, and the boldness of his face shall be changed. 2 I counsel thee to keep the king's commandment, and that in regard of the oath of God. 3 Be not hasty to go out of his sight: stand not in an evil thing; for he doeth whatsoever pleaseth him. 4 Where the word of a king is, there is power: and who may say unto him, What doest thou? 5 Whoso keepeth the commandment shall feel no evil thing: and a wise man's heart discerneth both time and judgment. 6 Because to every purpose there is time and judgment, therefore the misery of man is great upon him. 7 For he knoweth not that which shall be: for who can tell him when it shall be? 8 There is no man that hath power over the spirit to retain the spirit; neither hath he power in the day of death: and there is no discharge in that war; neither shall wickedness deliver those that are given to it. 9 All this have I seen, and applied my heart unto every work that is done under the sun: there is a time wherein one man ruleth over another to his own hurt. 10 And so I saw the wicked buried, who had come and gone from the place of the holy, and they were forgotten in the city: this is also vanity. 11 Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil. 12 Though a sinner do evil an hundred times, and his days be prolonged, yet surely I know that it shall be well with them that fear God, which fear before him: 13 But it shall not be well with the wicked, neither shall he prolong his days, which are as a shadow; because he feareth not before God. 14 There is a vanity which is done upon the earth; that there be just men, unto whom it happeneth according to the work of the wicked; again, there be wicked men, to whom it happeneth according to the work of the righteous: I said that this is also vanity. 15 Then I commended mirth, because a man hath no better thing under the sun, than to eat, and to drink, and to be merry: for that shall abide with him of his labour the days of his life, which God giveth him under the sun. 16 When I applied mine heart to know wisdom, and to see the business that is done upon the earth: (also there is that neither day nor night seeth sleep with his eyes:) 17 Then I beheld all the work of God, that a man cannot find out the work that is done under the sun: because though a man labour to seek it out, yet he shall not find it; yea further; though a wise man think to know it, yet shall he not be able to find it.

Ecclesiastes 9:1 For all this I considered in my heart even to declare all this, that the righteous, and the wise, and their works, are in the hand of God: no man knoweth either love or hatred by all that is before them. 2 All things come alike to all: there is one event to the righteous, and to the wicked; to the good and to the clean, and to the unclean; to him that sacrificeth, and to him that sacrificeth not: as is the good, so is the sinner; and he that sweareth, as he that feareth an oath. 3 This is an evil among all things that are done under the sun, that there is one event unto all: yea, also the heart of the sons of men is full of evil, and madness is in their heart while they live, and after that they go to the dead. 4 For to him that is joined to all the living there is hope: for a living dog is better than a dead lion. 5 For the living know that they shall die: but the dead know not any thing, neither have they any more a reward; for the memory of them is forgotten. 6 Also their love, and their hatred, and their envy, is now perished; neither have they any more a portion for ever in any thing that is done under the sun. 7 Go thy way, eat thy bread with joy, and drink thy wine with a merry heart; for God now accepteth thy works. 8 Let thy garments be always white; and let thy head lack no ointment. 9 Live joyfully with the wife whom thou lovest all the days of the life of thy vanity, which he hath given thee under the sun, all the days of thy vanity: for that is thy portion in this life, and in thy labour which thou takest under the sun. 10 Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest. 11 I returned, and saw under the sun, that the race is not to the swift, nor the battle to the strong, neither yet bread to the wise, nor yet riches to men of understanding, nor yet favour to men of skill; but time and chance happeneth to them all. 12 For man also knoweth not his time: as the fishes that are taken in an evil net, and as the birds that are caught in the snare; so are the sons of men snared in an evil time, when it falleth suddenly upon them. 13 This wisdom have I seen also under the sun, and it seemed great unto me: 14 There was a little city, and few men within it; and there came a great king against it, and besieged it, and built great bulwarks against it: 15 Now there was found in it a poor wise man, and he by his wisdom delivered the city; yet no man remembered that same poor man. 16 Then said I, Wisdom is better than strength: nevertheless the poor man's wisdom is despised, and his words are not heard. 17 The words of wise men are heard in quiet more than the cry of him that ruleth among fools. 18 Wisdom is better than weapons of war: but one sinner destroyeth much good.

Ecclesiastes 10:1 Dead flies cause the ointment of the apothecary to send forth a stinking savour: so doth a little folly him that is in reputation for wisdom and honour. 2 A wise man's heart is at his right hand; but a fool's heart at his left. 3 Even also when he that is a fool walketh by the way, his wisdom faileth him, and he saith to every one that he is a fool. 4 If the spirit of the ruler rise up against thee, leave not thy place; for yielding pacifieth great offences. 5 There is an evil which I have seen under the sun, as an error which proceedeth from the ruler: 6 Folly is set in great dignity, and the rich sit in low place. 7 I have seen servants upon horses, and princes walking as servants upon the earth. 8 He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bite him. 9 Whoso removeth stones shall be hurt therewith; and he that cleaveth wood shall be endangered thereby. 10 If the iron be blunt, and he do not whet the edge, then must he put to more strength: but wisdom is profitable to direct. 11 Surely the serpent will bite without enchantment; and a babbler is no better. 12 The words of a wise man's mouth are gracious; but the lips of a fool will swallow up himself. 13 The beginning of the words of his mouth is foolishness: and the end of his talk is mischievous madness. 14 A fool also is full of words: a man cannot tell what shall be; and what shall be after him, who can tell him? 15 The labour of the foolish wearieth every one of them, because he knoweth not how to go to the city. 16 Woe to thee, O land, when thy king is a child, and thy princes eat in the morning! 17 Blessed art thou, O land, when thy king is the son of nobles, and thy princes eat in due season, for strength, and not for drunkenness! 18 By much slothfulness the building decayeth; and through idleness of the hands the house droppeth through. 19 A feast is made for laughter, and wine maketh merry: but money answereth all things. 20 Curse not the king, no not in thy thought; and curse not the rich in thy bedchamber: a bird of the air shall carry the voice, and that which hath wings shall tell the matter.

Ecclesiastes 11:1 Cast thy bread upon the waters: for thou shalt find it after many days. 2 Give a portion to seven, and also to eight; for thou knowest not what evil shall be upon the earth. 3 If the clouds be full of rain, they empty themselves upon the earth: and if the tree fall toward the south, or toward the north, in the place where the tree falleth, there it shall be. 4 He that observeth the wind shall not sow; and he that regardeth the clouds shall not reap. 5 As thou knowest not what is the way of the spirit, nor how the bones do grow in the womb of her that is with child: even so thou knowest not the works of God who maketh all. 6 In the morning sow thy seed, and in the evening withhold not thine hand: for thou knowest not whether shall prosper, either this or that, or whether they both shall be alike good. 7 Truly the light is sweet, and a pleasant thing it is for the eyes to behold the sun: 8 But if a man live many years, and rejoice in them all; yet let him remember the days of darkness; for they shall be many. All that cometh is vanity. 9 Rejoice, O young man, in thy youth; and let thy heart cheer thee in the days of thy youth, and walk in the ways of thine heart, and in the sight of thine eyes: but know thou, that for all these things God will bring thee into judgment. 10 Therefore remove sorrow from thy heart, and put away evil from thy flesh: for childhood and youth are vanity.

Ecclesiastes 12:1 Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them; 2 While the sun, or the light, or the moon, or the stars, be not darkened, nor the clouds return after the rain: 3 In the day when the keepers of the house shall tremble, and the strong men shall bow themselves, and the grinders cease because they are few, and those that look out of the windows be darkened, 4 And the doors shall be shut in the streets, when the sound of the grinding is low, and he shall rise up at the voice of the bird, and all the daughters of music shall be brought low; 5 Also when they shall be afraid of that which is high, and fears shall be in the way, and the almond tree shall flourish, and the grasshopper shall be a burden, and desire shall fail: because man goeth to his long home, and the mourners go about the streets: 6 Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. 7 Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it. 8 Vanity of vanities, saith the preacher; all is vanity. 9 And moreover, because the preacher was wise, he still taught the people knowledge; yea, he gave good heed, and sought out, and set in order many proverbs. 10 The preacher sought to find out acceptable words: and that which was written was upright, even words of truth. 11 The words of the wise are as goads, and as nails fastened by the masters of assemblies, which are given from one shepherd. 12 And further, by these, my son, be admonished: of making many books there is no end; and much study is a weariness of the flesh. 13 Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. 14 For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil.

Domino congregarat, quia sic credendum est, ipse præsedit; quandoquidem probetur nec spiritu nec corpore defuisse. Adfuit palmæ, qui contentioni non defuit: iuuit animorum vota nostrorum, qui videret Symbolo primum inter Apostolos tradito derogari: non passus est nefandum caput gaudere solatijs, nec turbari diu siuit lutulento gurgite fontis illius perspicui puritatem. Ad nos reuersi sunt fratres, ad nos inquam, qui morbum communi studio persequentes, animarum curauimus sanitatem. Non se exuli vestro sanctus frater noster Ioannes addiderat; non eius est blasphema prædicatione deceptus. nam quantum rerum exitus docet, suspendit suam sententiam, non negauit. Nam quid in inuentorem malorum posset aliud iudicare, nisi quod probatur ipse per sacerdotes suos, cuius agebatur causa, sentire? Statuerat hoc nimirum de nostrorum desertore castrorũ, quod à ducibus Fidei [f] suaderet perfidia iudicari. Numquam se à nostro numero separasset, in quẽ potuit & reuerti. Exulta frater charissime, & ad nos recollectis fratribus victor exulta. Quærebat Ecclesia quos recepit. Nam si neminem perire volumus de pusillis, quanto magis gaudendum nobis est sanitate rectorum? Legimus vna ouis quantum gaudij reportata præstiterit: & idcirco intelligendum est quid laudis habeat tantos reuocasse pastores. Greges aspiciuntur in singulis; nec vnius hic causa tractatur, quotiens agitur de sanitate [f] multorum. Lætamur hic nihil egisse nos præcoquum, quando fructu nostræ sententiæ gratulamur. Sustinuimus fratres, certi eos non spinas, sed vuas esse [f] facturos. In euidenti est nostrorum vindemia gaudiorum, quæ sanctam Synodum largitate gratulationis impleuit. Vineam suam custos ille curauit, quem ad custodiendam domum Israël nec dormitare, nec obdormire Dauid propheta testatur: infœcundum illud Christo nostro, nec afferens fructum, suscepit flamma sarmentum. Sed vt hoc videmus conuenire damnato, ita de reuersis ad nos fratribus conuenit dicere, quia non potuit à diabolo eradicari plantatio, quam plantauerat Pater. Illum ergo sibi ignis æternus, hos possessoris æterni vinea vindicauit, in tantum vt Antiochenæ ecclesiæ sacerdotem vocari à sanctitate tua iam nunc venerabilem virum & domnum gaudeamus. Et merito vocatur domnus, qui communem Dominum recognouit, qui incarnationis eius mysterium voce catholica nobiscum confitetur. Bene nobis breuiter tua fraternitas quæ sunt super eodem negotio gesta narrauit: sed mirati non sumus, quòd à dissentientibus in te compositam legimus [f] dejectionis iniuriam. Nouimus frequenter patere calumnijs veritatem, nec tamen vmquam posse falsitate superari. votiuæ sunt semper molestiæ Fidem prædicanti. his namque cum beatitudine copiosa merces paratur in cælo, quibus propter iustitiam, maledictiones, persecutiones, & omne malum præcipitur sustinere. Passus es falsitatem, vt victricem faceres veritatem: & ideo nunc insultandum est falsitati, quia nullus perire potuit veritati. Expectamus igitur memorati fratris nostri Ioannis clericos, & optamus venire. scimus ei & pro honore & pro labore tuo dare responsum. Non est, sicut fratri & coëpiscopo nostro Maximiano sæpe iam scripsimus, etiam ipse redeuntibus difficilis aperire ianuam: vt vere, nisi perditionis filius, nemo sit perditus; sitq. ei maior causa lugendi, quòd meruit solus excludi. Hæc ad veneration[em] tuam fraternitas mecum sancta scribit, probans tuos in omnibus & confirmans labores; qui tamen graues aut amari esse non potuerunt, quia huic impensi sunt, cuius onus leue, & iugum suaue portamus. XYSTVS EPISCOPVS, IOANNI *Episcopo Antiocheno.*

Reformatur qui Beati Ioannis, qui habetur 7. 43. XLII.

SI Ecclesiastici corporis gloriam, si eius integritatem dilectio tua considerare dignetur; profecto lætitiæ nostræ non quæret interpretem. Ipsæ namque res euidentissime loquuntur, mærorem nostrum repentino sancti fratris nostri Cyrilli sermone in gaudium esse conuersum. Tantam hanc ergo sollicitudinem nostram nos euasisse delectat, postquam reo nostræ Fidei tua fuit [f] sanctitas plenitudo. Nunc vere se exulem, nunc se sentit eiectum. Abundant ei in deserto spinæ, quia deest vua quam colligat. Hos habet fructus, qui erga vineam Domini [f] nostri noluit exercere culturam. Credo ad dilectionem tuam rerum cursus & ordo peruenerit, qualiter ei voluimus nostra admonitione succurrere. Retinuimus in præceps euntem, qui erat blasphemiarum pondere in profunda mergendus. Si negotij qualitatem iusta lance pensemus, nulli non videbitur Nestorius sero [f] damnatus. Hic fuerit debitus sermo præteritus. Fruamur nunc præsentibus bonis, nec diu hæreamus in tristibus, quibus Dominus gaudere cõcessit. Audiuit vniuersa fraternitas, quæ ad natalis mei connenerat diem, qualiter bono humani generis, Apostolicæ Sedis me præside, *. . . excedant licet meritum meum, & extra me hæc esse cognoscam: exordium tamen tui sermonis gratus accipio, quia non est tibi controuersia perferenda, qui Christum Dominum nostrum bono humani generis, ita vt natus est, confiteris: subsequenter Ecclesiæ addis luciferum, & vbique lucentem: sed & nunc vos, immo omnes qui lucis illius signũ fronte gestamus, luciferos confitemur. Sint ergo omnes Fidem prędicantes Domini sacerdotes luciferi, & vbique lucentes: sit & Nestorius ille lucifer, de quo scriptum est: Cecidit lucifer, qui mane oriebatur. cecidit, sed superbiens cecidit, sed elisus, cum ascendere disponit in cælum, & ponere super cæli sidera sedem suam, & promittit Altissimo similem se futurum. Ille ad similitudinem se aptabat Altissimi: iste in suam similitudinem vocabat Altissimum. hominem namque natum eum tantummodo prædicabat, auferens incarnationis mysterium, & illud euacuans, immo illud impugnans, quo secundum Symbolum

Hæc enim res vitam ſine termino ac beatam conciliat, neque irremuneratum erit ijs in rebus impenſum ſtudium. nime adulterata Fide ediderunt ad coarguendas & subuertendas vniuersas hæreses, impiasq. blasphemias, & ad eos solidandos atque confirmandos, qui in Fide recte incedunt, & quibus fulgidus ortus est lucifer, diesque, vt Scripturæ dicunt, illuxit, sanctiq. baptismatis gratia veritatis lumen immittit. 2. Petr. 1. d. 19.

Quoniam autem vestra pietas scripsit, quòd nonnulli quæ in Symbolo continentur eò detorquent quò non oportet, verborum Symboli vim vel non intelligentes recte, vel etiam ex eo quòd quorumdam scriptis dediti sunt, in sensum reprobum delati, itaq. opus esse vt ego quoque de his ipsis rebus vobis disseram, & expositionis vim perspicue interpreter; censui, ea quæ nunc animo occurrunt, cursim dicenda. Sequentes autem in omnibus sanctorum Patrum confessionem & sententiam, recte & animo nusquam inclinato quæ ab illis dicta sunt examinabimus. Iam enim & sancta Synodus, illa inquã in Epheso iuxta voluntatem Dei congregata, cum aduersus Nestorij peruersam opinionem sententiam tulit & sanctã & accuratam, simul quoque pari sententia & pœna condemnauit aliorum vocum nouitates, quotquot vel post illum forent, vel ante illum fuerunt, qui eadem cum illo saperent, dicereq. vel scribere auderent. Etenim consentaneum erat, condemnato semel ob tam profanas vocũ nouitates viro, vt non vnus dumtaxat feriretur, sed, vt sic dicam, vniuersa illorum hæresis atque calumnia, quam contra pia Ecclesiæ dogmata fingunt, dum prædicant duos filios, & impartibilem diuidunt, cælumq. ac terram hominis colendi crimine denotant. Vnum enim Dominum Iesvm Christum & superiorum spirituum sancta multitudo nobiscum adorat. Ne autem à quibusdam ignoretur vis Symboli, quod in omnibus Ecclesijs Dei auctoritatem obtinet & prædicatum est, sanctorum Patrum sententias, hoc est, expositiones in commentarios illic factos retuli; vt scirent hi qui eas legunt, quomodo sanctorum Patrum expositionem, hoc est, sincerum rectæ Fidei Symbolum intelligi conueniat. Opinor autem & vestram charitatem in eum libellũ incidisse, quem de his rebus conscripsimus. Ipso nunc quoque, vt dixi, ad verbum proposito Symbolo, illico Dei ope ad singula quæ in eo traduntur, perspicue interpretanda conuertar. Scio enim beatissimum Petrum scripsisse: Parati semper ad satisfactionem omni poscenti vos rationem de ea, quæ in vobis est, spe. 1. Petr. 3. 6. 15.

Credimus in vnum Deum, Patrem omnipotentem, omnium visibilium & inuisibilium factorem. Et in vnum Dominum Iesvm Christum, Filium Dei natum ex Patre vnigenitum, hoc est, ex eius substantia; Deum de Deo, lumen de lumine, Deum verum de Deo vero; genitum, non factum, consubstantialem Patri; per quem omnia facta sunt & quæ in cælo & quæ in terra. Qui propter nos homines & propter nostram salutem Symbolum Nicænum.

lutem descendit, & incarnatus est, & homo factus, passus est: & resurrexit tertia die, & ascendit in cælos; & venturus est iudicare viuos & mortuos. Et in Spiritum sanctum. Eos autem qui dicunt: Erat aliquando, quando non erat; &, antequam nasceretur non erat; & quòd factus est ex non existentibus, aut ex alia substantia vel essentia; aut qui Filium Dei mutabilem vel conuertibilem esse dicunt; hos anathematizat catholica & Apostolica Ecclesia.

Credere se dixerunt in vnum Deum, vt fuditus quodammodo ipsorum Gentilium opiniones euerterent: qui cum se dicerent esse sapientes, stulti facti sunt: & mutauerunt gloriam incorruptibilis Dei, in similitudinẽ imaginis corruptibilis hominis, & volatilium, & quadrupedum, & reptilium. Coluerunt autem & creaturam potius quàm creatorem, elementisq. mundi huius seruierunt, multos & innumerabiles esse deos existimantes. Igitur ad subuertendum errorem, qui multos deos tradit, vnum Deum nominant, vt sacris litteris omnino consentiant, & veritatis speciem vniuersis qui in toto mundo sunt, indicent. Hoc ipsum & sapientissimus Moyses fecit, cum apertissime dixit: Audi Israël, Dominus Deus tuus, Dominus vnus est. Et idem ipse profecto omnium natiuitatis auctor ac dominus inquit: Non erunt tibi dij alij præter me. Præterea & per vocem sanctorum Prophetarum: Ego Dominus primus, & ego post hac; & non est extra me. Optime igitur celeberrimi Patres, cum Fidei fundamentum hoc ipsum iacerent, nempe sentiendum & asserendum esse quòd vnus & solus sit natura vereq. Deus, dixerunt credere se in vnum Deũ. Eumdem & agnominauerunt Patrem omnipotentem, vt cum Patre simul etiam Filij significatio inferretur, per quem est Pater, simul subsistentis, & semper coëxistentis. Neque enim in tempore factus est Pater, sed quod est, semper fuit, hoc est Pater, vltra omne existens quod factum est, & summa celsitudine sublimis. Nam esse omnium potentem ac dominum, illustrem adeo & incomparabilem ei dat gloriam. Ab ipso autem condita esse dicunt omnia quæ in cælis & quæ in terris, vt hinc quoque nullam ei cum aliqua creatura naturæ cognationem esse cognoscatur. Incomparabile enim discrimen est factoris & facturæ, ingeniti & geniti, naturæq. sub iugo ac seruitute positæ, & illius quę dominij dignitate decoratur, & diuinã, omniq: mundo excelsiorem gloriam sortita est.

Porro cum Filij mentionem fecissent, ne viderentur nomen commune ipsi attribuere, quod forte & nobis quoque accõmodari posset, (vocati enim sumus & nos filij) prudentissime adijciunt ea, per quæ videre licet dignitatem naturalis gloriæ, quæ in ipso est, supra omnem creaturam. Genitum enim, & non factum esse dicunt. in eo quòd non est factus, intelligentes, eum secundum essentiam in creaturarum ordine minime censeri, sed extitisse illum affirmantes ex ipsa Dei & Patris essentia, sine tempore, & incomprehensibiliter.

biliter. Erat enim Verbum in principio. Posteà vero, vt sincerum esse partum significanter exprimerent, (dicatur enim id quoque, quia sic oportet, humano more) ipsum Filium, Deum dixerunt de Deo natum. Vbi enim omnino vera natiuitas, illic omnino sequitur vt intelligendum & dicendum sit, id ipsum quod genitum est, ab eius, qui genuit, substantia non esse alienum, sed eius proprium, quia & ex ipsa est, iuxta rationem ipsi conuenientem atque congruentem. Incorporeum enim non vt corpus nascetur, sed magis sicut lumen ex lumine; vt in coruscante lumine inde respiendens lumen intelligatur, & ex illo esse secundum ineffabilem & indicibilem processionem, & in ipso secundum vnionem & identitatem naturalem. Sic enim esse dicimus in Patre quidem Filium, in Filio autem Patrem. Nam Filius in propria natura & gloria Patrem suum describit. Proinde aperte dicit ad vnum sanctorum discipulorum; Philippus is erat: Non credis quòd ego in Patre, & Pater in me est? Qui vidit me, vidit & Patrem. Ego & Pater vnum sumus. Igitur consubstantialis est Filius Patri. Proinde hac ratione Deus verus ex Deo vero natus esse creditur. Et generationis quidem nomen etiam in creaturis positum inueniemus, iuxta id quod de his qui erāt ex sanguine Israël, à Deo dictum est: Filios genui & exaltaui. Sed appellationem hanc gratiæ loco creatura consequitur ac lucratur. At de naturali Filio nihil tale per abusionem dictum est, sed omnia vere; & propter hoc solus ex omnibus dicit: Ego sum veritas. Quapropter siue generationem, siue filiationem de ipso quis dicat, nequaquā mentietur. ipse enim est veritas. Itaque muniunt animas nostras celeberrimi illi sacri Doctores, Patrem & Filiū vbique ac generationem nominantes, & Deum verum ex Deo vero, lumenq. ex lumine effulsisse dicentes, vt illa generatio & incorporea sit, & simplex, & notionem ex ipso procedentis, & in ipso manentis habeat, & vterque existere in propria persona intelligatur. Pater enim est Pater, & non Filius; & Filius est ille natus, & non Pater; & in identitate naturæ proprium est vtriusque id esse quod est.

Ceterum cum omnium tam visibilium quàm inuisibilium Patrem esse factorem pronuntiassent, per Filium omnia facta esse dicunt; non vt minorem gloriam, quasi sortem quamdam ipsi conuenientem tribuerent; minime quidem: vbi enim omnino minus, vel etiam maius in identitate substantiæ videri potest? sed quòd Deo & Patri natura sit insitum, non alio modo aliquid operari & vocare vt sit, quàm per Filium in Spiritu, tamquā per virtutem ac sapientiam suam. Scriptum est enim: Verbo Domini cæli firmati sunt, & spiritu oris eius omnis virtus eorum. Ad hæc sapientissimus Ioannes cum dixisset: In principio erat Verbum, & Verbum erat apud Deum, & Deus erat Verbum; adiecit necessario: Omnia per ipsum facta sunt, & sine ipso factum est nihil.

Igitur postquam demonstrarunt consubstantia-

tialem, eiuſdemq. gloriæ & eiuſdem in operando efficaciæ cum Patre Filium; opportune commemorant ipſum hominem factum, & illius cum carne diſpenſationis ſacramentum declarant, rectiſſime ſtatuentes, hanc fore abſolutiſſimam Fidei traditionem. Non enim in ipſum credentibus ſatis eſt ſolum, id perſuaſum habere ac ſentire, quòd Deus de Deo Patre ſit natus, & illi conſubſtantialis, & character ſubſtantiæ eius ſit: ſed etiam neceſſarium eſt ad hæc ſcire, quòd propter ſalutem ac vitam omnium demiſerit ſe ad exinanitionem, ſumpta ſerui forma, & proceſſerit homo natus ſecundum carnem ex muliere. propter hoc dicunt: Qui propter nos homines & propter noſtram ſalutem deſcendit, incarnatus, & homo factus eſt. Vide quàm debita diſpoſitione, & quàm conuenienti ordine ſermo illorum progreditur. Deſcendiſſe enim dixerunt, vt per hoc ſuper omnia Dominum intelligamus eſſe & natura & gloria; eumdemq. rurſus propter nos homines deſcendiſſe, vt volens inquam noſtram ſimilitudinem ſubiret, & cum carne mundo affulgeret. Scriptum eſt enim in libro Pſalmorum: Deus manifeſte veniet, Deus noſter, & non ſilebit. Intelligi autem poterit deſcenſus, ſi quis vóluerit, etiam alio modo, nempe ex cælo & ſuperne, vel etiam ab ipſo Patre. Solet enim ſancta ſcriptura etiam illa quæ intelligentiam ſuperant, verbis quæ nobis congruunt, ſignificare. vnde cum ſanctos diſcipulos ſuos alloqueretur dixit: Exiui à Patre, & veni in mundum: iterum relinquo mundum, & vado ad Patrem. Et iterum: Vos de deorſum eſtis, ego de ſupernis ſum. Adhæc præterea: Ego à Patre exiui, & veni. Scribit etiam ſanctus Ioannes: Qui deſurſum venit, ſupra omnes eſt. Nam cum in ſumma celſitudine eſſet, & cum Patre ſuo ſecundum ſubſtantiam ſuper omnia, vtpote identitate vnius cum ipſo naturæ clarus; non rapinam arbitratus eſt ſe eſſe æqualem Deo, ſed ſeipſum exinaniuit, formam ſerui accipiens, in ſimilitudinem hominum factus, & habitu inuentus vt homo, humiliauit ſeipſum. Enimuero quoniam Verbum, quod Deus erat, quamuis noſtram carnem induiſſet, manſit tamen ſic quoque Deus; propterea ſacratiſſimus Paulus Deum in ſimilitudinem hominum factum eſſe dicit, & habitu inuentum vt hominem. Erat enim, vt dixi, Deus in noſtra ſpecie: non quia, ſicut hæreticis quibuſdam ſentire placuit, inanimatam carnem ſumpſit, ſed anima intelligente præditam. Ipſum igitur ex ſubſtantia Patris progreſſum Verbum & Filium vnigenitum, illum Deum verum de Deo vero, lumen de lumine, ipſum per quem omnia facta ſunt, deſcendiſſe dixerunt Patres, incarnatumq. eſſe & hominem factum, hoc eſt, ſubijſſe generationem ſecundum carnem ex muliere, & proceſſiſſe in ſpecie ſimili nobis. hoc enim eſt hominem eſſe factum.

Vnus eſt igitur Dominus IESVS Chriſtus, ipſum vnigenitum Dei Patris Verbum, homo factum;

A dum; non relinquens autem esse quod erat, mansit enim etiam in humanitate Deus, & in serui forma Dominus, & in exinanitione nostra plenitudinem habens diuinitatis, & in infirmitate carnis virtutum Dominus, & in mensuris humanitatis proprium habens, quod super omnem est creaturam. Etenim quæ is ante carnem erat, inamissibiliter habet, vt quod Deus erat, & Filius verus & vnigenitus, & lux, & vita, & virtus. Quæ vero non erat, ea propter dispensationem assumpsisse cernitur. Nam quæ carnis erant, sibi propria fecit. Non enim caro ipsi ineffabiliter & inenarrabiliter vnita, alterius cuiusB piam erat, sed ipsius eiusdem. Ita & sapiens Ioannes: Verbum, inquit, caro factum est. Factum *Ioan. 1. b.* autem est caro, non quòd secundum transitionē, vel conuersionem, vel commutationem, in carnis naturam transmutatum sit, neque quòd commixtionem, aut concretionem, aut illam quorumdam sermone decantatam consubstantiationem subierit, (id enim est impossibile, quoniam secundum naturam incommutabiliter & inconuertibiliter se habet) sed quòd ex virgineo & illibato corpore, carnem anima intelligente animatam assumpserit, & suam fecerit. Ceterum mos est Scripturæ diuinitus inspiratæ, à sola carne aliquando totum hominem significare:C Effundam enim, inquit, de Spiritu meo super om- *Ioel. 2. d.* nem carnem. Neque enim promisit Deus carni- *28.* bus anima intelligente non animatis se gratiam Spiritus immissurum, sed hominibus ex corpore & anima constitutis. Itaque Verbum non refugit esse quod erat cum factum est homo; sed in specie simili nobis apparens mansit Verbum. Neque prius homo intelligitur Christus, deinde sic progressus, ita vt esset Deus: sed Deus existens Verbum factum est homo, vt in eodem Deus simul & homo intelligatur idem. Qui autem ipsum in duos diuidunt filios, & audent dicere,D quòd ex semine Abraæ hominem sibi ipsi coniunxerit Deus, & communicarit illi dignitatem & honorem, ac filiationis excellentiam, & præparârit illum vt ferret crucem, moreretur & reuiuisceret, ac in cælum ascenderet, & ad dexteram sederet Patris, vt ab omni creatura adoretur, & honorem relatione ad Deum habita sortiatur; primum quidem duos filios prædicant, deinde sacramenti vim imperite retorquent. Non enim ex homine Deus factus est Christus, vt dixi; sed Deus existens Verbum factum est caro, hoc est homo. Exinanitus vero esse dicitur, eo quòd ante exinanitionem plenitudinem habuit E in propria natura, quatenus intelligitur Deus. Non enim ex eo quòd inanis esset, ad plenitudinem peruenit; sed magis ex diuina celsitudine & ineffabili gloria humiliauit semetipsum; non, humilis homo existens, gloria accepta exaltatus est. Serui præterea formam sumpsit, vt liber; non, cum seruus esset, ad libertatis gloriam ascendit. In similitudinem hominum factus est, qui in forma & æqualitate Patris erat; non, homo existens, secundum participationem consecutus est vt fieret in similitudinem Dei.

Quid igitur retorquent dispensationis sermones,

nes,

nes,& veritatem adulterant,contra omnes diuinitus inſpiratas ſcripturas inſurgentes,quę Deũ eſſe ſciunt etiã hominem factum Filium,vnumq. ipſum vbique nominant? Vnde & in libro creationis mundi ſcripſit Moyſes, quòd traiecit quidem diuinus Iacob trans torrentem Iaboc pueros ſuos,& manſit ſolus,luctatusq. eſt homo cum eo vſque mane. & vocauit Iacob nomen loci eius,Species Dei. Vidi enim,inquit,Deum facie ad faciem,& ſaluata eſt anima mea. Ortus eſt autem ei ſol quando tranſijt Species Dei:Iacob vero claudicabat femore ſuo. Nam Patriarchæ Deus portendebat, quòd homo futurus eſſet aliquando vnigenitum eius Verbum, & quòd obluctantem habiturus eſſet Iſraëlem, & quòd circa illum non eſſent recte inceſſuri, ſed claudicaturi quodammodo,ſicut ipſe inquit per pſallentis lyram: Filij alieni mentiti ſunt mihi, filij alieni inueterati ſunt, & claudicauerunt à ſemitis ſuis. Hoc enim opinor ſignificare, quòd Iacob femore ſuo claudicarit. Verumtamen illud conſidera,quòd cum homo luctatus ſit cum eo,vidiſſe ſe dicit Deum facie ad faciem, ipſumq. Speciem Dei vocat. Manſit enim Verbum Dei,etiam homo factum, in forma Patris, ſecundum ſpiritalem inquam imaginem, & ſecundum naturam omni ex parte incommutabilem. Proinde dicebat ad Philippum,characterem ſubſtantię Patris ſeipſum oſtendens etiam cum carne: Qui vidit me,vidit & Patrem. Quum autem quemdam cæcum à natiuitate,quem curauerat, inueniſſet in templo: Tu credis, inquit, in Filium Dei? Illo autem ad hoc dicente: Quis eſt Domine,vt credam in eum? Reſpondit dicens: Et vidiſti eum, & qui loquitur tecum, ille eſt. Vidit autem ipſum cæcus non nudum,vel ſine carne, ſed in ſpecie ſimili nobis; & credidit in eum quem vidit, non tamquam in filium cum altero filio coniunctum, ſed tamquam in vnum, qui natura & vere eſt,qui tamen non abſque carne ijs qui erant in terra adfulſiſſet.

σιόν Παῦλος· καταμάθετε τὸν ἀπόστολον, καὶ ἀρχιερέα τῆς ὁμολογίας ἡμῶν, Ἰησοῦν, πιστὸν ὄντα τῷ ποιήσαντι αὐτόν· τὸ γὰρ τοι τῆς ἱερωσύνης ἀξίωμα τοῖς τῆς ἀνθρωπότητος μέτροις οὐκ ἀπρεπῶς νοοῖτ' ἂν εἰκότως, καὶ μᾶλλον μὲν, ἢ κατὰ τὸν τοῦ θεοῦ λόγου φύσιν τε, καὶ δόξαν, οὐκ ἀνάρμοστον δὲ τῇ μετὰ σαρκὸς οἰκονομίᾳ. γεγένηται γὰρ αὐτοῦ τὰ ἀνθρώπινα. δότε τοίνυν, φησὶ, τῷ Λευὶ, τυπικῶς, τῷ ἱερεῖ, τουτέστι δηλωτῆρι, καὶ τῷ ἀληθεῖ. τοῦτο γὰρ ἔφη Λευὶ, ἤγουν ἱερεῖ, διεσάφησεν ἀπὼν· τῷ ἀνδρὶ τῷ ὁσίῳ· ὃ γὰρ ἐποίησεν ἁμαρτίαν ὁ κύριος ἡμῶν Ἰησοῦς Χριστός. γράφει καὶ ὁ Παῦλος περὶ αὐτοῦ· τοιοῦτος ἡμῖν ἔπρεπεν ἀρχιερεύς, ὅσιος, ἄκακος, ἀμίαντος, κεχωρισμένος ἀπὸ τῶν ἁμαρτωλῶν, καὶ ὑψηλότερος τῶν οὐρανῶν γιόμενος. πρότερον ἐξεπείρασαν αὐτὸν ἐν πειρασμῷ· ἐλοιδόρησαν αὐτὸν ἐφ' ὕδατος ἀντιλογίας. ἃ καὶ δεδόξακε πεπράγμασιν. ἄνθρωπον λέγων αὐτὸν, θεὸν ἀπέφηνεν ἄντικρυς· ὃν δὴ περιέχωσί τινες καὶ ἐξεπείρασαν ὁ Ἰσραὴλ, ὃν τις τῇ ἐρήμῳ, καὶ εἶδε τὰ ὕδατος ἀντιλογίας. καὶ πιστώσασθαι λέγων ὁ ψαλμῳδός· ἐλίρριξεν ἐν ἐρήμῳ πέτρας· καὶ ἐπότισεν αὐτοὺς, ὡς ἐν ἀβύσσῳ πολλῇ· καὶ ἐξήγαγεν ὕδωρ ἐκ πέτρας, καὶ κατήγαγεν ὡς ποταμοὺς ὕδατα. καὶ τί μὴ τοῦτο; ἢ ἐξεπείρασαν, φησὶν, αὐτὸν ἐν τῇ καρδίᾳ αὐτῶν· καὶ κατελάλησαν τοῦ θεοῦ· καὶ εἶπαν· μὴ δυνήσεται ὁ θεὸς, ἑτοιμάσαι τράπεζαν ἐν ἐρήμῳ, ὅτι ἐπάταξε πέτραν, καὶ ἐρύησαν ὕδατα, καὶ χείμαρροι κατακλύσθησαν; μὴ καὶ ἄρτον δυνήσεται δοῦναι, ἢ ἑτοιμάσαι τράπεζαν τῷ λαῷ αὐτοῦ; οὐκοῦν, ὅπως ἀλληλοιδόρηται ἡμῖν μαρτυρεῖ τῷ θεῷ· ὃν δὴ ἄνδρα φησὶν ὁ Μωϋσῆς· οὐκοῦν καὶ ὁ θεσπέσιος Παῦλος, γράφει· ἔπρεπεν γὰρ ἐκ πολυμανίας ἀκολουθούσης πέτρας· ἡ δὲ πέτρα ἦν ὁ Χριστός. ὁπόσῳ οὖν ὁ λοιδορηθεὶς αὐτὸς, αὐτὸς ἦν ἐκεῖνος, ὃς οὔπω σαρκωμένος, ἐπεφάνη τοῖς ἐξ Ισραήλ. ὅτι γὰρ ἄλλος ἦν υἱὸς ὁ τοῦ σαρκὸς, ἄλλος δὲ πρὸ αὐτοῦ ὁ ἐκ σπέρματος τοῦ Δαυὶδ, καθὰ φαύλη πλημμοῦσί τινες, ἀλλ' εἷς τε, καὶ ὁ αὐτὸς, πρὸ μὲν τῆς σαρκώσεως γυμνὸς ἦν λόγος, μετὰ δὲ γε τὴν ἀπόρρητον τοῦ ἐκ τῆς ἁγίας παρθένου σεσαρκωμένου, καὶ ἐνανθρωπήσεως, καθὰ γεγράφασιν οἱ ἅγιοι, καὶ θεσπέσιοι πατέρες, σημεῖόν πού τι ἴδιον πεπληροφόρηκεν ὁ Μωϋσῆς. ὥσπερ γὰρ ἑρμήνευτὶ τινος, καὶ ἀναμαθεῖν ἐθέλοντες, τοῦτο γέγονεν αὐτοῦ ὁ λόγος αὐτῷ· ὃν δὴ καὶ ἐκπιπτόντα, καὶ λελοιδορημένον φησὶ πρὸς τῶν ἐξ Ισραὴλ, μονονουχὶ καὶ χεῖρα προτείνων, καταδείκνυσι τὸν Ἰησοῦν· καί φησιν· ὁ λέγων τῷ πατρὶ, καὶ τῇ μητρί· οὐχ ἑώρακά σε· καὶ τοὺς ἀδελφοὺς αὐτοῦ οὐκ ἐπίσταμαι. μεμνήμεθα γὰρ μητροφόνους εἶναι τῶν ἁγίων εὐαγγελιστῶν, ὡς διδάσκοντός που τοῦ Χριστοῦ, καὶ μυσταγωγοῦντός τινας, ἐπίστασαι ἡ μήτηρ αὐτοῦ, καὶ οἱ ἀδελφοὶ, εἶτα προσδραμόντος τινὸς τῶν μαθητῶν, καὶ λέγοντος· ἰδοὺ ἡ μήτηρ σου, καὶ οἱ ἀδελφοί σου ἑστήκασιν ἔξω, ἰδεῖν σε θέλοντες, ὑπολύσας τὸν χεῖρα αὐτοῦ ὅπὶ τοὺς μαθητὰς, εἶπε· μήτηρ μου, καὶ ἀδελφοί μου οὗτοί εἰσιν, οἱ ἀκούοντες τὸν λόγον τοῦ θεοῦ, καὶ ποιοῦντες. ὃς δὲ καὶ πάσῃ τὸ θέλημα τοῦ πατρός μου τοῦ ἐν τοῖς οὐρανοῖς, οὗτος ἀδελφός μου, καὶ ἀδελφὴ, καὶ μήτηρ ἐστί. ὅπερ, οἶμαί ἐστιν,

A scribat: Considerate Apostolum & Pontificem confessionis nostræ IESVM, qui fidelis est ei qui fecit ipsum? Itaque sacerdotij dignitas humanitatis mensuris conuenire recte intelligitur; & minor quidem quàm vt Dei Verbi naturæ ac gloriæ competat, non tamen illi cum carne dispensationi indecens. humana enim eius fuerũt. Igitur date, inquit, Leui, hoc est sacerdoti, manifestationem & veritatem. Quali autem dicit Leui, seu sacerdoti, declarauit dicens, Viro sancto. Non enim fecit peccatum Dominus noster IESVS Christus. Vnde Paulus de eo scribit: Talis decebat vt esset nobis Pontifex, sanctus, innocens, impollutus, segregatus à peccatoribus, & excelsior cælis factus. Illum tentauerunt in tentatione, iurgati sunt contra eum apud Aquas contradictionis. O rem admirabilem. Virum dicens eum, statim Deum declarauit, quem exacerbauit & tentauit Israël & in eremo, & ad Aquam contradictionis: eiusq. rei fidem faciet Psaltes, dicens: Dirupit petram in eremo, & potauit eos velut in abysso multa: & eduxit aquam de petra, & deduxit quasi flumina aquas. Et quid post hoc? Et tentauerunt, inquit, eum in corde suo, & male locuti sunt de Deo, & dixerunt: Numquid poterit Deus præparare mensam in deserto, quoniam percussit petram, & fluxerunt aquæ, & torrentes inundauerunt? Numquid & panem poterit dare, aut parare mensam populo suo? Intelligis igitur quomodo iurgati fuerint aduersus Deum miracula facientem, quem sane etiam virum dicit Moyses. Nam & diuinus Paulus sic intelligens scribit: Bibebant enim ex spiritali sequente petra: petra autem erat Christus. Vir igitur, contra quem iurgabantur, ipse erat ille, qui nondum incarnatus tentabatur ab Israëlitis. Non enim alium fuisse Filium ante carnem, alium vero ab ipso diuersum ex semine Dauid, sicut audent quidam dicere; sed vnum & eumdem, ante incarnationem quidem nudum adhuc Verbum, post partum autem ex sancta Virgine incarnatum & hominem factum, sicut scripserunt sancti illi ac diuini Patres, alio quoque signo comprobauit Moyses. Nam quasi interrogaret quispiam, & discere cuperet, de quo nam viro mentionem fecisset, quem sane & tentatum fuisse & obiurgatum ab Israëlitis diceret, tantum non intento digito IESVM demonstrat, & inquit: Qui dicit patri & matri, Non vidi te; & fratres suos non agnouit. Meminimus autem vnum sanctorum Euangelistarum scripsisse, quòd docente aliquando & quosdam erudiente Christo, adstiterunt mater eius & fratres; deinde accurrente quodam ex discipulis, & dicente: Ecce mater tua & fratres tui stant foris, volentes te videre; extensa manu sua in discipulos suos dixit: Mater mea & fratres mei hi sunt, qui verbum Dei audiunt & faciunt. Qui enim fecerit voluntatem Patris mei qui in cælis est, hic frater meus, & soror, & mater est. Hoc, opinor, est id, quod

Deut.33. b.9. quod Moyſes dixit: Qui dicit patri & matri, Non vidi te; & fratres ſuos non agnouit. Præterea ſapientiſſimus quoque Daniel in ſpecie noſtræ ſimili ſe vidiſſe dicit vnigenitum Dei Verbum. Vidiſſe enim ſe dixit antiquum dierum ſedentem ſuper thronum, & decies millies centena millia aſſiſtentium, & millia millium miniſtrantium. & quibuſdam interpoſitis hæc addit: Videbam ego in viſione noctis, & ecce cum nubibus cæli quaſi filius hominis veniens, & vſque ad antiquum dierum peruenit: & coram ipſo adductus eſt, & ei datus honor & regnum; & omnes tribus & linguæ ſeruient ei. Ecce iam iterum manifeſte & euidenter vidit Emmanuelem aſcendentem ad eum, qui in cælis eſt, Patrem & Deum. Nubes enim ſuſcepit eum, quem præterea non hominem ſimpliciter, ſed tamquam filium hominis dicit. Deus enim erat Verbum in noſtra ſimilitudine factum. In hunc modum etiam ſapientiſſimus Paulus intelligens, in ſimilitudine hominum ipſum factum eſſe dicit; inuentum autem vt hominem habitu, & in ſimilitudine carnis peccati viſum his qui erant ſuper terram. Si autem homo fuiſſet, ob copulationem cum Deo tamquam Deus honoratus, dixiſſet Propheta, quaſi Deum, vel quaſi filium Dei, eum qui cum nubibus venit, ſe vidiſſe: ſed hoc non dicit, illud vero potius dicit, Sicut filium hominis. Nouit ergo ipſum Filium Deum eſſe, & hominem factum, hoc eſt, in ſimilitudine hominum factum, iuxta Pauli vocem. Verumtamen, quamuis in carne apparuerit, vſque ad antiquum dierum peruenit, hoc eſt, ad æterni Patris aſcendit thronum. Et ipſi datus eſt honor & regnum; & omnes tribus & linguæ ſeruient ei. Id nimirum erat illud ab ipſo dictum: Pater, clarifica me claritate, quam habui antequam mundus eſſet, apud te. Quòd autem incarnatum Dei Verbum conſideat & æqualis gloriæ ſit cum Deo & Patre etiam cum carne, tamquam vnus exiſtens Filius etiam quando factum eſt homo, manifeſtat ſapientiſſimus Paulus, ſcribens: Talem habemus Pontificem, qui ſedet in dextera throni magnitudinis in excelſis. Præterea & ipſe Dominus noſter IESVS Chriſtus, interrogantibus ipſum Iudæis, num ipſe eſſet vere Chriſtus: Si dixero vobis, inquit, non credetis: & ſi interrogauero, non reſpondebitis. Amodo erit Filius hominis ſedens à dextris virtutis Dei. Igitur etiam incarnatum Filium in diuinitatis ſolio ſanctorum Prophetarum chorus contemplatus eſt. Videamus autem & noui Teſtamenti præcones, totius orbis doctores, quibus ipſe Chriſtus dicebat: Non vos eſtis qui loquimini, ſed ſpiritus Patris veſtri qui loquitur in vobis. Inueniemus igitur dicentem diuinum Baptiſtam: Poſt me venit vir, qui ante me factus eſt, quia prior me erat. Atqui quomodo qui poſt ipſum ibat, prior ipſo fuit? nam Chriſtum certe ſecundum tempus carnis Ioanne poſteriorem fuiſſe, quomodo non ſit omnibus manifeſtum? Quid igitur ad hæc dicere quiſquam pote-

poterit? Soluit nobis ipſe Saluator quod quæritur. Dicebat enim, Iudæos alloquens: Priuſquam Abraam fieret, ego ſum. Nam erat quidem & ante Abraam ſecundum diuinitatem: intelligitur autem poſt ipſum, ſecundum quod homo apparuit. Deinde Deo & Patre clamante manifeſte: Gloriam meam alteri non dabo: (Deus enim alius præter ipſum nullus eſt) dixit nobis Chriſtus: Cum venerit Filius hominis in gloria Patris ſui cum Angelis ſanctis. Præterea cum expectemus Filium hominis de cælis deſcenſurum, ſcribit iterum ſapientiſſimus Paulus: Apparuit enim gratia Dei ſalutaris omnibus hominibus, vt abnegantes impietatem & ſæcularia deſideria, ſobrie & iuſte & pie viuamus in hoc ſæculo, expectantes beatam ſpem & aduentum gloriæ magni Dei & ſaluatoris noſtri IESV Chriſti. Dixit etiam alibi, loquens de ijs qui è ſanguine ſunt Iſraël, quòd ipſorum ſint promiſſiones, & legiſlatio, & teſtamentum, & ex ipſis ſecundum carnem Chriſtus, qui eſt ſuper omnia Deus benedictus in ſæcula, Amen.

Igitur confeſſionis Patrum veſtigia ſequentes, & non deflectentes, ipſum dicimus Verbum ex Deo Patre natum vnigenitum Filium, incarnatum eſſe & hominem factum, paſſum, mortuũ, tertia die reſurrexiſſe ex mortuis. nam citra controuerſiam impaſſibile eſt, quantum ad ſuam naturam attinet, illud Verbum Dei; & nullus tam attonitus eſt, qui putare poſſit, naturam quæ eſt ſuper omnia, paſſionis eſſe capacem. Sed quia factus eſt homo, & carnem ex ſancta Virgine ſumptam, propriam fecit; propterea, vt diſpenſationis rationem ſequamur, in carne propria paſſum eſſe ex humanitate aſſerimus eum, qui extra omnem paſſionem eſt, vtpote Deus. Nam ſi Deus exiſtens factus eſt homo, & minime deſtitit eſſe Deus; ſi factus eſt creaturæ portio, & manſit tamen ſupra creaturam; ſi legiſlator exiſtens, vtpote Deus, factus eſt ſub lege, & erat adhuc legiſlator; ſi item cum Dominus eſſet ex diuinitate, ſerui formã induit, & inſeparabilem obtinet dominij dignitatem; ſi vnigenitus exiſtens, factus eſt primogenitus in multis fratribus, & eſt etiam vnigenitus; cur miramur, ſi carne paſſus ex humanitate, impaſſibilis etiam ſic intelligitur ex diuinitate? Itaque ſapientiſſimus Paulus Verbum, quod in forma & æqualitate Dei & Patris erat, idem ipſum ſubditum factum eſſe dicit, & vſque ad mortem, mortem autem crucis. In alia autem epiſtola ſua de eodem dicit: Qui eſt imago Dei inuiſibilis, primogenitus omnis creaturæ: quia in ipſo condita ſunt omnia, quæ in cælo & quæ in terra; & ipſe eſt ante omnia, & omnia in ipſo conſtant: & ipſum datum eſſe ait caput Eccleſiæ, factumq. eſſe primitias dormientium, & primogenitum ex mortuis. Atqui vita & viuificans eſt illud ex Deo Patre Verbum, vtpote ex vita natũ, ex eo nempe qui genuit eum. Quod ſi ita eſt, quomodo factum eſt primogenitus ex mortuis, & primitiæ dormientium? Nimirum

mirum quia posteaquam mortis susceptionem
Hebr.2.b.9. carnem propriam fecit, gratia Dei, sicut dicit sapientissimus Paulus, pro omnibus gustauit mortem per carnem, quæ mortem pati potuit, non ipsum amittens quominus esset vita. Itaque etiam si dicatur carne passum esse, non natura Deitatis suscipiet passionem, sed, vt iam dixi, propria carne, quæ passiones capit. Vnde & beatus Esaias, illum carne passum agnoscens Deum
Esai.53.b.7. esse humanatum, de illo dixit: Sicut ouis ad occisionem ductus est, & sicut agnus innocens coram tondente se, sine voce, sic non aperuit os suum. In humilitate ipsius iudicium eius sublatum est: & generationem eius quis enarrabit? quia tollitur de terra vita eius. Atqui si aliquis fuisset homo, & qui seorsim intelligeretur filius, sed coniunctus Deo, sicut dicunt impiorum dogmatum auctores; quomodo iam difficile inuenietur, qui generationem eius enarrare possit? Factus enim est ex semine Iessæ & Dauid. Dei autem Verbi generationem, siue generationis modum, quis dicere poterit? Tollitur enim à terra vita eius, hoc est existentia. Posuit enim pro existentia vitam. In sublime autem tollitur & superfertur, eminetq. omnibus qui sunt in terra. nam humanæ menti neque comprehensibilis est, neque prorsus accessibilis, illa ineffabilis naturæ ratio. Quin etiam illud iam dictis

Deut.30.b.14. Prope est verbum in ore tuo, & in corde tuo. Quòd si dixeris, Dominus Iesvs, & credideris in corde tuo quòd Deus ipsum excitauit ex
Rom.6.a.3 mortuis, saluus eris. Scribit etiam iterum: Nescitis quòd quicumque baptizati sumus in Christum Iesvm, in mortem eius baptizati sumus? Ecce iam manifeste tum dominationis, tum Fidei confessionem, ipsamq. sancti baptismatis gratiam in eum sapientissime restringit, qui passus est mortem, & resurrexit à mortuis. Num igitur in duos credimus filios? num Verbo, quod ex Deo Patre effulsit, prætermisso, ei qui passus est, tamquam alteri filio ab eo diuerso, dominationis gloriam, & ipsius quoque Fidei cõfessionem, & cæleste baptisma attribuemus? Atqui quomodo

modo non ſit ſtolidum, immo vero etiam indubitanter impium, ſic ſapere vel dicere? Quid igitur dicemus? Vnus Dominus vere, vnaq. Fides, & vnum Baptiſma. Etenim vnus eſt Filius & Dominus, non Verbum quod hominem ſecundum copulationem ſuſceperit, & participem illum ſuarum dignitatum effecerit, & filiationem ac dominationem illi communicauerit, ſicut dicunt & ſcripſerunt quidam delirantes; ſed ipſum ex Deo Verbum, illud lumen de lumine, incarnatum & homo factum. In huius mortem baptizati ſumus, qui paſſus quidem ipſe eſt ſecundum humanitatem in propria carne; manſit autem impaſſibilis ſecundum Deitatem, & viuit ſemper. Vita enim eſt ex vita, ex Deo nempe & Patre. Sic victa eſt mors, quæ in vitale corpus inſilire auſa eſt: ſic etiam in nobis corruptio deſtruitur, & infirmatur mortis ipſius imperium. Proinde dicebat Chriſtus: Amen, amen dico vobis, niſi manducaueritis carnem Filij hominis, & biberitis eius ſanguinem, non habebitis vitam in vobis ipſis. Viuifica igitur ſunt ſanctum corpus & ſanguis Chriſti. dogmata ausus est excitare. Verum Christo omnium nostrum Saluatore improbitatem illius violentumq. conatum irritum reddente, deprehensus vbique ac victus est. Plurimi itaque ante nos extiterunt, qui sanctos Patres nostros impugnarunt, bellumq. contra ineffabilem Christi gloriam effrænato ore mouerunt: sed deprehensi sunt temerarij & indocti, & vaniloqui magis, quàm aliquid eorum revera nosse, quibus ab ipsa veritate testimonium perhibetur quòd recta sint & integra, & ab omni calumnia longissime remota. Postea vero quàm præter eos ille omnis impietatis inuentor ac doctor, Nestorij vocum nouitates nobis excitauit; ecce iam per Dei gratiam, datamq. nobis ab illo intelligentiam, omnes vno ore illum apostataram anathematizamus, glorioſum Patrum nostrorum zelum imitati, viriliterq. contra inimicos crucis Christi nos gerentes, ac veram Fidem colentes, atque in Ecclesijs docentes, non assentiendum esse illius blasphemijs, duos dicentis Christos, & filios; vnum quidem naturalem & verum, nempe illud ex Deo Patre Verbum; alterum vero adoptione & gratia, illum videlicet ex semine Dauid: sed secundum sinceram irreprehensibilemq. Fidem, C quæ iam inde ab initio ad nos descendit, vnum dumtaxat Filium & Dominum IESVM Christum, ipsum nimirum incarnatum & hominem factum Dei Patris Verbum, iuxta sanctorum Patrum confessionem: ita vt vnus idemq. sit & dicatur qui diuinitus ex Deo Patre, vtpote Verbum illius, & ex eius substantia naturaliter procedit, & qui ex semine Dauid secundum carnem, hoc est, ex sancta & Dei genitrice virgine Maria ortus est. Non enim alium atque alium, vt dixi, tradiderunt nobis qui ab initio ipsi viderunt, ac *Luc. 1.a.* ministri fuerunt sermonis: sed vnum & eumdem Deum simul & hominem, vnigenitum ac primogenitum; vt illud quidem habeat vt Deus, istud D vero vt homo. Factus est enim inter multos fra- *Rom. 8.d.* tres, ad nostram similitudinem sese demittens, non alium hominem, vt quibusdam visum est, sibi adiungens, sed idem ipse revera factus homo, & id quod erat, esse non desinens. Nam cum ex natura Deus & impatibilis esset, ideo in propria carne voluntarie passus est. Neque enim alterius cuiuspiam corpus pro nobis dedit; sed ipsum vnigenitum Dei Verbum homo factum, vt immaculatam victimam se Deo & Patri obtulit. Proinde æquum fuit hilariter his de causis festum diem agere, eiecta iam simul cum peruersa Nestorij opinione, omni alia à quocumque emissa voce, quæ cum illius mendacijs conueniret. Procedit enim aduersus omnes, qui pariter cum illo sentiunt, vel etiam aliquando senserunt, quod & nos & sanctitas vestra absolute diximus, anathematizare nos eos, qui duos filios vel duos Christos dicunt. Vnus enim, sicut dixi, cùm à nobis, tum etiam à vobis prædicatur Christus & Filius & Dominus, illud vnigenitum Dei Verbum in similitudine hominum factum, & habitu, secun- *Philip. 2.b* dum sapientissimi Pauli vocem, vt homo inuentum.

tum. Quòd autem Christi carnem anima intelligente animatam esse dicamus, id sæpenumero iam ante demonstratum est. Et in epistola ad Armenios, cum sermonem veritatis recte tractaret, diserte prædicauit sanctissimus & religiosissimus frater noster & coëpiscopus Proclus, vir pius, & ad certamen aduersus eos, qui quæ recta sunt peruertunt, exercitatus, & ex veritatis assertione victoriam reportare assuetus. Infames autem opiniones, Diodori inquam, ac Theodori, & aliorum quorumdam, quos non laudare satius erat, ne quid grauius dicam, propterea quod plenis quodammodo velis aduersus Christi gloriam ferantur, nemo, obsecro, sanctis orthodoxisq. Patribus nostris, Athanasio inquam, Basilio, Gregorio, Theophilo, & reliquis tribuat, ne quo pacto res hæc nonnullis scandali fiat occasio, existimantibus revera ita sensisse ac docuisse viros totius rectæ Fidei custodes, quiq. contra peruersas opiniones non modo Nestorij, sed etiã aliorum, qui idem quod Nestorius ante ipsum sensérant, & litteris mandarant, oppositos libros reliquerunt. Optamus autem vt omnes res suas agant, neque turbas Ecclesijs excitent, iam per Christi gratiam, & doctorum vbique terrarum vigilantiam sedatas; neque vel sibi ipsis, vel alijs negotia denuo facessant. Ceterum qui cum Nestorio aliquando senserunt, nunc vero ex animo resipiscentes, à nugis illius discedunt, mutataq. voluntate rectam integramq. Fidem complecti proponunt; eos placide suscipere oportet, nec cuiquam illorum, præteritorum culpa conuicium facere; ne qua ratione ex ea re occasio nonnullis præbeatur, vt cunctantius ad meliora festinent. Si enim eos qui corporalibus morbis tenentur, ab illis liberari cupimus, ijsq. congratulamur vbi id contigerit; quomodo non magis gaudebimus, si is qui seductus fuerat, conuertatur, & cum cõscientia bona ad veræ cognitionis
Luc.15.b. lucem accurrat? Nam quòd ipsi quoque Angeli festa super huiusmodi rebus celebrare soleant, nihil ambigit sanctitas vestra, vt quæ ista docere & in omnibus Ecclesijs exponere soleat, & Saluatoris nostri verba non ignoret. Illud tamen vos tamquam fratres & magisterij socios obsecramus, vt clericis vestris præcipiatis, ne alia loquantur, præsertim in Ecclesijs, præter ea quæ vera ac probata, & bene habere iudicata sunt: sed potius vt rectę Fidei confessionẽ sequantur, maxime vero ne facile ad sermones de eiusmodi rebus prosiliant. Quòd si qua necessitas coegerit, eo quòd aliqui in mysterijs Fidei instruẽdi sint; nullo modo de Fide sermonẽ à rectitudine Fidei deflectere sinant. Quia vero omnes turbarũ occasiones per sanctitatis vestræ vigilantiã præcidendæ sunt, propterea quę in rem fore censebamus, hæc perscripsimus. Si quibus ergo clericis vel monachis à nonnullis obijciatur, quòd cùm Ecclesiæ cõmunicauerint, cũ impio Nestorio hucusque sentiant: his in Ecclesijs potius audientia proponatur, & apud vos, qui illas regitis; eorumq.

C Vltus ac veneratio, quam sanctissimæ religioni iure debemus, postulat, vt illos qui impie erga diuinum numen affecti sunt, meritis pœnis subijciamus, & nomine quod prauitati eorum conueniat, eiusmodi appellemus; vt hac infamia notati, æternam errorum suorum [a] pœnam sustineant; & neque dum viuunt supplicio, neque post mortem dedecore vmquam careant. Cum ergo Nestorius portentosæ doctrinæ inuentor damnationis sententiam iam exceperit, superest vt opinionis illius socios, impietatisq. cõsortes damnato nomine [b] comprehendamus; ne Christianorum appellatione abusi, eorum decorentur vocabulo, à quorum dogmate sua impietate defciuerunt. Quamobrẽ hac lege sancimus, quotquot vbicumque execrandæ opinionis Nestorij sequaces extiterint, eos Simonianorum nomine appellandos esse. Aequum est enim, vt qui auersi à Deo impietatem Simonis æmulantur, eamdem cum illo appellationem sortiantur. Quo etiã modo Ariani sanctione beatæ memoriæ Constantini, vocati sunt Porphyriani, quòd eamdem cum Porphyrio impietatẽ imbibissent. Hic enim sermonis vi & efficacia veram religionem expugnare conatus, libros sibi potius, quàm eruditionis commentaria reliquit.

Decernimus præterea, ne quis impios nefarij sacrilegiq. Nestorij libros, quos de sacra orthodoxorum religione & aduersus dogmata Episcoporum, qui in sacra Ephesina Synodo conuenerunt, edidit, in posterum habeat, aut legat, aut transcribat: quos etiam omni studio ac diligentia vndecumque conquisitos publice cõcremari volumus. Hac enim ratione fiet, vt omni impietate radicitus excisa, simplex multitudo, quæ dolis haud difficulter capi solet, nullam errandi occasionem deinceps inueniat. Nullam præterea hominum adeo perditorum in vlla de religione disputatione, nisi sub Simonianorum nomine, mentionem fieri; nullamq. domum, aut agrum, aut suburbanum, aut alium quemcumque locum conuentus causa occulte aut manifeste eisdem concedi. Decernimus enim huiusmodi homines omni conuentus habendi facultate priuatos esse: cum neminem omnino lateat, quòd quicumque nostram hanc legem transgressus fuerit, & Nestorium imitatus, omnium bonorum amissione mulctabitur. XLVI. NIhil Imperatoribus nostris æque gratum est ac iuge, quàm per omnia pietatem colere: nec immerito. Nam si de sanctitate in rebus gerendis tenenda assidue curam habere non refugiunt, ita vt quotidie, vt sic dicamus, noctes diesq. curis continuent: quomodo non magis in causa pietatis ac religionis summo cum studio id seruandum censeant? Cum itaque religio quædam absurda, temeritatisq. & vesaniæ plena oritura videretur, immo vero non oritura esset, sed etiam "speciem sibi quamdam auctoritatis vindicasset; pro sua prouidentia, sine vlla perturbatione, summa cum tranquillitate, quod illis insitum est semper, & per omnia consuetum, eiusmodi correctionem fieri præceperunt, vt auctores quidem sceleris debita pœna castigarent, ceteris vero ita prospicerent, vt nihil læsi, sed sola "admonitione, si paruerint, in melius reformati, nihil ex ijs quæ potiuntur amittant, sed illam perfectam, & quod caput est, æternam, & quæ post hanc vitam permanet, possessione pietatis, si statim resipuerint, firmiter seruent. Quoniã vero humana natura errore semel correpta, callidisq. sermonibus, & deterioribus cogitationibus irretita, difficile vt sanioribus cõsilijs acquiescat, induci solet, ac propterea metu maiore opus est, grauioriq. animaduersione: ideo ijs qui Fidei dogmata adulterant, in posterum vt quiescant indicunt, & in melius consilia mutent, & vt neque ipsi in aliquem locum conueniant, neque alijs vllum ad se pertinentem locum, stadiũ impietatis efficiant, seu in vrbe sit ille, seu remotus, seu vrbi proximus; & vt prorsus eiusmodi conuentibus nulla pars terræ pateat. Ceteris vero, qui insanis Nestorij commentis addicti sunt, & pro erroris "viatico libros illius apud se habent, misereri quàm punire malentes, denuntiant, vt eiusmodi libros igni tradant, penitusq. aboleant, ne tanti erroris monumenta ‖ in repub. volutentur, verę Fidei impedimentum afferant: sed nec vllos quoque alios describant; in quos ne ab initio quidem incidisse longe sanctius erat; neque eiusmodi libros legant, à quibus quod existit damnum, totius summæ interitum ac iacturam habet. Nam quid anima, quid Fide pretiosius? quorum vtrumque per huiusmodi lectionem læditur: & dum animæ præcipuam partem obcæcat, vt ad deteriora labatur occasionem præbet. Ceterum ne, si qui sint, lateant,

EDICTVM PROPOSITVM à Præfectis cum sacra Pragmatica, aduersus Porphyrium, & Nestorium, & Irenæum.

XLVIII PIissimus Imperator noster cum probe nouerit, legum ac reipublicæ firmitatem orthodoxam religionem esse, suo edicto omne semen impietatis abstulit; eos quidem qui ea laborant, moderata castigatione sanans; viam vero bene viuendi omnibus indicans. Qualia ergo aduersus libros Porphyrij, quos ille contra sanctam Christianorum religionem composuerat, necnon contra illos, qui nefariam Nestorij doctrinam conscripserunt, decreuerit; & quòd nullũ de religione dogma vim vllam habere debeat, nisi quod à reuerendissimis pijssimisq. Episcopis, qui quondam in ciuitate Nicæa, & postea in Ephesina cum venerandæ memoriæ Cyrillo conuenerunt, probatum est; præterea de depositione Irenęi, qui fuit Tyriorum ciuitatis Episcopus; ex superiori sanctione Græco sermone declarata omnes cognoscetis, vt nemo harum rerum ignorationem prætexat. Decet proinde omnes summa cum diligentia hæc obseruare, atque indignationem Regijs litteris insertam ante oculos habere.

Vetus iam inde à paganismi temporibus consuetudo, naturalisq. legis sanctio pietatis causa obtinuit, vt apud omnes nationes, publicæ administrationes, humanæq. functiones à religione sacrisq. cæremonijs semper secernerentur; sacraq. non solum in summo rerum fastigio, sed veluti in quodam posito in terris cælo collocarentur, quò accedere solis puris sanctisq. fas esset. Hinc & illud quoque consequitur, vt omnium mentibus natura insitum sit, nullo modo quæ Deo dedicata sunt pollui posse, neque hominum insolentiam aduersus vim diuinam progredi. Quo enim pacto fieri queat, vt ea polluantur, quæ semper munda esse necesse est? Aut qua ratione ea poterunt contaminari, quæ semel sanctificata, numquam talia esse desinunt? Quapropter licet pro certo habeamus, ab ijs quæ paulo ante barbarica vesania contra diuinum altare nefarie perpetrare ausa est, neque quod mundum erat pollui, neque quod natura sanctũ contaminari potuisse: tamen quia id factum est, quod nullo modo futurũ sperabamus, & vsque ad religionem illa sceleratorũ hominum peruenit audacia; ne vel impijs profana esse videantur ea quæ diuina sunt, neque in sacratis Deoq. dicatis locis liceat ea facere, quę ne in alijs quidem passim impune fieri permittendum est; & vt religio peruigili etiam pietatis custodia illæsa castaq. permaneat; omnẽ violentiam, quæ vel per audaciam, vel præter voluntatem inferatur, ab omnipotentis Dei Ecclesia arcemus. Etenim si veterum Paganorum religio, quæ error erat, & cui quod libitum fuisset Deus erat, adeo superstitionis suæ obseruans fuit, vt altaria non quibusuis, sed certis sacerdotibus dumtaxat committeret, & fana sua perinde ac si ipsius quoque terrę situ extollerentur, in arcibus ac munitioribus vrbium locis dicaret, atque idola fabrefacta adoraret, maximaq. cum veneratione ac vanitate coleret: quanto magis par est, vt nos religionem nostram omni cum obseruantia custodiamus, ad quos Deus ipse cum vero religionis cultu, cælum non deserens, descendit, & tamquam cessione quadam inter Deum & homines facta, homo Deum in terram suscepit, hominemq. Deus in cælum sustulit? Ante alia autem hac re illi Deum placant, penes quos rerum summa est, cum scilicet salutis & vitæ ac securitatis hominum curam habent: quæ, vt nostra natura fert, nullo modo alterum cum altero sine alterius detrimento coniungimus, vt nec Ecclesiasticis ædibus sacrisq. altaribus

bus ex nimia confugientium desperatione vel
temeritate, audacia vel insania, iniuria aliqua, præterquam deceat, inferatur; & vnicus extremusq. miserorum portus patentiore aperto sinu huiusce modi confugientes excipiat. Nemini qui maris fluctus & scopulos declinat, conuenit terræ adimere tranquillitatem: bellum, inquem steterit acies, aduersus cum sese dedentem minas deponit. Asylum olim defendit varijs criminibus obstrictos, legum aspernans auctoritatem: maiores etiam nostri, ne aliquo modo timore perculsis humanitas denegata videretur, in nostris quoque statuis aram salutis constituerunt; ita vt si qui vel extrema imaginum nostrarum vestigia forte contigerint, hi ab omnibus minis aduersæ fortunæ liberati ac securi gaudent. Iam ‖ statuæ complexus propter regiam maiestatem tantum præsidij miseris conciliat: quantum opis illis debet esse paratum, qui salutis causa ad sacrosancta altaria confugiunt?

Pateant proinde trepidis magni Dei tẽpla; supplices fugientes communis suscipia ara; nec vlla veluti superior comminatio diuinum auxilium, quod omnibus ex æquo sese offert, ab eius ædibus audeat propulsare. Qualis enim naufragorum in suis calamitatibus misericordia reliqua erit, si littus præcludas, & fontẽ siti laborantibus perturbes? aut quæ nam humanis calamitatibus medicina supererit, si calamitosis Deus ipse denegetur? Nostris igitur temporibus non solum templi sacrosancta altaria, & quadratum populi oratorium murorum ambitu circumseptum, confugientium securitati conferre sancimus: sed quidquid præterea inde est loci vsque ad Ecclesiæ fores extremas, per quas preces facturi primum ingrediuntur, hoc totum confugientibus misericordiæ aram esse definimus & constituimus. Itaque medium templi spatium in prædicto loco positum, perfugium esse decreuimus: atque etiam reliqua omnia loca primis sanctæ Ecclesiæ foribus post publica per circuitum cohærentia, siue domus, aut hortuli, siue atria, aut balnea, aut etiam porticus sint, ingressos profugos volumus vt perinde ac intimum templum ius custodiendi habeant. Quamuis autem, si religionis atque pietatis ratio spectetur, quæ exiguo loco distant, non parua obseruantiæ ratione disiuncta sint; tamen vt securitatem confugientibus latius extendamus, & formidantibus auxilium porrigamus, omnem supradictum ambitum sine vllo discrimine portum esse quietis iubemus, ac neminem ad eos expellendos, sacrilegas manus inijcere; ne forte ille ipse qui id ausus fuerit, se in calamitates incidisse videns, auxiliũ expetens confugiat. Hoc autem spatium adeo latum, vrgente formidine, secure degendi, immo vero exspatiandi clementer concessimus; ita tamen, vt nemini confugientium in Dei templo aut apud sacras aras manere, aut cibum sumere,

Misericordia.

A aut dormire, aut etiam pernoctare liceat; idq. nō modo Clericis propter religionem fieri prohibentibus, sed ipsis quoque confugientibus facere pietatis causa detrectantibus: ne & qui confugiunt, dum vsus proprios sacris rebus admiscent, impuro animo confugere videantur; & qui huiusmodi turpitudinem à sacris ædibus arcere possunt, pietatem, cui deseruiunt, violare videantur. Ceterum si quando vsu veniat, vt alterutrum omnino offendendum sit; satius est, clericos amolientes à sacris altaribus eas iniurias, quæ ab humana conditione & à natura oriuntur, audaces potius quàm impios haberi, B ac in hominem potius quàm in Deum peccare: quandoquidem hac posita lege, nulla inhumanitatis suspicio clericos iure attigerit; cum timori ac securitati confugientium sit valde prospectum. Nam etsi Dei templum humana naturaliq. necessitate fœdari, & sacrosancta mysteria infami infirmitate misceri, ac diuina à profanis contaminari, sacra denique ab impuris inquinari nequaquam patimur; non tamen confugientibus, quominus opem implorarent, præsidij ostium præclusimus; sed amplioribus quoque longioribusq. spatijs illorum securitati consulendum existimauimus, & quod diuinitati, & C quod humanitati debetur, sollicite religioseq. obseruantes.

Ferrea autem, vel alterius generis arma ad defensionem comparata, ne confugientes habeant, neve intra sanctam Ecclesiam inferant, omnino prohibemus. Hęc namque, vt reliqua omnia eiusmodi, non modo à sacris templis & aris abesse volumus, sed à reliquis quoque omnibus Ecclesiasticis habitationibus, mansionibus, hortis, balneis, atrijs, ac porticibus, quæ præsidio esse fugientibus superiori sermone declarauimus. Etenim fas non est, sanctissimis templis, alijsve Ecclesiæ locis ex nimia sollicitudine, discordiæ ac D bellorum materiam inferre. Sufficiat profugis istis Dei auxilium, cui & arma & leges & ipsa etiã regia Maiestas subiecta est. Nam & nos, qui semper iure Imperij armis circumdamur, quosq. sine armatis stipatoribus esse non conuenit, Dei templum ingressuri, foris arma relinquimus, & ipsum etiam diadema deponimus; & quò submissioris Imperij speciem præferimus, eo magis Imperij nobis maiestas promittitur. Ad sacra quoque altaria munerum tãtum offerendorum causa accedimus: & cum circumseptum sacrorum adytum ingressi sumus, statim egredimur; nec E quidquam ex propinqua diuinitate nobis arrogamus. Quam ob rem qui sine armis ad sanctum Dei templum, vel ad sanctum altare, in quacumque illi gente, vel in hac ciuitate confugerint, in templo dormire, aut etiam in altari, vel in ipsis locis cibum sumere, citra vllam iniuriam à Clericis prohiberi debent. Et ita res hæc ergà eos gerenda est, vt non à prohibente iniuria inferri, sed religionis ratio rem quæ geritur, exigere videatur. Proinde illos pauentes, de sanctita-

GELASII CYZICENI COMMENTARIVS ACTORVM CONCILII NICAENI

ADMONITIO AD LECTOREM.

PENE consilium fuerat, hanc Synodi Nicanæ historiam, quæ alioqui suo loco inter cetera eiusdem Synodi collectanea reponi debuisset, penitus omittere: quòd etsi in Vrbe non deerant variæ eius exemplaria, vt Vaticanum, ex quo magnam Nicæni Concilij sui partem excerpsit Alfonsus Pisanus, & Sfortianum, quod olim fuit Bessarionis Cardinalis, atque alia in alijs bibliothecis; omnia tamen auctoris nomine carebant, & incerti auctoris opus in lucem dare non placebat. Illud quoque accedebat, quòd non pauca in hac historia legantur, quæ meliorum scriptorum sententijs cum repugnent, illam falsitatis coarguere videantur. Initio enim operis auctor affirmat, Arianos Concilij Nicæni tempore non solum contra Filium Dei, sed etiam contra Spiritum sanctum blasphemasse; & in libro secundo introducit disputationes de diuinitate Spiritus sancti in eodem Concilio cum philosophis habitas. At id repugnare videtur verbis Epiphanij hæresi lxxiij. quæ est Pneumatomachorum, qui in fine sic ait: Non fuit tunc (id est, tempore Nicæni Concilij) de Spiritu sancto quæstio. Item verbis S. Basilij in epist. lxxviij. quæ Fidei Nicænæ confessionem continet: Spiritus sancti ratio, inquit, in transcursu posita est, nulla diligentia digna indicata, propterea quòd non dum mota esset hæc quæstio, sed sententia de ipso in animis credentium nullas adhuc insidias sustinuisset. Præterea idem historiæ huius auctor lib. secundo, cap. primo Eusebium Cæsariensem ab Arianismi suspicione diligenter purgare nititur, cum tamen S. Athanasius librum integrum scripserit de decretis Nicænæ Synodi aduersus Eusebium Cæsariensem Arianum: & S. Hieronymus lib. secundo Apologiæ aduersus Rufinum, eundem Eusebium modo non catholicum, modo Arianum, aliquando etiam principem Arianorum nominauerit. Denique (vt alia leuiora sileantur) hic ipse auctor lib. ij. cap. xxxij. scribit Synodum Nicænam prohibere voluisse, ne Episcopi, Presbyteri, Diaconi & Subdiaconi cum vxoribus, quas antea cum laici essent, duxissent, consuetudinem habere possent: obsistente autem Paphnutio, nihil de hac re decretum fuisse, & vnius cuiusque arbitrio relictum, si ab eis abstinere vellent. Sed hoc esse manifestum figmentum, à veritate prorsus alienum, facile deprehenditur ex S. Epiphanio, qui paulo post celebratum Nicænum Concilium scribens, disertis verbis affirmauit hæresi lix. quæ est Catharorum, sacris Canonibus aduersari quòd Episcopus, Presbyter aut Diaconus ex vxore liberos gignat. Sanctus etiam Ambrosius & S. Hieronymus Epiphanij æquales, ille in lib. primo de Officijs cap. vlt. iste in libro aduersus Vigilantium, scribunt non licere in Occidente neque in Oriente ad sacrum ministerium assumi nisi virgines, aut continentes, aut qui, si vxores habeant, mariti esse desistant. Quod idem in Concilijs paulo post Nicænum celebratis, vt in Arelatensi secundo can. ij, & in secundo Carthaginiensi, can. ij. confirmatum legimus. Quid? quòd in ipsa Nicæna Synodo extat canon iij. quo cauetur, ne vlli Episcopo, vel Presbytero, vel Diacono liceat feminam aliquam domi retinere, præter matrem, sororem, vel amitam: quo canone satis aperte excluditur vxor, quæ primo loco nominanda fuerat, si vera essent quæ in hoc libro dicuntur. Sed nimirum auctor non in Actis Concilij hanc historiam reperit, sed à Socrate lib. i. cap. viij. vel à Sozomeno lib. i. c. 22. qui primi eam tradiderunt, desumptam, in hac sua collectione inseruit. Quemadmodum autem nonnulla in ea legimus à Concilio Nicæno aliena, si veteribus Patribus credimus, sic etiam contra multa desunt, quæ ex eorundem Patrum sententia in Actis eiusdem extare deberent. Testantur enim S. Athanasius in oratione prima aduersus Arianos, & Theodoretus lib. primo hist. cap. viij. Arij scripta, & epistolam Eusebij Nicomediensis lecta fuisse in Synodo Nicæna. Testatur quoque Iulius Pontifex Romanus in epist. quæ extat apud Athanasium in apologia secunda, in Concilio Nicæno examinata fuisse acta Synodi Alexandrinæ. At horum omnium in hac historia nulla mentio habetur. Nihilominus tamen, cum ex Photij testimonio, cuius Bibliotheca paulo ante in lucem prodijt, satis constet huius operis auctorem fuisse Gelasium Cyzicenum, & eius etiam nomine Græce & Latine iam editum sit, atque in eo nonnulla habeantur, quæ multis rebus vsui esse possunt, ac præterea veteres scriptores (quorum verba mox subijcientur) illius mentionem faciant tanquam Actorum Concilij Nicæni: ne à quopiam fortasse desideretur, ad calcem huius Tomi adijciendum censuimus.

Primum, cauſa quam prætexit Sozomenus, cur Concilio Nicæno non interfuerit Romanus Pontifex, decrepitam ſcilicet ſenectutem, ■ Iulium cadere nullo modo poteſt, qui iuxta Socratem & Sozomenum ipſum, vſque ad triginta fere annos poſt Concilium Nicænum ætatem produxit. Tradit enim [d] *Socrates, atque ex ipſo* [e] *Sozomenus, Conſtantium poſt tyrannos Magnentium, Siluanum & Gallum cæſos, Sirmio Romam ad triumphandum profectum; ac eodem tempore Concilium in Italia conuocaſſe; dumq. ad illud Epiſcopi iter pararent, Iulium Epiſcopum Romanum è viuis exceſſiſſe. Magnentius autem cæſus fuit, iuxta* [f] *Sozomenum, ſub ſexto Conſulatu Conſtantij & ſecundo Galli, qui annus à Concilio Nicæno xxviij. numeratur: Gallus vero iuxta eumdem* [g] *Sozomenum, ſub ſeptimo Conſulatu Conſtantij, & tertio ſui ipſius, qui annus eſt xxix. à Concilio: & Siluanus, teſte* [h] *Ammiano Marcellino, poſt Gallum. Qui ergo fieri potuit, vt qui Eccleſiam Romanam ſecundum Sozomenum, trigeſimo fere poſt Concilium Nicænum anno regebat, ob grauiorem ætatem Concilio Nicæno adeſſe nequiuerit? Præterea, Iulij Pontificatum fuiſſe viginti quinque annorum, ſcribit* [i] *Sozomenus, idq. etiam mendoſe, in x. verſo, vt conſtat ex* [k] *Socrate, vnde Sozomenus illa omnia fere de verbo ad verbum expreſſit, qui ſolos quindecim annos Iulio tribuit. Sed concedamus Iulium annis viginti quinque Eccleſiam rexiſſe: quomodo potuit qui viginti quinque annis in Sede vixit, & obijt trigeſimo fere poſt Concilium Nicænum anno, tempore Concilij Nicæni Pontificatum tenuiſſe? Adde* [l] *Sozomeni* ἐπιχλῶ, *qui in prolegomenis Concilij Nicæni, vt exordium hiſtoriæ ſuæ temporis nota ſignaret, ſic prælocutus eſt: Criſpo & Conſtantino Cæſaribus Conſulibus, Romanæ Eccleſiæ antiſtes fuit Silueſter. Accedit etiam querela Iulij (vt* [q] *Sozomenus ipſe refert) apud Epiſcopos Orientales, quòd eum ad Synodum Antiochenam non vocaſſent. Hoc autem vt ſtare poteſt cum excuſatione ſenectutis, ob quam non adfuit Concilio Nicæno, quod ſedecim annis Antiocheno illo antiquius fuit? Immo quare Iulio ſenectutis cauſam prætexuit Sozomenus, cur à Concilio Nicæno abfuerit, non autem eam multo magis attulit cur ad Concilium Sardicenſe, quod duobus & viginti annis poſterius Nicæno fuit, non profectus ſit, ſed tantum per Legatos ei interfuerit? Sed quid argumentis opus eſt, cum extet apud Sozomenum ipſum locus expreſſus, qui vno ictu hanc difficultatem euacuat, diſertisq. verbis profitetur, Iulium longo poſt Concilium Nicænum interuallo, & circa tempora conciliabuli Antiocheni aduerſus Euſtathium (qui in Concilio Nicæno Epiſcopus Antiochenus fuerat) celebrati, in Pontificem Romanum electum fuiſſe, atque ideo nunquam Sozomeno in mentem venire potuiſſe, vt Concilium Nicænum ſub Iulio collocaret? Ipſe enim Sozomenus, qui lib. i. cap. xvj. aſſerit Romanum Pontificem ob pondus ætatis Concilio Nicæno non adfuiſſe, quiq. vltimo capite eiuſdem primi libri vniuerſam Concilij Nicæni hiſtoriam omnino abſoluit, præfixa frontiſecundi libri hac clauſula, Hactenus finem habuere quæ in Nicæa geſta ſunt: ac deinde toto ſecundo libro ad ■ deſcendit narranda, quæ ſub reliquo Conſtantini imperio contigerunt: is, inquam, ipſe Sozomenus, poſtquam rebus Concilij Nicæni finem poſuit, per integra priora ſecundi libri ſeptemdecim capita percurrit ea quæ inter Concilium Nicænum, & Antiochenum in cauſa Euſtathij celebratum, interceſſerunt; & demum xviij. capite, Antiocheni concilij celebrationem, Euſtathij abdicationem, & Euphronij ſubrogationem deſcripſit: tandem deueniens ad xix. libri ſecundi caput, affirmat ſub id tempus, Silueſtro mortuo, ac in eius locum ad breue ſpatium, id eſt, ſecundum* [r] *Hieronymum, menſes octo, ſuffecto Marco, Iulium in Sedem Romanam euectum fuiſſe. verba eius ſunt:* [s] *Per id tempus cum Marcus poſt Silueſtrum ad exiguum tempus Epiſcopatum Romanum geſſiſſet, Iulius in illam ſedem ſucceſſit: in ſedem autem Hieroſolymitanam poſt Macarium, Maximus. Q Vam in ſancta, magna & vniuerſali Epiſcoporum Synodo ex omnibus, vt ſic dicam, Romani orbis prouincijs, & ex Perſide, Dei gratia & pij ac Deo chari Imperatoris noſtri Conſtantini edicto, Niceæ congregata, pro Apoſtolica & orthodoxa Fide, contra peruerſa & impia impij illius Arij dogmata: omnia, inquam, quæ in præclara illa & ſancta Synodo dicta, facta, & conſtituta fuerant, iampridem, cùm adhuc in paterna domo vitam degerem, legi, cùm illa inueniſſem in antiquiſſimo libro, in membranis plane integris deſcripta, qui fuit diuini & celebris Dalmatij, in illuſtri Cyzicenorum metropoli ſanctæ atque catholicæ Eccleſiæ Archiepiſcopi; quiq. tandem ad familiæ noſtræ dominum deuenit, parrem dico meum ſecundum carnem, dignum habitum qui in ordinem presbyterorum eiuſdem Eccleſiæ cooptaretur. In quem ſacrum librum cum incidiſſem, multumq. in eo poſuiſſem ſtudij, nec potuiſſem memoria omnia retinere, (nemo enim hominum immenſum illud mare omnium quæ in eo recondebantur, memoriter in ore habere poterit) plurima annotaui ſanctorum noſtrorum Patrum, ac ſanæ doctrinæ Epiſcoporum dogmata, quæq. ijdem aduerſus Ariomanitas obiecerunt: & ſcriptas redargutiones aduerſus illorum blaſphemiam, qua ſceleſti non ſolum contra Filium Dei, ſed etiam contra Spiritum ſanctum blaſphemabant: & mercenariorum Arij philoſophorum aduerſus Epiſcopos contradictiones, & noſtrorum aduerſus illorum ſophiſmata per expreſſam doctrinam firmas & apertas ſolutiones: & de vna illa diuinitate Filij ipſius & Spiritus ſancti, quæ ante ſæcula extitit, quæq. principium non habet, ſed ſemper cum Deo & Patre ſubſiſtit: & de eiuſdem Filij, Dei Verbi, in nouiſſimis temporibus pro ſalute noſtra ex Deipara virgine Maria ineffabili incarnatione: & omnem omnino tractationem illic habitam de Apoſtolicis Eccleſiæ conſtitutionibus, quæ in diuino illo libro erat, hiſtorica fide retuli, ſed omnium maxime fideliſſimi Imperatoris Conſtantini, qui in Synodo conſederat, diuinas & vere Apoſtolicas ſententias. Ijs quæ in ſacro illo libro continebantur, ita

bus ex nimia confugientium desperatione vel confidentia, contemptu vel temeritate, audacia vel insania, iniuria aliqua, praeterquam deceat, inferatur; & vnicus extremusq. miserorum, opeq. destitutorum portus parentiore aperto sinu huiuscemodi confugientes excipiat. Nemini qui maris fluctus & scopulos declinat, conuenit terrae adimere tranquillitatem: bellum, inquem steterit acies, aduersus cum sese dedentem criminas deponit. Asylum olim defendit varijs criminibus obstrictos, legum aspernans auctoritatem: maiores etiam nostri, ne aliquo modo timore perculsis humanitas denegata videretur, in nostris quoque staruis aram salutis constituerunt; ita vt si qui vel extrema imaginum nostrarum vestigia forte contigerint, hi ab omnibus minis aduersae fortunae liberati ac securi gaudent. Iam ſi statuae complexus propter regiam maiestatem tantum praesidij miseris conciliat: quantum opis illis debet esse paratum, qui salutis causa ad sacrosancta altaria confugiunt?

Pateant proinde trepidis magni Dei tepla; supplices fugientes communis suscipia ara; nec vlla veluti superior comminatio diuinum auxilium, quod omnibus ex aequo sese offert, ab eius aedibus audeat propulsare. Qualis enim naufragorum in suis calamitatibus misericordia reliqua erit, ſi littus praecludas, & fontē siti laborantibus perturbes? aut quae nam humanis calamitatibus medicina supererit, ſi calamitosis Deus ipse denegetur? Nostris igitur temporibus non solum sacrosancta altaria, & quadratum populi oratorium murorum ambitu circumseptum, confugientium securitati conferre sancimus: sed quidquid praeterea inde est loci vsque ad Ecclesiae fores extremas, per quas preces facturi primum ingrediuntur, hoc totum confugientibus misericordiae aram esse definimus & constituimus. Itaque medium templi spatium in praedicto loco positum, perfugium esse decreuimus: atque etiam reliqua omnia loca primis sanctae Ecclesiae foribus post publica per circuitum cohaerentia, siue domus, aut hortuli, siue atria, aut balnea, aut etiam porticus sint, ingressos profugos volumus vt perinde ac intimum templum ius custodiendi habeant. Quamuis autem, si religionis atque pietatis ratio spectetur, quae exiguo loco distant, non parua obseruantiae ratione disiuncta sint; tamen vt securitatem confugientibus latius extendamus, & formidantibus auxilium porrigamus, omnem supradictum ambitum sine vllo discrimine portum esse quietis iubemus, ac neminem ad eos expellendos, sacrilegas manus inijcere; ne forte ille ipse qui id ausus fuerit, se in calamitates incidisse videns, auxiliū expetens confugiat. Hoc autem spatium adeo latum, vrgente formidine, secure degendi, immo vero exspatiandi clementer concessimus; ita tamen, vt nemini confugientium in Dei templo aut apud sacras aras manere, aut cibum sumere,

Inuiolatum.

A aut dormire, aut etiam pernoctare liceat; idq. nõ modo Clericis propter religionem fieri prohibentibus, sed ipsis quoque confugientibus facere pietatis causa detrectantibus: ne & qui confugiunt, dum vsus proprios sacris rebus admiscent, impuro animo confugere videantur; & qui huiusmodi turpitudinem à sacris ædibus arcere possunt, pietatem, cui deseruiunt, violare videantur. Ceterum si quando vsu veniat, vt alterutrum omnino offendendum sit; satius est, clericos amolientes à sacris altaribus eas iniurias, quæ ab humana conditione & à natura oriuntur, audaces potius quàm impios haberi, B ac in hominem potius quàm in Deum peccare: quandoquidem hac posita lege, nulla inhumanitatis suspicio clericos iure attigerit; cum timori ac securitati confugientium sit valde prospectum. Nam etsi Dei templum humana naturaliq. necessitate fœdari, & sacrosancta mysteria infami infirmitate misceri, ac diuina à profanis contaminari, sacra denique ab impuris inquinari nequaquam patimur; non tamen confugientibus, quominus opem implorarent, præsidij ostium præclusimus; sed amplioribus quoque longioribusq. spatijs illorum securitati consulendum existimauimus, & quod diuinitati, & C quod humanitati debetur, sollicite religioseq. obseruantes.

Ferrea autem, vel alterius generis arma ad defensionem comparata, ne confugientes habeant, neve intra sanctam Ecclesiam inferant, omnino prohibemus. Hęc namque, vt reliqua omnia eiusmodi, non modo à sacris templis & aris abesse volumus, sed à reliquis quoque omnibus Ecclesiasticis habitationibus, mansionibus, hortis, balneis, atrijs, ac porticibus, quæ præsidio esse fugientibus superiori sermone declarauimus. Etenim fas non est, sanctissimis templis, alijsve Ecclesiæ locis ex nimia sollicitudine, discordiæ ac D bellorum materiam inferre. Sufficiat profugis istis Dei auxilium, cui & arma & leges & ipsa etiã regia Maiestas subiecta est. Nam & nos, qui semper iure Imperij armis circumdamur, quosq. fine armatis stipatoribus esse non conuenit, Dei templum ingressuri, foris arma relinquimus, & ipsum etiam diadema deponimus; & quò submissioris Imperij speciem præferimus, eo magis Imperij nobis maiestas promittitur. Ad sacra quoque altaria munerum tãtum offerendorum causa accedimus: & cum circumseptum sacrorum adytum ingressi sumus, statim egredimur; nec quidquam ex propinqua diuinitate nobis arrogamus. Quam ob rem qui sine armis ad sanctum E Dei templum, vel ad sanctum altare, in quacumque illi gente, vel in hac ciuitate confugerint, in templo dormire, aut etiam in altari, vel in ipsis locis cibum sumere, citra vllam iniuriam à Clericis prohiberi debent. Et ita res hæc erga eos gerenda est, vt non à prohibente iniuria inferri, sed religionis ratio rem quæ geritur, exigere videatur. Proinde illos pauentes, de sanctira-

ſtitate ac puritate loci commoneant; religioni cum humanis neceſſitatibus nihil commune eſſe doceant: interualla intra ſepta Eccleſiaſtica, ad ipſorum tranquillitatem ſecuritatemq. conſtituta ſingillatim commonſtrent: capitale ſupplicium contra temere irruentes ſtatutum indicét: intelligant religionem humanis ſordibus, naturalisq. neceſſitatis iniuria contaminandam aut profanandam non eſſe ei, qui per eam ipſam religionem tueri ſe ab iniuria velit. Quòd ſi quiſpiam nihil his omnibus annuerit, aut aſſenſus fuerit, tum demum religio manſuetudini anteferatur, & ex diuinis locis ad ea quæ ſuperius dicta ſunt, eum propulſet audacia. Qui enim in magno metu eſt, periculũ effugiet, nec propterea ſacra religio humanarũ neceſſitatum admixtione contaminabitur. Porro ſi qui diuinam opem expetentes, ſanctiſſima Dei templa cum armis ingredientur, aut cum apparatu qui naturæ & gentiũ iure à religione arcetur, non modo illa inferre ſacratis locis, verum etiam confligere conabuntur (quod vt adiuuentur, vel audiantur, vel quia ſæuitiã videant, tolerandũ eſſet) pleniſſima ſeueritatis iuſſione & horrendis comminationibus præcipue ne id faciant admonebis. Nã qualé ille ſpem in religione collocat, qui in religionis contumeliam armis accinctus ingreditur?

GELASII CYZICENI COMMENTARIUS ACTORUM CONCILII NICAENI.

ADMONITIO AD LECTOREM.

PENE consilium fuerat, hanc Synodi Nicænæ historiam, quæ alioqui suo loco inter cetera eiusdem Synodi collectanea reponi debuisset, penitus omittere: quòd etsi in Vrbe non deerant variæ eius exemplaria, vt Vaticanum, ex quo magnam Nicæni Concilij sui partem excerpsit Alfonsus Pisanus, & Sfortianum, quod olim fuit Bessarionis Cardinalis, atque alia in alijs bibliothecis; omnia tamen auctoris nomine carebant, & incerti auctoris opus in lucem dare non placebat. Illud quoque accedebat, quòd non pauca in hac historia leguntur, quæ meliorum scriptorum sententijs cum repugnent, illam falsitatis coarguere videantur. Initio enim operis auctor affirmat, Arianos Concilij Nicæni tempore non solum contra Filium Dei, sed etiam contra Spiritum sanctum blasphemasse; & in libro secundo introducit disputationes de diuinitate Spiritus sancti in eodem Concilio cum philosophis habitas. At id repugnare videtur verbis Epiphanij hæresi lxxiij. quæ est Pneumatomachorum, qui in fine sic ait: Non fuit tunc (id est, tempore Nicæni Concilij) de Spiritu sancto quæstio. Item verbis S. Basilij in epist. lxxviij, qua Fidei Nicænæ confessionem continet: Spiritus sancti ratio, inquit, in transcursu posita est, nulla diligentia digna iudicata, propterea quòd non dum mota esset hæc quæstio, sed sententia de ipso in animis credentium nullas adhuc insidias sustinuisset. Præterea idem historiæ huius auctor lib. secundo, cap. primo Eusebium Cæsariensem ab Arianismi suspicione diligenter purgare nititur, cum tamen S. Athanasius librum integrum scripserit de decretis Nicænæ Synodi aduersus Eusebium Cæsariensem Arianum: & S. Hieronymus lib. secundo Apologiæ aduersus Rufinum, eumdem Eusebium modo non catholicum, modo Arianum, aliquando etiam principem Arianorum nominauerit. Denique (vt alia leuiora sileantur) hic ipse auctor lib. ij. cap. xxxij. scribit Synodum Nicænam prohibere voluisse, ne Episcopi, Presbyteri, Diaconi & Subdiaconi cum vxoribus, quas antea cum laici essent, duxissent, consuetudinem habere possent: obsistente autem Paphnutio, nihil de hac re decretum fuisse, & vnius cuiusque arbitrio relictum, si ab eu abstinere vellent. Sed hoc esse manifestum figmentum, à veritate prorsus alienum, facile deprehenditur ex S. Epiphanio, qui paulo post celebratum Nicænum Concilium scribens, disertis verbis affirmauit hæresi lix. quæ est Catharorum, sacris Canonibus aduersari quòd Episcopus, Presbyter aut Diaconus ex vxore liberos gignat. Sanctus etiam Ambrosius & S. Hieronymus Epiphanij æquales, ille in lib. primo de Officijs cap. vlt. iste in libro aduersus Vigilantium, scribunt non licere in Occidente neque in Oriente ad sacrum ministerium assumi nisi virgines, aut continentes, aut qui, si vxores habeant, mariti esse desistant. Quod idem in Concilijs paulo post Nicænum celebratis, vt in Arelatensi secundo can. ij. & in secundo Carthaginiensi, can. ij. confirmatum legimus. Quid? quòd in ipsa Nicæna Synodo extat canon iij. quo cauetur, ne vlli Episcopo, vel Presbytero, vel Diacono liceat feminam aliquam domi retinere, præter matrem, sororem, vel amitam: quo canone satis aperte excluditur vxor, quæ primo loco nominanda fuerat, si vera essent quæ in hoc libro dicuntur. Sed nimirum auctor non in Actis Concilij hanc historiam reperit, sed à Socrate lib. 1. cap. viij. vel à Sozomeno lib. 1. c. 22. qui primi eam tradiderunt, desumptam, in hac sua collectione inseruit. Quemadmodum autem nonnulla in ea legimus à Concilio Niceno aliena, si veteribus Patribus credimus, sic etiam contra multa desunt, quæ ex eorundem Patrum sententia in Actis eiusdem extare deberent. Testantur enim S. Athanasius in oratione prima aduersus Arianos, & Theodoretus lib. primo hist. cap. viij. Arij scripta, & epistolam Eusebij Nicomediensis lecta fuisse in Synodo Nicæna. Testatur quoque Iulius Pontifex Romanus in epist. quæ extat apud Athanasium in apologia secunda, in Concilio Niceno examinata fuisse acta Synodi Alexandrinæ. At horum omnium in hac historia nulla mentio habetur. Nihilominus tamen, cum ex Photij testimonio, cuius Bibliotheca paulo ante in lucem prodijt, satis constet huius operis auctorem fuisse Gelasium Cyzicenum, & eius etiam nomine Græce & Latine iam editum sit, atque in eo nonnulla habeantur, quæ multis rebus vsui esse possunt, ac præterea veteres scriptores (quorum verba mox subijcientur) illius mentionem faciant tamquam Actorum Concilij Nicæni: ne à quopiam fortasse desideretur, ad calcem huius Tomi adijciendum censuimus.

COncilium Nicænum ſub Papa Silueſtro celebratum fuiſſe, & [a] Latinæ ſubſcriptiones Canonum, & omnium veterum, qui de ea reſtripſerunt, monumenta vel affirmant, vel ſignificant, vno excepto [b] Sozomeni depravato loco, quem Caſſiodorus hiſtoriæ Tripartitæ concinnator, & alij recentiores ſecuti ſunt. Inde orta eſt de tempore Concilij Nicæni ingens apud poſteros controuerſia; alijs calculum ſubſcriptionum Latinarum & auctoritatem Euſebij, Hieronymi, Socratis, Theodoriti & Gelaſij Cyziceni, qui omnes illud vel diſerte vel tacite ad Silueſtri ætatem referunt, proponentibus: alijs Sozomenum, qui contra omnium vel maiorum vel æqualium ſuorum fidem, ipſum ad Iulij Pontificatum mendoſe deprimit, opponentibus. [c] Photius vt vtramque partem conciliet, & Sozomenum cum Gelaſio Cyziceno in concordiam reducat, ſub Silueſtro inceptum, ſub Iulio abſolutum ſtatuit. Hæretici noſtri ſæculi (quorum in omnibus ſtudium eſt officere Romanæ Eccleſiæ, quæ vt antiquiorem, ita ſaniorem ſententiam tuetur) Sozomeni corruptum locum abripiunt, & ſub Iulio celebratum fuiſſe importune contendunt. Quod falſo fundamento niti, mendumq. manifeſtum in Sozomeni ſcriptione eſſe, vel ex marginali annotatione quæ in textum irrepſerit, vel ex voce πολιὸς, ideſt ſenex, canus, venerandus, quæ vitio ſcribæ in ἱλεὼς euaſerit, ſic ex Sozomeno ipſo demonſtratur.

Primum, cauſa quam prætexit Sozomenus, cur Concilio Nicæno non interfuerit Romanus Pontifex, decrepitam ſcilicet ſenectutem, in Iulium cadere nullo modo poteſt, qui iuxta Socratem & Sozomenum ipſum, vſque ad trigintia fere annos poſt Concilium Nicænum ætatem produxit. Tradit enim [d] Socrates, atque ex ipſo [e] Sozomenus, Conſtantium poſt tyrannos Magnentium, Siluanum & Gallum cæſos, Sirmio Romam ad triumphandum profectum; ac eodem tempore Concilium in Italia conuocaſſe; dumq. ad illud Epiſcopi iter pararent, Iulium Epiſcopum Romanum è vitis exceſſiſſe. Magnentius autem cæſus fuit, iuxta [f] Sozomenum, ſub ſexto Conſulatu Conſtantij & ſecundo Galli, qui annus à Concilio Nicæno xxviij. numeratur: Gallus vero iuxta eundem [g] Sozomenum, ſub ſeptimo Conſulatu Conſtantij, & tertio ſui ipſius, qui annus eſt xxix. à Concilio: & Siluanus, teſte [h] Ammiano Marcellino, poſt Gallum. Qui ergo fieri potuit, vt qui Eccleſiam Romanam ſecundum Sozomenum, trigeſimo fere poſt Concilium Nicænum anno regebat, ob grauiorem ætatem Concilio Nicæno adeſſe nequiuerit? Præterea, Iulij Pontificatum fuiſſe vigintiquinque annorum, ſcribit [i] Sozomenus, idq. etiam mendoſe, [k] in x. verſo, vt conſtat ex [k] Socrate, vnde Sozomenus illa omnia fere de verbo ad verbum expreſſit, qui ſolos quindecim annos Iulio tribuit. Sed concedamus Iulium annis vigintiquinque Eccleſiam rexiſſe: quomodo potuit qui vigintiquinque annis in Sede vixit, & obijt trigeſimo fere poſt Concilium Nicænum anno, tempore Concilij Nicæni Pontificatum tenuiſſe? Adde [l] Sozomeni ἐπιγλῶ, qui in prolegomenis Concilij Nicæni, vt exordium hiſtoriæ ſuæ temporis nota ſignaret, ſic prælocutus eſt: Criſpo & Conſtantino Cæſaribus Conſulibus, Romanæ Eccleſiæ antiſtes fuit Silueſter. Fuiſſe autem tum Conſulatum Criſpi & Conſtantini tertium, idem [m] Sozomenus ita in præfatione operis ſui atteſtatur: Sum vero hiſtoriam exorſus à Criſpo & Conſtantino Cæſaribus iam tertium Coss. Atqui tertius Conſulatus Criſpi & Conſtantini, qui annus Chriſti cccxxiiij. fuit, immediate præceſſit Conſulatum Paulini & Iuliani, id eſt, annum Chriſti cccxxv. ſub quo celebrata eſt Synodus Nicæna, auctore [n] Socrate, & [o] Sozomeno ipſo, qui exitum Concilij in principium vicennaliorum Conſtantini incidiſſe affirmat. quomodo ergo dici poteſt, Legatos Eccleſiæ Romanæ in Synodo Nicæna miſſos fuiſſe à Iulio, quos ob locorum interualla multo ante Concilium deſtinatos oportuit, cum finis Conſulatus Criſpi & Conſtantini, vix quatuor menſibus Concilium Nicænum menſe [p] Maio anni ſequentis celebratū, anteuerterit, & Marcus Romanus Pontifex, eodem Sozomeno, vt mox videbitur, teſte, inter Silueſtrum & Iulium medius interceſſerit? Accedit etiam querela Iulij (vt [q] Sozomenus ipſe refert) apud Epiſcopos Orientales, quòd eum ad Synodum Antiochenam non vocaſſent. Hoc autem vt ſtare poteſt cum excuſatione ſenectutis, ob quam non adfuit Concilio Nicæno, quod ſedecim annis Antiocheno illo antiquius fuit? Immo quare Iulio ſenectutis cauſam prætexuit Sozomenus, cur à Concilio Nicæno abfuerit, non autem eam multo magis attulit cur ad Concilium Sardicenſe, quod duobus & viginti annis poſterius Nicæno fuit, non profectus ſit, ſed tantum per Legatos ei interfuerit? Sed quid argumentis opus eſt, cum extet apud Sozomenum ipſum locus expreſſus, qui vno ictu hanc difficultatem euacuat, diſertisq. verbis profitetur, Iulium longo poſt Concilium Nicænum interuallo, & circa tempora conciliabuli Antiocheni aduerſus Euſtathium (qui in Concilio Nicæno Epiſcopus Antiochenus fuerat) celebrati, in Pontificem Romanum electum fuiſſe, atque ideo numquam Sozomeno in mentem venire potuiſſe, vt Concilium Nicænum ſub Iulio collocaret? Ipſe enim Sozomenus, qui lib. 1. cap. xvj. aſſerit Romanum Pontificem ob pondus ætatis Concilio Nicæno non adfuiſſe, quiq. vltimo capite eiuſdem primi libri vniuerſam Concilij Nicæni hiſtoriam omnino abſoluit, præfixa frontiſecundi libri hac clauſula, Hactenus finem habuere quæ in Nicæa geſta ſunt: ac deinde toto ſecundo libro ad ea deſcendit narranda, quæ ſub reliquo Conſtantini imperio contigerunt: is, inquam, ipſe Sozomenus, poſtquam rebus Concilij Nicæni finem poſuit, per integra priora ſecundi libri ſeptemdecim capita percurrit ea quæ inter Concilium Nicænum, & Antiochenum in cauſa Euſtathij celebratum, interceſſerunt; & demum xviij. capite, Antiocheni concilij celebrationem, Euſtathij abdicationem, & Euphronij ſubrogationem deſcripſit: tandem deueniens ad xix. libri ſecundi caput, affirmat ſub id tempus, Silueſtro mortuo, ac in eius locum ad breue ſpatium, id eſt, ſecundum [r] Hieronymum, menſes octo, ſuffecto Marco, Iulium in Sedem Romanam electum fuiſſe. verba eius ſunt: [s] Per id tempus cum Marcus poſt Silueſtrum ad exiguum tempus Epiſcopatum Romanum geſſiſſet, Iulius in illam ſedem ſucceſſit: in ſedem autem Hieroſolymitanam poſt Macarium, Maximus. Hæc non aduertiſſe Bedam & ceteros Latinos ſcriptores, qui Caſſiodori veſtigijs inſiſterunt, minor culpa eſt. non enim extabat penes eos integrum Sozomeni exemplar, vbi hic locus habetur, ſed tantum teſſerulæ quædam in illo hiſtoriæ Tripartitæ vermiculato opere inſertæ. At nonos iſtos cenſores & integro Sozomeni exemplari fretos, & adeo oculatos, vt ſibi nihil non videre videantur, quis excuſare poterit? Sed de his hactenus.

In quem sacrum librum cum incidissem, multumq. in eo posuissem studij, nec potuissem memoria omnia retinere, (nemo enim hominum immensum illud mare omnium quæ in eo recondebantur, memoriter in ore habere poterit) plurima annotaui sanctorum nostrorum Patrum, ac sanæ doctrinæ Episcoporum dogmata, quæq. ijdem aduersus Ariomanitas obiecerunt: & scriptas redargutiones aduersus illorum blasphemiam, qua sceleſti non solum contra Filium Dei, sed etiam contra Spiritum sanctum blasphemabant: & mercenariorum Arij philosophorum aduersus Episcopos contradictiones, & nostrorum aduersus illorum sophismata per expressam doctrinam firmas & apertas solutiones: & de vna illa diuinitate Filij ipsius & Spiritus sancti, quæ ante sæcula extitit, quæq. principium non habet, sed semper cum Deo & Patre subsistit: & de eiusdem Filij, Dei Verbi, in nouissimis temporibus pro salute nostra ex Deipara virgine Maria ineffabili incarnatione: & omnem omnino tractationem illic habitam de Apostolicis Ecclesiæ constitutionibus, quæ in diuino illo libro erat, historica fide retuli, sed omnium maxime fidelissimi Imperatoris Constantini, qui in Synodo consedebat, diuinas & vere Apostolicas sententias. Sed conuincebantur à nobis illius Fidei hoſtes. Neque enim nouerant quæ dicerent, aut de quibus affirmarent. Nam cum proferrem quæ in ſacra illa corona orthodoxorum Dei ſacerdotum in Spiritu ſancto de Domino per eos fuerant explicata, reſiliebant à nobis miſeri, peiorem Ariana blaſphemiam lingua ſua proferentes contra ea quæ illic definita ſunt: & anathema iacientes aduerſus eos qui ita ſentiunt. est accessio, sed Trinitas manet Trinitas. Euntes igitur docete omnes gentes, baptizantes eos in nomine Patris, & Filij, & Spiritus sancti. Hanc sanctam & adorandam sanctæ & irreprehensæ Fidei regulam, cum sancti Apostoli ab ipso Domino accepissent, in vniuersa sub cælo Dei Ecclesia eam prædicauerunt: vt ita propheticum oraculum impleretur, quo dicitur: In omnem terram exiuit sonus eorum, & in fines orbis terræ verba eorum. Post quam definitionem, & adorandum illud donum nobis per sanctos Apostolos à Dei Filio concessum, cum plures iam annos Ecclesiæ persecutio cessasset, nostræ salutis hostis iterum per Arium contra sanctam & irreprehensam Fidem armatur, inusitata quædam blasphema verba contra Saluatorem nostrum introducens, quibus Dei Ecclesiam in toto orbe terrarum conturbauit. Quam ob causam fidelissimus Imperator Constantinus numerosam illam in vrbe Nicæa Synodum congregauit. Cuius acta omnia, cum vt supra dixi, cognouissem prius & perquisiuissem: vix tamen inuenire poteram quæ illic tractata & conscripta sunt, apud plures viros litterarum studiosos tam aperte expressa, quàm apud Ioannem quemdam presbyterum, virum senem & scribendi admodum peritum, in quaternionibus valde antiquis: neque tamen omnia inde habui, sed ex alijs etiam scriptoribus varijs, vt ex Eusebio Pamphili Episcopo Cæsareæ, & Rufino presbytero Romano, & ex ijs qui sanctæ illi Synodo interfuerunt, alijsq. plurimis. Neque vero totius harmoniæ consequentiam inueni in sacro illo codice, in quem, vt supra dixi, prius incideram. Solus admirandus ille Eusebius Pamphili, constanter publicam veritatis viam ab aduentu Domini vsque ad magni Constantini tempora ingressus est. Sed neque omnia inuenire potui, præter nota mihi & veritatis propria, in eo libro quem prius ego legeram: cum autem ex vtrisque aliqua collegissem, necessarium existimaui illa in hoc libro describere ad communem vtilitatem, atque confirmationem eorum qui in hæc scripta inciderint. Exordiemur deinceps sermonem nostrum (præeunte atque ducente nos Deo Verbo semper viuente) à temporibus regni religiosissimi & Christigeri regis Constantini, qui Synodum Episcoporum in ciuitate Nicæa congregari iussit. In alio commentario, si Deo placet, natiuitatem ipsius Deo charissimi Constantini, ac statum temporum quibus pater eius regnauit, referam.

CAPVT I.

NON multo post tempore (vt inquit Eusebius) quàm tyranni Diocletianus & Maximianus deposita regali purpura, priuatam vitam elegerunt, Imperator Constantius [tota vita clementissimus] subiectis beneuolentissimus, & erga diuinum Verbum amicissime affectus, cum germanum filium suum Constantinum Imperator-

peratorem & Augustum pro se reliquisset, communi naturæ lege finem viuendi fecit. Post mortem dignus habitus omni honore qui Imperatori debebatur, quippe vir & optimus & mansuetissimus fuit, quiq. solus inter Imperatores nostræ memoriæ, totum regni sui tempus, vt imperij dignitas postulat, exegit: & cum in alijs omnibus humanissimum & beneficentissimum sese præberet, laudabilem admodum & beatum vitæ exitum consecutus est. Solus ex Imperatoribus ob filium ingenuum, quem post se in imperio successorem reliquit, principem in omnibus modestissimum & sanctissimum, prospere ac glorioſe excessit è vita. Huius filius Constantinus, Imperator summus & augustus, cum ab exercitibus, tum multo ante ab ipso Deo summo omnium Imperatore declaratus, statim à principio se paternæ pietatis erga religionem nostram æmulum & imitatorem præstitit. Et post aliqua:

Euſeb. lib. 9. c. 8. Cum sic Constantinus (quem Imperatorem ex Imperatore, religiosum ex religiosissimo patre & omnino modestissimo natum diximus) prudentia & pietate ornatus, Dei Imperatoris omnium & Saluatoris instinctu, contra impijssimos tyrannos excitatus esset: Romæ quidem, Deo opem ferente, Maxentius præter omnium opinionem ab ipso deuictus, cadit: qui vero in Oriente tyrannus, non multo tempore illi superstes, à Licinio nondum insaniente (quem religiosissimus Imperator Constantinus eò contra illum miserat) superatus, turpissima morte vitam finijt. Constantinus autem honore & imperij gradu summus, eorum qui Romæ tyrannide opprimebantur, antea misertus, postquam Deum cæli, Verbumq. eius IESVM Christum saluatorem omnium, adiutorem sibi precibus inuocasset, Romam cum omnibus copijs proficiscitur, vt Romanis pristinam libertatem, quam à maioribus acceperunt, restitueret. Hæc Eusebius. Licet Rufinus non ordine rerum omnem consequentiam, & veritatis harmoniam sequutus, illustris illius Eusebij Pamphili historiam exposuerit: tamen ego quæcumque affinia Eusebianæ historiæ inuenero, cum in Rufino, tum in scriptoribus alijs, vbi ea collegerim, vt supra dixi, huic operi inferam. Ille vero sic ait: Postquam Diocletianus & Maximianus regni insignia deposuissent, ac Constantius excessisset è vita, reliqui Romani imperij reges qui simul imperabant, hi erant. Constantinus in partem patris sui successit, quæ ab ea quæ vocatur Europa incipiens, ad Danubium vsque protenditur, vtramque Scythiam, Celtas omnes, Illyrios, Sarmatas, & omnem barbarorum terram quæ ad Rhenum fluuium porrigitur, atque Macedoniam, & vicinum mare complexa, Thessaliam, & Achaiam, & quæcumque ad Occidentem solem vergentia Ionio terminantur mari. Maximinus Diocletiani filius (vt ait Eusebius) omnes ad Orientem gentes: Maxentius vero Romam, & quæ ab Italia ad Oceanum protenduntur, administrauit.

CAPVT II.

POstquam Constantinus patri legitime parentasset,& consuetos persoluisset honores, otium in ea Romanorum calamitate, sibi inter supplicia esse duxit. Audiuit enim Romam Maxētij improbitate grauiter affligi, qui regni moderationem in sæuam tyrannidem commutauerat. Multos enim principes viros indicta causa neci dedit: supplicia & exilia irrogare, agros & honores tribuere sine delectu consueuit: alienas coniuges quarum amore capiebatur, aut fraude in stuprum illexit, aut imperijs ad flagitium impulit. nulli tutum erat formosam vxorem habere: pudicitiæ tutandæ causa, multa erat in tota vrbe cædes. Cum hæc aliaq. plurima,quæ huius instituti non sunt, Constantinus Deo charissimus audiuisset, grauiter commotus est. Viris enim pijs proprium dolorem commouet aliena iniuria.

ΠΕΡΙ ΤΟΥ ΒΑΣΙΛΕΩΣ ΚΩΝΣΤΑΝΤΙΝΟΥ, ὅπως κατὰ τοῦ τυράννου Μαξεντίου ἐστρατεύσατο.

DE REGE CONSTANTINO, quomodo exercitum contra tyrannum Maxentium duxit.

CAP. III.

Ἐδόκει δὴ αὐτῷ λοιπὸν τῶν ὅπλων ἅπτεσθαι, καὶ τοῖς πιαῖσι παύσασθαι Ῥωμαίοις ἐπαμῦναι. τὸ γὰρ ἑαυτοῦ τῶν κακῶν ἐξελέσθαι, ἴσον εἶναι, ἔφη, καὶ πάντας ἀνθρώπους διασῶσαι. βουλὴν δὲ λαμβάνει, πρότερον τὰς δοκούσας τύραννος πόλεις τῆς Ῥωμαίων ἡγεμονίας ἀπακαλέσασθαι, τὰς μὲν τοῖς λόγοις, τὰς δὲ τοῖς ὅπλοις, τὰς δὲ τῇ τῆς φιλανθρωπίας δωρεᾷ· τοῖς τε γὰρ φόρους αὐτοῖς κουφοτέρους ἀπέφηνε, καὶ τὴν τῆς ἀκροάσεως ἰσότητα παρεῖχε, τὰς τε νεωτερισμοῦ καὶ δουλείας σπουδῇ διέλυε, σοφῶν μᾶλλον ἢ φοβῶν· εἰδὼς τὰ Σαύρων καὶ τὰ Φράγκων ἔτι τὰ Γερμανῶν ἔθνη φιλόκαινά τι εἶναι, καὶ πρὸς τὰς τῶν βασιλέων ἐπαναστάσεις ἕτοιμον ἔχειν ὁρμὴν, καὶ νόμου πολλάκις τὴν γνώμην πείθεσθαι. ὑπῆκτο δὲ καὶ Σπάνους ἔτι Βρεττανοὺς καὶ τὰς αὐτόθι νήσους καὶ τὰ λοιπὰ γῆς, καὶ ἅπαντας τοὺς τῶν πρὸς ἡλίου δυσμῶν γινομένους μάρτυρας· εἰδέναι φασὶν εἴ τι ἀληθῶς τῷ ὠκεανῷ καταδύεται, εἴ τι πρὸς τὸ ὕδωρ φθάνει, πάλιν δι' ἑτέρας ὁδοῦ πρὸς ἡμᾶς ἀνακάμπτει. ἔλαε δὲ καὶ τῷ κρατεῖ τῶν ὅπλων τὰ αὐτόθι βάρβαρα φῦλα, παρέργῳ τῆς μάχης πρὸς τὸ ἔργον συγχρησάμενος. τοὺς μὲν γὰρ ὑποτάξας, τοὺς δὲ μισθοδοτήσας, τοὺς φίλους αὖτι πολεμίων, ἐκ συνήθους αὖτι παλαιῶν ἐχθρῶν καταστήσας, ἐπανήγαγε πάντας συμμάχους, οὐδένα λυπήσας, οὐδὲ πολιορκήσας, καὶ ὅπι τῶν ἐπέρων σωτηρίαν ἐπιχθείς. ἅπου γὰρ ὁ θεὸς συμμαχεῖ, πάντα κατόρθωται, καὶ τὸν ἀνθρώπινον λογισμὸν ὑπεραίρει. μετὰ τοιαύτης φιλοθέου γνώμης ὁ πάντα πιστὸς Κωνσταντῖνος, τὸν Ῥῆνον ὅπι δεξιᾶ διαβαὶς, καὶ πολλὰ μὲν ὄρη, πολλοὺς δὲ ποταμοὺς ἀνωνύμους, ὀλίγῳ στρατῷ πραγωθεὶς, πολλὰ τὰ βάρβαρα ἔθνη χειρωσάμενος, Γαλάτων τε καὶ Φράγκων καὶ Σπάνων δέκα ἔθνη

Placuit postea Constantino arma capere, & Romanos à talibus iniurijs vindicare, nam illos ex malis eripere perinde esse dicebat atque omnes homines seruare. Primum statuit reuocare vrbes quæ à Romano imperio desciuerunt, alias quidem verbis,alias vero armis, nonnullas etiam beneficentiæ & humanitatis officijs.Nam tributa leuiora reddidit: in hominibus audiendis admittendisq. æquabilem se præbuit: rerum nouarum studia & insolentias caute sustulit, silentio magis quàm metu; sciens Saurorum, Francorum, & Germanorum gentes, nouitatis studiosas, ad omnes regum motus facile concitari, ac sæpe animi sensum tamquam legem sequi. adduxit etiam Hispanos, Britannos, & insularum quæ illic sunt incolas, atque nationes reliquas: omnes etiam occasus solis testes, qui se scire gloriantur vtrum sol vere Oceano immergatur, siue circum aquas currens, rursum alia via ad nos redeat: barbaras illic gentes vi & armis cepit, hac velut belli accessione ad susceptum bellum opportune postea vsurus. Ex ijs populis alios quidem subegit, alijs stipendia soluit, nonnullos etiam ex hostibus amicos, ex veteribus inimicis familiares & coniunctos reddidit: omnes futuri belli socios sibi adiunxit, neminem lædens, nec obsidione premens, sed ad aliorum salutem magna festinatione properans. Deo enim belli adiutore, omnia recte geruntur, & humana consilia ad meliores proue-

huntur exitus. Cum hoc igitur tam piũ consilium in animo haberet fidelissimus Imperator Constantinus, Rhenum flumen ad dextram traiecit: multos montes, multos etiam sine nomine fluuios cum exiguis primum copijs transiisit: deinde barbaris multis subactis, Gallorum, Francorum, & Hispanorum decem nationibus

sibi adiunctis, reliquum omnem exercitum ad Italiæ montes perduxit. Maxentium tam inopinatæ rei nuntius magnopere commouit. Numquam enim putauit fore, vt quispiam exercitum per tam latas regiones traijceret, easq. montibus, fluuijs, & multorum barbarorum armis intercluſas, atque alijs etiam difficultatibus, quæ in locis deſertis ſua ſponte proueniunt. Regnorum enim præſidium maximum plerumque ſit ipſa locorum ſolitudo. Placuit interim exercitum clam Roma egreſſum multa cum celeritate aduerſum ducere, & hoſtem ab Italia depellere. Vbi vero contra inſtructæ erant acies, & viſa vtrinque militaria ſigna, tum non eadem ſpe pugnaturi videbantur. Romani enim expoſiti, & per phalanges effuſi, tum multa ceſſatione & quiete recreati, digni videbantur qui pugnam cum hoſte committerent, ſpiritus magnos gerentes & vrbe ipſa dignos. Conſtantini vero milites in armis ſtantes inſtructi, multam quidem terram occupauerunt: multa vero ſpolia & exuuias belli auide collegerunt, curſu magis victoriæ vtentes, quàm fructum aliquem percipientes ex rebus captis. Ceterum longa defatigatione fracti, nimia laborum aſſiduitate languentes erant & remiſſi.

A προσαγόμενος, προσῆγε λοιπὸν τῆς Ἰταλίας ὄρεσι τὸ στράτευμα. Ταῦτα ἀκούσαντι τῷ Μαξεντίῳ, περιοχὴ ἦν ἀδόκητος· οὐ γὰρ ἂν ποτε τοιούτῳ χώρᾳ διαβῆναι προσεδόκα, ὄρεσι, καὶ πταμοῖς, καὶ πολλοῖς βαρβάροις πεφραγμένῃ, καὶ ταῖς αὐτοφυέσι τῆς ἐρημίας δυσχερείαις. μέγιστον γὰρ γίνεται πολλάκις ὀπλοφύλαξ βασιλείας ἡ τῶν τόπων ἐρημία. ἔδοξε δὴ ἐδόκει, σὺν πολλῷ τάχει τῆς Ῥώμης ἐκπεξελθόντα τὸν στρατὸν αὐθυπεξάγειν, καὶ τὴν Ἰταλίας πᾶσαν ἀποκρούσασθαι. ὡς δὲ ἀντιπαρετάξαντο, καὶ τὰ σημεῖα εἶδον ἀλλήλων, ἐνταῦθα ἡ μάχη λοιπὸν οὔπω ἔχει τὰς ἐλπίδας. οἱ μὲν γὰρ ἀπὸ Ῥώμης προεκπηδήσαντες, καὶ κατὰ φάλαγγας ἐκχεόμενοι, καὶ ἐκ πολλῆς ἐκτεχνίας ἀναπαύσεως ὄντες, ἐδόκουν ἀξιόμαχοι καταφαίνεσθαι φρόνημα φέρειν ἄξιον τῆς πόλεως ἐφ' ἁμίλλῃ. οἱ δὲ μὴ Κωνσταντίνῳ προσηκόμενοι πολλὴν μὲν κατέλήφεσαν γῆν, πολλὰ δὲ λάφυρα καὶ σκῦλα τοῦ πολέμου συνήγαγον πόθῳ, ὁρμῇ δὲ μᾶλλον τῆς νίκης, ἢ δορυφορίᾳ τῶν εἰλημμένων χρησόμενοι· ἤδη δὲ λοιπὸν ἦσαν καὶ τὴν κάμψιν ἀπαγορεύοντες, καὶ ταῖς τῶν πονηρῶν τῶν πόνων ἐκλύσεσι.

DE CRVCE QVAE APPARVIT Conſtantino in cælo.

CAP. IV.

CVm ad hunc modum pugnare decreuiſſent, & copiæ viribus pares vtrinque ſtarent inſtructæ, Deus Conſtantinum cælitus armat, oſtendens ei in cælo ſalutare Crucis ſignum ex lucis ſplendore in cælo figuratum. litteræ vero viſionis vim omnem & ſenſum explicabant, quibus ſcribebatur: Hoc vince. Hæc narratio infidelibus fabula & commentum eſſe videtur, in gratiam doctrinæ noſtræ: ſed vera credere aſſuetis, certa rei geſtæ declaratio. Nam Deus qui ſignum iſtud pinxit, reipſa poſtea oſtendit gratiam litteris ſignificatam minime vanam fuiſſe. Quòd ſi nondum perſuademus quod ſcribimus, (prius enim hiſtoriam ſcribimus, eo quod rem omnem paulo altius arceſſentes, colligamus quæ ab illo vtiliter geſta ſunt in vita) verum ijs quæ deinceps ſequuntur credere oportet, quæ cum noſtra etiam ætate, qui ſub Conſtantio Conſtantini filio militabant, ſuis vidiſſent oculis, veterem infidelitatem nouis viſionibus ſanarunt. Si Hebræi his contradixerint, multa ex eorum libris incredibiliora proferri poſſunt, quæ tamen vera eſſe creduntur: vt maria pedibus peragrari: aquas velut muros concretas ſtare & ſolidas: per pelagus iter fieri: Deum in rubo loqui: flammam leges ferre: tubam ſine organo in ſolitudine perſonare: Angelos ad prælium inſtrui, principes militiæ Domini pro exercitu pugnare; & lapides velut grandinem cadere, & tela ignea pro conſuetis haſtis emitti. nihilominus facile omnes iſtis, ſi recte ſapimus, aſſentimur. Deo enim volente, nihil eſt quod fieri non poſſit.

ΠΕΡΙ ΤΟΥ ΣΤΑΥΡΟΥ ΤΟΥ ΟΦΘΕΝΤΟΣ ἐν ὁράματι τῷ βασιλεῖ Κωνσταντίνῳ.

ΟΥτω δὴ κεκραμένης τῆς μάχης, καὶ τῆς παρατάξεως ἐσπουδασμένου οὔσης, ὁρᾶται ὁ θεὸς Κωνσταντῖνον ἐπαλίζει, δείξας αὐτῷ τὸ σωτήριον τοῦ σταυροῦ σύμβολον φωτειδῶς ἐν οὐρανῷ· γράμματα δὲ ἐμήνυε τὸ ὕψους τὸν δυνάμιν, λέγοντα· Τούτῳ νίκα. τοῦτο τὸ δήγημα τοῖς μὲν ἀπίστοις μῦθος εἶναι δοκεῖ καὶ πλάσμα, τοῖσδε ἡμετέροις δόγμασι κεχαρισμένον· τοῖς δ' ἀληθῆ πεῖραν πεπωκόσιν, ἐναργὴς τοῦ πράγματος ἡ διδασκαλία. ὁ γὰρ τοῦ συμβόλου ζωγράφος θεὸς, ἔδειξεν ἔργῳ μὴ ταῦτα τῷ ἀληθεύοντι τοῦ γράμματος χάριν. εἰ δὲ μήπω πιθόμεθα ἃ γράφομεν· ἀσύντακτον γὰρ ἱστορίαν γράφομεν, ἀφ' ὧν τὸ μικρὸν αὔξησιν ἡμᾶς τὰ χρήσιμα συλλέγειν τῶν ἐκείνῳ βεβιωμένων· ἀλλ' ὅτε ἐν τοῖς ἀφεξῆς ἀπιστεῖν δεῖ, ἃ δὲ ὀφείλει τῆς ἡμετέρας γλώσσης εἰ Κωνσταντίῳ τῷ Κωνσταντίνου παιδὶ συμπεφορτίσμενοι, καὶ αὐτοπήσαντες, τὴν παλαιὰν ἀπιστίαν νεαραῖς ὄψεσιν ἐξεκρούσασθε. εἴ τι γὰρ ἐβραῖοι εἶεν οἱ πύργοις ἀπλέοντες, πολλῷ πύργων ἀπιστότερα τὰ ἐν ταῖς ἐκείνων βίβλοις πεπλασμένα· θαλάσσα πεζευομένη, καὶ ὕδωρ πηγάζον, καὶ πέλαγος ὁδοιπορούμενον, καὶ θεὸς ἐν βάτῳ φθεγγόμενος, καὶ φλὸξ νομοθετοῦσα, καὶ σάλπιγξ ἄνευ ὀργάνου τὴν ἔρημον σωνηχοῦσα, καὶ ἄγγελοι συμπαραταττόμενοι, καὶ ἀρχιστράτηγοι δυνάμεως κυρίου τῆς φάλαγγος ὑπερμαχοῦντες, καὶ λίθοι χάλαζης, καὶ βέλη πυρὸς ἀντὶ τῶν συνήθων δοράτων βαλλόμενα· καὶ ὅμως ἀνέξεσθε πάντες εἰ εὖ φρονοῦντες συζήσομεν. ἀπιστούμενα, οὐδὲν αἴτιον· ἃ δὲ

A Si vero Græci miraculum istud minus probauerint, multa dicere possumus, quibus nunc censemus esse supersedendum. Quanta Alexandro volenti copias Granicum flumen traijcere & bellum Dario inferre, vaticinati sunt arioli? atque hæc eorum commenta, nullam euidentem sui demonstrationem habent. Quòmodo Socratis philosophi dæmonium voce prænuntiare illi potuerat rerum non agendarum euentus? Quomodo vero quæ de Pythagora Samio ab ipsius discipulis scripta sunt? Poëtarum figmenta, ac quo pacto inter illos nonnulli fama celebres, B quosdam eorum quos deos esse existimant, vna cum ipsis militare & bellare scribant, consulto prætereo, ne quis me fabulosa cum veris, & quæ nusquam gesta, cum gestis comparare velle putet. Præpotentem autem Dei Christi gratiam ex quo inter homines ea exuberauit, & in cælo, & in terra, & in mari, & in plantis, & in lignis, & in vestibus, & in morbo, & in sanitate, & in cibo, & in potu, tutissimum præsidium, & malorum tam præsentium quàm futurorum remedium esse, experti norunt, & nos etiam in progressu historiæ suo tempore exponemus.

Ὁ δ' οὖν Κωνσταντῖνος τὸν ἔ θεώμενος ὅπλον εἰς τροπαίου σχῆμα μεταβαλών, καὶ χρυσοκολλήτοις λίθοις σεσαρμένος, εἰς δόρατός τε ἀπαρτίαιος ὑψηλοτάτου ὅπλον, ἐκδιδοῖ φέρειν τοῖς σωματοφύλαξι, τὸν τῶν γραμμάτων ἐπόχειον δηλοῦντα τῶν ἔργων λοιπὸν ἀπείζητον· καὶ τῆς ἐλπίδος οὐ διήμαρτε· θᾶττον μὲν οἷς πεφάσθαι πεδίοις, τάχυτέραν ἢ τῆς ὄψεως τὸν νίκην ἐπιδεξάμενος.

Constantinus igitur signum quod viderat, in vexillum suum transtulit, idq. auro & lapidibus pretiosis intextum, ac in longissimæ hastæ speciem efformatum, primis equitibus perferendum dedit, litterarum promissa reipsa deinceps explorare cupiens: nec spe sua frustratus est. cito enim cum credidisset ijs quæ viderat, pene citius victoria potitus est.

CAPVT VI.

Ὁ μὲν οὖν Κωνσταντῖνος τὸν πολὺν τοῦ πολέμου κάματον τῇ πρὸ ὀφθαλμῶν ἐχόμενος, καὶ ἔ δὴ τὴν Ῥώμης κράτος ἐκ ὑφορώμενος, ἀναίμως αὐτοπαρεσκεύαστο. Μαξέντιος ἢ τὸν Κωνσταντίνου ἀλκὴν δείσας, ἔτι τε καὶ τὸ μῖσος Ῥωμαίων ὑφορώμενος· πρὸς δὲ τοὺς πλείονας διὰ τὴν ἀσωτίαν αὐτοῦ δυσβίβλητον· ἐσκέψατο δόλῳ τὸν ἐπιβουλὴν μεπλῆξαι· ὁ δὲ δόλος ἐφύετο ὧδε ὡς μηχανῆς εἶδος ἀπὸ τῆς τοιούτου συμπαγείας· τὸ μὲν δὴ φαινόμενον κάτωθεν, διαβαίνειν ὧδε τὸν Κωνσταντῖνον ἐποδεχόμενον· τὸ ἢ λανθάνον πρὸς ὧδε πλατὺ, τοῖς ἐκείνου βήμασι σωτηρίοις. διαβλῶσι δὲ μικρὸν ἔδει, καὶ τὸ μηχάνημα λέλυτο, καὶ ὁ πολέμιος ἄληπτο, πάθον ἀδόκητον ἔ ἀπωλείας τὸν τόπον λαβόν. ἀλλ' ὁ μὲν ἅτας ἐκδίδοσι ἔ ἐπιβάσεως τὸ ἡγεμονικὸν· θεία ἢ χάρις τοῖς οἰκείοις ἀφίσταται τῶν κακῶν τεχνίτην ἐμβάλλει. πρὶν δὲ Κωνσταντῖνον ἁλῶναι, φθάσας αὐτὸς ὑπαντᾷ τῇ εἰκείᾳ τέχνῃ ὁ τύραννος, καὶ αὐτὸς τυραννοκτόνος ἰδίᾳ γενόμενος,

E Si quid illustrius esset quod hoc miraculum non admitteret, sed aliquid haberet in se, quod nos nolimus dicere. Quanta Alexandro volenti copias Granicum flumen traijcere & bellum Dario inferre, vaticinati sunt arioli? atque hæc eorum commenta, nullam euidentem sui demonstrationem habent. Quòmodo Socratis philosophi dæmonium voce prænuntiare illi potuerat rerum non agendarum euentus? Quomodo vero quæ de Pythagora Samio ab ipsius discipulis scripta sunt? Poëtarum figmenta, ac quo pacto inter illos nonnulli fama celebres, quosdam eorum quos deos esse existimant, vna cum ipsis militare & bellare scribant, consulto prætereo, ne quis me fabulosa cum veris, & quæ nusquam gesta, cum gestis comparare velle putet. Præpotentem autem Dei Christi gratiam ex quo inter homines ea exuberauit, & in cælo, & in terra, & in mari, & in plantis, & in lignis, & in vestibus, & in morbo, & in sanitate, & in cibo, & in potu, tutissimum præsidium, & malorum tam præsentium quàm futurorum remedium esse, experti norunt, & nos etiam in progressu historiæ suo tempore exponemus.

Maxentius vero Constantini vires metuens, & Romanorum in se odium suspectum habens (plurimis enim ob nequitiam suam inuisus erat) dolo moliebatur insidias: dolum in ponte parabat, quem hac arte compegit: quod aperte extabat & apparebat, Constantinum recipere & transitum præbere posse videbatur: sed latebat occulte deceptionis laqueus, ad illius pedes irretiendos paratus. Nam progredi solum in eo paulum oportuit hostem, vt soluta machina captus inopinata morte in eo loco periret, atque sic ille, flumen traiecturis retia posuit. Sed diuina gratia malorum artificem, suis ipsius technis implicuit. Nam antequam caperetur Constantinus, tyrannus ipse prior progressus in sua incidit retia, & illic sui ipsius tyrannicida factus, non inutiles

tiles ipse sibi insidias in conspectu Romæ posuisse visus est; ad pontem Miluium dictum. Maxentius ipse demersus in flumen suffocatus perijt, vt merito (quemadmodum inquit Eusebius Pamphili) exclamare potuerit populus Romanus: Cantemus Domino, gloriose enim magnificatus est, equum & ascensorem deiecit in mare: adiutor & protector factus est mihi ad salutem. &, Quis similis tibi in dijs Domine? quis similis tibi glorioſus in sanctis, admirabilis in laudibus, faciens prodigia? Cum hæc aliaq. insuper his similia & germana Constantinus addidisset, omnium ducem & victoriæ auctorem Deum & vnigenitum eius filium IESVM Christum reipsa celebrans, Romã cum triumpho & celebri pompa ingreditur: omnibus confertim tam qui senatorio ordine, quàm qui alijs dignitatum ornamentis illustres erant, cum toto populo Romano, infantibus simul & mulieribus, læto oculorum obtutu & labentibus animis, tamquam liberatorem, seruatorem & beneficum patronum suum, cum faustis acclamationibus & insatiabili gaudio illum excipientibus. Ille vero insita in Deum pietate imbutus, applausu illo strepituq. populari nullo pacto elatus, sed auxilij à Deo allati sibi probe conscius, statim salutaris passionis trophæum in manu propriæ imaginis poni iubet: & cum statuam ipsius dextra Crucis signum tenentem, Romæ in loco populi frequentia maxime celebri collocarint, hanc inscriptionem his ipsius verbis Latino sermone in ea incidi mandat: Hoc salutari signo, vero fortitudinis indicio ciuitatem vestram tyrannidis iugo liberaui, & S. P. Q. R. in libertatem vindicans, pristinæ amplitudini & splendori restitui. hæc Eusebius.

DE LICINIO A CONSTANTINO PIO missо contra tyrannum qui in Oriente erat.

CAPVT VII.

RVfinus ille Gelasius sic ait: Post hæc rogauit senatus Licinium Constantiæ sororis Constantini illius pij maritum, vt vna cum Constantino regnaret: hunc statim in Orientem contra tyrannum qui illic erat misit, salutem Christianorum qui illic erant procurans. Pius enim Imperator tantis beneficijs à Deo affectus, bonam gratiam benefico illi rependere omni studio contendit: ea erat Christianorum afflictionem quiete aliqua & remissione leuare, & alios de exilio reducere, quosdam è carcere & vinculis emittere, nonnullos cum bonis suis publicatos, in integrum restituere, & ipsorum Ecclesias instaurare: omnia vero summa cum animi alacritate fecit, ea quæ Christi sunt sapiens in omnibus: cum Christianus esset, omnia tamquã Christianus fecit, Dei quidem Ecclesias extruens, & pretiosis ornans donarijs; Gentilium vero templa dirui iubens & incendi.

DE MAXIMINI ORIENTIS tyranni dementia.

CAPVT VIII.

ORientis ille tyrannus Dei Ecclesias interea depopulabatur. Decepit ipsum huiusmodi causa: magnitudinem imperij quod ei supra meritum obtigerat, ferre atque sustinere non poterat, sed honesti regijq. ingenij expers, inepte & perperam res gerebat: graui atque intolerabili arrogantia in omnibus rebus elatus, etiam contra Imperij socios, maxime vero contra Constantinum (qui rebus omnibus illi longe
B antecellebat, genere, educatione, institutione, dignitate, & prouidentia, quique, quod omnium caput est, animi moderatione & vera erga Deum pietate præfulgebat) audere quæuis & attentare animum induxit, & in honoribus votisq. publicis sese primo loco renuntiare: mox stultitiam in furorem vertens, fœdera cum Licinio pacta rupit, ac bellum nullis inducijs dirimendum concitauit. Postremo cum breui omnia miscuisset, totamq. ciuitatem turbasset, atque confeciisset exercitum decem millium virorum, exit ad pugnam, tam contra Licinium ipsum,
C quàm qui illum miserat Constantinum. Sed manus conferens, diuina ope destituitur, victoria tunc ab ipso vno omnium Deo, victori Constantino subministrata. Primum sceleratus ille eam armatorum militum manum, cui confidebat plurimum, amisit: mox satellitum præsidio nudatus, & ab alijs omnibus, qui relicto illo ad victorem confugerant, desertus, clam discessit miser: & regium ornatum, qui parum sane illum decebat, timide simul & iracunde & muliebriter exuens, multitudini sese immiscet: fuga deinde elapsus, & in agris vicisq. latitans, vix hostium manus euitauit, saluti suæ consulens. Atqui inde reipsa
D ostendere licet, certa admodum veraq. esse diuina oracula, in quibus dicitur: Non saluatur Rex per multas copias suas, & gigas non saluabitur in multitudine fortitudinis suæ: fallax equus ad salutem: in abundantia autem virtutis suæ non saluabitur. Ecce oculi Domini super metuentes eum, & in ijs qui sperant super misericordia eius, vt eruat à morte animas eorum. Porro impius ille repentina Dei plaga percussus in secunda belli conflictatione occumbit, alium vitæ exitum sortitus, quàm qui ducibus bellicosis contingere solet, qui pro virtute & pro amicis ac familiaribus fortiter se gerentes, fidenti animo glorioſam mortem oppetunt. Ille vero
E impius & Dei aduersarius interea dum exercitus suus in armis staret, ipse domi moratus, intra parietes latitans debitas luit pœnas, inopinato Dei flagello percussus: sic vt graui dolore, & acerbo cruciatus sensu agitatus, prius quàm occideret, dira fame conficeretur: eius etiam caro vniuersa, ardore cælitus inuecto & non conspicuo intabesceret, sic vt diffluens, pristinæ formæ effigies tota deleretur, exiccaren-

DE ECCLESIARVM *instauratione.*

CAPVT IX.

CVM ad hunc modum Maximinus, inter reliquos pietatis hostes longe deterrimus, è medio sublatus esset: Ecclesiæ, gratia Dei omnipotentis, ab ipsis fundamentis instaurari cœperunt: & Christi verbum, ad gloriam Dei rerum omnium moderatoris efflorescens, maiorem quàm antea recuperauit libertatem. Hæc in nono libro Ecclesiasticæ historiæ scripsit optimus ille Eusebius Pamphili: ex illius enim & aliorum laboribus, vt supra dixi, summa capita decerpens, præsentem hunc libellum qua possum breuitate contexo, summo studio festinans sermonem deducere ad summum illũ, illustrem, sanctum & diuinum montem Apostolicæ illius & laudabilis Synodi sacerdotum Dei, quæ Nicææ fuit: maxime cum Prophetam velut manu prehendentem & hortantem videam: Venite, inquit, ascendamus ad montem Domini, & ad domum Dei Iacob: & annuntiabit nobis viam suam, & ambulabimus in ea. ex Sion enim exibit lex, & verbũ Domini ex Hierusalem. Vere enim Sion & Hierusalẽ, & mons Domini altissimus, & domus Dei Iacob, est diuinus ille orthodoxorum Dei sacerdotum cœtus, in Spiritu sancto consultantium, & docentium per scripturas Propheticas, Euangelicas, & Apostolicas, verbum vitæ, hoc est, Filium Dei: nempe quòd vere increatus sit secundum naturam suæ diuinitatis, non creatus, quemadmodum contra illum blasphemauit Dei hostis & impius ille Arius: quòd eiusdem naturæ & substantiæ sit cum Patre qui eum ante omnia sæcula genuit: quòd denique & Spiritus sanctus eiusdem pariter diuinitatis & essentiæ sit cum Patre & Filio, manifestissime ostenderunt. Et vere hic ille altus Dei mons nobis supra fuit (quemadmodum & antea declarauit sermo ab ipso Domino per Apostolos nobis traditus, & nunc per ipsius sacerdotes Nicææ congregatos expressis testimonijs clare explicatus) veneranda illa & sancta Fidei regula, de qua clarius, iuuante Deo, progrediente longius sermone à nobis differetur. Sed ad propositum.

A Ecclesiasticæ historiæ argumentum reuertamur, repetentes ea quibus Deus populo suo subuenerit, & tyrannos è medio sustulerit per dilectum seruum sunm Imperatorem Constantinum: quã per eumdem pacem conciliauerit omnibus in toto orbe Ecclesijs. Solus magnus Dominus, qui facit mirabilia magna solus, & inscrutabilia, quorum non est numerus: qui occasiones & tempora commutat: qui deponit reges & constituit: suscitans à terra inopem, & de stercore erigens pauperem: deposuit potentes de sede, & exaltauit humiles à terra: esurientes impleuit bonis, & diuites dimisit inanes, & brachia superborum contriuit: qui est rerum admirabilium opifex, qui magnarum architectus, qui vniuersarum Dominus, qui totius mundi fabricator, qui omnipotens, totus bonus, vnus & solus Deus. cui nouum canticum cantemus, obsequentes ei qui facit mirabilia magna solus, quoniam in sæculum misericordia eius: ei qui percussit reges magnos, & occidit reges fortes, quoniam in sæculum misericordia eius: quia in humilitate nostra recordatus est nostri Dominus. Ob hæc omnia numquam desinamus celebrare vniuersorum Deum, & vnigenitum eius filium IESVM Christum, dominum nostrum, illum cum Patre omnium bonorum nobis auctorem, diuinæ cognitionis interpretem, veræ erga ipsum pietatis magistrum, impiorum euersorem, interfectorem tyrannorum, vitæ nostræ moderatorem, & nostrum omnium, cum reiecti & repudiati essemus, saluatorem IESVM, vno omnes ore, vnoq. corde celebremus: quòd solus tamquam optimi Patris optimus Filius, paterna sua ipsius & Spiritus etiam sancti clementia, saluti nostræ, cum in peccatorum corruptione & sordibus iaceremus, prospicere cupiens, naturam nostram libenter induerit: & tamquam optimus medicus, infirmitatem nostram subleuans, & morbos auferens, tunc & semper salutem & vitam nostro generi restituerit. qui Rex regum populi sui curam agens, dilectum seruum suum Constantinum pietatis erga se & Fidei armis munitum, in impios tyrannos, Maxentium Romæ, & Maximinum in Oriente concitauit: quibus per illum è medio sublatis, summam & tranquillam pacem populo suo reddidit.

Inuidia enim contra Constantinum, à quo plurima beneficia accepit, inflammatus, pestiferum & crudele bellum illi infert: non naturæ leges reueritus, non iurisiurandi, non sanguinis, non fœderum recordatus. Tanta igitur sunt & tam sancta pietatis arma, vt non solum ad depulsionem hostium, sed ad salutis etiam nostræ propugnationem satis præsidij habeant: quibus sanctissimus Imperator noster præclare septus, multiplices & callidas execrabilis hostis insidias diuino auxilio effugit. Licinius deinde vbi clandestinos conatus suos neutiquam ex animi sententia succedere vidit (Deus enim omnem dolum ac fallaciam pio Imperatori aperuerat) nec posset amplius facinus suum celare, bellum palam mouet: ac dum cum Constantino bellum suscipere constituit, iam etiam contra vniuersorum Deum Constantini custodem, quemq. norat Constantinum colere, aciem instruere instituit: & ab eo tempore pios homines imperio suo subditos misere vexauit. & post alia quædam: Modus autem & ratio cædis qua eos perdere constituit, peregrina fuit, & antea numquam vlla sæculorum memoria audita: ceterum eas, quæ prope Amasiam sunt, & reliquas Ponti ciuitates, quantis malis affligi iussit, omnem etiam exuperantiam crudelitatis superât. Illic ex Ecclesijs Dei alias deiecit & solo adæquauit, alias occludi iussit, ne quisquam eorum qui eas frequentare consueuerant, eo commearet, neve debitos cultus & vota Deo redderet: non enim pro se illa fieri existimabat (quomodo enim aliter cogitare potuit qui Deum odit? praua conscientia illud secum ipse reputans,) sed nos pro Imperatore pio Constantino omnia exequi, & Deum placare persuasum habuit. Hac itaque opinione concitatus, omnem furoris sui impetum in nos intorquere statuit. & paulo post: Multi Episcoporum sine causa abripiebantur ad supplicium, & puniebantur tamquam sicarij, qui nihil mali commiserunt: nouum mortis genus subierunt: corpora eorum primum gladio in multas particulas dissecabantur, deinde post crudele illud & horrendum spectaculum in altos maris gurgites quo à piscibus deuorarentur abijciebantur. his accessérant

ᵃ Ἠθμίσων

Hæc quidem ille.qui vero Eusebij veritati adhærere malunt, aiunt Imperatores ambos,patrem Constantinum & Crispum filium diuiso exercitu contra impium tyrannum profectos, Crispum quidem filium cum copijs suis in Asiam iter intendisse, patrem vero cum satellitibus suis per Europam viam confeciſſe. Impurus ille tyrannus impietate pariter & cæde pollutus,ex Oriente exercitum numerosum ducens contra eos, & magna spirans,Nicomediam venit: & cum probe sciret, pium principem Constantinum Dei sacerdotes magna obseruantia colere, & summo in honore habere, Eusebium Nicomediæ Episcopum, qui iam antea illius partibus adhæserat, contra religiosum Imperatorem mercede conducit, existimans per illum & illius socios, Constantinum inexpugnabilibus Dei armis munitum è medio tollere. Societatem ergo cum Licinio init admirandus ille Eusebius, multis promissionibus ab impio illo inductus: atque hæc ita se habere,ex ipsius Christiani Imperatoris Epistola, quam ad Nicomedienses misit, compertum esse potest. Sic enim in fine illius Epistolæ ait: Quis innocentem multitudinem illa docuit? Eusebius videlicet tyrannicæ crudelitatis socius. Nam quòd excubaret & omnino vigilaret pro tyranno, ex multis illius rebus gestis facile potest intelligi: siquidem istud Episcoporum, eorumq. vere Episcoporum cædes testantur:istud crudelissima Christianorum persecutio palam clamat. Neque certe de ijs quæ contra me egit, hoc loco verba faciam, per quæ aduersariorum contra me concursus, quantum fieri poterat maxime procurabantur, qui oculis tamquam speculatoribus me obseruauit: quin etiam ministerio prope militari, quò tyranno opem ferret, perfunctus est. Ac nemo existimet me imparatum,minusq. instructum esse etiam ad istas res, si opus fuerit, certissimis argumentis confirmandas. verissime enim ostendi potest, tum presbyteros, tum diaconos à me manifesto deprehensos qui Eusebium assidue stipabant. Sed hæc non eo dicuntur à me, quòd ipse ea graviter & iniquo animo feram, sed quo eos suæ ipsorum pudeat insaniæ. Illud solum metuo, illud animo verso, quòd vos video in huius criminis societatem vocari: nam institutione Eusebij & conuersatione, conscientia vestra à veritate deflexit. Verum huius rei expedita est & facilis curatio: si modo Episcopum fidelem & integrum nacti, oculos ad Deum denuo conuerteritis: quod quidem in præsentia est in vestra situm potestate, quodq. etiam dudum vestri arbitrij fuisset,nisi Eusebius ipse, de quo dixi, prauo eorum qui eum iunerunt consilio huc præceps ruisset, & rectum eligendi ordinem impudenter conturbasset. Sed quoniam mihi de hoc ipso Eusebio pauca apud vos dicenda sunt, quæso libenter attendite. Non vos præterit Concilium Nicææ celebratum,cui ipse, sicut conscientiæ meæ mu-

nus postulabat, interfui: non alio sane animo, quàm vt rum concordiam inter omnes constituerem, tum omnium maxime vt reprimerem penitus & submouerem eam rerum perturbationem, quæ ex Arij Alexandrini amentia orta, illico ex absurdo & pernicioso conatu Eusebij vires collegit. Nam quanta concursione, amantissimi honoratissimiq. fratres, putatis istum Eusebium, vtpote ipsa conscientia conuictum, quanta cum ignominia, mendacijs vndique deprehensis aggressum esse, primum certos quosdam homines subornare qui pro eo deprecarentur, deinde à me auxilium petere, ne tanti sceleris damnatus, de honoris sui gradu dejceretur? Huius rei testis est mihi Deus, qui tum mihi, tum vobis benignus perpetuo adsit, quòd & meũ peruertit iudicium, & turpiter à veritate abduxit. Sed diuina prouidentia ad rectam me reduxit viam. Quod & vos noúistis, & cognoscetis amplius. Nam tum omnia gesta sunt ex eius impij, Eusebij inquam, sententia, qui perniciem omnem adhuc intra cogitationem suam abditam & occultam tenuit. Ac primum, vt cetera illius nequitiæ facinora præteream, audite quæso, quid cum Theognio quem impij instituti sui socium habebat, perpetrauerit. Ipse quosdam Alexandrinos, qui à fide nostra defecerant, huc mitti iusseram, quandoquidem eorum opera dissidij flamma incensa erat. Sed isti honesti boniq. scilicet Episcopi, quos vera Concilij diiudicatio ad pœnitentiam agendam reseruauerat, non solum eos admiserunt ad se, & secum tuto collocarunt, verumetiam illorum deprauatis moribus communicarunt. Quamobrem ingratos istos aliquo pacto puniendos censui, & iussi vt à suis abrepti sedibus, quàm longissime relegarentur. Iam vestrum est, ea fide in Deum aciem mentis vestræ intendere, in qua nos semper mansisse constat: & nunc etiam manere decet, omnemq. ætatem ita degere, vt Episcopos integritate vitæ, doctrinæ puritate, tum benignitate etiam in omnes, eximios habentes, iure lætemur. Si quis autem temere pestes illas vel memoria, vel laudibus celebrare audeat; confestim serui Dei opera (meipsum dico) pœnas suæ audaciæ dabit. Deus vos, fratres charissimi, incolumes seruet. Hæc aliaq. his similia pij Imperatoris Constantini epistola manifestissime ostendit de impio illo Eusebio Nicomediæ Episcopo, qui non solum scelesti Licinij conseruator, sed tyrannidis atque impietatis eius minister erat & adiutor. Redeo deinceps ad Ecclesiasticæ historiæ argumentum.

CAPVT I.

COnſtantinus itaque rerum potitus per prudentiam ſibi a Deo datam, & ſummus Imperator declaratus, res Chriſtianorum in dies magis ac magis augere omni ſtudio contendebat. Idq. varijs modis præſtabat igneam habens fidem, & innatam in Deum vniuerſorum fidiſſimam pietatem: & tota ſub cælo Eccleſia alta pace fruebatur. Audiamus ſane quid hic dicat pulcherrimus Eccleſiaſtici fundi arator, ille veri ſtudioſiſſimus Euſebius celeberrimi Pamphili: Licinius, inquit, perſimilem cum impijs tyrannis viam ſecutus, ad perſimile etiam cum ijſdem calamitatis præcipitium non ſine cauſa ruit. Atqui iſte hoc modo tandem percuſſus & profligatus occubuit: Conſtantinus autem maximus, victor, auguſtus omni genere pietatis ornatus, vna cum filio Criſpo Imperatore Deo chariſſimo, & patris rebus in omnibus ſimillimo, Orientem in ſuam redegit poteſtatem: atque Romanorum imperium, ſicut iam olim erat, in vnum redegit, & regnum vniuerſum à ſole oriente vndique ad extremas Occidentis oras, & ad alteras vtraſque mundi plagas, Boream pariter & meridiem cum tranquilla pace obtinuit: proinde metus malorum quibus antea premebatur, tum ex hominum vita prorſus ſublatus fuit. Tunc frequentes conuentus acti, tum feſti dies celebrati, tunc omnia lætitia redundarunt. Tunc qui ante demiſſa & contracta fronte erant, hilari vultu & læto oculorum obtutu ſe mutuo aſpexerunt. Tunc choreis, tum hymnis tam per ſingulas ciuitates,

A uitates, quàm per agros, primum omnium regem Deum & germanum filium eius IESVM Christum (hoc enim edocti erant) prædicauerunt: deinde pium Imperatorem ac liberos Deo in primis charos laudibus extulerunt. Tunc veterum nulla recordatio malorum, tunc omnis impietatis obliuio, tunc suauis præsentium bonorum vsus & oblectatio, tunc iucunda futurorum expectatio: tunc denique non decreta solum Imperatoris, victoris illustrissimi, plena humanitatis & clementiæ, verum etiam leges, eximia magnificentiæ illius & veræ pietatis indicia complectentes, in locis quibusque diuulgatæ. Sic ergo pestifera totius tyrannidis labe purgata, deletaque, Constantinus solum & liberi, imperij ad ipsos iure pertinentis gubernacula, auctoritate & præsidio firma, inuidiæ ac metus expertia, deinceps possederunt. Hactenus veterum Ecclesiasticorum scriptorum fide dignissimus Eusebius Pamphili: qui summa contentione enitens, tum exquirens singula, & ex his quæ simpliciter se habebant, congruam partium mensuram efficiens, decem integris libris historiam nobis Ecclesiasticam perfectam reliquit: incipiens ab aduentu Domini, desinens autem in hæc tempora, non sine labore. Quomodo enim aliter fieri poterat ab eo, qui tantam curam susceperat, vt talis collectionis harmoniam nobis conseruaret? immo vero, vt paulo ante dixi, summum studium & ineffabilem laboris copiam ad id contulerat. Nemo autem æstimet virum hunc, ex his quæ de illo fama circumferuntur, quasi Arij blasphemiæ consenserit, sed credat, si quæ protulit aut scripsit, Arij dogma tantillum subolentia, ea non ex impio illius sensu protulisse vmquam aut scripsisse, sed ex minus curiosa parumq. sollicita simplicitate: vt ipse in libro Apologetico quem ad orthodoxos omnes Episcopos misit, plenius ista probauit. Vera autem dicere hominem conijciet quicumque prudens considerat quo tempore ille vixit, & ex illo credat, quòd nondum ea quæ sunt Arij, illo tempore audita vsquam fuerunt. Demonstrabunt vero idem ipsius in Synodo Nicæna contra impietatem Arij pro Apostolica & orthodoxa Fide certamina. Sed ad Ecclesiasticæ historiæ ordinem reuertamur. Cum igitur per vniuersum orbem Ecclesia Christi saluatoris nostri profunda pace gauderet, quam Deus vniuersorum rex ci parauerat per seruum suum Constantinum, eiusq. filios; post diuini Petri martyrium, qui fuit Episcopus Ecclesiæ Alexandrinæ, & in ipso martyrio fuit consummatus, & incorrupta sui certaminis corona redimitus; vidua remansit Ecclesia illa annum vnum: transacto autem anno, ordinatur in sede sancti martyris Petri Achillas vir grauis, & magnanimus, ac sancte prudẽs, religioneq. pariter ac sapientia plurima ornatus, vt nobis antiqui & omni carentes errore commentarij referunt. qui multa prius exhortatione vsus suscepit Arium in ordinem diaconorum. Cum autem hic mensibus tantum quinque superuixisset, suscepit sacerdotij principatũ ibidem in Alexandrina Ecclesia Alexan-

Sub hoc, cum Eccleſiarum pax magis ac magis quotidie reluceret, cum in vnam concordiam conſpirarent omnes, & in ſanctorum Martyrum præmijs vbique locorum gloriarentur; non ferens diabolus tantum fideliſſimi Eccleſiæ populi in cæleſti erga Deum cultu incrementum, iterum per quamdam Eccleſiaſticorum contentionem turbas excitat.

CAP. II.

PResbyter enim ille, quem dicebamus tali honore dignum exiſtimatum fuiſſe ab Alexandro Alexandriæ Epiſcopo, nomine Arius, vir ſpecie quidem magis pius, cetera vero vanitatis & gloriæ callidus amator; cœpit circa fidem in Chriſtum peregrina quædã proferre, quæ prioribus temporibus nemo quæſierat vmquam aut introduxerat: conatus vnigenitum Dominum noſtrum IESVM Chriſtum à Patris ineffabili & æterna diuinitate ſeparare: magnæ in Eccleſia perturbationis auctor fuit. Verũ dum Alexander ingenita naturæ ſuæ benignitate Arium in melius mutare vellet decentibus admonitionibus, necdum ſtatueret ſententia vti: interea contigit ob hoc, vt peſtilenti hæreſis calamitate multi abſumerentur, & tamquam ex parua ſcintilla magnus ignis accenderetur. malum incipiens ab Alexandrinorum Eccleſia plures alias ciuitates atque prouincias percurrebat. Poſtremo cum videret Alexander malum in peius progredi, ſynodum ſubiectorum ſibi Epiſcoporum conuocans, & Arium ſacerdotio deijciens, ſuis collegis rationem reddit: & quæ contra Arium fuſius exponens, ſtudiumq. extirpandæ hæreſis ijs inijciens, vt ad iudicium præpararentur ipſos adhortatur, in hunc modum ad eos ſcribens.

bus, quæ apud singulos geruntur, certiores faciamus, quò siue vnum ex membris patitur, siue lætatur, nos inter nos vel patiamur vna, vel vna lætemur. In nostra quidem prouincia prodierunt iam viri, qui leges rescindunt, Christum ipsum impugnant, animos hominum defectionem (quam quidem prænuntiam antichristi esse, merito quispiam suspicaretur & vocaret) docere nituntur. Ac mihi certe in animo erat de illo facinore penitus reticuisse, vt eius labes, si quomodo fieri potuisset, vna cum eis solis qui ab Ecclesia defciuerant, absumeretur: nec in alia loca euagata simplicium quorumdam aures suis sordibus inficeret. Verum quoniam Eusebius, qui nunc Nicomediæ Episcopus est, quiq. totum Ecclesiæ statum in sua manu positum arbitratur, cum à nemine quòd Ecclesiam Beryti deseruerit, quòdq. oculos cupiditatis & ambitionis suæ ad Episcopatũ Ecclesiæ Nicomediensis obtinendum adiecerit, in se animaduersum esse videat, istorum etiã qui ab Ecclesia defecerunt, patrocinium suscipit, & ad omnes qui sunt vbique gentium litteras scribere conatur, eosq. in eisdem commendat plurimum, quò imperitos quosdam in grauissimã hæresim, Christoq. penitus aduersariam, rapiat: necesse habeo, idq sententia quadam quæ in lege scripta est, inductus, silentium rumpere, remq. vobis omnibus indicare: quo non modo eos qui defecerunt à Christo, execrabiliaq. verba quæ illorum hæresis vsurpat, cognoscatis, verum etiam, si forte Eusebius litteras scripserit, ad eas animũ non aduertatis. Nam inueteratam suam malcuolentiam, silentio ad tempus obrutam, iam per istos renouare studet: & licet simulatione quadam præseferat, eorum causa litteras scribere, re tamen ipsa declarat perspicue, se in rem suam serio istud ipsum agere. Qui autem defecerunt ab Ecclesia sunt, Arius, Achillas, Thales, Carpones, Arius alter, Sarmates, Euzoius, Lucius, Iulius, Menas, Helladius, Caius, Secundus item, & Theonas, qui olim dicti sunt Episcopi. Quæ vero isti contra scripturas excogitarint, temereq. effutuerint, sunt huiusmodi: Deum non semper Patrem fuisse, sed tempus aliquando extitisse, cum Deus non esset Pater: non ab æterno Dei Verbum fuisse, sed ex nihilo ortum esse. nam Deum qui est, cum cum non erat, ex eo quod non est, procreasse: & propterea tempus fuisse aliquando cum non esset. creatum enim & factum fuisse Filium, neque essentia Patri similem, neque natura verum Patris Verbum, neque veram sapientiam eius esse, sed ex ijs quæ creata factaq. sunt, vnum: per abusionẽ autem Verbum & sapientiã dici. Ipsum factum esse proprio Dei verbo, & sapientia quæ in Deo est, per quam cum cetera omnia, tum illum ipsum fecit Deus: & ob eam causam natura sua posse conuerti & mutari, sicut animantia omnia ratione vtentia. Verbum esse peregrinum, alienum & seiunctum ab essentia Dei: Patrem à Filio minime explicari posse. nam Patrem à Filio neque plene & accurate cognosci, neque exquisite cerni posse. etenim ipsius essentiam, vt est, Filium non percipere: quippe Filium nostra causa factum esse, vt Deus per ipsum tamquam per instrumentum nos crearet: neque extitisset aliquando, nisi Deus nos creare

A πίῃσιν. ἠρώτηση γοῦν τις αὐτοὺς, εἰ δυνατὸν ἦν τοῦ θεοῦ λόγον τραπῆναι, ὡς ὁ διάβολος ἐτράπη; καὶ οὐκ ἐφοβήθησαν εἰπεῖν, ὅτι καὶ δυνατόν· τρεπτῆς γὰρ φύσεώς ἐστι, ἥντινα καὶ κτιστὴν ὑπάρχειν. τοιαῦτα λέγοντας τοὺς περὶ Ἄρειον, καὶ ὅτι τούτοις αἱρετιζούσας, αὐτούς τε ἐκ τοὺς συναληθεύοντας αὐτοῖς, ἡμεῖς μὲν μετὰ τῶν κατ' Αἴγυπτον καὶ τοὺς Λιβύας ἐπισκόπων, ἑκατὸν ὄντων, συνελθόντες, ἀνεθεματίσαμεν. οἱ δὲ περὶ Εὐσέβιον προσδέξασθαι, καὶ προσδέζοντες ἐγκαταμίξαι τὸ ψεῦδος τῇ ἀληθείᾳ, καὶ τῇ εὐσεβείᾳ τὴν ἀσέβειαν· ἀλλ' οὐκ ἰσχύει. νικᾷ γὰρ ἡ ἀλήθεια· καὶ ἐταιρία φωτὶ πρὸς σκότος, καὶ συμφώνησις Χριστοῦ πρὸς Βελίαρ. τίς γὰρ ἤκουσε τοιαῦτα τοιαῦτα; ἢ τίς νῦν ἀκούων ἂν ξενίζεται, καὶ τὰς ἀκοὰς βύει, ἵνα μὴ τὸν ῥύπον τούτων τῶν ῥημάτων ψαύσωσι τῶν ἀκοῶν; τίς γὰρ ἀκούων ἰουδαϊκὰ λεγόντων· ἐν ἀρχῇ ἦν ὁ λόγος, καὶ καταγινώσκει τούτων λεγόντων· ἦν ποτὲ ὅτε οὐκ ἦν; ἢ τίς ἀκούων ἐν τῷ εὐαγγελίῳ· μονογενὴς ὢν, δι' αὐτοῦ ἐγένετο πάντα· καὶ μισῶν τούτους μεμισημένους, ὅτι ἓν ἐστι τῶν ποιημάτων; πῶς γὰρ δυνατὸν ἓν εἶναι τῶν δι' αὐτοῦ γενομένων, ἢ πῶς μονογενὴς ὁ τοῖς πᾶσι, καὶ ἐκείνοις, συναριθμούμενος; πῶς δὲ ἐξ οὐκ ὄντων αὐτὸν εἶναι, τοῦ πατρὸς λέγοντος· ἐξηρεύξατο ἡ καρδία μου λόγον ἀγαθόν· καὶ οὐκ ἀκαίρως περὶ ἑωσφόρου ἐλέχθη ταῦτα; ἢ πῶς ἀνόμοιος τῇ οὐσίᾳ τοῦ πατρὸς ὁ ὢν εἰκὼν τελεία καὶ ἀπαύγασμα τοῦ πατρός; καὶ λέγων· ὁ ἐμὲ ἑωρακὼς, ἑώρακε τὸν πατέρα; πῶς δὲ, εἰ λόγος καὶ σοφία ἐστὶ τοῦ θεοῦ ὁ υἱός, δῆλον ὅτι οὐκ ἦν; ἴσον γὰρ ἐστὶν αὐτὸν λέγειν ἄλογον καὶ ἄσοφον περὶ τὸν θεόν. πῶς δὲ τρεπτὸς, καὶ ἀλλοιωτὸς, ὁ λέγων ἐν ἑαυτοῦ μὲν, ἐγὼ ἐν τῷ πατρὶ, καὶ ὁ πατὴρ ἐν ἐμοί· καὶ, ἐγὼ καὶ ὁ πατὴρ ἓν ἐσμεν· Δηλοῖ δὲ τοῦ ἀτρέπτου, ἴδετέ με, ὅτι ἐγώ εἰμι, καὶ οὐκ ἠλλοίωμαι; εἰ γὰρ καὶ ἐπ' αὐτόν τις τὴν πατρὸς δυνατὸν τὸ ῥητὸν ἀκαθέρειν, ἀλλὰ ἀρμοδιώτερον αὐτὸν εἶναι, τῷ τοῦ λόγου νῦν λεγόμενον, ὅτι καὶ γινόμενος ἄνθρωπος, οὐκ ἠλλοίωται, ἀλλ' ὡς ἔπειν ὁ ἀπόστολος, Ἰησοῦς Χριστὸς χθὲς καὶ σήμερον, ὁ αὐτὸς καὶ εἰς τοὺς αἰῶνας. τί δὲ ἄρα εἰπεῖν αὐτοὺς ἔπεστιν, ὅτι δι' ἡμᾶς γέγονε; καί τι τοῦ Παύλου λέγοντος, δι' ὃν τὰ πάντα, καὶ δι' ὃ τὰ πάντα. τοῦ γὰρ βλασφημεῖν αὐτοὺς, ὅτι οὐκ οἶδε τελείως ὁ υἱὸς τὸν πατέρα, ἢ δῶ γυμνάζειν. ἅπαξ γὰρ τεθήμενοι χείσασθαι, ἀφαιρεῖσθαι καὶ τὰς φωνὰς αὐτῶν, λέγοντες· καθὼς γινώσκει με ὁ πατὴρ, κἀγὼ γινώσκω τὸν πατέρα· εἰ μὲν ὅλον ἦν ὁ υἱὸς γινώσκει τὸν πατέρα, δῆλον ὅτι καὶ ὁ υἱὸς μὴ τελείως γινώσκει τὸν πατέρα. εἰ δὲ τοῦτο λέγειν ἀνάγκη ἡμᾶς, οἶδε δὴ τελείως ὁ πατὴρ τὸν υἱὸν, δῆλον ὅτι καθὼς γινώσκει ὁ πατὴρ τὸν ἑαυτοῦ λόγον, οὕτως καὶ ὁ λόγος γινώσκει τὸν ἑαυτοῦ πατέρα. ἓν δέ ἐστι λόγος· τοῦτο λέγοντες δὲ ἀναπύοντες τὰς θείας γραφὰς, πολλά-

πολλάκις ἐπιτρέψαμεν αὐτοὺς, καὶ πάλιν ὡς χαμαιλέοντες μεταβάλλοντο, φιλοτιμουμένους εἰς ἑαυτοὺς ἰφιλκῦσαι τὸ γεγραμμένον· ὅταν ἀσεβὴς ἔλθῃ εἰς βάθος κακῶν, καταφρονεῖ. πολλαὶ μὲν αἱρέσεις πρὸ αὐτῶν γεγόνασιν, αἵ τινες πλέον τοῦ δέοντος τολμήσασαι πεπλώκασιν εἰς ἀφροσύνην. οὗτοι δὲ ἀφ' ὧν πάντων ἑαυτῶν τῶν ῥημάτων ἐπιχειροῦσι τὴν εἰς αὐταίρεσιν τῆς τοῦ λόγου θεότητος, ἐδικαίωσαν ἐξ ἑαυτῶν ἐκείνας, ὡς ἐγγύτερον τοῦ ἀντιχρίστου γενομένας. διὸ καὶ ἐπεκηρύχθησαν, καὶ ἀνεθεματίσθησαν ὑπὸ τῆς ἐκκλησίας. λυπούμεθα μὲν οὖν ἐπὶ τῇ ἀπωλείᾳ τούτων, καὶ μάλιστα, ὅτι μαθόντες ποτὲ ἐν αὐτοῖς τὰ τῆς ἐκκλησίας, νῦν ἀπεπήδησαν· ἃ ξενιζόμεθα δέ. τοῦτο δὲ καὶ Τιμόθεος καὶ Φιλητὰς πεπόνθασι, καὶ πρὸ αὐτῶν Ἰούδας * ὁ ἀκολουθήσας τῷ σωτῆρι, ὕστερον προδότης, καὶ ἀποστάτης γέγονε. ἐν τούτοις δὲ αὐτῶν οὐκ ἀδιάφορα μεμενήκαμεν· ἀλλ' ὁ μὲν κύριος προεῖπε, βλέπετε μή τις ὑμᾶς πλανήσῃ. πολλοὶ γὰρ ἐλεύσονται ἐπὶ τῷ ὀνόματί μου, λέγοντες, ὅτι ἐγώ εἰμι· καὶ ὁ καιρὸς ἤγγικε, καὶ πολλοὺς πλανήσουσι. μὴ πορευθῆτε ὀπίσω αὐτῶν. ὁ δὲ Παῦλος μαθὼν ταῦτα παρὰ τοῦ σωτῆρος, ἔγραψεν, ὅτι ἐν ὑστέροις καιροῖς ἀποστήσονταί τινες ἀπὸ τῆς ὑγιαινούσης πίστεως, προσέχοντες πνεύμασι πλάνης, καὶ διδασκαλίαις δαιμονίων ἀποφερομένων τὴν ἀλήθειαν. τοῦ τοίνυν κυρίου καὶ σωτῆρος ἡμῶν Ἰησοῦ Χριστοῦ διά τε ἑαυτοῦ προαγγείλαντος, καὶ διὰ τοῦ ἀποστόλου σημάναντος περὶ τῶν τοιούτων, ἀκολούθως ἡμεῖς αὐτῶν ἐσμεν τῆς ἀσεβείας αὐτῶν γνόμενοι, * φανέντων, ἀνεθεματίσαμεν, καθὼς προείπαμεν, τοὺς τοιούτους, ἀποδείξαντες αὐτοὺς ἀλλοτρίους τῆς καθολικῆς ἐκκλησίας τε καὶ πίστεως. ἐθηλώσαμεν οὖν καὶ τὴν ἡμετέραν θεοσέβειαν, ἀγαπητοὶ καὶ λιμώτατοι συλλειτουργοὶ, ἵνα μή τι πρὸς ἐξ αὐτῶν, εἰ προπετεύσωνται καὶ πρὸς ὑμᾶς ἐλθεῖν, μὴ προσδέξησθε, μή τι Εὐσεβίῳ, ἢ ἑτέρῳ τινὶ χρεία φορτίου γένηται, πιστεύσητε. πρέπει γὰρ ἡμᾶς Χριστιανοὺς ὄντας, πάντας τοὺς κατὰ Χριστοῦ λέγοντάς τι καὶ φρονεῖν ὡς θεομάχους καὶ φθορέας τῶν ψυχῶν ἀποστρέφεσθαι, καὶ μηδὲ κἂν χαίρειν τοῖς τοιούτοις λέγειν· ἵνα μή ποτε καὶ ταῖς ἁμαρτίαις αὐτῶν κοινωνοὶ γενώμεθα, ὡς παρήγγειλεν ὁ μακάριος Ἰωάννης. προσείπατε τοὺς περὶ ὑμῖν ἀδελφοὺς, ὑμᾶς οἱ σὺν ἐμοὶ πάντες ἀσπάζονται.

A te explanando, eos ſæpe numero conuicimus: tamen illi rurſus, velut chamæleontes ſeſe mutabant, dictumq. illud Sapientis in ſua ipſorum capita torquere magnopere contendebant, videlicet: Impius, cum in profundum malorum venerit, contemnit. Ac tametſi complures certe hæreſes ante illorum ætatem exortæ erant, quæ quidem extra modum audaciæ euagatæ, ad extremam dementiam ſunt tandem prolapſæ: iſti tamen, qui omni ſermone ſuo Verbi diuinitatem tollere nituntur, vtpote ad antichriſti tempora propius accedentes, illas hæreſes præ ſuorum erroribus impietate iuſtas eſſe quodammodo declarant. Quapropter illis Eccleſia interdictum eſt, atque adeo anathema denuntiatũ. Et quamquam de eorum exitio permagnum animis dolorem capimus, & maxime quòd Eccleſiæ inſtituta aliquando agnouerant, iamq. ab illis exciderunt: de illis tamen non magnopere miramur. Idem namque non Hymenæo ſolum, & Phileto contigerat, ſed Iudæ etiam ante illos, qui Saluatoris diſcipulus fuit, poſtea autem proditor & deſertor illius factus. Atque iſtarum rerũ neutiquam ignari extitimus. Dominus enim prædixerat: Videte ne quis vos ſeducat, nam multi venient in nomine meo, dicentes: Ego ſum, & tempus appropinquauit. & multos ſeducent: ne eatis poſt illos. Paulus etiam cum iſta à Saluatore didiciſſet, ſcripſit, quòd nouiſſimis temporibus quidam deficerent à Fide ſana, attendentes ſpiritibus erroris, & doctrinis dæmoniorum veritatem auerſantium. Iam vero cum Dominus & ſaluator noſter IESVS Chriſtus hoc præceperit, & per Apoſtolum de eiuſmodi hominibus ſignificauerit: nos certe quoniam illorum impietatem noſtris ipſorum auribus accepimus, non ſine cauſa eius generis hominibus, ſicut ante diximus, anathema denuntiauimus, eosq. ab Eccleſia catholica fideq. alienos palam declarauimus: veſtramq. pietatem fecimus certiorem, chariſſimi & honoratiſſimi fratres, qui eſtis nobiſcum in Eccleſiæ miniſterio coniuncti, vt, ſi forte quidam ex illis temeritate impulſi, ad vos venire non verentur, ne eos admittatis: neve Euſebio, vel alteri cuipiam, qui eorum cauſa ad vos ſcribat, omnino credatis. Nam par eſt, vt nos qui ſumus Chriſtiani, omnes qui contra Chriſtum loquantur, animoq. ſint ab eo abalienato, tamquam Dei hoſtes, & corruptores animarum deuitemus, neque id genus hominibus vel aue dicamus, ſicut præcepit beatus Ioannes: ne quando illorum peccatis communicemus. Salutate qui apud vos ſunt fratres: qui mecum vero ſunt, vos itidem ſalutant.

Cum Alexander talia passim per singulas ciuitates scripsisset, malum ipsum deterius euasit. Victor Constantinus, Maximus, Augustus, Alexandro & Ario.

PRæsentis controuersiæ fundamentum inde iactum esse intelligo, quòd tu pater Alexander, à presbyteris de loco quodam in sacris litteris scripto quærebas, immo vero de inani quadam quæstionis particula scisciabaris, quid quisque illorum sentiret: tu quoque, Ari, istud quod nec initio animo complecti oportuit, aut cum fuisses complexus, silentio præterijsse æquũ erat, inconsiderate effutiuisti. Vnde discordia inter vos concitata, concordia vero negata est, & sanctissimus populus varie in vtramque partem distractus, ex totius corporis Ecclesiæ compage diuulsus est. Proinde vterque vestrum vicissim alteri veniam tribuens, illud approbet, ad quod non sine causa vester conseruus vos cohortatur. At quid istud est? neque interrogare de rebus huiusmodi à principio æquum erat, nec ad rogatũ respondere. Tales enim quæstiones, quales nulla lex necessario præscribit, sed inanis dissoluti otij certatio proponit, licet ad exercendi ingenij acumen instituantur, tamen interiore mentis cogitatione continere debemus, & neque in publicos populi conuentus temere efferre, neque vulgi auribus consulto concredere. Quotus enim quisque est, qui rerum tam grauium, tantaq. obscuritate inuolutarum vim, vel satis accurate peruidere, vel pro dignitate explicare valeat? Et post pauca: Quocirca in talibus rebus loquacitas fugienda est, ne vel cum nos præ nostri ingenij imbecillitate, quod propositum est explicare non possimus: vel auditores inter docendum præ intelligentiæ tarditate, ad accuratam sermonis instituti comprehensionem peruenire non queant, ex re alterutra populus, aut in blasphemiæ aut in dissensionis necessitatem incurrat. cem neque honeſtum nec omnino fas eſſe creditur. Verum vt prudentiã veſtram paruo exemplo commonefaciam, non vos præterit opinor philoſophos ipſos vnius quidem diſciplinæ profeſſione, omnes inter ſe conſentire: ſæpe tamen poſtquam in aliqua parte opinionum, quas aſſeueratione affirmant, diſſenſerint: licet diſciplinæ cauſa, quam quiſque illorum tuetur, diſcordent: tamen ob profeſſionem qua conſpirare videntur, denuo in gratiam redeunt. Quòd ſi res ita ſe habet, quid eſt cur non ſit multo conuenientius, vt qui famuli præpotentis Dei conſtituti ſumus, propter ipſum religionis inſtitutum quod profitemur, conſentientibus animis inter nos ipſos concordemus? Ceterum accuratiore cogitatione conſideremus, & mente attentiore hoc quod iam à me dictum eſt, circumſpiciamus: num recte ſe habeat, vt propter leuem & inanium verborum contentionem fratres fratribus reluctentur, & liberi parentibus: & eximia concordia, impia ſimultate per vos miſere diſcerpatur. Noſtra ſponte igitur diabolicas tentationes euitemus: & quoniam Deus optimus maximus ſaluator omnium, communem ſuæ gratiæ lucem omnibus porrexit, idcirco mihi eius famulo, quæſo per vos liceat, vt illius prouidentiæ præſidio adiutus, meum conatum feliciter ad exitum perducam: atque etiam vt ipſius populum, tum verbis compellando, tum miniſterium erga Deum diligenter præſtando, tum acriter admonendo, ad mutuam concordiam traducam. Et paulo poſt: Verum de diuina prouidentia, vna vobis ſit omnino fides, vnus animorum conſenſus, vna de Deo ſententia, quæ de leuiſſimis iſtis quæſtionibus inter vos argute & ſubtiliter exquiritis, licet non in eamdem ſententiam pedibus eatis: ea tamen intra cogitationis veſtræ fines continere debetis, intimo mentis receſſu recondita. Communis autem amicitiæ bonum, vera fides, reuerentia erga Deum & legis obſeruationem, ſtabilis firmaq. apud nos maneat. Redite in gratiam, & mutuam inter vos neceſſitudinem colite, vniuerſoq. populo ſuos mutuos complexus reddite: atque veſtris ipſorum animis contentionis labe purgatis, iterum amice & beneuole vos mutuo excipite. Nam ſæpenumero poſt inimicitias depoſitas amicitia iterum reconciliata plus ſolet habere iucunditatis. Date igitur mihi dies tranquillos, & noctes curæ ac moleſtiarum expertes, vt voluptas aliqua ſolidi gaudij, & tranquillæ vitæ lætitia mihi in poſterum conſeruetur. Quod quidem ſi minus contingat, neceſſe eſt ingemiſcere, lacrymis & mœrore omnino confici: nec fieri poteſt vt vitæ curſum de reliquo tranquille & ſedate tranſigam. Nam quamdiu Dei populus, eum dico qui communi mecum erga Deum obſequio fungitur, iniqua perniciosaq. contentione ab ſe mutuo diſſidet, quomodo fieri poteſt vt ipſe animo tranquillo conſiſtam? Atque vt incredibilem huius doloris morſum intelligatis, ſic accipite. Non ita pridem ad Nicomedienſium ciuitatem aduentans, extemplo iter verſus Orientem mature facere conſtituebam. QVOMODO IMPERATOR CONſtantinus Deo chariſsimus, Synodum Epiſcoporum Nicæa celebrari inſſerit.

CAPVT V.

C CVm videret Imperator perturbatam Eccleſiam, Concilium generale conuocat, Epiſcopos vndecumque per litteras, vt Nicæam Bithyniæ occurrerent, exhortans. Agebatur autem regni eius annus ſextuſdecimus, & menſis præterea ſextus; quum hæc ab illo pro Eccleſiæ pace ſumma cura agebantur. Aderant autem ex pluribus prouincijs & ciuitatibus Epiſcopi, de quibus Euſebius Pamphili libro tertio de vita Conſtantini, hæc ipſa verba refert: Ex omnibus Eccleſijs quæ frequentes in tota Europa, Africa & Aſia extiterunt, Dei ſacerdotes qui facile primas ferre putabantur, in vnum conuocantur: vna etiam ædes ſacra, velut Dei nutu adaucta, D intra parietes ſuos Syros pariter & Cilices, Phœnices & Arabes, & Palæſtinos, Ægyptios porro, Thebanos, Afros, aliosq. ex Meſopotamia profectos recepit. Aderat etiam vna in Concilio Perſidis Epiſcopus, nec ab hoc choro Scytha abfuit: Pontus item & Aſia, Phrygiaq. & Pamphylia viros apud ſe lectiſſimos ſuppeditarunt. Quin etiam Thraces, Macedones, Achæi, & Epirotæ, & quorum domicilia multo longiore locorum interuallo diſtabant, eò aduentarunt. Ipſe etiam Hoſius ex Hiſpanijs nominis & famæ celebritate inſignis, qui Silueſtri Epiſcopi maximæ Romæ locum obtinebat, vna cum Romanis Presbyteris E Bitone & Vincentio, cum alijs multis in confeſſu illo adfuit. Vrbis autem illius, penes quam imperium eſt, Epiſcopus, Metrophanes nomine, ingraueſcente ætate præpeditus abfuit: ſed Presbyteri eius qui aderant, illius locum ſuppleuerunt, quorum vnus Alexander, illi poſtea in eius vrbis Epiſcopatu ſucceſſit. Talem coronam ex omni præteritæ ætatis memoria vnus Imperator Conſtantinus pacis vinculo ad Chriſti gloriam deuinxit: & quo Saluatori ſuo gratias ageret, iſtud eximium victoriæ ab hoſtibus & inimicis partæ monumentum obtulit, effigiem

chori Apostolici, quam in nostro conuentu pulchre expressit. Nam & de illis sermo sparsus, ex omni gente quæ sub cælo est, viros pios in vnum conuenisse, vt in actis Apostolorum scribitur: inter quos erant Parthi, Medi, Elamitæ. Verum illis hoc defuit, quòd non omnes qui eò venerunt, ex Dei ministrorum numero erant illi quidem: sed in hoc præsenti choro fuit Episcoporum multitudo ad numerũ trecentorum & amplius: Presbyterorum autem, Diaconorũ, Acolythorum, & aliorum qui istos comitabantur, turba vix numerari potuit. Atque ex his Dei sacerdotibus alij prudenter & diserte dicendo, alij vitæ grauitate, & constanti rerum arduarum perpessione, nonnulli quasi media inter eos interiecta viuendi consuetudine eximij, insignem laudem adepti sunt. Erant etiam inter eos non pauci qui propter longinquum temporis spatium quo vixerant, multum honoris & gloriæ collegerunt: alij qui in ipso ætatis flore, propter ingeniorum acumen sunt magnum splendorem consequuti: quidam nuper sacerdotij cursum ingressi sunt. Quibus omnibus cibaria in singulos dies Imperator large & liberaliter suppeditari præcepit. Sic de his qui eò conuenerant, Eusebius Pamphili disseruit.

Act. 2. 9

QVOMODO REX CVM EPISCOPIS consederit.

CAPVT VI.

CVm autem Imperator festum ob victoriam contra Licinium partam absoluisset, venit & ipse Nicæam. Postridie omnes Episcopi in vnum locum conuenerunt: accesserat autem & post ipsos Imperator: & postquam accessit, in medio constitit, nec prius sedere voluit, quàm Episcopi innuissent. tanta religio & reuerentia erga viros illos Imperatorem occupauit. Ad quos laudatissimus Imperator exhortatoriam & eruditam orationem habuit, in laudem & gloriam & gratiarum actionem Dei vniuersorum, qui tantam sibi gratiam concesserat: ita locutus.

Atque vtinam mihi, qui vobis in Dei ministerio sum coniunctus, copiosa dicendi facultas suppeteret, vt laudibus celebrarem illa prædicatione digna, quæ diuinus Saluator noster omnium rerum custos, principio sui aduentus quando redemptionis nostræ gratia, puri corporis domicilium ex virgine assumere dignatus est, omnibus hominibus exemplum suæ misericordiæ ostendens, tranquillo suæ diuinitatis nutu demonstrauit. circa pulcherrimam, & omni laude maiorem iuſtitiam, omnipotens Deus qui cælum inhabitat. quandoquidem proprium diuinum ſpiritum merito ſanctiſſimum ipſius corpus inhabitare, & ſic omnibus humanis corporibus ſalutarem eſſe dignum duxit. Si quidem immenſa hoſtium inſania, quaſi caligine quadam pernicioſæ vmbræ confuſa, ſanctiſſimam & ſalutarem omnipotentis Dei diſpoſitionem interpretari non dubitat: breuiter id ego quatenus fides, & animi iuſtificatio facultatem dicendi dederit, enarrare tentabo. Et quidem harum gentium prauæ opiniones, id impudentiæ genus inducunt, vt ore impio dicere non expauescant: Deum omnipotentem, omnia quæ diuina lege notantur, neque creaſſe, neque creare voluiſſe. O vocem impiam, & quæ digne omnem ſupplicij exuberantiam in ſe poſtulat! Itane inſane ac audacter diuini huius beneficij gloriam, quam nullus homo poteſt comprehendere, inanem reddere deſiderat? Quid enim puritate Deo dignius? quæ ex ſanctiſſima eius conuerſatione cum fonte iuſtitiæ promanauit, & per totum orbis circuitum inundauit, & ſanctiſſimarum virtutum facultates hominibus demonſtrauit: quas Aſſyriorũ affectu ſibi prius inimicas exiſtimarunt: quorum malum exemplum antecedens, reliquas gentes ſe illis accommodare perſuaſit. In quibus, vt nos proprio theoremate comprobamus, ſaluatoris noſtri Dei diuinam clementiam cooperari videmus; quandoquidem & quotidie & pluribus annis illorum inſaniam feruenter concitatam, in ſalutaris medicamenti tolerantiam peruenire iuſſit. Neque ſic tamen ad reliquos eius beneficij magnitudo in gratiam poteſt pertingere, vt omni oratione inter homines puritatem & diuinam potentiam exaltare queant, & exaltatam in ſublime confirmare: immo vt iterum potius deponerent, atque diſſoluerent, contigit: quamuis erat id rebus humanis plane aduerſum. Etſi enim Deus omnipotens tacito ſuæ diuinitatis nutu omnia facere propoſuit; hominum tamen inſania frequentior facta eſt: & ſi humanitas infinita omnes animas correxit, alia tamen plurima, quæ in mundi conuerſatione in ordine proprio miniſtrant, emergere non potuerunt: ſed ſimul omnia poſt diuinitatis ignorationem cito perierunt, & inuidiæ iniquitas & ingratitudinis breui excitata ſunt. Alienus autem à malignitate nemo inuentus eſt, ſuperſtitionum generibus longe lateq. in animos hominum vſquequaque diffuſis, vt earum turpitudine huius noſtri ſplendoris lumen dignis fuerit circumfuſum tenebris, & ipſi ſemper luce priuati. Nulla itaque ratio poterit meã de prædictis fidem ex animo meo auellere. Nullo enim malo impediente ſuccedit perfecta potentia, & viuus ſermo veritatis, vnus omnipotens, omnium rerum cuſtos, & noſtræ ſalutis procurator.

curator. Ita igitur videtur quodammodo ſanctiſſimi Verbi abundantiam, eius quem liberat conuerſationem cuſtodire, & lucis ſplendorem nobis præbere. Quam ob cauſam ergo gentium omnium populi cæleſte lumen non aſpicientes, & nobiliſſimam pietatem contemnentes, quod de terra eſt inquirunt, quod nullum habet veritatis fundamentum, neque puri ſplendoris claritatem, neque cæleſtis diuinitatis potentiam? O indignum facinus! adhuc & nunc cum nihil impium omittant, nec in Deum reſpiciant, & in miſerum errorem prolabantur, non vident, & ſordidis his operibus mundi ſplendorem contaminare non ceſſant. Nempe lignum, lapidem, æs, argentum, & aurum, & huiuſmodi alia de terra ſumpta, vt adorentur proponentes, & ad ea vitæ ſpem publicæ referentes, templa ipſis inſigni ornatu ædificant, & poſtea in ſuæ adorationis additamentis gloriantur: ſi quidem ſtructuræ magnitudo quam ipſi fecerunt, dignum eorum conſpectu miraculum exhibet. Quandoquidem autem talia facere videntur, manifeſte intelligitur ipſos potiſſimum neque ſenſu, neque viſu præditos eſſe, & arroganter in ſuis ſtructuris ſeſe iactare conuincuntur. Qualis igitur, & quantus eſt omnipotens Deus non conſpiciunt, omnium auctor & iudex: quem quidem propriæ, vt opinantur, virtutis perſuaſione latent. Ipſius enim diſpoſitione noſtri corporis ſpecies debitam formam accepit, vt harmoniæ vigorem haberemus: ipſe membrorum omnium connexionem neruis fortiſſimis colligauit, vt in omni noſtræ intentionis actione, propriæ harmoniæ robur indefeſſum retineremus. His igitur ſalubri diſpoſitione abſolutis, ſpiritum etiam, qui hæc omnia mouere ac roborare poſſet, inſpirauit: viſumq. oculis noſtris conceſſit, & intellectum capiti noſtro indidit, & intra regionem hanc totam noſtræ cogitationis rationem concluſit. Quapropter ſi quis recte ſapiens huius diſpoſitionis rationem conſideret, omittat autem alia, quæ neque verbo, neque numero comprehendi poſſunt, celeri attentione ſalutarem & æternam immortalis Dei potentiam videre atque intelligere poterit: non poterit autem errore aliquo temere implicari, ſed manifeſte contemplari licebit, atque videre omnia Dei potentia facta eſſe, ſicut ipſe omnia hæc exiſtere voluit. Vt autem perſpicere liceat, quòd aliqua illicita in mũdo conuerſatio ignorationem Dei apud homines effecerit, poſt natum eſſe illuſione inimici in miſeris infelicium hominum animis primum rationis peccatum, ex diuina lege datur nobis perſpicuam huius rei demonſtrationem accipere. Ab illo enim tempore quo à duobus illis in principio creatis, conuenienti diligentia diuinum & ſanctum mandatum obſeruatum non eſt, natus eſt deinceps huius appellationis, ignorationis ſcilicet flos: factus eſt autem continuus, ac magis auctus poſtquam prædicti duo illi voluntate diui-

Graue enim esset, immo vero quàm acerbum, hostibus iam profligatis & nemine ex diuerso se opponere audente, inuicem se oppugnare, & lætitiam inimicis atque adeo risum præbere, & præsertim cum de rebus diuinis disputemus, habeamusq. doctrinam sacratissimi Spiri-

Cũ his generose decertabant sancti patres nostri, Alexander tunc Presbyter Constantinopolitanus, & Athanasius archidiaconus Ecclesiæ Alexandrinorum. Quamobrem inuidia contra eos arma mouit, vt postea dicemus. Nostri autem sancti Episcopi Arium ad Synodum vocabant, permittentes ei propria dogmata proponere, nutu semper victoris Imperatoris. nam & ille, vt paulo ante diximus, in Synodo confidebat.

QVOMODO IMPERATOR *libellos Episcoporum accepit.*

CAP. VIII.

ΟΠΩΣ ΤΟΥΣ ΛΙΒΕΛΛΟΥΣ ΤΩΝ ΕΠΙΣΚΟΠΩΝ Ὁ ΒΑΣΙΛΕΥΣ ΔΕΧΕΤΑΙ.

VErum admirabile illud facinus quod in Synodo ab Imperatore semper victore factum est, non debet silentio prætermitti. Etenim cum in vnum Episcopi cõuenissent, & vt fieri solet in disputatione contentiosa, quæstiones & controuersiæ inter eos incidissent, & alij alios accusarent, cumq. libellos offerrent, & criminationes compositas ad pium deferrent Imperatorem: ille acceptos libellos, & annulo suo obsignatos seruari præcepit. & cum talium Episcoporum mutuam contentionem perspiceret, dixit oportere omnes simul certo die ad res eas disceptandas conuenire. Præstitutus autem dies cum venisset, consedit in medio Imperator, & silentio opportune facto, omnium libellos afferri iussit: quos cum accepisset, & in sinu suo posuisset, nec voluisset in delationes eas incumbere, ita ad Episcopos loquitur: Postea quam Deus vos sacerdotes & iudices designauit ad disceptandas & dijudicandas populi controuersias, vosq. deos scribendos censuit, tamquam hominibus ceteris longe præstantiores (dictum enim est, Ego dixi, Dij vos estis, & filij Altissimi omnes, &, Deus stetit in synagoga deorum) certe vulgaria ista negligere oportet, omniq. cura & studio in res diuinas incumbere. Cumq. iussisset ignem afferri, libellos omnes exuri præcepit. dabat enim operam ne cuiquam exterorum talium Episcoporum iniqui conatus innotescerent. tanta scilicet Imperatoris erga Dei sacerdotes reuerentia fuit, quantam mirari debent omnes qui recte sapiunt. Illud etiam simile huic ab eo factum, non arbitror æquum esse silentio tradere. Viri quidam procaces & laici, qui conuicijs rixisq. delectabantur, Episcopos quosdam accusabant, & criminationes scriptas Imperatori tradiderunt, idq. antequam res ad concordiam adduci

A adduci potuisset: ille & eas quoque recepit, sed vinculo constrictas,& annulo suo obsignatas,custodiri iussit: deinde cum concordiæ gratiæq. reconciliationem fecisset, statim eas omnes asserri iussit, & præsentibus omnibus Episcopis igne adussit, postquam prius sancte iurauerat se nihil eorũ quæ in ijs scripta fuissent,legisse. Aiebat enim sacerdotum delicta vulgo ignora esse oportere,ne inde scandali occasione arrepta,minore cum metu delinquant. Ferunt ipsum & hoc etiam addidisse, quòd si quando ipse suis oculis videret Episcopum alienæ vxori stuprum inferentem, se sua purpura flagitium contecturum, ne intuentium oculi facinore ipso offenderentur. tanta erat Imperatoris & tam pia atque admirabilis prudentia. Per plures postea dies, immo vero & per menses plures cum Episcopis in vnum locum conueniebat, & vna cum ijs de Fide disceptabat, atque diuersas eorum sententias supputabat. Erant enim, vt sæpe iam diximus, inter eos nonnulli qui nefarijs Arij dogmatis suffragabantur, & multitudini sanctorum Episcoporum veritatem propugnantium aduersabantur sedulo. alij vero optimi & sanctissimi Patres nostri veritatis armis muniti gloriosam & inculpatam Fidem magna cum libertate prædicabant: cum quibus magnus etiam Confessorum numerus erat, qui volentibus peruersa Arij dogmata defendere,strenue resistebant.

CAPVT IX.

Ἦν δὲ ἐν αὐτοῖς ὁ μέγας καὶ ἅγιος Παφνούτιος τὸν τῶν ὁμολογητῶν καὶ ἐπισκόπων καταπεσμῶν χορὸν, αὐτὸς Αἰγύπτιος, θεοῦ ἄνθρωπος, ἐκ τῆς ὁμηγύρεως ἐκείνης, ἣ Μαξιμῖνος ὁ βασιλεὺς τὸν δεξιὸν ἐξώρυξεν ὀφθαλμὸν, καὶ τὸν λαιὸν ἐνδρομοῦσαν ἀγκύλας, ἀθλοφόρος τῆς μετὰ λίθων σωτηρίας· ἐν ᾧ τοιούτῳ ἦν ὁ τοῦ θεοῦ χάρις, ὥστε σημεῖα αὐτὸν ποιῶν μηδὲν ἐλάττω τῶν πάλαι ἁγίων τῶν ἀποστόλων γεγονότων· λόγῳ γὰρ μόνῳ τοὺς δαίμονας ἐφυγάδευε, καὶ ἀνιάτῳ διαφόρως ἀσθενοῦντας ἐθεράπευε, τυφλοῖς τὸ βλέπειν, τὸν θεὸν ἐξαιτούμενος, παρεῖχεν. καὶ παραδόντος τοῦ κατὰ φύσιν ἥλου ἀκμὴν, τὰ μέλη ἑτέρωθεν ἀντὶ τῶν ὑγιῶς· ὃν ὁ βασιλεὺς τοσοῦτον διὰ παντὸς ἦγε, ποτέχως τε ὅτι τὸ βασιλέα μετάπεμπτον, ἐκ τῶν ἐξορυγμῶν καταφιλεῖν· τοιούτῳ ποσῶν τῷ διαβοᾶ βασιλεῖ τοσοῦτος τοὺς ἁγίους πᾶς.

B Erat inter eos magnus ille sanctusq. Paphnutius, Confessorũ & Episcoporum cœtui non parum ornamenti afferens, genere Aegyptius, homo Dei,ex illis quos Maximinus dextero oculo effosso, & sinistro poplite succiso, ad metalla damnauerat. Sed in hoc tanta Dei gratia elucebat,vt miracula per eum fierent non minora his, quæ olim ab Apostolis facta sunt. Nam dæmonas solo verbo fugabat, & ægros plures oratione curabat:sed & cæcis visum,fusis ad Deum precibus,tribuebat: & paralyticis naturalem firmitatem restituebat, efficiens vt membra sana suis fungerentur officijs. Hunc Imperator summo in honore habuit, & sæpius eum intra palatium euocatum complectebatur, & oculum effossum subinde exosculabatur: tanta erat apud pium Imperatorem sanctorum virorum auctoritas & gratia.

BEatus ille & celebris homo Dei, filiam habuit Irenem nomine, quæ seni vtiliter ministrans virgo vitam omnem castissime egit. Post eius mortẽ mercator quidam peregre rediens, rogat senem depositum quod eius filiæ virgini iam pridem crediderat. rem omnẽ beatus Spyridon prorsus ignorauit. Sed cum homo depositum sæpius flagitaret, senex posteaquam illud per domum sursum ac deorsum perquisiuisset, nec reperisset vsquam, animo angebatur grauiter: & virum monuit nec scire se quidquam de deposito, nec esse in tota domo. mercator tunc altius inclamans, & lacrymans eiulansq. poscit depositum, clamitans quoque se manus violentas sibi illaturum, nisi quod credidit, reciperet: Nam, inquit, se quod vnicum seruauit senectutis suæ subsidium & solatium, apud virginem deposuisse. Coactus igitur sanctus ille senex vna cum mercatore ad sepulchrum filiæ properat, ad percontandum ea de re; eamq. ex nomine inclamat, Filia, inquiens, Irene: illa de sepulchro respondens, Quid vis, pater? Tu senex, Vbi posuisti filia quod hic homo tibi credidit? At illa locum aperte patri indicans, In eo, inquit, loco iacet, pater. Ille ad filiam, Vade in pace, filia Irene. Senex domum regressus, depositum in eo ipso loco quem puella designauit, inuentum viro tradidit. Multa ille alia stupenda & admiranda fecit, quæ omnium ore celebrantur, quæq. adhuc ab indigenis ostenduntur ad plenam persuasionem fidei in IESVM Christum, iis qui in ea re mentem curamq. suam defigunt. Talibus igitur viris vsque ad ea tempora florebat Ecclesia, ex quibus plurimi Nicænæ Synodo interfuerunt. CAPVT XV.

DIxitq. Deus: Faciamus hominem ad imaginem & similitudinem nostram. Sed cui dixit, inquiramus ò Philosophe. In eo enim quod dicitur: Dixitq. Deus, faciamus hominem, subiecit dicens: Et fecit Deus hominem: ad imaginem Dei fecit illum, masculum & feminam fecit eos. Verbi ergo, Faciamus, significatio personam esse concreantem indicat, & æqualem appellationem inducit. Vt enim Pater Deus est, qui dixit, Faciamus hominem: ita & Deus is est cui dixit, faciamus, cùm sit eadē essentia diuinitatis vtriusque personæ, & eius quæ dixit, Faciamus hominem ad imaginem & similitudinem nostrā, & eius quæ hominem fecit. Illa enim vox, Faciamus, sanctam prorsus & nequaquam diuersam Patris & Filij diuinitatem exprimit. Imago enim Dei simplex est, & omnis compositionis expers, cum sit ignis natura. Genes. 1.

CONCORS RESPONSIO SANCTOrum Patrum.

Lumen inaccessibile est, & natura incomprehensibilis est sanctæ Trinitatis essentia. hic est sensus verbi, Faciamus.

CONTRADICTIO PHILOSOPHI pro Ario.

CAP. XVI.

ITerum dicam Deum simplicem esse, sine figura & compositione. Quomodo igitur intelligendum est illud: Ad imaginem & similitudinem nostram? & quo pacto qui dixit: Faciamus hominem, & quæ sequuntur, non subsistat ante illum cui dicebat? Enuntiate nobis perspicuam de his demonstrationem, si potestis.

SANCTI EPISCOPI PER HOSIVM Episcopum ciuitatis Corduba, interpretante illum altero, dixerunt.

Si, vt tu dicis, Pater ante Filium extitit, & posterior Filius post aliqua tempora creatus est à Deo, & postea filius ab eodem Patre declaratus, vt impie blasphemantes asseritis, prius eum ab ipso fuisse creatum ad creationem naturarum quæ factæ sunt: dixit igitur iuxta impietatem vestram, increatus Deus ad creatum, secundum vos, Filium: Facias mihi hominem ad imaginem & similitudinem meam. Sed siquidem Pater semper est Deus, vt prius ostendimus, Filius etiam cum Patre semper existit, non temporibus posterior, non potestate minor, non loco circumscriptus, sed semper itidem perpetuo cum Patre subsistens, ex ipso iuxta prædicta incomprehensibi-

liter & ineffabiliter genitus, verus Deus ſemper exiſtens, ex vero Deo & Patre ſemper exiſtente, dominans cum Patre, coæternus Patri, regnans ſemper cum Patre, conſubſtantialis Patri, æque potens vt Pater, creator cum Patre. Si enim omnia per Filium facta teſtatur diuina Euange-
Ioan. 1. liorum vox: & ſine ipſo factum eſt nihil, quod factum eſt: & ſimul non diuiſim à Patre creauit: ſiquidem vna eſt diuinitas, & ſententia vna Patris & Filij & Spiritus ſancti, numquam ſeparato Patre à Filio, neque Filio à Patre. Intelligendum ergo eſt, ò Philoſophe, quòd Pater & Filius ſecundum ſubſtantiam deitatis vnum ſunt, ſicut & in
Ioan. 10. Euangelio ipſe Filius clamat: Ego & Pater vnum ſumus; cui dicebat: Faciamus hominem ad imaginem & ſimilitudinem noſtram.

A ἀϊδιότητος, καὶ ἀϊδιοφάνειας, καθὰ προειρήκαμεν, ὑὸς ἀληθινὸς ὢν ἀεὶ, ἐκ τοῦ ἀϊδίου τος ἀληθινοῦ θεοῦ καὶ πατρὸς, συναΐδιος τῷ πατρὶ, συναίδιος τῷ πατρὶ, συμβασιλεύων ἀεὶ τῷ πατρὶ, ὁμοούσιος τῷ πατρὶ, ἰσοδυνάμως τῷ πατρὶ, συνδημιουργὸς τῷ πατρί. εἰ γὰρ πάντα δι' υἱοῦ γεγένηται λέγει ἡ θεία τῶν εὐαγγελίων φωνὴ, καὶ ἐκ χωρὶς αὐτοῦ γέγονεν οὐδὲ ἓν ὃ γέγονεν, ἀλλ' ὅμως ἅμα δίχα τοῦ πατρὸς ἐδημιούργησεν. ἀλλ' ἐπεὶ περ μία θεότης, καὶ βουλὴ μία τοῦ πατρὸς, καὶ τοῦ υἱοῦ, καὶ τοῦ ἁγίου πνεύματος, ἀχωρίστως ἀεὶ ὄντος τοῦ πατρὸς πρὸς τὸν υἱὸν, καὶ τοῦ υἱοῦ πρὸς τὸν πατέρα· νοητέον ἐστὶν, ὦ φι-
B λόσοφε, ὅτι ἐν τῷ τῆς θεότητος ὄντι, ὁ πατὴρ καὶ ὁ υἱὸς, καθὰ καὶ ἐν τοῖς εὐαγγελίοις ὁ αὐτὸς υἱὸς βοᾷ, ἐγὼ καὶ ὁ πατὴρ ἐν ἐσμεν. πρὸς ὃν ἔλεγε, ποιήσωμεν ἄνθρωπον κατ' εἰκόνα ἡμετέραν, καὶ καθ' ὁμοίωσιν.

CONTRADICTIO PHILOSOPHI.

Iam etiam in prioribus interrogationibus dicebamus Deum non habere hominis effigiem. quam ergo ſignificationem habet hæc oratio: Ad imaginem & ſimilitudinem noſtram? dicite nobis. non enim paruam nobis hic ſermo exhibet difficultatem: interim hoc dicendum eſt.

ΑΝΤΙΡΡΗΣΙΣ ΤΟΥ ΦΙΛΟΣΟΦΟΥ.

Καὶ ἤδη ἐν ταῖς προτέραις ἐπιπλήξαντες ἐφαμεν, μὴ εἶναι τὸν θεὸν ἀνθρωπόμορφον. τίνα οὖν ἔχει τὴν ἐμφάσιν ἡ ῥῆσις αὕτη, τὸ κατ' εἰκόνα ἡμετέραν καὶ καθ' ὁμοίωσιν; φαπὶ ἡμῖν· ἐ γὰρ μικρὸν ἡμῖν ἡ λέξις παρέχει ἀγῶνα. πῶς πρὸς λεκτέον.

RESPONSIO SANCTAE SYNODI per eumdem Epiſcopum Hoſium ciuitatis Corduba.

Illud, Ad imaginem, ò Philoſophe, non ad corporum conſtitutionem, ſed ad mentem relatum & expreſſum eſſe, docet ſermo veritatis. Audi ergo & intellige. Deus cùm ſit natura bonus, intelligenti hominis ſubſtantiæ inſculpſit illud, ad imaginem & ſimilitudinem, vt bonitatem, ſimplicitatem, ſanctitatem, puritatem, candorem, probitatem, felicitatem, & his ſimilia: vt quæ Deus eſt per naturam, eadem per ipſius gratiam habere poſſet ab ipſo creatus homo, hoc eſt, ipſius hominis mens. Et vt pictores periti ſimilitudines imaginum in tabulis non ex vno ſemper colore, ſed ex varijs perpetuo depingunt: ſic Deus homini etiam quem creauit, in animæ intelligentis conditorio, hoc eſt in mente, conceſſit vt per virtutes haberet illud, vt ad imaginem & ſimilitudinem ſuam fingeretur: cùm in homine abunde conſpiciatur imago per prædictas illas res diuinas, quas Deus in ipſo repoſuit, dicens: Faciamus hominem ad imaginem & ſimilitudinem noſtram.

A minister ageret. Indigebat enim Deus ministro ad hominis & mundi opificium. Ideoq. opifex Deus naturas creaturas effecturus, constituit sibi instrumentū per quod naturas omnes crearet. Quemadmodum enim faber sibi constituit prius instrumentum, in eorum quæ facturus est, structuram: ita licet in Deo cogitare; quòd supponens sibi ipsi filium tamquam instrumentum, mundum per ipsum creauerit. Quod enim ab Apostolo dictum est, quòd omnia per ipsum facta sunt, natura per ipsum quasi per instrumentum facta sunt. & quod Deus dixit creatum esse hominem ad imaginem & similitudinem nostram, per instrumentum, hoc est per filium, ad suam ipsius imaginem & similitudinem Deus dixit.

Si ergo, vt tu dicis, Filius instrumentum ad naturarum creatarum effectionem à Patre creatus est, ex tuis ipsius verbis excidis, ò philosophe. RESPONSIO PHILOSOPHI.

Filium dico fuisse conuersatum, vt diuinæ scripturæ testatæ sunt, & ego ex ipsis persuasus approbaui. Sed est adhuc mihi grauissima & cui contradici non potest obiectio, quòd ante omnem creaturam fecit illum Deus, vt per ipsum omnia crearet. & hæc in vlterioribus concertationibus demonstrabo.

RESPONSIO SANCTORVM EPIscoporum per Eusebium Pamphili Episcopum Cæsarea Palæstina.

Quid profunda penetras probabiliter, facile, vt existimas? ne tibi ipsi, ò Philosophe, mollia cumules argumenta: vide ne scopulos aditu difficiles incaute conscendens, præceps ruas. Verum de illo: Dominus condidit me, nunc dice-

Nos autem nunc cooperante Domino nostro IESV Christo ex alijs etiam historijs descriptionem faciemus: & si velis, ò Philosophe, ipsam totam sententiam ab eius initio proferemus in mediũ. condidit me initium viarum suarum in opera sua, ante sæculum fundauit me, in initio antequam terram faceret, & antequam abyssos faceret, antequam procederent fontes aquarum, antequam montes facti essent, ante autem omnes colles genuit me. Vnde muniens illud, Dominus condidit me, continuo inquit: Dominus fecit regiones, & inhabitabilia. Quæramus deinceps Dominum qui creauit illum, & qui fecit regiones & inhabitabilia. Stimulatus enim Salomon ab his quæ Iob dixerat: Vbi eras cum ponerem fundamenta terræ, inquit: Dominus fecit regiones, & inhabitabilia. In libro autem Baruch ex ore Hieremiæ prophetæ, vt prius ostẽdimus, de eo qui fecit regiones & inhabitabilia, dicitur: Filij Agar exquirentes prudentiam qui super terram, mercatores Meran & Thæman, & fabulatores & examinatores prudentiæ: viam autem sapientiæ non cognouerunt, neque recordati sunt semitas eius. & post pauca: Sed sciens omnia cognoscit eam, adinuenit eam prudentia sua. loquens de eo, qui inuenit sapientiam prudentia sua, adiungit eius opera, dicens: Qui præparauit terram in æternum tempus, impleuit eam iumentis quadrupedibus, qui mittit lumen, & vadit. Non conniuendum est, ò Philosophe. eadem rursus profert ad propositæ hypothesis euidentem demonstrationem. Qui mittit, inquit, lumen, & vadit: vocauit illud, & obediuit illi cum timore: at stellæ splenduerunt in custodijs suis, & lætatæ sunt: vocauit eas, & dixerunt, Adsumus: splenduerunt cum lætitia ei qui fecit illas. Hic Deus noster, non reputabitur alius aduersum eum. Inuenit omnem viam scientiæ, & dedit eam Iacob seruo suo, & Israel dilecto suo. Post hæc in terra visus est, & inter homines conuersatus est. Duas naturas opponunt proprie eius qui fecit regiones & inhabitabilia, quas dixit Salomon & Baruch, siue Hieremias: cum enim dixisset: Condidit me, subiunxit eius opera, dicens: Dominus fecit regiones & inhabitabilia. Ratiocinemur, vir optime, quisnam est ille Dominus faciens regiones & inhabitabilia: intelligemus non esse alium, sed omnino eum, qui præparauit terram in æternum tempus, (in terræ enim præparatione cõsistit facere regiones & inhabitabilia) qui impleuit eam iumentis quadrupedibus, qui vocauit lumen, & obediuit cũ timore. & quę sequuntur. De quo inquit, quòd in terra visus est, & inter homines conuersatus est. Intelligendum est ergo, quòd ipse est Dominus, condens rationalem sapientiam, initium viarum suarum, quam ad imaginem suam homini præparauit, qui fecit regiones & inhabitabilia, qui præparauit terram in æternum tempus. Verum rursus principium sententiæ videamus. Si annuntiauero vobis quæ quotidie fiunt, non dixit, Quæ futura sunt. & iterum ait: Memor ero quæ à sæculo numerare: non dixit, Ante sæculum. Notum est vobis, quòd Filius Dei est qui rationalẽ sapientiam condidit, qui præparauit terram in aeter-

Exiturus è vita Moyses propheta, vt scriptum est in libro analepsis Moysis, cum vocasset ad se Iosue filium Naue, loquens ad eum, dixit: Præuidit Deus ante mundi constitutionem futurum me testamenti sui mediatorem. & in libro sermonum mysticorum Moysis, ipse Moyses de Dauide & Salomone prædixit, de Salomone sic: Infundet ei Deus sapientiam, atque iustitiam & scientiam plenam. SANCTI NOSTRI EPISCOPI PER eundem Episcopum Eusebium Pamphili dixerunt.

Si mundus est propter hominem, omnino cum homo prior sit in Dei proposito, erit homine ac rationabili sapiẽtia posterior: igitur homo prior est mundo, erat etiam prior naturis mundi, quales sunt, cælum, terra, dies, nox, nubes, venti, abyssi, fontes, montes & colles. Omnibus his prior est sapientia, & homo in Dei proposito iam prior est mundo: sed eumdem accidit posterius in via creationis conditum fuisse: qui autem in diuina intentione homine posterior erat, ille in viam creationis prior incidit. Sed & sapientia, quam inuenit prudentia sua Filius Dei, quam dedit homini ad imaginem suam, ipsa etiam in diuina intentione mundo & mundi naturis prior fuit. Salomon igitur instructus sapientia, quam ei Deus dederat, in se ipso sciens, hominem atque sapientiam ante mundum & mundi naturas in Dei proposito extitisse, accurate indicauit in diuina intentione ante mundum olim fuisse. Quod enim ante mundi constitutionem Dominus inuenit prudentia sua, hoc tandem idem Dominus post mundum & mundi naturas creauit. Ait ergo Salomon quasi ex persona humanæ sapientiæ, quæ in diuina intentione ante mundum extitit: Dominus condidit me initium viarum suarum in operа *Prouerb.*

opera eius: humanam ſapientiam ac rationalem homini ad imaginem Dei facto præparatam hæc pronuntiantem induxit. Hoc igitur erat, Dominus condidit. De illo enim qui in diuina intentione ante mundum fuit, hoc expoſuit. Illud vero, gignit me, rurſus loquens de eo qui editus eſt ad ſequentis exortus terrarum creationes, dixit, gignit me. Intellige igitur Philoſophe, vſque ad perfectionem, naturam ipſam antiquam factam eſſe, & renouatam. Illud ergo, Dominus condidit me initium viarum ſuarum in opera eius, de ratione ac ſapientia hominibus conceſſa explicandum eſt. Illud vero, gignit me, de natura eadem iuxta Dei præſcientiam ex ſuis imaginibus, quaſi rota quadam implicata in ſuam metam redeunte, ab initio primum creati hominis facti ad imaginem Dei, in quo rationalem creatam ſapientiam repoſuit, ac ſinceram ſui charitatem impreſſit Deus. Quod in ſeipſo renouans Saluator diſpenſatorie ad Patrem dicebat: Quoniam, inquit, ante mundi conſtitutionem dilexiſti me. *Ioan. 17. d*

Prouer. 8. Illud autem: Ante ſæcula in principio fundauit me, videns Salomon quòd ſæcula in hoc mundo ex diei ac noctis circuitu conſiſtentiam habent, exiſtere autem ante diem & noctem, eſſe etiam exiſtere ante hoc ſæculum: eas conſiderationes contemplans Salomon, homini atque ſapientiæ congrue accommodauit. Quamobrem ex eius perſona pronuntians ait: Dominus condidit me initium viarum ſuarum in opera eius, ante ſæcula, in principio fundauit me. *Ibid.* Rurſum cogitans in ſemetipſo, quòd Deo huius mundi naturas ante hominẽ, eiusq. ſapientiam in eſſe perducente, oporteret præſentibus ipſis naturis, quæ priora ſunt adeſſe, videns autem ordine naturas prodeuntes, & quòd homo, eiusq. ſapientia propoſita fuerant vt reliqua opera præcederent: rationalis ergo atque iudicatrix ſapientia homini conceſſa, & Salomoni, vt magnus Moyſes ait, infuſa loquitur in Salomone: Dominus condidit me initium viarum ſuarum in opera eius: & quæ ſequuntur. Ex cuius perſona, quæ cum homine prior erat, mundo enarrans opera Dei naturas in mundum producentis, inquit ipſe: Dominus *Ibid.* fecit regiones, & inhabitabilia, & ſumma quæ habitantur eius quæ ſub cælo. Quando præparabat cælum, ſimul aderam ipſi, & quando ſecernebat ſuam ſedem ſuper ventos: quando æthera firmabat ſurſum, & librabat fontes aquarum: quando circumdabat mari terminum ſuum, & legem ponebat aquis ne tranſirent fines ſuos: quando appendebat fundamenta terræ, cum eo eram cuncta componens, cui adgaudebat. hæc ex perſona ſapientiæ. Quæ haud dubie oſtendũt, quod in diuina intentione ante mundum extitit propter quam mundus extructus eſt: conſtat etiam ante mundi naturas extitiſſe. Teſtis ergo factus viæ naturarum, qui prior illis fuit, earum *Baruch. 3.* ordinem numerat per ſapientiam quam inuenit prudentia ſua, quamq. homini præparauit, & dedie

dit homini, vel eius opera enarrauit? Non alius omnino, quàm qui præparauit terram in æternum tempus, & qui impleuit eam iumentis quadrupedibus, qui mittit lumen, & vadit, vocauit illud, & obediuit illi timore, qui in terra visus est, & inter homines conuersatus est. hic sapientiam hereditauit. Non est itaque Filij Dei illud: Dominus condidit me: sed rationalis sapientiæ, quam ipse Dominus homini dedit, ac præparauit, propter quem mundus factus est. clarissimè si quidem per omnia demonstratum est, in persona rationalis sapientiæ dictum esse. Confirmat autem prædicta Dominus in Euangelio, dicens: Sabbatum propter hominem factum est, non homo propter sabbatum: attributa mundo persona seu figura sabbati: pro eo, Mundus propter hominem factus est, non homo propter mundum. Εἰπὲ δὴ φιλόσοφε, ἡ σοφία ἡ ἐν Σολομῶντι ἆρ' οὐ φῶς ἡ τοῦ θεοῦ ἐστι σοφία; ὁ φιλόσοφος· ναί, φησὶ, οὕτως ἔχει. ὁ ἐπίσκοπος· εἰπὲ ἡ σοφία τοῦ θεοῦ πρόγνωσιν ἔχει ἢ οὔ; ὁ φιλόσοφος· ναὶ ἔχει. ὁ ἐπίσκοπος· ἡ σοφία τοῦ θεοῦ ὁ υἱὸς τοῦ θεοῦ ἐστιν, ἢ φῆς ἐν Σολομῶντι; ὁ φιλόσοφος. ναί φησι. ὁ ἐπίσκοπος· πῶς κρίνει ὁ κρίνων, κατὰ πρόγνωσιν ἢ οὔ; ὁ φιλόσοφος· ναί φησιν, ἀλλὰ πῶς; ὁ ἐπίσκοπος· ὁ εὖ κρίνων, κατὰ πρόγνωσιν κρίνει, καὶ κατὰ τὰ ἔργα, ὡς προγνώσης. ὁ φιλόσοφος· ναὶ εἶπον. ὁ ἐπίσκοπος· πῶς οὖν ἡ σοφία ἡ ἐν Σολομῶντι λέγει, τρία ἐστὶν ἀδυνατεῖ μοι νοῆσαι, καὶ τὸ τέταρτον οὐκ ἐπιγινώσκω. τὰ τρία ἀγνοῦντα ἡ ἐν Σολομῶντι σοφία, ἀδυνατεῖ αὐτὴν νοῆσαι, πῶς τοῦ τετάρτου εἶπεν ἂν γινώσκειν, καὶ ὁδὸς ἀνδρὸς ἐν νεότητι. εἰ οὖν ἡ σοφία θεοῦ ἐστιν ἡ ἐν Σολομῶντι, πῶς κρίνει τὸν κόσμον, μὴ εἰδὼς ἀνδρὸς ὁδοὺς ἐν νεότητι, καὶ πῶς τοῦτο ἀληθές, ὅτι ὁ ποιήσας τὸν ἄνθρωπον κατ' εἰκόνα θεοῦ, τοῦτ' ἔστιν, ὁ υἱὸς τοῦ θεοῦ· καθὼς φησὶ Μωσῆς ὁ προφήτης, ἐπὶ ᾧ δὲ Ἰωάννης ὁ εὐαγγελιστὴς, πάντα δι' αὐτοῦ φησὶν ἐγένετο· οὐκ ἄγνοια τὴν ὁδὸν ἀνδρὸς ἐν νεότητι; ὁ πλάσας κατὰ μόνας τὰς καρδίας αὐτῶν, ὁ συνιεὶς εἰς πάντα τὰ ἔργα αὐτῶν, ὁ ἐτάζων καρδίας καὶ νεφροὺς, κατὰ τὸν προφήτην τὸν εἰπόντα, σὺ ἔγνως τὴν καθέδραν μου, καὶ τὴν ἔγερσίν μου· σὺ συνῆκας πάντας τοὺς διαλογισμούς μου, φησὶν, ἀπὸ μακρόθεν, τὴν τρίβον μου, καὶ τὴν σχοινίσμα μου σὺ ἐξιχνίασας, καὶ πάσας τὰς ὁδούς μου προεῖδες· καὶ ἐν ἑτέρῳ πάλιν, ὁ παιδεύων ἔθνη, οὐχὶ ἐλέγξει; ὁ διδάσκων ἄνθρωπον γνῶσιν; κύριος γινώσκει τοὺς διαλογισμοὺς τῶν ἀνθρώπων, ὅτι εἰσὶ

Quomodo igitur ait sapientia Salomonis: Tria non possum intelligere, & quartum penitus ignoro. cumq. tria dixisset sapientia Salomonis, quæ ipsa non posset intelligere, quartũ dixit se ignorare, nempe viam viri in adolescentia. Si ergo sapientia Dei est sapientia Salomonis, quomodo iudicat mundum, cum nesciat viam viri in adolescentia? & quomodo hoc verum est, quòd qui fecit hominem ad imaginem Dei, hoc est, Filius Dei (vt Moyses propheta ait, & de quo ait Ioannes Euangelista, Omnia per ipsum facta sunt) nõ sciat viam viri in adolescentia? qui finxit sigillatim corda eorum, qui intelligit omnia opera eorum, qui scrutatur corda & renes iuxta Prophetam, dicentem: Tu cognouisti sessionem meam, & resurrectionem meam: tu intellexisti cogitationes meas de longe, semitam meam & funiculum meum inuestigasti, & omnes vias meas præuidisti. & rursum alibi: Qui instruit gentes, non arguet? qui docet hominem scientiam? Dominus scit cogitationes hominum, quoniam vanæ sunt. Prouer. 30. Isaac. 2. Psal. 92.a Psal. 138. Psal. 93.

sunt. Qui ergo hæc nouit, & omnia præscit, nescit viam viri in adolescentia? Et multa ex scripturis licet inuenire, quæ imprudentiam eorum, qui hoc dictum male intelligunt, redarguant. Quomodo ergo qui docet hominem scientiam, ipse nescit viam viri in adolescentia? Bene igitur intelligas, ò Philosophe, quòd Salomon iudicem sapientiam accepit, quam inuenit Filius Dei prudentia sua, quam præparauit homini ad imaginem suam, rationalem scilicet. Confirmat iam dicta, quod Dominus in Euangelio loquitur: Ecce plus quàm Salomon hic. quo funditus euertit dicentes ipsum esse Salomonis sapientiam. Si enim vt vox suffragatur, æqualem habet appellationem cum sapientia (sapientia enim Dei est Filius Dei) est ergo Deus præscius, qui iuxta præscientiam iudicat, & secundum opera, tamquam omnium opifex & creator, vt ait Paulus vas electionis, qui ad Hebræos scribens, sic de ipso loquitur: Viuus est sermo Dei, & efficax, & penetrabilior omni gladio ancipiti, & penetrans vsque ad diuisionem animæ ac spiritus, & discretor cogitationum ac intentionum cordis: & non est aliquid occultum in conspectu eius, sed omnia nuda sunt & aperta oculis eius, de quo sermo nostet est. & ad Romanos idem scribit, dicens: Quorum Patres, ex quibus est Christus secundum carnem, qui est super omnia Deus benedictus in sæcula, amen. Sic autem ostendit quòd Dei & Patris sapiétia Deus vere sit ex ipso Deo, æternus ex æterno, verus ex vero, cum sit natura semper Filius æterni Dei & Patris.

QVid igitur est, quod ais: Viam sapientiæ non cognouerunt, neque recordati sunt semitas eius, & quæ sequuntur?

RESPONSIO SANCTORVM EPISCOporum per eumdem Episcopum Eusebium Pamphili.

Sæpenumero verba sapientiæ considerans, ò Philosophe, admiratus es sapientiæ virtutem, quòd breuissimis loquutionibus maximam sententiarum veritatem in ea inuenire liceat: & iustissime quispiam verba scripturæ comparauerit Euangelicæ parabolæ asserenti, simile esse regnum cælorum grano sinapis, quod cùm minus sit omnibus terræ seminibus, quando tamen creuit, & perfectum est, idoneum tectum volucribus præbet. Sic videmus diuinorum verborum potentiam breuibus locutionibus seminatam, plenam autem sententijs quasi ramis, ad volucrum, hoc est, hominum contemplationem protensis, in quibus tanta potentia inuenitur, vt non solis terræ habitatoribus, verum etiam assistentibus volucribus sufficiens exhibeant tegumentum. ΑΠΟΚΡΙΣΙΣ ΤΩΝ ΑΓΙΩΝ ΕΠΙΣΚΟπων διὰ τοῦ αὐτοῦ ἁγιωτάτου Εὐσεβίου τοῦ Παμφίλου.

Πολλάκις πρὸς τὰ ῥήματα τῆς σοφίας ἀποβλέπων, ὦ φιλόσοφε, ἐθαύμασας τῆς σοφίας τὴν δύναμιν, ὅτι δὴ μεγίστων νοημάτων ἀληθεῖς ἐστιν εὑρεῖν ἐν αὐτῇ βραχυτάτας λέξεις. καὶ πάνυ δικαίως ἂν τις παραβάλοι ῥήμασι τῆς γραφῆς τῇ εὐαγγελικῇ παραβολῇ τῇ διηγησαμένῃ ὅμοιόν εἶναι τὴν βασιλείαν τῶν οὐρανῶν κόκκῳ σινάπεως, ὅ, τι βραχύτερον μέν ἐστι πάντων τῶν σπερμάτων τῶν ἐπὶ τῆς γῆς, φύεν δὲ καὶ ἀναπληρωθὲν ἱκανὸν σκέπειν τοῖς πετεινοῖς δένδρον. οὕτως ὁρῶμεν τὴν τῶν θείων ῥημάτων δύναμιν ἐν βραχέσι σπειρομένην λέξεσιν· ἀναπληρουμένων δὲ τῶν νοημάτων, καὶ ὥσπερ κλάδων ὄντων τὴν διάνοιαν τῶν πετεινῶν ἐπεκτεινομένων, τοῦτ' ἔστι, τῶν ἀνθρώπων, παρέχειν τὴν τῆς θείας δυνάμεως, ὥστε μὴ μόνοις τοῖς γεωργοῖς, ἀλλὰ καὶ τοῖς παρεστῶσι πετεινοῖς ἱκανὸν παρέχειν τὸν σκέπην.

A de nam igitur ad hanc considerationem excitatus sum, nisi ex verbo sanctæ scripturæ sacri cantoris Dauidis, ad demonstrationem & constitutionem non rationalis sapientiæ, vt ipse fueras opinatus, sed eius, quæ illã & omnia creata condidit, incomprehensibilis sapientiæ, increatæ, & initio carentis, hoc est, Christi: siquidẽ Christus est Dei virtus & Dei sapientia, iuxta modum suæ ineffabilis deitatis, ex Deo verus Deus Verbum. 1. Cor. 1.
Verbo enim Domini cæli firmati sunt, & Spiritu oris eius omnis virtus eorum. Audisti Verbum Domini, audisti Spiritum oris eius: audi rursus de veræ Fidei constitutione, quæ pie à pijs intellecta & prædicata est: quandoquidẽ existimo nihil prædictorum te suscipere præter tanti sanctorum Pontificum spiritualis chori sententiã. Audi ergo pie, nec humanis ratiocinationibus quæ ineffabilia sunt, tenta perscrutari. Perfectus nec minuit, nec augebit. Vnus ingenitus Deus & Pater: vnus ex eo genitus vnigenitus Filius Deus Verbum, sicut non est alter Deus cum Deo & Patre ingenitus, ita neque congenitus, neque prior, neque posterior Filius, diuersus à Deo vnigenito Filio eius, Deo Verbo. Vnus vere Deus & Pater, vnus etiã ineffabiliter ex eo genitus Filius, Deus Verbum. Quemadmodum autem non solo nomine Pater est Deus, sic neque solo nomine Filius, sed vere est Filius: verus est Pater, verus Filius: Deus est Pater, Deus etiam Filius ex eo genitus: perfectus Pater, perfectus & eius Filius: incorporeus Pater, incorporeus & Filius: incorporei enim est figura, & incorporea nimirũ imago. Credis hoc Philosophe, quod ex substantia Patris sit genitus vnigenitus eius Filius, quemadmodum à principio disputationum per plurima expressa testimonia demonstrauimus, an non?

Μὴ ζήτει πῶς φιλόσοφε· ἐὰν μὴ, καθὼς ἤδη διὰ πλειόνων εἴρηταί σοι, ἐν ἀρχῇ τῆς διαλέξεως διεμαρτυράμεθα, ὅτι κεκμηκὼς σεαυτὸν ἀπαιδεύσεις, διερευνᾶν πρόωμενος τὰ ἀνεξερεύνητα. εἰ μὲν γὰρ ἐνδέχεται ζητεῖν πῶς ὁ ἀγέννητος, ἐνδέχεται καὶ ζητεῖν πῶς καὶ ὁ γεγεννημένος, εἰ δὲ ἀκατάληπτος ζήτησιν, πῶς γεγέννηται· μὴ ζήτει τὰ ἀνερεύνητα· ἐὰν γὰρ διερεύνᾳς· τὰ διερευνώμενα ζήτει, καὶ διερεύνᾳς. ἐὰν γὰρ ζητῇς, ὦ φίλε, πόσος ἔχεις μαθεῖν, ὦ φίλε τὴν γῆς; ἀχανὴς ὑφέστηκε· ὦ φίλε θαλάσσης; ἀόριστα ἐστὶν ἐκεῖνα· ὦ φίλε ἀέρος; ἀπεριόριστος ἡ ὑγρά· ὦ φίλε αἰθέρος; ἀπεριόριστος· ὦ φίλε μηνῶν καὶ ἡλίου καὶ σελήνης καὶ ἄστρων; ἀνεξιχνίαστα· ὦ φίλε ἀγγέλων καὶ ἀρχαγγέλων; ἀνεξιχνίαστα ἦσαν. ἐπείπερ καὶ αὐτῶν τούτων ὁ υἱός· ἀλλὰ ὦ φίλε αἰώνων; πρὸ αἰώνων ὁ μονογενής. μὴ ἐξέτασε τὰ μὴ ἀεὶ ὄντα πρὸ τοῦ ἀεὶ ὄντος. ἄῤῥητος, ἀγέννητος ὁ πατὴρ, ἄῤῥητος, ἄῤῥήτως γεγεννημένος ἐξ αὐτοῦ ὁ υἱός. σιώπησον πρὸ παντὸς, καὶ

Ne quæras quomodo, ò Philosophe: alioquin, vt iam pluribus dictũ est tibi, & ab initio disputationis testati sumus, studes te præcipitẽ agere, perscrutari tentans, quæ inscrutabilia sunt. Si enim quærere licet, quomodo nõ genitus, licet etiã quærere, quì genitus. Si vero non deseris quæstionẽ, Quomodo sit genitus: ne quæras inscrutabilia: nõ enim inuenies: quæras quæ inueniri possunt, & inuenies. Si enim quæsieris, à quo potes discere? à terra? non subsistebat. à mari? nondum creatum fuerat mare. à cælo? nondum erat factum. à sole aut luna vel stellis? nondum fuerant condita. ab Angelis & Archangelis? nondum erant: siquidem & ipsorum factor est Filius. sed à sæculis? ipse ante sæcula vnigenitus. Ne igitur quæras, quæ non semper fuerunt, de eo quod semper fuit. Ineffabilis & ingenitus est Pater, ineffabilis est & ex eo ineffabiliter genitus Filius. Taceas ergo de illo,

lo,quomodo,& concedas hoc ei qui genuit,& genito. Pater enim ſolus agnoſcit Filium qui eſt, & Filius Patrem, & cui voluerit Filius reuelare, vt ait ipſius Euangelium. Si autem non vis ceſſare illud, Qui, ſed contendis inſcrutabilia perſcrutari, ridemus tuam audaciam, quin magis deflemus quòd non velis fide intelligere, Deum ſemper patrem filij ſui, & vnigenitum ſuum Filium, ſemper eius filium, ſemper cum Patre fuiſſe, non poſteriorem, vt tu impie aſſeris. Sed fide intellige atque confiteare, perfectum Filium ex perfecto, vt ſæpe audiſti, lumen æternum ex æterno lumine, Deum verum ex vero Deo & Patre, increatũ ex increato, ſine compoſitione ab eo, qui compoſitionis eſt expers, ſemper exiſtentem apud Patrem: In principio enim erat Verbum, vt ait Ioannes Euangeliſta, & Verbum erat apud Deũ, & Deus erat Verbum. Illud, erat, Philoſophe, nõ habet aliquid præcedens: illud, erat, Philoſophe, tollit quod non erat, vt prius oſtendimus: & illud, Deus, tollit quod non eſt Deus. Scriptis crede, quæ non ſcripta ſunt, ne cogites, nec inquiras. Credas quòd omnia condidit Filius quæ facta ſunt voluntate Patris, non oculorũ intuitu (Deus enim compoſitionis eſt expers, vt prædiximus) ſed voluntate, vt ipſe ſolus nouit: quod nos fide intelligentes prædicamus, iuxta ſanctarum ſcripturarum doctrinam, quòd Patris conſilio ac ſuo condidit omnem creaturam, & quæ in cælo eſt, & quæ in terra, & quæ videtur, & quæ intelligentia percipitur, non inſtrumentis, aut machinis, nec alicuius alterius auxilio, ſed, vt paulo ante diximus, voluntate Patris, qui ad ipſum & ad Spiritũ ſanctum locutus eſt: Faciamus hominem ad imaginem & ſimilitudinem noſtram. Non dixit fac, nec facite, ſed faciamus, oſtẽdens id quod eſt conſubſtantiale, eiuſdẽ honoris in beata illa & ineffabili Trinitate. Ne obmurmures, ò Philoſophe, neque oculos moueas: ſed mentis intuitu vide Apoſtolicorum dogmatum integritatem, ac fideliter ſuſcipe, non amplius infidelis exiſtens, ſed fidelis. Audi ergo atque intellige, Dei Verbũ quod fuit ante ſæcula, Filius ipſius, ad quem dixit: Faciamus hominem, & quæ ſequuntur. ipſum rurſus in diebus nouiſſimis & Patris & ſua ſententia homo factum eſt, incarnatum ex Virgine, propter eum qui lapſus eſt, Adamum; incorporeum, cum in corpore ſemetipſum exinaniſſet, vt dixit Apoſtolus Paulus, propter corpus accepit Deus Verbum nubem corporis, vt naturas creatas huius mundi non combureret. Deum enim nemo vidit vmquam. Carnẽ accepit, vt caro propter immutabilem cum ipſo in vnum coniunctionem à morte liberaretur: inuiſibilis viſibilem, vt ea quæ videntur, ſuſtineat: quaſi homo in tempore, ſed revera vtrumque, Deus & homo, homo & idem Deus: vnus enim ex ambobus Chriſtus, intellecta & cognita ſubſtantiarum differentia diuinitatis eius atque carnis, Deus erat & eſt: factus eſt autem homo propter diſpenſationem: propter ipſum Prophetæ, propter ipſum Apoſtoli, propter eum Martyres. A eum qui à Prophetis prædictus est: Apostoli propter eum, qui dispensatorie missus & Apostolus factus est: Martyres propter eumdem protomartyrem. Venit Deus in terram, Filius in carnem, occultans vt voluit, suæ diuinitatis magnitudinem, non ea quæ in cælis sunt deserens: neque enim ante incarnationẽ desertus ab eo erat mundus: Deus erat & est, & factus est homo propter dispensationem, incarnatus & natus ex virgine propter suam erga genus humanum charitatem. Pater dignum seipso & æqualem genuit Filium, eo modo quem nouit ipse qui eum genuit Deus & Pater, & qui ex ipso genitus est Filius, ò Philosophe.

ΑΝΤΙΡΡΗΣΙΣ ΤΟΥ ΦΙΛΟΣΟΦΟΥ.

Μὴ δὴ πλείοσιν ὅσον δεῖμεν βιαζόμενος τὴν ἀλήθειαν, καὶ τῇ τῶν λόγων δυσχερείᾳ θησιαζειν ὡς νέφος πρὸ τῆς γραφῆς ἀσάμενον φέγγος· ἀλλὰ εἰς τὸ σαφὲς τῆς γραφῆς ἐλθὲ, τὸ σοι προκείμενον· ἐμὲ μὲν φεύγε, τὸν, κύριος ἔκτισέ με ἀρχὴν ὁδῶν αὐτοῦ εἰς ἔργα αὐτοῦ· ἐς τὸν, κύριος ἐποίησε χώρας καὶ οἰκητούς, ἅπερ οἰκουμένην τῆς ὑπ' οὐρανὸν, μίαν καὶ τὴν αὐτὴν ἔχει ἔννοιαν περὶ τοῦ ἑνὸς κυρίου. τοῦτό ἐστι τοῦ θεοῦ, ὃ ἐς πρωτότοκον κτίσματος εἰς ἀρχὴν ὁδῶν αὐτοῦ, εἰς ἔργα αὐτοῦ, ὃν καὶ υἱὸν αὐτοῦ προσηγόρευσε, τοῦ καὶ κτίσματος δι' αὐτοῦ, ὡς δι' ὑπηρέτου, χώρας ἐς οἰκητούς. εἰ γὰρ καὶ ἡ κτίσις τοῦ θεοῦ σοφία, τοῦτ' ἔστιν, ὁ υἱὸς ἐργάζεται, ἀλλ' ὁ θεὸς ἐστὶν ὁ κτίζων δι' αὐτοῦ τὰ μὴ ὄντα, ὡς δι' ὑπηρέτου.

CONTRADICTIO PHILOSOPHI.

Ne pluribus perseueres vim facere veritati, & verborum arte quasi nube obumbrare tentans non obscurum scripturæ sermonem: sed veni ad manifestam scripturam, quæ tibi est proposita, & non fugias illud: Dominus condidit me initium viarum suarum in opera eius. & illud: Dominus fecit regiones, & inhabitabilia, & summa quæ habitantur eius quæ sub cælo: vnam & eamdem habet intelligentiam. De vno Domino Deo hæc sunt, qui primo factum creauit initium viarum suarum in opera eius, quem & Filium appellauit qui Deus etiam per ipsum Filium quasi per instrumentum fecit regiones, & inhabitabilia. Etsi enim creata Dei sapientia, hoc est, Filius operatur, Deus tamen est qui per ipsum quasi per instrumentum ea quæ non erant, creat.

RESPONSIO SANCTORVM EPISCOPORVM per eumdem Episcopum Eusebium Pamphili.

D Cum diu in via publica & regia, hoc est, in Apostolica Fide permanseris, quomodo extra illam ferri sustines? vt simul sublatus te ipsum præcipites, cum ex profundo impietatis te circumstantis parum emerseris, quando ab hac sancta Synodo audisti prophetiam magni Hieremiæ, quasi digito, vt ita loquamur, indicantis, & dicentis: Hic Deus noster, & non reputabitur alius aduersus eum: & quæ sequuntur, quibus addit: Post hæc in terris visus, & cum hominibus conuersatus est. & nosti ò Philosophe, quòd interrogatus à sanctis Episcopis, quisnam in terris visus esset, & cum hominibus conuersatus, Pater ne an Filius? confessus es, quòd Filius, vt diuinæ scripturæ testantur. Nonne hæc dixisti? quomodo iterum in profundum prauitatis Arij teipsum conijcis, aut potius demergis? Non enim ab eo separatus castra moueres, vt teipsum implicares. Præfers, ò miser, Apostolicis dogmatibus Arij verba blasphema, creaturam & instrumentum Filium Dei appellãs. Audi ergo à nobis ò Philosophe, si tamen philosophus es, & crede nón ipsum Filium Dei esse sapientiam creatam rationalẽ, ab ipso Filio Dei qui fecit terram & inhabitabilia, homini datam. Animum tuum conuerte non ad odiũ respiciens,

ſed ad veritatem, & ipſa veritas ducet te: atque agnoſces, Filium Dei vnigenitum non eſſe creaturam, ſed ipſum creatorem & opificem omniũ creatarum naturarum, ſicut & ipſe parum reſpiciens intellexiſti, & intelliges, vt ego credidi, ſi ſaluari deſideras.

CONTRADICTIO PHILOSOPHI de Spiritu ſancto.

CAPVT XX.

SInt, inquit, credibilia de Filio, & minime dubia, vt dicitis, quòd creauerit, aut ſimul cum Deo & Patre condiderit, vt teſtimonia indicant, & quòd non opus, ſed germen ſit Dei, qui natura ex ipſo genitus eſt, & quæ iam ſunt admiſſa. Ceterum de Spiritu ſancto non poteſtis aliquid affirmare. Quis enim audebit aſſerere Spiritum ſanctum creatorem aliquarum creatarum naturarum? Vbi teſtimonia de ipſo prædicant, condidiſſe illum aliquam creaturarum quæ videntur, aut quæ non videntur? Quis vero de ipſo prorſus, ſicut de Filio ſcripſit? Proclamet aliquis veſtrum, ſi poteſt.

RESPONSIO PATRVM PER Protogenem Epiſcopum Sardicenſem.

Non difficile, ò Philoſophe, operum ſancti Spiritus teſtimonia tibi demonſtrare, quæ Patres noſtri de illo expoſuerunt, quòd creauit. Iterũ proponemus quod de creatione dictum eſt: Dixitq. Deus: Faciamus hominem ad imaginem & ſimilitudinem noſtrã. & adiecit dicens: Fecitq. Deus hominem: ad imaginem Dei fecit illum, maſculum & feminam fecit eos. Sicut ergo Deus eſt Pater, qui Filio dixit, Faciamus, & Filius Deus, qui fecit hominem. Si ergo Deum aſſerimus eum qui dixit, & qui fecit Adam & Euam, deinceps de Spiritu ſancto audi. Qui fecit Adamum, eratne Deus, an non? *Philoſophus*: Eſt profecto Deus. *Epiſcopus*: In libro Iob, Eliu Buzites ait ad Iob: Diuinus ſpiritus qui fecit me. Si ergo Deus eſt qui Adamum fecit, quid dicis de illo qui fecit Eliu? an alterius eſſentiæ videtur tibi Eliu eſſe, atque Adam? ex æquali enim artificum peritia æqualem concluſionem proferre, perſonæ hominis innatum eſt. Quid ergo dices Philoſophe de illo qui fecit Eliu? Numquid non etiam Deum affirmabis, & hominis creatorẽ? Vt enim dixit de eo qui fecit Adamum: Fecitq. Deus hominẽ: ita nos dicere par eſt de eo qui fecit Eliu, quòd ſcilicet Spiritus ſanctus ſit Deus: & quorum creationis æqualis eſt fabrica, æqualis etiam ſit opificum appellatio. Siquidem vna eſt diuinitas ſanctæ Trinitatis, quæ in tribus ſubſiſtentijs perfectis & æqualibus cõſideratur, iuxta illud: Et fecit Deus hominẽ. & illud: Diuinus ſpiritus fecit Eliu. In libro autẽ analepſis Moyſis Michael angelus diſputans cũ diabolo dicit: A Spiritu ſancto eius omnes creati ſumus. Et rurſus ait ex perſona Dei;

ΑΝΤΙΡΡΗΣΙΣ ΤΟΥ ΦΙΛΟΣΟΦΟΥ, *κ) τοῦ ἁγίου πνεύματος.*

ΕΣτω, φησὶ, πρὸς τοῦτο τοῦ υἱοῦ ἡ ὁμοφίλεια, ὡς φατὲ, ὅτι ἔκτισεν, ἢ ὅτι συνέκτισε τῷ θεῷ καὶ πατρὶ, ὡς αἱ μαρτυρίαι δηλοῦσι, κ) ὅτι οὐ πνεῦμα, ἀλλὰ γέννημα τοῦ θεοῦ, φύσει ἐξ αὐτοῦ γεγονημένος, καὶ ἤδη ἀνέχομεθα. μὴ καὶ περὶ τοῦ πνεύματος ἔχετί τι λέγειν; τίς γὰρ τολμήσει φῆσαι τὸ ἅγιον πνεῦμα κτίσμα τινῶν γενητῶν φύσεων; τοῦ δὲ μαρτυρίαν περὶ αὐτοῦ λέγουσι διεδημιουργηκέναι αὐτὸ τῶν ὁρατῶν καὶ ἀοράτων κτισμάτων; τίς δ' ὅλως ἀνέχεται περὶ αὐτοῦ ὡς περὶ τοῦ θεοῦ; ἐκβοήσῃ τις ὑμῶν, εἰ ἔχοι.

ΑΝΤΑΠΟΚΡΙΣΙΣ ΤΩΝ ΠΑΤΕΡΩΝ *διὰ Πρωτογένους Ἐπισκόπου Σαρδικῆς.*

Οὐκ ἔστι δυσχερὲς, ὦ φιλόσοφε, ἐπιδεῖξαί σοι τὰς μαρτυρίας τῶν ἐνεργειῶν τοῦ ἁγίου πνεύματος, ἃς οἱ πατέρες ἡμῶν ἐξέθεντο περὶ αὐτοῦ, ὅτι ἔκτισε. πάλιν ἐρήσωμεν τὸ περὶ τῆς κτίσεως ῥηθέν· καὶ εἶπεν ὁ θεὸς, ποιήσωμεν ἄνθρωπον κατ' εἰκόνα ἡμετέραν κ) καθ' ὁμοίωσιν, κ) ἐποίησε τὸν ἄνθρωπον, κατ' εἰκόνα θεοῦ ἐποίησεν αὐτὸν, ἄρρεν κ) θῆλυ ἐποίησεν αὐτούς. ὡς οὖν θεός ἐστιν ὁ πατὴρ ὁ εἰπὼν τῷ υἱῷ, ποιήσωμεν, ὁ δὲ υἱὸς θεὸς ὢν ἐποίησε τὸν ἄνθρωπον· εἰ οὖν θεὸν λέγομεν τὸν εἰπόντα, κ) τὸν ποιήσαντα τὸν Ἀδὰμ καὶ τὴν Εὔαν, λοιπὸν ἄκουσον περὶ τοῦ ἁγίου πνεύματος· ὁ ποιήσας τὸν Ἀδὰμ θεὸς ἦν, ἢ οὔ; Ὁ φιλόσοφος ναὶ θεός ἐστι. Ὁ ἐπίσκοπος· ἐν τῇ βίβλῳ Ἰὼβ Ἐλιοὺμ ὁ Βυζαίτης λέγει πρὸς Ἰώβ· πνεῦμα θεῖον τὸ ποιῆσό με· εἰ οὖν θεός ἐστιν ὁ ποιήσας τὸν Ἀδὰμ, τί εἶπας τὸν ποιήσαντα τὸν Ἐλιοὺμ, ἢ ἐπιεικὲς δοκεῖ σοι εἶναι ὁ Ἐλιοὺμ τοῦ Ἀδάμ; τῶν γὰρ δημιουργῶν ὅλη ἡ ἴσις ἐπιστήμης, τὸ ἰσοσθενὲς τοῦ συμπεράσματος φανερόν ἐστιν, πέφυκεν ὅλη τὸ τοῦ ἀνθρώπου ποιῆσαι. τί οὖν λέξεις φιλόσοφε τὸν ποιήσαντα τὸν Ἐλιοὺμ; ἆρα ἔχει θεὸν ἢ ποιητὴν ἀνθρώπου; ὡς γὰρ εἴρηται περὶ ἑνὸς ποιήσαντος τὸν Ἀδὰμ, ἐποίησε ὁ θεὸς τὸν Ἀδὰμ, οὕτως εἰπεῖν ἡμᾶς δίκαιον ἐστὶ περὶ τοῦ ποιήσαντος τὸν Ἐλιοὺμ, ὅτι θεὸς τὸ ἅγιον πνεῦμα ἐστὶν, ἴση τῆς δημιουργίας ἡ πλάσις, ἴση καὶ ἡ τῶν δημιουργῶν κατασκευή· ὥσπερ μία θεότης τῆς ἁγίας τριάδος ἐν τρισὶν ὑποστάσεσι πλέουσι καὶ ἴσαις νοεῖται· τὸ, ὅτι, καὶ ἐποίησεν ὁ θεὸς τὸν ἄνθρωπον· καὶ τὸ θεῖον πνεῦμα τὸ ποιῆσαν τὸν Ἐλιοὺμ· ἐν βίβλῳ δὲ ἀναλήψεως Μωσέως, Μιχαὴλ ὁ ἀρχάγγελος διαλεγόμενος τῷ διαβόλῳ λέγει· ἀπὸ γὰρ πνεύματος ἁγίου αὐτοῦ πάντες ἐσμὲν, καὶ πάλιν λέγει· ἀπὸ προσώπου τοῦ θεοῦ

ἐξῆλθε

ἐξῆλθε τὸ πνεῦμα αὐτοῦ· καὶ ὁ κόσμος ἐγένετο. ἀχώριστος γὰρ ἀεὶ ἡ θεία καὶ ἄῤῥητος τριάς, ὅ τε πατὴρ καὶ ὁ υἱὸς καὶ τὸ ἅγιον πνεῦμα, δημιουργήσασα ἅμα πάντα τὰ κτίσιν, τὰ τε νοητὰ, καὶ τὰ αἰσθητά. λέγει γὰρ καὶ ἐν τῷ λβ. ψαλμῷ· τῷ λόγῳ κυρίου οἱ οὐρανοὶ ἐστερεώθησαν, καὶ τῷ πνεύματι τοῦ στόματος αὐτοῦ πᾶσα ἡ δύναμις αὐτῶν. ἄκουε δὴ τοῦ θεοῦ ἐν Ησαΐᾳ λέγοντος· ἐγὼ κύριος ὁ θεός σου, ἐπιλαβόμενός σου χειρὸς Ισραήλ. εἶτα δὲ πάλιν τῶν διεξοδικῶν τὸ πρὸς τὸν λαὸν, ἐπάγει λέγων· ἵνα ἴδωσι καὶ γνῶσι καὶ ὀπίσω νοήσωσιν ἅμα, ὅτι χεὶρ κυρίου ἐποίησε πάντα ταῦτα· καὶ ὁ ἅγιος τοῦ Ισραὴλ καταδείκνυσιν αὐτά· χεῖρα φήσας τὸ ἅγιον πνεῦμα τοῦ θεοῦ, ἅγιον δὲ τοῦ Ισραὴλ τὸν υἱὸν αὐτοῦ. καὶ πάλιν πρὸς Ιακὼβ φησὶν· ἡ χείρ μου ἐθεμελίωσε τὴν γῆν, καὶ ἡ δεξιά μου ἐστερέωσε τὸν οὐρανόν. καθὰ καὶ Ιεζεκιὴλ, λέγων· ἐγένετο χεὶρ κυρίου ἐπ' ἐμέ. ἔωθεν ἡ γραφὴ, ὦ φιλόσοφε, ἡ χεῖρα ἢ βραχίονα καλεῖν τὸ πνεῦμα τὸ ἅγιον τοῦ θεοῦ, δεξιὰν δὲ τὸν υἱὸν αὐτοῦ.

A Exiuit ſpiritus eius, & factus eſt mundus. Inſeparabilis enim eſt diuina & ineffabilis Trinitas, Pater, Filius, & Spiritus ſanctus, quæ ſimul condidit omnem creaturã, tam quæ intellectu, quàm quæ ſenſu percipitur. Inquit enim: Verbo Domini cæli firmati ſunt, & ſpiritu oris eius omnis virtus eorum. Audi ergo Deum in Eſaia loquentem: Ego Dominus Deus tuus. Audiam te Deus Iſrael. Poſtquam autem de beneficijs diſſeruit quæ ad populum pertinent, adiungit, dicens: Vt videant, intelligant, & ſciant quòd manus Domini fecit hæc omnia, & ſanctus Iſrael oſtendit ea. manum appellans Spiritum Dei, ſanctum autem B Iſrael, Filium eius. & rurſus ad Iacob ait: Manus mea fundauit terram, & dextera mea cælum firmauit. vt & Ezechiel dicit: Facta eſt manus Domini ſuper me. Conſueuit ſcriptura, ò Philoſophe, manum aut brachium appellare Spiritum ſanctum Dei, dexteram autem Filium eius.

Ικανὰ μὲν τὰ λεχθέντα περὶ τῶν ἐνεργειῶν τοῦ ἁγίου πνεύματος πείσαι σε φιλόσοφε, ὅτι συνδημιουργὸν τῷ πατρὶ καὶ τῷ υἱῷ πάντων τῶν κτιστῶν φύσεων, καὶ τῆς αὐτῆς θεότητος καὶ οὐσίας, ἧς ὁ πατὴρ καὶ ὁ υἱός. ὅπως οὖν τὸν νῦν σου, ἐκ τῶν προλεχθέντων σοι, ἄκουε καὶ νῦν σαφεστέρας ἀποδείξεις περὶ αὐτοῦ ἐκ τῶν ἱερῶν γραφῶν. λέγει ὁ προφήτης Δαυὶδ ἐν τῷ ἐνεντηκοστῷ ἑβδόμῳ ψαλμῷ· ἄσατε τῷ κυρίῳ ᾆσμα καινόν· διὰ τί; ὅτι θαυμαστὰ ἐποίησεν ὁ κύριος, ἔσωσεν αὐτὸν ἡ δεξιὰ αὐτοῦ· αὐτὸ τοῦ ὁ υἱὸς αὐτοῦ, καὶ ὁ βραχίων ὁ ἅγιος αὐτοῦ, τὸ πνεῦμα λέγων τὸ ἅγιον. ἐν καθολικαῖς δὲ Ιωάννης ὁ εὐαγγελιστὴς βοᾷ, περὶ τοῦ πνεύματος τοῦ ἁγίου θεολογῶν αὐτὸ καὶ αὐτὸς, καθὰ καὶ πάντες, τὸ πνεῦμά ἐστι τὸ μαρτυροῦν, ὅτι τὸ πνεῦμά ἐστιν ἡ ἀλήθεια. καὶ μετ' ὀλίγα· ὁ πιστεύων, φησὶν, εἰς τὸν υἱὸν τοῦ θεοῦ, ἔχει τὴν μαρτυρίαν τοῦ θεοῦ ἐν ἑαυτῷ· αὐτὸ τοῦ, τὸ πνεῦμα τοῦ θεοῦ· ὁ δὲ μὴ πιστεύων τῷ υἱῷ, ψεύστην ποιήσει αὐτόν. καὶ ὁ μέγας δὲ τῶν ἀποστόλων πρόβολος ὁ θεῖος Πέτρος φησὶ πρὸς Ανανίαν· εἰς τί ἐπλήρωσεν ὁ σατανᾶς τὴν καρδίαν σου, ψεύσασθαί σε τὸ πνεῦμα τὸ ἅγιον. καὶ μετ' ὀλίγα· οὐκ ἐψεύσω ἀνθρώποις, ἀλλὰ τῷ θεῷ. καὶ ἐν τῇ παλαιᾷ, πάλαι, τὸν ψαλμὸν φησι καὶ τὴν γῆν ἐγὼ πληρῶ, λέγει κύριος. καὶ ὁ Σολομὼν δὲ ὁμοίως τὸ πληρῶν, λέγει· πνεῦμα κυρίου πεπλήρωκε τὴν οἰκουμένην. πίθου τοίνυν ἐκ τῆς τοῦ ἁγίου πνεύματος θεοπνευστίας, καὶ δίκαια καὶ τὰς περὶ αὐτοῦ μαρτυρίας, πιστεύων ὅτι τῆς αὐτῆς θεότητος καὶ οὐσίας, καὶ τοῦ αὐτοῦ κράτους, τὸ πνεῦμα τὸ ἅγιον, ἅπερ ὁ πατὴρ καὶ ὁ υἱὸς, καὶ συνυπάρχον ἀεὶ τῷ πατρὶ καὶ τῷ υἱῷ. ἀκούεις φιλόσοφε.

Sufficiunt quidem, quæ dicta ſunt de operibus ſancti Spiritus, ò Philoſophe, vt ipſum credas ſimul cum Patre & Filio omnium factarum naturarum eſſe creatorem, & eiuſdem diuinitatis atque ſubſtantiæ, cuius eſt Pater & Filius. Aduertens igitur animum ad ea quæ prius tibi dicta ſunt, audi & nunc de eodem manifeſtiores demonſtrationes ex ſacris litteris. Ait propheta Dauid: Cantate Domino canticum nouum. quare? quia mirabilia fecit, ſaluauit dextera eius (pro eo quod eſt, Filius eius) & brachium ſanctum eius, Spiritum ſanctum ſignificans. & in D Catholicis Ioannes Euangeliſta idem clamat, & ipſe, quod & alij omnes, de Spiritu ſancto diuinitus diſſerens: Spiritus eſt qui teſtificatur, quia ſpiritus veritas eſt. & poſt pauca: Qui credit, inquit, in Filium Dei, habet teſtimonium Dei in ſemetipſo: pro eo quod eſt, Spiritum ſanctum Dei: qui autem non credit Filio, mendacem facit eum. & magnum Apoſtolorum propugnaculum, diuinus Petrus ait ad Ananiam: Cur impleuit ſatanas cor tuum, mentiri te Spiritui ſancto? & poſt pauca: Non es mentitus hominibus, ſed Deo. Et rurſum in veteri Teſtamento: Cælum & terram ego impleo, dicit Dominus. & Salomon indicans quis impleat, ait: Spiritus Domini repleuit orbem terrarum. Crede, & de poteſtate Spiritus ſancti hæc recipe de ipſo teſtimonia, quòd Spiritus ſanctus eiuſdem ſit deitatis & ſubſtantiæ, eiuſdemq. auctoritatis atque Pater & Filius, & cum Patre & Filio ſemper exiſtat. RESPONSIO PHILOSOPHI AD sanctos Patres noſtros.

Igitur vt dicitis,& teſtimonia ſcripturarũ quas proponitis, indicant, oportet Spiritum ſanctum Deum eſſe affirmare: ſed mihi videtur coactam eſſe hanc ſententiam, niſi aliæ ſcripturæ nobis proferantur. Niſi quod illa de Eliu demonſtratio manifeſta eſt. Alteram vero ex Moyſis analepſi, quam vocant, vt paulo ante dixiſtis, numquam audiui niſi nunc: quamobrem à vobis poſtulo,clariorem mihi eorum quæ dicta ſunt, conſiſtentiam ob oculos exhibeatis. Ad perfectiſſimam enim de Spiritu ſancto certitudinem non mihi ſufficiunt quæ iam à vobis dicta ſunt, ſed candidiori atque vehementiori ſermone opus habet hæc hypotheſis. Non enim de paſſim occurrentibus quæſtio eſt.

RESPONSIO SANCTORVM PATRVM per eundem Epiſcopum Leontium ad Philoſophum.

Cum ſit copioſa eorum quæ tibi enarrata ſunt, demonſtratio, & teſtimonia ex diuinis ſcripturis euidentiſſima, quæ perſuadere tibi propoſitam hypotheſim valeant,miramur,ò Philoſophe,quomodo qui tanta intelligentia videris pollere, adhuc dubitas. Verum enimuero, præſertim cum te veritatem aſpicere volumus, & hoc precamur & exhortamur prudentiam tuam,vt incipias increatam illam & immutabilem naturam fide intelligere, non autem humanis rationibus, vt ſæpe diximus, quæ intellectum ſuperant, curioſe audeas inquirere, neque pravis & impijs Arij opinionibus auxilio eſſe tamdiu ſuſtineas, maxime cum philoſophus ſis, vt ais, ò Philoſophe,ſed fideliter ſuſcipere, vt paulo ante monuimus, & quæ tibi ſunt dicta, & quæ dicenda ſunt. Admitte vnam diuinitatem Patris Filiũ ineffabiliter generantis,& Filij ex eo geniti,& Spiritus ſancti ex eodem Patre procedentis, qui & proprius eſt Filij, vt ait diuinus Apoſtolus Paulus:

CAPVT XXI.

POstquam ad sublimiorem intelligentiam me ducitis, asserentes oportere vnam diuinitatem cogitare ac credere Patris & Filij & Spiritus sancti: memini autem vos prius dixisse, Deũ esse Patrem, & Deum Filium, & Deum Spiritum sanctum: nunc autem dicitis vnam esse diuinitatem trium perfectarum hypostasium, Patris, & Filij, & Spiritus sancti; candidius precor has mihi sententias explicate.

ILlud etiam, amice Philoſophe, quod ſupereſt huius veritatis conſiderandum eſt. Fontem cogitemus, qui fluuium aquæ generat: omnis enim fluuius, vt noſti, fontem habet genitorem: inde procedit aquæ fluuius. Sed nemo fluuium appellat fontem, neque fontem fluuium: ſed fons fons appellatur, & fluuius fluuius, & vtrumque aqua vna. Quando autem vult quiſpiam à fonte vel fluuio aquam diſſolui, mutat nomenclaturam: non enim dicit, Vade progrediens hauſias & feras mihi fontem aut fluuium, ſed aquam. & vna quidem matura, tres autem perſonæ dicendæ ſunt, fons, fluuius, & aqua. Sed & diuina ſcriptura eadem aſſerens demonſtrat. Neque enim ab eadem aliena nos tibi loquimur, ò legitime in poſterum gratiæ fili, quamuis in ſimilitudinibus, typis & imaginibus ſermonem veritatis enarramus. Ait igitur de Filio diuina ſcriptura:

te est fons vitæ, & in lumine tuo videbimus lumen. fontem vitæ Deum & Patrem appellans, ad Filium vero loquens: siquidem Pater est in Filio, & Filius in Patre: lumen autem ipsum Filium nominat, in quo lumine testatur videndum esse lumen, Spiritum sanctum: In lumine, inquit, tuo videbimus lumen. Fons enim vitæ ac luminis vere est Pater: lumen etiam est Filius ex Patre lumine: lumen etiam est Spiritus sanctus ex eodem lumine. Si quidem, vt nobis sæpe dicendum est, vna est diuinitas Patris & Filij & Spiritus sancti, vt ipse clamat per verba prophetica: Ego sum Deus, & non est alius, & ego primus, & ego postea, & in sæculum ego sum. & rursum: Ego sum, & non mutor, & in sæculum ego sum. & quæ sequuntur. Et iuxta prius demonstrata necessarium arbitror dicta repetere, quamuis non omnia propter multitudinem, sed clariora, vt firmiorem habeant consistentiam quæ dicta sunt. Quæ igitur erant ex ore Hieremiæ prophetæ proponemus: Qui præparauit, inquit, terram in æternum tempus, & impleuit eam iumentis quadrupedibus: qui mittit lumen & ibit, vocauit illud, & obediuit timore: stellæ splenduerunt in custodijs suis, & exultauerunt: vocatæ sunt & dixerunt, Adsumus: splenduerunt cum exultatione factori suo. Hic C Deus noster, non reputabitur alius aduersus eũ. & quæ sequuntur. Necessarium igitur, ô Deo dilectissime Philosophe, huc animum aduertere, & scripturæ sensum aperire. Ostẽdit enim, vt tu ipse pariter confessus es, de Filio hæc dicta esse. Post hæc enim, inquit, in terra visus est, & inter homines conuersatus est. Si ergo iuxta impiam Arij prauitatem, alia quidem est Filij substantia creata, vt sit Deus Patre posterior: ait autem de ipso scriptura: Hic Deus noster, & non reputabitur alius aduersus eum: sequetur ex impietate Arij Patrem Deum non esse, siquidem ait de Filio, Et non reputabitur alius aduersus eum. & D conuincuntur impij Ariomanitæ cum suæ blasphemiæ auctore, præter Filij negationem ipsum Patrem à diuinitate depellere, & athei prorsus deprehenduntur veritatis aduersarij. Quj enim Filium non habet, vt in Catholicis ait, nec Patrẽ habet. Fides autem Catholica vnam deitatem nouit & colit, Patris & Filij & Spiritus sancti: aduersus quam non æstimabitur alia. Porro mysterium hoc sanctæ atque adorandæ & consubstantialis Trinitatis, omnem intellectum atque sermonem superat, & prorsus comprehendi non potest, sed sola fide percipi.

RESPONSIO SANCTORVM PAtrum ad Philoſophum, per eundem Leontium Epiſcopum.

Dic quod vis, cupimus enim te pleniſſime ſcire de omnibus, maxime cum iam te illuſtrante Spiritu ſancto, facile poſſis dictorum demonſtrationem percipere.

GRATIARVM ACTIO PHILOSOPHI & interrogatio de diuina incarnatione.

Gratia ſacro veſtro capiti. Dicite autem mihi, ὁ ſanctiſſimi, quomodo ſit intelligendum Deũ Verbum Dei filium in terra viſum eſſe, & inter homines conuerſatum, cum aſpectabilis non ſit ab omni creata natura, & quæ videtur, & quæ intelligentia percipitur: & quæ ſit cauſa, propter quam hæc geſta ſunt, doceatis rogo.

RESPONSIO SANCTORVM PATRVM ad Philoſophum per Epiſcopum Leontium.

Cauſa præſentiæ eius ab ipſo diſpenſata eſt propter primorum hominum Adami & Euæ lapſum in paradiſo, qui totum ipſorum genus inuaſit. Poſtquam igitur tranſgreſſi præceptum, diuina gratia priuati fuerunt, eam humano generi opifex voluit reſtituere. Et conſiderandum hic eſt, quòd quemadmodum Deus dixit: Faciamus hominem ad imaginem & ſimilitudinem noſtrã: & fecit Deus hominem iuxta prius dictas demonſtrationes; idem rurſus dixit: Seruemus perditum hominem, quem ad imaginem & ſimilitudinem noſtram fecimus. Vt autem Deus & Pater dixit, Faciamus, & Filius Deus ex Deo fecit: idem rurſus ex Patris ſententia ſaluare hominem voluit in ſemetipſo.

INTERROGATIO PHILOSOPHI de eodem.

Et quomodo in terra viſus, & quaſi homo inter homines conuerſatus, cum ſit Deus immutabilis?

RESPONSIO SANCTORVM PATRVM per Macarium Epiſcopum Hieroſolymorum.

A bis dedit similitudinem suam, Deus Verbum ad similitudinem nostram descendit. Impossibile est autem Deum nobis assimilari, & non incarnari: neque enim species incorporea substantiæ incorporeæ, quæ quidem ipse erat, accessit, sed corporea. corporea autem substantia absque assumptione nō erat: propterea corpus vere assumpsit, vt qui à prima fraternitate, hoc est, gratia sancti Spiritus, quam per primos parentes Adamum & Euam amisimus, per figuræ incorporeę mutationem excideramus, ad fraternitatem per corporis assumptionem reduceremur, & iterum incorpoream speciem diuinam acciperemus. Accipit autem carnem ex muliere: sic enim nobis similis factus est, vt nos sibi similes participes suæ gloriæ faceret, & vt mulierem per natiuitatem suam saluaret. Saluabitur enim, inquit, mulier per filiorum generationem. Caro autem assumpta est, quæ secundum naturam habebat quod vitale est: nulla enim caro eo quod vitale est caret, quod scriptura proprie animam appellat. 1. Tim. 2.

Iam monuimus te, vir optime, nequaquam in diuinis mysterijs dicere, quomodo? ineffabilia enim sunt, & incomprehensibilia. vt autem ex sacris litteris edocti sumus, dicemus quantum oratio consequi poterit. Omnimodam enim mysterij illius cognitionem quomodo dispensatio in carne Domini facta sit, nullus neque hominum neque Angelorum, nec ipse Gabriel qui eidem mysterio ministrauit, neque omnino sancta, pura, & casta virgo Maria consequi poterit totam huius Dei Verbi incarnationis intelligentiam. ipse etenim solus vnigenitus Dei Filius exacte nouit suam propter nos inhumanationem. sed quæ nobis tradiderunt, qui ab initio ipsi viderunt & ministri fuerunt sermonis, vt ait Lucas, de illius in carne dispensatione: quòd scilicet ex semine Dauid & Abraam secundum carnem, & de qua natus est IESVS, qui vocatur Christus, id est, ex virgine: & quorum patres, & ex quibus Christus secundum carnem: & quòd non Angelorum, sed semen Abraæ apprehendit: & quòd per omnia nobis assimilatus est excepto peccato: hæc scimus: modus autem quo hæc gesta sunt, omnis creaturæ rationalis cogitationem transcendit. Ait autem & de hoc Hieremias propheta: Homo est, & quis cognoscet illum? Admirante autem Philosopho, & tota multitudine collecta ad auscultationem, addentes sancti Patres per Macarium Episcopum Hierosolymorum dixerunt. Luc. 1. 4. Matth. 1. Roman. 9. Heb. 2. 4. Hebr. 4. Pluribus iam demonſtrauimus,quòd Deus vnigenitus Filius Dei factus ſit homo propter benignitatem erga genus humanum, incarnatus & genitus ex virgine Maria inexplicabili generatione. DE OMNIVM CONSENSV CIRCA Consubstantiale.

CAP. XXIV.

C HIs hoc modo à sancto Spiritu per sanctos Patres nostros in sacra illa Synodo collectos, explicatis, magnificabat Deum tota illa multitudo, quæ ad auditionem illam conuenerat. Auscultabat autem & ipse Deo amabilissimus Rex, qui vt plurimum aderat Synodo, & admirabundus laudabat Deum; cùm diuina hæc audisset dogmata, & gaudens de nostrorum Episcoporum concordia, exultabat spiritu. studebat enim neminem neque magnum, neque paruum ab hac confessione dissentire. Post longam igitur atque diuturnam huius adorandæ considera-
D tionis plenitudinem, visum est simul omnibus nostris, consubstantiale in Ecclesiastica fide definiri oportere, ad eumdem modum quo & post Apostolos sancti Patres nostri Fidem hanc tradiderant, hoc est, confiteri Filium & Spiritum sanctũ eiusdem substantiæ cum Patre. Quam Fidẽ omnes Nicææ congregati sancti Episcopi confirmarunt, & tota sacrorum, & confitentium virorum multitudo, & ipse laudatissimus & Deo dilectissimus Rex, & tota fidelium quæ illic conuenerat, multitudo, gaudentes hanc fieri confessionem susceperunt, præter septemdecim Episcoporum numerum, de quibus supra etiam diximus, quibus
F cum delectari Arius videretur, conuictus est cum ipsis ei consentientibus, qui cum eo asserebãt, exterius factum esse à Deo Filium ex quibusdam substantijs non extantibus, & non ex ipsa Patris diuinitate genitum fuisse.

QVOMODO AB VNIVERSA Synodo excommunicatur impius Arius, & qui cum illo erant.

CAP. XXV.

Omnia hæc & ipſoſmet ſancta Synodus anathemate percuſſit, nec audire quidem ſuſtinens impiam eorum opinionem & amentiã, atque blaſphema verba. Quin & tabellas ipſorũ impietatis plenas,quas offerre auſi fuerant,protinus dilacerarunt. Et quæ quidem illorum erãt, à ſancta Synodo talem ſortita ſunt finem. Quæ autem Fidei erant orthodoxæ, & concorditer omnes Epiſcopi comprehenſum breuibus verbis complectentes, propter fidelis populorum multitudinis ſimplicitatem, ita ſcripto expoſuerunt catholicæ Fidei Symbolum.

Κινεῖ δὲ ἡμᾶς ἡ τοῦ Βασιλέως πίστις καὶ ἑτέρου πράγματος ἐπιμνησθῆναι· ὃς τῷ αὐτῷ ἢ σπουδαίου τῆς ἐκκλησιαστικῆς εἰρήνης ἐπεμέλετο, ὡς μηδὲ τὰ ἐλάχιστα αὐτὸν ὑπερβαλέσθαι. καὶ Ακέσιον γὰρ τὸν τῶν Ναυατιανῶν θρησκείας ἐπίσκοπον καὶ τοὺς σὺν αὐτῷ ἐκκλῆσαι εἰς τὴν σύνοδον, ὡς καὶ αὐτοὺς τὸ ὁμούσιον, ἢ τὴν τριάδα δοξάζοντας. μεθ' οὗ τὸ ἐκτεθῆναι καὶ ὑπογραφῆναι ἅπαντα τῆς συνόδου ἢ τὸν Βασιλέως τὸν ὅρον τῆς πίστεως, ἠρώτα τὸν Ακέσιον Κωνσταντῖνος ὁ Βασιλεὺς, εἰ ἢ αὐτὸς τῇ πίστει συντίθεται καὶ τῷ ὁρισμῷ τῆς περὶ τοῦ Πάσχα ἑορτῆς· ὁ δὲ Ακέσιος πρὸς αὐτὸν, οὐδὲν καινὸν, ἔφη, ὦ Βασιλεῦ, ἡ σύνοδος ὥρισεν· οὕτω γὰρ ἄνωθεν ἅπαντες ἐκ τῶν ἀποστολικῶν θρόνων παρειλήφαμεν καὶ τὸν ὅρον τῆς πίστεως, καὶ τὸν χρόνον τῆς τοῦ Πάσχα ἑορτῆς. καὶ ὁ Βασιλεὺς πρὸς αὐτὸν, τί οὖν τὴν κοινωνίας ἡμῶν χωρίζῃ; ὁ δὲ Ακέσιος τὰ ἐπὶ Δεκίου καὶ τὸν διωγμὸν γενόμενα περὶ τῶν ἐν τῷ μαρτυρίῳ μὴ δυνηθέντων ἀγωνίσασθαι, ἀλλὰ ἀρνησαμένων, διηγεῖτο, καὶ ἀκρίβειαν αὐτῶν καινός περιεβάλετο, λέγων, ὡς οὐκ ἂν χρὴ τοὺς μὴ τὸ βάπτισμα ἡμαρτηκότας δέχεσθαι μετανοοῦντας, ἢ τῆς κοινωνίας τοῦ μυστηρίου τοῦ λοιποῦ ἀξιοῦσθαι. ταῦτα εἰπόντος τοῦ Ακεσίου ἔφη πρὸς αὐτὸν ὁ Βασιλεὺς, ἧς ἄρα Ακέσιε κλίμακα μόνος, καὶ ἀνάβηθι εἰς τὸν οὐρανόν. μετὰ ταῦτα πάντες οἱ ἐπίσκοποι διατυπώσεις ἐκκλησιαστικὰς διαφόρους ἐπέθηκαν.

MOuet autem nos Imperatoris fides, vt & aliud quiddam commemoremus, qui tanto ſtudio & prudentia in Eccleſiaſticam pacem incumbebat, vt ne minima quidem negligeret. Etenim Aceſium ſectæ Nouatianorum Epiſcopũ, & eius ſocios in Synodum vocauit, haud aliter quàm ipſos qui conſubſtantiale & Trinitatem celebrabant. Ac poſtquam deciſio de Fide, cum in commentarios relata, tum ſubſcriptionibus confirmata à Synodo & Imperatore erat, Imperator Conſtantinus ſciſcitabatur ab Aceſio, vtrũ ipſe eidem fidei, & decreto quoque de feſti Paſchatis obſeruatione conſtituto aſſentiretur. Tũ ille: Nihil noui, inquit, ò Imperator, Concilium decreuit: nam antiquitus ab Apoſtolorum ſedibus omnes eamdem Fidei deciſionem, & idem tempus feſti Paſchatis accepimus. Tum Imperator: Cur igitur te à communione noſtra ſegregaſti? Ille res regnante Decio geſtas, & quæ perſecutione ingruente acciderant, & de ijs qui martyrij certamen decertare non poterant, ſed Chriſtum abnegabant narrauit, exquiſitamq. ſeueri cuiuſdam canonis obſeruationem in medium adduxit: Quòd non oporteat eos qui poſt baptiſmum peccarunt, quamuis pœnitentes admittere, nec myſteriorum communione dignari. CAP. XXX.

ΟΜιλήσωμεν τῷ Φωτὶ, ὅ ἐστιν ὁ Χριστὸς, ὡς πλησίον αὐτὸ ἐσῶτες, ὡς ὁρῶντες αὐτὸν, οὕτως πολιτευσώμεθα πρὸς εὐχὰς ἀναζεύσεις· εὐχαὶ γὰρ ἁγιάζουσιν, ἐὰν λόγῳ θείῳ προσευχώμεθα· λόγος δὲ θεῖος πάρεστιν, ἔνθα καρδία καὶ πολιτεία καθαρὰ ἐν ταπεινοφροσύνῃ φυλάττεται. ἐκαμνεν ὁ Ισραὴλ τὰς θυσίας ἀπαρτίζων· ἐκραζον οἱ προφῆται πρὸς τὸν θεὸν, ἐξαπόστειλον τὸ φῶς σου καὶ τὴν ἀλήθειάν σου· ἐκεῖνοι ἔκραζον, καὶ ἡμεῖς εἰλάβομεν· ἄλλοι κεκοπιάκασι, καθὼς εἶπεν ὁ κύριος, καὶ ἡμεῖς εἰς τὸν κόπον αὐτῶν εἰσεληλύθαμεν. ἦλθε γὰρ πρὸς ἡμᾶς αὐτὸς ὁ κύριος λέγων, ἐγώ εἰμι τὸ φῶς, ἐγώ εἰμι ἡ ἀλήθεια. ἀκαμάτως εἰλάβομεν τὴν χάριν, ἀλλὰ διὰ καμάτου δεῖ ἡμᾶς φυλάξαι τὴν χάριν.

VErſemur cum luce, quæ eſt Chriſtus, tamquam ipſi propinqui exiſtentes, & ipſum aſpicientes. Sic in ſanctificantibus precationibus exerceamur. Preces enim ſanctificant, ſi diuinum Verbum adoremus. Verbum autem diuinum adeſt, vbi cor & pura vitæ inſtitutio in humilitate conſeruatur. Laborabat Iſrael ſacrificia perficiens: clamabant Prophetæ ad Deum: Emitte lucem tuam, & veritatem tuam. Illi clamabant, & nos accepimus. Alij laborauerunt, ſicut Dominus dixit, & nos in laborem ipſorum introiuimus. Venit enim ad nos Dominus, dicens: Ego ſum lux, ego ſum veritas. ſine labore accepimus gratiam, ſed cum labore oportet nos gratiam conſeruare.

ΠΕΡΙ ΤΗΣ ΕΚ ΝΕΚΡΩΝ ΑΝΑΣΤΑΣΕΩΣ.

Οὐχ ἁπλῶς ὁ κύριος τὸν ἑαυτοῦ σάρκα ὑπὲρ ἡμῶν παρέδωκεν εἰς πάθος καὶ θάνατον· ἀλλ' ἵνα τὴν ἡμετέραν σωτηρίαν πραγματεύσηται, καίπερ ἐλεύθερος ὢν ἀπὸ θανάτου, καθὼς ἀνωτέρω ὁ λόγος ἀπέδειξε. βοᾷ ὁ προφήτης ὡς ἐκ προσώπου αὐτοῦ, προαναφωνῶν τὸ μέλλον τῆς κατ' σάρκα αὐτοῦ οἰκονομίας μυστήριον· ἐλεύθερος, φησὶν, ὡσεὶ ἄνθρωπος ἀβοήθητος, ἐν νεκροῖς ἐλεύθερος. τίς δὲ ἐλεύθερος θανάτου, εἰ μὴ θεός; ἀλλὰ κατὰ τὰς προαναδειχθείσας ἀνακεφαλαιώσεις διὰ φιλανθρωπίαν, γέγονεν ὡσεὶ ἄνθρωπος ἀβοήθητος, ταπεινώσας τὸν ἑαυτοῦ σάρκα μέχρι θανάτου, θανάτου δὲ σταυροῦ, ἣ καὶ ἐγηγέρθαι κηρύττεται, ἵνα ἡμᾶς ἀπαθανατίσας, περιποιήσῃ ἡμῖν τὴν ἀπεγνωσμένοις δι' αὐτῆς τῆς ἡμετέρας ἀπαρχῆς τὴν τῆς ἀναστάσεως ἡμῶν ἐλπίδα· ὅπως μηκέτι ὦμεν δοῦλοι τῷ αἰωνίῳ θανάτῳ, ἀλλ' ἐλεύθεροι, καθάπερ ἡ ἀπαρχὴ ἡμῶν Χριστὸς, καθὼς φησὶν ὁ μακάριος ἀπόστολος Παῦλος, ἀπαρχὴ Χριστὸς, ἔπειτα οἱ τοῦ Χριστοῦ ἐν τῇ παρουσίᾳ αὐτοῦ. ὃν καὶ σωτῆρα αὐτὸν δὴ πιστὸν τὸ κύριον ἡμῶν Ἰησοῦν Χριστὸν τὸν θεοῦ καὶ πατρὸς ἡμῶν μονογενῆ ἀπεκδέχεσθαι ἡμᾶς ἐξ οὐρανῶν, ἀναστήσοντα τὰ ἡμῶν ἐκ τῶν τάφων τὰ σώματα, ἀθανατίσοντα· λέγων ἡμῶν τὸ θνητὸν μέλος, φησὶν, ἐν οὐρανοῖς ὑπάρχει, ἐξ οὗ καὶ σωτῆρα ἀπεκδεχόμεθα κύριον Ἰησοῦν Χριστὸν, ὃς μετασχηματίσει τὸ σῶμα τῆς ταπεινώσεως ἡμῶν σύμμορφον τῷ σώματι τῆς δόξης αὐτοῦ. οὕτω γὰρ δεῖ τὸ σῶμα ἡμῶν δοξασθῆναι, ὡς τὸ τοῦ δεσπότου, ἀπηλλαγμένον πάσης κακίας, καὶ πάντων τῶν νῦν παθῶν ἐλεύθερον, καὶ θανάτου καὶ ἁμαρτίας, ἅγιον, ἵνα ἐν καινότητι ζωῆς σὺν αὐτῷ περιπατῶμεν ἀθανατίσαντος ἡμᾶς τοῦ Χριστοῦ. ἐν πίστει γὰρ τῇ ἐλπίδι καὶ τὸ ἅγιον εἰλήφαμεν βάπτισμα, καὶ τὸν σωτήριον τῶν ἁγίων αὐτοῦ μελῶν μετουσίαν ἀπεδεχόμεθα. ταῦτα τὰ καθολικῆς ἐκκλησίας τὰ δόγματα.

Non simpliciter Dominus suam ipsius carnem pro nobis passioni & morti tradidit, sed vt nostram salutem procuraret, cum liber esset à morte, vt sermo superius demonstrauit. Clamat Propheta quasi ex persona ipsius, prædicens futurum eius secundum carnem œconomiæ mysterium: Factus sum, inquit, quasi homo sine adiutorio, inter mortuos liber. Quis autem liber à morte, nisi Deus? sed iuxta prius ostensas demonstrationes incarnatus propter hominum dilectionem, factus quasi homo sine adiutorio, humilians suam ipsius carnem vsque ad mortem, mortem autem crucis, quæ & resurrexisse prædicatur, vt postquam nos immortales fecerit per primitias nostras, resurrectionis spem nobis etiam desperatis suppediteret, vt non amplius obnoxij simus æternæ morti, sed liberi, quemadmodum & primitiæ nostræ Christus, vt inquit beatus Apostolus Paulus: Primitiæ Christus, deinde hi qui sunt Christi in aduentu ipsius. Et ipsum saluatorem hunc Dominum nostrum IESVM Christum, Dei & Patris filium vnigenitum expectare nos in cælis, cum nostra corpora ex sepulchris excitauerit, restatur dicens: Conuersatio nostra in cælis est, vnde & saluatorem expectamus Dominum nostrum IESVM Christum, qui reformabit corpus humilitatis nostræ, configuratum corpori claritatis suæ. Sic enim oportet corpus nostrum clarificari, sicut & corpus Domini: vt malitiam & eas quæ nunc sunt passiones susciperе nequeat, liberum à morte & peccato, sanctum, vt in nouitate vitæ cum ipso possimus ambulare in cælesti lumine, semper cum ipso Christo regnantes. In hac enim spe sanctum baptisma percepimus, & salutarem sanctorum eius membrorum participationem susceпimus. Hæc Ecclesiæ Catholicæ dogmata sunt.

CAP. XXXII.

De eunuchis qui seipsos castrauerunt.

Περὶ εὐνούχων ἀποκοψάντων ἑαυτούς.

I. SI quis in ægritudine à medicis excisus sit, vel à barbaris exsectus, ille permaneat in clero. Si quis autem sanus seipsum exsecuerit, hunc amplius in clero non haberi conuenit: & deinceps neminem talem oportet promoueri. Sicut autem manifestum est, illud dictum esse de ijs qui eam rem consulto instituerunt, & ausi sunt seipsos excindere: ita si qui vel à barbaris, vel à dominis suis eunuchi facti sint, & inueniantur alioqui digni, eos in clerum recipit canon.

C ΕΙ τις ἐν νόσῳ ὑπὸ ἰατροῦ ἐχειρουργήθη, ἢ ὑπὸ βαρβάρων ἐξετμήθη, οὗτος μενέτω ἐν τῷ κλήρῳ· εἰ δέ τις ὑγιαίνων ἑαυτὸν ἐξέτεμε, πρέπει καὶ ἐν τῷ κλήρῳ ἐξεταζόμενον πεπαῦσθαι τοιούτου, καὶ ἐν τοῦ λοιποῦ μηδένα τῶν τοιούτων χρὴ "προσποιεῖσθαι. ὥσπερ δὲ πρόδηλον, ὅτι περὶ τῶν ἑαυτοὺς τοιούτων τὸ πρᾶγμα, καὶ τολμώντων ἑαυτοὺς ἐκτέμνειν εἴρηται· οὕτως εἴ τινες ὑπὸ βαρβάρων ἢ δεσποτῶν ἐνευχίσθησαν, εὑρίσκοντο δὲ ἄλλως ἄξιοι, τύπους εἰς κλῆρον προσίεται ὁ κανών. "ἐπιποθῇ.

D

De his qui ab ethnicis venientes ordinantur.

II. Quoniam multa vel pro necessitate, vel alioqui cogentibus hominibus contra canonem Ecclesiasticum facta sunt, ita vt homines ex vita Gentili nuper accedentes ad Fidem, & exiguo tempore eruditi, statim ad spirituale lauacrum ducantur, & simul atque baptizati fuerint, ad Episcopi, vel Presbyteri dignitatem promoueantur: recte igitur visum est, de cetero nihil tale debere fieri. Nam & tempore opus habet catechumenus, & post baptismum longiori probatione indiget. Euidens namque Apostolicum præ-
1. Tim. 3. ceptum est, dicens: Non neophytum, ne forte inflatus in iudicium incidat, & laqueum diaboli. Si vero procedente tempore, animi aliquod peccatum inueniatur in ea persona, & duobus vel tribus testibus conuincatur, abstineat talis à clero. Si quis vero aduersus hæc facit, tamquam aduersus magnum Concilium aliquid audens, clericatu periclitabitur.

Περὶ τῶν ἀπὸ ἐθνικῶν εἰς χειροτονίαν προσερχομένων.

Ἐπειδὴ πολλὰ ἤτοι ὑπὸ ἀνάγκης, ἢ ἄλλως πως ἐπιφερομένων τῶν ἀνθρώπων ἐγένετο παρὰ τὸν κανόνα τὸν ἐκκλησιαστικὸν, ὥστε ἀνθρώπους ἀπὸ ἐθνικοῦ βίου ἄρτι προσελθόντας τῇ πίστει, καὶ ἐν ὀλίγῳ χρόνῳ κατηχηθέντας, εὐθὺς ἐπὶ τὸ πνευματικὸν λουτρὸν ἄγεσθαι, καὶ ἅμα τῷ βαπτισθῆναι "προάγεσθαι εἰς ἐπισκοπὴν, ἢ πρεσβυτέριον, καλῶς ἔχειν ἐδόξε γε τοῦ λοιποῦ μηδὲν τοιοῦτον γίνεσθαι. καὶ γὰρ καὶ χρόνου δεῖ τῷ κατηχουμένῳ, καὶ μετὰ τὸ βάπτισμα δοκιμασίας πλείονος. σαφὲς γὰρ τὸ ἀποστολικὸν γράμμα τὸ λέγον· μὴ νεόφυτον, ἵνα μὴ τυφωθεὶς εἰς κρίμα ἐμπέσῃ, καὶ παγίδα τοῦ διαβόλου. εἰ δέ τι προϊόντος τοῦ χρόνου ψυχικὸν τι ἁμάρτημα εὑρεθείη "προάγεσθαι. περὶ τοῦτο τὸ πρᾶγμα, καὶ ἐλέγχοιτο ὑπὸ δύο καὶ τριῶν μαρτύρων, παυέσθω ὁ τοιοῦτος τοῦ κλήρου. ὁ δὲ παρὰ τοῦτο ποιῶν, ὡς ἀποστατῶν τῇ μεγάλῃ συνόδῳ θεσπιζόμενος, αὐτὸς κινδυνεύσῃ εἶναι τοῦ κλήρου.

ΠΕΡΙ

Περὶ τῶν τὰς συνοικτους ἐχόντων.

Απηγόρευσε καθόλου ἡ μεγάλη σύνοδος, μὴ δεῖν ἐπισκόπῳ πρεσβυτέρῳ μή τι διακόνῳ μήθ' ὅλως τῶν ἐν τῷ κλήρῳ τινὶ, εἰσάκτους συνοικους ἔχειν, πλὴν εἰ μὴ ἄρα μητέρα ἢ ἀδελφὴν ἢ θείαν, ἢ ἃ μόνα πρόσωπα διαφεύγει πᾶσαν ὑποψίαν. ὁ δὲ παρὰ ταῦτα ποιῶν κινδυνεύσει τῇ ἰδίᾳ ἀξίᾳ.

Περὶ καταστάσεως ἐπισκόπων.

Ἐπίσκοπον πρόσηκε μάλιστα μὲν ὑπὸ πάντων τῶν ἐν τῇ ἐπαρχίᾳ ἐπισκόπων καθίστασθαι· εἰ δὲ δυσχερὲς εἴη τὸ τοιοῦτον, ἢ διὰ κατεπείγουσαν ἀνάγκην, ἢ διὰ μῆκος ὁδοῦ, ἐξ ἁπάντης τρεῖς ἐπὶ τὸ αὐτὸ συναγομένους, συμψήφων γινομένων καὶ τῶν λειπόντων, καὶ συντιθεμένων διὰ γραμμάτων, τότε τὴν χειροτονίαν ποιεῖσθαι. τὸ δὲ κῦρος τῶν γινομένων δίδοσθαι εἰς ἑκάστην ἐπαρχίαν τῷ μητροπολίτῃ ἐπισκόπῳ.

Περὶ τῶν ἀκοινωνήτων γινομένων.

Περὶ τῶν ἀκοινωνήτων γινομένων, εἴ τι τῶν ἐν τῷ κλήρῳ, εἴ τι τῶν ἐν τῷ λαϊκῷ τάγματι ὑπὸ τῶν καθ' ἑκάστην ἐπαρχίαν ἐπισκόπων, κρατείτω ἡ γνώμη, κατὰ τὸν κανόνα, τοὺς ὑφ' ἑτέρων ἀποβληθέντας, ὑφ' ἑτέρων μὴ προσίεσθαι. ἐξετάζεσθω δὲ μὴ μικροψυχίᾳ, ἢ φιλονεικίᾳ, ἢ τινὶ τοιαύτῃ αἰτίᾳ τοῦ ἐπισκόπου ἀποπωλάγωσι μᾶλλον. ἵνα οὖν τοῦτο τὸν πρέποντα ἐξέτασιν λαμβάνῃ, καλῶς ἔχειν ἔδοξεν ἑκάστου ἐνιαυτοῦ, καθ' ἑκάστην ἐπαρχίαν δὶς ἔτους συνόδους γίνεσθαι, ἵνα κοινῇ πάντων τῶν ἐπισκόπων τῆς ἐπαρχίας, ἐπὶ τὸ αὐτὸ συναγομένων, τὰ τοιαῦτα ζητήματα ἐξετάζοιτο. καὶ ἅπαξ οἱ ὁμολογουμένως πρόσκεκριμένοι τῷ ἐπισκόπῳ καὶ λόγον ἀκοινώνητοι παρὰ πάντων εἶναι δοκῶσι, μέχρις ἂν τῇ κοινῇ ἢ τῷ ἐπισκόπῳ δόξῃ τὸν φιλανθρωπότερον περὶ αὐτῶν ἐνεγκεῖν ψῆφον, αἱ δὲ συνόδοι γινέσθωσαν, μία μὲν πρὸ τῆς τεσσαρακοστῆς, ἵνα πάσης μικροψυχίας ἀπαιρουμένης τὸ δῶρον καθαρὸν προσφέρηται τῷ θεῷ· δευτέρα δὲ περὶ τὸν τοῦ μετοπώρου καιρόν.

Περὶ τῶν ἐξαιρέτων τιμῶν αἱ πρὸς τοὺς μείζονας κυβερνῶσιν ἐπισκόπους ἐκκλησιαστικῶς ἐκυρώθησαν.

Τὰ ἀρχαῖα ἔθη κρατείτω, τὰ ἐν Αἰγύπτῳ καὶ Λιβύαις καὶ Πενταπόλει, ὥστε τὸν ἐν Αλεξανδρείᾳ ἐπίσκοπον πάντων ἔχειν τὴν ἐξουσίαν. ἐπειδὴ καὶ τῷ ἐν Ρώμῃ ἐπισκόπῳ τοῦτο συνήθες ἐστιν. ὁμοίως δὲ καὶ τὴν Αντιόχειαν, καὶ ἐν ταῖς ἄλλαις ἐπαρχίαις τὰ πρεσβεῖα σώζεσθαι τῇ ἐκκλησίᾳ. καθόλου δὲ φανερὸν ἐκεῖνο ὅτι εἴ τις χωρὶς γνώμης τοῦ μητροπολίτου γένοιτο ἐπίσκοπος, τὸν τοιοῦτον ἡ σύνοδος ἡ μεγάλη ὥρισε μὴ δεῖν εἶναι ἐπίσκοπον· ἐὰν μέντοι τῇ κοινῇ πάντων ψήφῳ εὐλόγῳ οὔσῃ καὶ κατὰ τὸν κανόνα τὸν ἐκκλησιαστικὸν, δύο ἢ τρεῖς δι' ἰδίαν φιλονεικίαν ἀντιλέγωσι, κρατείτω ἡ τῶν πλειόνων ψῆφος.

Περὶ

A *De ijs qui mulieres subintroductas habent.*

Magna Synodus pleniſſime vetuit Epiſcopum, Presbyterum, Diaconum, aut vllum clericorum habere ſecum mulierem introductam. Niſi forte matrem vel ſororem vel amitam, vel denique eas ſolas perſonas, quæ omni ſuſpicione carere ſolent. Qui ſecus faxit, dignitate ſua periclitabitur. III.

De ordinatione Epiſcopi.

Epiſcopum oportet maxime ab omnibus Epiſcopis qui in prouincia ſunt, conſtitui: quod ſi hoc difficile vel ob vrgentem aliquam neceſſitatem, vel ob itineris longitudinem fuerit, certe tres in vnum locum conuenientes, dummodo conſenſerint qui abſunt, & per litteras approbauerint, manus impoſitionem faciant. Confirmatio vero eorum quæ fiunt in ſingulis prouincijs, dari debet à metropolitano Epiſcopo. IV.

De excommunicatis.

De ijs qui excommunicantur, ſiue in clero ſint, ſiue in laicorum ordine, ab cuiuſque prouinciæ Epiſcopis, obtineat ſententia ſecundum Canonem iubentem ab alijs eiectos ab alijs non admitti. Exquiratur autem num impotentia animi, aut pertinacia, aut aliqua alia indignatione Epiſcopi ſint excommunicati. Vt igitur iſtud conueniente inquiſitione examinetur, recte placuit quotannis per ſingulas prouincias bis in anno ſynodos fieri, vt omnibus prouinciæ Epiſcopis ſimul in vnum locum conuenientibus, huiuſmodi quæſtiones excutiantur, & ita demum qui manifeſte Epiſcopum offenderint, merito apud omnes excommunicati habeantur, donec communi Epiſcoporum cœtui, vel priuatim ipſi Epiſcopo, viſum fuerit humaniorem de ipſis ferre ſententiam. Synodi autem fiant, vna quidem ante Quadrageſimam, vt omni ſimultate depoſita, donum mundum offeratur Deo: altera vero circa tempus autumni. V.

De præcipuis honoribus qui maiori Epiſcopo in gubernatione Eccleſiaſtica decreti ſunt.

Antiquus mos valeat qui in Aegypto eſt, Libya & Pentapoli, vt Alexandrinus Epiſcopus omnium poteſtatem habeat, quoniam & vrbis Romæ Epiſcopo conſuetum hoc eſt. Similiter autem & apud Antiochiam & ceteras prouincias vnicuique ſuus ſeruetur honor. Illud omnino manifeſtum eſt, quòd ſi quis præter ſententiam Metropolitæ factus fuerit Epiſcopus, hunc magna Synodus cenſuit non oportere eſſe Epiſcopum: ſi vero communi omnium ſuffragio, eoq. iuſto ſecundum Eccleſiaſticum canonem comprobato, contradixerint duo aut tres propria pertinacia inducti, valeat plurimorum ſententia. VI.

De

De Aeliæ Episcopo.

VII. Quoniam consuetudo obtinuit & antiqua traditio vt Aeliæ Episcopus honoretur, habeat proximum gradum honoris, salua propria dignitate metropolis.

De ijs qui vocantur Cathari, ideſt puri.

VIII. De ijs qui se aliquando vocarunt Catharos, cum ad sanctam catholicam & Apostolicam Ecclesiam venerint, placuit sancto & magno Concilio, vt manus ijs imponantur, & sic maneant in clero: ante omnia profiteri ipsos scripto oportet, quòd obseruabunt & sequentur catholicæ & Apostolicæ Ecclesiæ dogmata, hoc est, quòd communicabunt cum his qui secundas nuptias experti sunt, & his qui persecutionis tempore lapsi sunt, quibus tamen & tempus constitutum & dies definitus est, vt sequantur in omnibus decreta catholicæ Ecclesiæ. Vbicumque igitur siue in pagis siue in vrbibus ipsi inueniantur ordinati, inuenti in clero, erunt in eodem ordine: quicumque autem eo veniunt, vbi iam est Ecclesiæ catholicæ Episcopus aut Presbyter, manifestum quòd Episcopus Ecclesiæ habebit auctoritatem Episcopi: qui autem à Catharis vocatur Episcopus, Presbyteri honorem habebit: nisi forte placuerit Episcopo, nominis honorē illi impertire. sin minus hoc ei placuerit, prouidebit illi locum vel Chorepiscopi, vel Presbyteri, vt omnino ille in clero esse videatur, & in vna vrbe non sint duo Episcopi.

De ordinatione Presbyterorum.

IX. Si qui citra examinationem promoti sunt Presbyteri, aut examinati confessi sunt peccata sua, & postquam confessi sunt, homines commoti manus eis imposuerint præter canonem, tales non admittit canon. quod enim reprehensione caret, tuetur Ecclesia catholica.

De lapsis, & ordinatis per ignorantiam.

X. Quicumque a lapsis ordinati sunt per ignorantiam, vel etiam scientibus ijs qui ordinarunt, hoc non præiudicat canoni Ecclesiastico: cogniti enim deponuntur.

De his qui prænaricati sunt citra necessitatem.

XI. De his qui prænaricati sunt absque necessitate, aut absque facultatum ablatione, aut absque periculo, aut aliquo simili, quod factum est sub tyrannide Licinij: placuit sanctæ Synodo, licet indigni fuerint humanitate, benignitate tamen aliqua erga eos vti. Quoscumque igitur serio pœnitet, ij tres annos inter audientes agent, septem annis prosternentur supplices, duobus vero absque oblatione orationum cum populo participes erunt.

De

A Περὶ τοῦ ἐν Αἰλίᾳ ἐπισκόπου.

Ἐπειδὴ συνήθεια κεκράτηκε, καὶ παράδοσις ἀρχαία, ὥστε τὸν ἐν Αἰλίᾳ ἐπίσκοπον τιμᾶσθαι, ἐχέτω τὴν ἀκολουθίαν τῆς τιμῆς, τῇ μητροπόλει σωζομένης τοῦ οἰκείου ἀξιώματος.

Περὶ ὀνομαζομένων καθαρῶν.

Περὶ τῶν ἑαυτοὺς μὲν ὀνομαζόντων καθαρούς ποτε, προσερχομένων δὲ τῇ ἁγιωτάτῃ, ἀποστολικῇ καὶ καθολικῇ ἐκκλησίᾳ, ἔδοξε τῇ ἁγίᾳ καὶ μεγάλῃ συνόδῳ, ὥστε χειροτονουμένους αὐτοὺς οὕτως μένειν ἐν τῷ κλήρῳ· πρὸ πάντων δὲ τούτων ὁμολογῆσαι αὐτοὺς ἐγγράφως προσῆκεν, ὅτι συνθήσονται καὶ ἀκολουθήσουσι τοῖς τῆς καθολικῆς καὶ ἀποστολικῆς ἐκκλησίας δόγμασι, τοῦτ' ἔστι διγάμοις κοινωνοῦν, καὶ τοῖς ἐν τῷ διωγμῷ παραπεπτωκόσιν, ἐφ' οἷς καιρὸς πέπτωκεν, καιρὸς ὥρισται, ὥστε αὐτοὺς ἀκολουθεῖν ἐν πᾶσι, τοῖς δόγμασι τῆς καθολικῆς ἐκκλησίας· ἔνθα μὲν οὖν πάντες εἴ τι ἐν κώμαις, εἴτε ἐν πόλεσιν αὐτοὶ μόνοι διέσποιντο χειροτονηθέντες, διεσκόμενοι ἐν τῷ κλήρῳ, ἔσονται ἐν τῷ αὐτῷ σχήματι· ἔσται δὲ ἐν τῇ καθολικῆς ἐκκλησίας ἐπισκόπου ἢ πρεσβυτέρῳ ὄντες, παρόντων· ἀποδήλων ὡς ὁ μὲν ἐπίσκοπος τὸ ἐκκλησίας, ἕξει τὸ ἀξίωμα δὲ ἐπισκόπου· ὁ δὲ ὀνομαζόμενος παρὰ τοῖς καθαροῖς ἐπίσκοπος τὸν δὲ πρεσβυτέρου τιμὴν ἕξει, πλὴν εἰ μὴ ἄρα δοκοίη τῷ ἐπισκόπῳ τῆς τιμῆς τοῦ ὀνόματος αὐτὸ μετέχειν, εἰ δὲ μὴ τοῦτο αὐτῷ ἀρέσκοι, ἐπισκόπου τόπον ἢ χωρεπισκοπῆς ἢ πρεσβυτέρου, ὥστε τοῦ ἐν τῷ κλήρῳ ὅλως δοκεῖν εἶναι, ἵνα μὴ ἐν τῇ πόλει δύο ἐπίσκοποι ὦσιν.

Περὶ χειροτονίας πρεσβυτέρων.

Εἴ τινες ἀνεξετάστως προήχθησαν πρεσβύτεροι, ἢ ἀνακρινόμενοι ὡμολόγησαν τὰ ἡμαρτημένα αὐτοῖς, καὶ ὁμολογησάντων παρὰ καιρὸν, κινήσεσι ἀνθρωπίναις χεῖρας ἐπιθήκασι, τοὺς τοιούτους ὁ κανὼν οὐ προσίεται· τὸ γὰρ ἀνεπίληπτον ἐκκλησιαστικὴ ἡ καθολικὴ ἐκκλησία.

Περὶ τῶν πιόντων, καὶ προχειρισθέντων εἰς ἄγνοιαν.

Ὅσοι προεχειρίσθησαν τῶν παραπεπτωκότων εἰς ἄγνοιαν ἢ καὶ συνιδόντων τῶν προχειρισαμένων, πάντα οὐ προκρίνει τῷ κανόνι τῷ ἐκκλησιαστικῷ· γινωσκόντων γὰρ καθαιροῦνται.

Περὶ τῶν βιαίων χωρὶς ἀνάγκης.

Περὶ τῶν βιαζομένων χωρὶς ἀνάγκης, ἢ ἀφαιρέσεως ὑπαρχόντων, ἢ χωρὶς κινδύνων ἢ τινος τοιούτου ὁ γέγονεν ἐπὶ τῆς τυραννίδος Λικινίου· ἔδοξε τῇ συνόδῳ εἰ καὶ ἀνάξιοι ἦσαν φιλανθρωπίας, ὅμως χρηστεύεσθαι εἰς αὐτούς. ὅσοι οὖν γνησίως μεταμελοῦνται, τρία ἔτη ἐν ἀκροωμένοις ποιήσουσι, καὶ ἑπτὰ ἔτη ὑποπεσοῦνται· δύο δὲ ἔτη χωρὶς προσφορᾶς κοινωνήσουσι τῷ λαῷ τῶν εὐχῶν.

Περὶ

Περὶ τῶν ἀποστραμένων, καὶ πάλιν εἰς κόσμον ἀναδραμόντων.

Οἱ προσκληθέντες ὑπὸ τῆς χάριτος, καὶ τὴν πρώτην ἱλαρὸν ἐπιδείξαμένοι, καὶ ἀποθέμενοι τὰς ζώνας, μετὰ ταῦτα δὲ τὸν οἰκεῖον ἔμετον ἀναδραμόντες, εἰς πινὰς καὶ δεήσεις προῆκαν, καὶ βεβιωκόσι καταρτῶσιν τὸ στρατιωτικὸν, ὅτι δέκα ἔτη ὑποπίπτουσι, μετὰ τὸν τῆς τριετοῦς ἀκροάσεως χρόνον. ἐφ' ἅπασι δὲ τούτοις σκοπεῖν ἐχρὴ τὴν προαίρεσιν, καὶ τὸ εἶδος τῆς μετανοίας. ὅσοι μὲν γὰρ καὶ φόβῳ, καὶ δάκρυσι, καὶ ὑπομονῇ, καὶ ἀγαθοεργίαις τὴν διόρθωσιν ἐργῳ καὶ σχήματι δείκνυνται, ὅτε πληρώσαντες τὸν χρόνον τὸν ὡρισμένον τῆς ἀκροάσεως, τῶν εὐχῶν κοινωνήσουσι. μετὰ δὲ ἐξέσται τῷ ἐπισκόπῳ φιλανθρωπότερόν τι περὶ αὐτῶν βουλεύσασθαι. ὅσοι δὲ ἀδιαφόρως ὑπέμειναν, καὶ τὸ σχῆμα τοῦ εἰσιέναι εἰς τὴν ἐκκλησίαν ἀρκεῖν ἑαυτοῖς ἡγήσαντο πρὸς τὴν διόρθωσιν, ἐξέσται πᾶσι πληρῶσαι τὸν χρόνον.

A *De ijs qui separauerunt se, & iterum ad mundum redierunt.*

Qui vocati sunt per gratiam, & primam alacritatem suam ostenderunt, & cingulum militiæ deposuerunt, postea vero tamquam canes ad proprium vomitum redierunt, sic vt quidam etiam pecuniam conferant, & beneficijs militiã repetant: isti decem annos prosternantur supplices, etiam post auditionis triennium. Sed in his omnibus oportet propositum perpendere, & genus pœnitentiæ. Quicumque enim timore, & lacrymis, & perseuerantia, & bonis operibus emendationẽ vitæ reipsa, non simulatione ostendunt: hi postquam præfinitum tempus auditionis compleuerint, orationum participes erunt: deinde vero licebit & Episcopo humanius aliquid de ijs statuere. Qui vero vtcumque tulerũt, & videri Ecclesiam ingredi sufficere sibi existimarunt ad mutationem vitæ, illi tempus omne quod præfinitum est impleant. XII.

Περὶ τῶν ἐν τῷ ἀποθνήσκειν κοινωνίαν ἀπαιτούντων.

De his qui morituri communionem petunt.

Περὶ τῶν ἐξοδεύοντων ὁ παλαιὸς καὶ κανονικὸς νόμος φυλαχθήσεται καὶ νῦν, ὥστε ἄν τις ἐξοδεύῃ, τὸν δεσποτικὸν ἐφόδιον μὴ ἀποστερείσθω· ὁ δὲ ἀπογνωσθεὶς καὶ κοινωνίας τυχὼν, καὶ προσφορᾶς μεταλαβὼν, πάλιν ἐν τοῖς ζῶσιν ἐξετασθήσῃ, ἴσως μὲν τῶν κοινωνούντων τῆς εὐχῆς μόνης. καθόλου δὲ καὶ περὶ παντὸς ἄν τινος ἐξοδεύοντος αἰτοῦντος μεταλαβεῖν εὐχαριστίας, ὁ ἐπίσκοπος μετὰ δοκιμασίας μεταδιδότω τὴν προσφοράν.

De his qui ex hac vita excedunt, vetus & canonica lex seruetur etiã nunc, vt si quis decedat, Dominico viatico non fraudetur: quòd si desperatus communione sumpta & hostia perceptа iterum conualescat, sit inter eos qui orationum tantum participes sunt. Omnino vero cuicumque morituro petenti Eucharistiam, Episcopus cum inquisitione tribuat hostiam. XIII.

Περὶ τῶν κατηχουμένων, καὶ ὀλισθαινόντων δέ.

De catechumenis qui lapsi sunt.

Περὶ τῶν κατηχουμένων καὶ ὀλισθαινόντων ἐν τῇ κατηχήσει, ἔδοξε τῇ ἁγίᾳ καὶ μεγάλῃ συνόδῳ, ὥστε τρισὶν ἔτεσιν αὐτοὺς ἀκροασαμένους μόνον, μετὰ ταῦτα εὔχεσθαι μετὰ τῶν κατηχουμένων.

De catechumenis qui labuntur dum sacra mysteria docentur, visum est sanctæ magnæq. Synodo, vt tres annos inter auditores tantum sint, postea orent cum catechumenis. XIV.

Περὶ τοῦ μὴ δεῖν μεταπηδᾶν ἀπὸ ἑτέρας πόλεως εἰς ἑτέραν.

Quòd non oporteat ex ciuitate in ciuitatem migrare.

Διὰ τὸν πολὺν πάροχον, καὶ τοὺς τὰς γενομένας, ἔδοξε παντάπασι περιαιρεθῆναι τὸ συνήθειαν τὸν παρὰ τὸν κανόνα ἀρεσθῆσαι ἔν τισι μέρεσιν, ὥστε ἀπὸ πόλεως εἰς πόλιν μὴ μεταβαίνειν, μήτε ἐπίσκοπον, μήτε πρεσβύτερον, μήτε διάκονον· εἰ δέ τις μετὰ τὸν τῆς ἁγίας συνόδου ὅρον, τοιοῦτό τι ἐπιχειρήσειεν, ἢ ἑαυτῷ παράγοιτο τοιούτῳ, ἄκυρον ἔσται, ἐξάπαντος τὸ κατασκεύασμα, καὶ ἀποκατασταθήσεται τῇ ἐκκλησίᾳ, ἧς ἐπίσκοπος, ἢ πρεσβύτερος, ἢ διάκονος ἐχειροτονήθη.

Propter plurimum tumultum & seditiones quæ exoriuntur, placuit prorsus consuetudinem tollere, quę contra canonem in quibusdam partibus comperta est, vt nemo ex ciuitate vna in aliam migret, neque Episcopus, neque Presbyter, neque Diaconus. Si quis post sanctæ huius Synodi sanctionem tale aliquid tentauerit, aut se negotio huic dederit, irritus omnino erit huiusmodi conatus, & restituetur Ecclesiæ, cuius aut Episcopus, aut Presbyter, aut Diaconus ordinatus fuerat. XV.

Περὶ τῶν ἐν αἷς πεπλήθυσαν ἐκκλησίαις οὐκ ἐμμενόντων.

De his qui non manent in Ecclesiis in quibus ordinati sunt.

Ὅσοι ῥιψοκινδύνως, μήτε τὸν φόβον τοῦ θεοῦ πρὸ ὀφθαλμῶν ἔχοντες, μήτε τὸν ἐκκλησιαστικὸν κανόνα εἰδότες, ἀναχωρεῖν τῆς ἐκκλησίας, πρεσβύτεροι, ἢ διάκονοι, ἢ

co ordine fuerint, hi nequaquam in alia Eccleſia recipi debent, ſed omni neceſſitate cogi eos par eſt redire in parœcias ſuas: pertinaces vero excommunicari oportet. Si quis auſus fuerit ſubripere eum qui ad alium pertinet, & in ſua Eccleſia ordinare, non conſentiente proprio Epiſcopo à quo receſſerat clericus ille, irrita erit huiuſmodi ordinatio.

A ἄλως ἐν τῷ κλήρῳ ἐξεταζόμενοι, οὗτοι ὑδαμῶς δεκτοὶ ὀφείλουσιν εἶναι, ἐν ἑτέρᾳ ἐκκλησίᾳ, ἀλλὰ πᾶσιν αὐτοῖς ἀνάγκην ἐπιτιθέναι χρὴ ἀναστρέφειν, εἰς τὰς ἰδίας παροικίας· ὑπομένοντας δ' ἀκοινωνήτους εἶναι προσήκει. εἰ δὲ καὶ πλημμελῆ τις ὑφαρπάσειε τὸν ἕτερον ἀφορίσαντα, καὶ χειροτονήσῃ ἐν τῇ ἰδίᾳ ἐκκλησίᾳ μὴ συγκατατιθεμένου ἐπισκόπου, ἀκαταχώρητος, ὁ ἐν τῷ κανόνι ἐξεταζόμενος, ἄκυρος ἔσται ἡ χειροτονία.

De clericis fœnerantibus.

XVII. Quoniam plerique Eccleſiaſtici auaritiam & turpem quæſtum ſectantes obliuiſcuntur diuinæ ſcripturæ, dicentis: Qui pecuniam ſuam non dedit ad vſuram: & fœnerantes centeſimas exigunt: iuſtum duxit ſanctum magnumq. Concilium, vt ſi quis comperiatur poſt hanc ſanctionem vſuras capere ex negotiatione, aut aliter rem conſectari, aut ſeſcuplas expoſcere, aut aliud quidpiam excogitare turpis lucri cauſa, de clero deijcietur, & alienus ab Eccleſiaſtico ordine erit.

Pſalm. 14.

Περὶ κληρικῶν τοκιζόντων.

B Ἐπειδὴ πολλοὶ ἐν τῷ κανόνι ἐξεταζόμενοι, τὴν πλεονεξίαν ἢ τὴν αἰσχροκέρδειαν διώκοντες, ἐπιλήθοντο τῆς γραφῆς, λέγοντος· Τὸ ἀργύριον αὐτοῦ οὐκ ἔδωκεν ἐπὶ τόκῳ· καὶ δανείζοντες ἑκατοστὰς ἀπαιτοῦσιν, ἐδικαίωσεν ἡ ἁγία καὶ μεγάλη σύνοδος, εἴ τις εὑρεθείη μὴ τὸν ὅρον τοῦτον τοὺς λαμβάνοντας ἐν μετοχικοῖς ἢ ἄλλως μετέχοντας τὸ πρᾶγμα ἢ ἡμιολίας ἀπαιτῶν ἢ ἕτερόν τι ὀνείδους αἰσχροῦ κέρδους ἕνεκα, καθαιρεῖσθαι τοῦ κλήρου, καὶ ἀλλότριος τοῦ κανόνος ἔσται.

De Presbyteris accipientibus Euchariſtiam à Diaconis.

XVIII. Peruenit ad ſanctum & magnum Concilium, quòd in quibuſdã locis & vrbibus, Diaconi Presbyteris Euchariſtiam præbeant, quod neque Canon neque conſuetudo tradidit, vt qui poteſtatem offerendi non habent, his qui offerunt, corpus Chriſti porrigant. Illud etiam innotuit, quòd iam quidam ex Diaconis prius quàm Epiſcopi Euchariſtiam attingant. Omnia igitur iſta amputentur, & maneant Diaconi in ſuo ordine, ſcientes quòd Epiſcoporum miniſtri ſunt, & Presbyteris inferiores exiſtunt: accipiant Euchariſtiam ſuo loco poſt Presbyteros, vel Epiſcopo dante, vel Presbytero. Sed nec ſedere Diaconis in medio Presbyterorum liceat: præter canonem enim & ordinem eſt quod fit. Si quis autem parere noluerit, poſt ſanctiones has deſinat eſſe Diaconus.

C Περὶ πρεσβυτέρων λαμβανόντων παρὰ διακόνων τὴν εὐχαριστίαν.

Ἦλθεν εἰς τὴν ἁγίαν καὶ μεγάλην σύνοδον, ὅπως ἐν τισι τόποις ἢ πόλεσι, πρεσβυτέροις τὴν εὐχαριστίαν οἱ διάκονοι διδόασιν, ὅπερ οὔτε ὁ κανὼν, οὔτε ἡ συνήθεια παρέδωκε, τοὺς ἐξουσίαν μὴ ἔχοντας προσφέρειν, τοῖς προσφέρουσι δίδοναι τὸ σῶμα τοῦ Χριστοῦ. καίτοι γε ἐγνωρίσθη, ὅτι ἤδη τινὲς τῶν διακόνων καὶ πρὸ τῶν ἐπισκόπων τῆς εὐχαριστίας ἅπτονται. ταῦτα οὖν πάντα περικοπήσεται, καὶ ἐμμενέτωσαν οἱ διάκονοι

D τοῖς ἰδίοις μέτροις, εἰδότες ὅτι τοῦ μὲν ἐπισκόπου ὑπηρέται εἰσὶ, τῶν δὲ πρεσβυτέρων ἐλάττους τυγχάνουσι· λαμβανέτωσαν δὲ κατὰ τάξιν τὴν εὐχαριστίαν μετὰ τοὺς πρεσβυτέρους· ἢ παρὰ ἐπισκόπου αὐτοῖς διδόντος ἢ παρὰ πρεσβυτέρου. ἀλλὰ μήτε καθέδρα ἐν μέσῳ τῶν πρεσβυτέρων ἐξέστω τοῖς διακόνοις· οὐδὲ γὰρ κανόνα οὐδὲ τάξιν ἐστὶ τὸ γινόμενον· εἰ δέ τις μὴ θέλοι πειθαρχεῖν, ἐκ μετὰ τοὺς ὅρους παυέσθω τῆς διακονίας.

De redeuntibus ex hæreſi Pauli Samoſatæni ad Eccleſiam catholicam.

XIX. Si qui ex Paulianis confugerint ad Eccleſiam catholicam, ſtatutum eſt, eos omnino rebaptizari debere. Si qui ante hac in clero numerati ſunt, ſi quidem inculpati & ſine reprehenſione vitæ fuerint, denuo baptizati ordinentur ab Eccleſiæ catholicæ Epiſcopo. De genuflectentibus in die Dominico.

Quoniam sunt quidam, qui in die Dominico genua flectunt, & in diebus Pentecostes: vt omnia in omnibus Ecclesijs concorditer seruentur, placuit sancto Concilio, stantes preces suas Deo reddere. XX.

Has viginti leges sanctus ille Episcoporum consessus in præsentia Deo charissimi & celeberrimi Imperatoris Constantini, de administratione Ecclesiastica scripserunt. Statuerant autem & aliam quidem legem Episcopi ferre, quam diuinus Paphnutius prohibuit. de quo operæpretium duxi historiam narrare admiratione dignam. Visum erat quibusdam Episcopis in Concilio nouam legem in Ecclesia constituere, & vt de alijs rebus Ecclesiasticis, sic & eam rogare.

CAP. XXXII.

CEnsuerunt igitur non oportere Ecclesiasticos, siue Episcopos, siue Presbyteros, siue diaconos, siue subdiaconos, aut alios quoscumque sacri illius ordinis, cum vxoribus suis dormire, quas iam antea cum laici essent duxissent. Hæc cum illi constituerent, surgens in medio Episcoporum conuentu diuinus Paphnutius, magna voce dixit: Nolite grauare iugum Ecclesiasticorum. Nam honorabiles, inquit, sunt nuptiæ apud omnes, & thorus immaculatus. Nolite lædere *Hebr.13.* Ecclesiam nimio seueri iuris excessu. non enim omnes, ait, ferre possunt vitæ illud institutũ quod omnibus affectibus vacat. nemo, vt opinor, in castitate seruabitur, si mariti singuli suis priuantur vxoribus. Virorum cum suis vxoribus consuetudinem ego præclaram continentiam esse dico, nec posse separari eam quam Deus coniunxit, & quam semel, cum lector aut cantor aut laicus esset, vxorem duxit. Atque ista quidem suasit magnus Paphnutius, licet coniugij expers esset, proptereaquod in monasterijs à pueritia fuerat educatus. Quocirca viri consilio persuasus Episcoporum cœtus, de quæstione ea tacuit, & eorum reliquit arbitrio qui volunt ex mutuo consensu a proprijs coniugibus abstinere. *Matth. 19.*

Hæc gesta sunt in sancto, magno, & generali Concilio, quod Nicææ in Bithynia congregatum fuit. Eusebius autem, & Theognius, & qui cum eis erant Ariani, non ferentes vincentem verę Fidei confirmationem, quin & Ario anathema dicere nô patientes, iterumq. in eo deprehensi, exilio cesserunt, suffragio religiosissimi Imperatoris, & iudicio sancti Concilij Episcoporum, postquam alios pro ipsis in ipsorum parœcijs constituerunt decreto eiusdem Concilij, & cleri ac populi vniuscuiusque parœciæ: & Amphion quidem ecclesiæ Nicomediensi præfectus est, Chrestus vero Nicænæ, & alij eiusdem cum ipso sententiæ alijs. A sanctissimo Imperatore Constantino: & placuit Concilio communibus suffragijs anathema denuntiare & ei ipsi, & nefariæ eius opinioni, & verbis sententijsq. execrabilibus, quibus vsus est ad Filium Dei blasphemijs onerandum, dicens eum ex ijs quæ non sunt esse, nec fuisse antequam natus esset: fuisse tempus aliquando cum non esset: Filiũ Dei libero voluntatis suæ arbitrio virtutis & vitij capacem esse inquiens, & creaturam esse: quibus omnibus sanctum Concilium indicit anathema: immo vero ne pati quidem potest, vt vel impia eius opinio, vel amentia, vel blasphema verba ad aures perueniant. Quem autem
B exitum consecutæ sint res eius, omnino vel audiuistis, vel saltem à nobis audietis, ne nos insultare homini videamur, qui meritas sceleris sui pœnas luit. Tantum vero inualuit eius impietas, vt cum eo vna perierint Theonas Marmaricæ, & Secundus Ptolemaidis Episcopi: nam & illi cum alijs quibusdam eisdem malis affecti sunt. Verum cum iam Aegyptus non modo peruersa illa opinione & blasphemia, sed etiam certis hominibus qui in populo antea pacato & tranquillo seditionem & discordiam concitare ausi sunt, Dei gratia penitus liberata esset: tamen petulantia Meletij & eorum qui ab illo in sacrum ordinem
C cooptati sunt, restabat adhuc: de qua re quid Concilio decreuerit, vobis charissimi fratres indicamus. Concilium clementius aliquando in Meletium animatum (nam summo iure nullam merebatur veniam) decreuit vt in sua ciuitate maneat, potestatem autem nullam habeat vel manus imponendi, vel administrandi, vel quemquã ad munus aliquod Ecclesiasticum deligendi, vel in aliena regione aut ciuitate eius rei gratia comparendi, sed vt solum dignitatis nomen retineat. Illi vero qui ab eo in sacrum ordinem lecti sunt, simul atque sanctiore ordinatione confirmati fuerint, ad communionem posthæc admittantur, & permittatur illis quidem honoribus frui, & sacris muneribus fungi, sed tamen omnibus in singulis parœcijs & Ecclesijs, qui sunt ab honoratissimo viro & collega nostro Alexandro ordinati, sint omnino inferiores. Quinetiam
D nulla potestas sit vel designandi quos velint, vel omnino quidquam faciendi absque cõsensu Episcoporum catholicæ & Apostolicæ Ecclesiæ qui sub Alexandro sunt sanctissimo collega nostro. Hi autem qui Dei gratia & vestris precibus adiuti, ad nullum schisma deflexisse comperti sunt, & se intra catholicam & Apostolicam Ecclesiam impollutos continuerunt, ius habeant & ordinandi, & eos qui digni clero fuerint nominandi, denique & omnia ex lege & instituto Ecclesiastico libere exequendi. Quod si quis forte eorum

Alexandriæ & suffragetur & consentiat, in locum succedat demortui. Atque sit istud alijs quidem omnibus concessum. De Meletio autem nominatim aliter statutum est, vt videlicet, cum propter petulantiam quam antea ostendit, tum propter temeritatem & pro-

PVBLICA EPISTOLA SCRIPTA ab Euſebio Epiſcopo Cæſareæ Paleſtinæ.

CAP. XXXIV.

ETſi veriſimile eſt, fratres chariſſimi, ea quæ de fide Eccleſiaſtica in amplo & frequenti Concilio Nicææ coacto tractata ſunt, ad vos aliunde perlata eſſe, præſertim cùm fama ipſa accuratam rerum geſtarum narrationem ſua celeritate præcurrere ſoleat: tamen ne veritas, ſi auditione ſola ea acceperitis, contra ac ſe habeat vobis nuntietur, primum eam fidei formulam, quæ à nobis Concilio propoſita eſt, deinde alteram, quam Epiſcopi, vbi noſtris pauca adiecerant, ediderũt, ad vos mittere neceſſe putauimus. Noſtra vero formula, quæ tum coram Imperatore noſtro ſanctiſſimo perlecta eſt, tum recte ſe habere pro certo explorata, ad hunc modum ſe habet.

Fides à nobis expoſita.

Sicut ab Epiſcopis qui nos antegreſſi ſunt, accepimus, ſicut cum Fidei fundamenta in noſtris animis primum iacta eſſent, cumq. lauacro baptiſmi abluti eſſemus audiuimus, ſicut à diuinis ſcripturis didicimus, & ſicut cum fungeremur presbyteri munere, & cum Epiſcopatum obineremus, credidimus & docuimus: ſic etiam iam credentes noſtram Fidem patefacimus: ea eſt talis.

Credimus in vnum Deum, Patrem omnipotentem, viſibilium omnium & inuiſibilium creatorem:

Credimus etiam in vnum Spiritum sanctum, vere Spiritum sanctum, sicut Dominus noster cum discipulos suos ad prædicandum mitteret, locutus est: Euntes docete omnes gentes, baptizantes eos in nomine Patris, & Filij, & Spiritus sancti. De quibus confirmamus ita esse, nos ita sentire, sic etiam sensisse, & vsque ad mortem huic Fidei insistere velle, anathemate impiæ cuique hæresi denuntiato. Atque de istis rebus omnibus nos sincere ex animo ita sensisse, ex quo nosmet noscere poteramus, & iam etiam vere tum sentire, tum dicere, Deum omnipotentem & Dominum nostrum IESVM Christum coram testamur, certaq. demonstratione ostendere possumus, vobisq. ratione persuadere, nos temporibus præteritis ita credidisse, & prædicasse. Cum hanc Fidem exposuissemus, nulli erat contradicendi locus. Quinetiam Imperator ipse noster sanctissimus hanc nostram Fidem veritatem in se complecti primus omnium testificatus est, seq. eodem animo esse constanter asserit, præcepitq. vt omnes eidem assentirentur, decretis eiusdem subscriberent, congruerent cum eisdem, dummodo vna vox consubstantialis adscriberetur: quam quidem ille ipse explicauit: quòd non secundum corporis affectiones dicatur Patri consubstantialis, neque quòd per diuisionem vel sectionem vllam ex Patre constare. nam fieri non potest, vt natura quæ materiæ expers est, quæ sola intelligentia percipitur, quæ corpore vacat, corpoream vllam affectionẽ in se excipiat: sed eiusmodi res nos diuinis & arcanis verbis debere complecti. Sapientissimus quidem & pius noster Imperator de his isto modo philosophatus est. Episcopi autem propter hanc vocem, consubstantiale, istam formulam ediderunt.

CAP. XXXV.

CRedimus in vnum Deum, Patrem omnipotentem, omnium visibilium & inuisibilium creatorem: Et in vnum Dominum IESVM Christum, filium Dei, genitum ex Patre vnigenitum, hoc est, ex substantia Patris, Deum de Deo, lumen de lumine, Deum verum de Deo vero, genitum, non factum, consubstantialem Patri, per quẽ omnia facta sunt & quæ in cælo, & quæ in terra sunt: Qui propter nos homines & propter nostram salutem descendit, & incarnatus est, homo factus est, passus est, sepultus est, & resurrexit tertia die, ascendit ad cælos, venturus est iudicare viuos & mortuos. Et in Spiritum sanctum.

Qui vero dicunt, quòd erat aliquando tempus cum non eſſet, & antequam genitus erat non eſſet, vel quòd ex nihilo ortus eſt, vel quòd ex alia eſſentia ſubſtantiaue quàm ex Patris genitus, vel quòd conuerti aut mutari poteſt Filius Dei: iſtis catholica & Apoſtolica Dei Eccleſia anathema denuntiat. Cum iſta formula ab illis præſcripta eſſet, illud, Ex ſubſtantia Patris eſſe, & illud, Patri conſubſtantialem eſſe, quomodo eſſent intelligenda, ab eis diligenter quærere cœpimus. Vnde quæſtiones, & reſponſa nata ſunt, rationeq. accurate perueſtigatum, quæ illis verbis ſubiecta eſſet ſententia. Fatebantur illi, ex ſubſtantia Patris eſſe, idem ſignificare, quod ex Patre eſſe, non tamen partem Patris eſſe. Nobis ſane videbatur pulchre conſentire cum pia illius doctrinæ ſententia, quæ docet Filium ex Patre eſſe, non tamen partem ſubſtantiæ illius eſſe. Quapropter huic ſententiæ etiam à nobis aſſenſum eſt: neque vocem, conſubſtantiale, reiecimus, propterea quod pax tamquam ſcopus ad intuendum ante oculos noſtros verſabatur: & cautio erat à nobis adhibita, ne recta Fidei ſententia excideremus. Pari ratione, Genitum, non factum, approbauimus. Nam factum verbum cum ceteris creaturis, quæ per Filium factæ ſunt, commune eſſe dixerunt, nec Filium earum ſimile quidquam habere: ac propterea eum non eſſe creaturam illarum ſimilem, quæ ab ipſo factæ ſunt, ſed præſtantioris eſſe ſubſtantiæ, quàm qua vlla creatura prædita ſit: quam quidem ex Patre genitam eſſe ſacræ litteræ perdocent, cum modus eius generationis à nulla mortali natura vel verbis exprimi, vel cogitatione comprehendi poſſit. Eodem modo etiam illud: Filium Patri conſubſtantialem eſſe, ratione & exquiſitum eſt, & probatum, non more corporeo debere intelligi, nec quidquam habere ſimile cum mortalibus animantibus. nam neque diuiſione ſubſtantiæ, neque ſectione, ſed nec affectione vlla, aut verſione mutationeve paternæ eſſentiæ & facultatis poſſe conſtare: ingenitam enim Patris naturam ab his omnibus prorſus alienam eſſe. & hoc, Patri conſubſtantialem eſſe, nihil aliud oſtẽdere, quàm Filium Dei ad reliquas creaturas nullam habere ſimilitudinem, ſed Patri ſolum, qui eum genuit, omnino ſimilem eſſe, neque ex alia quàm Patris ſubſiſtentia & eſſentia genitum. Quod quidem ſic expoſitum, rectum videbatur aſſenſione approbare. Nam nonnullos veteres Epiſcopos & ſcriptores, viros ſane diſertos & illuſtres, in Patris & Filij diuinitate explicanda hoc verbo conſubſtantiale vſos fuiſſe cognouimus. Sed de Fide in Concilio Nicæno expoſita & diuulgata, hæc hactenus. Cui quidem omnes ad vnum aſſenſi ſumus, non temere & inconſulto, ſed ſecundum ſententias coram ipſo ſanctiſſimo Imperatore propoſitas, diſcuſſasque. Quinetiam anathematis formulam, quæ poſt Fidem explanatam ab illis propoſita eſt, approbandam quoque putauimus: propterea quod vetet, ne quiſquam vocibus à ſcripturis abhorrentibus (ex quibus in Eccleſias omnis fere confuſio & diſcordia inuecta eſt) omnino vtatur. Cum itaque nulla ſcriptura diuinitus

Præterea non abſurdũ videtur illud etiam anathemate ferire, Quòd antequam gigneretur non eſſet, cum omnes fateri debeant Filiũ Dei prius fuiſſe quàm in carne naſceretur. immo vero pijſſimus Imperator noſter etiam ratione confirmauit, ipſum ſecundum diuinã gene-

EPISTOLA IMPERATORIS CONstantini ad Alexandrinos aduersus Arium, & ad omnes orthodoxos.

Constantinus Augustus, catholicæ Alexandrinorum & omnium orthodoxorum Ecclesiæ. Saluete plurimum fratres charissimi.

PErmagnam certe, & singularem gratiam à diuina prouidentia accepimus, quòd omni errore liberati, vnã eamdemq. Fidem agnoscamus. Non licet amplius diabolo quidquam contra nos moliri. nam quidquid mali est in nos molitus, illud funditus sublatum est. Dissensiones autem animorum, schismata, tumultus illos, & lethalia discordiarum, vt ita dicam, venena, veritatis splendor, Dei iussu, vicit. Vnum igitur Deũ omnes & nomine veneramur, & esse credimus. Vt autem istud fieret, Dei voluntate magnam Episcoporum turbam in vrbem Nicæam conuocaui: quibuscum ego ipse tamquam vnus ex vestro numero (nam me conseruum vestrum esse supra modum gaudeo) operam dedi, vt veritas diligenter inuestigaretur.

Proinde omnia, quæ aut controuersiæ, aut dissensionis materiam præbere videbantur, accurate excussa & exagitata sunt. Quantas & quàm graues blasphemias (ignoscat nobis diuina maiestas) nonnulli de Saluatore nostro, de spe & vita nostra indecore protulerunt, & scripturis diuinitus inspiratis, Fideiq. sacrosanctæ contraria effutiuerunt, & se ita credere palam confessi sunt! Nam cum amplius trecenti Episcopi, viri propter animi modestiam & solertiam admirabiles, vnam eamdemq. fidem (quæ revera exacta diuinæ legis fides est) constabiliuissent, solus Arius inuentus est vi ac fraude diabolica victus, qui impio consilio hanc erroris labem primum apud vos, deinde apud alios sparsit. Quocirca eam quam omnipotens Deus nobis tradidit doctrinam amplexemur: ad fratres nostros, à quibus nequam & impudens diaboli minister nos segregauit, redeamus: ad commune corpus Ecclesiæ, & ingenua nostra membra omni studio reuertamur. Illud enim vestram prudentiam, fidem & sanctitatem decet, vt errore illius, quem veritatis hostem esse constat, penitus depulso, ad Dei gratiam vos denuo recipiatis. Nam quod trecentis sanctis Episcopis visum est, non est aliud putandum, quàm solius Filij Dei sententia: præsertim, cum in talium & tam præclarorum virorum mentibus sacer insideret Spiritus, qui illis diuinam voluntatem aperuerit. Quapropter nemo vestrum hæsitet, nemo moram interponat, sed omnes lubentibus animis ad viam veritatis redite: vt simul atque ipse ad vos aduentauero, debitas gratias Deo, qui omnia lustrat, vna vobiscum agam, quòd postquam finceram fidem nobis ostenderit, charitatem, quæ nobis optanda erat, benigne largitus sit. Deus vos, fratres charissimi, seruet incolumes.

LITTERAE CONSTANTINI, QVAS Nicæa ad Episcopos misit, qui Concilio non interfuerunt.

Constantinus Augustus Ecclesijs & Episcopis qui sancto & magno Concilio non interfuerunt, salutem.

CVm ex florenti & prospero rerum publicarum statu, quanta sit diuini numinis erga nos benignitas, compertum haberem, illum maxime finem mihi propositum esse debere iudicaui, vt a beatissimis catholicæ Ecclesiæ populis, vna Fides, sincera charitas, & consentiens erga Deum omnipotentem religionis cultus seruaretur. Verum quoniam istud haud poterat in loco tuto firmoq. collocari, nisi vel omnes Episcopi, vel certe plurimi in vnum conuenissent, singuliq. suum iudicium de rebus ad sacratissimam religionem pertinentibus interposuissent: eam ob causam, cum cœtus, quantum fieri poterat, maximus religiosissimorum Episcoporum in hac vrbe Nicææ coactus esset, ipse tamquam vnus è vestro numero (non enim negauerim, ex qua re iam maximam capio lætitiam, me conseruum vestrum esse) præsto vna adfui. Atque eousque omnia debita disquisitione excussa sunt, quo ad sententia Deo omnium contemplatori grata ad concordiæ consensum in lucem producta esset & promulgata: sic vt nihil amplius, quod vel ad discordiam, vel ad Fidei controuersiam spectaret, omnino reliquum fieret. Vbi etiam cum de sanctissimo die Paschatis disceptaretur, communi omnium sententia videbatur rectum esse, vt omnes vbique Christiani vno eodemq. die salutare festum sanctissimi Paschatis celebrarent. Quid enim præstabilius, quidve augustius esse poterit, quam vt hoc festum, per quod spem immortalitatis accepimus, vno modo & ratione apud omnes sincere inuiolateq. obseruetur? Ac primum omnium indignum plane videbatur, vt consuetudinem Iudæorum sequentes sanctissimum festum celebraremus: qui quoniam suas ipsorum manus immani scelere polluerunt, cæco animorum errore merito tenentur irretiti. Licet enim nobis ea gente reiecta, veriore instituto (quod quidem vsque à prima passionis die hactenus seruauimus) huius festi celebrationem ad posterorum sæculorum memoriam transmittere. Nihil igitur sit nobis commune cum Iudæorum turba, omnium maxime odiosa. Aliam enim viam, quam insistamus, à Saluatore didicimus. Proponitur namque sanctissimæ nostræ religioni cursus quidam & legitimus & decorus. Hunc igitur vno consensu tenentes, fratres honoratissimi, ab illa detestabili Iudæorum opinione nosipsos remoueamus. Est enim revera absurdissimum, illos gloriando iactare, nos absque ipsorum doctrina hæc nullo modo posse obseruare. Quid tandem est, de quo illi recte sentire queant, qui post necem Domino illatam ex mentis statu deturbati, non ratione vlla, sed impoten-

ti impetu, quocumque eos insita rapit insania feruntur?

suntur? Hinc etiam est, quòd ne in hac quidem parte veritatem perspiciant: qui, vt semper plurimum aberrantes, non modo errorem non corrigunt, sed in eodem anno alterum Pascha celebrant. Proinde quid est cur istos imitemur, quos constat graui errore implicatos esse? Eodem namque anno bis celebrari Pascha non permittemus. Verum quamuis ista non à me fuissent proposita: tamen vestræ solertiæ esset, dare operam ne qua illorum similitudine, animorum nostrorum integritas nequissimorum hominum moribus admisceri videatur. Ex his item illud potest intelligi, nefas esse, vt in tanto negotio, tam solemni religionis nostræ festo dissentio vlla fit. Vnum enim libertatis nostræ diem festum, hoc est sanctissimæ passionis, Saluator noster nobis tradidit, vnamq. Ecclesiam catholicam esse voluit: cuius quidem membra, tametsi in multis varijsq. locis congregentur, tamen vno spiritu, hoc est, diuina voluntate & nutu fouentur. Vestræ igitur sanctitatis prudentia secum reputet, quàm graue & indecorum sit, vt ijsdem diebus alij ieiunijs vacent, alij agitent conuiuia: ac post dies Paschatis, alij in festis & animorum remissione versentur, alij præscriptis ieiunijs se dedãt. Quapropter istud, vt decet, emendari, & ad vnã normam reduci, diuina prouidentia postulat, sicut vos omnes satis animaduertere existimo. Et quoniam istud erat ita corrigendum, vt nihil nobis cum parricidis illis & necis Domini auctoribus commune sit: est modus ille decorus quem omnes Ecclesiæ seruant, quę orbis partes vel versus Occidentem, vel versus Meridiem, vel versus Septentrionem incolunt, quem nonnulli qui ad Orientem habitant, non admittunt: idcirco omnes in præsentia hoc recte se habere arbitrati sunt. Ipseq. etiam in me recepi, vestram sapientiam facile assensuram: vt quod in vrbe Roma, in Italia, in Africa, in Aegypto, in Hispania, Gallia & Britannia, in Libya, & vniuersa Græcia, in diœcesi Asiatica & Pontica, in Cilicia denique, vna & consentiente sententia conseruatur, hoc etiam vestra prudentia libenter approbet: illud sedulo reputantes, non solum quòd in locis ante dictis maior Ecclesiarum numerus existat, sed etiam quòd sanctissimum sit, illud omnes communi consilio statuere, quod recta ratio postulare videtur, nihil cum Iudæorum periurio habere commercij. Verum vt summam rei breuiter complectar, visum est communi omnium iudicio sacratissimum Paschatis festum vno eodemq. die celebrandum esse. Neque enim de re tam sancta ac solemni vlla dissensio debet existere: & longe pulchrius est eam sequi sententiam, cui nullus à Fide alienus error, nullum vitium admixtum sit. His itaque diuino iudicio à tot tantisq. sanctis Episcopis ad hunc modum constitutis, ea velut dona cælitus demissa, & diuina vere mandata accipite. Nam quidquid in sanctis Episcoporum concilijs decernitur, id vniuersum diuinæ voluntati

Quamobrem vos, vbi omnibus dilectis nostris fratribus quæ antea scripta sunt, & iam dictam catholicæ Fidei formulam, & sanctissimi diei Paschatis obseruationem denuntiaueritis; eadem ipsi approbare, & effecta reddere debetis: vt simulatque in pietatis vestræ conspectum iampridem à me desideratum peruenero, vno eodemq. die vobiscum vna sacrosanctum festum recolere possim, & simul omnium causa permagnam animo capiam voluptatem, cum intellexero, diabolicam crudelitatem à diuina virtute per vestra recte facta prorsus profligatam esse: & Fide nostra vbique B florente, pace itidem & concordia, hymnos cum gratiarum actione vobiscum concinam in laudem benefactoris & saluatoris Dei, qui vos, fratres charissimi, seruet incolumes.

Hæc igitur absentibus à Concilio per litteras significauit: eos autem qui conuenerant, sermonibus atque muneribus multis benigne excepit. Cum autem plures lectos præparari iussisset, simul omnibus epulum dedit: & illustriores quidem mensa sua dignatus est, alios vero ad alias mensas dimisit. Cum autem vidisset dextros oculos quibusdam effossos, & intellexisset constantiam pietatis & fidei in Christum, cladis eius C causam fuisse; labra vulneribus admouens, sese osculo benedictionē inde eruere credebat. Conuiuio peracto alia dona rursus ijs attulit: quinetiam litteras ad prouinciarum Præfectos dedit, mandauitq. vt virginibus perpetuam virginitatem vouentibus, & viduis & ijs qui diuinis ministerijs obeundis consecrati essent, in singulis ciuitatibus annua frumenta suppeditarentur, quæ non tam egentium necessitate, quàm sua ipsius magnificentia mensus est. Ipsi vero cum lætitia multa redierunt. Obtinebat autem apud omnes vna in posterum sententia, in quam præsente Imperatore conspirarunt, coniunctis velut in vnum corpus ijs, qui diu separati fuerant. Imperator igitur lætus ob rem feliciter gestam, ijs qui Concilio non interfuerunt Episcopis vberem fructum per epistolas dabat: populis omnibus tam agros quàm ciuitates habitantibus, pecuniarum effusas largitiones fieri iubebat. Hoc modo vicesimum sui regni annum condecorabat. Sexto quidem decimo anno & E sexto mense regni sui, iuxta vetereis historias, vt supra diximus, sanctum Episcoporum Concilium congregauit. Anno vero vicesimo cum Synodi conuentum dissoluissent, in suas parœcias, vt dictum est, vnumquemque dimisit. LIBER TERTIVS.

CONSTANTINVS AVGVSTVS
Ario & Arianis.

MAlus interpres, revera effigies quædam & imago diaboli est. Vt enim illum periti artifices ad omnem deceptionis dolum effingũt, velut pulchritudinis formæq. decus affingentes illi, natura sua plane turpissimo, vt miseros mortales perdat, errorem ijs obijciens; eodem plane modo, vt opinor, facit, cui illud solum studio dignum videtur, vt noxia impudentiæ & audaciæ suæ pharmaca profusis omnibus obijciat. Etenim nouam, nec post homines natos vmquam visam, infidelitatis fidem inducit. Quamobrem nec à veritate abhorrere illud videtur iam pridem diuina oratione explicatum, quòd ad malum sunt sapientes. Quid enim quispiam dixerit illum consilij capiendi gratiam perdidisse, qui non amplius subleuationis auxilium vllum inuenire expetit? Quorsum igitur, Christe Christe, Domine Domine? quorsum nos quotidie prædones vulnerant? Stat ex aduerso dura quædam & violenta audacia, fremit frendetq. dentibus infamia deformis, & innumeris saucia-ta criminibus. ipsa certe in lege & promulgatione nominis tui velut quibusdam procellis & malorum fluctibus disiecta, effundit pernicios verba, eaq. scribens in lucem edit, quæ numquam tu qui cum æterno Patre tui ipsius fonte vnâ existis, in cognitione tui definiuisti. Cogit omnino & conuehit graues & iniquas impietates, nunc quidem linguas crispans, nunc vero iterum miserorum studijs elata, quos ipsa præsentes præ securitate decipit simul & corrumpit. Iam autem volo præsidis ipsius ingenium expendere. Quid enim ait? Aut teneamus, inquit, cuius iam compotes facti sumus, aut fiat sicut ipsi volumus. Ce-

cidit & cecidit quidē interfectus, dolo ne, inquit, an atroci aliqua calliditate, nihil refert. Illud solum grande ducit, quod propter prauas cogitationes in ipsum irrepsit. Multitudinem, inquit, habemus. Progrediar & ipse paulo vlterius, vt insani belli spectator fiam? ipse inquam progrediar insanorum bella sedare antea solitus. Age sane Mars Ari, clypeis vtendum est: ne tu hoc feceris obsecro. detineat igitur te Veneris cōgressus. Verum vtinam quemadmodum turba plausibilis videris, sic & pietate vigeres erga Christum. Ecce iterum supplex venio, & armorum copia pollens, pugnare nolo: Christi vero fide munitus, cum te sanare, tum alios curare volo. Cur igitur ais ea te facere quæ moribus tuis non conueniunt? Sed qua quiete, dic mihi, dic quæso, aut quibus copijs cinctus, vel potius quo temeritatis prouectus? O audaciam fulminę vindicandam. Audite quæ nuper mihi indicauit, calamo virus instillante scribens: Sic, inquit, credimus. deinde addens nescio quæ insolenter, & valde accurate elaborata, progressus vlterius, nihil acerbitatis omisit, sed omnem, vt ita dicam, dementiæ thesaurum aperuit: Expellimur, inquit, & receptionis nostræ securitas omnis tollitur. Sed hæc parum ad rem: quæ sequuntur attendite. ipsius enim verbis vtar. Rogamus, inquit, si in eadem sententia maneat Alexandriæ Episcopus, facultatem nobis post hac dari ex legis præscripto, legitimos & necessarios cultus Deo tribuendi. O insignem impudentiam, quam veritatis studio reprehendi oportebat! Quod enim illi ex animi sententia accidit, id dictionis compendio expressit. Quid ais inepte? Dissidium speciosum scilicet nobis vlcus efferati erga me animi opponere paras, & in malo tecum implicatos perdere festinas. Quid, inquis, si nemo dignum me existimat qui recipiar? illud enim sæpe impuro gutture clamas. ego vero contra tibi dicam: Vbi certum documentum & testimonium ingenij tui ostendisti? Quod oportuit te dijs & hominibus explicare, & perspicue aperire, maxime cum venenati serpentes tum magis efferari soleant, quando in penitissimis lustris reconditos se esse sentiunt. Illud vero valde in eo vrbanum est, quòd sub persona pudoris tanto studio silentium simulet. Mitem & mansuetum te palam exhibes, cum malarum artium & insidiarum plenus multos fallas. Sed ò miseriam: diabolus vt voluit Arium nobis iniquitatis officinam fecit. Accede ac dic mihi fidei tuæ documentum, & nequaquam taceas. Heus tu qui os obtortum & ingenium ad omnem improbitatē possides: vnum dicis Deū? me suffragatorem habes, sic igitur sentias. Eiusdem essentiæ ais esse Dei Verbum quod principio fineq. caret? hoc quoque laudo: sic credas. Si quid vlterius adnectis, id tollo. Si quid ad impiam

ΟΣΗ τῆς θείας ὀργῆς ἡ ἰσχὺς πέφυκε, καὶ ἐξ ὧν Εὐσεβίου τε καὶ Θεογνίου πεπόνθασιν ἀχρεῖς C ὄντες μαθεῖν, οἷς εἰς τὸν ἁγιωτάτων παρανομοῦντες θρησκείαν, τὸ τοῦ σωτῆρος θεοῦ ὄνομα τῷ συνήθει τοῦ οἰκείου λῃστείᾳ καὶ μὴ τὸ τυχὸν συγχρώμενος ἐμίανεν. ὅτε γὰρ μάλιστα μετὰ τῶν ὀρθοδόξων ὁμολογούμενα συμφωνίαν ἐχρῆν τὸν περὶ ἐκείνων ἐπανορθώσασθαι πλάνον, τότε τοῖς αὐτοῖς ἀτοπήμασιν ἐμμένοντες, ἐάλωσαν. διὰ τοῦτο γοῦν ἡ θεία πρόνοια αὐτοὺς τοῦ ἑαυτῆς ἀπώσατο λαοῦ· ἐπειδὴ μηδὲ ἔφερε τὰς ἀκαίρους ψυχὰς ὀλίγον δοκοῦσαν φθαρμένας καθορᾶν· καὶ τῶν μὲν ἀξίαν παρ' αὐτοῦ ἤνεγκε δίκην, μείζονα δὲ καὶ εἰς τὸν ἔξης διὰ τοῦ παντὸς αἰῶνος λήψεται. ὅπερ τῇ σῇ D ἀγχινοίᾳ δηλωθῆναι δεῖν ἡγησάμην, ἵν' εἴ τις κακὴ περαίνοιτο τῶν τοιούτων, ὡς ἐγνωκὼς σὺν οἴκῳ, τῇ σῇ ἐπικαθίσθη σωφρονούσῃ, τούτῳ τῆς ψυχῆς ἀφιλόμενος καθαρὰν ὡς πρέπει τῷ θείῳ, εἰλικρινῆ τε καθοσιώσει, καὶ ἄχραντον πίστιν τῷ σωτῆρι θεῷ φυλάξειν προθυμηθῇς. καὶ γὰρ τοῦτο πρέπον ἐστὶ παρὰ τούτου πεπίστευσθαι. ὃς δ' ἂν ἀπείρατον τῶν τῆς αἰωνίου ζωῆς ἐπάθλων ἀξιοῦσθαι βουλήσεται. ὁ θεός σε φυλάξοι, ἀδελφὲ ἀγαπητέ.

QVanta vis diuinæ iræ extitit, etiam ex ijs quæ Euſebio & Theognio acciderunt, facile licet tibi intelligere, qui in ſanctiſſimam religionem debacchantes, Dei ſaluatoris nomen ipſa turma prædonum ſuorum etiam poſt impetratam veniam polluerunt. Nam tuni maxime quando poſt concordem Synodi conſenſionem, priorem errorem eos corrigere oportuit, abſurdis iſtis opinionibus adhæreſcere deprehēſi ſunt. Ob hoc igitur diuina prouidentia ex populi ſui numero eos exturbauit: quoniam neque tulit minime malas mentes amentia illa corruptas videre: & nunc debitas ab ijs pœnas expoſcit, maiores etiam deinceps in omni ſæculo lumpturus. Quod prudentiæ tuæ indicare oportere putabā, vt ſi qua peruerſa admonitio iſtorum, quod non exiſtimo, tuo inſideat animo, ea ex animo deleta, puram vt decet cogitationem, veram ſanctificationem, intemeratam fidem ſeruatori Deo præbere ſtudeas. Etenim conſentaneum eſt hoc ab eo fieri qui incorruptis æternæ vitæ præmijs dignus haberi conſtituerit. Deus te cuſtodiat, frater dilecte.

FINIS.

suntur ? Hinc etiam est, quòd ne in hac quidem parte veritatem perspiciant: qui, vt semper plurimum aberrantes, non modo errorem non corrigunt, sed in eodem anno alterum Pascha celebrant. Proinde quid est cur istos imitemur, quos constat graui errore implicatos esse ? Eodem namque anno bis celebrari Pascha non permittemus. Verum quamuis ista non à me fuissent proposita: tamen vestræ solertiæ esset, dare operam ne qua illorum similitudine, animorum nostrorum integritas nequissimorum hominum moribus admiscerì videatur. Ex his item illud potest intelligi, nefas esse, vt in tanto negotio, tam solemni religionis nostræ festo dissentio vlla fit. Vnum enim libertatis nostræ diem festum, hoc est sanctissimæ passionis, Saluator noster nobis tradidit, vnamq. Ecclesiam catholicam esse voluit: cuius quidem membra, tametsi in multis varijsq. locis congregentur, tamen vno spiritu, hoc est, diuina voluntate & nutu fouentur. Vestræ igitur sanctitatis prudentia secum reputet, quàm graue & indecorum sit, vt ijsdem diebus alij ieiunijs vacent, alij agitent conuiuia: ac post dies Paschatis, alij in festis & animorum remissione versentur, alij præscriptis ieiunijs se dedãt. Quapropter istud, vt decet, emendari, & ad vnã normam reduci, diuina prouidentia postulat, sicut vos omnes satis animaduertere existimo. Et quoniam istud erat ita corrigendum, vt nihil nobis cum parricidis illis & necis Domini auctoribus commune sit: est modus ille decorus quem omnes Ecclesiæ seruant, quę orbis partes vel versus Occidentem, vel versus Meridiem, vel versus Septentrionem incolunt, quem nonnulli qui ad Orientem habitant, non admittunt: idcirco omnes in præsentia hoc recte se habere arbitrati sunt. Ipseq. etiam in me recepi, vestram sapientiam facile assensuram: vt quod in vrbe Roma, in Italia, in Africa, in Aegypto, in Hispania, Gallia & Britannia, in Libya, & vniuersa Græcia, in diœcesi Asiatica & Pontica, in Cilicia denique, vna & consentiente sententia conseruatur, hoc etiam vestra prudentia libenter approbet: illud sedulo reputantes, non solum quòd in locis antedictis maior Ecclesiarum numerus existat, sed etiam quòd sanctissimum sit, illud omnes communi consilio statuere, quod recta ratio postulare videtur, nihil cum Iudæorum periurio habere commercij. Verum vt summam rei breuiter complectar, visum est communi omnium iudicio sacratissimum Paschatis festum vno eodemq. die celebrandum esse. Neque enim de re tam sancta ac solemni vlla dissensio debet existere: & longe pulchrius est eam sequi sententiam, cui nullus à Fide alienus error, nullum vitium admixtum sit. His itaque diuino iudicio à tot tantisq. sanctis Episcopis ad hunc modum constituris, ea velut dona cælitus demissa, & diuinæ vere mandata accipite. Nam quidquid in sanctis Episcoporum concilijs decernitur, id vniuersum diuinæ voluntati

LIBER TERTIVS.

CONSTANTINVS AVGVSTVS
Ario & Arianis.

MAlus interpres, revera effigies quædam & imago diaboli est. Vt enim illum periti artifices ad omnem deceptionis dolum effingũt, velut pulchritudinis formæq. decus affingentes illi, natura sua plane turpissimo, vt miseros mortales perdat, errorem ijs obijciens; eodem plane modo, vt opinor, facit, cui illud solum studio dignum videtur, vt noxia impudentiæ & audaciæ suæ pharmaca profusis omnibus obijciat. Etenim nouam, nec post homines natos vmquam visam, infidelitatis fidem inducit. Quamobrem nec à veritate abhorrere illud videtur iam pridem diuina oratione explicatum, quòd ad malum sunt sapientes. Quid enim quispiam dixerit illum consilij capiendi gratiam perdidisse, qui non amplius subleuationis auxilium vllum inuenire expetit? Quorsum igitur, Christe Christe, Domine Domine? quorsum nos quotidie prædones vulnerant? Stat ex aduerso dura quædam & violenta audacia, fremit frendetq. dentibus infamia deformis, & innumeris saucia-ta criminibus. ipsa certe in lege & promulgatione nominis tui velut quibusdam procellis & malorum fluctibus disiecta, effundit pernicioſa verba, eaq. scribens in lucem edit, quæ numquam tu qui cum æterno Patre tui ipsius fonte vnà existis, in cognitione tui definiuisti. Cogit omnino & conuehit graues & iniquas impietates, nunc quidem linguas crispans, nunc vero iterum miserorum studijs elata, quos ipsa præsentes præ securitate decipit simul & corrumpit. Iam autem volo præsidis ipsius ingenium expendere. Quid enim ait? Aut teneamus, inquit, cuius iam compotes facti sumus, aut fiat sicut ipsi volumus. Ce-

cidit & cecidit quidē interfectus, dolo ne, inquit, an atroci aliqua calliditate, nihil refert. Illud solum grande ducit, quod propter prauas cogitationes in ipsum irrepsit. Multitudinem, inquit, habemus. Progrediar & ipse paulo vlterius, vt insani belli spectator fiam: ipse inquam progrediar insanorum bella sedare antea solitus. Age sane Mars Ari, clypeis vtendum est: ne tu hoc feceris obsecro. detineat igitur te Veneris cōgressus. Verum vtinam quemadmodum turba plausibilis videris, sic & pietate vigeres erga Christum. Ecce iterum supplex venio, & armorum copia pollens, pugnare nolo: Christi vero fide munitus, cum te sanare, tum alios curare volo. Cur igitur ais ea te facere quæ moribus tuis non conueniunt? Sed qua quiete, dic mihi, dic quæso, aut quibus copijs cinctus, vel potius quo temeritatis prouectus? O audaciam fulmine vindicandam. Audite quæ nuper mihi indicauit, calamo virus instillante scribens: Sic, inquit, credimus. deinde addens nescio quæ insolenter, & valde accurate elaborata, progressus vlterius, nihil acerbitatis omisit, sed omnem, vt ita dicam, dementiæ thesaurum aperuit: Expellimur, inquit, & receptionis nostræ securitas omnis tollitur. Sed hæc parum ad rem: quæ sequuntur attendite. ipsius enim verbis vtar. Rogamus, inquit, si in eadem sententia maneat Alexandriæ Episcopus, facultatem nobis post hac dari ex legis præscripto, legitimos & necessarios cultus Deo tribuendi. O insignem impudentiam, quam veritatis studio reprehendi oportebat! Quod enim illi ex animi sententia accidit, id dictionis compendio expressit. Quid ais inepte? Dissidium speciosum scilicet nobis vlcus efferati erga me animi opponere paras, & in malo tecum implicatos perdere festinas. Quid, inquis, si nemo dignum me existimat qui recipiar? illud enim sæpe impuro gutture clamas. ego vero contra tibi dicam: Vbi certum documentum & testimonium ingenij tui ostendisti? Quod oportuit te dijs & hominibus explicare, & perspicue aperire, maxime cum venenati serpentes tum magis efferari soleant, quando in penitissimis lustris reconditos se esse sentiunt. Illud vero valde in eo vrbanum est, quòd sub persona pudoris tanto studio silentium simulet. Mitem & mansuetum te palam exhibes, cum malarum artium & insidiarum plenus multos fallas. Sed ò miseriam: diabolus vt voluit Arium nobis iniquitatis officinam fecit. Accede ac dic mihi fidei tuæ documentum, & nequaquam taceas. Heus tu qui os obtortum & ingenium ad omnem improbitatē possides: vnum dicis Deū? me suffragatorem habes, sic igitur sentias. Eiusdem essentiæ ais esse Dei Verbum quod principio sineq. caret? hoc quoque laudo: sic credas. Si quid vlterius adnectis, id tollo. Si quid ad impiam

piam ſeiunctionem adſtruis, id nec videre me nec intelligere fateor. Si corporis hoſpitium ad diuinarum functionum diſpenſationem aſſumis, non reprehendo. Si ſpiritum æternitatis in præcellente Verbo genitum dicis, admitto. Quis nouit Patrem, niſi qui venit a Patre? quem nouit Pater, niſi quem ex ſe ab æterno & ſine principio genuit? Tu hypoſtaſim peregrinam ſubſtituere putas oportere, male vtique credens: ego vero præcellentis & omnia peruadentis poteſtatis plenitudinem Patris & Filij, eſſentiam vnam eſſe cognoſco. Si igitur tu aufers ab illo, à quo ne cogitatione quidem contentioſorum auferri vmquam potuit; additionis autem characterem promoues, & ſigna quæſtionum explicas: illi cui integram quidem ex ſeipſo æternitatem dedit, incorruptam vero immortalitatis intelligentiã per ſeipſum, & Eccleſiæ Fidem attribuit. Abijce igitur, abijce tam ſtultæ opinionis flagitium, facete & canore Ari, mala ad inſipientium fidem decantans. Iure te diabolus ſua ſubuertit malitia, & quibuſdam fortaſſe hoc iucundum eſſe videtur, ſic enim tibi perſuades. Eſt vero plane peſtiferum hoc malum. Age ſane relicto illo abſurdarum opinionum ſtudio, ò miſer Ari, audi, tecum enim diſſero, Nõ ſentis te ab Eccleſia Dei eiectum? perijſti certo ſcias, niſi teipſum reſpiciens, dementiam tuam damnes. Sed dices, magnam multitudinem hominum te adiuuare, & curas tuas ſublenare. Audi igitur, paululum aures tuas ſubmittens, ò impie Ari, & intellige tuã dementiam. Tu vero Deus qui omnium curam geris, adſis benignus ijs quæ dicuntur, ſi ex fide ſunt. Ego enim homo tuus diuina prouidentia fretus, ex ſcripturis Græcis & Romanis, ijsq. vetuſtiſſimis, inſaniã Arij aperte demonſtrabo ante ter mille annos ab Erythræa præſignificatã atque prædictã. ait enim illa: Væ tibi Libya in maritimis ſita locis. veniet enim tempus in quo cum populo & filiabus tuis certamen graue, durũ & omnino difficile ſubire cogeris, ex quo omniũ fides & pietas iudicabitur: tu vero ad extremum exitiũ deuergis. vos enim cæleſtium florũ receptaculum conuellere auſi eſtis, & morſu diſcerpere, atque adeo ferreis polluiſtis dentibus. Quid igitur callide veterator, vbi locorũ eſſe fateris? illic ſcilicet: habeo enim litteras, quas ad me furoris tui calamo ſcripſiſti, in quibus ais omnem Libyæ populũ conſpirare tecum ad ſalutem. Si vero negaueris hæc ita ſe habere, Deum teſtor, me vetuſtiſſimum Erythrææ exemplar Græce ſcriptum habere, quod Alexandriam mittã, vt quàmcitiſſime pereas. An ne tu ſine peccato furciter? anne manifeſte perijſti miſer, tanto malo circumſeptus? Nouimus quid moliaris, quæ cura, quis metus te perturbet, non nos latet infelix & calamitoſe, ò mentis tuæ ſtuporem, qui morbum & ino-

inopiam animæ tuæ non reprimis impie. qui ve-
ritatem varijs confodis ſermonibus: & cum ta-
lis ſis, nos vituperare non vereris, & nunc redar-
guens, vt tibi videtur, nunc vero commonens
tamquam fide & doctrina præſtantior, à quo ſci-
licet miſeri auxilium ſibi ſuppeditari cupiunt:
tametſi neque congredi cum tali oportet, neque
omnino illum compellare, niſi quis in ſubdolis
huius verbis recte viuendi ſpem & in verſibus
reconditam eſſe putet. Sed non eſt hoc verum:
longe ſane abeſt. ò impudentiam veſtram, qui cũ
iſto vos commiſcetis. Quis igitur furor vos hu-
ius acerbam linguam & aſpectum tolerare coẽ-
git? Eſto, ſed iam ad te ſermonem conuerto, ò
hominem animo imprudentem, lingua volubi-
lem, mente infidelem: da mihi diſputationis non
amplum dico & latum campum, ſed circulo re-
cte circumſcriptum, neque putrem, ſed natura
firmum ſolidumque, ò impie & peſſime & diſ-
ſimulator. cogor enim iſta dicere, immo ve-
ro laqueum tibi inijciam, & diſputatione impe-
ditum in medium te adducam, vt omnis populus
improbitatem tuam videat. Sed ad rem ipſam
progrediar. Lotæ vtique ſunt manus: perga-
mus precibus inuocare Deum, aut potius conti-
neamus nos parumper. Dic mihi callidiſſime,
quem Deum in auxilium tuum implorabis? Sed
continere me nequeo. O tu omnium auctor Do-
mine, ò ſingularis virtutis Pater, propter hunc
impium Eccleſia probra, dolores, immo vero
vulnera & mærores patitur. Arius tibi locum
iam adaptat, idq. admodum præclare, in quo, vt
puto, conſtituens ſibi ipſi ſynodum, quæ filium
tuum Chriſtum illum ex te genitum, illum noſtri
auxilij ducem, adoptionis lege arroget ac teneat.
Audi obſecro mirandam fidem: te Domine loco
moueri exiſtimat, te definitæ ſedis terminis cir-
cumſcribere audet. Vbi enim tu non præſens es?
aut vbi operationem tuam atque efficaciã ex le-
gibus tuis omnia peruadentibus nõ ſentiunt om-
nes? Omnia enim ipſe contines, & extra te nec
locum nec aliud quidquam cogitare fas eſt. ſic
potentia tua cum operatione infinita eſt. Tu au-
tem Deus exaudi: at vos populi aduertite men-
tem. Hic enim eſt impudens & nequã, qui ad ex-
tremã improbitatem & iniquitatem progreſſus,
pietatem ſimulat. Apage, inquit, nolo Deum
iniurijs obnoxium videri, ac ob id ſuppono & fin-
go mirabili ſane fide, quòd Deus cum nouellam
& nuper creatam Chriſti ſubſtantiam faceret, au-
xilium ſibi ipſi præparauit, vt mihi quidem vide-
tur. Quod enim, inquit, ab ipſo abſtuleris, id
minus feciſti. Tibi igitur hæc fides eſt, ò lues &
pernicies? tu ex hypotheſi figmentum ſumis eũ,
qui gentium figmenta condemnauit? Tu adſci-
titium eum vocas & velut officiorum miniſtrũ,
qui ſine cogitatione & ratiocinatione, eo quòd
ſemper vna cum Patris æternitate exiſtat, omnia
perfecit? Adapta iam ſi audes, adapta inquam,

A Deo, quòd præcaueat, & metuat, & ſperet euenturũ, quòd cogitet, & ratiocinetur, & quòd conſiderans, ſententiam ſuam dicat, & verba formet, quòd delectetur, rideat, doleat. Quid igitur ais miſerorum omnium miſerrime? ò virum malitiæ plane peritum, intellige, ſi potes, quòd in tua ipſius verſutia conſumeris improbus. Chriſtus, inquit, propter nos paſſus eſt. At ego iam dixi quòd ſub forma corporis miſſus eſt. Sane, inquit, ſed metuendum ne aliqua in re imminuere illum videamur. O ferarum interpres, an ne inſanis dũ iſta dicis, & aperte furis? Vbi nam igitur in Deo contumeliæ ſunt? aut qua in re minuitur Deus? O parricida æquitatis! Conſidera, ex teipſo coniecturam capiens, ſi peccatum videtur eſſe, in Chriſto adeſſe Deum. Ille quidem perſpexit ignominiam ſermonis, nec tar

Qua igitur in re minuitur poteſtatis eius magnitudo? an vbique patitur? nihil opinor. mundi enim mens per Deum eſt: per ipſum omnis ſtabilitas, per ipſum omne ius. Chriſti fides ſine principio ex ipſo eſt. Omnino autẽ Chriſtus Dei lex eſt, per ipſum immenſitatem & infinitatem habens. Sed de his ex tę tuoq. ingenio cogitare videris. o furorem inſignem! Conuerte nunc in tuum ipſius exitium diaboli gladium. Videte omnes, videte vt lamentabiles prætendat voces viperæ morſu læſus: vt venæ ipſius & carnes veneno imbutæ acerbos cieant cruciatus: vt corpus ipſius tabe defluxit, vt attenuatũ, & ſqualore, ſordibus & lamentatione & pallore & horrore, & mille denique malis plenum miſere exaruit: vt aſpectu deformis,

erubesco, ò Ari. Nos in luce collocasti, teipsum vero in tenebras coniecisti miser. hic enim visus est laborum tuorum exitus. Sed illuc iterum redeo: multitudinem hominum circa te vagantium esse ais. par est opinor: & recipe eos, recipe inquam: nam lupis & leonibus sese deuorandos præbuerunt. verum etiam horum vnusquisque decem capitum accessione, & horum sumptu oppressus continuo pœnas dabit, nisi quàmcelerrime ad salutarem Ecclesiam recurrens, charitatis pacem amore ac studio concordiæ suscipiat. Non enim à te decipientur amplius demala conscientia damnati: neque funditus perire sustinebunt sceleratis tuis quęstionibus implicati. manifesta enim & nota erunt in posterum sophismata tua: nec ipse quidquam proficies, sed frustra finges, æquitatem & sermonum lenitatem simulans, & simplicitatis, vt ita dicam, personam extrinsecus induens: vanum erit omne artificiũ tuum: cito enim te veritas ipsa circumstabit: cito flammas tuas diuinæ potentiæ, vt sic dicam, imber restinguet. Atqui socios & suffragatores tuos, qui se iam obnoxios curiæ fecerunt, publicorum ministeriorum curæ excipient, nisi quàm citissime fugientes congressum tuum, incorruptam fidem amplexi fuerint. Tu vero, vir ferree, da mihi aliquod specimen propositi tui, si tibi ipsi fidis, & fidei firmitate fretus es, ac puram omnino habes conscientiam. Veni ad me, veni inquam ad Dei hominem: crede quòd interrogationibus meis cordis tui abdita scrutabor: & si quid insaniæ in te residere videatur, diuinam gratiam implorans a morsu te melius curabo: si vero mente sana esse videberis, cognito in te veritatis lumine, Deo gratias agam, & mihi ipsi pietatis meæ conscius ero. *Et alia manu.*
Deus vos custodiat, charissimi.

CONTRA EVSEBIVM ET THEOGNIVM.

Constantinus Augustus Catholicæ Ecclesiæ Nicomediensium.

OMnes probe nostis, fratres dilectissimi, Dominum Deum scilicet & saluatorem Christum patrem & filium esse: Patrem dico sine principio, sine fine parentem sæculi ipsius: Filium vero, hoc est Patris voluntatem, quæ quidem neque per cogitationem aliquam assumpta est, neque ad operum suorum perfectionem per substantiam extrinsecus quæsitam accepta. qui enim hoc intelliget, hic habebit ad omne supplicij genus indefessam tolerantiam. Sed Dei filius Christus omnium opifex, & immortalitatis ipsius largitor genitus est, quantum ad Fidem reliliquit eam qua credidimus, genitus est, immo vero progressus est ipse, cum omnino in Patre esset

set ad eorum, quæ ab ipso facta sunt, ordinationem. Genitus igitur indiuiduo quodam processu volũtas enim simulatque domicilio ipsius infixa est, & quæ diuersa indigent cura, secũdum vniuscuiusque qualitatem tractat atque administrat. Quid igitur est? quid inter Deum Patrem & Filium medium? nihil scilicet. ipsa enim rerum completio cognitione accipit voluntatis imperium, non quidem separata ex Patris essentia voluntatem separauit. Quod vero ad ista sequitur, quis est qui Dominum meum Christum filiũ reuerentia magis ductus quàm stultitia metuit? Nũ itaque patitur Deus? postquam augusti corporis habitatio ad notitiam propriæ sanctitatis properat: an succumbit illud non separatum esse in corpore? Num igitur separauit hoc quod à corporis humilitate ablatum est? num vero viuimus, licet ad mortem, animæ gloria corpus adsciuerit? Quid igitur hic innoxia & sincera fides dubitatione dignum offendit? nonne vides Deũ augustius corpus elegisse, quo fidei indicia & virtutis suæ documenta voluit ostendere? & iam confusum à diabolo errorem, humani generis perniciem excutere, nouamq. religionis doctrinam dare ignorantiæ documento, indignas mentis cogitationes purgare, deinde vero mortis cruciatus retundere, at immortalitatis præmia longe ante prædicere. Sed vos, quos vt deinceps fratres appellem, caritatis communio merito facit (non ignoratis me conseruum vestrum) non ignoratis vestræ salutis præsidium, cuius curam ingenue suscepi, & per quod non solum armatos hostes nostros deuicimus, verum etiam viuentes adhuc coëgimus humanitatis veram fidem profiteri. Ego vero in his bonis propter instaurationem orbis terrarum maxime gaudebam: Etenim admiratione plane dignum fuit tot gentes ad concordiam consensumq. adduxisse, quæ paulo ante dicebantur Deum ignorare. Verum quomodo cognoscituræ erant gentes ea, quæ nullo contentionis studio intelligere curarent? Quid igitur cogitatis, fratres charissimi, quod nos ipsos accuso? Christiani sumus, & miserabili affectu dissentimus. Hæc igitur ipsa est fides nostra? hæc sanctissimæ legis doctrina? Sed quæ tandem est causa ob quam præsentis mali pernicies excitata est? O rem absurdam! ò summum odium, quod omnis indignationis magnitudinem excedit! Quæ tandem visa est prædonis huius atrocitas? num Dei Filium negat ex indiuidua Dei substantia processisse? An ne Deus vbique est? atqui hunc semper adesse nobis sentimus. An ne huius potentia vniuersitatis ornatus coaluit? atque separationis diffidio priuatus est? Ne quid igitur à nobis actum sit, fratres charissimi, attendite quæso præsentis doloris probationem. Vos illius confessores fore promisistis quem esse negatis, cum vobis istud exitiabilis ille doctor persuaserit. Quis obsecro innocentem multitudinem

nem iſta docuit? Euſebius videlicet tyrannicæ crudelitatis ſocius. Nam quòd excubaret & omnino vigilaret pro tyranno, ex multis vndique poteſt intelligi: ſi quidem iſtud Epiſcoporum, eorumq. vere Epiſcoporum cædes teſtantur: iſtud crudeliſſima Chriſtianorum perſecutio palam clamat. Neque certe de ijs quibus me affecit contumelijs hoc loco verba faciam, per quas aduerſariorum contra me concurſus, quantum fieri poterat maxime procurabantur, qui & oculis tamquam ſpeculatoribus me obſeruauit. Quin etiam miniſterio prope militari, quo tyranno opem ferret, perfunctus eſt. Ac nemo exiſtimet me imparatum minusq. inſtructum eſſe etiam ad iſtas res, ſi opus fuerit, confirmandas. Veriſſime enim oſtendi poteſt, tum Presbyteros, tum Diaconos à me manifeſto deprehenſos qui Aſebium aſſidue ſtipabant. Sed hæc quidem omitto, quæ nunc non eo dicuntur à me, quòd ipſe ea grauiter & iniquo animo feram, ſed quò eas ſuæ ipſorum pudeat inſaniæ. Illud ſolum metuo, illud animo verſo, quòd vos video in huius criminis ſocietatem vocari. Nam inſtitutione Euſebij & conuerſatione conſcientia veſtra à veritate deflexit. Verum huius rei expedita eſt & facilis curatio, ſi modo Epiſcopum fidelem & integrum nacti, oculos ad Deum denuo conuerteritis: quod quidem in præſentia eſt in veſtra ſitum poteſtate, quodq. etiam dudum penes veſtrum iudicium fuerat, niſi Euſebius ipſe, de quo dixi, prauo eorum qui eum iuuerunt conſilio huc præceps ruiſſet, & rectum eligendi ordinem impudenter conturbaſſet. Sed quoniam mihi de hoc ipſo Euſebio pauca dicenda ſunt, quæſo libenter attendite. Non vos præterit Concilium Nicæ celebratum, cui ipſe, ſicut conſcientiæ meæ munus poſtulabat, interfui non alio ſane animo, quàm vt tum concordiam inter omnes conſtituerem, tum omnium maxime vt reprimerem penitus & ſubmouerem eam rerum perturbationem, quæ ex Arij Alexandrini amentia orta, illico ex abſurdo & pernicioſo conatu Euſebij vires collegit. Nam quanta concurſione, amantiſſimi honoratiſſimiq. fratres, putatis iſtũ Euſebium, vtpote ipſa conſcientia conuictum, quanta cum ignominia mendacijs vndique deprehenſis, aggreſſum eſſe primum certos quoſdam homines ſubornare, qui pro eo deprecarentur: deinde à me auxilium petere, ne tanti ſceleris damnatus de honoris ſui gradu deijceretur. Huius rei teſtis eſt mihi Deus, qui tum mihi, tum vobis benignus perpetuo adſit, quòd & meũ peruertit iudicium, & turpiter à veritate abduxit, quod & vos cognoſcetis. Nam tum omnia geſta ſunt ex eius ſententia, qui perniciem omnem adhuc intra cogitationem ſuam abditam & occultam tenuit. Ac primum, vt cetera illius nequitiæ facinora præteream, audite quæſo, quid nuper cum Theognio, quem dementiæ ſuæ ſocium habebat, perpetrauerit. Ipſe forte quoſdam Alexandrinos qui à fide noſtra defecerant, huc mitti iuſſeram, quandoquidem eorum opera diſſi-

A dissidij flamma incensa erat. Sed isti honesti boniq. scilicet Episcopi, quos vera Concilij dijudicatio ad pœnitentiam agendam reseruauerat, non solum eos admiserunt ad se, & secum tuto collocarunt, verum etiam illorum deprauatis moribus communicarunt. Quamobrem ingratos istos aliquo pacto puniendos esse censui, & iussi vt à suis abrepti sedibus longissime relegarentur. Iam vestrum est ea fide in Deum aciem mentis vestræ intendere, in qua nos semper mansisse constat, & nunc etiam manere decet, omnemq. ætatem ita degere, vt Episcopos integritate vitæ, doctrinæ puritate, tum benignitate B etiam in omnes, eximios habentes, iure lætemur. Si quis autem temere pestes illas vel memoria, vel laudibus celebrare audeat, confestim serui Dei, hoc est, mei ipsius opera pœnas suæ audaciæ dabit. Deus vos, fratres charissimi, incolumes seruet.

QVanta vis diuinæ iræ extitit, etiam ex ijs quæ Eusebio & Theognio acciderunt, facile licet tibi intelligere, qui in sanctissimam religionem debacchantes, Dei saluatoris nomen ipsa turma prædonum suorum etiam post impetratam veniam polluerunt. Nam tunc maxime quando post concordem Synodi consensionem, priorem errorem eos corrigere oportuit, absurdis istis opinionibus adhæresce re deprehensi sunt. Ob hoc igitur diuina prouidentia ex populi sui numero eos exturbauit: quoniam neque tulit minime malas mentes amentia illa corruptas videre: & nunc debitas ab ijs pœnas expoſcit, maiores etiam deinceps in omni sæculo sumpturus. Quod prudentiæ tuæ indicare oportere putabã, vt si qua peruersa admonitio istorum, quod non existimo, tuo insideat animo, ea ex animo deleta, puram vt decet cogitationem, veram sanctificationem, intemeratam fidem seruatori Deo præbere studeas. Etenim consentaneum est hoc ab eo fieri qui incorruptis æternæ vitæ præmijs dignus haberi constituerit. Deus te custodiat, frater dilecte.

AD LECTOREM.

HOC opuſculum B. Cyrilli Epiſcopi Alexandrini aduerſus Neſtorium quinque libris diſtinctum, reperitur ad calcem Actorum Concilij Epheſini in codd. Græcis mſ. in quo Neſtorij blaſphemias, & falſas de Chriſti Domini incarnatione opiniones refellit: quod Ant. Agellius Epiſcopus Acernenſis in Latinam linguam conuertit, collatis pluribus Græcis exemplaribus, ac multis etiam locis, vbi ea deprauata videbantur, ex coniectura adnotatis ad marginem: vt ſimul veterum librorum fides teneretur, & in obſcuris locis aliquod intelligentiæ lumen præberetur legentibus. Legitimum vero eſſe Cyrilli opus conuincit dicendi character illius proprius, & ſententiarum ſimilitudo cum alijs eius libris congruens, & ipſius eiuſdem Auctoris aſſertio in epiſtola ad Eulogium Presbyterum Alexandrinum, in qua inter alia ſua opera hoc quoque commemorat; & Photij in ſua Bibliotheca teſtimonium, num. xlix. & clxix. in quo non modo hos quinque libros enumerat, verum etiam cuique libro certum capitum numerum aſſignat. Quamuis autem in Græcis libris poſt Concilium Epheſinum appoſitum ſit, ab Auctore tamen antequam Concilium haberetur eſt editum. Nam vbi Neſtorius, Cyrilli & aliorum Epiſcoporum monitis neglectis, hæreſim ſemel animo inſitam, etiam libris ſcriptis euulgare ſtatuit; eos nactus Cyrillus, ne ex eorum lectione ſimpliciorum animi inficerentur, peruerſas eius ſententias confutare non diſtulit: quod in huius operis proœmio ipſe teſtatur; vbi in eius libris editis non per imprudentiam lapſum eſſe Neſtorium aſſerit, ſed ex induſtria ac ſtudioſe nefariam hæreſim effudiſſe, & nihil omiſiſſe quo minus illam diſtincte & ordine traderet, adeo vt etiam σοιχηδὸν, vt ipſe ait, & ϛὼ τάξει, hoc eſt per elementa ordinemq. diſponeret. Cum itaque Cyrillus hæreſim Neſtorij, quæ in cauſa fuit Concilij Epheſini congregandi, in his quinque libris detegat atque conuincat, & iam à Græcis cum eodem Concilio deſcripti ſint, & ad hanc vſque diem Latinis hominibus ignoti, neque adhuc Græce impreſſi, operæpretium viſum eſt illos huic primo Conciliorum Tomo adiungere, ſimulq. duas eiuſdem Auctoris Epiſtolas ad Succeſſum Epiſcopum Diocæſareæ Iſauriæ, quarum idem Photius eodem loco meminit, & ante eum Ioannes Damaſcenus in libro iij. de Fide orthodoxa cap. xi. vbi etiam locum de ſecunda Epiſtola citat: in quibus epiſtolis idem eſt argumentum, nimirum contra blaſphemias Neſtorij: ac poſtremo ob eamdem ſimilis argumenti cauſam, Procli Patriarchæ Conſtantinopolitani Epiſtolam ad Armenios, celeberrimam quidem & à Cyrillo laudatam tum in Epiſtola ad Anaſtaſium & ceteros Monachos, tum in Epiſtola ad Ioannem Antiochenum Epiſcopum. Et hæc de opere dicta ſufficiant.

Oportere autem censeo sapientes viros & sollertes, ac diuinorum dogmatum peritos, eius opportune meminisse quod est à quodam è sanctis discipulis scriptum: Fratres, probate spiritus si ex Deo sunt. Beatus quoque Paulus donatas esse sanctis hominibus dicit discretiones spirituum. Nam qui dicunt, Dominus IESVS, id non aliter quàm per Spiritum sanctum vtique dicent. at vero qui ex im-

Oportet igitur vt exercitati ad omnia subtiliter & accurate probanda, & peruigili vtentes animo quorumdam scripta legamus, & quid de nostro omnium saluatore Christo loquantur, diligenter exquiramus, optimeq. imitemur probatissimos ac peritissimos nummularios, qui probos nummos admittunt, falsos autem & adulteratos studiose reijciunt. A motus, aut aliò quopiam tendat, ac ſpectet ad inanem vanitatem, is inquam, qui ad ſubditos habetur, ſed quod recte prolatus ſit, ipſius veritatis ſuffragio commendetur. Hæc autem eo dico, quia in librum quemdam à quodam compoſitum incidi, in quo multi erant congeſti ſermones per elementa & velut ordine diſpoſiti, nullaq. ratio ei deerat quominus retineri poſſet. Ac ſi à ſcriptore eiuſmodi aliquid dictum eſſet quod obliuioni traditum euaneſceret, forſan vtique ſtatuiſſem & mihi ſilendum eſſe, & ceteris conſulendum vt idem facerent, ne multis alijs poſterisq. noſtris nota eſſent tam abſurde tamq. Sed quia blaſphemiarum turba in eo libro congeſta eſt, & multum aduerſus dogmata veritatis declamatum & obiarratum, quomodo non neceſſarium fuit propemodum vt accingeremur, & pro ſalute lectorum certaremus, ne vllum ex ea re damnum paterentur, ac diſcerent potius iacturam ex perperam dictis prouenientẽ ſtrenue repellere? Nam beatus Ioannes filius tonitrui à ſaluatore omnium *Marc. 3. c.* noſtrum Chriſto eſt appellatus, ac merito, vt qui *17.* magnum quiddam & inſolitum effatus, propemodum orbem ſonitu concuſſerit, & terras tonitru terruerit. Vbi vero accurate & expolite myſteria tradidit, & Vnigenitum & Deum eſſe, & ex Deo ſecundum naturam ineffabiliter natum pronuntiauit, rerum omnium creatorem atque D factorem, tum denique, & quidem in tempore, ſapientiſſimam illam propter nos ac pro nobis geſtam diſpenſationem enarrare orditur, & ait: Et *Ibid. b. 14.* Verbum caro factum eſt, & habitauit in nobis: & vidimus gloriam eius, gloriam quaſi Vnigeniti à Patre, plenum gratiæ & veritatis. Ac Verbum carnem dixit, vt veræ illius vnionis, quæ nimirũ ſecundum hypoſtaſin conſideratur, vim declararet. in eo autem quòd illum in nobis habitaſſe dicit, non ſinit intelligere, Verbum illud ſecundum naturam ex Deo editum, in terrenam carnem fuiſſe mutatum. Putaſſet enim, vt opinor, quiſpiam qui non admodum calleret quid nam ſit illa diuina & vltra rem omnem creatam ſita natura, eam fortaſſe mutationis etiam eſſe capacem, propriorumq. bonorum quæ ſibi per eſſentiam ſunt inſita, negligentem, in aliud quidpiam E diuerſum ab eo quod eſt quodammodo degenerare; & alterationibus ac mutationibus ex improuiſo ſubditam ad creaturæ menſuras redigi. Id vero nefas eſſe prorſus (fixa namque eſt Dei natura, & in quibus eſt, permanet inconcuſſa) teſtatus eſt cũm dixit: Habitauit in nobis; Verbum nimirum etiam caro factum. Quibus in verbis & diſpenſationis ſapientiam prudenter expoſuit, & vigilantiſſime cauit, ne quis ipſius Verbi naturam calumnietur, tamquam ex mutatio-

tatione & conuerſione caro ſit factum. Aſſerimus igitur etiam ipſi, virorum diuinitus loquentium indagando ſcopum, & à Fidei regula nulla ex parte recedendo, illum ex Deo ſecundum naturam, illum vnigenitum, illum qui eſt in ſinu Patris, per quem omnia, & in quo omnia, quamuis ante omnia ſæcula & tempora propriam haberet exiſtentiam, & ſemper ſimul cum genitore ſubſiſteret, in extremis ſęculi temporibus ad voluntariam exinanitionem deſcendiſſe, & formam ſerui ſuſcepiſſe, hoc eſt, noſtra ſubijſſe, & hominem diſpenſatorie factum eſſe, aſſimilatumq. fratribus per omnia, eo quòd participauit ſimiliter carni & ſanguini: & ita nobiſcum & noſtræ ſimilem ſubijſſe generationem, & ſuæ carnis initium vt ea eſſe inciperet, in ſe ipſum ſuſcepiſſe: non quòd altero initio indigeret vt eſſet; nam erat in principio, & Deus erat Verbum; ſed vt ſecundum carnem ex muliere genitus ſecundum Scripturas, poſt illam priorem altera omnium hominum origo factus, humanum genus recapitularet. Sic nempe pauper fuit cum diues eſſet, vt nos ad ſuas opes reuocaret, & per vnitam ſibi carnem omnes in ſe ipſo contineret. Sic namque plane conſepulti cum Chriſto per ſanctum baptiſmum, & conreſuſcitati ſumus, & conſedimus in cæleſtibus, vt ſcripſit ille myſteriorum diſpenſator, ille præco & Apoſtolus, & Euangelicarum legum ſacerdos ſapientiſſimus Paulus. Neceſſaria eſt igitur ad myſterij fidem ſimul & ad certam demonſtrationem, ipſa res veræ, ſecundum hypoſtaſim inquam, vnionis, vt illa quoque ſecundum carnem Vnigeniti generatio reprehenſione vacet, cum non ad alterum, vt dixi, initium exiſtendi ſit vocatus; nam ipſe eſt ſæculorum opifex; ſed potius ſeipſum propter nos ad humanitatem demiſerit, neque neglexerit humanæ naturæ leges, ſed vnà cum carne generationem quoque carnis habere voluerit. Hac ratione dicimus factum eſſe ſecundum carnem eum qui ſemper eſt cum Patre. Sic namque damnauit peccatum in carne, & deſtruxit in nobis mortis imperium noſtri ſimilis factus, ille qui neſciebat peccatum, in quo viuimus, & mouemur, & ſumus. Sed neſcio quomodo nonnulli dogmatum Eccleſiæ ſacratiſſimum decorem violant, & ſanctam & caſtam virginem rugis maculant, dum illam in turpem ſuorum ſenſuum inanitatem deducunt, & nouorum commentorum turbam nobis quaſi murum obijciunt. Nam vocem hanc, Deipara, quam ſancti noſtri Patres ad ſanctam Virginem cohoneſtandam compoſuerunt, tamquam notham & minime ingenuam, immo vero longe à conuenienti ratione remotam accuſant; vnumq. Dominum IESVM Chriſtum ſeorſim diſtinguunt, in duosq. diuidunt filios: auferunt etiam à Deo Verbo carnis paſſiones, quamuis pati illum in propria natura qua Deus intelligitur, ne nos quidem dicamus, ſed potius ad ipſum vnà cum carne paſſiones quoque carnis referamus, vt ipſum quoque Saluatorē confitea-

nostra, quamuis minime capax esset infirmitatis: nosq. saluati sumus dum ille per suum corpus mortem nostram suscepit. Conabor igitur quæ dixi plane monstrare. Iam enim eius qui librum conscripsit, voces recitabo: & priore loco quas effudit dum vocem, Deipara, immodice reprehenderet. Sed quia sæpe, cum eadem inculcat verba, nos quoque qui illi aduersamur, easdem repetere sententias necesse est, date obsecro nobis veniam, qui non sponte ad verba eadem iterãda venimus, sed quacumque illius verborum scopus pergit, ibidem illi occurrendum esse decreuimus. Sic igitur dixit cum vocem illam improbaret in sancta Virgine, Deipara, inquam.

Sæpe, inquit, *illos rogaui*, (eos scilicet qui ipsi NESTORIVS
contradicebant,) *Num Deitatem dicitis ex sancta Virgine natam? Ad hæc verba illico resiliunt: Ecquis, inquiunt, tanto blasphemiæ morbo laborat, vt quæ templum genuit, Spiritus sancti opera, in ea Deum ipsum creatum dicat? Deinde cum ad hæc subijcio: Quid igitur absurde dicitur à nobis, cum vocem hanc efferre quidem suademus, sed ad commune duabus naturis significatum pergere? Tum vero putant blasphemum esse quod dicimus: Aut aperte confitere diuinitatem ex beata Maria genitam, aut si vt blasphemam fugis hanc vocem, cur qui eadem atque ego dicis, te haud dicere simulas?*

Ergo ex his quæ dicis, atque etiam nescio CYRILLI
quomodo sentiendum putas, de ijs qui contra cap. 1.
sentiunt, aperte testimonium fertur etiam tuæ vocis confessione, rectam illos ac veram sententiam de nostrum omnium saluatore Christo tenere, & fidem in animo habere, quam ij qui ab initio ipsi viderunt, & ministri fuerunt sermonis, Luc.1.a.
diuinorumq. mysteriorum nostrorum sacerdotes dispensatoresq. fideles Ecclesijs tradiderunt. Iure enim tamquam insciticæ, summæq. impietatis euidens argumentum auersantur vel sola existimatione concipere, illud ex Deo Patre Verbũ ad secundum initium vt esse inciperet vocatum esse, vel sanctæ Virginis carnem suæ existentiæ velut radicem quamdam accepisse: sed tamen ipsam Dei genitricem vocant, vt quæ illum Emmanuelem, qui ex natura Deus est, pepererit. nam illud Verbum factum est nobiscum, quod ex natura Deus & supra nos erat. Num igitur ijs quæ sentiunt, contraria asserunt? Dicet enim, vt puto, quispiam ex ijs qui tecum sentiunt: Si Verbi naturam prolem esse carnis negas, & te hoc crimine liberas, quomodo igitur sanctam Virginem peperisse Deum asseris? Sed is à nobis econtrario audiet: Carnem factum esse illud ex Deo Patre Verbum ait Scriptura diuinitus inspirata, hoc est, carni sine confusione & secundum hypostasim vnitum, & natum ex muliere. neque enim alienum ab eo erat vnitum illi corpus, & factum ex muliere; sed vt suum cuique nostrum proprium est corpus, eodem modo etiã Ioan.1.b.

vni-

vnigeniti corpus proprium illi erat, & non alterius. sic namque factus est etiam secundum carnem. Præterea dic mihi quomodo factum est caro, si generatio ex muliere non sit adiuncta; cum humanæ naturæ leges id requirant, & carnalis existentia ab initio non aliam viam habere possit? Non enim Gentilium scilicet nugis adhærentes, ex quercu aut ex petra hominum corpora gigni nos quoque fabulabimur: sed leges nostras ipsa natura, immo vero ipse opifex naturæ constituit. Vt enim ex vnaquaque re quod cognatum est gignitur, ita etiam ex nobis ipsis: neque aliter id se habere potest vllo modo. Quamuis enim diuinæ illi & ineffabili potentiæ omnino nihil impossibile sit ex his quæ velit efficere, tamen ne leges à se positas contemnat, per ea pergit quæ cum rerum natura conueniunt: eratq. non impossibile omnipotenti illi Verbo vbi statuisset propter nos fieri secundum nos, si generationem ex muliere refugeret, sibi extrinsecus ac propria virtute corpus formare, vt proculdubio in Adam primo parente factum dicimus: Accepit enim Deus pulueremi, inquit, de terra, & formauit hominem. sed quia id perfidis hominibus calumniari volentibus incarnationis mysterium, pro occasione futurum erat, & ante ceteros impijs Manichæis, quos subinde te metuere dicis, ne in eos scilicet qui sanctam Virginem Dei genitricem dicunt, insiliant, quasi asserant Verbi incarnationem in sola specie factam; ideo necessarium fuit vt per humanæ naturæ leges pergeret. & quia id illi propositum erat, vt se vere hominem factũ omnibus demonstraret, apprehendit semen Abraam, & ad eam ipsam rem beata Virgine media interueniente, similiter ac nos participauit carne & sanguine. neque enim aliter licebat nobiscum fieri Deum. Vtilissima autem & alia quoque ratione his qui versantur in terris, Verbi incarnatio siue humanatio fuit. Nisi enim similiter atque nos secundum carnem fuisset natus, nisi similiter participasset ijsdem, numquam hominis naturam criminibus in Adam contractis absoluisset, neque à nostris corporibus corruptionem repulisset, neque maledictionis illius potestas desijsset, quam primæ feminæ illatam dicimus, cui dictum est: In tristitia paries filios. Sed hominis natura in Adam inobedientiæ morbo laborauit, nunc in Christo grata facta est per illam ipsius ad omnia obedientiam. Scriptum est enim: Sicut per inobedientiam vnius hominis, peccatores constituti sunt multi; ita per obedientiam vnius hominis, iusti constituentur multi. Subiacuit in Adam illi maledicto: Terra es, & in terram ibis: acquisiuit in Christo vt calcare possit mortis laqueos, & quodammodo aduersus mortem tripudiare, illud propheticum dicens: Vbi est mors victoria tua? vbi stimulus tuus inferne? Facta est maledicta, vt dixi; sed id quoque euacuatum est in Christo. Itaque dictum est ad sanctam Virginem, ipsa Elisabeth in spiritu prophetante: Benedi-

nedicta tu in mulieribus, & benedictus fructus ventris tui. Regnauit in nobis peccatum, & inuentor ille & pater peccati aduersus omnes qui per orbem terrarum erant, se superbe iactabat, diuinarum legum illis violationem obijciens: sed hominum naturam in Christo tamquam in secundi generis primitijs fiduciam ad Deum habere videmus. dixit enim aperte: Venit princeps mundi huius, & in me nihil inueniet. Ioan. 14. d. 30.

Sed, ò præclare vir, non ab re dixerim: Si non vt nos factus est ille vnigenitus, neque vt nos fieri alio modo quàm per generationem carnalem ex femina potuit, numquam nos illius rebus diuites fieri potuimus. Vt enim scribit beatus Paulus, ille Emmanuel non è terra ad prioris illius exemplum, sed è cælo secundus nobis Adam apparuit. Nam illud superne & ex Patre Verbum non in cuiuspiam carnem, neque in alienam venit, vt iam superius dixi, neque in vnum aliquem nostri similem descendit vt in eo habitaret, vt proculdubio fuit in Prophetis: sed cum sumptum ex muliere corpus suum fecisset, & ex ea secundum carnem esset genitus, hominis generationem per se recapitulauit, nobiscum factus secundum carnem, qui ante omnia sæcula extiterat ex Patre. Hanc nobis Fidei confessionem sacræ litteræ tradiderunt. At tu metuere te simulas, ne quis è nobis suspicetur, illud ex Deo genitum Verbum à carne terrena existentiæ initium habuisse; ac funditus tollis dispensationis in carne mysterium, cum sanctam Virginem esse à nobis Dei genitricem appellandam negas: & eos qui illam Dei genitricem vocant, tamquam ad incuitabilem ac necessariam confessionem deducis, vt illis putandum sit Dei Verbum carnis esse fructum. Sed id secus est, longeq. aliter habet. Nam ille ex Deo Patre Filius, qui supra omne tempus initium existendi habet, cum sit sæculorũ conditor, in extremis sæculi tẽporibus quia factus est caro, secundum carnem factus esse dicitur. Nam si proprium eius corpus intelligitur, quomodo non prorsus proprij corporis natiuitatem sibi tamquam suam vindicabit & asseret? Sed hanc hominum ita credentium rectam sacramq. Fidem etiam ipse probasses, si tibi ipsi persuadere voluisses, vt cogitares atque confitereris vere Deum esse Christum, vnumq. ac solum esse Dei & Patris, non diuisum in hominem seorsim, & in Deum similiter; sed eumdem esse & ex Deo Patre Verbum, & ex muliere hominem nostri similem, vnàq. Deum permanere. Sed te calumniari illam Verbi generationem secundum carnem, cum vbique duos asseras filios, & diuidas vnum Dominum IESVM Christum, non meis sed tuis verbis perspicuum fiet.

Vide quid consequatur, hæretice. Non inuideo hanc vocem Christi genitrici Virgini, sed noui venerandam esse quæ Deum excepit, per quam pertransiit ille vniuersorum Dominus, per quam effulsit sol iustitiæ. Rursum suspectum habeo hunc plausum. Quomodo verbum illud, Pertransiit, intellexistis? Non dixi, per-

sanctis mulieribus non omni reuerentia dignam
putas? num igitur si cui libeat ipsas quoque Dei
genitrices vocare, hanc illis appellationem non
inuidebis? Equidem puto te omnibus modis re-
pugnaturum, ac dicturum non ita se hæc habere.
Nam pepererunt illæ sanctos homines quidem,
sed nemo eorum secundum naturam Deus erat. B
Ergo huius vocis vsum aut ab omnibus mulie-
ribus amoue, aut si soli præter ceteras habere
sanctæ Virgini permittis, quam afferes in respon
dendo rationem? Nam si vere de ea dicitur hoc
verbum, & vere Deum genuit, ipsum nimirum
Dei Verbum carnem factum, confitere nobiscũ,
& te ipsum ab impietatis crimine liberabis. Sin
autem illa minime Deum genuit, non aliud est
permittere nonnullis vt eam Dei genitricem vo

re. Sed est illa Dei genitrix, quia factus est homo
nostri similis ille vnigenitus, carni secundum ve-
ritatem vnitus, & corpoream generationem
subijt, & nostræ naturæ leges haud neglexit, vt
paulo ante dixi.

Sed quia scire se ait venerandam esse eam, ni-
mirum sanctam Virginem, agedum inspiciamus
debitæ illi reuerentiæ causas. *Scio*, inquit, *vene-
randam esse illam, per quam ille omnium Dominus per-
transiit, per quam effulsit ille sol iustitiæ*. Quomodo
igitur ais Deum ab ea susceptum? quomodo etiã
per illam pertransijt ille omnium Dominus? aut
quomodo effulsit ille sol iustitiæ? Nam si Deum
haud peperit, secundum carnem inquam, quo-
modo igitur excepit Deum? quomodo per illam
pertransijt? Sed fortasse dices illud tuum & sa- D
piens responsum, vt ipse putas, ac dicere non ve-
reris: *Deus enim erat Verbum, & cum homine con-
iunctum, & in eo habitans*. Sed Fidei traditio tuis
hac de re verbis repugnat. Non enim Deiferum
hominem, sed humanatum Deum adorare didi-
cimus. tu vero aliter dicis. Deinde quomodo
te nugari non aduertis, & diuinorum dogmatum
veritatem adulterare? Nam Verbum caro fa-
ctum est. Iam cur Deum ab ipsa susceptum di-
cis, si illam Deum secũdum naturam ipsum Em-
manuel peperisse non credis? quomodo per il-
lam pertransijt ille omnium Dominus, & sol ef-
fulsit iustitiæ? Quem vero his verbis te decora- E
re putas? num communem hominem, & vnum
de nostri similibus, sed tamen sanctificatum, vt in
quo Dei Verbum inhabitaret? Sed quomodo
eiusmodi homo rerum omnium dominus erit, &
sol iustitiæ? Nam dominari & imperare omnibus
posse, & res quæ intelliguntur illustrare, non no-
stræ mensuræ est, sed illi soli excellentissimæ &
supremæ naturæ tribuendum.

plica quæso hanc dictionem, quidve sit hic transitus, quem hoc loco dixisti, erit vtique tuæ prudentiæ ignaris exponere. Nam si ita per illam transijt illud Dei Verbum, vt ex loco vno ad alterum se transferret, indidem deijcieris. nam dicet tibi per vocem sanctorum: Nonne cælum & terram ego impleo, dicit Dominus? Neque enim est in loco diuinitas; & expers est corporei transitus; nam implet omnia. sin autem quia debitū partui tempus perferendo, relatiuam in homine habitationem incoluit, ideo Deum asseris permeasse per sanctam Virginem (vtar enim vbique tuis sacris vocibus) nihil ergo eximium in sancta Virgine præter ceteras videmus. Peperit enim Elisabeth beatum Baptistam Spiritus opera sanctificatum, per quem Spiritum etiam ipse Filius in nobis habitat, idq. beatus Ioannes testatur, dicens: In hoc cognoscimus quòd in nobis est, quia de Spiritu suo dedit nobis. Pertransijt igitur etiam per Elisabeth ipsum Dei Verbum, cum etiam ante illius natiuitatem in infante per Spiritum inhabitarit.

Hier. 23. c. 24.

1. Ioan. 4. v. 13.

Sed suspectum habes plausum tibi, vt qui iam recte loqui cœperas, à populo factum. Nam solem iustitiæ, & omnium Dominum appellaras illum ex sancta Virgine natum. Inde rursus subtilius agere simulas, & plausum reprehendis, & homines tui causa lætos denuo vt parum intelligentes accusas. O magnam tui sermonis potentiam. Non illis certe mærorem injcere distuliſti, in luctum illico vertisti gaudium, conscidisti lætitiã, & accinxisti te sacco, cum mox addidisti: *Rursum suspectum habeo plausum. Quomodo verbum illud, Pertransiit, intellexistis? Non dixi, pertransiit, pro eo quod est, genitus est. non enim ita facile meæ sententiæ obliuiscor. Pertransisse Deum ex Christi genitrice Maria didici ex sacris litteris; ex ipsa genitum nusquam didici.* Ergo tua esse illa peruerse dicta certum est: ex eo autem quod te recte sentire cœpisse suspicabantur, ille extitit ex charitate plausus.

Psal. 29. c. 12.

Sed instabo nunc quoque nihilominus, ac rogabo: Quid nam est, Pertransijt, si generationem non significat? Num dicturus es, ipsum per se Dei Verbum sine carne pertransisse per Virginem? Atqui quomodo hæc verba non summæ stultitiæ plena sint? Vel enim in quantitatem esse concretam diuinitatem intelligere necesse est, & motam vt de loco in locum transferretur; vel quia est incorporea, & late & vbique fusa, neque loco terminisq. circumscribitur, quonam modo per vnam corpus transire poterit? Sed vtcumque sit quod à te dicitur, cur non explicari oportuit, & clarius dici, si tuæ de hac re sententiæ fidens, de eius probitate docere potes? Iam vero vbi nam audisti diuinitus inspiratas litteras dicere, Dei Verbum per sanctam Virginem pertransisse? Nam breuem esse hominum qui degunt in terris vitam, docuit beatus Dauid, dicens: Homo sicut fœnum dies eius; tamquam flos agri sic efflorebit: quoniam spiritus pertran-

A transiuit in illo, & non subsistet. At vero de sancta Virgine quid eiusmodi scriptum habes proferre? Atqui Deum ex ipsa genitum, secundum carnem inquam, eædem sacræ litteræ perspicue indicarunt. Redeo igitur denuo ad tua, vir præstantissime, verba. id enim ipse quoque sæpissime confessus es, Verbum esse carnem factum, neque eam vocem reijciẽdam putasti; & illud præterea, quod Vnigeniti diuinitatem aperte ac palam hominem factam dixisti, cum hoc modo scripseris.

Quis ergo ille est incarnatus? aut quo incar- CYRILLI natus modo? quæ etiam diuinitas homo facta? CAP. III. dic quæso vir optime. id enim auemus discere. Num incarnatum esse concedemus ipsum de Deo Deum Verbum, & humanatum asseremus tamquam nostri similem factum, & carne natum? an id nullo modo concedemus, sed hominem existimabimus ad hoc venisse cum Deo coniunctum, vt ipse asseris? Sed nisi fallor, dices, melius & sapientius esse, ipsum ex Deo Verbum putare hominem factum & incarnatum, vt Scripturæ tradunt. Neque enim id in quo est, assumere, quisquam cernitur: sed si ea sumat, in quibus antea non erat, aliquid circa ipsum esse innouatum statim verbis exponi poterit. Igitur stultum sit hominem factum dicere aut incarnatum aliquem ex nostro numero, & fines humanitatis excessisse: sed fieri hominem, vel incarnari, conuenientissime in naturam cadit, quæ vltra fines humanitatis consistit. Quòd si vere homo factus est & caro, proculdubio hominem esse intelligendum fide receptum est, non homini cuidam coniunctum per solam inhabitationem, vel per aliquam externam habitudinem, seu, vt tu dicis, coniunctionem. Verumtamen etiamsi factus est homo, non definit esse Deus. Neque vero carnem in Dei naturam esse mutatam dicimus, neque econtrario sic se habere censemus. Manet enim Verbi natura idipsum quod est, etiam vnita carni. Igitur quæ nemo ne leui quidem cogitatione sentienda conset, ea qua de causa tamquã revera dicta cum in tuis sermonibus posueris, pro pietatis dogmatis te decertare simulas? labas, & omnium opificem? An quia fortasse putas, Dei Verbum in carnis naturâ esse mutatum? sed & ita te ipsum potius accusabis, quàm alios quasi id affirmare ausos. An vero quia is infans ille est latens filius & vniuersorũ opifex, & idem natus ex sancta Virgine, ita inuitus ex inopinato illam esse Dei genitricẽ nobiscum confessus eris? Quomodo enim infans Deus sit suæ potestatis? Nam si ita dicis illum suæ potestatis vt esse vnusquisque nostri similis intelligitur, tamquam cui suæ voluntatis à Deo permissæ sint habenæ; quid erit in eo præter ceteros eximium? aut quam ob causãm libertatẽ arbitrij ac potestatis tamquam Deo dignum & præcipuum revera titulum illi tribuis? quamuis omnibus qui degunt in terris & habere illam liceat, & iam habeant. Sin libertas potestatis illud in hac parte significat, alterius legibus non esse subiectum, vt etiam ipsa nimirum Dei natura intelligitur, quo nam igitur modo his condicionibus adeo augustis, & solam supremam illam naturam & gloriam decentibus, nuper editum illum infantem esse dicis, quamuis quidquid ad hoc vt sit vocatum est, Deo sit subiectum, & seruitutis iugo subditum? Sed fortasse putabis ad hæc omnia tibi satis illam stultam rationem fore, quòd scilicet inter se naturæ mutuo copulentur non secundum hypostasim, sed eodem potius honore & æqualitate dignitatis. nam ista sæpe nobis imprudenter inculcas. Sed te hæc dicentem in imbecillis & fragilibus commentis insistere, manifeste ostendetur haud cum de hoc tractandi occasio se offeret. His alia quædam adfuit, per quæ se putat generationis modum nostræ similem, veluti indecentem & impossibilem, admodum acute demonstrare; ac sibi rationes nostras obijcit, ratus quamuis veritatem colamus, facile sua mole nos obruturum, & nullius pretij esse homines ostensurum. Sic ergo dixit:

Si Deus est Christus, inquit, & Christus ex beata Maria est ortus, cur virgo non sit Dei genitrix? Nihil occulto quod ab illis obijcitur. nam veritatis amator omnia quæ à falsitate dici possunt, accepta sibi obijcit: inde solutionem afferre conatur talibus sententijs vsus. Formatur enim, inquit, in vtero infans, sed quoad figuram acceperit; nondum habet animam: at vbi figuratus fuerit, iam anima ornatur à Deo. Vt igitur mulier corpus parit, sed Deus animam tribuit, neque ideo dicetur anima genitrix quia peperit animatum, sed potius hominis genitrix; sic quoque beata Virgo, inquit, etsi peperit hominem simul cum illo pertranseunte Dei Verbo (nam hac est voce vsus) *non ideo est Dei genitrix.* NESTORIVS.

Num igitur, quæso, accusandum putas quod dicitur à nobis? num tibi, quæ tam recta sunt ac proba, stulte reprehendenda videntur? ac non potius mentem tuam accusabis quòd recte sentire non valeat? Nam quibus displicet veritas, ijs vsu venit, & quidem facillime, vt id quod secus habet amplectantur: & recte loquentes re- CYRILL. IMP. pre-

prehendere haud damno vacat, immo vero argumentum eſt euidens animi ad falſitatem propenſi, & ea amplectentis quæ execrari præſtat vt à recta ratione diſſidentia. Sed quàm ſint hæc turpia nihil cogitans, ſe eſſe dixit veritatis amatorem, nos contra ſtruere mendacium: cum id econtrario & rationabilius eſſe & verius perſpicuum ſit. nam falſitatis errorisq. patronus, veritatis propugnatores falſitatis macula conatur adſpergere, oblitus fortaſſe Prophetæ dicentis: Væ qui dicunt bonum malum, & malum bonum, qui ponunt tenebras lucem, & lucem tenebras. Eſai. 5. v. 20.

Gignitur enim à carne caro proculdubio, & ille rerum omnium opifex modo & ratione quâ ipſe nouit, vt animata ſit efficit: ſed tamen mulier quæ peperit, etſi carnis tantummodo ſit origo, totum hominem tamen enixa creditur; ex anima inquam & corpore, quamuis ad exiſtentiam animæ nihil à ſeipſa contulerit: ſed tamen qui hominem dixit, animam quoque corpori vnitam ſimul ſignificauit. Vt ergo mulier quamuis ſolum corpus enixa, ex corpore & anima conſtantem peperiſſe dicitur, neque tamen id animæ rationibus quidquâ officit, quaſi carnem ſuæ exiſtentiæ habuerit initium, ita etiam ſe res habet in beata Virgine. nam etiam ſi ſanctæ illius carnis eſt mater, attamen vnitum ſibi verа illud ex Deo Deum Verbum peperit: neque ſi quis illam Dei genitricem dixerit, continuo prorſus Dei Verbo nouitatem impinget, aut ſuæ exiſtentiæ initium à carne duxiſſe definiet, ſed potius diſpenſationis modum intelliget, atque etiam rei tantæ admiratione defixus dicet: Domine audiui auditum tuum & timui, Domine conſideraui opera tua & expaui. Sed iſte ſapiens in primis & acutus expoſitor, qui vim exempli percepiſſet, *Sic*, inquit, *etiam beata Virgo, etſi peperit hominem ſimul pertranſeunte cum illo Dei Verbo, non ideo eſt Dei genitrix. non enim Verbi dignitas à beata Virgine cæpit, ſed erat natura Deus.* Quid autem ſit Verbum ſimul cum carne pertranſire, ipſe fortaſſe norit, ac ſolus. Sed ſatis mirari nequeo tam ſubtilem illius diligentiam. Nam Verbum ipſum Dei vnitum eſſe carni ſecundum hypoſtaſim, ſermo veritatis prædicat: hic vero ſimul pertranſiſſe (quidnam eo verbo velit neſcio) ſæpe inculcans affirmat. Deinde cum de natura nobis & vnitate ſecundum hypoſtaſim omnis ſit ratio propoſita, & perueſtigare ſtudeat non quid nam ſit ſecundum dignitatem illud ex Deo Verbum, ſed vtrum ex diſpenſatione factum ſit homo, & carnem ex muliere propriam fecerit, quæſtionem in alia abſurde transfert, aitq. non ex beata Virgine dignitatem eſſe Verbo partam, ſed fuiſſe natura Deum. at quomodo non perſpicuum ſit diuerſa prorſus eſſe dignitatem & naturam? Sed in his rebus ſubtilitatem

Καὶ τίς τῶν τοιούτων ἐπακούσας λόγων, οὐκ ἂν δύοιτο ἐρεῖ τὸ Δέλτα τῆς ἁγίας προφήτου φωνῆς· ὁ γὰρ μωρὸς μωρὰ λαλήσει, καὶ ἡ καρδία αὐτοῦ μάταια νοήσει, τοῦ ἀνομῆσαι ἄνομα, καὶ λαλῆσαι πρὸς κύριον πλάνησιν; πλάνησις γὰρ ὁμολογουμένως, καὶ ἕτερον ἂν εἴη, τὸ ψυχρᾶς οὕτω, καὶ μετρίως ἔχειν διανοίας, ὡς ἀληθῶς, ἀπιστεῖν. τῆς μὲν οὖν ἠμερότητος καταπτήσει τις αὐ αὐτόν· καὶ συγγνώμης γὰρ, καὶ φιλανθρωπίας ἀξιοῦσθαι δεῖν ἔφη τοὺς τῶν παρ' αὐτοῦ λόγων τὴν ἐμπειρίαν οὐκ ἔχοντας. ἀλλ' ἐγὼ τοῦτο καὶ ἡμῖν αὐτοῖς τρισπόητον, εἰ συμβῇ, μᾶλλον δὲ, καὶ ἅπασι τοῖς πιστοῖς ἐν Χριστιανοῖς· μοχθηρῶν γὰρ οὕτω, καὶ διεστραμμένων ἀπαλλάττεσθαι λόγων, πῶς οὐχ ἅπασι δίδυκτος; πάλιν σκεπτέον φαμέν· πῶς μὲν γὰρ ὁμολογουμένως ἡ Ἐλισάβετ τῷ ἁγίῳ πνεύματι κεχρισμένον ἐν μήτρᾳ τὸν μακάριον Βαπτιστὴν· ἀλλ' εἰ μὲν ἄρρητά που τοῦ θεσπεσίου χαρᾶς, ὅτι καὶ τὸ πνεῦμα γέγονε σαρξ, ὀρθῶς ἂν ἔφης ὀνομάζεσθαι δεῖν πρὸς ἡμῶν πνευματοφόρον αὐτήν· εἰ δὲ ψιλῇ, καὶ μόνῃ λέγεται τὸ κεχρῖσθαι πεπιῆσθαι χρίσει, τί τὸ τῆς σαρκώσεως ξένημα παρεπαινῶ ἀξιοῖς τῇ κατὰ μέθεξιν χάριτι; ὃ γὰρ ἐστι πατὴρ, ἄρρητα πως εἰπεῖν γεγέσθαι τὸν λόγον, καὶ ὅτι κέκρικεν ἡ ἁγία τοῦ πνεύματος πνεύματι προφητικῷ. ὡσὶ μὲν γὰρ τῆς ἁγίας παρθένου γέγραπται· ἰδοὺ ἡ παρθένος ἐν γαστρὶ ἕξει, καὶ τέξεται υἱόν· καὶ τέκνος ὀνόματαν, καὶ μέλλει καὶ Ἐμμανουὴλ ὁ κεκλῆσθαι, ὅ ἐστι μεθερμηνευόμενον μεθ' ἡμῶν ὁ θεός· ὡσὶ δέ γε τῆς Ἐλισάβετ, ὅτι γεννήσει υἱόν, ὃς προελεύσεται μὲν ἐν πνεύματι, καὶ δυνάμει Ἠλιοῦ· προπορεύσεται δὲ τοῦ προσώπου κυρίου, ἑτοιμάσαι ὁδὸς αὐτοῦ. οὐκοῦν ἤκουσε μὲν ἂν πνευματοφόρος ἡ Ἐλισάβετ, ἐκτέτακε γὰρ προφήτου υἱέος· θεσπέσιος γέμιλλ ἀληθῶς ἡ ἁγία παρθένος, ὅτι θεὸν ἐνωθέντα σαρκὶ τέτοκε σαρκικῶς, τουτέστι κατὰ σάρκα. ἐπειδὴ γὰρ ἄνθρωπος ἡ τεκοῦσά ἐστι, τούτῳ τοι, καὶ μάλα ἐμφρόνως, τὸν τῆς γεννήσεως τρόπον ἀνθρωπίνως πεπρᾶχθαι φαμέν· ἰδοὺ γὰρ οὕτω, καὶ οὐχ ἑτέρως, δυνάσθαι καθ' ἡμᾶς γεννᾶσθαι τὸν ὑπὲρ πᾶσαν φύσιν, οὐ τοῦ εἶναι τοῦθ', ὅπερ ἐστὶν, ὀλιγωρήσαντα· πόθεν; μεμνήσθαι δὲ μᾶλλον ὅπερ ἰδού τι, καὶ ἔστι, καὶ ἔσται· τροπῆς γὰρ ἀμείνων ἡ θεία τί ἐστι, καὶ

A dicendi non magni pendimus. Quod autem sequitur, perspicere necessarium esse censeo. nam ijs quæ à nobis dicuntur, aliud quoddam obijcit argumentum, vt ipse certe putat, ineuitabile sane & satis validum, vt possit & quidem audacter ipsam Emmanuelis ex muliere generationem ludum nobis & inanem fabulam reddere. Itaque sic rursus ait:

De beato Ioanne Baptista prædicatur à sanctis Angelis, implendum esse infantem Spiritu sancto adhuc ex vtero matris suæ; & ‖ hic beatus Ioannes Baptista Spiritum sanctum habens editus est. Quid igitur, appellabis ne ipsam Elisabet Spiritus genitricem? Huc animum refer. ac si qui in vobis fuerint qui ad ea quæ dicuntur, tamquam ad inaudita & insolita moueantur, veniam date illorum imperitiæ. NESTORIVS. Luc. 1. b. ‖ Sic

B Quis nam his verbis auditis non continuo in illam Prophetæ vocem erumpat: Stultus enim stulta loquetur, & cor eius vana cogitabit, vt perficiat iniqua, & loquatur aduersus Dominum seductionē? Seductio enim perspicue est & aliud nihil, sentētijs adeo frigidis puerilibusq. tamquā veris, confidere. Ac benignitatem ipsius admiretur fortasse non nemo, quòd veniam ac beneuolentiam illis tribuendam censuit, qui à se dictorum peritiam non haberent. Verum id nobis quoque optabile in primis erat si contigisset, immo vero omnibus qui inter Christianos censentur. nam à tam improbis peruersisq. dictis abscedere quomodo non sit omnibus optandum? Sed tamen illud dicimus: Peperit sine dubio Elisabet beatum Ioannem Baptistam sancto Spiritu in vtero perunctum: verum sicubi in sacris litteris perscriptum fuisset, etiam Spiritum factum esse carnem, recte dixisses ipsam à nobis appellandam esse Spiritus genitricem. Sin autem sola ac simplici vnctione honoratus est natus puer, cur incarnationis soliditatem gratiæ secūdum participationem acquisitæ æquandam censes? Neque enim est idem, dicere Verbum carnem factum esse, & spiritu prophetico vnctum esse aliquem per Spiritum. Est enim de sancta Virgine scriptum: Ecce virgo in vtero habebit, & pariet filium. & partus est appellatus, & insuper Emmanuel, ille puer editus, quod est interpretatum, Nobiscum Deus: sed de Elisabet, fore vt pariat filium, qui antegrediatur in spiritu & virtute Eliæ, & præeat ante faciem Domini parare vias eius. Ergo nullo modo est Spiritus genitrix ipsa Elisabet, quia peperit Prophetam Altissimi: sed vere Dei genitrix est sancta Virgo, quia Deum vnitum carni peperit carnaliter, hoc est secundum carnem. Nam quia homo est ipsa quæ peperit, ea de causa rectissime asserimus modum generationis ex humano more seruatum. Neque enim aliter potuit nasci secundum nos ille qui supra omnem naturam excellit, non ita vt quod erat paruipenderet; nullo modo; sed vt maneret potius quod erat, & est, & erit. mutatione namque potior est diuina illa supre-

A est, is vtique dicetur & quidē solus Filius, atque etiam solam hanc ex muliere generationem admittemus: ergo necessario perdidit illud ex Deo Patre Verbum ne sit secundum naturam Filius. Sed videt prorsus vir Dei amator quàm sint hæ sententiæ absurdæ, & quantopere ad impietatem vergant. Vt ergo via regia gradiamur, duas dicimus fuisse natiuitates, sed vnum in vtraque Filium, cum in carne nondum esset, Verbum ex Deo, eumdem vero postea etiam incarnatum, & qui propter nos generationem secundum carnē ex muliere subiecit. Nam si dixisset in hominibus oportere prorsus, si duas generationes dicamus, duos esse filios, recte ac vere dixisset: sed quia Christi mysterium & incarnationis ratio aliam viam tenet, & in rebus nostris non eodem modo conspicitur, cur consuetudine quæ apud nos viget, inspecta, deinde animum ad res admirabiles, & quæ rationem superant adijciens, ad imbecillam & stultam infidelitatem manifestè labitur? Quod autem mihi in mentem venit admirari, illud est. Cum enim in his verbis confessus esset, Ecclesiam vnum Filium agnoscere, ac subiunxisset, nimirum ipsum illum Dominum Christum, nusquam postea retinuit vnum, sed ipsas res vnitas distinguit inter se, ac seorsim vtramque ponit; non quid Verbum sit secundum naturam, quid item caro disquirens, sed hominem & Deum tamquam sola, vt ipse putat, æqualitate gloriæ in vnum colligens: quod neque credibile est cuiquam, neque fieri potest: tantiq. mysterij rationem ad absurditatem deturbat. Sic namque dixit:

Nos autem oportet, quod nunc mihi venit in mentem, aduertere etiam Nicenam Synodum nusquam dicere ausam, Deum ex Maria genitum. ait enim: Credimus in vnum Deum Patrem omnipotentem, & in vnum Dominum IESVM *Christum. Attendite, cum prius posuissent hoc nomen, Christus, quod duas naturas indicat, non dixisse, In vnum Deum Verbum, sed accepisse nomen quod vtrumque significaret: vt cum inferius audires mortem, nihil moueare, ne illa verba, Crucifixum & sepultum, aures offendant, tamquam hæc sit passa diuinitas. Deinde ad hæc illa subiungit: Credimus in vnum Dominum* IESVM *Christum filium vnigenitum, ex Patre natum, consubstantialem Patri: qui descendit de cælis propter nos, & incarnatus est de Spiritu sancto. Non dixerunt etiam, Natum de Spiritu sancto. Porro sanctos illos Patres*, inquit, *vt interpretarentur quid nam illud sit, Incarnatus, dixisse illud, Homo factus est.* Quid vero sit, Homo factus, rursus ipse declarãs ait: *Sua ipsius natura non in carnem demutata, sed inhabitationem hominis subeunte.*

An vero quisquam qui inter Christianos censetur, æquo animo ferat vel ineptiam verborum, vel sententiarum impietatem? non hæc verba apud cordatos sane homines tamquam scurrilitas habeantur, ac maledicentiæ in Christum genus haud infimum? Calumniatur enim veritatem, non esse ipsum inquit vere Filium, cum hoc

nomen alteri tribuat. *Attendite*, inquit: *cum prius posuissent hoc nomen, Christus, quod duas naturas indicat, non dixisse, Credimus in vnum Deum Verbum.* Ac de nomine hoc, nempe Christus, paulo post disseram, vtrum tandem duas naturas significet, an secus: quod iam est præ manibus, vt licuerit discutiamus. Igitur nullo modo quidem ferendæ sunt nugæ, quas iste adeo absurde & imperite effudit. sed dicet aliquis tamen, vt sanctos Patres defendat: Quid agis, ò bone vir, cum aduersus sanctos viros efferatam linguam emittis, quibus iuste ab ipso omnium
Matth.10 c.20. nostrum Saluatore Christo dici potest: Non estis vos qui loquimini, sed spiritus Patris vestri qui loquitur in vobis? Quid enim nó est ab illis perceptum, quod vel maxime admirabili subtilitate esset expolitum? quod nam dogma necessarium prætermissum? quive cautionis modus neglectus? *Non ausi sunt*, inquit, *inter fidei sententias ponere, Deum Verbum esse ex Maria genitum.* Igitur si hac de causa máiores nostros accusas, & te ægreferre dicis quòd non ijsdem prorsus, quibus tu, vocibus vsi sunt, restat, vt simul ipsos quoque sanctos Apostolos & Euangelistas crimineris: qui cum de Christi mysterio libros conscripserint, eos tuis vocibus ad verbum vsos vtique nemo possit ostendere. Igitur si placet, mitte hæc, vt . . . . . & considera potius ipsius rei rationem ab illis explicatam. Exigitur enim à nobis fides in sanctam & consubstantialem Trinitatem. Ergo cum fateantur credere se in vnum Deum Patrem omnipotentem, omnium visibilium & inuisibilium factorem, & in vnum Dominum IESVM Christum filium eius; neque alter sit, vt nos sentimus, IESVS Christus Dominus præter illum vnum & secundum naturam ac vere Filium ex Deo genitum, cumq. illud quod erat Deus Verbum, sit homo factum per illam proculdubio ex muliere generationem, quì fieri potest, vt qui dispensationem prædicant, ipsius etiam ex muliere natiuitatem secundum carnem eloqui non manifeste cõuincantur? Tunc enim illud Verbum quod Deus erat, & ille Filius qui erat sapientia, & vita, & lux, appellatus est IESVS Christus. Perspicuum est igitur, illam ex sancta Virgine natiuitatẽ eodem tempore cum eiusmodi appellatione concurrisse. Credendo autem in Christum IESVM, in illum vnum & natura & vere Filium nos credere, dum hæc fides per ipsum recurrit in Patrem, clarum fit ex eo quòd ipse vniuerso terrarum or-

Ioan.14.c me, sed in eum qui misit me: & qui videt me, videt eum qui misit me. & rursus: Creditis in Deum, & in me credite. Neque enim vtique asserimus, duplicem illum à nobis fidem exigere; sed magis docere, quisquis fidem in eum susceperit, illum in ipsum Patrem credere. Sed quia, vt illum facere par erat, nominũ æquiuocatione paulopost vtetur, communia esse dicens & Christi nomen, & Domini, atque etiam Filij, eaq. conuenire confirmabit Verbo illi ex Patre genito,

A ἑτέρῳ γάρ τινι πεποιήμεθα· πρόσεχε γὰρ, φησὶν, ὅτι πρότερον τεθήκοτες τὸ Χριστὸς, ὅ ἐστι μήνυμα τῶν δύο φύσεων, οὐκ ἂν εἴπειν πιστεύομεν εἰς ἕνα θεὸν λόγον. Ἐ τοίνυν μὲν περὶ τοῦ ὀνόματος, φημὶ δὴ τοῦ Χριστὸς, μικρὸν ὕστερον διερευνήσομαι, πότερόν ποτε τῶν δύο φύσεων σημαντικόν ἐστιν, ἢ μή· τὸ δὲ ἐν χερσὶν, ὡς ἔνι, διαγυμνάζομεν. οἷός μὲν οὖν ἦν ἂν κατ' ἀλήθειαν τρόπον, τὸ οὕτως ἐκτρόπως, καὶ ἀτημελῶς αὐτῷ πεφλυαρημένα· φαίη δ' ἄν, οἶμαί, τις, τοὺς ὑπερφυᾶ τῶν ἀλόγων πειρῶν πιούμενος λόγους· τί δρᾷς οὕτω, ὦ γύναι, γλῶσσαν τὴν ἄγροικον ἐοικὸς ἀνδράσιν ἁγίοις, οἷς οὐ πρέπει τὸ λέγεσθαι παρ' αὐτοῦ τοῦ πάντων ἡμῶν σωτῆρος Χριστοῦ· οὐχ ὑμεῖς ἐστε οἱ λαλοῦντες, ἀλλὰ τὸ πνεῦμα τοῦ πατρὸς ὑμῶν τὸ λαλοῦν ἐν ὑμῖν; τί γὰρ ἂν νενόηται τῶν λίαν ἐπῳδησμένων εἰς ἰσχνότητα τὴν θεωμασμένην; τί τῶν ἀναγκαίων παρῳκῆσθαι δογμάτων, ἢ πῶς αὐτοῖς ἀσφαλείας ἠμέληται τρόπος, ἀπολιμπάνει, φησὶ, τῆς περὶ τῆς πίστεως ἐρεύνης λόγοις, ὅτι θεὸς λόγος ἐκ Μαρίας ἐγεννήθη. Σκοπῶ δὲ τούτου ἕνεκα τῆς αἰτίας τοὺς πρὸ ἡμῶν γεγονότας αἰτιᾶσθαι, καὶ λελυπῆσθαι φῂς, ὅτι μὴ ἀσφαλείας τῆς σῆς εὑρεῖν ἐν κεχρημένους φωναῖς, ὥστε πάντα τὰ συναπτᾶσθαι καὶ αὐτοὺς τοὺς ἁγίους ἀποστόλους, καὶ εὐαγγελιστάς· συγγεγράφασι μὲν γὰρ τῆς θείας σοφῷ μυστηγωγίας τὰς βίβλους· αὐτολιξεῖ δ' ἂν τῆς σῆς ἴσως ἂν ἀποδείξεις τις χρησαμένους φωναῖς. ἀλλ', εἰ σοὶ δοκεῖ, τοῦτο μὲν πάρες, ὡς * ἄθρει δ' μᾶλλον τὸν τοῦ πράγματος δήλωσιν μάλα πεποιημένους. πρόσθεσις μὲν γὰρ τοῦ ἡμῶν ἡ πίστις εἰς τὸν ἅγιον, ἐ ἐμοὶ σὸν τρισάθλιε. ἐπειδὴ δὲ φασι πιστεύειν εἰς ἕνα θεὸν, πατέρα παντοκράτορα, πάντων ὁρατῶν τε, ἐ ἀοράτων ποιητὴν· καὶ εἰς ἕνα κύριον Ἰησοῦν Χριστὸν τὸν υἱὸν αὐτοῦ· οὐχ ἕτερος δ καθ' ἡμᾶς Ἰησοῦς Χριστὸς κύριος παρὰ τὸν ἕνα καὶ φύσει, καὶ ἀληθῶς υἱόν· ὃς ἐκ θεοῦ πεφυκὼς, ᾗ θεὸς ὢν ὁ λόγος, γέγονεν ἄνθρωπος, ἐκ γυναικὸς δ' ἡλονότι τῆς ἐκ γυναικὸς, ἵνα τέλειον οἱ τὸν τῆς οἰκονομίας κηρύττοντες λόγον, σὺν αὐτῷ ἀλοῦσιν αὐτοῦ τοῦ ἐκ γυναικὸς κατ' ἀρχὰς λαλοῦντος γέννησιν; τότε γὰρ δὴ Χριστὸς Ἰησοῦς ὠνόμασται, θεὸς ὢν ὁ λόγος, καὶ σοφία, ἐ ζωὴ, καὶ φῶς, ὁ υἱός. πεδήλωται δ' ὅτι τῆς τοιᾶσδε κλήσεως ὁ καιρὸς συνεισέρχεται ἔχει τοῦ γέννησιν, τοῦ ἐκ γυναικὸς φημὶ τῆς ἁγίας παρθένου. Φησὶ γὰρ, ὅτι γεγράφασιν οἱ πατέρες· πιστεύομεν εἰς ἕνα κύριον Ἰησοῦν Χριστὸν, τὸν υἱὸν τὸν μονογενῆ, τὸν ἐκ τοῦ πατρὸς γεννηθέντα, τὸν ὁμοούσιον τῷ πατρὶ, τὸν καταβάντα δι' ἡμᾶς, καὶ σαρκωθέντα ἐκ πνεύματος ἁγίου. A nito, etiam si solus consideretur nondum assumpta carne, necnon etiam illi templo ex Virgine nato: & quia, vt puto, his de rebus disputatio inquisitione magna indiget, ea ad præsens opportune in tempus commodius reiecta, ad alteram sanctæ illius Synodi vocem transeamus: quam iste vt ad suam sententiam peruertat, ipsi potentissimæ veritati vim affert. Ait enim scripsisse Patres: *Credimus in vnum Dominum* IESVM *Christum, Filium vnigenitum, ex Patre natum, consubstantialem Patri: qui descendit propter nos, & incarnatus est de Spiritu sancto.* Ad hæc infert ac dicit de sanctis illis Patribus: *Inferius verò hunc ipsum qui dicitur incarnatus, interpretantur esse hominem factum. non quòd natura diuina in carnem sit mutata, sed quòd in homine habitarit.* In expositione rursus eidem inhærèt sententiæ, ac ita dicit:

Secuti sunt Euangelistam. nam Euangelista vbi ad narrandam humanationem peruenit, dicere generationem in Deo Verbo vitauit, ac posuit incarnationem. Vbi nam? audi: Et Verbum caro factum est. non dixit, Per carnem natus est. nam vbi Apostoli vel Euangelistæ mentionem Filij faciunt, ponunt natum esse ex muliere. attende quaso quod dicitur. vbi commemorant nomen Filij, & editum esse ex muliere, ponunt verbum, Natus est. at vbi Verbi diuini mentionem faciunt, nemo illorum ausus est dicere, genitum esse per humanitatem. Nam beatus Ioannes Euangelista vbi peruenit ad Verbum, & eius humanationem, audi quid dicat: Verbum caro factum est. NESTORIVS Ioan. 1.

Age iam, cum his quæ dixit componendo nostri Symboli editionem, inspiciamus, an etiam in ea quidpiã ab hoc homine audacter sit innouatum. Credimus in vnum Deum Patrem omnipotentem, omnium visibilium & inuisibilium factorem: & in vnum Dominum IESVM Christum Filium Dei ex Patre vnigenitum, hoc est, ex eius substantia; Deum de Deo, lumen de lumine, Deum verum de Deo vero; genitum, non factum, consubstantialem Patri, per quem omnia facta sunt, quæ in cælo & quæ in terra. qui propter nos homines & propter nostram salutem descendit, & incarnatus est, & homo factus est; passus est, & resurrexit tertia die, ascendit in cælos, venturus est iudicare viuos & mortuos: & in Spiritum sanctum. Age igitur vir egregie, dic vbi nam posuerint de Filio, incarnatum esse de Spiritu sancto & Maria virgine? Atqui id offendere minime poterit. sed tamen illud considera. Fatentur enim ipsum Dei Verbum, illum vnigenitum, illum ex substantia Patris, illum per quem omnia, illud lumen verum, incarnatum esse, & factum hominem, & passum, & resurrexisse, quin etiam suo tempore rediturum iudicem. Iam vero vt eius verbis certissimam normam apponendo videamus quanta sit in illis imperitia, asserit aperte, ipsum Dei Verbum incarnatum esse & hominem factum illos dicere, & eorum veritati suffragium ferens, tamquam conuenientia dicentes

CYRILLI CAP. VIII.

centes ornat. Num igitur, dic quæso, cum incarnatum & hominem factum aiunt, aliud quidpiam significant, quàm esse secundum carnem natum? Incarnationis enim hic modus, & quidem solus ei contingere potest, qui & extra carnem & secundum suam naturam subsistit. Neque enim carnem quispiam dixerit incarnatam, nec quisquam id fieri potest quod erat: sed si qua circa ipsum intelligatur facta dispensatoria mutatio in aliud quidpiam præter id quod erat, tum demũ ita dici conuenientissime posset. Si igitur Vnigenitum esse incarnatum dicunt (hoc autem per carnalem generationem, nisi fallor, nec alio modo potest fieri) quomodo quisquam inficiari potest, illos aperte confessos esse, Deum illud Verbum secundum carnem esse natum? At enim non aperte generatio est nuncupata: sed tamen ipsius rei natura non aliam, vt modo dixi, viam incarnationis agnoscit. quamobrem etiam si quid minus aperte dicatur in his certe rebus, non propterea illa via relicta quæ sola naturæ cognita est, ad aliam, est nobis transcundum.

Gen. 4. d. 26. Scriptum est enim in libro Geneseos: Et Seth factus est filius, & appellauit nomen eius Enos. Num igitur quia Scriptura posuit hoc verbum, Factus est, ideo generationis modũ non admittemus? at quì fieri potest vt id non sit stultissimum? Ipsa namque rei natura propemodum etiam inuitos cogit vt illum partu editum intelligere fateamur. Cur igitur incarnationem audiens, non statim intellectum generationis admittit? Omnino autem humanationis nomine commemorato, cur non ilico intellexit rem ipsam humanationis non homini plane conuenire, ne id ipsum quod erat fieri ac nasci videatur, sed Verbo ex Deo genito? Vbi autem humanatio vere fuisse creditur, ibi prorsus est generatio, per quam homo factus intelligatur. Sed non isto modo tibi videtur intelligendum, cum ipsum Dei Verbum incarnatum esse & hominem factum dicitur. nam contra dixisti, vt cum omnium hominum intelligentia pugnare nitereris, humanationem non hoc significare, quòd diuina natura in carnem sit mutata, sed quòd inhabitarit in homine. Ac quod ait diuinæ naturæ in carnem demutationem & impossibilem esse, & nullo modo illi conuenire, id rectissime dictum fatemur. Laudandus est enim à nobis quòd in hac parte recte loqui voluerit. Fateor enim manere illam inconcussam, neque vllo modo in aliud quidpiam demutari diuersum ab eo quod esse creditur. Sed eius verba longe ab eo quod deceat, & ab ipsa veritate aberrasse, in eo quod humanationem idem esse atque in homine inhabitationem affirmat, conabor ostendere. Nam si in vno & solo Emmanuele id verum esse asserit, eius rei causam doceat; neque enim illam intelligere queo. alioqui certe hunc definitorem ac legumlatorem eorum quæ temere dicere libuerit, nemo ferat. Sed non ad vnum definitionis huius vis pertingit, neque vlla erit inuidia etiam si omnibus insit. ergo non semel, sed sæpius Deum factum homi-

A hominem inueniemus: neque solum illud ex Deo Patre Verbum, sed adijciam ego certe etiam ipsum Patrem, ac præterea Spiritum sanctum. Dixit enim per quemdam è sanctis Prophetis, de hominibus per fidem iustificatis: Inhabitabo in ipsis, & inambulabo, & ero ipsorum Deus, & ipsi erunt mihi populus. Dixit etiam ipse Christus: Et si quis me audierit, veniemus ego & Pater meus, & mansionem apud eum faciemus, & in ipso diuersabimur. Scripsit etiam beatus Paulus: Et Moyses quidem fidelis in tota domo eius vt famulus, in testimonium eorum quæ dicenda erant: Christus vero vt filius super domum eius, cuius domus sumus nos. Quin etiam de sancto Spiritu: Nescitis quia templum Dei estis, & Spiritus Dei habitat in vobis? Ergo si idipsum quod inhabitare in aliquibus ille omniũ Dominus dicitur, hoc illa est humanatio vel incarnatio, dici liceat etiã in vnoquoque diuinæ naturæ participe, atque etiã inhabitantem in se illum habente, & hominem factum esse, & insuper incarnatum. Quod si factum est, & si vt verum admittitur, iam illud ex Deo Verbum sæpe carnem factum dici nihil prohibet. inhabitat autem etiam adhuc in multis eum colentibus. At enim, inquit, scriptum est de Deo Verbo: Habitauit in nobis. Dixit etiam beatus Paulus de omnium Saluatore Christo: In eo habitauit omnis plenitudo diuinitatis corporaliter. Fateor illum habitasse in nobis (sic namque scriptum est) necnon in illo inhabitasse, tibi dicenti non repugnabo: sed velim potius has Theologorum voces examinare. Nam beatus Euangelista cum prius dixisset, Verbum caro factum est; subiunxit opportune, Et habitauit in nobis; vt per vtrumque integram Christi mysterij cognitionem nobis traderet. Nam vnitum esse carni secundum hypostasim illud ex Deo Patre Verbum indicauit aperte cum dixit, ipsum esse carnem factum. iam vero carnem factum non in carnis transisse naturam, neque mutationem in id quod non erat subijsse, sed cum eo quod secundum nos factum est mansisse quod erat, id rursus perspicuum facit, illa verba, Habitauit in nobis, prioribus illis adijciens. Habitasse autem dicit beatus Paulus in Christo omnem plenitudinem diuinitatis corporaliter, ne quispiam simplicem vel habitudinariam habitationem suspicetur, sed veram, vt modo dixi, & secundum hypostasim. Neque enim vir ille spiritu Dei plenus ignorabat incorporeum esse Dei Verbum & impalpabile. Verum quia necesse erat vt mysterij explicatio nulla ratione manca videretur, sed adeo accurate ac distincte ad rectam regulam veritatemq. traderetur, vt omne miraculum superaret, vim infert consequentiæ rerum, & prope dixerim, quod incorpoream illam summamq. naturam decet, contemnit. adiecit enim verbum, Corporaliter, cum aliter dicere non haberet, quàm nostra intelligentia & lingua consequi posset. Ne igitur cum iste simplicem nobis inhabitationem commemorat, putes aliquid eum dice-

dicere quod non admodum ſit damnandum. Nam vt euertat, vt ipſe putat, idq. nimium audaćter, generationem Filij ſecundum carnem, ratiocinationem componit anilem ac ſtultam, & nullum ex veritate fulcrum habentem. Rurſum namque ſic ſcribit, cum aduerſus Arianos diſputationem inſtituiſſet:

HISTORIVS. *Tamen diuinitate certe quæ maior eſt, ipſum Dei Verbum recentius eſſe nugantur. at vero hi beata Maria ipſum poſteriorem efficiunt, & matrem temporalem ipſi Deitati opifici temporum præponunt: immo vero ipſam Chriſti parentem ne eſſe quidem Chriſti matrem ſinunt. nam ſi non hominis natura, ſed Deus Verbum fuit, vt illi dicunt, quem illa peperit, pariens editi partus nullo modo mater eſt. qui enim ſit mater illius, qui ab eius natura ſit extraneus? Quòd ſi mater apud eos appellatur, humanitas eſt partu edita, non diuinitas. nam cuique matri proprium eſt conſubſtantiale parere. Aut igitur non erit mater quæ conſubſtantialem ſibi minime peperit: aut ſi mater ab ipſis vocatur, ſibi in ſubſtantia ſimilem gennit.*

CYRILLI CAP. IX. Perquàm abditum ſane ſententiarum pondus, ac vehemens & ineuitabilis hominis qui nobis iſta conſcripſit, ſyllogiſmorum vis cernitur. Vnde nam quęſo eiuſmodi fabellas collectas habens in medium prodis? aut quis nam prorſus in eam ſententiarum ſtultitiam eſt lapſus, vt putet ac dicat Vnigeniti Deitatem non ex Patre ante ſæcula ſubſiſtentiam habere, ſed vt eſſe inciperet, à carne & ſanguine initium accepiſſe? Quis adeo ſtupidus eſt & imperitus, & ſacrarum litterarum plane rudis? Quis non meminit Eſaiæ de ipſo clamantis: Generationem eius quis enarrabit? Ioannis etiam aperte ſcribentis: In principio erat Verbum, & Verbum erat apud Deum, & Deus erat Verbum. omnia per ipſum facta ſunt, & ſine ipſo factum eſt nihil? Quòd ſi omnia per ipſum, qui fieri poteſt vt rebus per ipſum factis ſit natu poſterior, qui ante omnia ſæcula & tempora præceſſit? Quid igitur quod ab omnibus reijcitur, tamquam ſit dictum defers? Deſine eos calumniari qui iure tua accuſant, & magnam in illis ſtultitiam irrident. Cum itaque nemo ſit qui dicat, beatam Virginem ex ſua carne diuinitatis naturam peperiſſe, noli fruſtra laborare vt ratiocinationes nobis intexas ex ſumptionibus neque veris, neque apud omnes certis. Quæ vero cauſa te impulit, vt linguam adeo impotentem & effrænatam laxares aduerſus eos qui recta ſapere ſtuduiſſent, & omnibus Dei cultoribus crimen inferres graue, & omnium atrociſſimum? Nam rurſus in Eccleſia dixiſti:

γεγραμμένον; ἀλλ' ἡμεῖς γε, ὦ τᾶν, οἱ θεοτόκον λέγοντες αὐτὴν· τεθεοποιήκαμεν δὲ οὐδένα πώποτε τῶν πλουσίων

A σιν, οἷόν τι λέγει αὐτὸν τῶν ἀσόφρα ἐλαβεβλημένων· αἰσχρόν γὰρ, καθάπερ οἶμαι δεῖν, καὶ μᾶλλον νεανικῶς, τὴν κατὰ σάρκα γένησιν τοῦ υἱοῦ, σωτῆρος λογισμὸν χαίρειν, καὶ ἡλίθιον, καὶ ταπεινὸν ἔχοντα, τὴν ἐξ ἀληθείας. γράφει γὰρ ὁ αὐτὸς πάλιν· πεπίστευται δὲ πρὸς Ἀρειανοὺς ὁ λόγος σαφῶς.

Ομως δὲ καὶ θεότητος μείζονος τὸν θεῖον λόγον λαροῦσι νεώτερον· οὕτοι δὲ αὐτὸν τῆς μακαρίας Μαρίας ἱεραίζοντες δεύτερον· καὶ μητέρα χρονικὴν τῇ δημιουργῷ τῶν χρόνων ἐφιστῶσι θεότητι· μᾶλλον δὲ οὐδὲ μητέρα τοῦ Χριστοῦ τὴν Χριστοτόκον εἶναι· εἰ γὰρ οὐκ ἀνθρώπου φύσις, ἀλλὰ θεὸς ὁ λόγος ἦν, ὥσπερ ἐκεῖνοι φασὶν, ὃ παρ' ἐκείνης, ἢ πεπόνθασι τοῦ πεφύντος ἢ μήτηρ. πῶς γὰρ εἴη τις μήτηρ τοῦ τῆς φύσεως τῆς αὐτῆς ἀλλοτρίᾳ; εἰ δὲ μήτηρ παρ' αὐτῶν ὀνομάζοιτο, ἀνθρωπότης τὸ πεφύν, καὶ θεότης· πᾶσα γὰρ ἴδιον μητρὸς ὁμοούσια τίκτει. ἢ οὐκ ἔσται μήτηρ, ὁμοούσιον ἑαυτῇ μὴ τεκοῦσα· ἢ μήτηρ παρ' αὐτῶν καλυμένη, τὸν ἑαυτῇ κατ' οὐσίαν ἐγέννησεν ὅμοιον.

Ως βαθὺ τὸ χρῆμα τῶν ἐννοιῶν· δεινὴ δ', καὶ δυσδιάφυκτος καὶ τὰ παιάδε συγγραφόντες ἡμῖν ἢ ἐκ τῶν συλλογισμῶν ἀνάγκη φαίνεται. πόθεν ἡμῖν τὰ παιάδε συναγηγερκὼς εἰς μέσον ἔρχῃ μυθάριον; ἢ τίς ὅλως ἀμαθίας εἰς τοῦτο κατώλισθεν ἐννοιῶν, ὡς οἴεσθαί τι, καὶ λέγειν τὴν θεότητα τοῦ μονογενοῦς καὶ συναΐδιον ἔχειν τὴν ὕπαρξιν ἐκ πατρὸς, ἀρχὴν δὲ μᾶλλον τῆς εἰς τὸ εἶναι παρόδου σάρκα τινὰ, καὶ αἷμα λαβεῖν; τίς οὕτως ἐμβρόντητος, καὶ ὀλιγορεμένων ἐπὶ, καὶ τῶν ἱερῶν γραμμάτων αἰσχρῶς παντελῶς; τίς δ' ἀμφιμέμνηται ἀμφιεκραγόντος μὲν Ησαΐου περὶ αὐτοῦ· τὴν γενεὰν αὐτοῦ τίς διηγήσεται; γεγραφότος δὲ καὶ Ιωάννου σαφῶς· ἐν ἀρχῇ ἦν ὁ λόγος, καὶ ὁ λόγος ἦν πρὸς τὸν θεὸν, καὶ θεὸς ἦν ὁ λόγος· πάντα δι' αὐτοῦ ἐγένετο, καὶ χωρὶς αὐτοῦ ἐγένετο οὐδὲ ἕν; εἰ δὲ πάντα δι' αὐτοῦ, πῶς τὸ δι' αὐτοῦ γενόμενον ὑφεστηκέναι ἂν ὁ πρὸ πάντων αἰώνων, καὶ χρόνων; τί γοῦν τὸ πᾶσιν δοκοῦν βλάπτον, ὡς εἰρημένον, ἐκφέρεις; πάντων συνῳδῶν τοὺς τὰ δικαίως ἐπαγομένους, καὶ τῆς ἐν αὐτοῖς ἀμαθίας ἀφαιροῦντας τὸ μέγεθος; ὅπῃ γοῦν οὐδεὶς ὁ λέγων ἐστὶν, ὡς ἐκπέπτωκεν ἡ παρθένος ἐκ τῆς ἰδίας σαρκὸς τὴν τῆς θεότητος φύσιν, μὴ ἀλλοῖόν μοι δοκεῖν, λογισμοὺς ἡμῖν ἀναπλέκων, ἐκ τῶν ἐξ ἀληθῶν, καὶ ἅπασιν ὁμολογουμένων γεγονότας λημμάτων. τί δέ σε τὸ πανταχὸς, ἀκεραῖον, καὶ ἀπύλωτον οὕτω κελεύει τὴν γλῶτταν καὶ τῶν ὀρθὴν φρονεῖν διεστραμμένων, καὶ πάντῃ δ' ἀσεβούντων θεῖον ἔγκλημα καταχέαι δίκην, καὶ παγχάλεπον. ἔφης γὰρ πάλιν ἐπ' ἐκκλησίας.

Εἶπον δὴ πολλάκις, ὅτι εἴ τις ἢ ἐν ἡμῖν ἀφελέστερος, εἴτι ἐν ἄλλοις ποτὲ, χαίρει τῇ τοῦ θεοτόκος φωνῇ, ἐμοὶ πρὸς τὴν φωνὴν φθόνος οὐκ ἔστ' μόνον μὴ ποιεῖτω τὴν παρθένον θεόν.

Πάλιν ἡμῖν ἀμαλοιδορεῖ, καὶ πικρὸν ἔτως ἐπιθήσει τόμα; ὀνειδίζεις δὲ τὴν συναγωγὴν κυρίᾳ, καὶ τὸ

cimus, atque hunc morem tenemus, vt Deum sciamus illum vnum & natura & vere Deum. scimus etiam beatam illam Virginem hominem fuisse nostri similem. Sed ipse nec multo post deprehenderis ipsum Emmanuelem hominem nobis Deiferum prædicare, tuorumq. argumentorum condemnationem alteri tribuere.

EST lingua, sicut scriptum est, ignis, & effrænatum malum, cuius vt incommoda vitaret psallit beatus David: Pone Domine custodiam ori meo, & ostium circumstantiæ labijs meis. non declines cor meũ in verba malitiæ, ad excusandas excusationes in peccatis. Nam recte oris officio vti, & diligenti cautione moderari linguam obseruando quid dicendum sit, quid reticendum, diuinum plane munus est, & res haud paruipendenda ijs certe qui cum laude vitam ducere student: vt contra, illa præceps in loquendo temeritas, & effrænatus ad nugas effundendas impetus periculo non caret, & in præcipitium inferni homines eo more præditos defert. Scriptum est etiam, mortem ac vitam esse in manu linguæ, & qui illam cohibent, edere fructus eius. Alius etiam Sapiens nos allocutus est: Si quidem est tibi sermo prudentiæ, responde: sin minus, manus sit ad os tuum. Nam stulto sermoni præferendum esse silentium cui sit dubium? Execrandum vero præcipue acerbitatem verborum eructare, & impium sermonem aduersus ineffabilem illam gloriam effundere, quam perpetuis à nobis celebrari laudibus æquum erat. Peccantes autem in fratres, & percutientes infirmam eorum conscientiam, in Christum peccamus. Sic namque beatus Paulus scripsit. Quod eò dico, quia in quosdam incidi Nestorij sermones; nec tantummodo illum negare video dicendam à nobis sanctam illam Virginem esse Dei matrem, & Emmanuelem peperisse qui Deus erat, sed alijs quoque modis Christi gloriæ aduersari statuisse. nam Deiferum illum nobis conatur ostendere, non vere Deum, sed hominem potius cum Deo tamquam æqualitate dignitatis coniunctum. Sic namque illi & quidem soli aliter atque omnibus alijs hominibus sentire ac dicere placet, quamuis catholica Ecclesia, quam sibi ipse Christus exhibuit, rugas hominis qui talia conscripsit, non habeat, cum sit immaculata, & illius cognitionem omnis prorsus reprehensionis expertem teneat, ac Fidei editionem rectissime composuerit. Credimus namque in vnum Deum, Patrem omnipotentem, omnium visibilium & inuisibilium factorem: & in vnum Dominum IESVM Christum, & in Spiritum sanctum. ac sequentes sanctorum Patrum cõfessionem his subiunctam, ipsum Verbum ex Deo Patre substantialiter natum, nostri similem factum esse dicimus, & incarnatum, & hominem factum, hoc est, sibi corpus

pus ſumpſiſſe ex ſancta Virgine, & ſuum illud feciſſe. nam hoc modo fit vt vere vnus ſit Dominus IESVS Chriſtus, hoc modo illum vt vnum adorabimus, ſi non hominem ac Deum ſeorſim ponamus, ſed vnum & eumdem eſſe credamus in diuinitate & humanitate, hoc eſt, Deum ſimul & hominem. Pſal.140. 4.4 ſe vere conueniſſe, ſed prætexit excuſationes ac prætextus in peccatis, vt ſcriptum eſt, & modum quemdam coniunctionis comminiſcitur, illum nempe ſecundum ſolam, vt dixi, dignitatis æqualitatem, vt ex ipſius verbis plane docebimus, & tamquam in homine qui nihil ſupra ceteros habeat, ipſum ex Deo Verbum ex participatione inhabitans facit, ac voces quæ ſunt in Euãgelijs, ita diuidit, vt aliquando certas quaſdam ſoli ac proprie Verbo tribuat, aliquando ſeorſim illi qui eſt ex muliere editus. Atqui quomodo non fit omnibus certiſſimum, illum Vnigenitum, cum Deus eſſet natura, eſſe hominem factum, non ſimplici coniunctione, vt ille aſſerit, extrinſecus excogitata, aut affectiua, ſed vera vnione, ineffabili modo ſimul & inexcogitabili? Ita & vnus ſimul & ſolus intelligetur, & omnia ei dicta conuenient, & omnia tamquam ab vna perſona dicta cenſebuntur. Nam poſt vnionem vna iam intelligitur natura illa ipſius Verbi incarnata, vt proculdubio in nobis ipſis etiam conuenienter intelligitur. Vnus namque homo plane eſt ex diſſimilibus rebus, ex anima inquam & corpore compoſitus. Porro illud eſt nunc etiam notandum, fateri nos corpus illud vnitum Deo Verbo, fuiſſe anima rationali animatum. Illud quoque haud inutiliter addiderim, aliam eſſe carnem à Deo Verbo (quod ad ſuæ naturæ rationem attinet) aliamq. rurſus eſſentialiter ipſam Verbi naturam. Sed quamuis hæc differre intelligantur, & naturali diuerſitate eſſe diſiuncta, vnus tamen ex vtroque Chriſtus intelligitur, dum per veram vnitatem Deitas ſimul & humanitas inuicem conueniunt. In hac vero ſententia nos innumeris tum factis tum dictis Scriptura diuinitus inſpirata confirmat, ſed præcipue dum exemplis vtitur, per quæ facillime quiſque ad Chriſti myſterium perſpicue intelligendum tendere poſſit.
Eſai.6.6 Beatus igitur propheta Eſaias ait: Et miſſum eſt ad me vnum de Seraphim, & in manu habebat carbonem, quem forcipe acceperat ex altari, & tetigit os meum, & dixit: Ecce tetigit hoc labia tua, & auferet iniquitates tuas, & perpurgabit peccata tua. Viſionis huius profunditatem vt vires ferunt exquirentes, non aliud niſi Dominum noſtrum IESVM Chriſtum eſſe dicimus ſpiritalem illum carbonem in altari poſitum, ſuper quo thymiama Deo ac Patri à nobis adoletur: per ipſum enim acceſſum habuimus, & ſpiritalem cultũ exequentes accepti ſumus. Hic itaque carbo diuinus vbi accedentis ad ſe labia tetigerit,

Ἀκούων δὲ καὶ ἑτέρως ἑαυτὸν ἡμῖν καταδεικνύοντος, ἐ λέγοντος, ἐγὼ ἄνθος τοῦ πεδίου, κρίνον τῶν κοιλάδων· ἐκεῖ μὲν γὰρ ἐν ἰδίᾳ φύσει, τὴν ὑποκειμένην λαμπρότητα τοῦ σώματος καὶ πυρὸς· ὠνομάζει δὲ πάλιν αὐτὸν, κατὰ γὰ φημι τὴν κοινὴν δόσμιαν. ὥσπερ γάνεν, ὅτι τι τοῦ μαργαρίτου, καὶ μὲν καὶ τοῦ κρίνου, νοεῖται μέντοι σῶμα τὸ ὑποκείμενον, ἡ δέ γε ἐν αὐτῷ λαμπρότης, ἤγουν δυσὶα κατ' ἴδιον λόγον, ὡς ἑτέρα μὲν ὤν τε ἐν οἷς εἰσιν· ἴδια δ' πάλιν αὐτῶν καὶ σὺν ἀλλότρια τῶν ἐχόντων ἐστὶ τὸ ἀχωρίστως ἐμπεφυκότα, κ' τὸν αὐτὸν οἱ μοι τρόπον λογιούμεθά τε καὶ φρονήσομεν, καὶ ὅτι γε τοῦ Ἐμμανουὴλ· ἑτεροία μὲν γὰρ κ' τὴν φύσιν, θεότης τε, καὶ σάρξ· ἀλλ' ἴδιον ἓν τοῦ λόγου τὸ σῶμα· τοῦ δὲ σώματος οὐ κεχωρισμένος ὁ ἐνωθεὶς αὐτῷ λόγος· νοεῖτο γὰρ ἂν οὕτω τε, ἐ ἂν ἑτέρως ὁ Ἐμμανουὴλ, τυπεῖσι μεθ' ἡμῶν ὁ θεός· τοιαῦτα, πρὸ μὲν ὡς ἄνθρωπος, καὶ ἐκ τῶν τῆς κενώσεως μέτρων ἑαυτὸν ἡμῖν ἐμφανῆ καθιστὰς, ἔφασκεν, οὐδεὶς αἴρει τὴν ψυχήν μου ἀπ' ἐμοῦ· ἀλλ' ἐγὼ τίθημι αὐτήν· πάλιν δὲ ὡς θεὸς ὢν ὁ λόγος, καὶ ἐξ οὐρανοῦ νοούμενος, καὶ ἐκ μὴ τῆς ἰδίας σαρκὸς, οὐδεὶς ἀναβέβηκε φησὶν εἰς τὸν οὐρανὸν, εἰ μὴ ὁ ἐκ τοῦ οὐρανοῦ καταβάς, ὁ υἱὸς τοῦ ἀνθρώπου. Παντεχόθεν τοίνυν εἰς ἕνωσιν ἀδιάστατόν τε, καὶ ἀληθῆ συνάπτοντες ἡμῖν, τοῦ ἰδιοῦ χαράττοντες τὸν υἱὸν, καὶ εἰς πρόσωπον ἓν ὑποφέροντες ἐν πίστει, δίδομεν πλανᾶσθαι τὸν ἀκριβῆ λόγον, καὶ συγχεῖν εἰκῇ τὰ αὐτοῦ τοῦ Χριστοῦ, υἱὸν ὀνομάζων τὸν ἐκ θεοῦ πατρὸς λόγον· καθάπερ ἀμέλει πρώην ὁ λόγος ἐκδιδάξει σαφῶς, ὡς ἐν οἰκείῳ καιρῷ καὶ τόπῳ. A tigerit, illico mundum reddet, atque peccati omnis prorsus expertem. Sed labia noſtra quo nam modo contingat, docet beatus Paulus cum dicit: Prope te eſt verbum in ore tuo, & in corde tuo: quia ſi dixeris in ore tuo quia Dominus Iesvs, & credideris in corde tuo quia Deus illum ſuſcitauit à mortuis, ſaluus eris. Corde enim creditur ad iuſtitiam, ore autem confeſſio fit ad ſalutem. Dicitur autem carboni perſimilis, propterea quòd ex duabus ac diſſimilibus rebus intelligitur, ſed ita ſecundum veritatem conuenientibus, vt in vnitatem propemodum coniungantur. Ignis enim vbi lignum penetrarit, illud in ſuam ipſius claritatē ac vires tranſfert, eo tamen ſeruato quod erat. Margaritæ ſe rurſus comparat Dominus noſter Iesvs Chriſtus cum dicit: Simile eſt regnum cælorum homini negotiatori quærenti bonas margaritas: inuenta autem vna pretioſa margarita, vadit & vendit vniuerſa quæ habet, & emit illam. Alio quoque modo illum ſeſe nobis indicare audio dicentem: Ego flos campi, lilium conuallium. Cum enim in ſua natura diuinam claritatem Dei ac Patris habeat, idem præterea ſpirat odorem ſuauolentiæ ſpiritalis. Vt ergo in margarita, atque etiam lilio, quamuis ſubiectum illis corpus percipiatur, claritas tamen ſeu odor ex propria ratione ab illis quibus inſunt, tamquam diuerſa noſcuntur, ſed viciſſim propria ſunt habentium, non ab eis aliena, cum in illis inſeparabiliter hæreant: ad eumdem quoque modum de Emmanuele ipſo nobis eſt exiſtimandum ac ſentiendum. Naturæ namque ratione diuerſa ſunt diuinitas & caro: ſed corpus Verbi proprium erat, neque ſeiunctum à corpore illud vnitum corpori Verbum. haud enim aliter intelligere fas eſt Emmanuelem, ideſt nobiſcum Deum. Itaque nonnumquam vt homo, & ex menſura ſuæ exinanitionis ſeipſum nobis indicans, dicebat: Nemo tollit animam meam à me. aliquando rurſus tamquam Deus Verbum, & vt qui de cælo, & vnus cum ſua carne intelligeretur: Nemo aſcendit, inquit, in cælum, niſi qui deſcendit de cælo, filius hominis. Cum igitur ipſum Filium ſacræ litteræ vndique in vnitatem inſeparabilem veramq. coniungant, & in vnam perſonam redigant in fide; hic tamen vanus homo multis modis diſiungit, & aduerſus ipſum quoque Chriſtum temere nugatur, Deum appellans illud ex Patre Deo Verbum, vt nimirum ſuo loco ac tempore progrediens oratio plane docebit. Simulat enim ſe metuere, ne quiſpiam dum ſanctæ Virginis reuerentia victus illam Dei genitricem vocat, confuſionem atque mixtionem ſubſtantiarum inter ſe factam putans, Eccleſiæ dogmata deturpet, quamuis ita nemo ſentiat: ſed vt corrigat ſcilicet, vt ipſe putat, graue hoc malum, ſurſum deorſum omnia miſcet, recta veraq. ſententia neglecta. ſic namque dixit.

NESTORIVS. *Si fide ſimplici Deiparam proferres, nulla eſſet apud me dictionis inuidia, verbi ſenſum exquirenti. ſed quia video te prætextu erga beatam Mariam honoris, hæreticorum confirmare blaſphemiam, ideo dictionis prolationem caute præmunio, cum periculum in ea dictione latens ſuſpectum habeam. Id vt clarius dicam, & ab omnibus percipi facilius poſſit: Qui Arium ſectati ſunt, & Eunomium, & Apollinarium, & omnium eiuſmodi familiæ hominum chori, ſtuduerunt Dei genitricis appellationem inuehere, vt facta mixtione, duabusq. naturis minime diſtinctis, nihil ex his quæ viliora ſunt, de humanitate dictum acciperetur, ac locus illis iam aduerſus ipſam diuinitatem pateret, tamquam omnia ab vno dicerentur, non ratione dignitatis ex ipſa coniunctione conſequentis, ſed ipſius ratione naturæ. Vnus eſt namque Chriſtus, & vnus Dominus: ſed in Chriſto, in vnigenito inquam Filio, & Chriſti nomen & Filij nunc de diuinitate, nunc de humanitate, nunc de humanitate diuinitateq. dicitur.*

CYRILLI CAP. 1. Vides, vt multiplicibus ſententiarum commentis impie variatur, & illam ſecundum carnem generationem Vnigeniti non aliter futuram fuiſſe conatur oſtendere, niſi aliqua ſubſtantiarum inter ſe confuſione aut commixtione facta, cum doctores Eccleſiæ non hunc modum nobis tradiderint. Veram namque coniunctionem factam dicimus, ita vt Verbum ſibi quidem corpus vniret, ſed id quod erat permaneret. hic vero nihil eiuſmodi concipiens animo, non mediocri impietatis crimine laborat, cum in duas perſonas & duas hypoſtaſes omnino inter ſe diuerſas abiunxerit, ita vt ſermones cuique conuenientes vtrique perſonæ proprie tribueret: & rurſus vnum dicit Chriſtum IESVM Dominum, tamquam ſola dignitatis ratione, nó vera vnione, hoc eſt, non ſecundum naturam, homo cum Deo coniunctus ſit. Quonam igitur modo vnus eſt Chriſtus, & Filius, & Dominus, ſiquidem vt aſſeris, vtrique ſeorſim conuenit non modo vt ſic appelletur, verum etiam vt ſit vere, cùm iſto modo fiat vt ſubſtantiæ minime inter ſe ſecundum vnionem conuenerint, ſed ſolum ſecundum dignitatem, vel auctoritatem, vel poteſtatem vnitæ ſint? Atqui ſi naturas rerum perueſtigemus, videbimus quæ pari ſunt dignitate, non ea de cauſa id amittere ne minus ipſa proprie priuatimq. conſiſtant, neque quòd pari ſint gloria id ad vnionem efficiendam ſufficere. Verbi gratia, Petrus & Ioannes ambo & Apoſtoli & ſancti viri erant, & pari honore ac virtute per Spiritum ſanctum ab omnium Saluatore Chriſto decorati. ſimul enim cum ceteris ſibi dictum audierant: Vos eſtis lux mundi huius. & rurſum: Infirmos curate, mortuos ſuſcitate, leproſos mundate, dæmonia eijcite. Num ergo ex eo quod pari erant dignitate vel auctoritate, illud etiam eos habuiſſe aſſeremus, vt cum duo eſſent, vnus homo cenſeretur? idq. ad vnionem certe hypoſtaſeon eſſe ſatis? Atqui nonne ſtultiſſimum cenſendum ſit ita ſentire? Cur ergo te ſimulas rectam fidem tenere, cum Chriſtum IESVM Dominum

Εἰ μὴ πίστως ἁπλῶς, τὸ, θεοτόκος προσφέρεις, οὐκ ἄν σοι τῆς λέξεως ἐφθόνουν, τὸν νοῦν ἐξετάζων τοῦ ῥήματος. ἀλλ' ἐπειδὴ πρόφασιν ὁρῶ σε προφέρειν τῆς θεότητος τὸ μακαρίαν Μαρίαν τιμᾶν, τῶν αἱρετικῶν βεβαιοῦντα τὴν βλασφημίαν. Διὰ τοῦτο τὴν τῆς λέξεως προφορὰν ἀσφαλιζόμην· τὸν ἐν τῇ λέξει κρυπτόμενον κίνδυνον ὑφορώμενος· ἵνα δὴ καὶ σαφέστερον, καὶ πᾶσιν εὐληπτότερον εἴπω, τοῖς Ἀρείοις καὶ Εὐνομίοις, καὶ Ἀπολιναρίοις, καὶ πάντων τοῖς χορεῖς τῶν τῆς τοιαύτης φατρίας· κατανοῆσαι εἰσήγαγον, ὡς πρόσκοπον γινομένης, καὶ τὰ δύο φύσεων μὴ διαιρημένων, μηδὲν τῶν ὑπὲρ λῶν εἰς τὴν ἀνθρωπότητα λαμβάνειν δεῖ· καὶ χώραν αὐτοῖς λοιπὸν κατὰ τῆς θεότητος ἔχειν, ὡς πάντων λεγομένων παρ' ἑνὸς, καὶ κατὰ τὴν ἀπὸ τοῦ σαρκοφόρου ἀξίαν, ἀλλὰ κατὰ τὴν φύσιν. εἷς μὲν γὰρ ὁ Χριστὸς, καὶ εἷς υἱὸς· ἀλλ' ὅτι μὲ Χριστὸν, ὅτι δὲ μονογενῆ λέγω υἱὸν, καὶ τὸ, Χριστὸς, καὶ τὸ, υἱὸς, ποτὲ μὲν, ὅτι τῆς θεότητος ποτὲ δὲ, ὅτι τῆς ἀνθρωπότητος, καὶ θεότητος.

Ὁρᾷς ὅπως πολυτρόποις ἑαυτοῖς ῥήμασιν ἀσόφως καταποικίλλεται, καὶ τὴν κατὰ σάρκα γένεσιν τοῦ μονογενοῦς, ὡς οὐκ ἂν ἑτέρως ἐσομένην παρέχεται δηλονότι, εἰ μή τις γένοιτο τῶν ὑποστάσεων εἰς ἀλλήλας ἀναχυσις, ἤγουν σύγκρασις. καίτοι τῶν τῆς ἐκκλησίας διδασκάλων, ὃ τοῦτον ἡμᾶς μυσταγωγούντων τρόπον· σαφῶς γὰρ ἀληθῆ γένεσθαι φαμὲν, ἑνώσαντες μὲν ἑαυτῷ τοῦ λόγου τὸ σῶμα, μεμενηκότος δὲ ὅπερ ἦν. ὁ δὴ τῶν πιστῶν εἷς νοῦν ἔχων εὐθὺς, διέστησε μετρίως, διαιρῶν εἰς δύο πρόσωπά τι, καὶ ὑποστάσεις, ἑλκόντως ἀλλήλων διηρημένας· ἑκατέρᾳ τε λόγους τοὺς αὐτῇ πρέποντας ἀναπηδᾷ ἰδικῶς. καὶ πάλιν ἑνὰ φησὶ Χριστὸν Ἰησοῦν κύριον, ὡς ἀνθρώπου θεῷ συνημμένα καθ' ἑνότητα μόνην τὴν ἀξίαν, εὐκαθ' ἕνωσιν ἀληθῆ, τουτέστι τὴν κατὰ φύσιν. πῶς γὰρ ἂν εἴη Χριστὸς καὶ υἱὸς καὶ κύριος, εἰ μὴ ἀμφοῖν ἀνὰ μέρος ἁρμόσειεν αὐτῷ ὡς ἐφης, τὸ, ὠδέ τι καταγομάζεσθαι, καὶ εἶναι κατ' ἀλήθειαν, ἀλλ' οἱ τὸ συμβιῶναι καθ' ἕνωσιν ἡγούμενοι τὰς ὑποστάσεις, ἐνοῦσθαι δὴ κατὰ μόνην τὴν ἀξίαν, ἢ τοι τὴν αὐθεντίαν, ἤγουν ἐξουσίαν· κἀν τοῖς τῶν πραγμάτων πλουτοῦσι φύσις, τὸ ἐν ἰσότητι τῆς ἀξίας, ἀπὸ τούτης εἰσκαλοῦσιν ἀποβεβληκέναι καταθρήσαιμεν ἂν τὸ ὑπάρχειν ἰδιοουσιάτως. οὔτε μὴν τὸ μοιρᾶν εἰς δόξαν, ἀρκεῖ πρὸς ἕνωσιν· οἷόν τι φημὶ Πέτρος τε καὶ Ἰωάννης, ἄμφω μὲν θεσπεσιολόγοι τε, καὶ ἅγιοι, καὶ τῆς ἰσομοίρους τιμῆς, καὶ δωρεάσεσι τῆς ἁγίου πνεύματος κατηγλαισμένοι· ἀλλ' οὐδὲ τοῦ παντῶν ἡμῶν σωτῆρος Χριστοῦ· ἦσαν γὰρ ὁμοῦ τοῖς ἄλλοις, ὑμεῖς ἐστὲ τὸ φῶς τοῦ κόσμου τούτου. καὶ πάλιν· ἀσθενοῦντας θεραπεύετε· νεκροὺς ἐγείρετε· λεπροὺς καθαρίζετε· δαιμόνια ἐκβάλλετε· ἆρα ἂν ἐξ ἰσομοιρίας ἀξίας, ἤγουν αὐθεντίας αὐτοῖς ὑπαρξαι φαμὲν, τὸ εἰς ἄνθρωπον ἕνα καταλογίζεσθαι τοὺς δύο, καὶ ἀρχὴν ποτὲ πρὸς ἕνωσιν, τὴν ὡς ἔν γε τοῖς ὑποστάσι λέγω; εἶτα πῶς ἂν ἠλίθιον κομιδῇ τὸ ὧδε φρονεῖν, νοεῖτ' ἂν εἰκότως; εἰ τοιγαροῦν ὑπαπλάττῃ μὲν εἶναι τὴν πίστιν ὀρθὴν, ἕνα λέγων Χριστὸν Ἰησοῦν κύριον·

minum dicis quidem vnum, sed illum vnum in duas personas & hypostases diuidis? & veræ illius vnionis modum, per quem vere vnus ac solus esse potest Christus, improbas, illam vero honoris æqualitatem vere coniunctionem appellas? Qualis enim is est coniunctionis modus? An ignoras cupere homines qui in hoc sæculo versantur, mundana potiri gloria, eosq. à principibus honores consequi? Sed quamuis nonnumquã æqualem habeant dignitatis gradum, tamen inuicem distant tum singulari subsistentia, tum vero in eo quòd non eadem sapere atque perficere libet. Atqui si dignitatis ratio vinculum esset necessariũ quo in vnitatem colligerentur, vt est proculdubio illa coniunctio naturalis, numquam in honorum vel dignitatis æqualitate positi, hypostasi atque etiam sententia priuatim iater se seiungerentur, vt alter hic esset, ille alter. Quo igitur loco tuam coniunctionem ponemus? quidve efficere putabimus? Consentire ne igitur illos persuasit, aut egit vt in mysticam vnitatem conuenirent? Sed dicere non habebis, nam hac ratione demonstratum est, illam esse in vtramque partem admodum infirmam. Illud quoque mihi explices velim (nam rogare necessario cogor) quid ipsa dignitas iuuit hominem, vt ipse dixisti, cum Deo Verbo coniunctum, & ex muliere natum? Num vero parem gloria & excellentia reddidit, & tantus vt esset effecit, quantum & ipsum esse Verbum credibile est? Sed quomodo non illementietur cum dicit: Gloriam meam alteri non dabo? frustra etiam nugatus erit ille diuinus carminum auctor, sic ferme dicens: Quoniam quis in nubibus æquabitur Domino? aut quis similis erit Deo in filijs Dei? An vero is non erit alius ab illo vno & secundum naturam Dei Patris Verbo, qui propriæ hypostasis ratione vere sit ab eius vnitate disiunctus? cui nam vero id non sit euidentissimum? Sed coniunctum sane ipsum haud æquale Deo Verbo dignitas fecit, quod inferius illo esse perspicuum est: quomodo igitur vnum asseris Christum, & filium & Dominum, quamuis vnus, quod ad sententiarum vim attinet, sit præstantior, alter inferior, & eius maiestate & gloria minor? Præterea, vt illud quoque his quæ diximus adiungam, donauit, vt ipse existimat, illud ex Deo Patre Verbum illi mulieris filio suam ipsius dignitatem. Sed hoc ipsum quonam sit modo gestum, exquirere est operæpretium. num ipse quoque factus est lux vera? num ex natura Deus, & vita, & rerum opifex, & sapientia, & virtus, imago etiam & splendor substantiæ Patris, & illa eximiæ ac supremæ illius gloriæ ornamenta in vnũ aliquem è creatis hominibus naturaliter influxerunt? Quid igitur eximium est in eo secundum naturam Deo? quid magnum & supra nos, si fas est creaturam his bonis quæ ipse habet, & quidem substantialiter, posse locupletari? At enim dignitatem tamquam participata fortasse diuina excellentia gessit: igitur duo rursus erunt proculdubio filij, si quidem verum est ab eo quod participationem impertitur, diuersum esse & inferius secundum naturam, id quod ideo honoratur, quia ad ipsum relationem

nem habet. Conuinceris ergo ne ea quidem scire quæ dicis. Cur autem eos accusas qui voces in Euangelijs positas vni personæ tribuunt? An non ideo, quia nouo more duos inducis filios? Nam quomodo vnus iam Dominus, & Christus & filius erit, si vtrique sua persona est & ratio, atque etiam hypostasis, ad diuersitatem secedens, & rem veræ vnionis recusans, & quæ omnino cũ altera conuenire non possit? Quodq. vix credibile est, & eius blasphemiarum turpitudinem prodit, cõmunia dicit esse hæc nomina, Filius inquam, & Christus, & Dominus. quæ si ita communia dicit, vt vni Christo, & quibusdam præter ipsum alijs conueniant, non absurda eius erit oratio. Sin imperite disiungit, putatq. ea conuenire & ipsi Verbo priuatim, & illi ex muliere filio; duo plane rursum & citra dubitationem erunt Christi, & filij, & Domini. Dixit enim Christi nomen nonnumquam de ipsa diuinitate, nonnumquam de humanitate, aut etiam de vtroque intelligendum. In vniuersum autem nihil diuidentem iuuerit eiusdem nominis æquiuocatio in hoc, vt vnus Christus intelligatur, & filius, & Dominus, etiam si ipsæ hypostases inuicem seiunctæ non sint, ac personæ propria diuersitate distinctæ. Vt enim suæ nobis imperitiæ vim ostendat, adiungit & ait.

HISTORICE. *Vbi igitur sacræ litteræ vel natiuitatem Christi de beata Virgine exponunt, vel mortem, nusquam ponunt Deum, sed vel Christum, vel Filium, vel Dominum, nam hæc tria duas naturas significant, nunc hanc, nunc illam; nunc & hanc & illam. verbi gratia, cum illam è cælo natiuitatem Scriptura nobis exponit, quid ait? Misit Deus Filium suum, non ait, Misit Deus Deum Verbum, sed nomen sumit quod duas naturas indicat. nam quia filius homo est ac Deus, inquit, Misit filium suum natum ex muliere; vt cum audieris, natum ex muliere, continuo videas præpositum nomen quod duas naturas indicat, vt natiuitatem ex beata Virgine filij esse dicas, nam Dei filium genuit etiam illa Christi genitrix virgo. Sed quia Dei filius duplex est secundum naturas, genuit illa quidem filium Dei, sed genuit humanitatem, quæ est filius propter coniunctum sibi filium.*

Ὅταν οὖν ἡ θεία γραφὴ μέλλῃ λέγειν, ἢ γέγονεν ὁ Χριστὸς τὸν ἐκ τῆς μακαρίας παρθένου, ἢ θανάτου, οὐδαμοῦ φαίνεται ἁπλῶς, θεὸς, ἀλλ' ἢ Χριστὸς, ἢ υἱὸς, ἢ κύριος. ἐπειδὴ τοίνυν τὰ τρία τῶν δύο φύσεων ἐστὶ σημαντικά. τοῦτο μὲν, ταύτης, τοῦτο δ' ἑκάστης· τοῦτο δ' ἀμφοτέρας· οἷόν τι λέγω, ὅταν τὸν ἐξ ὑφαντῆς γέγονεν ἡμῖν ἡ γραφὴ διηγῆται, τί λέγει; ἐξαπέστειλεν ὁ θεὸς τὸν υἱὸν αὐτοῦ. οὐκ εἶπεν ἐξαπέστειλεν ὁ θεὸς τὸν θεὸν λόγον· ἀλλὰ λαμβάνει τὸ ὄνομα τὸ μέσον τὰς φύσεις τὰς δύο. ἐπειδὴ γὰρ ὁ υἱὸς ἄνθρωπός ἐστι καὶ θεὸς, λέγει, ἐξαπέστειλεν τὸν υἱὸν αὐτοῦ γενόμενον ἐκ γυναικός· ἵνα ὅταν ἀκούσῃς τὸ γενόμενον ἐκ γυναικὸς, εἶτα ἴδῃς τὸ ὄνομα προκείμενον τὸ μέσον τὰς φύσεις τὰς δύο, ἵνα τῷ γέγονεν τῷ ἐκ τῆς μακαρίας παρθένου, ὁσοῦ μὲν, καλῶς· ὑὸν γὰρ ἐγέννησεν θεοῦ ἡ χριστοτόκος παρθένος. ἀλλ' ἐπειδή περ ὁ υἱὸς τοῦ θεοῦ διπλοῦς ἐστι τὰς φύσεις· ἐγέννησεν μὲν τὸν υἱὸν τοῦ θεοῦ, ἀλλ' ἐγέννησε τῷ ἀνθρωπότητα, ἥ τις ἐστὶν υἱὸς, ἀφ' ὧν πεπονθέναι τὸν υἱόν.

vt dixi, eiuſmodi nomina. Multi namque filij ſecundum gratiam, & dij, & domini in cælo & in terra, vt beatus Paulus ſcribit, ſed eius participatione atque imitatione, qui ſecundum naturã eiuſmodi eſt. At vero Chriſti nomen ac res, Verbo illi ex Patre exiſtenti, ac nudo & ſeorſim & extra carnem conſiderato, nullo modo conuenit. Quòd ſi dicitur ſeipſum exinaniſſe, & in ſerui forma deſcendiſſe, & factum fuiſſe noſtri ſimile propter carnem, ipſum quoque quatenus vnctum eſt, Chriſtus vocabitur. non enim Verbum, quod Deus erat, ſecundum ſuam naturam eſt vnctum, ſed ipſius vnctio potius in hominis natura fuit. Sic igitur illo antegreſſo in quo vnctio facta eſt (nam eius propria humanitas eſt in qua fuit vnctio) cum Chriſtum illum appellamus, non vt tu effrenate loqueris, communem hominem à Verbo diuiſum, & ſeorſim poſitum ex ſancta Virgine editum putamus, ſed ipſum, vt dixi, ex Deo Patre Verbum, vnitum carni, & oleo exultationis à Deo & Patre vnctum humanitus. Porro Dei Verbi vnctionem in humanitate factam fuiſſe, quo tempore ſimilis nobis apparuit, ſacræ litteræ nobis oſtendent. Cum enim beatus Iacob paterna domo cedens in Meſopotamiam pergeret, & ad Laban contenderet Bathuelis filium, in locum quemdam interiectum peruenit, ibiq. diuerſatus, in ſuppoſitum lapidem inclinauit caput, & ſomnum cepit; ac per quietem cum ſibi ſcalam videre viſus eſſet de terris ad cælum pertingentem, Angelos præterea per eam aſcendentes ac deſcendentes, innixumq. ſuper ea Dominum, admodum viſionem eſt admiratus, & acceptum lapidem pro titulo ſtatuit, & in eius extremum infudit oleum. Iam in his conſidera Dominum noſtrum IESVM Chriſtum illum vnum & ſolum & vere Filium quaſi lapidem erectum in titulum. is enim eſt lapis electus, angularis, pretioſus, in caput anguli, & à Deo & Patre in fundamenta Sion poſitus. Ad hæc, modum etiam velim inſpicias, quo ſit vnctus. non enim oleo totum vndique lapidem beatus Iacob irrigauit, ſed in illius extremum infudit. Igitur, vt ita dicamus, non totus ille vnigenitus, neque in ſua ipſe natura qua Verbum eſt, vnctus eſt (nam quomodo ſuus illi ſpiritus impertitus intelligi poſſit?) ſed potius, vt dixi, in extremo vngitur, hoc eſt exterius, & tamquam in parte atque extremo, nimirum in ſuo per veram vnionem corpore. & ſicut paſſus eſſe carne dicitur humanitus, quamuis per naturam vt Deus eſſet impaſſibilis; ita intelligitur vnctus ſecundum humanitatem, licet vngat ipſe ſuo ſpiritu quos ipſius ſanctitatem participare decet. Ita nos & ſentire ſtatuimus, & recte ingredi conſueuimus, vt regia rectaq. via tendamus. Ipſe vero cum eiuſmodi nomina duas naturas ſignificare dicat, alterutri quod ſibi placuit pro ſuo arbitrio tribuit, & do humilibus verbis ad carnis diſpenſationẽ pertinentibus erubeſcit. & quamuis beatum Paulum audiat

Galat.4.a 4 audiat dicentem, Misit Deus filium suum factum ex muliere, factum sub lege; Apage, inquit, ne Verbum ex Deo natum esse missum putes. non enim ex muliere factū est, non factum sub lege.] Atque vt ostendamus quod dicimus non vanum esse figmentum, sed ipsius nos vti vocibus, ipsa iam rursus eius verba in medium afferam.

NESTORIVS. *Misit enim, inquit, Deus filium suum, factum ex muliere, factum sub lege. Hoc loco indicat quidem duas naturas, sed id dicit quod humanitati conuenit. alioqui roga contentiosum hominem, quisnam factus est sub lege? ille ne Deus Verbum?*

CYRILLI CAP. III. Iam vero quomodo non sit plane stupidus, qui res adeo claras, & omnibus notas, & ab omni dubitatione alienas, quod ad ipsum attinet, conatur euertere? Quem nobis Pater de cælo misit saluatorem ac redemptorem? nonne ipsum Verbum de sua essentia natum? Quis nam ille est qui descendit & ascendit super cælos, vt impleret Ephes.4. omnia? num hoc ipsum posse omnia implere, nostræ esse opus naturæ putas, & humanitatis mensuræ tribuis? de quo nā scripsit beatus Ioan.3. Ioannes: Qui desursum vēnit, supra omnia est? An ipsum quoque mentiri fortasse putandum est, Ioan 8. cum Iudæorum populos obiurgans dicit: Vos de deorsum estis, ego de supernis sum? & rursum: Ibid. Ego non sum de hoc mundo. Nam si homo esset ex muliere vti cuilibet aliorum simile, ac non potius incarnatum & in humana forma conspectum illud desursum & ex Deo Patre Verbum, quomodo desursum idem & de cælo intelligeretur? quomodo supra omnia & non de mundo, quamuis propter carnem pars esset mundi, & quantum dicere fas est, ex mensura quæ humanitati conuenit, sub Deo factū cum omnibus? Hac ratione etiam Deum suum appellabat ipsum Psal.21. Patrem, quamuis ipse quoque ex natura Deus Ioan.20. esset, & ex eius substantia Filius vnigenitus extitisset. De quo nam ergo dicit beatus Dauid: Mi- Psal.106. sit verbum suum, & sanauit eos? Saluauit enim Esai.63. nos non legatus, non angelus, sed ipse Dominus, secundum Scripturas. Esto, inquit, Verbum quod omnia potest implere, missum est: sed quomodo? vbi enim non illud esse dicemus? aut quo mittetur? Insimulabis igitur Moysen illum sapientissimum, quasi non mediocri iniuria Dei gloriam afficerit. dixit enim: Descendit Deus Exod.19. ignis specie in montem Sina. & quamuis beatum Dauid audias dicere omnium præpotenti Psal.103. Deo: Emittes spiritum tuum & creabuntur, & renouabis faciem terræ; fortasse non credes, & hominem Dei spiritu plenum mentiri putabis. neque enim Deus migrando mouetur, neque de loco ad locum transit, perinde ac si non ei proprium sit in omnibus esse, & omnia complere. Hæc tecum ipse vicissim cogitabis, & à vera sententia discedes, tibi ipsi & quidem soli obsequi certus. Sed in meliori esses vtique sententia si illud cogitares, omnem à nobis de Deo sermonem haberi quidem humano more, sic tamen intelligi,

gi, vt illi soli conuenit. Sed illum non leuiter conturbauit, quòd Dei Patris Verbum sub lege factum esse dicitur: nullus tamen est in hac re metuendi locus, nam permansit quod erat, legislator inquam & Deus. Ac si non factus esset homo, neque etiam sub lege factus fuisset. Sed quia verum est seipsum humiliasse, qui ex natura sua sursum erat ac sublimis, & præterea factum esse nostri similem, qui supra omnem creaturam erat, & cum diues esset, pauperem factum esse in eo quod est factus similis nostri, quomodo nefas sit cum dicere, factum esse nobiscum ac sub lege? quid enim? an non recte sentimus cum humanæ naturæ mensuram putamus eo definiri, quòd sit legi subiecta? nam illa soluta & supra legem essentia, & ex natura ac vere libera, nihil aliud esse potest nisi Deus. ergo quum Verbum factum est caro, tum quoque sub lege factum est. nam vna cum his qui tributũ pendebant, didrachma persoluit, quamuis ex sua natura liber esset, vtpote Deus ac filius, etiam eo tempore quo factus est caro. Sin tibi placet vnum in duo diuidere, & eum qui est ex muliere, seorsim hominem pronuntiare, quo nam is modo sub lege factus dicetur, qui naturæ sit sub lege positæ? Non enim quod iam est legi subditum, id fieri sub lege potest, sed id quod naturam habet lege superiorem, & extra legem. Sola est enim, vt dixi, illa diuina supremaq. natura & vltra legem, & præterea libera, & quæ sibi præfectum habeat prorsus neminem, sed ipsa sit potius vniuersorum domina, & omnibus rebus suæ dominationis iugum imponat. Sed iste vir à recta ratiocinandi via cum aberrarit, in eam est delapsus cogitationum impietatem, & vsque adeo ad summas peruenit ineptias ex eo quod vnum Dominum IESVM Christum in duo diuidit, vt audacter dixerit ipsum Emmanuelem neque vere Deum esse, neque præterea secundum naturam filium: sic vero appellatum Christum & sanctum, vt alij quoque nonnulli nostri similes, aut impurorum dæmonum cultores. Sic namque rursus dixit.

Sed sicut dicimus Deum illum omnium conditorem, & Deum ipsum Moysen: Deum enim, inquit, posui te Pharaoni. & ipsum Israel filium Dei: Filius, inquit, primogenitus meus Israel. vt etiam Saul ipsum dicimus Christum: Minime, inquit, extendam manum meã in eum, quia Christus Domini est. & Cyrum similiter: Hæc dicit Dominus Christo meo Cyro. & ipsum Babylonium sanctum: Ego, inquit, præcipio eis; sic dicimus ipsum quoque Dominum Christum, & Deum, & filium, & sanctum. Sed quamuis eadem sit communio nominum, non tamen est eadem dignitas. NESTORIVS. *Exod. 7. Exod. 4. 1. Reg. 24. Esai. 45. Esai. 13. Ieremi.*

Quid dicis? qualem sermonem eructas de corde tuo, non ab ore Domini, vt scriptum est? Nemo dicit, anathema IESVM, nisi in Beelzebub. Vt intelligitur, verbi gratia, aut dicitur à nobis Deus ipse Moyses, sic etiam Christus? ita ne, dic mihi, ad similitudinem Israelis est etiam filius? O summam impietatem, ò verba quæ nec ipsius Saluatoris nostri gloriam deprimere verentur: ò effrenatam imperitiam & tantam, vt mini-

minime reformidet aduersus Ecclesiæ dogmata impie & audacter insurgere. Psallat nunc quoque beatus Dauid: Inimici Domini mentiti sunt ei. Nam beatus Moyses homo erat, ex natura similis nobis, nihil præterea. Quia vero dicente Deo: Veni, mittam te ad Pharaonem regem Aegypti, & educes filios Israel de terra Aegypti; pro recusandi occasione exiguitatem vocis obtendit, causatus quòd minime esset eloquens ab heri & nudius tertius, ideo Deum dicentem audiuit: Ecce dedi te Deum Pharaonis, & Aaron frater tuus erit tibi interpres. Infirma namque est lex ad quempiam à diaboli seruitute liberandum. Sed id quoque mediatore Christo perfectum est, quemadmodum scilicet eo tempore in Aegypto cùm beato Moysi ipse Aaron fuisset adiunctus, Israel est à seruitute liberatus. Sed quia successu temporum futurum erat vt Christus etiam sub lege fieret, vtpote nostri similis & homo, ideo post Moysen secundo loco positus est Aaron. Atque hæc est quidem ratio mysterij. Sed tamen si quis velit illud quoque dicere, Moysen illum magnum virum hac Dei appellatione fuisse honoratum, iuxta commune illud, & ex gratia atque magnificentia Dei in nos dictum: Ego dixi, Dij estis, & filij Excelsi omnes; num etiam hoc modo Christus est Deus? Iam vero quomodo id non sit insania, & inane stultæ mentis excrementũ? Ille enim, vt iam dixi, nuda & simplici est honestatus appellatione, cum homo ex natura esset; sed hic est vere Deus (nam Deus erat Verbum) in humana forma præstantiam suæ naturæ qua cunctis excellit, integram seruans. neque enim natura diuina ex eo quod descendit ad communionem carnis & sanguinis, in peius vmquam peruerti potest. itaque etiam cum homo apparuit, vt Deus tamen agnoscitur, eiusq. rei perspicua sunt argumenta in Euangelijs de eo scripta. Dixit enim beatus Ioannes: Cum vero esset Hierosolymis in die festo, multi crediderunt in nomine eius, videntes eius signa quæ faciebat: ipse vero IESVS non credebat seipsum illis, quia ipse sciebat omnia, & quia non opus habebat vt quis testimonium perhiberet de homine: ipse enim sciebat quid esset in homine. Atqui inspicere posse cor hominis, & occulta scire, nõ vlli homini qui sit nostri similis conuenit, neque vero vlli alteri creaturæ, sed illi soli qui etiam fingere dicitur singillatim corda nostra. Hoc si ita est, quonam modo sola ac simplici appellatione honoratus est Emmanuel, vt perinde ac Moyses appelletur Deus, & non potius id vere sit quod esse dicitur? Rursum de eo scribit in hunc modum Ioannes: Quem enim misit Deus, verba Dei loquitur, & non ad mensuram dat spiritum. Intelligis igitur quemadmodum verba Dei loquatur, quamuis homo perinde ac nos videatur? nam soli & secundum naturam ac vere Deo tamquam eximiũ supra omnia creata conuenit etiã verbo posse perficere quod ei placuerit, & sancti Spiritus participes efficere homines fide iustificatos.

A Porro hæc omnia ineſſe Chriſto quiſque videre poteſt. leproſo namque dixit, Volo, mundare: viduæ quoque filio, Adoleſcens tibi dico, ſurge: participes etiam ſancti Spiritus diſcipulos ſuos effecit; inſufflauit enim in eos dicens: Accipite Spiritum ſanctum. Hæc cum ita ſint, quomodo ille qui tam ſublimis eſt, qui diuinis honoribus ornatus, perinde ac Moyſes Deus erit? Cuius enim iſte cor nouit? quis credidit in nomine eius? quem per fidem in ſe iuſtificauit? vbinam locutus eſt vt filius verba Dei? quamuis perſpicuum ſit ipſum ad filios Iſrael clamaſſe, Hæc dicit Dominus; & domeſtici hominis menſuram & gradum habuiſſe; fuit enim ipſe tamquam famulus in domo Dei. Iam ſi eo modo filius eſt Emmanuel, quo & ille ſecundum carnem Iſrael, in ſeruorum ordinem redegiſti illum ex natura liberum, quamuis propter carnem & proprietates carnis ſerui forma ſit factus: in eadem menſura eodemq. ordine collocaſti cum his qui ſunt per gratiam filij, eum per quem illi adoptionis gratia ſunt ditati. Factus eſt enim primogenitus noſter propter humanitatem, ſed etiam hic qua ratione Deus erat, permanſit vnigenitus. Hac ratione, vt ait beatus Paulus, introductum à Patre primogenitum in orbem terrarum, ſupernæ illæ virtutes adorare iubentur: & latens in ipſo myſterium edoctæ, glorificationibus numquam ceſſantibus celebrant illum vnum & natura & vere Filium. Nam ſi ijs qui ſe receperunt, dat poteſtatem vt filij Dei fiant, vt Ioannes ait, & ſi verum eſt eius ſpiritu nos ipſos quoque filios fieri, Miſit enim Deus ſpiritum Filij ſui in corda noſtra clamantem, Abba pater; nemo recte ſentiens hunc ferat dicentem, illum eodem quoque modo eſſe filium, quo Iſraelem. Qui autem fieri poteſt vt eodē dicatur modo Chriſtus, quo dicitur eſſe etiam Cyrus ille rex Perſarum, & ſanctus quomodo Medi quoque ipſi ac Perſæ? Iam vero dicere licebit, ne ſanctificatum quidem eſſe Chriſtum humanitus, quamuis in eum columbæ ſpecie ſanctus Spiritus inſederit. Nam Cyrus quidem Cambyſæ filius olim exercitum duxit in Babylonios, ſed tamen in errore verſabatur, & impuris dæmonijs venerationem exhibebat. Vbi vero Deo illum exacuente, & ad iras excitante Babyloniorum terram cepit, communi vocabulo, quamuis minime vnctus Spiritu ſancto, dictus eſt Chriſtus. Ita Perſæ quoque ac Medi ſatellites eius ſancti dicuntur. Nam quamuis illi quoque ſeruierint creaturæ potius quàm creatori Deo, & adorauerint opera manuum ſuarum; tamen quia ſemel iuxta voces quæ ſunt in lege Moyſi, ſegregatum Deo ſacrificium, ſiue ille vitulus eſſet fortaſſe, ſiue ouis, ſanctum appellabatur, ea ratione etiam prophetica voce ipſi quoque ſancti ſunt vocati, quòd diuino numine ſegregati dicatiq. eſſent ad Babyloniam capiendam. Ergo ſi eadem ratione ipſe Emmanuel eſt Chriſtus, qua Cyrus, & eo modo ſanctus quo Medi ac Perſæ; cōſequenter dicet aliquis, quantum ex ſententiarum abſurditate concluditur, neque vnctum fuiſſe illum ſancto

sancto Spiritu, neque sanctum esse: itaque mentietur beatus Dauid, ad ipsum proculdubio verba faciens: Dilexisti iustitiam, & odisti iniquitatem, propterea vnxit te Deus, Deus tuus oleo lætitiæ præ consortibus tuis. Iam vero adeo nugaciter aduersus Saluatoris nostri maiestatem & gloriam oblocutus, blasphemiarum suarum crimina repellere sibi videtur, puerile quiddam & stultum inferens: Communio, inquit, nominum similis est, non eadem vero dignitas.] Qui tandem, dic quæso, nam intelligere nequeo. Nam si ita est Deus vt Moyses etiã, & ita filius vt Israel, & ita Christus vt Cyrus, quin etiam ita sanctus vt Medi, quomodo poterit euitare quo minus eadem cum illis censeatur æqualitate dignitatis? Deprehenderis igitur iam etiam in ipsam Verbi naturam impius fuisse, sic namque dixisti rursum.

Psal. 44.

NESTORIVS. *Dic de assumente, quòd Deus sit: adijce de assumpto, quòd serui forma: infer postea coniunctionis dignitatem, quòd communis sit duorum auctoritas, quòd eadem sit duorum dignitas: manentibus naturis confitere dignitatis vnitatem.*

CYRILLI CAP. V.

Diuidit ergo rursum in duo, & imperite admodum vim vnitatis dignitati largitur, fortasse ne intelligens quidem quid tandem sit vnitas, quid res ipsa dignitatis. Illud tamen dicemus. Vnam esse dixit duarum naturarum auctoritatem, & vnam dignitatem. Vbi igitur is qui parem habet Deo Verbo gloriam, in eo certe quod Deus est, nihilo est Moyse superior, proculdubio liquet ipsum quoque Dei Verbum pari momento & naturæ & gloriæ cum Moyse exæquandum. Vbicumque enim quodlibet medium primo ac tertio persimile est, nullaq. in re diuersum, omnino sequitur vt nulla sit inter illa naturæ diuersa ratio. Sed dicet fortasse, dignitatis modum non idem esse ac naturam. cur igitur ea quæ à mutua communione, atque etiam æqualitate tam magno essentiæ discrimine diiuncta sunt, in vnam, vt ipse dicis, auctoritatem colligenda, & pari honore censes ornanda? Vbi namque prorsus minor est natura, cui altera superponitur, qui fieri potest vt illi contingat & paritas honoris, & æqualitas dignitatis, & idem minimeq. diuersus gloriæ modus? Quòd autem coniunctionem appellans, eam scilicet quæ ex vicinia sola vel secundum appositionem, vel secundum habitudinẽ intelligitur, ipse suis rationibus aduersatur, & quæ destruxit ædificat, & quæ demolitus est erigit, planum fiet ex hoc rursus. sic namque dixit.

NESTORIVS. *Ideo volo vos caute firmiterq. tenere. Diuisio nulla est coniunctionis dignitatis, filiationis. hoc ipsum quod Christus est, nullam patitur diuisionem. sed Deitatis & humanitatis est diuisio. Christus qua Christus, indiuiduus est: neque enim duos Christos habemus, neque duos filios. non enim est apud nos primus & secundus, neque alius & alius: neque rursus alius filius, & alius rursum: sed ipse ille vnus est duplex, non dignitate, sed natura.*

Οὐκοῦν τὸ παρ' αὐτοῦ λεγομένης συναφείας ἡ δυνάμις, καὶ τὴν καθ' ἡμᾶς νοουμένην ἐνότητα δηλοῖ, φημὶ δὴ τὴν καθ' ὑπόστασιν, εἴφη αὖ εἰκότως, μηδὲ μίαν εἶναι χριστοῦ τὴν διαίρεσιν, κατὰ τὸ εἶναι χριστὸν· ἄλλος γὰρ ἐστιν ἕτερος καὶ ἕτερος· οὐκοῦν μὲν υἱὸς ὁ υἱός, ἄλλος καὶ ἄλλος, πρῶτος ὁ δεύτερος, ἀλλ' εἰς δηλονότι ὁ αὐτὸς ὁ μὴ σὰρκα· ἔσται γὰρ οὕτω κατά γε τὴν ἀξίαν, ὡς σὺ φῄς, καὶ μέντοι ὁ τὴν θεότητα ἀδιαίρετος, μᾶλλον δ' ὁ αὐτός. εἶτα πῶς τὸν ἕνα κατ' ἀδιαίρετον δίπτυχον εἶναι φῄς, ὁ οὐχὶ τῇ ἀξίᾳ μᾶλλον, ἀλλὰ τῇ φύσει; ὁ γὰρ ἐπὶ τοῦ σάρκα λαβὼν ὁ ἐκ θεοῦ πατρὸς λόγος, συνῆλθεν ἀνθρώπῳ καθ' ἡμᾶς, πάντης ἕνεκα τῆς αἰτίας, ὡσεμάζοιτο αὖ καὶ δίπτυχος· ὡς γὰρ ἐπὶ κατὰ σάρκα ὁ κατὰ φύσιν ἰδίαν ἔξω σαρκὸς κατὰ αἵματος. ὥσπερ γὰρ εἴ τις τῶν καθ' ἡμᾶς ἀνθρώπων δοκοῖ πινὰ, οὐχ ὡς δύο που μᾶλλον ἰδικῶς ἀνθρώπους, κατηγορεῖτ' ἂν εἰκότως, ἀλλ' ἕνα κατὰ μόνον, κἂν ἐννοεῖτο τυχὸν ἐκ ψυχῆς κατὰ σώματος, καὶ τὰ ἀλλήλοις συμβεβηκότων ἡ φύσις ἂν εἴη οὐχ ἡ αὐτὴ μᾶλλον, ἀλλὰ διάφορος· οὕτω πάλιν ὅπου χριστοῦ νοητέον· οὐ γὰρ ὅτι δίπτυχός ἐστιν· ἀλλ' εἷς τις κατὰ μόνος κύριος καὶ υἱός, ὁ ἐκ θεοῦ πατρὸς λόγος, οὐ δίχα σαρκὸς ἀνθρωπότητος μὲν γὰρ ἐστὶ θειότητος, δοίη δ' ἂν καὶ αὐτὸς ἐγώ, πλείω εἶναι τὴν διαφοράν, ἤτοι διάστασιν· ἕτερα γὰρ κατά γε τὸν ὅπως εἶναι λόγον, κατ' οὐδὲν ἀλλήλοις εἰκότα φαίνοι' τὰ ὠνομασμένα· περιλαμβανόμενα γε μὴν εἰς μέσον ἡμῖν μυστηρίου ὅπερ κατὰ χριστὸν, ὁ δ' ἑνώσεως λόγος, οὐκ ἀγνοεῖ μὲν τὴν διαφοράν, ἐξίστησι δ' οὖν τὴν διαίρεσιν· οὐ συγχέων τὰς φύσεις, ἢ ἀναιρῶν τὰς φύσεις· ἀλλ' ὅτι σαρκὸς καὶ αἵματος μετοχὴν ὁ ἐκ θεοῦ λόγος, εἰς δὴ πάλιν ἓ ὅτως ὁ υἱὸς νοεῖται καὶ ὀνομάζεται· οὐδὲ μὴν χρῄζων λέγων χριστοὺς ὀνομάζεσθαι δύο, μή τι μὴν ἡμᾶς ὁμολογεῖν εἶναι δύο, καὶ τὸ εἰς τοῦτο δογματικῆς ὀρθότητος ἐκκλείπειν τὴν δόκησιν, δύο δὴ λέγων ἀλλήλοις χριστοὺς, καὶ εἰς ἰδικὴν ἑκατέρου τάξιν ἀνθρωπον καὶ θεόν· καὶ τὸν μὲν, ἐνεργοῦντα· τὸν δὲ, καὶ ἐνεργηθέντα καταδείκνυσθαι δεῖσαι. ἔχει δὲ οὕτω τὰ ῥητὰ αὐτά.

Explica mihi rursus quidnam esse indiuiduam coniunctionem dicis? Vnitatem ne, secundum hypostasim nimirum, quam ipsi prædicamus cum pro dogmatum veritate certamus, an vero hanc quæ secundum appositionem, & alicuius ad aliquid vicinitatem intelligitur? nam sic etiam sacræ litteræ hanc dictionem accipiunt. itaque dixit Deus ad beatum Moysen, de veteri illo tabernaculo loquens: Et facies fibulas quinquaginta aureas, & coniunges cortinas alterã alteri. Cum enim quinque essent, & vnaquæque seorsim diuersa esset ab alijs, coniungebatur fibulis. At vero nos haud isto modo factam in Christo vnionem dicimus. non enim vt quispiam verbi gratia coniungitur alteri vel per vnanimitatis modum, vel per corporis viciniam, sic ille quoque coniunctus est. Sed vt sæpius iam dixi, suum effecit corpus ex sancta Virgine sumptum, & illud ex Deo Verbum carni non inanimatæ vere vnitum dicimus. Igitur si coniunctionis, vt ipse vocat, vis eam vnitatem significat quam ipsi intelligimus, illam inquam secundum hypostasim, recte sane dixit, nullam esse Christi qua Christus est, diuisionem. neque enim est alter & alter, neque filius & filius, alius atque alius, prior & secundus, sed vnus nimirum, & ante carnem & post carnem. sic namque erit vt tu dicis, secundum dignitatem atque etiam secundum potentiam indiuiduus, immo vero idem. Id si ita est, quomodo illum vnum & indiuiduum duplicem esse ais, & non dignitate, sed natura? Non enim quia Dei Patris Verbum assumpta carne prodijt homo similis nobis, ideo duplex est appellandus: vnus est enim & non sine carne, qui secundum propriã naturam est extra carnem & sanguinem. Vt enim qui nostri similem hominem occidisset, non vtique tamquam duos violasset homines iure accusaretur, sed vnum solum, quamuis fortasse ex anima & corpore consideretur, & ijs quæ alterutri accidunt, natura sit non eadem, sed diuersa; ita vicissim in Christo est intelligendum. non enim est duplex, sed vnus & solus Dominus ac filius illud ex Deo Patre Verbum, non sine carne. nam inter humanitatem & diuinitatem maximam esse differentiam siue distantiam ego quoque fateor. diuersa sunt enim quæ his nominibus indicantur, quod ad rationem essentiæ pertinet, & nihil inter se similia videntur. At vbi nobis profertur in medium Christi mysterium, illius vnionis ratio non ignorat quidem differentiam, sed diuisionem excludit; non quòd confundat aut misceat naturas, sed quòd carnis & sanguinis particeps factum ipsum Dei Verbum, vnus rursum etiam hoc modo filius intelligitur & appellatur. Tu vero cum duos Christos appellari non debere dicas, neque rursus filios fateri duos, & opinionem recti dogmatis simules, duos tamen Christos dicere conuinceris, & in propriam diuersitatem hominem Deumq. distinguere, & illum quidem ad operandum cieri, hunc etiam ad opus ciere, conaris ostendere. Tua namque illa sic habent.

NESTORIVS. *Illa certe Vnigeniti glorificatio nonnumquam Patri adscribitur: Est, inquit, Pater meus, qui glorificat me.* Ioan. 8. *nonnumquam Spiritui: Spiritus, inquit, veritatis me glorificabit. aliquando autem Christi potentiæ: Exeuntes enim, inquit, prædicabant verbum vbique, Domino cooperante, & sermonem confirmante sequentibus signis.* Ioan. 16. Marc. 16.

CYRILLI CAP. VII. Si tamquam expers gloriæ vnigenitum Dei Verbum qua est & intelligitur Verbum, & nondum incarnatum, dicit esse glorificatum à Patre, sanctoq. Spiritu; labi illum & à veritate aberrare, ad præsens mitto dicere, ad aliud uamque nos præsens ducit occasio. Sed mihi videtur oblitus eorũ quæ nuper ab ipso considerata dictaq. sunt. dixit enim: Non est alius & alius Christus, non alius & alius filius. neque enim habemus duos Christos duosq. filios. Sed ò vir prudentissime, inquam, si Christi potentię adscribi affirmas vnigeniti glorificationem, quomodo non alter sit & alter, aut quomodo non prorsus duo, siquidem non idem est qui dat & qui accipit, aut qui adscribit alteri tamquam à se diuerso, quæ sibi per naturam insunt. Operatus est ergo Christus, idemq. ad operandum excitus tamquam diuersus ab Vnigenito. nam si adscribitur ipsi, vt asseris, Vnigeniti glorificatio, & potẽtia ab ipso data vtentes beati illi discipuli prædicabant, & diuina illa signa faciebant, quomodo quod dixi negari potest? Operatus erit enim aliena virtute vtens, vt non ipse, sed qui ad opus ciebat, ab his qui in mundo erant, glorificaretur. Quid igitur, quæso, in eo amplius cernitur quàm in sanctis Apostolis? nam hi non sua virtute miracula perfecerunt: idq. ipsi aperte confessi sunt. digni namque sunt laude & quia id cognouerunt, & quia in ipsis operantem glorificabant. Hoc si ita est, an non æquum erat vt Christus qui ab alio, vt tu asseris, ad operandum ciebatur, & extrinsecus habebat Vnigeniti gloriam, ad se tamquam ad Deum accedentibus, & eius ope indigentibus inclamaret, In nomine, seu in virtute Vnigeniti hoc, verbi gratia, tibi commodum eueniat? nam id faciebant illi sapientissimi discipuli, vbique IESVM ex Nazareth appellantes. Sed neminem prorsus ita est allocutus, suæq. potius virtuti perpetrata signa tribuebat, nunc quidẽ cęcis dicens: Credite quòd potlim id facere, & consensum exposcens; nunc cum imperio exigens, ac dicens, Volo, mundare; cur non prætermissis anilibus fabellis quas tibi & soli commentus es, mysterij profunditatem sapienti consilio perquiris? Sed perspicuum est rerum in primis vtilium exiguam prorsus illi curam esse, ac quodammodo metuere ne quid veri parum aduertens dicat, & recti aliquid sentire deprehendatur: & absurdissima quæque cogitat, & inconsiderate admodum accusat Ecclesiæ dogmata. Atqui meminisse eum oportuit Dei verborum, præpositis rationalium gregum per vocem Ezechiel dicentis: Præclara pascua depascebamini, & aquam consistentem bibebatis; & reliquam turbabatis pedibus vestris,

stris, & oues meæ conculcata pedibus vestris de-
pascebantur, & turbatam aquam pedibus vestris
bibebant. Nos enim diuinitus inspiratis litteris
animum adijcientes, præclara pascua depascimur, vt scriptum est, aquam etiam consistentem
bibimus, hoc est, sermonem spiritus minime men
dacio mixtum, & perspicuum ac puriſſimum: vbi
vero veluti ingratas quasdam nostrarum cogitationum fæces in eo sermone miscemus, eumq.
confundimus, Saluatoris nostri gregibus insidiamur. Hoc ipsum verum esse, nobis perspicuum
facient ea quæ de Christo rursus ab eo & excogitata, & temere dicta sunt, quæ sic habent.

Erat quidem ille Deus Verbum, etiam antequam homo fieret, filius & Deus, & consentiens Patri. suscepit vero posteriorib⁹ temporibus serui formam: sed cum esset antea Filius & vocaretur, post assumptionem non potest vocari seorsim filius, ne duos filios dogmatizemus. Sed quia illi coniunctus est Filio qui erat in principio, quiq. sibi copulatus est, non potest quod ad dignitatem filiationis attinet, diuisionem suscipere. quod ad dignitatem filiationis, inquam, non quod ad naturas. ideo etiam Christus appellatur ille Deus Verbum, quia habet perpetuã cum Christo coniunctionẽ. neque contingit vt Deus Verbũ sine humanitate faciat aliquid. perductus est enim ad summã coniunctionẽ, non ad deificationẽ, vt sapientes è recentioribus dogmatistis asserunt. NESTORIVS.

Qui dicere ausus est Vnigeniti glorificationem Christi potentiæ tribui, & qui vinculum vnitatis distraxit, rursus ad vnionẽ coniungit, diſiungitq. rursus, & naturas inuicem separat, & his de rebus quamplurima nobis vane portentoseq. loquitur, vt etiam si quid recti dicere videatur, tamen aperte coarguatur ignorare quid dicat. Nam hoc loco ipsum Dei Verbum & filium & Deum esse asserit etiam antequam homo fieret; præterea posterioribus temporibus formam serui accepisse. Explica igitur, nisi tibi consequentia videor dicere, quis nam ille est qui homo factus esse dicitur? quid etiam hoc ipsum hominem fieri dicis? quis nam ille qui formam serui susceperit? & quo nam modo ab eo susceptа est? Ac si hominem dixerit esse humanatum, quisquam ne dubitet quin sententiam suam risu dignam sit proditurus? nam qui homo sit secundum naturam, quomodo quod erat rursus fiet, & tamquam in aliud quidpiam transibit, quod ad naturæ inquã attinet rationem? Qui etiam ex ipsa sua natura non est liber, quomodo seruus factus esse dicetur, tamquam eiusmodi ante non fuerit? Ergo homini non conueniet hominem fieri, prorsus nullo modo; & serui formam accipere, non ei qui etiã à principio mensuram atque condicionem seruitutis habeat; sed illi nimirum, qui cum homo non esset secundum naturam, id factus esse creditur; & cum vniuersorũ esset Dominus, vtpote Deus, seipsum ad nostra deiecit, vniens sibi secundum hypostasim ipsam humanitatem, & serui formam assumens. Sic namque verum erit quod dixisti, post assumptionem non posse filium vocari seorsim, CYRILL. CAP. VIII.

sim, ne duos filios dogmatizemus. Ac recta quidem & minime peruersa, & in directum tendens dogmatum semita præter hanc nulla est alia. Ipse autem qui humanationem Verbi ex Deo existentis dixit, propemodum in obliuionem illico eorum quæ dixit, abreptus, rursus vnum in duo diuidit, inanitati *nominum absurde innatans, & vocibus parum examinatis semper vtés. ait enim: [Sed quia illi coniunctus est filio qui erat in principio, sibi copulato, non potest quod ad dignitatem filiationis attinet, suscipere diuisionem. quod ad dignitatem filiationis, inquam, non quod ad naturas.] Recte, vir optime, quod minime tutum esse videtur · · tamquam inutile refugis. Semper tibi vigilanti sermone vti studiũ fuit. Ecce iam certe diuidendo naturas colligis ad vnitatem secundum filiationis dignitatem. num igitur ad vnionem veram rerum inter se natura distantium sufficit cognominatio, seu homonymia, & dignitas quæ inde exiſtit? sic namque dicere tibi placet. Ergo quoniam Christi nomen, & nomen præterea filij & Domini etiam alijs communiter impositа sunt, nam plurimi sane fuere Christi, & vocati sunt filij & Domini, erunt ipsi quoque secundum filiationis dignitatem inter se indiuidui, & vnum omnes ea vnitate quam ipse etiam in Christo esse perfectam putas: dilabit autem prorsus homo nostri similis à Deo Verbo. Hoc posito quomodo non rursus diuisi erunt, aut quomodo etiam vnus filius, intelligere non possum, nisi secundum vnionem veram conuenisse humanitatem cum Verbo dixerimus. Sed quia propter huius hominis voces necesse est etiam per absurdas sententias orationem circumferre, vt vndique coarguatur haud recte sensisse, agedum illud etiam dicamus. Nam si satis est ad vnionem dignitas filiationis, quoniam appellatur & est filius Dei ac Patris illud ex ipso Verbum, & commune est multis alijs hoc nomen, quid, rogo te, prohibet dicere & ipsos & alios omnes illi vnitos esse, vt Emmanuel nihil præcipuum supra ipsos habeat? contendet enim cum eo, vt consentaneum est, & de æquali honore decertabit id quodcumque eorumdem nominũ dignitatem est adeptum; & ille coniunctionis modus in nuda solaq. residebit appellatione, vel homonymia. Iam vero quidnam esse intelligetur ipsa humanatio? quid præterea erit quod ad serui formam descendit? Nam si, vt ipse asserit, humanationis modus coniunctio quædam est simplex, & secundum solam filiationis dignitatem, quid prohibet eam coniunctionem in alijs etiam omnibus factam dicere? Sed proculdubio qui solers est & acutus, prospicit eius orationis absurditatem. Quonam igitur fertur, ad ea quæ dicere nefas est, impulsus? Dicetur autem illi à nobis illud Ieremiæ dictum: In multitudine viæ tuę laborasti. fluctuat enim, & omni vento circumfertur, vt beatus Paulus ait. Accipe igitur anchoram animæ tutam ac firmam, statue supra petram pedes tuos. Si hominem factum ipsum Dei Verbum dicis, hoc ipsum satis est ad explicanda

candum, noſtri ſimilem factum eſſe illúm, qui eſt ſupra omnem creaturam. accepit ſerui formam, quamuis libertatem vt Deus haberet. nam erat in æqualitate Patris eius qui ſuper omnia obtinet imperiũ. Deſine diuidere naturas poſt vnionem. nam ſcire aliud atque aliud eſſe diuinam humanamq. naturam, non modo conuenire prudentibus viris, verumetiam neceſſarium eſſe cenſeo. diſtant enim inter ſe, & quidem inæſtimabili differentiarũ ſpatio. in omnium autem noſtrum ſaluatore Chriſto vbi illas coniunxeris in veram & ſecundum hypoſtaſim vnitatem, caue diuiſionem: ſic namque vnum Chriſtum fateberis, & filium & Dominum. Sed neſcio quomodo hic vanorum inuentor dogmatum rem ipſam vnionis admodum paruipendit, illaq. reiecta, vt conſequens certe erat, & vi ſimul ipſa veritatis abdicata rurſus ad id recurrit quod ſibi placebat, & ait, [Ideo etiam Chriſtus appellatur ille Deus Verbum, quia habet perpetuã cum Chriſto coniunctionem. neque contingit vt Deus Verbum ſine humanitate faciat aliquid. perductus eſt enim ad ſummam coniunctionem, non ad deificationem, vt ſapientes è recentioribus dogmatiſtis aſſerunt.] Cum igitur dicat Chriſtum appellatum eſſe illud ex Deo Patre Verbum, quia habeat cum Chriſto coniunctionem, vt cum altero nimirum, quomodo nõ temere nugatus eſt, cum dixit, poſt aſſumptionem non poſſe vocari ſeorſim? ſiquidem quod alteri cuidam rei ſecundum habitudinem coniunctum eſſe dicitur, id non poteſt à nobis tamquam vnum aliquid intelligi. nam quæ inter ſe conueniunt, duo prorſus iure intelliguntur, & non vnum aliquid quod ipſum ſibi copuletur. fabulæ ſunt igitur & vaniſſimæ nugæ illius verba. Nos autem poſt illã vnionem, ſiue Deum Verbum nominet quiſpiam, non ſine propria carne illud intelligimus, ſiue Chriſtum dicat, incarnatũ Verbum agnoſcimus. Iam vero qui nam etiam illius quam tu coniunctionem dicis, intelligitur modus? Nam ſi humanitatem dicis vnitam ſecundum hypoſtaſim illi ex Deo genito Verbo, cur quæſo diuinam illam carnem afficis iniuria? tametſi eam adorare minime refugias, cum adorationem exhiberi nonniſi diuinæ & ineffabili naturæ conueniat. quod ſi haud veram putas factam vnionem; & coniunctionem potius appellas illam ſecundum homonymiam, & in ſola ac nuda æqualis appellationis ſocietate poſitam dignitatem, quid magnifice nugaris, dicens illum ex muliere editum ad ſummã coniunctionem perductũ, nimirum cum Verbo? Homonyma namque inter ſe erunt & filius filio, & Dominus Domino. Sed nihil hæc nomina vnũ altero minus habebunt, & quid in his eximium ſit exquirere vanũ ſit opinor. nam filius filio, qua filius eſt, nec maius aliquid nec minus habet. Superuacua igitur te verba fundere apertiſſimum eſt, cum ipſum perductum dicis ad ſummam coniunctionem. Non enim, vt mihi videtur, de homonymis conuenit dicere quòd ad ſummã ſimilitudinem ſint perducta, ſed his potius quæ per omnia æqualitatem ac ſimilitudinem quarumcumque rerum ſortita ſunt, cum quibus vnum eſ-

se creduntur. verbi gratia, expressum dicimus ad summam similitudinem alicuius hominis formæ vel filium ex eo genitum, vel exempli gratia imaginem: porro secundum coniunctionis modum quonam pacto aliqua aut dicantur, aut intelligantur expressa? Sed ipse nobis interpretatus est huius vim coniunctionis. [Non enim, inquit, contingit vt Deus Verbum sine humanitate faciat aliquid.] Concordes igitur & consentientes sunt, vt tu existimas, & cõmuni consilio ad singulas res faciendas tendere credemus par illud filiorum à te dictorũ. quod si ita est, quomodo non duo Christi, & filij, & Domini? At vero corpore tamquam organo ipsum Verbum vsum affirmas, vt est consequens. Sed si vnum dicis filium, & vnam hypostasim Verbi incarnatam, non ipsum erit diuinitatis organum, sed vtetur potius proprio corpore tamquam organo; vt nimirum ipsa hominis anima. Ergo vnum fatere, non diuidens naturas, simul intelligens ac sentiens aliam esse carnis, aliam diuinitatis rationem quæ illi ac soli conueniat. neque enim illam Verbi carnem dicimus factam esse diuinitatem, sed potius diuinam, vt illius propriam. Nam si hominis caro humana dicitur, quid prohibet etiam diuinam dicere illam quæ est Dei Verbi caro? Quid igitur irrides pulchritudinem veritatis? sanctæ illius carnis consecrationem in deos nobis obijciens, ac propemodum deificationem hominibus recte sentientibus exprobrans: tametsi ipse dicas,

CYRILLI CAP. IX. Cum igitur corpus ineffabiliter Deo coniunctum dicat, quod autem est vere ineffabile, supra intelligentiam sit & supra sermonem, vera prorsus erit vnio vel coniunctio, vt ipse loqui solet. nam eiusmodi sunt ineffabilia, & rerum ita inter se conuenientium haud vtique quisquam scire poterit modum. Quod si dicere nosti, ac putas posse te vim illius coniunctionis declarare, quomodo adhuc erit ea res ineffabilis? Miror autem quòd quamuis corpus Deo coniunctum dicat, idq. ineffabiliter, non tamen illud etiam ipsius proprium esse asserat, vt cum eo tamquam vnum intelligatur; sed rursus in hominem ac Deum diuidit seorsim ac separatim, vnum Christum & Dominum IESVM, & recte sentire se simulat, dicens.

cumponat. [Non, inquit, simplex homo est Christus, sed homo simul & Deus:] rursusq. diuidat, & haud vnum esse dicat, & stulte quod à nemine sit positum accipiat, & quod sibi placet adstruat. Perinde enim ac si quispiam diceret, nudum ipsum Verbum & citra carnem in terris nobis apparuisse, nobiscumq. locutum, vel diuina signa edidisse, aut communem hominem fuisse, non ipsum Verbum factum esse carnem, [Non, inquit, simplex est homo ipse Christus, verũ etiã Deus:] Sed vt mihi dicere liceat, nos ò vir optime, quamuis illum dicamus hominem simul & Deũ, non hæc seorsim diuidendo dicimus, sed potius eumdem scientes etiam antequàm esset homo factus, & filium, & Deum, & Verbum Patris, hominem vero postea nostri similem factum, & incarnatum. Ille vero cum affirmet non esse illum nudum hominem intelligendum, sed Deum & hominem, spineam quidem coronam & cetera passiones proprie ac seorsim homini tribuit, & adorare se hunc simul cum diuinitate fatetur, & quod magis impium sit, tamquam non sit, vt est consentaneum, vere Deus ac filius, sed auctoritatis Verbi assertor. Nã quòd euidenter distinguat, ex eo rursus perspicuum fiet, quòd cum diuinitate ipsum esse adorandum confitetur. quod enim cũ altero adoratur, diuersum est prorsus ab eo cum quo adorari perhibetur. Nos vero vna adoratione honorare consueuimus Emmanuelem, non diuidentes à Verbo corpus ipsi secundum hypostasim vnitum. Quid autem significent illa verba, Diuinæ assertorem auctoritatis, examinandum est. Num enim etiam ipse Dominus noster IESVS Christus vt vnus è sanctis Apostolis & Euangelistis, alium mundo prædicauit Christum, vel filium, vel Dominum, vt habentem ad omnia diuinam auctoritatem siue potestatem, & ipse alterius gloriam asseruit? Atqui chorus ipse Dei prædicatorum IESVM Christum illum ex semine Dauid secundum carnem prædicat, & ipsa fidei nostræ ratio per confessionem in eum factam pergit: iustificamurq. eo ipso quòd credimus non vt vnum è nobis hominem simplicem, sed in ipsum natura vereq. Deum. Itaque sine Deo gentes erant in hoc mundo, Christum ignorantes aliquando, vt ait beatus Paulus. vbi vero illum agnouerunt, non permanserunt ignari eius qui secundum naturam est Deus. Igitur doceat cuius gloriæ & auctoritati patrocinatus sit Christus. tametsi ab hominibus ad se accedentibus fidem in seipsum exigat, & eam ipsam in se ipsi Patri attribuat. itaque dicebat: Credite in me, & in Deum credite. & iterum: Qui credit in me, non credit in me, sed in eum qui misit me. Sed fortasse hoc verbum σωτηρεῖν, quod patrocinari diximus, subindicat idem quod ἰσηγορεῖν, hoc est, ex æquo prædicare. permitto enim, quamuis hæc dictio aliam habeat significationem. Atqui quomodo ex æquo de se loquatur homo perinde ac Deus, vt tu putas, & qui à Iudæis illatas contumelias pertulit? Age enim, sermonem vtrique conuenientem consideremus. nam vero secundum

dum naturam Deo conuenit dicere, Ego sum inuisibilis, intractabilis, impassibilis, incorporeus, item vita & viuificator, & supra omnia tanquam Deus. hic vero si sua nobis natura vt habeat exponat, dicet vtique vt par est, Visibilis sum, & tractabilis, passibilis, & corruptioni subiectus, ac sub Deo. num igitur qui talia dicit, is aeque de se prædicabit atque ille præstantior & excellentior, quod ad suæ naturæ attinet rationes? atqui quomodo non id stultum sit dicere? nam aut ille prorsus, aut hic mentietur. Assertionem vero cum dicis, siue patrocinium, sic namque liceat dicere συνηγόρευσιν, nonne alterum rursus quemdam alteri patrocinari etiam inuitus ipse confiteris, qui nobis coniunctionis nomen commemoras, & vnum Christum & Dominum in duo diuidens adoras, immo vero simul adoras, & liberare te putas Ecclesiam deificationis crimine, cum ipse deifices hominem, & non vnum dicas filium, etiam si non extra propriam carnem intelligatur? Adorabis enim tunc quoque, sed sine crimine; & cognosces vbi eras, vt scriptum est, cum à veritatis dogmatis aberrares. At enim, inquit, leproso dixit: Volo, mundare. & filiæ archisynagogi, Puella surge; & mari, Tace, obmutesce. in eo igitur in dicendo comes ac pariloquens fuit: nam diuina verba eloquebatur, per quę facile omnia perficere licebat. Duo igitur erant qui præcipiebant, & vtriusque esse concedemus verba omnibus de rebus prolata. Cum ergo dicit, Quid me quæritis interficere, hominem qui veritatem locutus sum vobis; cuius, obsecro te, huiusmodi verba esse dicis? an illa quidem ipsi Verbo tribues, hæc vero tamquam homini à Verbo diuerso, ipsi ex muliere genito? Sed quo loco pones beatum Paulum aperte dicentem: Nobis autem vnus Deus Pater, ex quo omnia, & nos in ipsum, & vnus Dominus IESVS Christus, per quem omnia, & nos per ipsum? Iste vero sursum deorsum dictitans, Vnus Filius, & non alius & alius, neque item Christus & alius Christus, cum suis pugnat verbis, duabus personis & hypostasibus proprijs tum Dei prædicatorũ voces, tum suas ipsius tribuens. Sed enim suarum haud negligens sententiarum infert rursus.

1. Cor. 8.

Venerer ipsum vt omnipotentis diuinitatis imaginem: nam superexaltauit eum, & donauit illi nomen quod est super omne nomen, vt in nomine IESV *Christi omne genu flectatur, cælestium, terrestrium, & infernorum: & omnis lingua confiteatur, quia Dominus* IESVS *Christus.*

Et quisnam intelligetur item is, quem vt ipse putat, se venerari fatetur, & quem propter diuinam similitudinem simulat se honorare, nisi ille prorsus, quem dudum nobis appellabat (quidnam diceret nescio) diuinæ assertorem siue adiutorem auctoritatis, quem simul cum diuinitate adorandum stulte asserebat, tamquam qui diuersus esset ac seorsim filius præter ipsum Dei Verbum? Ipsum etiam exaltatum dicit à Deo & Patre, ac præterea nomen accepisse super omne nomen, vt etiam ipsi omne genu flectatur, cælestium, terrestrium, & infernorum, & omnis lingua con-

A confiteatur, quia Dominus IESVS Christus. Si igitur Deum iam ex natura, etiam ante eam quæ hic dicitur exaltationem, in sublimi posuit ipse Pater, modum ipsum humiliationis intermediæ scrutantes, dispensationem quamdam sapientem fuisse reperiemus: per quam cum interea inglorius factus esset, rursus ad ea in quibus semper fuerat, & illi essentialiter inerant, & ad suam veram sublimitatem redijt. Quod si non ita est, vt ipse putat & dicit, alium vero quemdam ipsi coniunctum hominem præter ipsum Dei Verbū, cælo & terræ & inferioribus etiam partibus adorandum fecit, ergo similem nostri hominem deificauit, neque adhuc nobis iure vitio vertere

B poterit, quasi eum qui non esset Deus, deificare voluerimus, cum huius sceleris crimen in ipsum Deum ac Patrem sit conferendum. Videt igitur Christi studiosus quò tandem eius sermones delabuntur, & ad qualia verba immanis huius stultitiæ commenta perueniunt. Nos enim ipsum Filium qui Deus ex natura erat, hoc est, Verbum ex Deo Patre genitum, ad voluntariam exinanitionem descendisse dicimus, ac redijsse rursus ei carne ad illam diuinam dignitatem atque sublimitatem, quæ illi inerat. Adoratur enim etiam

C cum carne, vt ante carnem erat adorandus. erat enim & est secundum naturam Deus & ante exinanitionem, & cum exinanitionem subijsse dicitur, factus nostri similis. Iste vero hæc adeo veneranda rectaq. dogmata despiciens, hominem Deo coniungit secundum externam habitudinem, & tamquam in eius dignitatis æqualitate, & tamquam alterum cum altero simul adorare non erubescit. Asserit autem, inquit, velut insuetum quiddam ac nouum, & velut gratiæ loco accepisse vt illi flectatur omne genu, & omnis lingua confiteatur quia Dominus IESVS Christus. Ac si illum natura Deum factum esse

D dicit, aperte blasphemauit, factam esse dicens diuinitatis naturam. Sin minime secundum naturam, sed eam dignitatem datam & extrinsecus acceptam, & velut in sola voce positam habuisse, quomodo non illud euidenter asserit, nos seruire & cultum deferre ei qui natura Deus non sit, & nobiscū, vt consequens est, illam quoque supernorum spirituum peruigilem prudentiam errore seductam, & horum scelerum nobis ipsum Patrē initium & causam esse? Quomodo igitur adhuc culpat eos qui illo abiecto creaturam adorare maluerunt? cur vero accusat & punit seductos errore homines, si eius nutu ac voluntate seducti sunt, cum eum qui non esset ex natura Deus, ado-

E rabilem nobis effecerit? Sed quia in his cum locum citasset, eum inquam qui est in manibus, Ipsi flectetur omne genu, & omnis lingua confitebitur, quia Dominus IESVS Christus; omisit reliqua & consequentia, quæ necessario à beato Paulo adiecta fuerant; quonam id consilio fecerit, nescio: age, adijciamus nos illa, ac dicamus: Confitetur enim omnis lingua, quia Dominus IESVS Christus in gloriam Dei Patris. Igitur si natura Deus non est, sed propter coniunctionem habitudinalē qua iunctus est cum Deo Verbo, adorari illum dicit & à nobis, & à sanctis An-

gelis, ergo gloriæ modus quidam à Patre inuentus est in eo quòd simul cum ipso deificata est creatura. ita fruſtra indignatus est quibusdam vt qui hoc fecissent. quòd si ea res illi gloriæ fuit, quomodo non æquum fuit præmia & laudes & gloriam illis rependere qui id facere instituissent? Sed dicent fortasse, Quomodo Patri gloriæ erit vt Emmanueli omne genu flectatur? Quia Verbum cum sit Deus per naturam, & ex ipso, hoc est ex eius substantia, caro factum est: adoraturq. vt dixi, vt vnus & solus & vere Filius cum sua ipsius carne: glorificatur autem Pater vt Deus qui habeat verum Filium ex sua substantia genitum: quem etiam carnem factum pro nobis dedit, vt passus carne saluum faceret orbem terrarum; vt omnis qui credit in ipsum, non pereat, sed habeat vitam æternam: vt omnis qui videt eum, videat Patrem. quam etiam ipsam rem nobis esse vere vitalem ipse Filius ostendit, dixit enim: Hæc est vita æterna, vt cognoscant te solum Deum verum, & quem misisti IESVM Christum. Ac via quidem recta, & ad verissimam sententiam perducens hęc est, & præter eam nulla. Hic vero sursum deorsum omnia commiscens, [Propter gestantem, inquit, gestatum veneror, propter latentem adoro spectabilem.] Cerne quæso rursum vbique illum vnionem fugere, & veritatem formidare, & diuinorum dogmatum rectum iter vitare. Non alius erat gestans à gestato, sed potius idem, vtpote in coitione Deitatis & humanitatis consideratus: vnus etiam ac solus vere Dei & Patris filius. Ergo vt vnum adora cum sua carne ipsum ex Deo Verbũ: alioqui explica mihi, nisi tibi recta sapere videor, tuam in his loquendi subtilitatem vt imbecillam repellens. Num enim si quis de quocumque nostrum simili homine, vel de vno quopiam terreno Rege dicere voluerit: Propter animam Regis veneror corpus eius, propter latentem adoro quod est spectabile; non illico quiuis obiurget ac dicat, Quid tu facis, ò bone vir? vnus omnino homo est qui rerum potitur, quamuis è duobus videatur compositus, ex anima inquam & corpore. Cur igitur nobis fruſtra nugaris, cum gestantem & gestatum, latentem & spectabilem appellas? & tamquam alium cum alio simul adorare profiteris, & modum vnionis contemnis, cum diuinitus inspiratæ litteræ illud ex Deo Patre Verbum cum suo corpore vnum nobis Christum & Dominum esse pronuntient? An ignoras vt illi à natiuitate cæco Ieroſolymis à se curato, cum postea ipsum inuenisset in templo, firmam & stabilem indiderit fidem? nam accedens rogauit, Tu credis in Filium Dei? ad hæc illo clamante, Quis est Domine, vt credam in eum? dixit ipse rursus: Et vidisti eum, & qui loquitur tecum ipse est. vides quomodo non gestantem, non intus latentem, sed sese cum carne tamquam vnum ostenderit? Certe beatus Ioannes, Quod fuit ab initio, inquit, quod audiuimus, quod vidimus oculis nostris, quod perspeximus, & manus nostræ

A strae contrectauerunt de Verbo vitæ. Atqui diuinitas est intractabilis, sed Verbum suæ carnis ratione tractabile factum est: inuisibile quidem erat secundum naturam, sed spectabile per corpus. At vero tu contra distinguis omnino, & veritatem tuis sophismatis eludis, vt secernas naturas, & vnias, vt ipse asseris, adorationem. Sed si diuidis naturas, simul cum illis discedent etiam quæ vtrique sunt naturaliter propria; recedet etiam in vniuersum ratio differentiæ: duo erunt igitur proculdubio. Sed tamen explica mihi, quæso, quid illud sit quod naturas inter se diuisit? quis item differentiæ modus? Sed dices omnino, B aliud esse ex ipsa natura hominem, seu humanitatem, aliud Deum, siue diuinitatem. & hanc quidem esse altera incomparabiliter superiorẽ, illam rursus tanto minorem, quanto sit homo Deo inferior. Quomodo igitur, dic mihi, vna adoratione putas honoranda, quæ inter se adeo sunt inæquali natura, & essentiæ ratione adeo diuersis differentijs abiuncta? An vero ornamenta hominis equo circumponas, quidquam efficies quod illi laudem afferat? an potius illud excellentius afficies iniuria, cùm præstantiorem naturam in ignominiam detrahas? Sed acutum quiddam ad respondendum inuenit, addit enim. C

Non est per se Deus quod est in vtero formatum: non est per se Deus quod est formatum à spiritu: non est per se Deus quod sepultum est in monumento, alioqui essemus hominicolæ, & cadauericolæ prorsus. Sed quia est in assumpto Deus, ex assumente qui est assumptus, tamquam assumenti coniunctus, simul appellatur Deus. NESTORIVS.

Ecce iam rursum nobis qui coniunctionem vbique nominat, & hominis colendi crimen reformidat, hominicola esse conuincitur, suæq. impiæ cogitationis laqueis implicatus tenetur, & in improbum sensum lapsus deprehenditur. nam id quod ex vtero est editum, inquit, non per se D Deus est. Admiror equidem tuam hanc solertiam, & subtile adeo ingenium. Quis enim prorsus hoc dicere est ausus? aut quis ignorauit vmquam quod natum est ex carne, carnem esse? Sed tamen erat propria Verbi, & vnus cum illa intelligitur, vt proculdubio quemadmodum superius diximus, etiam hominis anima cum suo corpore. ergo si quispiam de nobis quoque dicere velit, non esse hominem ipsum corpus per se, nonne superfluens in sermone & nugax merito dicetur? Neque enim quisquam negaturus est ipsum per se corpus non esse hominem, sed potius hominis corpus dici. Sed nemo tamen duas E in partes diuidens, ac seorsim ponens animam & corpus, dixerit vmquam, corpus eodem cum anima appellari nomine ad vnum hominem significandum. neque enim aptus erit eiusmodi sermo, sed potius imperitiæ plenus. Sed cum vtrumque secundum naturalem vnionem conjunxerit ad vnius hominis constitutionem, tum demum hominem appellabit, nec videbitur inepte absurdeq. dicere. Oportuit ergo si omnino sapiens homo solersq. erat, corpus quidem illud ex muliere dicere, & insuper fateri, illud vnitate secundum hypostasim cum Verbo coniunctum, vnum

vnum Chriſtum & filium & Dominum abſoluiſſe, eumdem ſimul & Deum & hominem. nunc vero hoc omiſſo, peruerſa graditur via, de recta decedens, ac duos nobis deos prædicat, vnum ſecundum naturam ac veritatem, illud nimirum ex Deo Patre Verbum; alium vero præter hunc, qui ſimul cum eo Deus appelletur. Vt enim nemo noſtri generis dicitur cum ſe ipſo & ſolo conuerſari, verbi gratia, ſed cum altero conuerſatur, ac ſi quem è terrenis Regibus quiſquam dixerit ſimul cum ſeipſo regnare, iure ſit ridendus, & nugabitur, dum quod de vno ſoloq. dicitur, ſic ponit atque pronuntiat tamquam de duobus; ita ſtultum ſane ſit putare hoc ipſum, ſimul appellari, de vno ſoloq. dici poſſe. duo namque prorſus erunt, & alter ſecundum naturam Deus, alter vero proculdubio cum id ſolum habeat vt ſimul cũ eo vocetur Deus, idq. extrinſecus & acquiſitum, recens nobis Deus extitit. Num ergo mentitur ille natura & vere vniuerſorum Deus cum dicit:

Pſal.80. Si audieris me, non erit in te deus recens, neque adorabis deum alienum? Hoc ſi ita eſt, quomodo adoramus Chriſtum, & illi flectetur omne genu? quomodo etiam illum venerari confiteris, cum tamen formides, vt dixiſti, ne hominicola eſſe videaris? Sed habet ad hoc aliquam, vt ipſe putat, acutam reſponſionem: nam tamquã coniunctus aſſumenti ſimul appellatur Deus. quomodo aſſumptus eſt eloquere, aut quonam coniunctus eſt modo? Nam ſi quidem ſecundum veram vnionem, illam ſecundum hypoſtaſim dico; deſine tandem vnitum diuidere. & opportune etiam à nobis dicetur tibi indiuiduum diuidenti:

Matth.19. Quod ergo Deus coniunxit, homo ne diuidat. Sin aſſumptionem iſtam ſeu coniunctionem eſſe dicis externam ac relatiuam, quomodo non aduertis in nobis etiam eſſe Deum, & nos illi coniungi relatiue, & participes nos factos eſſe diuinæ eius naturæ?

Pſal.44. Pſallit certe beatus Dauid: Adhæſit anima mea poſt te. ergo nos quoque ex eius ſententia ſimul cum illo ex natura Deo dij erimus atque vocabimur, nobisq. flectetur omne genu. Quid præceperit ſuperis ſpiritibus Deus

Hebr.1. ac Pater, doceat prodiens beatus Paulus. Cum, inquit, introducit primogenitum in orbem terræ dicit, Et adorent eum omnes angeli Dei. Igitur quia in his verbis illud ſane ſapiens tuũ commentum non eſt ſubiunctum, ſed adorare iuſſit vt vnum proculdubio, & non alterum cum altero, quærimus quis nam ſit ille qui ab angelis adoratur. atqui primogenitum eum diuinæ litteræ dicunt: primogenitum autem appellatum dicimus illud ex Deo Patre Verbum, licet Deus eſſet ex natura, ac filius vnigenitus, & quod ad deitatis rationem pertinet, cum creatura minime cenſendus, quia factus eſt homo, & in multis fratribus primogenitus.

Rom.8. Vnus eſt igitur qui à ſuperis ſpiritibus adoratur, illud ex Deo Patre Verbum cũ ſua carne. nam ipſum quod dicitur, genuit, &, in omnibus primatum tenens, id intelligitur primogeniti nomine. Sed diuinitus quidem inſpiratæ litteræ vnum Chriſtum prædicant, & filium, & Dominum; duos vero hic nugator, & adorandum hominem ſanctæ & conſubſtantiali Trinitati

Sed hic secundum carnem cognatus Israel, hic secundum naturam spectabilem homo, hic iuxta Pauli vocem natus ex semine Dauid, ipsa coniunctione Deus est omnipotens. Deinde his adiungit: *Audi Paulum vtrumque predicantem. confitetur primo hominem, & ita propter ipsam Dei coniunctionem, naturam spectabilem Dei nomine consecrat, ne quis Christianum esse hominicolam suspicetur. Naturarum itaque coniunctionem sine vlla confusione seruemus: confiteamur vnum Deum, veneremur hominem qui ex diuina coniunctione cum omnipotente Deo simul adoratur.* NESTORIVS. Rom. 4.

Si quidem igitur hominem appellans, cum hoc B etiam Deum ipsum esse secundum naturam intelligis, bene habet, & iam finem faciam: sin diuidis naturas, non vt scias modo quænam humana, quæve rursus diuina, sed vt diducas ab illo in vnitatem concursu, certum est te hominicolam esse, & tibi à nobis dicetur: Fructus laborum tuorum edes. cum vero sis durus & monita respuas, solus per viam peruersam abi. Nos vero piam & rectam sanctorum Patrum viam peruestigantes, & Apostolicis Euangelicisq. scriptis optime instructi, simul cum Deo & Patre & sancto Spiritu, vnica adoratione venerabimur vnum Dominum IESVM Christum, per quem & cum quo Deo & C Patri gloria cum sancto Spiritu in sæcula sæculorum, Amen. CYRILL. CAP. XIII. Psal. 127.

TOMVS TERTIVS.

MAGNVM est proculdubio illud pietatis mysterium, & ipsis etiam sanctis Angelis admirandum, in eoq. confirmat nos Apostolus Paulus cum dicit: Vt notum fiat nunc principatibus & potestatibus in cælestibus per Ecclesiam multiformis sapientia Dei secundum præfinitionem sæculorũ, D quam fecit in Domino nostro IESV Christo, in quo habemus fiduciam & accessum in confidentia per fidem. Sapientia est namque revera, & minime humana, sed sane diuina, & abdita in quadam ineffabili profunditate & incomprehensibilitate Christi mysterium. itaque psallit beatus Dauid: Et posuit tenebras latibulum suum, in circuitu eius tabernaculum eius, tenebrosa aqua in nubibus aëris. In quo tenebras nihil aliud, vt opinor, intelligit, nisi obscuram intelligentiæ perceptionem in oculis animi caliginis instar incurrentem. hac de causa dicimus, subtilibus quæstionibus, & curiositate ad quam pertingere non possit intelligentia, nullo modo indiguisse Christi mysterium, sed fide potius quæ E simpliciter ac sine vlla vafritie traderetur. Sic & nos ipsi sentire didicimus, & credidimus à Deo ac Patre proprium Filium, Deum eumdem secundum naturam, fuisse missum hominem factum, & ex muliere secundum carnem genitum, vt in se credentes iustificet, & suo benigno clementissimoq. nutu à peccatis in ignorantia admissis liberaPsal. 17.

berates, puros & immaculatos per se Deo & Patri offerat, & eos diuinæ suæ naturæ participes efficiat, qui morti atque corruptioni erant obnoxij; & vt prædicaret cæcis visum, & errantium hominum greges ad lucem veræ Dei cognitionis traduceret, ac doceret quis natura vereq. Deus esset, & omnium rerum opifex. factus est enim odor cognitionis Dei ac Patris, & in ipso conspeximus illum ex quo secundum naturam est genitus, & manifeste cognouimus viam quæ nos ad æternam vitam defert. Ita etiam fore vt gentium gregibus ipse Filius illuceret, beatus propheta Esaias longe ante clamauit, dicens: Laborauit Aegyptus, & negotiationes Aethiopum, & Sabaim, viri sublimes ad te transibunt, & tibi seruient, & post te sequentur vincti compedibus, & curuabuntur tibi, & in te adorabunt, quia in te Deus est, & non est Deus præter te. tu es enim Deus & nescisimus, Deus Israel saluator. Dictum est etiam proculdubio ad Filium, rursus tamquam ex persona Dei ac Patris: Ecce posui te in testamentum generis, in lucem gentium, vt sis in salutem vsque ad extremum terræ. Populo enim ex sanguine ac genere Israel tulit leges noui Testamenti, priore iam antiquato, illuxit etiã vsque ad terminos orbis terrarum gentibus ac populis qui per omnes regiones & vrbes erant. nam illum adorauerunt, atque etiam spiritaliter sequuntur, firmis caritatis vinculis veluti quibusdam compedibus nexi, ac propemodum illud Hieremiæ dicentes: Ecce ipsi nos erimus tibi, quia tu Dominus Deus noster es. Ac vide quæso propheticarum sententiarum vigilantiam. Curuabuntur tibi, inquit, & in te adorabunt, quia in te Deus est, & non est Deus præter te. nam vt spiritu instinctus certo sciebat, Dei Patris Verbum in nobis habitaturũ, vt inquit beatus Euangelista Ioannes; hac de causa ait, In te Deus est. neque tamen passus est Emmanuelem in duo diuidi, sed quamuis ille Vnigenitus sit factus homo, sic quoque vnũ rursus esse fatebatur, ideoq. intulit statim: Non est Deus præter te. Obserua namque diligenter Prophetæ vocem. cum enim, vt dixi, allocutus esset eum illis verbis, In te est Deus; non adiecit, Non est Deus præter illum qui est in te, sed in vnitatem dispensatoriam coniungendo, Non est Deus, inquit, præter te. Porro vnigenitum illud Dei Verbum hominem factum, per omnes diuinitus inspiratæ scripturæ litteras, vt ita dicam, prædicari, perfacile est quàmplurimis locis ostendere, sed ad præsens illud dixisse satis erit. Dixit enim Deus ad beatum Dauid: Et suscitabo de semine tuo post te, qui erit de ventre tuo, & præparabo regnum eius. ipse ædificabit domum nomini meo: & erigam solium eius vsque in sæculum. & ego ero ei in Patrem, & ipse erit mihi in filium. Sed dicet opinor aliquis, hæc non in Emmanuelem, sed in Salomonem dicta fuisse. Sed beatus Paulus hominibus ita sentientibus strenue obsistet, qui de Chri-

A νοῦ μαι, καθαροὺς & ἀμώμους παραστήσῃ τῷ ἰδίῳ καὶ πατρὶ, ἐκ τῆς θείας ἑαυτοῦ φύσεως ἐργαζόμενος κοινωνούς, τοὺς ἐπὶ θανάτου & φθορᾶς κηρύξῃ ἢ καὶ τυφλοῖς ἀναβλέψειν· & τὰς τῶν πεπλανημένων ἀγέλας εἰς τὸ τῆς ἀληθοῦς γνώσεως μεταπεμπόμενος φῶς· διδάξῃ τε λοιπὸν, τίς ὁ φύσει τε, καὶ ἀληθῶς ἐστι θεὸς, καὶ τῶν ὅλων δημιουργός. γίγνεται γὰρ ἐκ μὴ τῆς γνώσεως τοῦ θεοῦ καὶ πατρὸς· καὶ ἐν αὐτῇ πεφαμεθα τὸν, ἐξ οὗ γεγόναμεν τῇ φύσει· ἐγνώκαμέν τε σαφῶς, τὴν εἰς ζωὴν ἡμᾶς τὴν ἀίδιον διαφέρουσαν ὁδόν. Οὕτω & τῆς τῶν ἐθνῶν ἀγέλαις ἐπιλάμψων τὸν ἥλιον, ὁ μακάριος προφήτης Ησαΐας προανεκραγε, λέγων· οὕτω λέγει κύριος, κοπιάσαι Αἴγυπτος, καὶ ἐμπορεῖαι Αἰθιόπων, καὶ οἱ Σαβαὶμ, ἄνδρες ὑψηλοὶ ὅτι σὲ διαβήσονται, καὶ σοὶ ἔσονται δοῦλοι, & ὀπίσω σου ἀκολουθήσουσι δεδεμένοι χειροπέδαις· καὶ προσκυνήσουσί σοι, & ἐν σοὶ προσεύξονται· ὅτι ἐν σοὶ ὁ θεός ἐστι· καὶ οὐκ ἔστι θεὸς πλὴν σου. σὺ γὰρ εἶ θεὸς & οὐκ ἤδειμεν, ὁ θεὸς & Ισραὴλ σωτήρ. Εἶπεν δὲ πρὸς τὸν υἱὸν, ὡς ἐκ προσώπου πάλιν τοῦ θεοῦ & πατρός· ἰδοὺ τέθεικά σε εἰς διαθήκην γένους, εἰς φῶς ἐθνῶν, τοῦ εἶναί σε εἰς σωτηρίαν ἕως ἐσχάτου τῆς γῆς. γενομοθήκαμεν μὲν γὰρ τὸν ἐξ αἵματός τε καὶ γένους Ισραὴλ τὴν καινὴν διαθήκην, παλαιωθείσης ἤδη πρώην· ἐπέφανε δὲ καὶ μέχρι πρώτου τῆς ὑφ' ἡμᾶς γῆς, τοῖς αὐτὰ πᾶσιν χώραν τε καὶ πόλιν ἐθνεσί τε καὶ λαοῖς. προσκεκυνήκασι γὰρ αὐτῷ, καὶ μένει καὶ ἐπὶ πάντων τούτων, ἀῤῥήκτοις ἀγάπης δεσμοῖς, καθάπερ χειροπέδαις ἐνεχόμενα, καὶ μονονουχὶ λέγοντα τὸ διὰ φωνῆς Ιερεμίου· ἰδοὺ σύ ἐσμεν ἡμεῖς ἐσόμεθά σοι, ὅτι σὺ κύριος ὁ θεὸς ἡμῶν εἶ. ὅτε δέ μοι τῶν προφητικῶν ἐννοιῶν τὴν ἐχέγγυον· προσκυνήσουσί σοι φησὶ, καὶ ἐν σοὶ προσεύξονται, ὅτι ἐν σοὶ θεός ἐστι, & οὐκ ἔστι θεὸς πλὴν σου· ἤδει μὲν ὢν ὁμολογούμενος, ὡς πολυμαθὴς τε ὢν θεῖα πατρὸς λόγια ἐν ἡμῖν πολυώνυμον, καθά φησιν ὁ μακάριος Εὐαγγελιστὴς Ιωάννης· πάντα τε φησὶν, ὅτι ἐν σοὶ θεός ἐστι· πλὴν οὐκ εἰς δύο πάντως θεοὺς συγκεχώρηκε τὸν Εμμανουήλ· ἀλλ' ἵν' ᾖ γένηται πάντως ὁμονοητὸς, ἵνα καὶ οὕτως ὁμολόγῃ πάλιν αὐτός· & γοῦν ἐν ὅτι προσκέκλεγκεν· ὅτι οὐκ ἔστι θεὸς πλήν σου· πατὴρ γὰρ ἀκριβῶς τοῦ & προφήτου φωνοῦ. προσηκόντως γὰρ οὐκ ἔφασαν, ὅτι ἐν σοὶ ὁ θεός ἐστιν, & προσέθηκαν ὅτι, ἢ ὡς ἔστι θεὸς πλὴν σοῦ & ἐν σοὶ, ἀλλ' εἰς ἑνότητα συνεργικὴν οἰκονομικὴν, οὐκ ἔστι φησὶ θεὸς πλήν σου· ὅπερ ἂν πάντως γένοιτο ὁμονοητὸς & θεῖος λόγος. ἀλλ' πάσης τ' θεοπνεύστου γραφῆς, ὡς ἔπος εἰπεῖν, κατεγνωκὼς ἂν. ἀλλ' πλάστων μὲν ὅσον αὐτοῖς καταδέξαι μόνον· δύσχερες δὲ εἶμαι πρὸς τὸ παρὸν ὁπωσοῦν εἰπεῖν. ἴσθι γὰρ σου θεὸς τ' μακαρίου Δαυὶδ· & αὐτίκα σὺ & σπέρμα τός σου μετ' σὺ, ὃς ἔσται ἐκ τ' πολίτου σου· & ἐπιφανεῖ τὸν θρόνον αὐτοῦ ἕως εἰς τ' αἰῶνα. & ἐγὼ ἔσομαι αὐτῷ εἰς πατέρα, & αὐτὸς ἔσται μοι εἰς υἱόν. ἀλλ' εἶμαι φαίη τις ἄν, ἐκ ὀρθῶς γε τῷ Εμμανουὴλ εἰρῆσθαι δοκεῖ Σολομῶντι τοῦτο. Ὅτι δὲ καθ' ἡμᾶς γενόμενος, τύπῳ τινὶ ἀνθρώπου, ἱερουργήσει ἐμέλλε τῷ θεῷ καὶ πατρὶ, πᾶσι τοῖς εἰς αὐτὸν πίστει σεσωσμένοις τὸν ἐξ οὐρανοῦ, διεσάφει λέγων ἐν ἑτέροις· καὶ ἀναστήσω ἐμαυτῷ ἱερέα πιστὸν, ὃς πάντα τὰ ἐν τῇ καρδίᾳ μου, καὶ ἐν τῇ ψυχῇ μου ποιήσει· καὶ οἰκοδομήσω αὐτῷ οἶκον πιστόν· καὶ διελεύσεται ἐνώπιόν μου πάσας τὰς ἡμέρας. Verbum intelligunt Apostolum. Pontificis appellationem cum legunt, diuinitatem Pontificem sibi fingunt, noua dementiæ specie. Quis enim Apostoli munus cum didicerit, non illico indicari hominem intelligat? Quis Pontificis appellationem audiens, diuinitatis essentiam ipsum Pontificem existimet? Nam si Pontifex est ipsa diuinitas, quisnam ille est qui pontificatus munere colitur? si Deus est qui offert, nullus est cui offertur. quid enim diuinitate dignum sit, vt illa tamquam inferior maiori offerat? His adiungit: *Vnde nam ipsi putarunt Deum nunc vocatum esse pontificem, cum ille hostia ad promotionem suam, vt pontifices, non indigeat? Deitatis possessor ex hominibus assumptus pro hominibus constituitur in his quæ sunt ad Deum.*

CYRILLI CAP. I.

Igitur ne missum quidem esse in hunc mundum ipsum Dei Verbum asseris? decepit ergo, vt est consequens, homines suo ministerio vocatos beatus Paulus, ait enim: Misit Deus filium suum factum ex muliere, factum sub lege. conuincitur etiam tuo iudicio beatus Dauid temere carmen contexuisse, & inscrutabilia quærere, dixit enim, Patrem qui est in cælis & Deũ alloquens: Emitte lucem tuam & veritatem tuam. Quid autem, dic mihi, nonne etiam ipse Filius mentietur plane, cum dicit: Non enim misit Deus filium suum in mundum vt iudicet mundum, sed vt saluetur mundus per ipsum. & iterum: Ego ex Patre exij, & venio. Scribit etiam alicubi beatus Ioannes de ipso: Qui accipit testimonium eius signauit, quia Deus verax est. quem enim misit Deus, verba Dei loquitur. Missum porro dicimus Dei Verbum, quòd apostolatus nomen & rem simul cum exinanitionis mensuris haberet. Tu vero stulte formidas, & illi tribuere & nomen & rem apostolatus ac sacerdotij nescio qua de causa erubescis. Num enim ipsum conuenire putas homini illi ex muliere tamquam ab illo diuerso, simplicem, vt ipse putas, coniunctionem habenti, & solius dignitatis æqualitatem? Quomodo igitur iam ipsum Verbum quod Deus erat, nostras res inuisse cernitur, si per alium quoque ad Deum ac Patrem adducti sumus? Non enim iam per ipsum accessum habuimus, sed fuit mediator noster homo nostri similis, factum habens diuinitatis nomen. At enim, inquit, exiguum sane est Verbo ex Deo genito sacrificandi munus. Exiguum, fateor, tibi enim assentior veritatem prædicanti: sed haud nuda vsum diuinitate his qui sunt in terris apparuit, verum homo potius nostri similis factum, cui magnum quiddam est eximiumq. sacrificandi officium. quod si repudiet sacrificandi munus vt homini, siue alteri cuipiam seruitutis mensuram habenti conueniens, quomodo non melius fuisset etiam ante hoc munus, humanationem repudiare? Sed nostra causa haud reijciendam ipsam generationem duxit. iste tamen, vt dixi, veritatem erubescit, in quo insipientem se & imperitum ostendit, quamuis beatus Paulus dicat: Non enim erubesco euangelium; virtus enim Dei est in salutem omni credenti. Admiratione autem dignum est Dei Verbum salutis ac vitæ omnium causa tantam humilitatem subire voluisse, quã nescio quomodo hic ineptarum disciplinarum inuentor, vel confiteri solum erubescit: cum æquius fuisset propterea ipsum admirari, & simul cum beato Propheta clamare: Domine audiui auditum tuum & timui, consideraui opera tua & expaui. Nam cum omnes litteræ diuinitus inspiratæ ipsi repugnarent, & opponerent veritatem, eiusq. sermonem quo sua commenta tuetur, frigidum & leuem & nulla ex parte fultum ostenderent, non mediocri penuria rectarum verarumq. sententiarum & inquisitionum laborauit: ea de causa quæ nemo vmquam recta

A recta dogmatum tradendorum ratione celebris, aut sensisse aut dixisse deprehenditur, ijs pro sermonum suorum occasione vtitur, & cum vmbris pugnat, & frustra contendit nemine repugnante, aut his de rebus contendente, quod illud esse puto aerem verberare. Dixit enim, Quis Apostoli munus cum didicerit, non illico indicari hominem intelligat? Quis Pontificis appellationem audiens, diuinitatis essentiam ipsum Pontificem existimet?] Cum ergo qui hoc dicat, nemo sit, cum quibus, dic mihi, contendis, & rem omnium sententia damnatam, tamquam ipse solus euertas, palmarem tibi hanc pugnam futuram putas? Porro quomodo inficiari possit te in medium id proferre, quod cum à nemine dicatur, tacere satius erat, quàm in simpliciorum animos inijcere? Quis enim est adeo attonitus, vt diuinitatis essentiam ipsum Pontificem existimet? Homo erat Aaron, quamuis adeptus vt in illo diuino sacerdotio alijs excelleret. Quomodo igitur quisquam diuinitatis essentiam ipsum Pontificem putet? aut quomodo non prorsus confiteatur hominem commemorari, cum frater ille Moysi vt Pontifex appellatur? Sed enim cum communem sermonem proferat, & qui cuique de nostro numero sacerdoti quadret atque conueniat, dispensationis quę in Christo intelligitur, admirabilem gloriam labefactare conatur, & diuinum illud mysterium nostrum ex imis sedibus audet euertere, minime cogitans Ecclesiam à Christo supra petram esse fundatã, & numquam fore vt aduersus eam portæ inferi præualeant. Dedignatur enim communem & omnium recte sentientium opinionem sequi: nouam suæ sententiæ viam inconsiderate solus ingreditur. Nos enim, vt iam præfatus sum, illud ex Deo Patre Verbum, hominem factum, & sibi & Patri sacrificasse dicimus fidei nostræ confessionem, & congruentem nullaq. ex parte à mensura exinanitionis discrepantem gessisse dispensationem. Sed non illi hæc ita se habere videntur, sed vbi priuatim ac seorsim distinxit, tamquam alius sit Christus ille ex sancta Virgine ab illo ex Deo Patre Verbo, ipsum fuisse asserit Apostolum & Pontificem confessionis nostræ, seq. pie religioseq. sentire putat cum ait: Si Deus est ille qui offert, nullus est cui offeratur. quid enim diuinitate dignum sit, vt tamquam inferior maiori offerat?] Sed siquis esset qui contenderet ac diceret, ipsum vere ex Deo Patre genitum Verbum etiam antequam homo fieret, ad sacerdotij munus esse collocatum, & in ministerij ordine ac mensura constitutum, eaq. de causa iure appellari Pontificem & Apostolũ, sapienter vtique refutasset, & apte hac de re conclusam esse ab eo ratiocinationem dici posset. Non enim naturæ illi omnibus dominanti sacrificantes deerant, vt ipsa sibi sacrum exhiberet obsequium. Sed quia ille vnigenitus qui natura Deus erat, & à sacerdotibus obsequia sacra suscipiebat, ad mensuram eorum descendit qui sacerdotio fungebantur, homo vt dixi factus, nihil absurdi est si etiam sacerdos vocetur à nobis.

constituitur in his quæ sunt ad Deum, vt Pontifex nimirum, vtrum ne diuinitate nudus quam possedit, Deo sacrificabit, an illã iam quasi propriam habens? id enim, vt opinor, non aliud aliquid significat, quod possedisse dicitur. si nudus, non possedit; sin vt illam propriam habens, diuinitas proculdubio Deo sacrificabit. Quid igitur æstuas, & sursum deorsum perturbas omnia, & Fidei traditionem adulterare non erubescis? Habet necessariam causam illud ex Deo Patre Verbum etiam si sacrificasse dicatur Deo ac Patri: functum est enim sacerdotij munere, non quidem sine carne, sed nostri simile factũ, quibus gloriæ est sacerdotij nobilitas. Alia quoque ratione perfacile est videre, absurdissimum sane esse & stultitiæ plenum, illum ex hominibus assumptum possessorem diuinitatis appellare, & constitutum in his quæ sunt ad Deum. nam si assumptus est à Deo, quomodo assumentem se naturam acquisiuit ac possedit? nam ipsa res assumpta erit proculdubio assumentis possessio, non ipsa possidet assumentem. verbi gratia, pecuniæ quispiam factus est possessor, vel scientiæ cuiuslibet rei: nonne omnibus perspicuum est non ipsum esse possessionem pecuniæ, aut illius additæ sibi scientiæ, sed possideri ab ipso potius rem acceptam? id quidem nullo modo, vt opinor, est ambiguum. Igitur si rationem qua ille Vnigenitus homo factus est, exquirendo curiosius, inuenimus hominem assumptione diuinitatis factum Deum; liceat eum ex tuo præscripto, diuinitatis possessorem appellare: ipsius enim facta est ipsa diuinitas. Sin Verbum ipsum cum esset Deus, apprehendit semen Abraam, & cum esset in forma Dei & Patris, assumpta serui forma factus est homo, quì fieri potest vt non sit stupidus qui dicere velit, id quod assumptum est, eius naturæ possessione ditatum à qua sit assumptum, ac non potius proprium esse suscipientis naturæ factum? Quod autem suorum verborum & inuentionum vim, ipsumq. præterea sacerdotij nomen imperite ad simplicem hominem, illum inquam ex femina, redigat, auferatq. illud ab vnigenito & edito ex Patre Verbo, etiam per sequentia declarabit. sic namque scripsit rursum.

Non angelos apprehendit, sed semen Abraam apprehendit. num semen Abraam est ipsa diuinitas? audi etiam sequentem vocem: Vnde oportuit, inquit, per omnia fratribus assimilari. num diuinitati similes vllos habuit fratres ipsum Dei Verbum? Vide etiam quod illico his adiungitur: Vt misericors fieret & fidelis Pontifex ad Deum. in eo enim in quo passus est ipse tentatus, potens est & eis qui tentantur, auxiliari. Ergo is qui passus est, ille est Pontifex misericors; patibile autem ipsum templum est, non Deus qui viuificabat id quod patiebatur. Semen Abraam, is est qui beri & hodie, vt Paulus ait, non qui dixit, Priusquam Abraam fieret ego sum. Similis fratribus per omnia, qui humanæ animæ & carnis fraternitatem suscepit, non ille qui dixit, Qui vidit me, vidit & Patrem.

CYRILLI CAP. 11.

Ergo apprehendit, vt ipse iam est confessus, semen Abraam, ipsum Verbum quod Deus erat. quomodo igitur iã diuinitatis sit possessor, is qui ex semine est Abraam, si à Deo est assumptus, non ipse diuinitatem assumpsisse cernitur? Neque igitur ipsum semen Abraam vllo modo diuinitatis est natura, sed corpus potius Dei Verbi factũ est, secundum scripturas, eiusq. proprium: & ille qui ex naturæ suæ ratione cum creatura simul censeri non potest vtpote Deus, vbi factus est homo, qui est pars vniuersi, tum vero aptissime & fratres nos appellare dignatur, dicens: Narrabo nomen tuum fratribus meis. Porro ipsum ex Deo Patre Verbum per exinanitionis mensuram in id etiam descendisse, vt homines qui in terris erant, sibi fratres diceret, perspicuum faciet beatus Paulus, qui de ipso deq. nobis scripsit: Qui enim sanctificat, & qui sanctificantur, ex vno omnes. propter quam causam non confunditur fratres eos appellare, dicens: Narrabo nomen tuum fratribus meis. nam antequam homo factus esset, exiguum sane erat illi ex Deo genito Verbo nostræ fraternitatis nomen: at vbi ad voluntariam exinanitionem descendit, exiguum sic quoque fuit, sed non citra rationabilem causam receptum: participauit enim carne & sanguine, & his qui in carne erant ac sanguine, frater fuit. nã si sanctificatur nobiscum qua factus est homo, quamuis natura Deus esset, & spiritum ipse daret, cur si vocetur etiam frater, minime decenter dicatur, cum hac de causa factus sit nostri similis, vt nos fratres ac liberos efficeret? Quotquot enim receperunt eum, inquit, dedit eis potestatem filios Dei fieri, his qui credunt in nomine eius. qui non ex sanguinibus, neque ex voluntate carnis, neque ex voluntate viri, sed ex Deo nati sunt. Natum est enim nobiscum secundum carnem illud ex Deo Patre Verbum, vt nos quoque illam ex Deo per spiritum natiuitatem acquiramus: neque iam carnis filij simus, sed in ea quæ supra naturam sunt immutemur, & filij Dei per gratiam simus. factus est enim vt vnus è nobis, ille secundum naturam ac vere Filius vnigenitus. quod cum veritime dicatur, fidem præterea nobis facit beatus Paulus his fere verbis: Quoniam autem estis filij, misit Deus spiritum Filij sui in corda nostra clamantem, Abba Pater. Cur igitur sapientissimam dispensationem pervim eò detorques, vt minus decenter gesta esse videatur, dum dicis: Num semen est Abraam ipsa diuinitas? num vllos habuit fratres diuinitati similes?] An non id certe stuporis est apertissimi? Nam inepte interrogare, & adeo recta & integra dogmata, quod ad dispensationis rationem in Christo intelligendam pertinet, ad blasphemias detorquere, quid aliud est quàm summę amentiæ demonstratio? Certissimum quippe est, illud Dei Patris Verbum, quod ad naturam corporis, siue humanitatis perfectæ rationem attinet, factum esse nostri simile, & per omnia nobiscum, vno excepto peccato, conuenisse. Sed rogare libet eum qui

qui dixit, Num Dei Verbum vllos habuit fratres diuinitati similes? quid nam secum ipse cogitans beatus Paulus scripsit ad quosdam: Filioli, quos iterum parturio, donec Christus formetur in vobis. Quin etiam alibi hominibus qui per fidem perficiebantur in spiritu: Nos vero omnes reuelata facie gloriam Domini speculantes, in eius imaginem transformamur à claritate in claritatem, tamquam à Domini spiritu. Dominus autem spiritus est. vbi autem spiritus Domini, ibi libertas. Num igitur hæc dicit Galatis tamquã corporeæ libertatis formas non habentibus illi ex semine Dauid secundum carnem similes, illosve parturit, vt in ipsis quodammodo figuretur & effigietur secundum carnem Christus? Atqui quomodo non quiuis opinor & sine dubio dicat, conformes sibi inter se omnes esse qui sunt in terris, & ipsi quoque Christo, qua nostri similis homo, & nobiscum consideratur? Qualis ergo effigiatio in illis exigebatur Christo similis? aut quomodo nos à claritate in claritatem transformamur? qua relicta forma, in quam transfiguramur? Ergo nos diuinus ille doctor prodiens doceat, ille diuinorum sacerdos mysteriorum, ille doctor gentium in fide & veritate: Quos enim sciuit, inquit, & prædestinauit conformes fieri imaginis filij sui, hos & vocauit. Ergo vt dudum dixi, qua factus est homo, & fuit ex semine Abraam, omnes illi sumus conformes. Omnes igitur quos Pater præsciuit homines qui sunt in terris, & prædestinauit, hos cum vocasset, sanctificauit & glorificauit. atqui non omnes prædestinati sunt, non omnes sanctificati aut glorificati; non igitur hoc ipsum quòd Filio conformamur, in sola intelligitur carnis humanitatisve natura, sed alio quoque modo: idq. nobis declarat beatus Paulus cum dicit: Et sicut portauimus imaginem terreni, portemus & imaginem cælestis. terreni videlicet imaginem illam primi parentis Adam, cælestis autem, illam Christi intelligens. Quæ nam est igitur prior illa primi parentis imago? nimirum facilitas illa ad peccandum, hoc ipsum quòd morti corruptioniq. sumus obnoxij. Quæ rursus illa cælestis? nullo modo cedere vitijs, non nosse delinquere, non esse morti & corruptioni subiectum, sanctificatio, iustitia, & his affinia atque similia. Sed hæc mea sententia pollidere, diuinæ conuenit immortaliq. naturæ. est enim illa peccato atque corruptione superior, sanctificatio item & iustitia. Ad hæc autem nos etiam attollit ipsum Dei Patris Verbum, dum suæ diuinæ naturæ per spiritum participes efficit. habet ergo fratres sibi similes, & diuinæ suæ naturæ portantes imaginem, quod ad sanctificationis modum attinet. Sic namque Christus formatur in nobis dum Spiritus sanctus nos ab humanis ad sua propria quodammodo transformat. Hac ratione nos quoque beatus Paulus est allocutus: Vos autem non estis in carne, sed in spiritu. Nihil ergo prorsus è creatis

rebus ad ſuæ diuinitatis naturam Filius tranſfert, id enim eſt impoſſibile: ſed imprimitur quodammodo in his qui diuinæ eius naturæ ſunt facti participes, dũ Spiritus ſancti conſortes fiunt, illa ſpiritalis eius ſimilitudo, & ineffabilis illa diuinitatis ſpecies in ſanctorum virorum animis fulget. Cur igitur nudam nobis ac ſolam carnis ſimilitudinem tribuere non erubeſcis, diuina ac ſpiritali effigiatione neglecta, immo vero etiam omnino ſublata? Atque ille quidem vniuerſorum Dominus & Deus vnigenitus, ſemetipſum propter nos ad exinanitionem demiſit, vt nobis fraternitatis ſuæ dignitatem, & inſitæ ſibi nobilitatis exoptandam pulchritudinem largiretur: hic vero omnibus nos rebus præclariſſimis ſpolians, hominem nobis ſimplicem factum eſſe fratrem dicit, & fide dignam, vt ipſe putat, his de rebus rationem pronuntiat, addens: Vide etiam quod illico his adiungitur, Vt miſericors fieret & fidelis Pontifex ad Deum: in eo enim in quo paſſus eſt ipſe tentatus, potens eſt & eis qui tentantur, auxiliari. Ergo is qui paſſus eſt, Pontifex eſt ille miſericors. patibile autem ipſum templum eſt, nõ Deus qui viuificabat id quod patiebatur.] Igitur cui ſic ſentire libeat, atque etiam dicere audeat, quin rurſus in hypoſtaſes proprias, atque etiam in duas perſonas diuidat illud ex Deo Patre Verbum, & illum quem nobis dudum vt deiferum hominem induxit, (ſiquidem diuerſus eſt & ſeiunctus is qui paſſus eſt, ab eo qui viuificat,) qui ambigat neminem prorſus fore arbitror. Sed & alia quoque ratione inſanit, hauſto ex vinea Sodomorum vino, & erroris ebrietate madens, ac fortaſſe illud ipſum quod dicit neſciens. Vbi enim vmquam dictum eſt, Deus Chriſti (horreo referens) ipſum Dei Patris Verbum? Vnus eſt enim Dominus IESVS Chriſtus, & vna eſt in eũ fides, non tamquam in duos ac ſeorſim, ſed tamquam per vnum baptiſmum in vnum Filium & Deum & Dominum, ipſum ex Deo Patre Verbũ, tum quoque cum factum eſt homo. neque enim quia noſtri ſimilis factus eſt, amittet vllo modo quod Deus erat, neque ex eo quod Deus eſt ſecundum naturã, ſimilitudinem nullo modo ſuſcipit, & vt homo ſit refugiet: ſed vt in humanitate Deus manſit, ſic in natura quoque & præſtantia diuinitatis nihilo minus eſt homo. Vtrumque igitur in eodem, & vnus idemq. Deus & homo eſt Emmanuel. Sed iſte bonus vir, reiecto diſpenſationis modo tamquam parum pulchro, aufert à Deo Verbo quæ ſunt humana, vt iam nulla ex parte rebus noſtris vtilitatem aliquam attuliſſe cernatur. Non enim, inquit, ipſum fuiſſe miſericordem & fidelem Pontificem dicit, idq. munus paſſo potius tribuit tamquam ab eo diuerſo. Quamuis qui myſteriorum ſapiens eſſe magiſter velit, quomodo non eum oportuit voces ac ſententias ſacrarum litterarum accurate colligere, atque cogitare vere eſſe Deo dignum hoc munus, & non alienum à ratione quæ eius exinanitioni conuenit, eamq. decet? Id qua ratione verum ſit, iam dicemus quàm breuiſſime.

A Nam ille vniuersorum Deus priscis illis hominibus legem edidit, interprete Moyse. sed non erat ea vis legis, vt qui vellent etiam possent integre quod bonum est perficere. nihil enim ad perfectũ adduxit. Sed neque culpa vacauit illud prius testamentum. ministrationem quoque damnationis appellat eam beatus Paulus. eumdem audio dicere: Scimus quòd quæcumque lex loquitur, his qui in lege sunt loquitur, vt omne os obstruatur, & subditus fiat omnis mundus Deo: quoniam ex operibus legis non iustificabitur omnis caro coram illo. lex enim iram operatur, & littera occidit, & vt alicubi dicit idem, irritam B quis faciens legem Moysi, sine vlla miseratione duobus vel tribus testibus moritur. Cum ergo lex damnaret peccantes, & extremum nonnumquam supplicium in contemnentes decerneret, & nullo modo miseraretur, quomodo non erat necessaria hominibus in terris agentibus illa clementis & misericordis Pontificis declaratio, qui maledicto finem imponeret, præcideretq. vindictam, & eos qui peccauerant, clementi gratia, benignoq. nutu liberaret? Ego enim, inquit, sum qui deleo iniquitates tuas, & non recordabor. Iustificati namque sumus fide, non ex operibus legis, vt scriptum est. In quem igitur credentes C iustificamur? nonne in eum qui propter nos mortem secundum carnem passus est? non in vnum Dominum IESVM Christum? non mortem eius annuntiantes, & resurrectionem confitentes redempti sumus? Si igitur in hominem vnum è nobis credidimus, ac non potius in Deũ, hominis adoratio erit ea res sine dubio, & nihil aliud. Sin illum carne passum Deum esse credimus, qui etiam noster sacerdos sit factus, nullo modo in errore sumus, sed ipsum ex Deo Verbum hominem factum agnoscimus: sicq. à nobis fides in Deum exigitur, qui nos à vindicta eximit, & peccatorum laqueis implicatos liberat. D habet enim potestatem filius hominis etiam in terra dimittendi peccata, vt ipse dicit alicubi. Cum igitur legalis seueritatis, vt ita dicam, acerbitatem cum Christi salute & gratia comparamus, dicimus misericordem Pontificem factum fuisse Christum. Fuit enim & est Deus bonus ex natura, clemens item semper ac misericors, neque talis in tempore euasit, sed eiusmodi est erga nos ostensus. Appellatus est autem fidelis, vt qui maneat semper quod est, vt etiam de ipso Patre dictum est: Fidelis autem Deus, qui non permittet nos tentari supra quàm possumus. Ergo misericors & fidelis Pontifex in nos factus est E Emmanuel. Vt enim Paulus ait, Plures facti sunt sacerdotes eo quòd morte prohiberentur permanere: hic autem eo quòd maneat in æternum, sempiternum habet sacerdotium: vnde & saluare in perpetuum potest accedentes per ipsum ad Deum, semper viuens ad interpellandum pro eis. Porro illud ex Patre Verbum mansisse Deũ, quamuis factus sit sacerdos, vt scriptum est, propter habitum atque mensuram illi cum carne dispen-

Deinde

Deinde nobiſcũ loquitur non tamquam nudum adhuc Verbum, ſed tamquam homo è nobis, & qui vnus iam cum vnita ſibi carne intelligatur. Vt autem propter id quod exinanitioni conuenit, omnia ſui corporis tamquam ſibi propria vindicat, licet ex natura ſit incorporeus, ita quoque cum ipſe ſuperne ſit & è cælo, hoc ipſum ſuperne venire ſibi ipſi rurſum tribuit tum quoque cum factus eſt homo, licet natus ſit nobiſcũ ſecundum carnem ex muliere. Facta ſunt igitur Verbi propria, quæ ſunt humanitatis, rurſumq. humanitatis propria, quæ ſunt ipſius Verbi. Sic namque vnus Chriſtus & Filius & Dominus intelligitur. Sed quia hic nouator adiecit, Similis fratribus per omnia, qui humanæ animę carnisq. fraternitatem ſuſcepit, non ille qui dixit, Qui vidit me, vidit & Patrem; age iam rurſus quid tandem in his verbis ſibi velit, vt licebit conſideremus. Ac Filium eſſe Dei & Patris imaginem & figuram, ipſe quoque fatetur. quis porro humanæ animæ corporisq. fraternitatem ſuſceperit, illam ſcilicet qua nobiſcum iungitur, prodeat ipſe ac dicat: Neque enim quiſquam dicet, hominem qui noſtri ſimilis eſſe cernitur, verbi gratia Barnabam fortaſſe vel Paulum, aut alium quempiam qui cenſeatur inter homines, dici poſſe humanæ animæ corporisq. fraternitatem ſuſcepiſſe, quaſi is aliud quiddam ſit ab hoc diuerſum, quod poſtea ſuſceperit: ſed potius eſt, dum in eo manet quod eſt. non ergo homo aliquis iam exiſtens, accipere idipſum quod eſt, quaſi aliud quiddam à ſe diuerſum, intelligendus eſt. ſed potius illi ex Deo genito Verbo, qui ſecundum ſuæ naturæ rationes nobiſcum in eumdem cenſum referri non poteſt, conuenit humanæ animæ & corporis fraternitatem qua nobiſcum iungatur, accepiſſe. Et huic noſtræ ſententiæ tum ipſa veritatis ratio patrocinatur, tum etiam integræ fidei traditio. Conſtat ergo in forma Dei & Patris Deum Verbum fratrem nobis factũ eſſe per omnia, humanæ animæ & corporis fraternitate ſuſcepta, neque mentitur cum ait, Qui vidit me, vidit & Patrem. Nam ſi quis noſtrum ad eam vſque cogitationum dementiam lapſus eſſet, vt putaret etiam ipſum qui in cælis eſt Patrem ac Deũ eò deijciendum, vt omnino noſtram ſimilitudinem habeat, corpoream nimirum, recte metueret, ne dum Chriſtus dicit, Qui vidit me, vidit & Patrem, ipſum quoque ex quo eſt, ſpecie noſtra eſſe & figuras corporis habere ſuſpicaretur. Sed quia etiam filius hominis factus, hoc quod Deus erat ſeruauit, & ſuæ naturæ pulchritudinem immutabilem retinet, nullo modo verebor dicere, illum eſſe etiam ſimilem nobis qua homo eſt, vt nos ſumus ex anima ſimul & corpore, quamuis natura ſit Deus, & figura ſubſtantiæ genitoris. Vnus igitur idemq. ſimilis eſt fratribus ſecundum carnẽ, & in ſua natura qua Deus eſt, ipſum quoque Patrem oſtendit. Hic vero id non intelligit vllo modo, ſed rectam puramq. myſterij rationem adulterans, alium nobis & alium inducit Chri-

A Christum, & Iudaicorum criminum laqueis captus, vbi sit, & quò malorum venerit minime sentit. Audiebant enim qui de genere Israel erant, Deum clamantem per quemdam sanctorũ Prophetarum, de Emmanuel: Et tu Bethleem domus Ephratha minima es vt sis in millibus Iuda: ex te mihi exibit vt sit in principem in Israel, & exitus eius à principio ex diebus æternitatis. & rursus: Generationem eius quis enarrabit? quia tollitur de terra vita eius. Deinde cum prorsus nullo modo mysterium intelligerent, neque scirent illum, quamuis Deus esset ex natura, & subsistentiæ suæ initium inuisibile & incomprehensibile B haberet, vocatum esse tamen Bethleemitam, vtpote ex radice Iesse ac Dauid ibi secundum carnem genitum, inter se dicebant: Nonne hic est quem quærebant interficere? Ecce palam loquitur, & nihil ei dicunt. numquid cognouerũt principes quia hic est Christus? Sed hunc scimus vnde sit: Christus autem cum venerit, nemo scit vnde sit. Audiebant enim, vt dixi, Prophetam dicere perspicue: Generationem eius quis enarrabit? &, quòd exitus, ideſt essentiæ initium ante omnia sæcula haberet. Iam vero quantus fuerit Iudæorum stupor, rursum considereres velim. Cum enim dicerent: Christus cum venerit, nemo scit vnde sit, rursus inter se dicebant: Hic est vere C propheta. alij vero dicebant, inquit, quia hic est Christus, alij dicebant, Num ex Galilæa Christus venit? nonne Scriptura dicit, quia ex semine Dauid & de Bethleem castello vbi erat Dauid, Christus venit? Vides vt insaniant, dum eius naturam initio carentem, quod ad diuinitatem attinet, & carnalem in tempore generationem fatentur. Sed numquam in tam absurdas ineptasq. sententias abducti essent, si vere intellexissent, ipsum Verbum cum esset Deus, ex radice Iesse & Dauid & ex sancta Virgine hominem prodijsse, appellatumq. esse Bethleemitam, ipsum terræ, cæli, vniD uersorumq. dominũ. Nobiscum enim simul egenus est factus, cum diues esset, vt scriptum est. Quid igitur in Iudæorum nugas te ipse conijcis, & ea sentis ac dicis, quæ neque eloqui fas est, & damnosum cogitare? Vnum nobiscum confitere Christum, neque in duo rursum diuidens dicas: Missus est ille nobis consubstantialis, & vnctus est prædicans captiuis remissionem, & cæcis visum. Atqui quo tandem ibunt Theologorum verba, qui doctores orbis terrarũ fuerunt? Ipsum namque ex Deo Patre Verbum saluatorem ac redemptorem omnium prædicauerunt, non quasi homo ab eo diuersus interiectus sit mediator, vt plane E Moyses, sed potius quòd ille ipse specie ac similitudine corporea ad nos descenderit. Hic namque in Apostolum & Pontificem est vnctus. itaque Iudæos coarguebat, dicens: Nonne scriptum est in lege vestra, Ego dixi, dij estis? Si illos dixit deos, ad quos sermo Dei factus est, & non potest solui scriptura; quem Pater sanctificauit & misit in mundum, vos dicitis quia blasphemas, quia dixi, Filius Dei sum? ad exinanitionem demisit vt orbem terrarum saluum faceret, à rebus erga nos diuinitus plane & admirabiliter gestis excludemus, missum fuisse dicentes illum nobis consubstantialem, quasi alium ab eo diuersum? Atqui nonne satius erat dicere, immo vero ex animo sentire, missum quidem esse illum & factum consubstantialem nobis, hoc est hominē, sed mansisse tamen ipsi Deo ac Patri consubstantialem, qua & cogitatur, & erat, & est Deus? Est namque, est inquam quod erat, etiam cum assumpsit naturam humanam, & eamdem essentiam habens cum Patre qui est in cælis ac Deo, suscepit sapienti consilio nostram quoque similitudinē, quin etiam positus est mediator, qui per seipsum ad respectiuam vnitatem colligaret ea quę naturæ rationibus penitus erāt inter se disiuncta. Nam qui Deus erat ex natura, factus est homo secundum veritatem, vt nos quoque simus genus non iam illius primi, hoc est terreni, ad quem dictum est à Deo, Terra es, & in terram ibis, qui etiam transmittit in mortem; sed illius secundi qui est superne & è cælo, Christi inquam, qui nos ad immortalem vitam reduxit, & naturam morti obnoxiam, effecit incorruptibilem, & peccatis exoluit peccati laqueis implicatam. Sic sane ipse Pater alloquitur Filium: Ecce dedi te in fœdus generis, in lucem gentium, vt aperires oculos cæcorum, vt educeres vinctos ex vinculis, & ex domo carceris sedentes in tenebris. & iterum per Esaiæ vocem: Benedicent me bestiæ agri, sirenæ & filiæ struthionum: quia dedi in deserto aquam, & fluuios in terra inaquosa, vt potum darem generi meo electo, populo quem acquisiui vt virtutes meas narret. Quod cum probe intelligeret beatus Petrus, ijs qui ex gentibus per fidem ad veram Dei cognitionem vocati erant scribens, ait: Vos autem genus electum, regale sacerdotium, gens sancta, populus in acquisitionem vt virtutes annuntietis eius, qui vos de tenebris vocauit in admirabile lumen suum. qui aliquando non populus, nunc autem populus. Quod si quemadmodum tibi ipsi & sentire & dicere placet, missus est ille nobis consubstantialis, non ipsi Patri, nullo modo nos facti sumus diuinæ naturæ consortes. mansimus, vt dixi, & adhuc sumus genus illius primi, qui in maledictionem ac mortem transmittit, & sub peccati reatum. Stulti ergo facti sumus, & ijs nunc quoque nihilominus tenemur, in quibus olim eramus ante illius aduentum. Quomodo igitur iam vetera transierunt, & ecce facta sunt noua? Vbi vero illud: Si quis in Christo, noua creatura? Sed erubescis Deum confiteri similem nobis hominem factum ipsum Dei Verbum? Increpas ergo illum, nec sapienter consultasse dicis quòd se ipsum propter nos exinaniuit. Audies igitur dicentem: Vade post me satana, scandalum es mihi, quia non sapis ea quæ Dei sunt, sed ea quæ hominum. Scrutare nobiscum sacras litteras. Apparuit quondam etiam patriarchæ Iacob de Laban ædibus proficiscenti, cum iam ad ipsa laboc vada peruenisset, sicut scriptum est: relictus est enim

A enim Iacob solus, & luctabatur homo cum ipso usque mane. Vidit autem quòd eum superare non posset, & tetigit latitudinem femoris eius, & obstupuit latitudo femoris Iacob, dum pugnaret cum ipso. dixit autem illi: Dimitte me, ascendit enim diluculum. ille vero dixit, Non te dimittam nisi benedixeris mihi. & post alia rursus: Et *Ibid.* vocauit Iacob nomen loci illius, Species Dei. aspexi enim Deum facie ad faciem, & salua facta est anima mea. Ergo cum videris eum proprio vnctum spiritu, memento illius in carne dispensationis, & cogita humanam naturam: cum videris ab eo Spiritum dari, cum hoc simul admirare illū etiam in humanitate Deum. Sed iste contentiosus nihil horum reputans, sic rursus ait. Rom. 8.

Hic ille fidelis Deo factus Pontifex, factus est enim, non ab æterno erat, hic paulatim, hæretice, ad Pontificis dignitatem progressus. audi clariorem tibi insonantem vocem: Qui in diebus, inquit, carnis suæ preces Hebr. 5.

Fortiter sane, vir egregie, & admodum strenue in dogmata pietatis incursionem facis. Ac beatus quidem Baruch Dei Verbum jam hominem factum, & in nostra similitudine apparentē ostendens, Hic est, inquit, Deus noster, non æstimabitur alius ad eum, inuenit omnē viam scientiæ, & dedit illam Iacob puero suo, & Israel dilecto

Tu vero vocem, hic, & quidem sæpius inculcans, ac propemodum manum intendens, quē nam credentibus ostendis, & subijcijs oculis? atque etiam paulatim progressum ad sacerdotium asseris? Illum prorsus arbitror quem dudum ostendens aiebas: Igitur ille qui passus est, Pontifex est misericors, non ille passi viuificator Deus. Semen Abraam ille heri & hodie, vt Paulus ait, non ille qui dixit, Antequam Ioan. 8.

feratur oratio, & ad scopum sibi conuenientem, B
& à proposito haud alienum tendat: Num quod
ad sacerdotium promouetur & gloriam, non ad
meliora præstantioraq. gradum facit, aut incre-

At enim in sapientia factum esse incrementum dicis. tametsi quomodo id non stultum sit? credimus enim ex ipso ventre atque vtero virgineo, ipsum Emmanuel cum Deus esset, hominem prodijsse, plenum proculdubio sapientia & gratia quæ illi naturaliter inerat. Vt ego arbitror, quia Deus Verbum pro incremento & ætate sui corporis, diuinorum illorum bonorum quæ sibi inerant, manifestationem admetiebatur. Consideremus enim illum quamuis homo iam nostri similis factus esset, initio latere studuisse, veluti sine strepitu ac tacite paulatim mysterij vim disponentem: & ad huius rei fidem Deus ac Pater nobis erit locuples auctor cum dicit: Iacob puer meus, suscipiam eum: Israel electus meus, suscipiet eum anima mea. dedi spiritum meum super eum: iudicium gentibus proferet: non clamabit, neque vociferabitur, neque audietur vox eius foris: calamum quassatum non conteret, & linum fumigans non extinguet. Increpabat etiã ipsos sanctos Apostolos, ne eum manifestum facerent. Ergo noua res & insolita ostensa esset, & quæ curiosius esset exquirenda, si adhuc infans diuinam sapientiæ speciem ostendisset. Sed cum paulatim illam & pro corporeæ ætatis ratione amplificaret, omnibusq. perspicuam faceret, conuenienter admodum profeciisse dici potest. Quomodo igitur paulatim profecit in sacerdotium? in virtutene, rogo te, consummatus? quod si est, qua ratione quisquam ambiget, quod à perfectione virtutis abest, id esse reprehensioni obnoxium, neque per omnia laudandum, immo vero etiam fortasse de peccati crimine culpandum. Atqui verum est non feciisse peccatum, neque inuentum fuisse dolum in ore eius, vt scriptum est. Perfectissimus ergo erat omni ex parte eiusmodi vir, neque vllo modo quidquam illi deerat ad absolutam perfectamq. virtutẽ. Quando autem fuit minus in virtute perfectus, qui etiam in vtero Deus erat? de quo etiam propheta dicit Esaias: Butyrum & mel comedet, antequam

quam sciat vel eligat mala, eliget bonum: quia antequam sciat puer bonum aut malum, repugnabit improbitati, vt eligat bonum. Vndenam igitur tibi supperit virtutis imperfectionem in Christo demonstrare, quave ille progressione indiget, qui adeo est absolutus, vt vniuersæ improbitati repugnet, præferatq. illi, immo vero solam eligat virtutem? Sed nescio qua ratione qui asserit ac dicit: Hic qui paulatim profecit ad summi sacerdotij dignitatem, & ad sua verba confirmanda protulit illud: Iesvs autem proficiebat Luca 2. ætate & sapientia & gratia; propemodum sua verba vt parum decenter dicta condemnans, & eorum oblitus quæ bene habere putauerat, perfectionis modum alia ratione absolutum fuisse affirmat, dicens: Hic ille temporis accessu factus Pontifex, ille per passiones consummatus.] Nonne hoc perspicui stuporis est? immo vero summæ versutiæ indicium? Nam consummatus est quidem per passiones Dominus noster Iesvs Christus: iste vero licet modum quo est consummatus, non ignoret, simpliciorum animos ad remotos quosdam cogitationum anfractus abducit, & profecisse dicit in sacerdotem, & in hoc eum consummatum fuisse, quod quum factus est, dicitur exinanitus. Iam vero tamquam satis ostendisset ipsum Dei Verbum neque carnem factum esse, neque hominem ex muliere prodijsse, eos qui sic sapiunt increpat, dicens: Quid ergo aduersus Paulum interpretaris, dum impassibile Dei Verbum terreno immisces corpori, & passibilem Pontificē facis?] Audi igitur à nobis, quibus etiam carior est veritas: cur peruersè Paulum interpretaris, immo vero vniuersas litteras sacras calumniaris, dum Dei Verbum à carnis dispensatione subducis, & hominem nobis nuda coniunctione honestatum præficis sacerdotem, licet eumdem audias Pontificem simul, & cum Deo & Patre in eodem solio considentem, vt paulo ante diximus? nam Paulus di- Hebr. 8. xit: Talem habemus Pontificem, qui sedit in dextra sedis magnitudinis in cælis. Nam esse impatibile illud ex Deo Patre Verbum, cuiuis vtique apertum est: passum vero carne pro nobis, ipsa vox Theologorum vere dici confirmabit. Quòd si Dei Verbum aufers à terreno corpore, vniuersa ad nihilum concident. nam si homo factus non est, ne mortuus quidem est pro nobis: & si morti proprium corpus non dedit, quomodo dicitur primogenitus ex mortuis? Ergo neque mortuus est, neque resurrexit Christus. Prodeat ergo in medium beatus Paulus, & clamet ac dicat: Si mortui non resurgunt, neque Christus 1. Cor. 15. resurrexit: si vero Christus non resurrexit, vana est fides vestra, adhuc estis in peccatis vestris. Ergo qui dormierunt in Christo, perierunt? Sed resurrexit Christus à mortuis, quia factum est Hebr. 2. homo illud vnigenitum Dei Verbum, & sumpto terreno corpore, vnitoq. sibi secundum hypostasim, gratia Dei, sicut scriptum est, pro omnibus gustauit mortem: factus est etiam primitiæ dormien-

tandem verba deueniant. Ergo (iam enim orationem ad initia reuocabo) qui humanæ animæ & carnis fraternitatem nobiſcum ſuſcepit, & natus eſt ex ſemine Abraam, is primogenitus erit vtique, vt in multis fratribus: ille vero in ſinu Dei & Patris, vnigenitus Deus Verbum. Atqui cum ſacra Scriptura dicat in Filium Dei vnigenitum eſſe credendum, qua de cauſa nobis cognatum atque conſubſtantialem cum propoſueris, dicis non oportere ab eius dimoueri fide? Ergo neceſſe eſt coniungere in vnum Dominum & Chriſtum, coniunctione nimirum ſecundum hypoſtaſin, vt in eodem intelligatur vnigenitus, & primogenitus idem; eo quòd ipſum ex Deo Patre Verbum cum eſſet ex natura Deus, factum eſt homo noſtri ſimilis, & ex ſemine Abraam. At enim acutum ſibi quiddam inueniſſe videtur, itaque ſic rurſus ait:

NESTORIVS. *Meminiſtis autem prorſus eorum quæ ſæpe dixi vobis, cum duas in Chriſto naturas diſtinguerem. duæ ſunt enim, ſi naturam ſpectes; ſi dignitatem, ſimplex. naturarum enim auctoritas vna eſt propter coniunctionem, naturis quidem ſemper in ſuo ordine permanentibus, ſed dignitate coniuncta, vt iam dixi, in auctoritatē vnicam.*

CYRILLI CAP. VI. Sed facile prorſus intellexiſſes, ſi diuinas litteras ſequi ſtatuiſſes, quæ vnum dicunt Dominū IESVM Chriſtum, non ſeiungentes illum ex ſemine Abraam, & illud ex Deo Patre Verbum. Ad hæc illud etiam conſiderare oportuit: alia eſt enim res diuinitas, alia noſtræ ſimilis humanitas, quod ad rationem attinet quæ naturis ineſt. congreſſu autem ſecundum veram vnionem, vnus eſt ex vtriſque Chriſtus, vt ſæpe diximus. hypoſtaſibus vero, vt tu ais, in duo diuiſis, & ſeorſim ac priuatim exiſtere intellectis, quomodo congreſſus in vnam perſonam fiet, niſi vnum alterius eſſe quodammodo proprium dicatur, vt nimirum humanæ animæ proprium intelligitur eius corpus, quamuis diuerſæ ſit ab ea naturæ: neque enim idem eſt anima & corpus. Sed dicet fortaſſe aliquis: Quomodo illa ſancta & adoranda Trinitas in tres hypoſtaſes diſtinguitur, & vnam tamen Deitatis abſoluit naturam? Quia, mea quidem ſententia, cum eadem eſſentia neceſſario perſonarum differentiam ſequatur, credentium intelligentiam ad vnam diuinitatis naturam perducit: in Emmanuele autem, quia Deitas aliud quiddam eſt ab humanitate, niſi dixerimus proprium factum fuiſſe corpus ipſius Verbi per veram vnionem, quomodo vna abſolpetur ex vtroque perſona, cum alterutra ſubſtantia propriam vtrique ferat, vtpote ſeorſim poſita atque ſeiuncta? Et ſi id quod ſumptum eſt, nō fit proprium aſſumentis factum, non ſatis erit coniunctio per ſimplicem dignitatis ſolius & auctoritatis coitionem, ad vnum ac ſolum nobis Chriſtum abſoluendum, qui idem ſimul Deus ſit & homo. Tunc enim profecto ab eius fide dimoueri neceſſe eſt, etiam ſi ex ſemine Abraam ſecundum carnem intelligatur. Cum vero alium & alium eſſe dicas, deinde in illum qui eſt ex ſemine

Indiget igitur hoſtia pro ſuis delictis quiſquis peccati reatu tenetur. & obtulit ſeipſum Chriſtus pro genere ſecundum carnem, hoc eſt pro nobis, non autem pro ſeipſo, cùm peccato ſuperior eſſet, vtpote Deus. nam ſi propter ſe eſt immolatus, ergo non ſoli nos eius ſanguine empti ſumus ſecundum Scripturas, ſed nobiſcum erit ſimul ipſe redemptus. neque iuxta Eſaiæ vocem:

Lex enim homines conſtituit ſacerdotes infirmitatem habentes: ſermo autẽ iuriſiurandi quod poſt legem eſt, filium in æternum perfectum. Quomodo igitur ſanctus eſt Pontifex Chriſtus? vel quomodo innocens & impollutus, ſi nobiſcum indiget hoſtia pro peccatis remittendis & ad peccatores iuſtificandos oblata? Quomodo ſegregatus à peccatoribus, ſi vna cum ipſis iuſtificatur, cùm hoſtia non alia de cauſa offeratur, quàm pro iſtis ipſis? Miror autem quòd clamante Paulo, & quidem apertiſſime, non eſſe illum perſimilem his quibus pro ſuis delictis hoſtias offerre ſit iuſſum, deinde pro delictis populi, non timeas contraria prædicare ijs quæ ille dixit, ſed aſſerere audeas, pro illorum ſimilitudine qui ſecundum legem fuerũt ſacerdotes, etiam ipſum pro ſe hoſtiam offerre. Et ſi verum eſt lege conſtitui ſacerdotes habentes infirmitatem, ſermone autem iuriſiurandi quod poſt legem eſt, filium in æternum perfectũ, cur in eorum numero qui infirmi eſſe conſueuerunt, recenſes illum, ab eorum turba exceptum, & perfectione quæ ſupra legem eſt & intrinſeca & ſecundum naturam inſita præditum, cum ſit vere filius, & ob eam cauſam Deus? Sed videamus etiam ex legali & veteri ſcripto, quemadmodum & pro quibus Deo & Patri ſeipſum obtulerit Emmanuel in odorem ſuauitatis. Vmbra namque lex erat proculdubio, ſed tamen Chriſti myſterij informationem habet, ac veritatis formam.

Quomodo igitur Israelitæ de Aegyptiorum terris migraturi agnum immolauerunt? num pro se ipsis tantum, an etiam pro ipso agno? quosve redimebat per suum sanguinem, num eos qui sub iugo seruitutis erant, & grauissimo premebantur Aegyptiorum dominatu, an se ipsum etiam? à quonam auertebat exterminatorem? quibusve dixit ille Deus vniuersorum: Et videbo sanguinem, & protegam vos; num his qui protectione eius indigebãt, an ipsi etiam agno? Hostias enim pro peccato immolandas, in lege tamquam in tabula designabat Deus ac Pater, adhuc adumbrans Christi mysterium. dixit autem sic ad Moysen sacrorum interpretem: Si vero vniuersa congregatio filiorum Israel ignorauerit non sponte, & latuerit verbum oculos synagogæ, & fecerint vnum ab omnibus mandatis Domini quod non fiet, & deliquerint, & notum factum fuerit illis peccatum quod peccauerunt; & adducet congregatio vitulum ex bobus immaculatum pro peccato. Sed posteaquam exposuit quonam modo hostia sit consummanda, subiungit, & ait: Et propitiabitur pro ipsis sacerdos, & remittetur eis peccatum. Iam ergo consideres velim, afferri quidem vitulum in typo Christi illius mundissimi, & maculam nullam habentis, sed afferentes à suis criminibus liberari, non vitulum prorsus. Immolatus namque est non pro se, vt tu dicis, sed pro infirmis, pro quibus legalis ille Pontifex faciebat preces: vt rursus animaduertas aduocatum illum pro nobis factũ, innocentemq. & sanctum Pontificem, segregatum à peccatoribus. Igitur cum sermo aduersarij vndique absurditate laboret, nos Pontificem & Apostolum confessionis nostræ factum esse dicimus ipsum ex Deo Patre Verbum, cum factus homo, se ad exinanitionem deiecit, & nostra assumpsit, vt seipsum etiam pro omnibus offerens Patri in odorem suauitatis, acquireret orbem terrarum, eximeret veteribus culpis, gratia iustificaret per fidem, mortis atque corruptionis victores efficeret, sacros etiã atque sanctificatos, & in omni virtutis genere perfectos redderet, illum Saluatorem ac redemptorem confitentes, per quem & cum quo Deo & Patri gloria cum sancto Spiritu in sæcula, Amen.

Age igitur, ex legalibus litteris desumpto loco dicamus, filios Israel olim ex Aegyptiorum terris excedentes, cum in terram promissionis properarent, in eremo diuersatos fuisse: cumq. gestorum in Aegypto miraculorum infelices obliti, & memoria caritatis in Deum abiecta impie murmurarent, à serpentibus, vt *Ibid.* scriptum est, perierunt. Sed morsus venenatarum ferarum effugiebant, cum Dei omnium saluatoris oraculo monitus Moyses serpentem illis aeneum erexit. Fac tibi, inquit, serpentem, & po- *Numer.21.* ne illum in signum: & erit, si momorderit serpens hominem, quisquis morsus fuerit, videns illum viuet. Hæc ergo figura mysterium Christi erat. Cum enim Deus esset vnigenitum Dei Verbum, & per naturam bonum ex bono Patre, particeps factum est sanguinis & carnis, hoc est, factum est homo, & nobis qui mali eramus, affinis, quatenus certe homo nostri similis fuit. positum est etiam in sublime, hoc est, crucem pertulit in ligno, & mortem secundum carnem, etsi reuixit die tertia, calcato mortis imperio. Cum igitur aduersus dispensationem carnis stultissime oblo quimur, & turpem illam putantes erubescimus aut sentire aut dicere ipsum Dei Verbum factũ esse nostri similem hominem, & carni secundum veritatem vnitum, tum denique draco ille malorum origo nos occidet, in nostros animos malignitatis suæ seductionem quasi venenum infundens; effugiemus autem, & illatam ab illius peruersitate perniciem amoliemur, si cordis oculos in serpentem coniecerimus, hoc est, si Christi mysterium diligenti animaduersione considerauerimus. tum denique recte sentientes omni dubitatione remota confitebimur ipsum Dei Verbum factum esse carnem, & ita ex muliere prodijsse, vt maneret Deus, eumdemq. Deum simul & hominem esse, neque de humanitatis mensuris erubescentem propter excellentiæ dignitatem, neque rursus diuinæ illius potestatis & summæ gloriæ expertem propter humanitatem. Ὁ θεὸς λόγος ἐγένετο σὰρξ, καὶ ἐσκήνωσεν ἐν ἡμῖν. σωσικάθισεν ἑαυτῷ τὴν ἀναληφθεῖσαν ὁ πατὴρ ἀνθρωπότητα. εἶπε γὰρ φησὶν, ὁ κύριος τῷ κυρίῳ μου, κάθου ἐκ δεξιῶν μου. τὸν δὲ ἀναληφθέντος τὸ πνεῦμα καταλθὼν, σωσικρότησεν δόξαν. ὅταν γὰρ φησὶν ἔλθῃ τὸ πνεῦμα τῆς ἀληθείας, ἐκεῖνος ἐμὲ δοξάσει. βέλει καὶ ἄλλων δεῖ τούτοις αὐτοῖς τῆς τριάδος ἐνέργειαν; ἐσύκησεν ὁ υἱὸς ἐν τῷ σώματι· σωέζησεν ὁ πατὴρ βαπτιζόμενον· ἁγίασεν ἐν παρθένῳ τὸ πνεῦμα. εἶπε πάλιν φησὶ περὶ τῶν ἁγίων ἀποστόλων· ὁ υἱὸς ἐξελέξατο. ἐγὼ γὰρ φησὶν ὑμᾶς ἐξελεξάμην. ὁ πατὴρ ἡγίασεν. πάτερ γὰρ φησὶν ἁγίασον αὐτοὺς ἐν τῇ ἀληθείᾳ σου. τὸ πνεῦμα καταπέμψαι ἐπηγγείλατο.

Λοιπὸν δὲ πάλιν, ὡς σαφῶς τε καὶ ἐναργῶς, καίτοι σάρκα λέγων τὸν ἐκ θεοῦ γεγεννῆσθαι λόγον, τὴν τ' ἐνεργείαν προσημαίνει δυνάμεως, καὶ τὴν ἐφύτητος ἀποφέρει μακρὰν· ὡς ἐνέργειαν αὐτοῦ τὴν σάρκωσιν ἀποφαίνων. ἀπιφέρει γὰρ εὐθύς· βέλει καὶ ἄλλων δεῖ τούτοις αὐτοῖς τῆς τριάδος ἐνέργειαν; ὡς ἤδη πρώτην ἀποδεδειγμένης ἐνέργειαν ἐκ θεοῦ λόγου, τὴν σάρκα γεγενῆσθαι καὶ τὰς γραφάς. καὶ τίς ἡ ἐπέρα μὴ τὴν πρώτην ἐνέργειαν ἀναδέξασθαι, ὥσπερ εἴπεμέν φησιν· ἐσύκησεν ὁ υἱὸς ἐν τῷ σώματι. θεοφόρος ἦν ἀνθρώπος ὁ χριστός. εἶπε δὲ μόνον ἔτι ἐνεργήσας εἰς ἄνθρωπον ὁ ἐκ θεοῦ καὶ πατρὸς ἀναφαίνειν λόγος· ὥστε κἂν εἰ λέγοι τυχὸν ὁ μακάριος εὐαγγελιστὴς, ὁ λόγος σὰρξ ἐγένετο, καὶ ἐσκήνωσεν ἐν ἡμῖν, κατοικῆλθεν ἡμῖν ἕτερον ἀνδρὸς, πλὴν ἐκεῖνο καὶ μόνον, ὅτι κατῴκησεν ἐν ἀνθρώπῳ θεὸς ὢν ὁ λόγος, καθὸ δὲ ἐν ἡμῖν αὐτοῖς. ναοὶ γὰρ ἐσμὲν θεοῦ ζῶντος, καὶ ἐν τούτῳ γινώσκομεν ὅτι ἐν ἡμῖν ἐστιν, ὅτι ἐκ τοῦ πνεύματος αὐτοῦ ἐδωκεν. ἀλλ' οὐ τοῦτο μέντοι ἴσως ἱκανὸς, καταναρκήσας τὴν δυσφημίαν· ὁμολογήσῃς δὲ μεθ' ἡμῶν, ὅτι γέγονεν ἄνθρωπος ὁ τοῦ θεοῦ λόγος· καὶ τοῦτ' ἐστὶν ἡ σάρκωσις. πεισθήσῃ δέ, ὅτι μεμένηκε θεός· καὶ τὸ τῆς ἰδίας φύσεως διεσώσατο κάλλος· κἂν εἰ κεχρημάτικεν υἱὸς ἀνθρώπου, γέγονέ τε τοῦτο καὶ ἀληθῶς. εἶπε τί μοι θαῦμα, συγκαθεῖναι φῆς ἑαυτῷ τὸν πατέρα, τὴν ἀναληφθεῖσαν ἀνθρωπότητα. καὶ κἀγὼ δὲ μᾶλλον, τῆς τῆς ἰδίας θεότητος εἰσφύσεως, ἐκ δυνάμεως τοῦ θεοῦ καὶ πατρὸς, καὶ ἄνθρωπον γεγονότα τὸν ἐξ αὐτοῦ φύσει λόγον· ἵνα μὴ ὡς ἑτέρᾳ τῇ παρ' αὐτὸν ἡ ἀνθρωπότης αὐτοῦ πρὸς ἡμᾶς νοεῖτο καὶ λέγειν. καίτοι τῆς καθ' ἀληθείαν ἑνώσεως, ἵνα τι ἡμῖν ἀπο-

ut putat, ad omnia paris esse efficaciæ sanctam Trinitatem, rursus in hunc modum dicit.

Deus Verbum factum est caro, & habitauit in nobis. Secum considere fecit Pater assumptam humanitatem: Dixit enim, inquit, Dominus Domino meo, sede à dextris meis. Gloriam assumpti Spiritus descendens comparauit: Cum venerit, inquit, Spiritus veritatis, ille me glorificabit. Vis ne etiam aliam ad hæc adiicimus Trinitatis efficientiam? Habitauit Filius in corpore: commendauit baptizatum Pater: efformauit eum in Virgine Spiritus. Deinde rursus ait de sanctis Apostolis: *Filius elegit: Ego enim, inquit, elegi. Pater sanctificauit: Pater, inquit, sanctifica eos in veritate tua. Spiritus effecit oratores.* NESTORIVS. Psal. 109. Ioan. 16. Ioan. 15. Ioan. 17.

Totum quidem sermonem ab eo habitum, & imperitum esse & molestum, facillimum est ostendere: sed in eo quomodo etiam insaniat, exponã. Vna est enim diuinitatis natura, sed subsistit proprie ac singulariter Pater, & Filius, itidemq. Spiritus. efficiuntur autem omnia à Patre, & per Filium in Spiritu: & dum Pater mouetur ad efficientiam aliquorum, proculdubio efficit Filius in Spiritu: & siquid Filius complere dicitur aut Spiritus, hoc sane prorsus est ex Patre, ac per totam pergit sanctam & consubstantialem Trinitatem, in quamcumque rem tendens operatio atque voluntas. Verumtamen in his illud dicendum est. Vide rursum vt aperte & euidenter, quamuis illud ex Deo Patre Verbum factum esse carnem dicat, tamen corrumpat vim sententiarum; & à recto tramite longius abducat, dum ipsam incarnationem esse tamquã eius efficientiã pronuntiat. subijcit enim illico: Vis ne etiam aliã ad hæc ipsius Trinitatis efficientiam?] quasi iam priorem Dei Verbi fuisse ostẽderit efficientiam, id ipsum quod caro factum est secundum scripturas. & quænam sit illa altera post illam priorem efficientia, demonstrat, vt ipse putat, ac dicit: Habitauit Filius in corpore.] Ergo Deifer homo erit Christus. deinde id solum in homine effeciſſe Dei Patrisq. Verbum, perspicuum erit; itaque quamuis dicat beatus Euangelista, Verbum caro factum est, & habitauit in nobis; nil aliud indicabit nisi illud solum, nimirum ipsum Deum Verbum in homine habitasse, vt etiam in nobis ipsis. templa namque sumus Dei viuentis: & in hoc cognoscimus quòd in nobis est, quia ex Spiritu suo dedit nobis. Sed id fortasse minime dices, blasphemiam reformidans: ac nobiscum confiteberis ipsum Dei Verbum hominem factũ: idq. esse incarnationem. consenties etiam mansisse Deum, & suæ naturæ decus seruasse, quamuis appellatus sit filius hominis, idq. secundum veritatem fuerit. Quid igitur iam tibi accidit, vt diceres ipsum Patrem simul secum considere fecisse humanitatem assumptam, ac non potius in suæ ipsius diuinitatis sedibus cõstitisse ex Dei Patrisq. beneplacito, ortũ ex eo Verbum etiam posteaquam factum est homo, ne ipsius humanitas tamquam ab eo diuersa intelligatur aut dicatur à nobis, cùm vera vnio & vnum esse illum

offendat nobis, & eius carnem nõ esse ab eo alienam? Conuinceris ergo in hoc quoque mendax, & à recta ratiocinatione non parum aberrans. Ac si nihil aliud est dicere Verbum factum esse carnem, nisi quòd factum est homo, seruata excellentia diuinitatis, manensq. quod erat, quanam externa gloria opus habuit, cum ipse Dominus esset gloriæ? Glorificabatur enim sine dubio, Spiritu diuina efficiente signa, non vt Deifer homo, ab externa superioreq. natura eo munere comparato, vt nobis accidit, sed Spiritu tamquam proprio vsus. Deus enim erat ex natura; ideoq. Spiritus eius ab eo non erat alienus. Non igitur extrinsecus neque adscitam aliunde dicimus ipsi datam Spiritus efficientiam, similiter ac nobis ipsis, aut certe sanctis Apostolis. Dedit enim illis Christus potestatem aduersus spiritus immundos vt eos eijcerent: iussit etiam vt curarent omnem infirmitatem & omnem languorem in populo. Intrinsecus igitur & ab ipso est Spiritus eius. cuius rei perspicuum est argumentum, quòd etiam alijs illum tribuere potest, & non ex mensura, vt ait beatus Euangelista. nam ille omnium Deus ad mensuram quidem tribuit sanctis viris Spiritus sancti gratiam, & alij quidem dedit sermonem sapientiæ, alij sermonem scientiæ, alteri gratiam curationum: idq. est, vt opinor, quòd tamquam ex mensura possunt ij qui habent efficientiam. At vero Dominus noster Iesvs Christus ex sua plenitudine profundens Spiritum, vt etiam Pater, non illum dat tamquam ex mensura ijs qui digni sunt accipere. Quanam igitur de causa, vir egregie, eum qui nõ ex mensura dat Spiritum, in eorum numerum refers qui dimensum illum habent? dum comparatam à Spiritu eius gloriam dicis, & illius efficientiæ subiectum potius, vt vnum è nobis, gratiæ loco eius cooperationem accepisse, quàm proprio Spiritu diuina signa effecisse. Iudæi namque ad omnia audacissimi cum venenatam linguam aduersus illum exacuerent, impie dicebant: Hic non eijcit dæmonia nisi in Beelzebub principe dæmoniorum. Dominus vero noster Iesvs Christus illos non modica inscitia, immo vero etiam impietate laborare coarguens, Si ego, inquit, in Beelzebub eijcio dæmonia, filij vestri in quo eijciunt? Erat enim in admiratione clarus ille & magnus sanctorum Apostolorum chorus, cum in nomine Iesv Christi Nazareni ederet miracula: itaque reuertebantur gaudentes ac dicentes: Domine, in nomine tuo etiã dæmonia subijciuntur nobis. Sed si fieri potest vt in nomine alicuius eorum qui ad efficiendũ ab alio mouentur, etiam alij paria possint efficere, prodeat ac dicat, quã ob causam nemo celebretur quòd in vllius sancti viri nomine vel spiritus impuros increparit, vel aliud quidpiam quod supra rationem sit, perfecerit. Sed illi quidem à Spiritu ad opus efficiendum impelluntur, & dimensam habent gratiam, hic vero vt Deus operatur, & tamquam per proprium Spiritum sine labore miracula

Porro cùm his quæ à nobis dicta ſunt, conſentire veritatem, neque aduerſus eius verba fictam nos compoſuiſſe declamationem, ſed apertam veramq. redargutionem, ipſe perſpicuum faciet, cum alibi ſic dicat.

Atque cooperationis huius euidens eſt argumentum: Filius eſt factus homo, Pater in throno collocauit, Spiritus ſignis honeſtauit. NESTORIVS.

An vero poſthac ambiget quiſquam, ſententiarum eius intentionem ad inſcitiam ſimul impietatemq. ſpectare, & aduerſus pietatis dogmata eum audacter inſurgere? qui ſicut ipſum Dei Verbum eſſe carnem factum ſtulte reijciens, operatum fuiſſe ait illam inhabitationem in homine; ita rurſus accipit quòd homo factus eſt; quamuis vniuerſæ per orbem terrarum ſanctæ Eccleſiæ, & ipſi venerabiles Patres qui rectæ & immaculatæ Fidei definitionem nobis ediderunt, ſancto Spiritu in eis loquente, incarnatum eſſe & hominem factũ Dei Verbum, non aliud eſſe intelligant, niſi factum eſſe noſtri ſimilem hominem, & ſecundum carnem ex muliere natum, quia nobiſcum factus eſt ſub lege, qui tamquam Deus eſt ſupra legem. Quoniam vero, vt ſæpius dixi, id ipſi propoſitum eſt, vt veritatem infirmet, hac de cauſa & quidẽ audacter ſolus reluctatur, & cum omnium ſententia pugnat, & aduerſus ineffabilẽ gloriam arma mouet; & quod ipſi ſoliq. placet velut quiſquilias quaſdã in Dei Eccleſias inuehere conatur. affirmat enim nihil aliud eſſe humanationẽ niſi inhabitationem, non quòd carnis & ſanguinis ſimiliter ac nos, particeps fieri voluerit ipſum Dei Verbum; tametſi in omnibus CYRILLI CAP. II.

nibus ſanctis hominibus habitarit, & adhuc inhabitet ipſum Verbum, ſemel autem ſit factum in noſtris, & carni vni ſecundum hypoſtaſim communicauerit, in qua etiam pro nobis mortuus eſſe & refurreviſſe creditur, * ſponte carne paſſus eſt. Porro illum temere verba iactare, & de vocum abſurditate parum curare, cum dicit, ſignis per Spiritum editis honeſtari Chriſtum, proximo ſuperiori ſermone ſatis, vt opinor, oſtẽdimus: itaque reliquas eius voces, ſi placet, examinemus. Pater, inquit, commendauit.] ac verbum commendandi, quidnam hoc loco ſit, intelligere non poſſum. nam ea vox è medijs nundinis eſt, & vili concione, & plebeia nugatione plena. ſed tamen puto ſignificare, depoſuit, verbi gratia, vel teſtatus eſt. Quomodo igitur, rogo te, commendauit Pater hominem inhabitatione diuina dignatum? an vero id minime, ſed oſtendit potius proprium Filium hominem factum, manentẽ tamen etiam in carne id ipſum quod erat, & eſt, & erit, nempe Deum? Iesvs Chriſtus enim heri & hodie, idem & in ſæcula. Age igitur, voces de eo dictas exquiramus. Quid ergo ait Euangeliſta? Et teſtimonium perhibuit Ioannes, dicens, Quia vidi Spiritum deſcendentem ſicut columbam è cælo, & manentem ſuper eum. hic eſt qui baptizat in Spiritu ſancto. & ego vidi, & teſtimonium perhibui, quia hic eſt Filius Dei. Ibat enim diſpenſatoria ratione Dominus noſter Iesvs Chriſtus vt Iordanem ſanctificaret, dignatusq. eſt baptizari nobiſcum, vt myſterium illius ſecundum carnem diſpenſationis modis illi conuenientibus exequeretur: oportebat enim vt illud ex Deo Patre Verbum hominem eſſe factum agnoſceretur. ſed baptizabatur quidem vt homo, baptizabat autem vt Deus in Spiritu ſancto. Neque vero dicimus vel more ſubſeruientiũ, vel tanquam ab alio quopiam Spiritus ſancti participationem ſubminiſtraſſe, ſed potius tamquam ex natura Deum ex plenitudine ſua infundentem, ſanctificatos reddidiſſe. Cur ergo rectis verbis ſententijsq. neglectis, effectam eſſe aſſeris inhabitationem in homine ab ipſo Dei Verbo; quamuis quamplurimi ſancti viri inhabitantem in ſeipſis habuerint illum vniuerſorum Deum, & ex ijs nemo in ſuo ſpiritu baptizauerit, aut diuino more in aliquibus habitauerit, aut inhabitaſſe dictus ſit, cum ipſe Chriſtus in nobis habitet per ſanctum Spiritum, qui eſt eius quoque proprius, vt etiam proculdubio Dei ac Patris? Et in hac ſententia ipſe nos confirmat, dicens: Cum venerit Paraclitus quem ego mittam vobis à Patre, Spiritus veritatis, qui à Patre procedit, ille teſtimonium perhibebit de me. Conſidera igitur quemadmodum Spiritum à Deo & Patre procedentem, eumdem etiam veritatis proprium eſſe dicit; ipſe autem prorſus eſt veritas. Atqui ſi revera non Deus homo factus eſt, ſed homo potius eſt diuinam inhabitationẽ tamquam operationem qua creatur, habens, quomodo in ſe credentibus Dei Patriſq. Spiritum tamquam proprium

CYRILLI CAP. III. Audere quidem à diuina illa immortaliq. natura Spiritum abscindere, improbi esse & scelesti animi censeo, & longo interuallo ab eo quod cõuenit, remoti. Consubstantialis est enim Deo & Patri, quin etiam ipsi quoque Filio, & Deus esse & ex Deo creditur. Sed oportere arbitror, iis ad præsens omissis, verba quæ nunc sunt in manibus, examinare, & quò spectent, accurate perspicere. Maiorem, inquit, in ipsum struentes iniuriam, (nimirum in illud ex Deo Patre Verbum,) & Spiritũ à diuina natura separantes, qui eius humanitatem formauit.] Cuiusnam, vir optime, asseris humanitatem à Spiritu formatam? Atqui dudum de ipso Vnigenito & ex Deo Patre ineffabiliter nato verba feceras. ipsum enim diuinam naturam appellabas. ipsius ergo, vt opinor, non alterius humanitatem dicis. Recordare igitur verborum tuorum: propriam enim esse Verbi illam carnem dicis anima rationali præditam scilicet: sic namque erit eius humanitas. Atqui si ipsum ex Deo Patre Verbum vnum est cum sua carne, quomodo diuinis viribus eum indigere putas, & terribilem dæmonijs à Spiritu sancto factum, vt qui à sua natura id non posset efficere: adhæc etiam, hoc ipsum posse conterere satanam, quasi ab alio datum, vixq. dono acceptum. Si igitur non ignoras, separare Spiritum à diuina eius natura, turpissimum habendum esse crimen, & quidem iure, ipsius proculdubio Spiritus est, vt qui per ineffabilem ipsius naturam procedat, & ipsi sit consubstantialis, & ita minime indiguit virtute ab eo data, tamquam externa & aliunde adscita: sed vtetur potius tamquam proprio Spiritu, & per ipsum terribilem se dæmonijs ostendet. Sin tibi placet eos qui separant, impietatis crimine immunes pronuntiare; quomodo nobis dudum eos iniurios appellans, postea teipsum in eorum numerum referre non sentis? siquidem vnitum carni illud ex Deo Patre Verbum velut vnum aliquem è no-

è nostro numero, & vulgarem prorsus, auxilio sancti Spiritus indiguisse dicis vt terribilis immundis spiritibus videretur. nam etiam si in Spiritu Dei dicit se eijcere dæmonia, an non ipsam sermonis dispensationem satis admirabilem, videre oportuit? Iudæorum enim duces cum gloriæ nostri Saluatoris inuiderent, & in eum os effrenatum aperirent, obtrectabant infelices, asserentes eum in Beelzebub principe dæmoniorum eijcere dæmonia. Ille vero insita erga omnes vsus tranquillitate, vt errantes, atque ipsi dicaciter detrahere volentes, ad meliorem sensum ac veritatem ipsam traduceret, gloriam partam ex vi conterendi satanam illi secundum naturam Deo potius tribuebat, in Spiritu Dei dicens se improbos spiritus eijcere; neque seipsum abnegans Deum esse secundum naturam, & Spiritum sanctum proprium habere asserens. Sed quia congruebat, & diuino artificio dignum erat paricidarum iræ cedere, & hominum qui in eo offendebantur, occasiones præcidere; adoriebantur enim, dicentes: De bono opere non lapidamus te, sed de blasphemia, quia tu homo cum sis, facis teipsum Deum; hanc ob causam benigne admodum ad hominum adhuc infirmorum sensum se componens, Dei Spiritum inquit. nouit enim probe, vt iam dixi, seipsum esse ex natura Deum simul cum Patre, & omnia quæ illius sunt, se habere, præterquam id solum quòd est Pater. Itaque etiam dicebat ad illum: Omnia mea, tua sunt, & tua mea, & glorificatus sum in ipsis. & ad nos ipsos cum de Spiritu sancto verba faceret, Omnia, inquit, quæ habet Pater, mea sunt. propterea dixi vobis quia de meo accipiet, & annuntiabit vobis. Vt enim procedit ex Patre Spiritus sanctus, cum sit ipsius secundum naturam, eodem quoque modo per ipsum Filium, cum sit eius naturaliter, ipsiq. consubstantialis. Ergo quamuis per Spiritum glorificetur, ipse tamen se ipsum tamquam per proprium Spiritum glorificare intelligitur; neque ea res illi extrinsecus aduenit, etiam si factus homo nostri similis videatur. Periculosum est autem ad hoc etiam illud dicere de sancto Spiritu, qui carnem ipsius effecit templum. erat enim caro propria Verbi, idq. paulo ante ipse confessus es; ipsius enim esse humanitatem dixisti, & templum ipsius fuit sanctum illud corpus ex sancta Virgine sumptum. proprius item ipsius ille eius Spiritus, neque vmquam illud Dei Verbum sine suo Spiritu intelligitur. Præstat igitur, ac sapientius est dicere, corpus quidem templum esse Verbi, & propriam ipsius carnem: credere item ipsi Verbo semper adesse Spiritum ipsius, vt etiam proculdubio Patri. Ad hæc neque illud quidem vacare culpa dixerim, quod tamquam de communi vulgariq. homine ait, assumptionem in cælum ipsi fuisse dono datam à Spiritu. nam elegit quidem discipulos per Spiritum sanctum, sed assumptus est vt Deus, non quasi eam rem ab alio datã acceperit, sed vt ipse potius veluti

In ſuperiora autem eunti Chriſto itidem adfuiſſe Spiritum ſanctum tamquam ipſius proprium, nemo vmquam ambiget. Cur ergo, dic mihi, non metuiſti dicere: Hunc ergo qui tantam Chriſto largitus eſt gloriam, Chriſti ſeruum efficiunt.] Nam qui illum Chriſti ſeruum faciunt, non dubium eſt quin ſint impij, & ipſum quoque illi conſubſtantiale Dei Verbum dedecorent, cum illum qui eſt ab ipſo, & in ipſo ſecundum naturã, & ipſius proprius, ſeruili menſura circumdent. verumtamen ipſi à Spiritu dono datam fuiſſe gloriam dicere, extremæ ſtultitiæ indicium eſt euidens. Ac nequidquam in hoc nugatus eſſe deprenderis, & eius rei myſterium minime intellexiſſe, immo vero tibi ipſi & ſentire, & dicere contraria. Nam ſi credis ipſum Verbum, cum Deus eſſet, factum eſſe carnem (ipſius enim eſſe humanitatem dixiſti,) cur illum gloriæ Dominum, quaſi non habeat ſuam, gloria à Spiritu data dicis indiguiſſe? & cum intra menſuras computas creaturæ, quæ omnia extrinſecus haber, atque donata? Creaturæ namque audire conuenit: Quid enim habes quod non accepiſti? 1.Cor.4. At enim, inquit, reperio ipſum Emmanuel dicentem: Pater, glorifica Filium tuum. ergo adijce reliquum, hoc eſt: Vt & Filius tuus glorificet te. nam ſi Filium quaſi gloriæ indigentem, à Patre optare gloriam affirmas, quid tandem dices cum glorificatur idem Pater à Filio? Num ita glorificatur, quaſi gloriam non habeat, aut ab alio ſibi tribui indigeat? Apage ab iſto malo cõſilio: nugæ ſunt hæc, & cogitationum impietas, aliud præterea nihil. Nam diuina illa, & vltra omnes alias natura lucem quidem habitat inacceſſibilem, & dominatur vniuerſis, & gloria eſt amicta ipſi ac ſoli decentiſſima: ſed quia vnigenitum Dei Verbum factum eſt homo, & gratia Dei per carnem ſuam pro omnibus mortem erat guſtaturum, & templum ſuum vt Deus viuificando, mortis inexpugnabile robur euerſurum, obtendit quidem precem vt homo, & conſentire ſibi Patrem optat, ſuam ipſius naturam in eum ſtatum transformanti quo prius erat, & ad incorruptionem renouanti, & mortis laqueis potentiorem reddenti, ſoluta ſcilicet veteri maledictione, vindictaq. illa quæ primum formato homini fuerat irrogata. cum Deus sit verus, & vita & viuificans, parem sibi ac per omnia similem, ineffabiliterq. & supra omnem intelligentiam genuit Filium, qui non fuit minor etiam cum in carne natus est, sed præstantem illam egregiamq. naturalis nobilitatis sibi insitæ pulchritudinem integram omnino seruauit, ita vt ipse quoque sit vita, vtpote ex vita, & omnia possit, & sine labore perficiat, & his qui sunt morti corruptioniq. obnoxij, incorruptionem donet. Igitur etiam si glorificari dicatur à Patre Filius, humanitatis mensuram reputa: ne post vnionem in duo diuidas vnum Christum, & Filium, & Dominum; sed vnum eumdemq. similiter & gloriæ Dominũ & Deum intellige, & gloriam humanitus accipientem. Cogita enim illum etsi natura vereq. Deus sit, & rex vniuersorum ac Dominus, tamen constitutum esse regem dici, cum factus homo nostri similis humiliauit seipsum, & factus est obediens Deo & Patri, & nobiscum sub lege. Nullo igitur modo quæ exinanitionis mensuræ conueniunt, sapientes homines & peritos & in fide confirmatos conturbabunt, sed ex ijs ipsis & simul ex his quæ diuinæ naturæ conueniunt, ipsum Filium Deum esse eumdem & hominem agnoscent. Sed sanis verbis non acquiescit, & ad effrænatum impetum admodum pronus, stulte sibi placet, & quæ ipse & quidem solus probat, & recte habere existimat, ea sentienda censet: perdit etiam alios, cum præter illa quę dixit, vnum Dominum nostrum IESVM Christum in duo diuidens, etiã nostrum ipsum diuinum mysterium calumniatur, in eo quòd recusat nobiscum confiteri, Christum nõ similiter atque vnum è sanctis Prophetis aut Apostolis & Euangelistis Deiferum hominem fuisse, sed Deum hominem factum, ac vere participasse carnem & sanguinem. Sic autem rursum dixit, cum tamquam ex persona Christi verba proponeret.

Philip. 2.

Qui manducat meam carnem, & bibit meum sanguinem, in me manet, & ego in eo. memento de illius carne esse sermonem. Sicut misit me viuens Pater, me visibilem. At enim nonnumquam præter sententiam interpretor. audiamus sequentia: Sicut misit me viuens Pater. ille interpretatur diuinitatem, ego humanitatem. videamus quisnam præter sententiam interpretetur. Dicit hæreticus hoc loco diuinitatem. misit me, ipsum Deum Verbum. Sicut misit me viuens Pater, perinde atque ille & ego viuo, Deus Verbum, propter Patrem. deinde posthæc: Et qui manducat me, & ipse viuet. quem tandem manducamus, diuinitatem, an carnem?

NESTORIVS. Ioan 6.

Solam ergo missam fuisse carnem dicis, & ipsam esse asseris eum qui videtur? Satis est ergo etiam id solũ nobis ad viuificandam naturam tyrannide mortis oppressam. Quid ergo diuinæ literæ frustra occinunt, dum carnem factum ipsum ex Deo Patre Verbum, sursum deorsum affirmant? Quis enim prorsus Verbi fuerit vsus, si nobis humana natura etiam ▮ sola & per se cogitetur, satis est ad mortem destruendam, & corru-

ruptionis imperium euertendum? Ac si vt putas, & sentiendum censes, missus est non ipse Deus Verbum, eo quòd est nostri simile factum, sed sola, vt dixisti, missa est à Patre caro visibilis, quomodo non sit omnibus perspicuum, humani corporis proprietatumq. nostrarum nullo prorsus modo participationem habuisse? Cur ergo alibi irrides eos qui in ea sunt opinione? nam dixisti rursum.

HISTORIVS. Joan. 6. *Dicam etiam illius scandali verba. de sua carne Dominus Christus cum illis differebat: Nisi manducaueritis, inquit, carnem filij hominis, & biberitis eius sanguinem, non habebitis vitam in vobis. Verborum sublimitatem qui audierant, non tulerunt. putabant ex insciitia, illum anthropophagiam suadere.*

CYRILL. CAP. V. Atqui ea res quomodo non certa sit anthropophagia? quo vero modo sublime adhuc erit illud mysterium, si non ipsum ex Deo Patre Verbum esse missum dixerimus, & missionis modum confessi fuerimus esse ipsam humanationem? Tum enim videbimus viuificandi vim habere vnitam ipsi carnem, & non alterius carnem, sed factam illius propriam, qui omnia viuificare potest. Nam si ignis hic sensibilis vim suæ naturalis operationis in materias immittit ad quas accesserit, adeo vt aquam ipsam tametsi ex natura sua frigidam, ad qualitatem quæ præter naturam ipsius est, transferat, & calidam faciat; quid mirum, quove modo incredibile videatur, si ipsum ex Deo Patre Verbum cum sit ipsa vita secundum naturam, carnem sibi vnitam viuificam reddidit? propria namque eius est, & non alterius cuiuspiam ab eo diuersi, qui seorsim intelligatur, & vnius è nostro numero hominis. Cum autem ab illa cum corpore mystica veraq. vnione viuificum Dei Verbum segregaris, & omnino disiunxeris, quomodo ipsum corpus adhuc viuificum ostendes? Quis porro ille est qui dicit: Qui manducat meam carnem, & bibit meũ sanguinem, in me manet & ego in eo? Nam si homo quispiam seorsim, & non potius ipsum Dei Verbum factum est simile nobis, res ipsa quæ geritur, anthropophagia erit, & inutilis omnino illa participatio. Ipsum enim Christum dicentem audio: Caro non prodest quidquam, spiritus est qui viuificat. Quod enim ad eius naturam attinet, corruptibilis quidem est caro, & nullo modo viuificabit alios, cum intrinsecus corruptionis morbo laboret. Quod si corpus proprium esse ipsius Verbi dicis, quid portentose ac temere loqueris, atque contendis non esse missum ipsum ex Deo Patre Verbum, sed illum visibilem vt ab eo diuersum, seu carnẽ illius, quamuis vnum Christum diuina Scriptura vbique prædicet, & hominem nostri similem factum esse Verbũ prorsus affirmet, ac rectæ Fidei traditio his finibus contineatur? Sed nimia admodum religione permotus erubescit, vt verisimile est, de exinanitionis mensura, & Deo & Patri coæternum Filium, in eadem cum genitore forma & omnium rerum æqualitate, demissum ad humilitatem

A τοῦ θεοῦ τῆς δοθείσης μοι εἰς ὑμᾶς, ὅτι κατὰ ἀποκάλυψιν ἐγνωρίσθη μοι τὸ μυστήριον, καθὼς προέγραψα ἐν ὀλίγῳ, πρὸς ὃ δύνασθε ἀναγινώσκοντες νοῆσαι τὴν σύνεσίν μου ἐν τῷ μυστηρίῳ τοῦ Χριστοῦ· ἃ ἑτέραις γενεαῖς οὐκ ἐγνωρίσθη τοῖς υἱοῖς τῶν ἀνθρώπων, ὡς νῦν ἀπεκαλύφθη τοῖς ἁγίοις ἀποστόλοις αὐτοῦ καὶ προφήταις ἐν πνεύματι, εἶναι τὰ ἔθνη συγκληρονόμα καὶ σύσσωμα, καὶ συμμέτοχα τῆς ἐπαγγελίας ἐν Χριστῷ. ἐπειδὴ ἤ τὸ τοῦ μυστηρίου φθάσασί τι, καὶ δύναμιν ἠγνοηκότες ἐν ἀρχῇ τῶν πεπλανημένων ἦσαν, ἔξω τρέπεσθαι τοῦ εἰκότος ἤθελον, παραινούσας τι, καὶ δημοθοινίας πληροῦντες ἐν ἐκκλησίαις, τοῖς ἔτι ἁβρὰν ἀνθρώποις, ἐπιτίμα χάριν ὁ μακάριος Παῦλος· μὴ γὰρ οἰκίας οὐκ ἔχετε εἰς τὸ ἐσθίειν B καὶ πίνειν; ἢ τὴν ἐκκλησίαν τοῦ θεοῦ καταφρονεῖτε, καὶ καταισχύνετε τοὺς μὴ ἔχοντας; τί εἴπω ὑμῖν; ἐπαινέσω ὑμᾶς ἐν τούτῳ; οὐκ ἐπαινῶ. ἐγὼ γὰρ παρέλαβον ἀπὸ τοῦ κυρίου, ὃ καὶ παρέδωκα ὑμῖν· ὅτι ὁ κύριος Ἰησοῦς Χριστὸς ἐν τῇ νυκτὶ, ᾗ παρεδόθη, ἔλαβεν ἄρτον, καὶ εὐχαριστήσας ἔκλασε, καὶ εἶπε· τοῦτό μου ἐστὶ τὸ σῶμα τὸ ὑπὲρ ὑμῶν· τοῦτο ποιεῖτε εἰς τὴν ἐμὴν ἀνάμνησιν. ὡσαύτως δὲ τὸ ποτήριον μετὰ τὸ δειπνῆσαι, λέγων· τοῦτο τὸ ποτήριον ἡ καινὴ διαθήκη C ἐστὶ, ἐν τῷ αἵματι τῷ ἐμῷ· τοῦτο ποιεῖτε, ὁσάκις ἂν πίνητε εἰς τὴν ἐμὴν ἀνάμνησιν. ὁσάκις γὰρ ἐσθίητε τὸν ἄρτον τοῦτον, καὶ τὸ ποτήριον πίνητε, τὸν θάνατον τοῦ κυρίου καταγγέλλετε, ἄχρις οὗ ἔλθῃ. καὶ ζῶσα μὲν ἔστι τὸ μυστήριον, καὶ ζωοποιὸς ἡ μέθεξις, ἐν τῇ τοῦ αἱματεκχύτου πιστικῆς θυσίας ἡ δύναμις· ὧν πολὺ τῆς ἐν νόμῳ λατρείας αἱμάτων, ἀπαλαίπωρον ἰδεῖν, καὶ ὡς ἔστι γε εἰπεῖν σκιὰ μὲν ἐκείνα τοῦ Μωσέως τοῖς ἀρχαιοτέροις πεφασμένα, χειρὶ γοῦν D ἅπαξ ἐν τῷ αὐτοῦ τοῦ ἀληθοῦς συλλήψεται ἤ πως ὅτε ἡμῖν καὶ ὁ σοφώτατος Παῦλος, ἀδιαγράφως· ἀθετήσας τις νόμον Μωσέως, χωρὶς οἰκτιρμῶν ἐπὶ δυσὶν ἢ τρισὶ μάρτυσιν ἀποθνήσκει· πόσῳ δοκεῖτε χείρονος ἀξιωθήσεται τιμωρίας, ὁ τὸν υἱὸν τοῦ θεοῦ καταπατήσας, καὶ τὸ αἷμα τῆς διαθήκης κοινὸν ἡγησάμενος, ἐν ᾧ ἡγιάσθη· καὶ τὸ πνεῦμα τῆς χάριτος ἐνυβρίσας; ἤδιον μὲν γὰρ οἱ πάλαι καταδύοντες τὸν ἀμνόν· ἡ δέ γε τῆς βρώσεως δύναμις, οὐκ εἰς πόρον ἀπλῶς ἔχώρει μοίρας, ἀλλ' ἀφ' ἑαυτῆς ἕνεκα τῆς αἰτίας τὸ τῆς θυσίας ἐπετηδεύετο κατὰ νόμον· ἀλλ' ἵνα θανάτου τοῖς ἄλλοις ἐκπεπωκότες, κρείττους τε εἶεν ἅπαξιν αὐτοῦ, καὶ διαδιδράσκοιεν τὸν ἐλεύθρον· τὸν. ζωῇ δὲ αὐθεντικῇ μὲν ἐν μιᾷ νυκτὶ τὸ πεφυτευκὸς Αἰγυπτίων· οἱ δὲ ἐν ψιλῷ τῷ τύπῳ πτήσσοντες, πολὺ μένοι παρ' ἐκείνοις ἐσώζοντο, ἐν σκότει ἔχοντες τὸν σκιὸν, καὶ αὐτοῦ θανάτου κατὰ μικρὸν ἐφαίνοντο. ἐκείνων ἐσώζοντο μὲν οἱ τύποι τοὺς ἐφ' ἡμῶν· ἐν τύπῳ δὲ ἦσαν τὰ καθ' ἡμᾶς, εἰς αὐτὴ λοιπὸν ἐπιλάμψειν ἡ ἀλήθεια, τυτθὸν χρόνον, τὸν ζωοποιὸν ἑαυτοῦ σάρκα ἀφομοιῶσις εἰς μέθεξιν· πῶς γὰρ οὐ πᾶσιν ἐναργές; πολὺ γὰρ ὀλίγα ἐν ἀμείνοσι, καὶ ἐν πᾶσιν ὑπερκειμένοις. καὶ τῷ γε ἔτι μυστηρίῳ δυνάμει ἐναργῶς καθηγεῖται ὁ κύριος ἡμῶν Ἰησοῦς ὁ Χριστός· ἀμὴν, φησὶ λέγω ὑμῖν.

A bis, qui credit in me, habet vitam æternam. Ego ſum panis vitæ. Patres veſtri manducauerunt manna in deſerto, & mortui ſunt. hic eſt panis de cælo deſcendens, vt ſi quis ex ipſo manducet, nõ moriatur. Ego ſum panis viuus qui de cælo deſcendi. Si quis manducauerit ex hoc pane, viuet in æternum: & panis quem ego dabo, caro mea eſt pro mundi vita. Nam quia ex genere Iſrael nati de manna ſuppeditatione Moyſen admirabantur, quod cum per deſertum eius temporis hominibus demiſſum fuiſſet, typum geſſit myſtica benedictionis; vmbra namque erat lex; ideo prudenter admodum Dominus noſter IESVS Chriſtus typum extenuat, vt ad veritatem tranſferat. Neque enim, inquit, ille fuit panis vitæ, ſed ego potius qui de cælo ſum, & omnia viuifico, & me in manducantes etiam per vnitam mihi carnem infero. quod etiam clarius reddidit, dicens: Amen dico vobis, niſi manducaueritis carnẽ filij hominis, & biberitis eius ſanguinem, non habebitis vitam in vobis. Qui manducat meam carnem, & bibit meum ſanguinem, habet vitam æternam, & ego reſuſcitabo eũ in nouiſſimo die. Nã caro mea vere eſt cibus, & ſanguis meus vere eſt potus. Qui manducat meam carnem, & bibit meum ſanguinem, in me manet, & ego in eo. Sicut miſit me viuens Pater, & ego viuo propter Patrem; & qui maducat me, & ipſe viuet. Vide igitur quemadmodum in nobis manet, & corruptionis victores efficit, dum ſe in noſtra demittit corpora, vt dixi, etiam per ſuam carnem, quæ verus eſt cibus, cùm illa legalis vmbra, & cultus per ipſam inſtitutus, non habeat veritatem. Et myſterij quidem ratio ſimplex eſt ac vera, non varijs cogitationum commentis ad impietatem exquiſite compoſita, ſed, vt dixi, ſimplex. Credimus namque illud ex Deo Patre Verbum, cùm ſe corpori per ſanctam Virginem edito, habentiq. rationalem animam vnitler, quæ vnio ineffabilis prorſus ac myſtica fuit, ipſum corpus reddidiſſe vinificum, quippe cum Verbum, vtpote Deus, vita ſit ſecundum naturam, vt nos non ſpiritali tantum, verum etiam corporali modo ſui participes effectos, corruptione præſtantiores redderet, & euacuata per ſe ipſum peccati lege in membris carnis poſita, damnaret peccatum in carne, ſicut ſcriptum eſt. Sed hæc, niſi fallor, noſtro nouorum commentorum dogmatiſtæ nullo modo placent, qui tamquam vitulus contemptor deſertorq. gregis, in id ſolum pergit quod ſibi placet, & huius myſterij vim imminuit, dicens.

Διατί δὲ, καὶ ὡς ἀρτίως ἠκούομεν, ἀμφοτέρων χῦ τε κεκερασμένων, ὁ κύριος τιὼ τοῦ μυστηρίου δύναμιν τοῖς μαθηταῖς ἐδείδου, οὕτω φησί· λαβὼν τὸν ἄρτον, καὶ εὐχαριστήσας, ἔδωκε τοῖς μαθηταῖς αὐτοῦ, λέγων· λάβετε φάγετε πάντες· τοῦτο γάρ μού ἐστι τὸ σῶμα. Διατί μὴ εἶπε, τοῦτό ἐστιν ἡ θεότης μου ἡ ὑπὲρ ὑμῶν κλωμένη; καὶ πάλιν τὸ ποτήριον τῶν μυστηρίων δίδους, οὐκ εἶπε· τοῦτό ἐστιν ἡ θεότης ἡ ὑπὲρ ὑμῶν ἐκχυνομένη· ἀλλὰ τοῦτό ἐστι τὸ αἷμά μου τὸ ὑπὲρ ὑμῶν ἐκχυνόμενον, εἰς ἄφεσιν ἁμαρτιῶν.

Ὅτι μὲν οὖν εὐήθης κωμῳδῇ τὸ ἀντιπαίζειν δοκῶν τοῖς οὐκ οὖσιν ὅλως, καὶ ἀντιξαίρειν εἰκῇ, ἐχομένους εἰς ἀντίφασιν, τὸ μηδενί που πάχα δοκοῦν, ἢ φρονεῖν, ἢ λέγειν, πῶς οὐχ ἅπασιν ἐναργές; εἰ γὰρ δή τις εἶδεν φιλονεικεῖν, ὅτι μὴ ἵππος ἐστὶ τῇ φύσιν ὁ βοῦς· μή τε μιὼ ὁ ἄνθρωπος ἵππος, τοῦτο φρονεῖν, ἢ λέγειν ἀνεχομένου μηδενὸς, πῶς οὐ καταγέλαστος, καὶ πρός γε τούτῳ εἰκαιόμυθος, εἰς ἀέρα δαίων, καὶ πυκτεύων ἐπ' ἀοράτοις, καὶ ἐπ' οὐδενὶ τῶν προκειμένων ἰδρῶτας ἑαυτῷ καὶ πόνους ὀπίνων; χρεὼν γὰρ ἔγωγέ φημι προϋπεῖδέναί τι τὸ ὁμολογημένον· ἵν' ἐν κόσμῳ δὴ τί τι τὰ παρ' ἡμῶν αἰτιάσηται. πάλιν ἐκεῖνο ἴωμεν· εἰ μὲν γὰρ τις ἐῶ ὁ φάσκων πλημῶν, εἰς τιὼ χῦ τοῦ σώματος μεταποιῆσθαι φύσιν τὸν ἐκ θεοῦ λόγον, ἐπιλιῶτό τις αὐτῷ μάλα εἰκότως, ὅτι μὴ μᾶλλον ἔφη τὸ σῶμα δίδους, λάβετε, φάγετε, τοῦτό μού ἐστιν ἡ θεότης ἡ ὑπὲρ ὑμῶν κλωμένη, καὶ τοῦτό ἐστιν οὐ τὸ αἷμά μου μᾶλλον, ἀλλ' ἡ θεότης ἡ ὑπὲρ ὑμῶν ἐκχυνομένη. ἐπεὶδὴ δὲ θεὸς ὢν ὁ λόγος, ἴδιον ἐποιήσατο σῶμα τὸ ἐκ γυναικὸς, ἀλλοίωσιν, ἢ τροπιὼ οὐδεμίαν ὑπομεμενηκὼς, πῶς οὐκ ἰδεῖ πρὸς ἡμᾶς ἂν ψευδοίατο, λέγων, ὅτι λάβετε φάγετε, τοῦτό μου ἐστὶ τὸ σῶμα; ζωὴ δὲ ὑπάρχων ὡς θεὸς, ζωιὼ καὶ ζωοποιὸν ἀπέφηνεν αὐτό. βραχὺ παραρρῶ αὖθις πρὸς τὴν ἀληθῆ, αὐτὸ οἷμαι χῦ σταυροῦ τὸ σωτήριον εἰς λόγους καθοδηγῶν, βασανίζων πλάγιον, καὶ τῆς τῆς εὐσεβείας δόγμασιν ἀσυνέτως αἰτιώμενος τὸν σοφισμὸν τυπτὶ καὶ ἀπιστῇ σου λόγον.

esse nobis ostendere niteris, corporeum latus habentem lancea compunctum? Sed tibi propositum est, vt dixi, ipsum Emmanuel hominem nobis Deiferum in medium producere, non Deum hominem factum. nam ipsum Dei Verbum factum est homo. hæcq. fides cum sacris diuinisq. litteris congruit, & Apostolicæ Euangelicæq. traditionis scopus in hoc ipsum tendit. Tu vero rursus alio quoque modo nobis portenta verborum narras. Simulas enim eos reprehendere qui carnis diuinitatisq. naturam in vnam permiscent essentiam, tametsi nemo sit, vt opinor, qui ista confundat, aut inter se commisceat. Itaque dicis.

Cur autem etiam, vt paulo ante audiebamus, si vtraque, vt tu opinaris, commixta sunt, Dominus noster cum mysterij vim discipulis traderet, sic dicit: Accipite, comedite omnes: hoc est enim corpus meum. cur non dixit, Hoc est diuinitas mea quæ pro vobis frangitur? Rursumq. cum poculum mysteriorum daret, non dixit: Hoc est diuinitas quæ pro vobis effunditur, sed, Hic est sanguis meus qui pro vobis effunditur in remissionem peccatorum. RESPONSIO. Matth. 26.

Per quam stultum sane esse, ijs aduersari velle qui nulli sunt, & frustra contendere, idq. ad oppugnandum sumere quod fortasse nemini vnquam aut sentire aut eloqui visum est, perspicuum omnibus esse quis neget? Nam si quis velit contentiose refutare bouem non esse ex natura equum, neque hominem equum, nemine id sentiente aut dicente, nonne sit ridiculus, & præterea nugator vanus, aërem verberans, & pugnans in incertum, & nulla re proposita sibi molestias ac labores assumens? Oportere enim equidem puto, prius propositum esse aliquid in confesso, vt rite tum à nobis refutatio subiungatur. verumtamen illud dicendum videtur: nam si esset qui dicere auderet, ipsum Dei Verbum in corporis naturam esse muratum, accusaret quispiam, & quidem iure, quòd non dixisset cum corpus daret, Accipite, manducate, hoc est mea, diuinitas quæ pro vobis frangitur, & hoc est non sanguis meus, sed diuinitas quæ pro vobis effunditur. nunc vero cum ipsum Verbum quod Deus erat, proprium sibi fecerit corpus natum ex muliere, neque vllam aut alterationem aut mutationem pertulerit, quomodo non æquum fuit sine vllo mendacio nobis dicere, Accipite, comedite, hoc est corpus meum? Cum autem esset vita tamquam Deus, vitam simul & viuificum illud effecit. Igitur si paululum ad veritatem aspexeris, te ipse de superuacuitate sermonis accusabis, cum vbique nugeris, & aduersum dogmata pietatis tuum hunc adulteratum molestumq. sermonem imprudenter opponas. CYRILLI CAP. VIII.

GLORIATVR beatus Paulus de Christi passionibus,& ait nunc quidem, Mihi absit gloriari nisi in cruce Christi, per quem mihi mundus crucifixus est, & ego mundo: nunc rursus, Non enim erubesco Euangelium; virtus enim Dei est in salutem omni credenti, Iudæo primum & Græco. Atque in hunc modum ille vir spiritu Dei plenus & sibi sentiendum censebat,& ceteros imbuendos. Neque enim hæc frustra scripsit, sed vt nobis persuaderet,vt integritatem eius quæ in illo erat fidei studentes æmulari, de Christi passionibus gloriemur. Sed nonnulli de Christi cruce erubescunt, & doctoribus qui per orbem terrarum extiterunt, quia contraria sentire malunt, impie resistendo, Christi passiones propemodum irridenti miseri, & erubescunt Christi Euangelium, cùm Iudaica stultitia laborent, & illis nulla ex parte sint insciti inferiores. Crux namque Saluatoris nostri illis facta est scandalum. itaque cũ illum vitæ auctorem legisq. finem ligno suffixum viderent, quatiebant aduersus eum exosa Deo capita, nullo modo Deum revera esse credentes qui homo factus esset, atque ad exinanitionem descendisset; sed rati potius vnum promiscue è nostro numero hominem illum esse, & tamquam ex malo cordis sui thesauro proferentes mala, dicebant, Qui destruis templum Dei, & in tribus diebus ædificas illud,salua temetipsum: si filius Dei es, descende de cruce. & iterum, Alios saluos fecit, seipsum non potest saluum facere? Si rex Israel est,descendat nunc de cruce, & credemus in eum. Non enim illum, vt modo dixi, Deum esse putabant secundum naturam, neque Dei & Patris vere Filium, sed de se prædicare, & audacter diuinitatis opinionem sibi arrogare. Itaque nunc dicebant: De bono opere non lapidamus te, sed de blasphemia, quia tu homo cum sis, facis teipsum Deum. nunc ad Pilatum adducebant,& crucifigi rogabant. deinde cum ab eis expoſceretur, vt tantæ aduersus eum maleuolentiæ causas ederent,illico accusabant,& clamabant dicentes: Quia filium Dei se fecit. Verum ecce hoc quoque tempore non ab Israelitis, neque à multitudine Pharisæorum,sed ab ijs qui videntur esse Christiani, & in magistrorum numero censentur, & eorum qui sortiti sunt diuini sacerdotij munus, eadem sustinere conspicitur. Non enim Deus esse secundum naturam, & vnus & solus & vere Dei & Patris Filius creditur. eorumq. in hac re perfidiæ causa est, quòd mortem propter nos carne pati vóluerit, quamuis ea de causa dispensatorie ad exinanitionem descenderit, vt carne pro nobis passus, destrueret mortis imperium, vtpote cùm vita esset secundum naturam,& ex vita, hoc est, ipso Deo ac Patre editus. hominum quippe natura tamquam in initio primaq. radice, hoc est in Adam, corruptionis mor-

morbo laborauerat. Vbi enim per inobedientiam legislatorem & Deum offendit, & qui illum vt esset produxerat, statim sub maledicto fuit, & morti subiectus: & regnauit mors ab Adam vsque ad Moysen, cùm eius criminis pœna in vniuersum ex illo semen ac genus extenderetur. nã velut ex corrupta radice nati, corruptibiles ipsi quoque & mortis laqueis constricti permanebamus miseri. Postea verò quàm de nobis ille conditor meliora cogitauit, & corruptione sublata hominis naturam reformare ad priorem statum voluit, radicem quodammodo nobis alteram protulit, quæ teneri morte non posset, illum inquam vnum Dominum IESVM Christũ, hoc est, illum ex ipsius essentia Deum Verbum ad nostram similitudinem factum hominem, factum ex muliere. Neque enim Deiferum esse hominem promiscue dicimus, sed illud ipsum secundum veritatem ex Deo Verbum carni vnitum fuisse, vt propria anima pro nobis posita, & suo corpore ratione dispensatoria morti propter nos oblato; deinde per resurrectionem ex mortuis victore corruptionis effecto, omnibus in se credentibus fidem faceret, fore vt nos etiam excitet, ac mortis vinculis reddat fortiores, & corruptionis retia paruipendentes. Hac de causa beatum quoque Paulum puto plurimi fecisse & maxime admiratum fuisse Dei & Patris in nos caritatem. dixit enim hoc modo: Quid ergo dicemus ad hæc? Si Deus pro nobis, quis contra nos? qui proprio Filio suo non pepercit, sed pro nobis omnibus tradidit ipsum, quomodo non etiam cum ipso omnia nobis donabit? Quamuis enim quamplurimi homines, gratia & adoptione simus filij, (vocati namque sumus Dij, & filij Excelsi omnes) vnus tamen & solus ille est secundum naturam, eiusq. proprius, ille nimirum ex ipso Deus Verbum, eo quoque tempore cum factus est caro. Sic namque ipsum etiam pro omnibus datum dicimus, vt ipse plane ait: Sic Deus dilexit mundum, vt Filium suum vnigenitum daret, vt omnis qui credit in ipsum, non pereat, sed habeat vitam æternam. Vnigenitus est ergo ille datus: nam solum est ex Dei Patrisq. natum essentia illud ex eo & in eo Verbum. Sed quia factum est homo, ea de causa in eum credimus, illius secundum carnem obitam mortem annuntiantes, & simul resurrectionem confitentes; eumdem scientes & ante sæcula Filium, & in extremis temporibus dispensatorie hominem, passumq. propter nos mortem carne, & excitatum à mortuis. Sed nescio quomodo hic Iudæorum stultitiæ patronus nostris verbis indignatur: nam rursum dixit.

Quòd in natiuitate ex Christi genitrice Virgine diuina scriptura ponat Filij nomen, declarauimus. Audiiam & in morte, si cubi tandem Dei nomen est positum, vt passibilem Deum inducamus: Cum inimici essemus, inquit, reconciliati sumus Deo per mortem Filij eius. Non dixit, per mortem Dei Verbi.

Verum ſane ſcriptum illud eſt: Iuſtus perit in iuſtitia ſua. nam etiam firmum quandoque animum, ab eo quod æquum eſt auertit homo ad nocendum compoſitus, cum vtilitatis ſpeciem latenter induit. Putat enim haud mediocriter ſe pietatem colere, dum id confirmare nititur quod omnes confitentur: & hac de cauſa dicit illum ex Deo Patre Filium ex natura ſua longe à paſſionibus abeſſe, & tentari morte vt Deum nullo modo poſſe, nam ipſa vita vtique aliquo modo moreretur. Sed repugnat tamen etiam nunc Eccleſiæ dogmatis, illam Vnigeniti cum carne diſpenſationem omnino contemnens, & tanti myſterij profunditatem nullo modo conſiderans. Certe ſi vel ipſi exquireremus qualis nam ſit illa Verbi natura, vel ſi alijs rogantibus ac diſcere cupientibus exponeremus, eſſet proculdubio conſequens ac neceſſarium, per omnes ſapientes verasq. ſententias ſtudioſe percurrendo, nullum eſſe morti ad illam acceſſum, & in vniuerſum à paſſionibus eſſe remotam oſtendere. Quoniam vero modus quo ille factus eſt homo, efficit, quod ad rationes diſpenſationis attinet, vt etiam ſi carne mori velit, nihil in propria natura patiatur; cur nos ſpolias pulcherrimis ornamentis? Audiſti namque dicentem: Paſtor bonus animam ſuam ponit pro ouibus. igitur etiam ſi paſſus eſſe dicatur, impaſſibilem nouimus vt Deum, paſſum vero eſſe mortem diſpenſatorie ſua carne dicimus, vt morte calcata, & reſurgens quatenus ſuapte natura vita eſt ac vnificans, reformaret ad incorruptionem id quod mortis tyrannide tenebatur, ideſt corpus. ita in noſipſos quoque vis eius operis recurrit, dum in vniuerſum genus extenditur. Et certe beatus Paulus ait: Ego per legem legi mortuus ſum, vt viuam Deo: Chriſto ſimul cruci confixus ſum. viuo autem iam non ego, viuit vero in me Chriſtus. quod vero nũc viuo, in fide viuo, in carne illa Filij Dei, qui dilexit me, & tradidit ſemetipſum pro me. Non abijcio gratiam Dei. Non enim iam propria viuimus vita, ſed Chriſti, verumq. illud eſt, vnum pro omnibus mortuum, vt qui viuunt, non iam ſibi viuant, ſed ei qui pro ipſis mortuus eſt & reſurrexit. Prius enim quàm affulgeret nobis illud vnigenitum Dei Verbum, inſcitia & tenebris tenebamur, & peccati iugo pretſi, & creaturæ cultum impie tribuentes, relicto creatore atque opifice, & omne improbitatis genus libere ſectantes, in diſcordia miſeri degebamus, quæ illi inimica erant expetentes. ſed reconciliati ſumus per mortem Filij eius, vt ſcriptum eſt. Tu vero contrà, minimi facis veritatem, & tuum ſermonem ad vanitatem effrenato curſu præcipitem proferens, mundum eſſe Deo reconciliatum aſſeris, non tamen per vnigenitum, hoc eſt, per Verbum ex Patre genitum. Sed audiens mortem Filij, deinde verbis Apoſtoli ſubtiliter, vt ipſe putas, examinatis, non es veritus dicere: Non dixit, per mortem Dei Verbi.] Atqui quomodo eiuſmodi oratio prudenter efferri

A ferri potuiſſet, immo vero quomodo non ſummæ fuiſſet inſaniæ plena? Ipſam enim vitam morti obnoxiam dicere, quomodo fuiſſet, rogo te, conſequens? & de natura quæ viuificat omnia, corruptionem enuntiare, quomodo non ſummæ dementiæ fuiſſe & ſummæ blaſphemiæ crimen iure cenſeretur? Non ergo tuis in hac re ſubtilitatibus, vel vanis nugationibus, ſanctorum virorum animus aſſentitur, ſed intelligit prorſus Dei Verbum carne propter nos paſſum; & morte proprij corporis mundum ad reconciliandam cum Patre qui in cælis eſt, pacem, vocaſſe. itaque cum quemdam è ſanctis diſcipulis alloqueretur, dixit:

B Ego ſum via, veritas, & vita, & nemo venit ad Patrem niſi per me. Veritas autem & vita & via quisnam ſit alius, niſi illud Verbum ex Patre genitum, tametſi noſtri ſimile ſit factum ſerui forma ſuſcepta? Eſſe autem nos per ipſum effectos diuinæ naturæ conſortes, & factos prope qui longe olim eramus, dum per ipſum Patri per affectum & habitudinem, atque etiam inter nos per vnam fidem & concordiam vnimur, eo quòd ſumus vnius ſpiritus facti participes, ipſe fidem faciet, dicens ad Patrem ac Deum qui eſt in cælis: Non pro his tantum rogo, ſed etiam pro ijs qui

C crediderunt propter ſermonem eorum in me, vt omnes vnum ſint, ſicut tu Pater in me, & ego in te, vt etiam ipſi in nobis vnum ſint; vt mundus credat, quia tu me miſiſti: & ego claritatem quã dediſti mihi, dedi eis, vt ſint vnum, ſicut nos vnũ, & ego in eis, & tu in me, vt ſint conſummati in vnum. Intellige igitur quòd ipſe quidem in ſuo Patre ſit naturaliter, mediator vero atque conciliator conſtitutus, eo quòd factus eſt nobis ſimilis. In nobis eſt, tum per ſuam carnem quæ nos viuificat in ſpiritu, tum per conſortium ſanctitatis eius, nimirum eam quæ per Spiritum ſanctum acquiritur. Poſtulat autem à Patre gloriæ ac decoris loco, vt ſuam nobis naturam perſpicuam faciat, quòd ſcilicet ſit viuificator, &

D corruptione ſuperior tamquam Deus. itaque rurſus dixit: Ego te clarificaui ſuper terram, opus conſummaui quod dediſti mihi vt faciam: & nunc clarifica me tu Pater apud temetipſum, claritate quam habui antequam mundus fieret, apud te. Opus autem conſummatum ſumus nos, tamquam in ipſo & primo vincentes corruptionem, & calcantes mortis imperium. reuixit enim ex mortuis, vniuerſos in ſe continens. Sed tu hæc verba in aliam fortaſſe intelligentiam detorquens, non de Deo Verbo hæc intelligenda cenſes, ſed ab illo auferens, & ſeorſim ſeparans

E eum qui eſt de ſancta Virgine genitus, tamquam alium filium, illi hæc talia conuenire & ipſe affirmas, & alijs etiam perſuadere conaris, vt eadem tecum & ſentiant & loquantur. Ac plane dices, vnigenitum Dei Verbum cum ſit Dominus gloriæ, numquam tamquam gloriæ inopem, illam à Patre fuiſſe petiturum. verbis gloriam à Patre poſtulet, quis ergo ille erat qui dicebat: Clarifica me claritate quam habui antequam mundus fieret, apud te? Dic ergo mihi, quonam modo ille ex ſancta Virgine homo, vt tu intelligis, ſeorſim poſitus, ante mundum erat? An non illi ſæculorum conditori conuenit mundo antiquiorem habere ſubſiſtentiam, & Patri coæternam? certe nemo ſanus dubitarit. Quando ergo ſemetipſum exinaniuit, formam ſerui accipiens, tum denique etiam ad eam gloriam quæ ſibi ſecundum naturam inerat, cum vnita ſibi quoque carne redire volens, opportune dixit: Clarifica me tu Pater apud temetipſum claritate quam habui priuſquam mundus eſſet, apud te; vt mundus credat quia tu me miſiſti. & ego claritatem quam dediſti mihi, dedi eis, vt ſint vnum, ſicut nos vnum. ego in ipſis, & tu in me; vt ſint conſummati in vnum. Per ipſum igitur reconciliationẽ accepimus: ita enim opus conſummauit quod dedit ipſi ad conſummandum Pater. Aſſertorem meorum verborum rurſus citabo beatum Paulum ita ſcribentem ad vocatos ex gentibus: Nunc autem in Chriſto IESV vos qui eratis longe, facti eſtis prope in ſanguine Chriſti. ipſe eſt enim pax noſtra, qui fecit vtraque vnum; & medium parietem maceriæ ſoluens, inimicitias in carne ſua, legem mandatorum in decretis euacuans, vt duos condat in ipſo in vnum nouum hominem, faciens pacẽ, & reconciliet ambos in vno corpore Deo per crucem, interficiens inimicitias in ſemetipſo. Et veniens euangelizauit pacem vobis qui longe fuiſtis, & qui prope. Quinetiam alibi: Iuſtificati igitur ex fide, pacem habemus ad Deum per Dominum noſtrum IESVM Chriſtum. Igitur reconciliati ſumus Deo & Patri per mortem Filij eius, euacuante eo vel interficiente inimicitias in carne ſua, iuxta ſacrarum litterarum fidem. Tu vero diſpenſationis rationes euertis, & recuſas confiteri Dei Verbum pro nobis carne paſſum, commentis quibuſdã imperitis vſus: nomen enim Filij, Verbo ex Deo genito ac nobis ipſis commune eſſe dicis: deinde bonorum in nos collatorum illum eſſe auctorem negans, per quem ſaluati ſumus, Deum Verbum, tamquam alteri ab illo & ſeorſim intellecto, vni ex noſtro numero, ea propter quæ glorificatur, tribuere aperte deprehenderis: ac putas ad ea confirmanda quæ dixiſti, & quæ non recte ſentis, tibi ſatis ſuperq. futuram ipſam homonymiam; non aduertens etiam ſi cum ijs quæ ſecundum naturam habent vt ſint aliquid, nonnullæ aliæ res eodẽ nomine vocentur, non ea de cauſa illa expellenda eſſe quæ ſunt ſecundum naturam, illorum propria, ijs ſemper tribuendo quæ ex poſitione aut ex imitatione dicuntur: ſed oportet, vt opinor, eorum quæ geruntur exquiri naturas, & ea quibus maxime conuenit, attribuere. Verbi gratia, Pater ipſe & eſt & appellatur Deus. ex ipſo autem etiam omnis paternitas in cælo & in terra nominatur, vt ſcriptum eſt. ſunt vero nobis alij

hominum voces: ſed denuo illa ponere deprehenditur quæ nemo recte circa Fidem ingrediens alterum dicere pateretur. Nam Dominum gloriæ illum crucifixum eſſe dicimus, & eſt ſecundum veritatem: ſed cùm indiuiduum & vnum cum vnita ſibi carne anima rationali præditum ipſum Dei Verbum agnoſcamus, ipſum eſſe dicimus qui proprij corporis tamquam immaculatum ſacrificium, & odoratiſſimam hoſtiam ſe ipſum Deo & Patri obtulit, ac ligno quod aduerſum nos erat chirographum affixit. Certe per vocem Dauid eum dicentem audire licet: Sacrificium & oblationem noluiſti, corpus autem perfeciſti mihi: holocauſta & pro peccato non placuerunt tibi, tunc dixi, Ecce venio. in capite libri ſcriptum eſt de me, vt faciam Deus voluntatem tuam. Nihil agente iam legis mandato, & nihil perficiente, & Deo ac Patre iam nolente cruentas hoſtias, corpus ſibi perfectum dicit, [a] vt eidem pretio ſalutis ac vitæ vniuerſorum dato, omnes & à mortis corruptione, & inſuper à peccatis eriperet. Ipſum igitur dicimus ex Deo Patre Verbum voluiſſe etiam pro nobis carne pati, ſecundum ſcripturas. ſic nos imbuit beatiſſimus Paulus: Qui cum in forma Dei eſſet, non rapinam arbitratus eſt eſſe ſe æqualem Deo, ſed ſemetipſum exinaniuit, formam ſerui accipiens, in ſimilitudinem hominũ factus, & habitu inuentus vt homo, humiliauit ſemetipſum factus obediens vſque ad mortẽ, mortem autem crucis: propter quod & Deus exaltauit illum. Conſidera igitur, vt is qui in forma Dei & Patris erat vtpote Deus, ille character ſeu figura ſubſtantiæ eius, & qui nullo modo minor erat, cum per omnia ſit & intelligatur æqualis, exinaniuerit ſe metipſum, & in humilitatem ſponte demiſerit. Iam quis nam ſit exinanitionis modus expone, quomodo etiam ſit humiliatus formam ſerui accipiens, & vſque ad mortem factus obediens, mortem autem crucis. An non eſt omnibus euidens, id humiliari quod ſublime ſit, non quod intrinſecus & ex natura ſubmiſſum & humile? id, niſi fallor, exinaniri, quod plenum ſit, & nullius rei indigeat? illud etiam accipere ſerui formam, quod ante illam fuerit ſecundum naturam liberum? illum etiam hominem inueniri, qui id non erat prius quàm eſſet inuentus? Quis ergo ille eſt ſecundum naturam ſublimis, qui ſe ipſum ad humilitatem deiecit? quis etiam plenus, vt exinanitus eſſe intelligatur? quis vltra ſeruitutis menſuras, vt dicatur ſerui formam accepiſſe? quis cum homo prius noſtri ſimilis non eſſet, id inuentus eſſe dicitur? hæc enim vni ex noſtro numero & vulgari homini audere tribuere, ſtultum ſit, & extremæ omnium amentiæ revera plenum: conuenient autẽ aptiſſime illi ſupremæ naturæ. Sed illud Dei Verbũ ex nimia erga nos benignitate atque clementia obtulit pro nobis propriũ corpus, & accepta ſerui forma factus eſt Deo & Patri obediens vſque ad mortem: nec refugiendum cenſuit quo minus carne pro nobis pati vellet,

A vellet, quamuis vt Deus esset secundum naturam impassibilis. iste vero stulte de diuinis eius propter nos consilijs erubescit, & quem honorare se existimat, afficit iniuria: nam à passione illũ eximit, tametsi nemo illum in sua natura passum dicat: nec sentit se prohibere ne illum saluatorem & redemptorem vniuersorum confiteamur, si is per quem saluati, & per cuius venerandam crucem redempti sumus, alter ab illo sit proprie ac seorsim filius & Dominus. Ac si est homo simplex, & non in humana forma ipsum ex Deo Patre Verbum apparuit, prodeat, ostendat & in forma ipsum esse & æqualitate Patris, (non enim
B rapinam arbitratus est esse se æqualem Deo) & *Philip.2.* præterea serui formam accepisse, tamquam non habuerit aliquando, & exinanitum fuisse, vt qui in propria natura plenitudinem habuerit. nam beatus Paulus illum qui in forma & æqualitate *Ibid.* Patris erat, factum fuisse illi obedientem dicit etiã vsque ad mortem, mortem autem crucis. an non perspicua est sententiarum eius absurditas? Cum vero beatus Paulus ipsum crucifixum glo- *1.Cor.2.* riæ Dominum appellet, nemo vtique asseret, non illum dicere humanitatem, sed diuinitatem. Vnum enim fatemur Christum, & filium, & Dominum gloriæ ipsum ex Deo Patre Verbum propter nos hominem factum, & carne propter nos
C passum, secundum scripturas. Verumtamen haud leuiter criminatus eos qui Deo Verbo dominationis nomen tribuunt, & ab humanitate illud auferunt, vt qui summam, vt ipse dicit, copulationem distrahere velint; quasi eorum quæ dixit oblitus, illum vnum in duo distrahere deprehenditur, etiam de illa summa copulatione, vt ipse dicit, parum curare. nam imperite rogat: Dominus ne est etiam homo, an secus? si quidem est Dominus, quæ dicuntur consentiunt.] Ergo si, vt tua habet insscita scisscitatio, Dominus est
D ipsum Verbum seorsim ac proprie, Dominus etiam ipse homo, duo proculdubio erunt Domini ac filij. nullo ergo modo vis tuæ istius summæ copulationis credentibus proderit certe ad intelligendum vnum Christum & Dominum & Filium cum vnita sibi carne. proposita namque & in medium prolata Emmanuelis persona, siue quis hominem dicat, ipsum ex Deo Patre Verbum formam serui sumpsisse intelligimus, & ex mensuris exinanitionis declarari dicimus; siue etiam Deum vnigenitum, eumdem esse credimus hominem iam factum & incarnatum. Sed enim, vt dixi, vni ac soli homini, & intellecto seorsim ab illo ex Patre Verbo tribuens illius cum
E carne dispensationis opera, & ipsum sustinuisse pro nobis crucem asserit, & esse gloriæ Dominum affirmat, & supremæ omnium naturæ ornamenta nudæ creaturæ circumponit. ait enim: Audiamus beatum Paulum aperte clamantem, quisnam sit ille crucifixus: Etenim crucifixus est ex *2. Cor.13.* infirmitate, sed viuit ex virtute Dei. Quis infirmatus est, hæretice? ille ne Deus Verbum?] Infirmitatis quidem omnis prorsus expers à nobis credi-

ereditur illud ex Deo Patre Verbum, ipse est enim Dominus Virtutum. Sed tamen illud expone, metuis ne de eo infirmitatis nomen accipere? quam ob causam? cùm illa per carnem dispensatio illum eximat ab iniuria, etiam si quidpiam passus esse dicatur ex his quæ à natura ipsius & gloria sunt aliena? Nam si cum
2.Cor.8. diues esset, pauper factus est, & factus est nostri similis forma serui susceptа, etiam si dicatur infirmatus ex humanitate, nihil absurdi est, vt illum qui diues erat, pauperem factum consideres, illum sublimem in humilitate, illum Virtutum Dominum in nostra infirmitate. Habet autem etiam hac ex parte admirationem eius mysterium. nam quomodo esurire dicitur, cum
Ioan.6. ipse sit panis vitæ, & è cælo descenderit, & vitam
Ioan.4. det mundo? quomodo fatigatus est ex itinere, qui suo spiritu solidat cælos? Sed non feres, vt verisimile est, si hæc de ipso Vnigenito dicantur. Atqui tua verba curiosius inquirens reperio, in quibus aperte dicis, tamquam ex persona Vnigeniti.

HISTORIVS. *Quòd cum sim Dei forma, serui formam indui: quòd cum sim Deus Verbum, in carne conspicior: quòd cum vniuersitatis sim dominus, personam pauperis propter vos indui: quòd cum esuriam visibiliter, esurientibus cibum subministro.*

CYRILLI CAP. III. Quomodo igitur, quæso, cum infirmitatis nomen metuas, & ab eo auferas, etiam si dispensationis ratio repugnet, ipsum dicis esurire visibiliter seu humanitus, subministrare tamen diuinitus cibum esurientibus? An vero infirmitatis genus esse negas quòd cibo indiguit, & quòd esurire dicitur nostro more? Sed vituperare volentibus ipse dispensationis modus fortiter obsistet. Cogimur ergo vel si illum ab omnibus quæ ex humana condicione & humiliter dicta sunt, eximere volumus, nudo homini has passiones tribuere: vel si cogitamus illum, cum Deus esset, factum esse nostri similem, confiteri esse quidem impatibilem ex natura diuinitatis, sed præterea dicere passum esse pro nobis infirmitatem ex humana natura, nimirum ex condicione carnis. Alioqui expone roganti, si placet: Crucifixum illum ex infirmitate dicit beatus Paulus; amouet autem ipse hanc rem à Deo Verbo quòd exiguam esse & vilem dicat, & eo indignam. alius ergo erit ab eo ille crucifixus, quem etiam gloriæ Dominum diuinus ille magister appellat, di-
2.Cor.2. cens: Si enim cognouissent, numquam Dominum gloriæ crucifixissent. Num ergo mansit Dominus gloriæ qui infirmatus est, & quidadeo indecentẽ & humilem passionem sustinuit? Si mansit, nullam ex eo quòd infirmatus est, iacturam fecit. cur ergo metuis dicere, Dei Verbum ad hæc dispensatoria ratione descendisse? Sin revera perdidit ne esset vltra Rex gloriæ, & sic rem se habere quispiam asserit, summæ impietatis crimen merito sustinebit. Flectitur enim ipsi omne genu,
Philip.2. & omnis lingua confitebitur quia Dominus IESVS Christus, in gloriam Dei Patris. Per vniuersum

A uersum enim orbem terrarum dilatatur gloria Christi, qui passus est pro nobis carne, vt sæpe diximus. Cum igitur audis hominem Spiritu sancto plenum dicere: Crucifixus est ex infirmitate, sed viuit ex virtute Dei; pie dictum intelliges. nam passum dicit humanitus, quamuis naturam haberet prorsus à patiendo remotam. cumq. sic se haberet, infirmari carnem sustinuit, & humanitus mori cum sustinuisset, diuinitus reuixit, cum ipse suum viuificasset templum, vtpote virtus Patris. Certe instante iam tempore quo crucem pro nobis erat subiturus, abiens orauit, di-
B cens: Pater, si possibile est, transeat à me calix iste. adiecit etiam illud ad finem orationis: Verumtamen non sicut ego volo, sed sicut tu. Quoniam vero semel, quamuis omnipotens Verbum ac Deus esset, nostram infirmitatem subire statuit, facti causam vt redderet, summo dispensationis consilio ait: Spiritus quidem promptus, caro autem infirma. Considera igitur vt nihil ipse deiectus, neque etiam infirmitatem in suam naturam suscipiens, concesserit carni per suas proprias leges pergere: & ipsius ea res dicitur, propterea quòd proprium est eius corpus. Igitur hominem quidem ipsum nobis ostendit ipsa carnis infirmitas, sed Deum infirmitatis igna-
C rum agnouimus in eo quòd mortem haud est perpessus, & à proprio corpore corruptionem repulit. Vita namque est & virtus Patris. Nam quòd illam in his rebus infirmitatem insuetam sibi & inuoluntariam, fecerit voluntariam in Dei & Patris beneplacito, vt saluum faceret orbem terrarum, docebit ipse cum dicit: Quia descendi de cælo non vt faciam voluntatem meam, sed voluntatem eius qui misit me: vt omne quod dedisti mihi, non perdam ex eo, sed resuscitem illud in nouissimo die. Atqui quonam modo, si quidem bona est Patris voluntas, alteram tamen proculdubio bonam propriam se habere ab illa
D diuersam voluntatem dicit Filius? Nam Il minus est bonus, quomodo imago iam & figura eius creditur? quomodo item vere dicet, Ego & Pater vnum sumus? &, Qui vidit me, vidit & Patrem? Neque enim quisquam in haud bono, videat eum qui ex natura sit bonus. atqui bonus Filius ex bono exortus est Patre, estq. eius imago nulla in re ab eo varians. Quanam igitur voluntate relicta quam suam esse fatetur, Patris voluntatem se fecisse dicit? Propriæ carnis morte liberaturus erat mox eos à morte qui illi erant obnoxij, ideſt nos. Sed hoc ipsum mori carne turpe erat, & sibi, vt iam dixi, insuetum & refugiendum: id quoque nostra causa sustinuit in beneplacito Patris. Nouerat enim optime si propter carnis suæ passiones modicum fuisset inglorius, se omnes ad statum longe præstantiorem transferendo liberaturum. Si quis enim in

sum esse asserunt illum gloriæ Dominum; illumq. propter nos à Iudæis illatas iniurias voluntarie sustinuisse, mortemq. in ligno dispensatorie pertulisse, non vt nobiscum remaneret mortuus, sed vt euerso illo omnibus inexpugnabili mortis imperio, naturam hominis ad incorruptionem reuocaret. Deus enim erat in carne. Iste vero rursum occasiones vnum in duo diuidendi vndique sibi colligere moliens, frustra his repugnat qui nulli sunt, quosdam etiam criminatur quasi aduersus veritatem dixerint, & Christi mysterij rationem adulterarint, itaque dicit.

HISTORIVS. *Libenter hoc loco hæreticos interrogem, qui diuinitatis humanitatisq; naturam in vnam commiscent essentiam, quisnam sit qui nunc à proditore Iudæis traditur. Si enim amborum est facta commixtio, ambo simul à Iudæis detenta sunt, & Deus Verbum, & humanitatis natura. Quis vero est eadem passus? cogor humilioribus verbis vti, vt omnibus quod dicimus perspicuum fiat. in quem, rogo te, ipsius gestæ rei cecidit actio? Si in ipsam diuinitatis naturam, quomodo vtrũque commiscere audes? Si mansit Deus ita vt à Iudæis teneri non posset, & in cædis perpessione nullam habuit cum carne societatem, vndenam rogo commixtionem inducis?*

CYRILLI CAP. IV. Si qui sunt qui naturarum factam inter se confusionem dicant, Verbiq. naturam impossibilem sustinuisse mixtionem, & in carnem demutari potuisse contendant, vel vnitam illi carnem tandem in diuinitatem transisse, ij aberrant à vero, & à recto sensu longe remoti, immo vero extrema dementia laborantes, audient à nobis: Erratis nescientes scripturas, neque virtutem Dei. Inconcussa est enim illa Dei Verbi natura, & vicissitudinis obumbrationem pati nescit: sed cùm carni & sanguini communicasset, & eorumdem similiter ac nos particeps esset effectus, vt scriptum est, mansit idem. Quod si quisque in sacris litteris educatus nefas putat vel auribus tantum accipere, in illo Vnigenito vllam factam esse mutationem, cur tam turpes sententias, & vnico ab omnibus suffragio damnatas & omnino reiectas, tamquam veras ac prolatas accipiens, illum impartibilem diuidere etiam post vnionem conaris? Nam si vere discere cupias quis nam à proditore Iudæis traditus fuerit, & cædem sustinuerit, clare audies: Ille vnus & solus Christus, & Filius, & Dominus, hoc est, illud ex Deo Verbum quod serui formam accepit, & homo factum est & incarnatum. venditus est enim à proditore ducibus Iudæorum, & humana condicione tenebatur quidem, nam & homo erat ita vt simul maneret Deus: sed tamen ex diuina condicione coarguit eorum infirmitatem à quibus tenebatur. idq. nobis perspicuum facit beatus Euangelista Ioannes qui in hunc modum scripsit: Iudas ergo cum accepisset cohortẽ, & à Pontificibus & Pharisæis ministros, venit illuc cũ later-

CYRILLI CAP. V. Ipse quidem suum secutus propositum hæc dicit: at nos illi sapientius ac verius Emmanuelem ostendemus mundi totius saluatorem ac redemptorem. Verbum enim, vt iam sæpe diximus, caro factum est, cumq. corpus proprium effecisset quod posset iniurias ac mortem pati, illud pro nobis dedit, & vt ait beatus Paulus, crucem sustinuit confusione contempta. Quid enim non dedecus est, & quædam prope confusio illi omnipotenti & viuificanti, & naturam habenti remotam à passionibus, ex humana infirmitate putari crucifixum, & mortem secundum carnem perpessum? Itaque ipse plane dicit per vocem Esaiæ: Dorsum meum dedi in flagella, & maxillas meas ad palmas: faciem autem meam non auerti à confusione sputorum. & iterum: Ideo non sum confusus, sed posui faciem meam vt duram petram, & cognoui quòd non confundar, quia prope est qui iustificat me. Nam quod attinet ad Gentilium atque etiam Iudæorum impiam turbam, scandalum simul & stultitia existimatum est Christi mysterium. derident namque miseri venerandam crucem. sed eius infirmitatis, vt ipsi opinantur, finis euasit ad magnitudinem gloriæ revera diuinæ. nam comprobatum est per resurrectionem ex mortuis & illum esse Deum, & Dei revera filium, vt qui mortis corruptionisq. victor fuerit, & simul cum Patre ab omnibus adoretur. Audi autem sacras litteras hoc ipsum nobis proclamantes: Sic dicit Dominus: Sanctificate despicientem animam suam, execratum à gentibus, seruis, principibus. Reges videbunt eum, & consurgent: principes & adorabunt eum. Confitemini, inquit, sanctum esse illum vtpote Deum: illum qui suam animam despicit, hoc est, qui suam animam contemnit. nam illam pro ouibus posuit, vt pastor bonus: quem execratæ quidem sunt Gentes, & serui & ministri alapis dehonestarunt, cùm Pharisæorum turba illi impie insultaret. hunc videbunt reges & consurgent: hunc adorabunt principes tamquam Deum scilicet qui ad exinanitionem se deiecerit, vt passus carne seruaret orbem terrarũ. hic ille est cui pro nobis spinea corona fuit circumposita: hic non alius qui ex humanitate quidem crucifixus est, & dixit: Deus meus, Deus meus, vt quid me dereliquisti? sed ex diuinitate cohibuit solis lumen, & in die media noctem posuit, ne illum simplicem hominem, nuda, vt tu asseris, coniunctione nobilitatum, qua nempe cum illo ex Deo Verbo sit copulatus, confiteamur, sed Deum esse credamus, in nostra specie, & in forma serui, memores illum per vocem Prophetæ dixisse: Et induam cælum tenebris, & ponam vt saccum vestimentum eius. nia,

nia, in quo omnia constant, ipsum dixit caput esse datum Ecclesiæ, & ipsum esse primogenitum ex mortuis. Sed dices fortasse, concedo equidem illud ex Deo Patre Verbum esse ex natura vitam: sed quo modo, quave ratione vita mori potuit? Præclare, necessaria & perutilis est quæstio. Ergo ad mysterij vim illud vtiliter assumitur, vt intelligamus atque etiam dicamus ipsum semper viuens & viuificans Dei Verbum carnem esse factum, hoc est, corpus illud quod mortem suscipere potest, proprium sibi fecisse, vt ipsum passum intelligatur, quia proprium ipsius passum est corpus. Sic namque ipsum factum primitias dormientium dicimus, & primogenitum ex mortuis. positus namque nobiscum in monumento dicitur per propriam carnem, qui mortuos suscitat, vt nos etiam simul cum ipso excitemur. hanc namque nobis innouauit viam, & hac de causa humiliauit semetipsum, ad exinanitionem & ad humanitatem nobiscū se deijciens, quamuis ille vnigenitus Deus ex natura esset, & ex Deo Patre ortus. Sed iste putat nimirum eos qui hæc ita se habere existimant & vere sentiunt, ad extremum summæ dementiæ peruenisse: & vbique prætexens oportere illud ex Deo Patre Verbum impatibile confiteri, dispensationis modum ab eo aufert, & quidem in totum, & quodammodo dedignatur aut sentire aut dicere illud esse pro nobis passum, quamuis sacræ litteræ carne passum dicant, licet impatibile & incorporeum, quia corpus passum est ipsius proprium, ipsiq. vnitum. Dixit autem rursus in hunc modum.

qui intelligere nequeunt, vt ſcandali occaſione ſublata, rectam & certam veritatis viam reddamus. Dedit ergo morti proprium corpus ad modicum tempus: gratia namque Dei, vt inquit Paulus, pro omnibus guſtauit mortem. deinde cum ipſe eſſet illa viuificatrix Dei Patrisq. dextra atque potentia, morte atque corruptione valentius illud effecit; ad idq. credendum locuples nobis ipſe teſtis erit, dicens Iudæis: Soluite templum hoc, & in tribus diebus excitabo illud. Intellige ergo quemadmodum ſuum ſe templũ excitaturum pollicetur, quamuis Deus ac Pater dicatur excitaſſe. dextra namque, vt dixi, & potentia Patris illa viuificatrix eſt ipſe Filius. Itaque etiam ſi diuini illius templi viuificationem efficere Pater dicatur, effecit tamen per Filium: viciſſimq. etiam ſi illam Filius effeciſſe videatur, non tamen citra Patrem in Spiritu. vna enim diuinitatis natura in tribus proprijs hypoſtaſibus intelligitur, & in omnibus rebus gerendis motum habet atque operationem, ſpiritalem nimirum & Deo dignam. Concedebat ergo corpus propriæ naturæ legibus, & mortis guſtationem excipiebat, idq. cùm vnitum illud Verbum opportune pati ſineret: ſed vi diuina vniti ſibi ſecundum hypoſtaſim Verbi viuificabatur. Totum igitur Emmanuel intelligimus, quod eſt interpretatum, nobiſcum Deus, cum beatum Petrum dicentem audimus: Hunc IESVM ſuſcitauit Deus. etiam ſi illum viſibilem dicas & ligno ſuffixum, illum Thomæ manibus contrectatum, nihilominus illud ex Deo Patre Verbum intelligimus incarnatum, vnumq. & eumdem Filium confitemur. Cum enim per naturam eſſet inuiſibilis, factus eſt viſibilis, eo quòd viſibile illud corpus proprium eius erat. itaque beatus Dauid pſallit: Deus manifeſte veniet, Deus noſter & non ſilebit. atque etiam beatus Habacuc: Deus de Theman veniet, & Sanctus de monte vmbroſo condenſo. Hic cum eſſet etiam impalpabilis, propter vnitum ſibi corpus palpabilis factus eſſe dicitur. Lucas certe ſcribit, Quoniam quidem multi conati ſunt ordinare narrationẽ quæ in nobis completæ ſunt rerum, ſicut tradiderunt nobis qui ab initio ipſi viderunt, & miniſtri fuerunt ſermonis. Adhæc ait beatus Ioannes: Quod fuit ab initio, quod audiuimus, quod vidimus oculis noſtris, quod perſpeximus, & manus noſtræ contrectauerunt de Verbo vitæ, & vita manifeſtata eſt, & vidimus & teſtamur, & annuntiamus vobis vitam æternam, quæ erat apud Patrem, & apparuit nobis. Sed niſi fuiſſet palpabilis atque viſibilis, vtpote corpus proprium habens tactui viſuiq. ſubiectum, quomodo ſapientiſſimi illi diſcipuli vidiſſent Verbum, quomodo etiam ſe perſpexiſſe & contrectaſſe dicerent Verbum vitæ, quæ erat apud Patrem, & apparuit nobis? Hunc igitur ipſum contrectabilem atque viſibilem, hunc qui ligno ſuffixus fuerat, Thomas agnouit, ac rectiſſime Deum ac Dominum fatebatur. dixit enim continuo: Dominus

Sed hic bonus vir propemodum de diſcipuli vocibus ſtulte erubeſcens, Non confeſſus eſt, inquit, Dominum & Deum eſſe illum primogenitum ex mortuis: ſed vim ſermonis peruertit ad ſuam opinionem, & ait, Deum admirabilium operum effectorem glorificaſſe, cum dixit: Dominus meus, & Deus meus. Atqui proximo ſermone demonſtratum eſt, illum vnigenitum cum eſſet ſecundum naturam Deus, impalpabilis & inuiſibilis, palpabilem eſſe factum & viſibilem. Cum vero dicis: Non enim contrectatione diuinitas inuenitur, illud è contrario dicemus, Quid diſpenſatione reiecta, tamquam de nuda diuinitate diſſeris? & quaſi oblitus & incarnatum fuiſſe, & hominem factum illum impalpabilem & incorporeum, ſacras litteras non ſuſtines quæ illum Deum appellant, propterea quòd carne ſit contrectatus, & viſus ſit item ſanctis Apoſtolis. HISTORIA.

Quoniam vero ſi dixiſſent, Credimus in vnũ Deum Verbum, futurum erat vt mors diuinæ naturæ tribueretur, ideo nomen accipiunt commune, nempe, IESVS *Chriſtus, vt & mortuum illum ſignificarent, & illum non mortuum.* His adijcit: *Itaque perinde ac ſi quis dicat, Ille homo eſt mortuus, quamuis anima ſit immortalis, tamen quia nomen dixit quod ſignificat duas naturas, & corpus quod moritur & animam immortalem, ideo nihil eſt periculi in ea voce; vtrumque enim vocatur homo, & corpus & anima; item igitur etiam magnus ille chorus de Chriſto dixit.*

ὁ κύριός μου, καὶ ὁ θεός μου. ἆρα πρὸς αὐτὸν ὁ κύριος ἡμῶν Ἰησοῦς Χριστός· ὅτι ἑώρακάς με, πεπίστευκας· μακάριοι οἱ μὴ ἑωρακότες, καὶ πεπιστευκότες. τί πεπίστευκας εἰπέ μοι; ἆρα οὐχ ὅτι θεὸς ὢν φύσει, τὸν ἴδιον ἐκ νεκρῶν ἀνέστησε ναόν; καίτοι πῶς ἀμφίλογον τὸ πρᾶγμά ἐστιν; ἀλλ' ὁ χρηστὸς οὗτος, μονονυχὶ τῆς τοῦ μαθητοῦ φωνῆς ἐπιψευδέλεως ἀποστὰς, οὐχ ὁμολογήσει φησὶν, αὐτὸν, ὅτι καὶ κύριος καὶ θεός ἐστιν, ὁ πρωτότοκος ἐκ νεκρῶν· ὡς μᾶλλον δὴ τὸ αὐτῷ δοκοῦν τὴν τοῦ λέγειν δύναμιν, καὶ φησὶν, ὅτι τὸν θαυμαζόμενον ἐν δοξολογίᾳ θεὸν, λέγων, ὁ κύριός μου καὶ ὁ θεός μου. προστιθεὶς δὲ τούτοις, ἵνα τὸ ψηλαφητὸν προσαναιρῶν θεὸν, ἵνα γὰρ ψηλαφήσῃ θεότης ἀνείσηται. Ἐπιτιμᾷς οὖν τῷ μαθητῇ εἰπέ μοι, κύριον καὶ θεὸν ὀνομάζοντι τὸν Χριστόν; καίτοι δέδαχεν ἡμῖν ἀρτίως ὁ λόγος, ὅτι θεὸς ὢν κατὰ φύσιν ὁ μονογενὴς, ἀναφὴς καὶ ἀόρατος, ἁπλῶς γέγονε καὶ ὁρατός. ὅταν δὲ λέγῃς, ἵνα γὰρ ψηλαφήσῃ θεότης ἀνείσηται, πάλιν ἐκεῖνο ἐροῦμεν, τί παρωσάμενος τὴν οἰκονομίαν, ὡς περὶ γυμνῆς διαλέγῃ θεότητος; ἀλλὰ λήθω δὲ ὥσπερ ἐλληνικὸς, ὅτι καὶ ἐσαρκώθη καὶ ἐνηνθρώπησεν ὁ ἀναφὴς καὶ ἀόρατος, σὺν αὐτῇ θεὸν ὀνομαζούσης αὐτὸν τῆς θεοπνεύστου γραφῆς, διό τι τὸ ψηλαφητὸν σαρκὶ, ὡφέλει τι ὁμοίως τοῖς ἁγίοις ἀποστόλοις. ἀλλ' ἡμεῖς γε ὧν τὸν, ὁμοῦ τῷ μακαρίῳ Θωμᾷ, τὸν τῷ ξύλῳ προσηλωμένον, τὸν ψηλαφητὸν χερσὶν, ἐωραμένον τε τοῖς ἀνθρωπίνοις ὄμμασι, τοῖς αὐτῷ πρεπούσαις δοξολογίαις στεφανοῦντες φαμὲν, ὁ κύριός μου, καὶ ὁ θεός μου. ὅτι γὰρ καὶ εἴ τις λέγοι σαρκὶ τῇ ἰδίᾳ παθεῖν τὸν τοῦ θεοῦ λόγον, οὐκ ἂν ἁμοιρήσαι τοῦ καὶ ἐπαινεῖσθαι δεῖν, καὶ φρονεῖν ἐλεύθερα τὰ ἀληθῆ· μεμίνηκε γὰρ καὶ οὕτως ἁπλῶς· πρόσωπον καταδείξαι πάλιν, ἐξ ὧν γέγραφας αὐτὸς, ἤγουν ἔφης ἐν ἐκκλησίαις. Ἐπαινῶ μὲν γὰρ ἀξιοῖς τοὺς ἁγίους πατέρας ἡμῶν, τοὺς ἐνταῦθα φημὶ, τῇ Νικαέων ἁγίᾳ συναγηγερμένους, ὡς ἀκεραίᾳ καὶ πεπρεσβευμένῃ τῆς πίστεως ἡμῖν τῶν ὁμολογίαν εὖ μάλα πεπιημένους· προφρόνως γε μὴν ἂ τὰ ἐκείνων· πόθεν; οὔπω μὴν τῆς τῆς ἀληθείας δόγμασιν ἐνηρείσας τὸν νοῦν, ὀρθὰ βαίνειν ἐπιθυμεῖς, χωλεύεις δὲ ὥσπερ ἀμφοτέραις τῇ ἰγνύᾳ, ἁ τὸ γεγραμμένον· τοῖς μὲν τῆς ὀρθότητος ἐφαπτὰς ἀκινήτως ἐπιπολῆς, κραταιὸν γοῦν ὡς ἀληθῶς τὸ αὐτῷ σοι δοκοῦν· μᾶλλον δὲ καὶ εἰς αὐτὸς ἵφης ἐμμένων ἀξιῶν· διείρκω δὲ λέγοντα περὶ τῶν ἁγίων πατέρων.

Ἐπειδὴ δὲ εἰρήκασιν, ὅτι πεπίστευκεν εἰς ἕνα θεὸν λόγον, ἐμέλλεν ὁ ἀναφὴς τῇ θνητῇ λοχίζεσθαι φύσει, ὄνομα δέχονται κοινὸν τὸ, Χριστὸς Ἰησοῦς, ἵνα καὶ τὸν δοκοῦντα σημαίνωσι, καὶ τὸν μὴ δοκοῦντα. ἀσπάζομαι δὴ τούτους· ὥστε εἴ τις λέγοι, ὁδοῦσα ἄνθρωπος ἀπέθανε, καίτοι ἡ ψυχὴ ἀθάνατός ἐστιν, ἀλλ' ἐπειδὴ τὸ ὄνομα εἶπε τὸ σημαῖνον τὰς δύο φύσεις, καὶ τὸ σῶμα τὸ δοκοῦν θνῆσκον, καὶ τὸν ψυχὸν τὸν ἀθάνατον, οὐκ ἔχει κίνδυνον ἡ φωνή. ἄνθρωπος γὰρ καλεῖται ἀμφότερα, ἥ τε σῶμα, καὶ ἡ ψυχή. οὕτω τοίνυν καὶ ὁ μέγας ἐκεῖνος χορὸς ἔφη περὶ Χριστοῦ.

totus id homo passus non absurde intelligatur,

sic se res habet in omnium nostrum Saluatore

Coloſſ.1. Paulo qui ſic ſcripſit: Et nos cum eſſemus alienati, & inimici ſenſu, in operibus malis, nunc autem reconciliauit in corpore carnis ſuæ per mortem, vt exhiberet nos ſanctos & immaculatos & irreprehenſibiles coram ipſo, ſi tamen permanetis in fide. Ergo fides quidem iuuat eos qui illam firmam ſeruare ſtatuerint; ſed quomodo iuuet, beatus Ioannes aſſerit cum dicit:
1.Ioan.5. Quis autem eſt qui vincit mundum, niſi qui credit quòd IESVS eſt filius Dei? Hic eſt qui venit per aquam & ſanguinem IESVS Chriſtus: non in aqua ſolum, ſed in aqua & ſanguine. Et Spiritus eſt veritas, quia tres ſunt qui teſtimonium perhibent, Spiritus, & aqua, & ſanguis: & hi tres vnum ſunt. Si teſtimonium hominum accipimus, teſtimonium Dei maius eſt: quia hoc eſt teſtimonium Dei, quia teſtificatus eſt de Filio ſuo. Qui credit in Filium Dei, habet teſtimonium in ſe ipſo: qui non credit Deo, mendacem fecit eum, quia non credidit in teſtimonium quod teſtificatus eſt de Filio ſuo. Quo modo autem Deus ac Pater teſtificatus ſit de Filio ſuo, beatus Ioannes Baptiſta nobis declarabit, dicens:
Ioan.1. Et ego nesciebam eum, ſed qui miſit me baptizare in aqua, ille mihi dixit, Super quem videris Spiritum deſcendentem & manentem ſuper eum, hic eſt qui baptizat in Spiritu ſancto. & ego vidi, & teſtimonium perhibui, quia hic eſt Filius Dei. Teſtimonium itaque perhibetur Domino noſtro IESV Chriſto & Patris voce, quòd eius Filius ſit natura & ſecundum veritatem: teſtimonium quoque nihilominus perhibetur aqua & ſanguine & Spiritu. & ſancta quidem aqua peccata credentium abſtergit, viuificat autem homines qui ſunt ſuper terram, ſuo ſanguine, ac Deo coniungit. Sed quia eſt ſecundum naturam Deus, etiam ſancti Spiritus munus abunde largitur, & tamquam proprium in animas credentium effundit, vt illos tum diuinæ naturæ ſocios efficiat, tum ſpe futurorum bonorum coronet. Vnum igitur confitemur Filium Chriſtum IESVM Dominum, ideſt, illud Dei Verbum hominem factum & incarnatum, & hunc crucifixum, & reſurgentem à mortuis, venturumq. ſuo tempore in gloria Dei & Patris cum ſanctis Angelis. Per ipſum, & cum ipſo, Deo & Patri gloria cum ſancto Spiritu in ſæcula. Amen.

Finis Libri V.

A παντὸς ἐσώ γεγέναμεν ἀγαθοῦ; τί γὰρ δι' αὐτῆς ἐκερδάναμεν, ἔστι τι καὶ μάλα σαφῶς ἐκ τοῦ μακαρίου Παύλου· καὶ ἡμᾶς ποτὲ ὄντας ἀπηλλοτριωμένους, καὶ ἐχθροὺς τῇ διανοίᾳ ἐν τοῖς ἔργοις τοῖς πονηροῖς, νυνὶ δὲ ἀποκατήλλαξεν ἐν τῷ σώματι τῆς σαρκὸς αὐτοῦ διὰ τοῦ θανάτου, παραστῆσαι ἡμᾶς ἁγίους, καὶ ἀμώμους, καὶ ἀνεγκλήτους κατ' ἐκείνον αὐτόν, εἴ γε ἐπιμένετε τῇ πίστει. Σὺν ἐκείνῃ μὲν ἡ πίστις τοὺς ἀπολλυμένους αὐτῷ ἐλομένους πρεῖν· ὀνίνησι δὲ καὶ πῶς ποτε, ὁ πανσοφος ἡμᾶς Ἰωάννης πιστώσατω, λέγων· Τίς δέ ἐστιν ὁ νικῶν τὸν κόσμον, εἰ μὴ ὁ πιστεύων ὅτι Ἰησοῦς ἐστιν ὁ υἱὸς τοῦ θεοῦ; οὗτός ἐστιν ὁ ἐλθὼν δι' ὕδατος καὶ αἵματος, Ἰησοῦς Χριστός· οὐκ ἐν τῷ ὕδατι μόνον, ἀλλ' ἐν τῷ ὕδατι καὶ αἵματι· καὶ τὸ πνεῦμά ἐστιν ἡ ἀλήθεια, ὅτι τρεῖς μαρτυροῦσι, τὸ πνεῦμα, τὸ ὕδωρ, καὶ τὸ αἷμα· καὶ οἱ τρεῖς τὸ ἓν εἰσιν. εἰ τὴν μαρτυρίαν τῶν ἀνθρώπων λαμβάνομεν, ἡ μαρτυρία τοῦ θεοῦ μείζων ἐστίν· ὅτι αὕτη ἐστὶν ἡ μαρτυρία τοῦ θεοῦ, ὅτι μεμαρτύρηκε περὶ τοῦ υἱοῦ αὐτοῦ· ὁ πιστεύων εἰς τὸν υἱὸν τοῦ θεοῦ, ἔχει τὴν μαρτυρίαν ἐν ἑαυτῷ· ὁ μὴ πιστεύων τῷ θεῷ, ψεύστην πεποίηκεν αὐτόν, ὅτι οὐ πεπίστευκεν εἰς τὴν μαρτυρίαν, ἣν μεμαρτύρηκεν περὶ τοῦ υἱοῦ αὐτοῦ. μεμαρτύρηκε δὲ τίνα τρόπον ὁ θεὸς καὶ πατὴρ τῷ ὑῷ, σαφηνείᾳ λέγων ὁ θεσπέσιος ἡμῖν Ἰωάννης ὁ Βαπτιστής· κἀγὼ οὐκ ἤδειν αὐτόν, ἀλλ' ὁ πέμψας με βαπτίζειν ὕδατι ἐκεῖνός μοι εἶπεν, ἐφ' ὃν ἂν ἴδῃς τὸ πνεῦμα καταβαῖνον καὶ μένον ἐπ' αὐτόν, οὗτός ἐστιν ὁ βαπτίζων ἐν τῷ πνεύματι τῷ ἁγίῳ. καὶ ἐγὼ ἑώρακα, καὶ μεμαρτύρηκα, ὅτι οὗτός ἐστιν ὁ υἱὸς τοῦ θεοῦ. μαρτυρῆται δὲ καὶ διὰ τῆς τοῦ πατρὸς φωνῆς ὁ κύριος ἡμῶν Ἰησοῦς ὁ Χριστός, ὅτι φύσει τε καὶ κατ' ἀλήθειαν υἱός ἐστιν αὐτοῦ· μαρτυρῆται δὲ οὐδὲν ἧττον διά τε τοῦ ὕδατος καὶ τοῦ αἵματος, καὶ τοῦ πνεύματος. ὕδατι μὲν τῷ ἁγίῳ διασμύχει τῶν πεπλυμένων τὰς ἁμαρτίας. ζωοποιεῖ δὲ διὰ τοῦ ἰδίου αἵματος καὶ συνάπτει θεῷ τοὺς ἐπὶ τῆς γῆς. ἐπειδὴ δέ ἐστι κατὰ φύσιν θεὸς, καὶ τὸν τοῦ ἁγίου πνεύματος χορηγέαν πᾶσιν ἁπλῶς, ὡς ἴδιον αὐτοῦ τῆς τῶν πεπλυμένων ἐγκρίνει ψυχάς, θείας τε φύσεως καινοὺς ἀποφαίνων, καὶ τῇ τῶν ἐσομένων ἀγαθῶν ἐλπίδι στεφανῶν. ἵνα τοίνυν ὁμολογήσωμεν υἱὸν Χριστὸν Ἰησοῦν καὶ κύριον, πιστέον τὸν τοῦ θεοῦ λόγον ἐνανθρωπήσαντα καὶ σεσαρκωμένον, καὶ παθόντα ἐσταυρωμένον, καὶ ἐγηγερμένον ἐκ νεκρῶν, ἤδη τε καὶ καιροὺς ἐν τῇ δόξῃ τοῦ θεοῦ καὶ πατρὸς μετὰ τῶν ἁγίων ἀγγέλων. δι' αὐτόν τε, καὶ σὺν αὐτῷ τῷ θεῷ καὶ πατρὶ ἡ δόξα σὺν ἁγίῳ πνεύματι εἰς τοὺς αἰῶνας· ἀμήν.

ΕΠΙΣΤΟΛΗ ΤΟΥ ΑΓΙΟΥ ΚΥΡΙΛΛΟΥ ἀρχιεπισκόπου Ἀλεξανδρείας πρὸς τὸν μακαριώτατον Σύλλεκτον ἐπίσκοπον τῆς Διοκαισαρείων τῆς ἔνδον τῶν Ἰσαύρων ἐπαρχίας, Περὶ πίστεως.

ΕΝέτυχον μὲν τῷ ὑπομνηστικῷ τῷ σῷ ἁγιότητος ἀποσταλέντι, ἡδέως ἄν ἄγαν ὅτι καίτοι δυνάμενος ἡμᾶς τε καὶ ἑτέρους ὠφελεῖν ἐκ πολλῆς ἄγαν φιλομαθίας, ὅμως τρέπεσθαι ἀξιοῖς ἃ εἰς νοῦν ἔχομεν, ἢ οἷς φρονεῖν ὑπολαμβάνομεν, ταῦτα καὶ γράψαι. Φρονοῦμεν τοίνυν περὶ τῆς τοῦ σωτῆρος ἡμῶν οἰκονομίας, ἃ καὶ οἱ πρὸ ἡμῶν ἅγιοι πατέρες. ἀκολουθοῦντες γὰρ τοῖς ἐκείνων ἴχνεσι, τὸν ἑαυτῶν νοῦν καταρυθμίζομεν, ὡς τὰ κατ' ἐκεῖνον αὐτοῖς εἶναι, καὶ μηδὲν τῇ τῶν δογμάτων ὀρθότητι καινὸν ἐπισφρῆσαι. ἐπειδὴ γὰρ ἡ τοῦ παλαιόπνου Διοδώρου ἐπιβουλεύσασα πίστει χεὴ λέγειν ὅτι χρεὼν δύο φύσεις, ἢ μὴ, δεῖν ἡμᾶς φάναι πρὸς τοῦτο ἐπεῖν. Διόδωρός τις, πνευματομάχος ὢν καὶ καιρούς, ὥς φασι, κεκινδύνηκε τῇ τῶν ὀρθοδόξων ἐκκλησίᾳ. οὗτος δοκιμάσας, ὥσπερ οὖν ἔσεσθαι, τὸν τῆς Μακεδονικῆς αἱρέσεως ἄπλουν, εἰς ἑτέραν ἐκπέπλωκεν ἀρρωστίαν. προφάσκει γὰρ καὶ γράφει, ὅτι ἕτερος μὲν ὁ κατ' ἰδίαν ἐστὶν ὁ ἐκ πατρὸς μόνου Δαυὶδ γνησίως ἐκ τῆς ἁγίας παρθένου καὶ θεοτόκου· ἕτερος δὲ πάλιν ἰδικῶς ὁ ἐκ θεοῦ πατρὸς λόγος. καθάπερ ὥσπερ προβάτου καπροειδίζων τὸν λύκον· προσωποποιεῖσθαι μὲν ἕνα χρεὼν λέγων· ἀναφέρων μὲν τὸ ὄνομα ἐπὶ μόνον τὸν ἐκ θεοῦ πατρὸς λόγον γνησίως υἱὸν μονογενῆ· ὡς ἐν χάρισι δὲ τάξει προσνέμων αὐτῷ, καθά φησιν αὐτός· καὶ τὸν ἐκ σπέρματος Δαυὶδ υἱὸν ἀποκαλεῖ, ὡς ἰδιαίτως φησὶ, τῷ κατ' ἀλήθειαν υἱῷ· ἰδιαίτως δὲ, οὐχ ὥσπερ ἡμεῖς δοξάζομεν, ἀλλὰ κατὰ μόνην τὴν ἀξίαν, καὶ κατ' αὐθεντίαν, καὶ κατ' ἰσοτιμίαν. τούτου γέγονε μαθητὴς Νεσσέλιος· καὶ ἐκ τῶν ἐκείνου βιβλίων ἐσποσμένος, προσωποιεῖσθαι μὲν χρεὼν ἕνα, καὶ υἱὸν, καὶ κύριον ὁμολογεῖν, μερίζει δὲ καὶ αὐτὸς εἰς δύο τὸν ἕνα, καὶ αὐτὰ μέρος· ἄνθρωπον σωῃφθαι λέγων, τῷ θεῷ λόγῳ, τῇ ὁμωνυμίᾳ, τῇ ἰσοτιμίᾳ, [τῇ τάξει,] τῇ ἀξίᾳ. καὶ γοῦν τὰς φωνὰς τὰς ἐν τοῖς εὐαγγελικοῖς καὶ ἀποστολικοῖς κηρύγμασι περὶ Χριστοῦ κειμένας διαιρεῖ, καὶ φησὶ, τὰς μὲν ἐφαρμόζεσθαι δεῖν τῷ ἀνθρώπῳ, δηλονότι τὰς ἀνθρωπίνας· τὰς δὲ πρέπειν καὶ μόνας τῷ θεῷ λόγῳ, δηλονότι τὰς θεοπρεπεῖς. καὶ ἐπειδὴ διίσησι πολλαχοῦ, καὶ αὐτὰ μέρος τίθησιν εἰς ἄνθρωπον ἰδικῶς, τὸν ἐκ τῆς ἁγίας παρθένου γεγεννημένον, καὶ ὁμοίως ἰδικῶς, καὶ αὐτὰ μέρος ἡγεῖται τὸν ἐκ θεοῦ πατρὸς λόγον, διὰ τοῦτο τὴν ἁγίαν παρθένον οὐ θεοτόκον εἶναί φησιν, ἀνθρωποτόκον δὲ μᾶλλον. Ἡμεῖς δὲ οὐχ οὕτω ταῦτα ἔχειν διειλήμεθα, ἀλλ' ἰδιαζόντως ἔχομεν τῆς θείας γραφῆς, καὶ τῶν ἁγίων πατέρων, ἕνα υἱὸν καὶ Χριστὸν καὶ κύριον ὁμολογεῖν, τουτέστι, τὸν ἐκ θεοῦ πατρὸς λόγον, γνησίως μὲν ἐξ αὐτοῦ πρὸ αἰώνων, θεοπρεπῶς δὲ ἀῤῥήτως· ἐν ἐσχάτοις δὲ τοῦ αἰῶνος καιροῖς τὸν αὐτὸν δι' ἡμᾶς γεγενῆσθαι καὶ σάρκα ἐκ τῆς ἁγίας παρθένου·

SANCTI CYRILLI ARCHIEpiscopi Alexandriæ ad Successum Episcopum Diocæsareæ Isaurienſis prouinciæ Epistola, De Fide.

PERLEGI commonitorium quod à tua sanctitate directum est, & valde gauisus sum quòd cum ipse tua insigni doctrina, possis & nobis & ceteris prodesse, tamen hortari digneris, vt quæ mente retinemus, "teq. sentire existimauimus, eadem quoque scribamus. Igitur de Saluatoris nostri dispensatione eadem sentimus quæ ante nos beati Patres nostri senserunt. Dum enim illorum opera legimus, ita moderamur animum, vt illos duces à tergo sequatur, & nihil nouum rectis dogmatibus inuehat. Sed quia scisciatur tua sanctitas, vtrum in Christo duas naturas dicere oporteat, an secus; ad hoc respondendum putauimus. Diodorus quidam, sancti Spiritus olim impugnator, vt aiunt, cum orthodoxorum Ecclesia communicauit. Hic deposita, vt putauit, Macedonianæ hæresis labe, in alterius morbi vim decidit. sensit enim ac scripsit, alterum seorsim esse filium eum qui ex semine Dauid ex sancta Virgine Deiq. matre natus est, alterum rursus priuatim filium illud ex Deo Patre Verbum. Qui sub ouina pelle quodammodo lupum contegens, vnum se Christum dicere simulat, sed cum referat quidem hoc nomen ad solum illud ex Deo Patre genitum Verbum filium vnigenitum, ipsum quoque ex semine Dauid filium appellat: sed tamquam gratiæ loco nomen hoc ei tribuit, vtpote qui illi secundum veritatem Filio sit vnitus. vnitus autem non vt nos asserimus, sed secundum solam dignitatem, & secundum auctoritatem, & secundum honoris æqualitatem. Huius discipulus extitit Nestorius: itaque ex illius libris obtenebratus, simulat quidem se Christum vnum, & Filium, & Dominum confiteri, sed diuidit etiam ipse vnum in duos, ac seorsim ponit, cum hominem coniunctum esse Deo Verbo dicat communione nominis, honoris æqualitate, dignitate. itaque voces in Euangelicis Apostolicisq. præconijs de Christo positas distinguit, & alias quidem homini tribuendas esse asserit, nimirum humanas, alias vero singulariter Deo Verbo conuenire, scilicet diuinas. & quia multipliciter diuidit, ac seorsim ponit tamquam hominem proprie, illum ex sancta Virgine natum, & similiter proprie ac seorsim filium illud ex Deo Patre Verbum, propterea sanctam illam Virginem non Dei genitricem, sed potius hominis matrem esse asserit. Nos vero non ita se hæc habere sentimus, sed à diuinis litteris & à sanctis Patribus edocti didicimus vnum Filium & Christum & Dominum confiteri, hoc est, illud ex Deo Patre Verbum, ex ipso quidem ante sæcula diuino & ineffabili modo genitum, idemq. in extremis sæculi temporibus propter nos secundum carnem ex sancta Virgine natum: quam, quia Deum hominem factum

" & quæ sentienda putamus.

ctum & incarnatum genuit, ea de causa etiam Dei matrem appellamus. Vnus ergo est Filius, vnus Dominus IESVS Christus, & ante incarnationem, & post incarnationem. Non enim alter filius erat illud ex Deo Patre Verbum, alter præterea ille ex sancta Virgine natus: sed ille idem qui erat ante sæcula, etiam secundum carnem ex muliere natus creditur: non quòd eius diuinitas initium acceperit vt sit, aut ad initium existentiæ per sanctam Virginem vocata sit; sed quòd, vt dixi, cum ante sæcula Verbum esset, ex illa secundum carnem natum esse dicitur. nam propria ipsius erat illa caro, vt cuiusque nostrũ proprium singulorum corpus. Quia vero nonnulli nobis Apollinarij errores obijciunt, ac dicunt: Si vnum dicitis Filium secundum perfectam atque commixtam vnitatem illud ex Deo Patre Verbum hominem factum & incarnatum, vtique illud etiam opinari & sentire decreuistis, commixtionem, vel confusionem, aut compactionẽ factam esse Verbi cum corpore, aut certe corporis immutationem in diuinitatis naturam: ea de causa nos admodũ sapienter, vt calumniam repellamus, dicimus, illud Dei Patris Verbum modo qui neque intelligi, neque exprimi verbis possit, vnisse sibi corpus animatum anima intellectuali, & prodijsse hominem ex muliere, non immutatione naturæ, sed potius dispensatoria voluntate nostri similem factum. Voluit enim homo fieri, non eo amisso quod secundum naturam Deus erat. Sed quamuis in nostras mensuras descenderit, & serui formam induerit, tamen sic quoque in suę diuinitatis excellentia, & in suo naturali dominatu permansit. Nos igitur dum illi sanctæ carni animam intelligentem habenti, ineffabiliter & supra quàm intelligi possit, illud ex Deo Patre Verbũ vnimus, citra confusionem vllam, citra conuersionem atque immutationẽ, vnum Christum & Filium & Dominum confitemur, Deum eumdem & hominem, non alterum atque alterum, sed qui cum vnus idemq. sit, & hoc & illud existat & intelligatur. Itaque nonnumquam vt homo ratione dispensatoria & humanitatis modo loquitur, nonnumquam vero tamquam Deus cum potestate quæ Deum deceat, verba facit. Illud etiam asserimus, diligenter exquirentes illius cum carne dispensationis modum, & subtiliter circumspicientes hoc mysterium, intelligimus Dei Patris Verbum hominem factum & incarnatum fuisse, non quòd ex natura sua diuina formauerit sacrum illud corpus, sed ex virgine Maria sumpserit: alioqui quomodo factus est homo, si nostrum corpus minime gestauit? Considerantes igitur, vt dixi, modum humanationis, intelligimus duas inter se indissolubili vnione conuenisse naturas, citra confusionem atque immutationem vllam: caro enim caro est, & non diuinitas, etiam si Dei caro facta est: itemq. Verbum Deus est, & non caro, quamuis dispensatoria ratione propriam sibi fecerit carnem. Igitur cum id considerabamus, nihil illum in vnitatem concursum violamus, dum ex duabus naturis factũ esse dicimus: sed post vnionem naturas alteram ab altera non diuidimus, neque

A καὶ ἐπιδὴ γεγέννηται ἐνανθρωπήσαντα καὶ σαρκωθέντα μεγέννηκε, διὸ τοῦτο καὶ θεοτόκον αὐτὴν ὀνομάζομεν. Εἷς οὖν ἐστιν υἱὸς, εἷς κύριος Ἰησοῦς Χριστὸς καὶ πρὸ τῆς σαρκώσεως καὶ μετὰ τὴν σάρκωσιν. ὁ γὰρ ἕτερος ἦν υἱὸς ὁ ἐκ θεοῦ πατρὸς λόγος, ἕτερος δὴ πάλιν ὁ ἐκ τῆς ἁγίας παρθένου· ἀλλ' αὐτὸς ἐκεῖνος ὁ προαιώνιος καὶ ἀσώματος καὶ ἄϋλος σάρκα ἐκ γυναικὸς γεγενῆσθαι πεποίηται· ἔχει γὰρ τῆς θεότητος αὐτοῦ ἀρχὴν λαβεῖν εἰς τὸ εἶναι, ἤγουν εἰς ἀρχὴν ὑποστάσεως κεκλημένης διὰ τῆς ἁγίας παρθένου· ἀλλ' ὅπερ μᾶλλον ὡς ἔφην, προαιώνιος ὢν λόγος, ἐξ αὐτῆς γεγενῆσθαι λέγεται καὶ σάρκα. ἰδία γὰρ ἦν αὐτοῦ ἡ σάρξ, καθάπερ ἁμέλει καὶ ἡμῶν ἑκάστου, τὸ ἴδιον αὐτοῦ σῶμα. Ἐπειδὴ δέ τινες ἀπαλεύουσιν ἡμῖν τὰς Ἀπολιναρίου δόξας, καὶ φασὶν· ὅτι ἃ ἐνομάζετε καθ' ἕνωσιν ἀσύγχυτον καὶ συγκεκραμένην υἱὸν, τὸν ἐκ θεοῦ πατρὸς λόγον ἐνανθρωπήσαντα καὶ σαρκωθέντα, τάχα που κἀκεῖνο φαντάζεσθαι καὶ φρονεῖν ἐγκαλεῖτε, ὅτι σύγκρασις, ἤτοι σύγχυσις, ἢ φύρμός γέγονε τοῦ λόγου πρὸς τὸ σῶμα, ἤγουν τοῦ σώματος εἰς φύσιν θεότητος μεταβολή· πιστεύομεν, καὶ μάλα ἐμφρόνως ἡμεῖς διατηρούμενοι τὴν ὑποφαινομένην, φαμὲν, ὅτι ὁ ἐκ θεοῦ πατρὸς λόγος ἀσωματότατός τε, ὡς ἐκεῖ ἔστιν εἰπεῖν, ἑαυτῷ σῶμα ἐμψυχωμένον, ψυχῇ νοερᾷ, καὶ τοιῆδε ἄνθρωπος ἐκ γυναικὸς, ἡ μεταβολὴ φύσεως καθ' ἡμᾶς γεγένηται, ἀλλ' εὐδοκίᾳ μᾶλλον οἰκονομικῇ. ἠθέλησε γὰρ ἀνθρωπος γενέσθαι, τὸ εἶναι θεὸς καὶ φύσιν οὐκ ἀποβαλών. ἀλλ' εἰ καὶ ἐν τοῖς καθ' ἡμᾶς καθήκετο μέτροις, καὶ πεφόρηκε τὴν τοῦ δούλου μορφὴν, καὶ οὕτω μεμένηκεν ἐν τῇ τῆς θεότητος ὑπεροχῇ, ἐν τῇ φυσικῇ κυριότητι. ἐνεωτὸς πάντων ἡμεῖς τῇ ἁγίᾳ σαρκὶ, ψυχῇ ἐχούσῃ τὴν νοεράν, διαῤῥήτως τε καὶ ὑπὲρ νοῦν, τὸν ἐκ θεοῦ πατρὸς λόγον ἀσυγχύτως, ἀτρέπτως, ἀμεταβλήτως, ἕνα Χριστὸν, ἐν υἱὸν καὶ κύριον ὁμολογοῦμεν, τὸν αὐτὸν θεὸν ἐν ἄνθρωπον, οὐχ ἕτερον ἐν ἕτερον, ἀλλ' ἕνα καὶ τὸν αὐτὸν, πάντῃ κἀκεῖνο ὑπάρχοντα, ἐν νοούμενον. πολλάκις οὖν τὰ μὲν, ὡς ἀνθρωπος οἰκονομικῶς, ἐν ἀνθρωπίνως διαλέγεται, ἅπερ ἦν, ὡς θεὸς μετ' ἐξουσίας τὰ θεοπρεπῆ φιλεῖ τοῖς λόγοις. Φαμὲν γὰρ κἀκεῖνο, βαπτίζοντος ἀσυγχύτως τὸ μὲν ἀνθρωπος οἰκονομίας τὸ τρόπον, καὶ βεβαθρευμένος ἰσχνῶς τὸ μυστήριον, ὁρῶμεν, ὅτι ὁ ἐκ θεοῦ πατρὸς λόγος ἐνανθρώπησέ τε, καὶ ἐσαρκώθη, καὶ οὐκ ἐκ τοῦ ἑαυτοῦ θείας φύσεως τὸ ἱερὸν ἐκεῖνο παλαισούργησε σῶμα, ἀλλ' ἐκ τῆς παρθένου Μαρίας μᾶλλον ἔλαβεν αὐτό· ἐπεὶ πῶς γέγονεν ἄνθρωπος, εἰ μὴ σῶμα πεφόρηκε τὸ ἡμέτερον; ἐνοῦντες πάντως ὡς ἔφην, τὸ ἐνανθρωπῆσαι τρόπον, ὁρῶμεν ὅτι δύο φύσεις συνῆλθον ἀλλήλαις καθ' ἕνωσιν ἀδιάσπαστον ἀσυγχύτως, καὶ ἀτρέπτως· ἡ γὰρ σὰρξ σάρξ ἐστι, καὶ οὐ θεότης, εἰ καὶ γέγονε θεοῦ σὰρξ ἰδικῶς ὁ λόγος θεός ἐστι, καὶ οὐ σὰρξ, εἰ καὶ ἰδίαν ἐποιήσατο τὴν σάρκα, οἰκονομικῶς. ὅτου γοῦν ἑνοῦμεν τρόπον, οὐδὲν ἀδικοῦμεν τὴν εἰς ἑνότητα συνδρομὴν, ὃν δύο φύσεων γεγενῆσθαι λέγοντες· μὴ μέντοι τὴν ἕνω-

εἰς δὲ διαιροῦμεν τὰς φύσεις ἀπ' ἀλλήλων, οὐδὲ εἰς δύο τίμνομεν ἡμεῖς τὸν ἕνα Υἱὸν καὶ Κύριον, ἀλλ' ἕνα φαμὲν τὸν Υἱὸν, καὶ ὡς οἱ πατέρες εἰρήκασι, μίαν φύσιν τοῦ θεοῦ λόγου σεσαρκωμένην. Οὕτω δὲ ἔσαν μὲν ἦκεν εἰς ἔννοιαν, καὶ εἰς γε μόνον τὸ ὁρᾶν τοῖς τῆς ψυχῆς ὄμμασι, πῶς ποτὲ ἐνηνθρώπησεν ὁ μονογενὴς, δύο τὰς φύσεις εἶναι φαμὲν τὰς ἑνωθείσας, ἕνα δὲ Χριστὸν καὶ Υἱὸν καὶ Κύριον, τὸν τοῦ θεοῦ πατρὸς λόγον, ἐνανθρωπήσαντα καὶ σεσαρκωμένον. Καὶ εἰ δοκεῖ, δεξώμεθα πρὸς παράδειγμα τὴν καθ' ἡμᾶς αὐτοὺς σύστασιν, καθ' ἣν ἐσμὲν ἄνθρωποι. συνιστάμεθα γὰρ ἐκ ψυχῆς καὶ σώματος, καὶ ὁρῶμεν δύο φύσεις, ἑτέραν μὲν, τὴν τοῦ σώματος, ἑτέραν δὲ, τὴν τῆς ψυχῆς· ἀλλ' εἷς ἐξ ἀμφοῖν καθ' ἕνωσιν ἄνθρωπος, καὶ οὐκ ὄντα δύο συνιστᾷ τὰς Φύσεων ὁ ἄνθρωπος, δύο ἀνθρώπους τὸν ἕνα νομιστέον, ἀλλ' ἕνα τὸν αὐτὸν καὶ σύστασιν, ὡς ἔφην, τὸν ἐκ ψυχῆς, καὶ σώματος. ἐὰν γὰρ ἀναίλωμέν τι, ὅτι ἐκ δύο καὶ διαφόρων φύσεων ὁ εἷς καὶ μόνος ἐστὶ Χριστὸς, ἀδιάφορα ἐσόμεθα ἐκείνων τῶν ἕνωσιν, φασὶν οἱ τῇ ὀρθῇ δόξῃ μαχόμενοι, ἐκ μιᾶς φύσεως τὸ ὅλον, τοῦ ἐνανθρωπήσαντος, ἢ πόθεν ἰδόντες ἐπιφέρουσι σάρκα; Ἐπεὶ δὲ εὗρον ἐν τῷ ὑπομνηστικῷ ἔμφασιν ἵνα λόγῳ τοιαύτῃ, ὅτι μὴ τὴν ἀναίρεσιν τὸ ἄχρονον σῶμα τοῦ πάντων ἡμῶν σωτῆρος Χριστοῦ, εἰς ἀθανασίαν φησὶ μεταπεποιῆσθαι, ὡς εἶναι τὸ ὅλον θεότητα μόνην, δεῖν φήθην κἀμὲ πρός γε τοῦτο εἰπεῖν. Παῦλος ὁ μακάριος γράφει τὸ ἐνανθρωπήσαντος τοῦ μονογενοῦς υἱοῦ τοῦ θεοῦ τὰς αἰτίας ἐξηγούμενος, ὅτι μὲν ὅτι, τὸ γὰρ ἀδύνατον τοῦ νόμου, ἐν ᾧ ἠσθένει διὰ τῆς σαρκὸς, ὁ θεὸς τὸν ἑαυτοῦ υἱὸν πέμψας ἐν ὁμοιώματι σαρκὸς ἁμαρτίας, καὶ περὶ ἁμαρτίας κατέκρινε τὴν ἁμαρτίαν ἐν τῇ σαρκὶ, ἵνα τὸ δικαίωμα τοῦ νόμου πληρωθῇ ἐν ἡμῖν τοῖς μὴ κατὰ σάρκα περιπατοῦσιν, ἀλλὰ κατὰ πνεῦμα. ὅτι δὲ πάλιν· ἐπεὶ γὰρ τὰ παιδία κεκοινώνηκεν αἵματος καὶ σαρκὸς, καὶ αὐτὸς ὡσαύτως μετέσχε τῶν αὐτῶν, ἵνα διὰ τοῦ θανάτου καταργήσῃ τὸ κράτος ἔχοντα τοῦ θανάτου, τουτέστι τὸν διάβολον, καὶ ἀπαλλάξῃ τούτους, ὅσοι φόβῳ θανάτου διὰ παντὸς τοῦ ζῆν ἔνοχοι ἦσαν δουλείας. οὐ γὰρ δήπου ἀγγέλων ἐπιλαμβάνεται, ἀλλὰ σπέρματος Ἀβραὰμ ἐπιλαμβάνεται· ὅθεν ὤφειλε κατὰ πάντα τοῖς ἀδελφοῖς ὁμοιωθῆναι. Φαμὲν δὲ ὅτι ἐκ τῆς ἀδιαβάτου τοῦ Ἀδὰμ τῆς ἀνθρωπίνης φύσεως παθούσης τὸ φθορᾶς, καὶ τυραννουμένης τε ἐν ἡμῖν ἁμαρτίας ἐκ τῶν τῆς σαρκὸς ἡδονῶν, ἤτοι κινημάτων ἐμφύτων, ἀναγκαῖον γέγονεν ἡμῖν εἰς σωτηρίαν τοῖς ἐπὶ τῆς γῆς τὸ, ἐνανθρωπῆσαι τὸν τοῦ θεοῦ λόγον, ἵνα τὸν σάρκα τὸν ἀνθρώπινον ὑπενεγκάμενον τὴν φθορὰν, καὶ ποιήσασθαι τὸ φιλήδονον, ἰδίαν κτήσηται. καὶ ἐπεὶ πῶς ἐστι ζωὴ καὶ ζωοποιὸς; καταργήσῃ μὲν, τὸν ἐν αὐτῇ φθορὰν· ἐπιτιμήσῃ δὲ καὶ τοῖς ἐμφύτοις κινήμασι, τοῖς εἰς φιληδονίαν θηλαδή. ἐν γὰρ ἅτε νεκρωθῆναι τὴν ἁμαρτίαν τὴν ἐν αὐτῇ. μεμνήμεθα δὲ καὶ μακαρίου Παύλου νόμον ἁμαρτίας καλέσαντος τὰ ἐν ἡμῖν ἔμφυτα κινήματα. ἵνα δὲ, ἐπειδήπερ ἡ ἀνθρωπίνη σὰρξ γέγονεν ἰδία τοῦ λόγου, πάσχειν μὲν, τὸ ὑποφέρειν τὴν φθο-

neque in duos filios illum vnum impartibilemq. secamus, sed vnum asserimus Filium, & vt sancti Patres dixerunt, vnam naturam Dei Verbi incarnatam. Itaque quantum ad considerandum attinet, atque animi oculis tantummodo contemplandum quomodo homo factus sit ille vnigenitus, duas naturas vnitas esse dicimus, vnum vero Christum & Filium & Dominum illud Dei Patris Verbum hominem factum & incarnatum asserimus. Ac si placet, hanc ipsam nostram compositionem qua sumus homines, in exemplum accipiamus. Ex anima namque & corpore sumus compositi, duasq. naturas intuemur, alteram corporis, alteram animæ; sed vnus ex vtriusque vnione constat homo. neque vero quia ex duabus naturis homo compositus est, duos putare debemus homines qui vnus est, sed vnum eumdem per compositionem, vt dixi, qui ex anima constat & corpore. Nam si negauerimus ex duabus diuersisq. naturis vnum ac solum esse Christum qui post vnionem diuidi non possit, dicturi sunt qui cum recta Fide bellum gerunt: Si totum vna est natura, quomodo factus est homo, quamve carnem propriam fecit? Quoniam vero in ipso commonitorio formam quamdam sermonis huiuscemodi reperi, quòd post resurrectionem sanctum illud corpus nostri omnium saluatoris Christi in diuinitatis naturam transierit, vt totum sit sola diuinitas: ad hoc quoque respondendum censui. Beatus Paulus causas incarnationis vnigeniti Filij Dei exponens, nunc quidem scribit: Quod enim impossibile erat legis, in quo infirmabatur per carnem, Deus Filium suum mittens in similitudine carnis peccati, & de peccato damnauit peccatum in carne, vt iustificatio legis impleretur in nobis qui non secundum carnem ambulamus, sed secundum spiritum. nunc rursus: Quia ergo pueri communicauerunt carni & sanguini, & ipse similiter participauit eisdem, vt per mortem destrueret eum qui habebat mortis imperium, id est diabolum, & liberaret eos qui timore mortis per totam vitam obnoxij erant seruituti. nusquam enim Angelos apprehendit, sed semen Abraæ apprehendit: vnde debuit per omnia fratribus similari. Adserimus igitur ex Adam præuaricatione humanam naturam in corruptionem incidisse, cumq. animus noster voluptatum carnis, ac motuum insitorum tyrannico dominatu premeretur, necessarium ad salutem fuisse nobis qui in terris degimus, Dei Verbum hominē fieri, vt humanam carnem corruptioni subiectam, & voluptatum cupiditate laborantem propriam faceret: & cùm vita sit ac viuificator, destrueret corruptionem quæ illam inuaserat, & insitos motus ad concupiscentiam ac voluptatem pertrahentes compesceret. hac namque ratione mortificari poterat in nostra carne peccatum. Meminimus etiam beatum Paulum legem peccati appellasse insitos in nobis voluptarios motus. Quapropter quia humana caro facta est Verbi propria, desijt iam corruptioni succumbere: & quia tamquam Deus pec-

Peccatum non fecit, cum eam sibi vniſſet, vt dixi, Propriamq. feciſſet, deſijt etiam illa voluptatibus cupiditatiq. ſubiacere. neque hoc ſibi acquiſiuit vnigenitum illud Dei Verbũ, (eſt enim semper idipſum quod eſt,) ſed proculdubio nobis. Nam ſi ex Adæ præuaricatione facti ſumus malis obnoxij, euenient vtique nobis etiam bona quæ in Chriſto ſunt, incorruptio ſcilicet, peccatorumq. mortificatio. Factus eſt igitur homo, non hominem aſſumpſit, vt Neſtorio placet. Atque vt homo factus eſſe credatur, licet id quod erat permanſerit, nimirum Deus ſecundum naturam, idcirco & eſurire dicitur, & ex itinere fatigari, perferre etiam ſomnum & turbationem atque triſtitiam, ceterasq. humanas atque irreprehenſibiles paſſiones. contraq. vt certos faceret videntes, ſe cum ſit homo, etiam verum Deum eſſe, efficiebat diuina miracula, cum increpare et mare, mortuos excitaret, aliaq. admirabilia ederet opera. Crucem quoque ſuſtinuit, vt mortem carne non Deitatis natura perpeſſus, fieret primogenitus ex mortuis, & ipſi humanæ naturæ immortalitatis aditum aperiret: inferis quoque ſpoliatis animas liberaret quæ ibi concluſæ tenebantur. Poſt reſurrectionem vero erat quidem illud ipſum corpus quod paſſum fuerat, non tamen adhuc in ſe humanas infirmitates habens. Non enim vltra illud corpus famis, aut fatigationis, aut alicuius alterius eiuſmodi eſſe ſuſceptiuum aſſerimus, ſed iam incorruptibile: neque id ſolum, verum etiam viuificum, vitę namque corpus eſt, ideſt vnigeniti Filij. glorificatum etiam claritate quæ maxime Deum decet, & intelligitur Dei corpus. Itaque ſi quis illud corpus etiam diuinum dicat, vt nimirum corpus hominis humanum, à decenti ratione non deuiat. Vnde opinor etiam ſapientiſſime beatum Apoſtolum Paulum dixiſſe: Etſi cognouimus ſecundum carnem Chriſtum, ſed nunc iam non nouimus. Cum ſit enim proprium Dei corpus, omnia humana tranſcendit. Conuerſionem porro in Deitatis naturam ſubire non contingit corpus è terra: id enim fieri non poteſt: alioqui Deitati derogabimus tamquam ſit facta, & tamquam illi aliquid acceſſerit, quod illius naturæ proprium non ſit. Par enim eſt ad abſurditatis rationem dicere mutatum eſſe corpus in Deitatis naturam, & dicere diuinitatem in carnis naturam tranſiſſe. Sicut autem hoc eſt impoſſibile, quia immutabilis eſt & inuariabilis natura Deitatis, ita illud quoque alterum fieri non poteſt. neque enim contingit in Deitatis eſſentiam vel naturam, aliquam creaturam poſſe conuerti. inter creaturas autem ipſa etiam caro numeratur. Ergo Chriſti corpus eſſe quidem diuinum aſſerimus, cum ſit Dei corpus, & ineffabili gloria decoratum, incorruptibile, ſanctum, viuificum: eſſe autem in Deitatis naturam immutatum, neque quiſquam è ſanctis Patribus aut ſenſit aut docuit, neque nos ita ſentimus. Neque vero illud tua ſanctitas ignoret, beatæ memoriæ patrem noſtrum Athanaſium quondam Alexandrinum Epiſcopum, cum

cum per idem tempus quæstiones nonnullæ mouerentur, epistolam scripsisse ad Epictetum Corinthiorum Episcopum, omni rectorum dogmatum assertione plenam. Et quia etiam ex ea Nestorius arguebatur, & rectæ Fidei defensores, cũ eam legerent, conuincebant eos qui Nestorij sententiam amplexabantur, illi confutationibus ex ea prolatis victi, machinati sunt facinus hæretica impietate dignissimum. Adulteratam namque epistolam quibusdam subtractis, nonnullis adiectis ediderunt; vt ille vir probatissimus consimilia Nestorio eiusq. sectatoribus sapuisse videretur. Igitur necessarium fuit ne qui istic quoque eam epistolam corruptam proferrent, ex nostris exemplaribus descripta tuæ reuerentiæ paria destinare. Nam vir quoque religiosissimus Paulus Emisenorum Episcopus Alexandriam veniens hac de re egit: & eius epistolæ exemplar quod habebat, deprehensum est ab hæreticis fuisse corruptum ac deprauatum: itaque popoſcit vt ex nostris exemplaribus descripta paria Antiochenis mitterentur, quæ etiam mittenda curauimus. Sequentes etiam vbique recta sanctorum Patrum placita, librum contra Nestorij dogmata conscripsimus, necnon & alterum contra quosdam qui vim capitulorum meorum reprehenderant: hos quoque tuæ reuerentiæ misi, vt si qui forte ex fratribus eadem fide eodemq. animo nobiscum iuncti, nonnullorum obtrectationibus decepti putant nos in his quæ contra Nestorium dicta sunt, mutasse sententiam, hæc legendo coarguantur, & discant eũ rite ac recte tamquã errantem à nobis fuisse reprehensum, & nunc nihilominus vbique ad eius blasphemias oppugnandas incumbere. Tua vero sanctitas cùm his maiora valeat intelligere, tum scribendo, tum orando nos quoque iuuabit.

ALTERVM COMMONITORIVM RESCRIPTVM AD INTERROGATIONES NOBIS AB EO PROPOSITAS.

SPectandam se præbet veritas ijs qui illam diligunt, occulit autem, vt arbitror, & abdere se studet à callidorum hominum cogitationibus. Non enim se tales præbent, vt eam claris oculis intueri mereantur. Et amatores quidem immaculatæ Fidei in simplicitate cordis, vt scriptum est, Dominum deprecantur: qui vero per distortos calles ambulant, & cor habent prauum, vt est in Psalmis, peruersorum sensuum sibi multiplices occasiones accumulant, vt peruertant vias Domini rectas, & simpliciorum animas abducant, vt ea sentiant quæ nefas est. Hæc ideo dico, quia cum legissem à tua sanctitate missa commonitoria, deprehendi quædam in illis periculose proposita ab ijs qui nescio quomodo peruersam falsi nominis scientiam diligunt. Ea erant eiusmodi.

Psal. 100.

I. *Si ex duabus naturis, inquit, compositus est Emmanuel, ac post vnionem vna intelligitur natura Verbi incar-*

carnata, consequetur omnino vt ipsum in sua natura passum esse dicamus.

Beati Patres nostri qui venerandũ Fidei Symbolum definierunt, ipsum dixerunt ex Deo Patre Verbum, ipsum ex eius essentia, ipsum vnigenitum, ipsum per quem omnia, incarnatum esse & hominem factum: neque vllo modo putandum est sanctos illos viros ignorasse vnitum illud Verbo corpus anima intelligente animatum fuisse. Quisquis igitur Verbum dicit fuisse incarnatũ, carnem illi vnitam non sine anima intelligente fuisse confitetur. Sic enim, vt puto, immo vero vt revera est, confidenter affirmo, etiam beatissimus Euangelista Ioannes Verbum dixit carnem factum, non quasi inanimatæ carni fuerit vnitum, absit: neque vero quasi mutationem variationemq. pertulerit; mansit nãque quod erat, hoc est, natura Deus: sed vbi assumpsit etiam vt esset homo, hoc est, vt fieret sicut nos ex muliere secundum carnem, rursus vnus permansit Filius, non tamen carnis expers, vt antea fuerat, hoc est, antequam homo fieret, sed etiã nostræ quodammodo naturæ veste indutus. Quamuis autem Verbo ex Deo Patre genito consubstantiale non sit illi vnitum corpus anima licet intelligente præditum, at certe vnitarum naturarum differentiam cum intellectus noster aspiciat, vnum tamẽ Filium & Christum & Dominum confitemur, vt pote cum Verbum sit caro factum. Quum vero, caro, dicimus, tantumdem est ac si hominem diceremus. Quænam igitur necessitas cogit, vt si post vnionem dicatur vna natura Filij incarnata, ipsum in sua natura passum esse consequatur? Nam si in illius dispensationis ratione nihil esset quod passionem posset excipere, recte forsitan ab illis dictum esset: patiendi enim ablato subiecto, necessarium omnino esset, in Verbi naturam cadere passionem. Si autem addito verbo, incarnatam, omnis ratio illius cum carne dispensationis infertur, (neque enim aliter incarnatus est nisi apprehendendo semen Abraam; & similis factus est per omnia fratribus, dum formam serui suscepit;) frustra nugantur qui dicunt, consequens omnino esse vt ipse in sua natura passionem sustinuerit, cum caro subiecti vicem tenear, circa quam contigisse passionem merito possit intelligi, Verbo impassibili manente. Non tamen propterea illud eximimus, quominus dicatur passum. Vt enim proprium ipsius Verbi factum est corpus, sic omnia quæ sunt corporis, excepto solo peccato, dispensatoria quadam coniunctione ipsius dici nihilominus possunt. Sed dicent aduersarij.

Ioan. 1.

II. *Si vna est natura Verbi incarnata, omnino necesse est dicere permixtionem confusionemq. factam fuisse, imminuta quodammodo in ipso atque subtracta hominis natura.*

Rursus ignorant qui recta peruertunt, vnam revera esse naturam Verbi incarnatam. Si enim vnus est Filius, ille natura ac vere, illud ex Deo Patre Verbum ineffabiliter genitum, qui deinde secundum assumptionem carnis non inanimatæ, sed intelligente anima præditæ prodijt homo ex muliere, non propterea in duas personas duosq. filios

A filios diuidetur, cum permanserit vnus, non tamen sine carne aut extra corpus, sed ipsum proprium habens, per vnitatem quæ distrahi nullo modo possit. Qui autem hoc dicit, is nullo prorsus modo permixtionem, aut confusionem, aut eiusmodi aliud significat: neque id rursus tamquam ex necessaria ratione vllo modo consequetur. Nam etiam si vnus dicatur à nobis vnigenitus Filius Dei incarnatus & homo factus,
B non propterea permixtus est, vt illi putant, neque in carnis naturam transijt Verbi natura, neque rursus natura carnis in Verbi naturam: sed cum vtrumque in sua proprietate naturali permaneat & consideretur, iuxta rationem à nobis paulò ante redditam, ineffabiliter & inexplicabiliter vnitum, vnam nobis Filij naturam ostendit, sed, vt diximus, incarnatam. Non enim ipsum, vnum, in his solis quæ secundum naturam simplicia sunt, vere dicitur, sed in his etiam quæ sunt per compositionem coniuncta; cuiusmodi est homo ex anima constans & corpore. nam eiusmodi res cum alterius sint speciei, & minime eiusdem inter se essentiæ, tamen quum vnitæ sunt, vnam hominis naturam absoluunt; quamuis adsit in compositionis ratione differentia, secundum naturam rerum ad vnitatem concurrentium. Superuacue igitur ratiocinantur qui asserunt, si vna sit
C natura Verbi incarnata, prorsus consequi permixtionem atque confusionem factam fuisse, imminuta nimirum atque subtracta hominis natura. Neque enim imminuta neque subtracta est, vt aiunt: nam ad pleniſſime declarandum quòd sit factus homo, satis est fateri illud fuisse incarnatum. hoc enim si à nobis taceretur, haberent locum aliquem eorum calumniæ: cum vero necessario subiunctum sit, incarnatum esse, vbi nam vllus imminutionis subtractionisve modus relictus est?

Si Christus, inquit, perfectus Deus, idemq. perfectus III.

Ad horum quoque declarationem satis est ea quæ ad superius caput allata est solutio, seu responsio. Nam si dicentes vnam Verbi naturam, tacuissemus ac minime adiunxissemus, incarnatam, excluso propemodum dispensationis mysterio, esset illorum fortasse oratio non inepta, dum interrogare se simulant, Vbi nam est in humanitate perfectio, aut quomodo substitit illa

Is enim qui excluderet dispensationis mysterium, incarnationemq. negaret, iure coargui posset tamquam à Filio perfectam humanitatem auferret. Sed si, vt iam dixi, in eo quod illum incarnatum esse dicimus, perspicua & certa confessio continetur, qua etiam hominem esse factum profitemur, nihil iam intelligere prohibet, Christum, cum sit vnus ac solus filius, eumdem Deum esse & hominem, vt in Deitate,

Rectissime autem ac sapientissime tua prudentia rationem salutiferæ passionis exposuit, vnigenitum Dei Filiũ non ex eo quod intelligitur & est Deus, in sua natura sustinuisse corporis passiones affirmans, sed passum potius terrestri natura: nam vni & secundum veritatem Filio vtrumque necessario seruandum fuit, vt & minime pateretur diuinitus, & passus diceretur humanitus: ipsius enim caro passa est. Sed illi rursum arbitrantur, per hoc à nobis illam quæ apud eos Theopathia, hoc est, Dei passio dicitur, induci: neque intelligunt mysterium dispensationis, sed malitiose admodum adnituntur in hominem proprie transferre passionem, damnosam pietatem imprudenter affectantes, vt non ipsum Dei Verbum confiteamur saluatorem, vtpote quod pro nobis proprium sanguinem dederit, sed homo qui proprie ac seorsim consideretur filius, id perfecisse dicatur. Verum qui ita sentiunt, omnem illius cum carne dispensationis rationem concutiunt, nostrumq. mysterium diuinum ad hominis adorandi cultum haud obscure transferunt: neque illud considerant quòd ipsum ex Iudæis secun-

Sed cùm sola discreuerimus intelligentia, & differentiam subtili contemplatione, seu mentis imaginatione conceperimus, non tamen seorsim ponimus naturas, neque illis in totum per diuisionem virtutem imminuimus, sed vnius hominis esse intelligimus, ita vt illæ duæ non iam sint duo, sed ex vtraque animal vnum absoluatur. Quamuis igitur in Emmanuel humanitatis naturam ac diuinitatis dicant, ipsa tamen humanitas propria facta est Verbi, vnusq. cum ipsa filius intelligitur. Cum vero diuina Scri-

Scriptura dicat, ipſum carne paſſum, ſatius eſt 1. Pet. 4.
nos quoque ſic dicere, quàm in natura humanitatis; quamuis ea locutio, niſi malitioſe ab aliquibus ita dicatur, nihil violet myſterij rationem. Quid enim aliud eſt humanitatis natura, niſi caro animata per animam intelligentem, in qua paſſum fuiſſe carne Dominum fatemur? Nimium igitur accurate loquuntur cum dicunt, paſſum illum fuiſſe in natura humanitatis, quaſi illam à Verbo ſeiungant, ac proprie diſtinguant, vt duo intelligantur, & non iam vnum incarnatum & homo factum illud ex Deo Patre Verbum. Quod autem adiecerunt, indiuiſe, videtur quodammodo apud nos recti dogmatis habere ſignificationem. ipſi vero non ſic intelligunt. nam hæc vox, indiuiſum, apud eos, iuxta Neſtorij vocum nouitates, alio modo accipitur. aiunt enim ſecundum honoris æqualitatem, ſecundum eamdem voluntatem, ſecundum auctoritatem, à Deo Verbo indiuiſum eſſe illum hominẽ in quo Verbum habitauit. itaque haud ſimpliciter verba proferunt, ſed cum dolo ac fraude. Chriſtum denique proprie Dei Verbum appellatum dicunt, ſed habere coniunctionem cum Chriſto perpetuam aſſerunt. Nonne igitur duos Chriſtos, qui hoc dicit, apertiſſime pronuntiat? Nonne hominẽ ſimul cum Deo adorandum, neſcio quomodo ſe colere confitetur? Num iſta ijs cognata videntur, quæ ab Orientalibus dicuntur? nonne inter ſe ſententijs pugnant? Neſtorius enim diſerte duos aſſerit, Antiocheni vero vnum Chriſtum & Filium & Deum & Dominum ſe adorare profitentur, eumdem ex Patre ſecundum diuinitatem, & ex ſancta Virgine ſecundum humanitatem. duarum namque naturarum vnionem factam aſſerimus, vnum tamen Chriſtum & vnum Filium & vnum Dominum aperte confitemur. Verbum enim caro factum eſt, ſecundum ſcripturas: ineffabilemq. ac diſpenſatoriam conuentionem rerum diſſimilium vere factam fuiſſe dicimus, adeo vt vnio iam diſtrahi non poſſit. Non enim iuxta veteres quoſdam hæreticos Dei Verbum ex propria natura, hoc eſt, ex diuina ſumpſiſſe & ſibi corpus aptaſſe ſuſpicamur, ſed vbique diuinarum ſcripturarum auctoritatem ſequentes, ex ſancta Virgine corpus accepiſſe conſtanter affirmamus. Igitur ea ex quibus eſt vnus & ſolus Filius & Dominus Iesvs Chriſtus, tamquam intelligentia concipientes, duas quidem naturas vnitas aſſerimus, poſt vnionem vero tamquam ſublata iam illa in duo diuiſione, vnam eſſe credimus Filij naturam, tamquam vnius, ſed hominis facti & incarnati. Cum vero dicitur, Verbum quod Deus erat, incarnatum eſſe & hominem factum, procul abigatur ſuſpicio mutationis. manſit enim quod erat; & inconfuſa prorſus vnio à nobis aſſeratur. At enim illud fortaſſe dicturi ſunt aduerſarij: Ecce manifeſte qui rectæ Fidei confeſſionem ediderunt, duas naturas appellant, ac voces hominum diuino inſtinctu loquentium iuxta naturarum differentiam eſſe diuiſas affirmant: quomodo igitur hæc non ſunt tuis aſſertionibus contraria? neque enim pateris vt duabus perſonis aut ſubſiſtentijs eæ voces diſtribuantur. Quæ ſequuntur, reperiuntur apud Dionyſ. Exiguum in hac epiſtola, eademque ſunt in cap. III. ad Acacium Melitinen.

optimi viri respondeo, scripsisse nos in duodecim capitibus: Si quis personis duabus aut subsistentijs voces distribuere ausus fuerit, & alias quidem tamquam homini præter illud ex Deo Verbum proprie consideratum assignare, alias tamquã Deo dignas soli illi ex Deo Patre Verbo tribuere, is condemnationi sit obnoxius. Vocum porro differentias nullo modo sustulimus, quamuis eas ita diuidere, vt filio singillatim illi ex Patre Verbo, itemq. rursus vt homini singillatim filio considerato illi ex muliere nato tribuantur, reijciendum censuerimus. nam vnam esse Filij naturam certissimum est, sed eam incarnatam esse & hominem factam scimus, vt iam diximus. Quomodo autem incarnata sit & homo facta, si quisquam curiosius quærat, videbit vtique Verbum Deum ex Deo serui formam suscepisse, & in similitudine hominum factum fuisse, sicut scriptum est: & secundum hoc ipsum ac solum intelligi poterit naturarum seu personarum differentia. non enim idipsum sunt, quod ad naturalem qualitatem pertinet, diuinitas & humanitas: alioqui quomodo semetipsum exinaniuit Verbum cum Deus esset, & sese ad imminutionem, hoc est, ad nostra deiecit? Cum igitur incarnationis modus diligenter exquiritur, duo inter se ineffabiliter & inconfuse secundum vnionem coniuncta humana mens prorsus intuetur, sed iam vnita nullo modo disiungit, sed vnũ ex vtroque & Deum, & Filium, & Christum, & Dominum esse credit, & conuenienter admittit. Sed ab hac fide prorsus diuersa est peruersa Nestorij opinio. nam simulat se confiteri Verbũ quod Deus erat, incarnatum esse & hominem factum: sed vim incarnationis ignorans, duas quidem naturas appellat, sed alteram ab altera disiungit, Deum seorsim ponens, & hominem quoque seorsim, quem Deo coniunctum putat per habitudinem quamdam, ex sola honoris æqualitate seu auctoritate. sic namque dixit: Inseparabilis est à spectabili Deus: ideo ab eo qui non separatur, honorem non separo: disiungo naturas, sed adorationem jungo.] Antiocheni vero fratres ea ex quibus intelligitur Christus, simplici solaq. intelligentia complectentes, naturarum differentiam dixerunt: neque enim, vt dixi, idem sunt diuinitas & humanitas, quod ad naturalem attinet qualitatem; sed vnum tamen Filium, & Christum, & Dominum, & cum vere vnus sit, vnam quoque eius personam esse asserunt, & nullo modo diuidunt vnita, neque naturalem diuisionem admittunt, vt infelicium commentorum auctori sapere placuit. Solas autem in Domino nostro voces diuidendas affirmant, & eas conuenire asserunt non has quidem tamquam seorsim filio illi ex Deo Patre Verbo, alias vero tamquam alteri rursus filio illi ex muliere, sed has eius diuinitati, illas vicissim eius humanitati congruere. idem enim Deus & homo est. Dicunt & alias esse voces quodammodo communes, ac veluti vtroque spectantes, ad diuinitatem inquam & humanitatem. quod dico eiusmodi est. Aliæ sunt voces diui-

divinitati potissimum congruentes, aliæ rursus humanitati conueniunt, aliæ medium quemdam ordinem tenent, ac Filium declarant simul & in eodem Deum pariter & hominem. Cum enim dicit Philippo: Tanto tempore vobiscum sum, & non cognouisti me, Philippe? Non credis quia ego in Patre, & Pater in me est? Qui vidit me, vidit Patrem: Ego & Pater vnum sumus: hanc vocem Deo maxime conuenire affirmamus. Cum vero Iudæorum populum increpat his verbis: Si filij Abraam essetis, opera Abraam faceretis. nunc autem quæritis me interficere, hominem qui vera locutus sum vobis: hoc Abraam non fecit: eiusmodi dicta esse ex vocibus humanitati congruentibus asserimus: vnius tamen Filij & illas Deo congruentes & illas humanas fatemur. Deus enim factus est homo, non amisso quod Deus erat, sed carnis ac sanguinis assumptione facta. Quia vero vnus est Filius, & Deus ac Dominus, vnam quoque eius personam esse & illi & nos fatemur. Medias autem esse voces illas affirmamus, puta cum beatus Paulus scribit: Iesvs Christus heri & hodie, idem & in sæcula. & iterum: Si quidem sunt dij & domini multi & in cælo & in terra, sed nobis vnus Deus Pater ex quo omnia, & vnus Dominus Iesvs Christus per quem omnia, & nos per ipsum. & rursum: Optabam ego ipse anathema esse à Christo pro fratribus meis, qui sunt cognati mei secundum carnem, qui sunt Israelitæ, quorum est adoptio filiorum, & legislatio, & testamentum, & gloria, quorum patres, & ex quibus Christus secundum carnem, qui est super omnia Deus benedictus in sæcula, amen. Ecce cum Christum Iesvm nominasset, heri & hodie eumdem esse ait & in sæcula, & per ipsum omnia facta esse; & eum qui ex Iudæis est secundum carnem, super omnia Deum vocat, quin etiam benedictum in sæcula. Eiusmodi ergo voces de Domino dictas ne diuidas: simul enim habent quod Deo dignum est, & quod homini conuenit, sed Filio, idest, Deo Verbo incarnato tamquam vni eas adapta. Aliud igitur est diuidere naturas, idq. post vnionem, & per solam honoris æqualitatem hominem Deo coniunctum esse dicere, & aliud item nosse vocum differentiam. Vbinam igitur cum nefarijs Nestorij vocibus illorum dicta conueniunt? Nam & si quibusdam videtur dictionum compositio, & verborum differentia ab illa subtiliore diligentia procul abesse; mirum esse non debet, cum eiusmodi res difficillime vocibus exprimi queant: ideoq. beatus Paulus quærebat à Deo sermonem in apertione oris sui. nam eos vnum Dominum Iesvm Christum in duos minime diuidere, cum dicunt voces diuinitatis dignitatem referentes diuinitati ipsius esse tribuendas, vt humanas vicissim aptandas humanitati, quomodo non sit omnibus euidentissimum? Asserunt enim, vt dixi, ipsum ex Deo Patre Verbum ante sæcula genitum, etiam in extremis temporibus secundum carnem è sancta Virgine natum. adijciunt etiam, pro-

propter ineffabilem illam & minime confusam vnionem, sanctam illam Virginem esse Dei genitricem se credere: & vnum Filium & Christum & Dominum aperte confitentur. & improbabile prorsus est, vt qui vnum dicunt, ij vnum in duo diuidere existimentur. Non enim in eam progressi sunt amentiam, vt se transgressores constituant, & quæ recte destruxerunt, imprudenter eadem ædificent. Nam si cum Nestorij opinionibus conueniunt, quomodo eas tamquam profanas & execrandas anathematizant? Aequũ autem esse arbitror etiam causas exponere propter quas ad eiusmodi tenuitatem sermonis deuenerint. Cum enim Arianæ impietatis propugnatores impie vim veritatis adulterantes, illud ex Deo Verbum esse quidem factum hominem fateantur, inanimo tamen vsum corpore; idq. malitiosè faciant, vt dum illi voces humanas tribuunt, tamquam scilicet minorem Patris maiestate à se deceptis hominibus ostendant, ideoq. alterius esse naturæ atque substantiæ confirment; hac de causa veriti Orientales, ne Verbi Dei gloria atque natura ex his quæ propter dispensationem post susceptionem carnis humanitus dicuntur, imminueretur, voces distinguunt: non quòd vnum Filium & Dominum in duo secent, vt iam dixi, sed quòd licet omnes vnius sint, alias diuinitati ipsius tribuant, alias rursus eiusdem humanitati. Comperi autem religiosissimum ac pijssimum Ioannem Episcopum familiaribus quibusdam scripsisse ac si aperte docuerim, idq. clara voce, confiteri quidem naturarum differentiam, sed voces diuidere pro congruentia naturarum, & ob hanc causam nonnullos offensos fuisse: itaque necesse est ad hoc quoque respondere. Non ignorat sanctitas tua, eos qui Apollinarij opinionis notam meis epistolis inurunt, sic putasse quasi asseram sanctum Christi corpus esse inanimum, & mixtionem & confusionem, aut concretionem, aut mutationem Dei Verbi in carnem esse factam, aut certe carnis transitum in diuinitatis naturam; ita vt nihil adhuc seruetur purum, nihil idipsum sit quod erat. Ad hæc arbitrati sunt, me Arij blasphemijs consentire, propterea quod nolim vocum differentiam agnoscere, & alias fateri diuinas esse, alias humanas & dispensationi cum carne magis conuenire. Sed me ab eiusmodi sententijs longe abesse tua sanctitas apud alios testis erit; sed tamen offensis respondendum fuit. quamobrem ad eum scripsi, me nunquam cum Ario aut Apollinario sensisse, neque Dei Verbum in carnem demutatum asserere, aut carnem in Deitatis naturam esse conuersam; cum Dei Verbum immutabile sit & alterationis expers, & illud alterum fit impossibile: neque vnquam sustulisse vocum differentias, cum sciam Dominum nostrum diuinitus pariter & humanitus differere, propterea quod simul Deus & homo est. Hoc ipsum igitur significare volens, scripsit me docuisse, confiteri natu-

naturarum differentiam, & voces diuidere pro congruentia naturarum. Ceterum hi sermones mei non sunt, sed ab ipso prolati. Illud quoque iam dictis adijciendum est. Nam venit ad me religiosissimus vir Paulus Episcopus Emisenæ ciuitatis, cumq. sermo de vera & immaculata fide fuisset agitatus, scisscitatus est me, & quidem instanter, num ijs quæ felicis memoriæ ac beatissimus pater noster Athanasius ad Epictetum Episcopum Corinthiorum scripsit, assentirer: Equidem, inquam, si illud scriptum apud vos minime adulteratum seruatur (multa namque à veritatis inimicis corrupta sunt) per omnia prorsus assentior. Tum ille habere se quidem epistolam respondit, cupere autem etiam ex nostris exemplaribus doceri atque cognoscere, essent ne illorum libri corrupti nec ne. itaque sumptis vetustis exemplaribus, & cum illis quæ secum attulerat conferens, ea corrupta deprehendit; hortatusq. est vt ex libris qui apud nos erant, exempla descripta ad Antiochenam ecclesiam transmitteremus: quod & factum est. & hoc est quod religiosus ac venerabilis Episcopus Ioannes ad Marinum de me scripsit, exposuisse se quæ ad incarnationem pertinent, ac nobiscum vna contexuisse paternam traditionem, quæ vt ita dicam, prope aberat vt ab hominibus euanesceret. Si autem nonnulli circumferant epistolam vt à religiosissimo Romanæ Ecclesiæ presbytero Philippo scriptam, quasi sanctissimus Episcopus Xystus ægre tulerit Nestorij depositionem, * eiq. opem tulerit, ne huic rei fidem accommodet vestra sanctitas: consentanea namque sanctæ Synodo scripsit, & omnia apud eam acta confirmauit, & nobiscum eadem sentit. Itemq. si epistola à quibusdã afferatur tamquam à me scripta, quasi nos eorum pœniteat quę Ephesi gessimus, id quoque risu excipiatur. Sumus enim per Saluatoris nostri gratiam integro sensu, neque à sano consilio ad stultitiam versi sumus. Fraternitatem quæ tecum est, saluta. quæ nobiscum est, in Domino te salutat.

PROCLI EPISCOPI CONSTANTINOPOLITANI ad Armenios, De Fide.

Dei amantissimis ac religiosissimis Episcopis & Presbyteris & Archimandritis per vniuersam Armeniam orthodoxæ sanctæ Ecclesiæ, Proclus in Domino gaudere.

NON mediocriter, fratres, animum rationemq. nostram violento mœrore confudit ac fauciauit rumor nouellorum ac fallacium zizaniorum, quæ nuper in vestra regione communis ille nostræ naturæ inimicus callide superseminauit. Solet enim tristium rerum rumor intolerabili vulnere animum percutere nondum eiusmodi exercitationibus

nibus assuetum : tantoq. acerbius ferit, telaq. altius infigit, quanto periculum non in concreta corporis natura sistit, sed glisscente fama subtiliorem animi statum obsidet, sermone dispergens pretiosam illam fidei vestem aut discissam esse, aut prorsus deprædatione sublatam. Omnem etenim virtutem ij expetendam putant, in quibus rationis vis non fuerit culpa naturæ materialis obscurata. omne quoque vitium à prudentibus viris iure fugiendũ censetur, quippe cum ex aduerso pugnet cum ipsa natura eo ipso quod est contra naturam. Sicut enim id quod vtile est eligentibus, necessario tuendum est, ita quod eiusmodi non est, ac potius contrarium, aut præsens repellendum est, aut si metuitur, ne eueniat sollicite præcauendum. Virtutis igitur multæ sunt species. hanc autem varie definierunt, siue Gentiles qui errore ducuntur, & quorum discernendi subtilitatem ignoratio diuinitatis obscurat; seu Christiani, qui Fidei luce mentis oculos illuminatos habentes, Solem iustitiæ per confessionem clarius intuentur. Illi namque in suis cogitationibus velut in tenebris offendentes, & propter anticipatam opinionem, animum habentes duce ac rectore destitutum, suarum ratiocinationum ductu periculosum iter ingrediuntur; nihil in ijs quæ decernunt, præter fluxam & instabilem visibilium rerum naturam attrectantes, cum veræ contemplationis aciem aut vi temporis hebetem habeant, aut erroris vitio obcæcatam amiserint. Aiunt enim quatuor esse species virtutis, idest, iustitiam, prudentiam, temperantiam ac fortitudinem: quæ licet bonæ atque honestæ esse videantur, humi tamen repunt, & circa terram innatant, & longe inferiora sunt cælesti fastigio. Cum enim fortitudinem dixerint quæ aduersus materiam luctatur, ac temperantiam quæ vitia passionesq. superat, & prudentiam quæ in gubernatione Reipublicæ plurimum pollet, iustitiam præterea optimam illam æqualitatis distributionem, huic quidẽ vitę, vt ipsi putabant, ordinem constituerunt, cùm hac definitione illam in vtramque partẽ excessus immoderantiã repressissent: sed sublimius aliquid, & præsenti vita præstantius neque cogitare, neque exprimere potuerunt: sed per obscurati cordis insipientiam, quantum in ipsis fuit, virtuti vim afferentes, eam in his tantum quæ videntur, incluserunt, nihilq. illi sublime & cælesti conuersationi persimile concesserunt. Qui vero per fidem illuminatos habent oculos cordis, quorum instructor ac magister est beatus Paulus, virtutem definierunt esse quæ nos ad Deum euehit, & ea quæ in terris sunt, ordinate moderatur. Itaque hic ipse vir in omnibus celebrandus, multas enumerauit species virtutis, sed tria hæc præcipua prędicauit, fidem, spem, caritatem: ex quibus

gitur Fides, cum ad regalem thronũ quem nullis claudunt figuræ, perducat, & illius principio carentis & increatæ naturæ clarum ſplendorem immittat, ſuoq. fulgore non modo ſenſuum caliginem expellat, verum etiam quidquid hic craſſum & nubilum eſt, à noſtro intellectu diſcutiat. Facit enim vt ea clare conſpiciat, quæ eo ipſo quod ad ea pertingi non poteſt, conſpiciuntur, & eo ipſo quod ſunt inacceſſa, comprehenduntur. Spes autem efficit non vt belle ſomniemus, vt SPES. ita dicam, ſed vt ſtrenue in præſentibus futura teneamus; cùm firma illa certitudo id quod tempore nondum eſt præſens, cogitationi perinde ac ſi iam adeſſet, exhibeat, & quæ expectantur, pæne ſub aſpectum perducat. Spes enim obiecta impedimenta tranſgrediens, deſiderantem cum deſiderato connectit, fluxamq. temporis naturam futurarum rerum comprehenſione ſuperat. Caritas vero ſanctæ religionis noſtræ caput eſt. CARITAS. Hæc namque Deum Verbum cum præſens iugiter eſſet in terris, ad nos per carnem venire perſuaſit. Ambæ igitur inter ſe conueniunt. nam Fides ſpeculum eſt Caritatis, & Caritas confirmatio Fidei. Credimus Deum Verbum citra paſſionem incarnatum, & pie credimus. hæc namque ſalutis noſtræ fundamentum eſt. quin etiam diligimus eum qui propter nos formam ſerui ſuſcepit, ita vt nec mutationem vllam ſuę naturæ ſubiret, neque Trinitati acceſſionem faceret. Omnis itaque Chriſtianus qui non eſt fide & ſpe & caritate diues, id non eſt quod dicitur. atque etiam ſi corpus ſuum in ſeruitutem redigere videatur, & ab animi paſſionibus eſſe liber, eum virtutem tantummodo moralem perfecerit, victoriæ coronam haud conſequetur: quippe qui ad illum per agnitionem diuinitatis minime peruenerit, qui coronarum eſt diſtributor. Fides igitur, quæ *Qualis eſſe debet Fides.* omnium, ſicut prædixi, virtutum eſt caput, ſincera ſeruetur, nihil ex humanis ratiocinationibus adulteratum admittens, neque profanis vocum nouitatibus inquinata, ſed intra Euangelicos & Apoſtolicos terminos conſiſtens, ita vt nemo præter eam aliquid audeat, per quam ſaluati ſumus, & quam in baptiſmate linguæ miniſterio ſcripſimus. Nam ſublimitas Fidei omnem audaciæ impetum conatumq. repellit non modo humanum, verum etiam ab incorporea natura ſublimiter admotum; beato Paulo dicente: Si nos *Galat. 1.* aut Angelus de cælo euangelizauerit vobis præter id quod accepiſtis, anathema ſit. electione quod erat noxium vitaret: quòd etiam ille voluntarius hominis ad deteriora motus contumacem expulit à Paradiso: quòd præterea per patres ac patriarchas, per legem, & iudices & prophetas ille formator naturam erodiuit, vt peccata reipueret, iustis actionibus studeret: quòd postremo cùm volentibus nobis peccatum dominaretur, diabolus vero in pœnam delinquendi commune naturæ totius exitium exigeret, quippe cum lex naturalis obscurata esset, & scripta contemneretur, & quamuis Prophetæ monerent vtpote homines quæ facienda essent, non tamen à vitio ac pernicie liberarent, tum denique Deus ipse figura carens, sine initio, incircumscriptus & omnipotens Verbum aduenies incarnatum est: aderat enim illi posse cum vellet: & formam serui accipiens caro factum est, & natum ex Virgine, vbique volens ostendere vere se hominem factum. ipsam enim naturam necessario & initia & habitus & passiones consequuntur. Neque enim dicit Euangelista in hominem iam perfectum introisse, sed carnem factum esse, ad ipsa nostræ naturæ primordia perueniens, & ad ipsa generationis initia recurrens. Sicut enim qui naturæ ordine gignitur homo, non statim perfectus ad operandum prodit, sed ipsa naturæ initia primum caro fiunt, deinde tempore progrediente paulatim vires accipiunt quæ ad integritatem sensuum & operationũ conferant, sic Deus Verbum ad ipsa initia radicemq. generationis humanæ recurrens, primum caro factum est, non quòd in carnem sit versum, absit; manet namque diuinitas omni mutabilitate superior; mutatio enim, naturæ fluentis est passio, sed perennis illius ac semper eodem se habentis modo naturæ, incommutabilitas est propria. Fatemur igitur vtriusque scripturæ vocibus vtentes, & carnem factum esse, & serui formam accepisse. & vtræque pie intellectæ salutis nobis sunt semina. Nam per id quod dixit, Factum est, indiuiduam summæ vnionis vim Euangelista subindicat. Vt enim vnitas diuidi in duas vnitates non potest, nam si diuidatur, iam non erit vnitas, sed dualitas; sic quod per summam vnionem est vnum, numquam in duo diuidetur. Porro verbum, Accepit, naturæ immobilitatem declarat. Nam quia omne quod fit, aut ex non existente fit, vt cælum quod ante non erat; aut ex aliquo extante in aliud conuertitur, vt Nili fluenta ex aquis in sanguinem sunt mutata; & neutrum diuinæ naturæ congruit; neque enim ex nullis extantibus productus est qui numquam initium habuit, neque ex aliquibus extantibus immutatum illud incommutabile Verbum; ideo diuina Scriptura vt per vtrumque verbum & immutabilitatem Deitatis, & mysterij indiuiduam vnitatem indicaret, Factum est, dixit, & verbum, Accepit, pronuntiauit, vt priore verbo vnitatem personæ commendaret, altero autem immutabilitatem naturæ prædicaret. Deus igitur Verbum factus est homo perfectus, sed ita vt miraculum quod intelligentiam superat, immutabilem naturam non

non imminuerit. Sed id fide didicimus, non inquisitione comprehendimus. Ac factus homo, cognato secundum carnem generi per id quod erat similiter passibile salutem tribuit, cum peccati quidem debitum, tamquam homo pro omnibus mortuus, persoluisset, destruxisset autem tamquam execrator mali Deus illum qui habebat mortis imperium, idest diabolum; legem esse possibilem ostendit, omnem in plendo iustitiam, naturæq. nostræ pristinam nobilitatē restituit, in eo quod homo factus, naturam à se de terra formatam honorauit. Vnus igitur est Filius: nam Trinitatem consubstantialem cum adoremus, quartum numero non adijcimus; sed vnus est Filius sine initio de Patre natus, per quē sæcula facta esse credimus: ramus radici coæternus, ille ex Patre citra fluxum exortus, Verbum ex illa mente inseparabiliter & procedens & manens. nam etiamti in terris visus est, non tamen est à generante seiunctus. Hic voluit saluare quem formauit, & quidem saluauit, vterum inhabitans communem naturæ ianuam; quem cùm sua inhabitatione benedixisset, & generatione obsignasset, partu qui supra naturam fuit, ostendit se supra rationem fuisse hominem factum. Ergo Deus Verbum non alter est Christus, & alter Deus: duos namque filios natura diuina non nouit. ille solus, vnigenitum genuit. vbi enim non est coniunctio generantium, ibi dualitas generatorum non inuenitur. In nomine IESV Christi omne genu flectitur, cælestium, terrestrium & infernorum. Quòd si alius est Christus præter Deum Verbum, necesse est purum hominem esse Christum, vt stupidi homines dicunt. Si autem purus homo est Christus, quomodo illum supra eius naturæ condicionem cælestia venerantur, & ad inferioris nomen genuflectunt? quomodo etiam accepturi sumus prophetica oracula clamantia: Deus noster in terris visus est, & cum hominibus conuersatus? Nam visionem dicit hoc ipsum, quod est in carne manifestatus: & conuersationem appellat illam ipsam ad tempus cum hominibus commorationem, in qua ille minime inuidus vt omnipotentiam suam declararet, ostendit quòd tamquam omnipotens & id quod erat mansit propter se, & quod voluit factus est propter nos. Quòd si nonnullis occasionem scandali præbent fasciæ, & illa in præsepi reclinatio, & illud in tempore secundum carnem augmentum, & quòd in naui dormierit, & ex itinere sit fatigatus, & esurierit in tempore, & quæcumque facto secundum veritatem homini conueniunt; nouerint se dum passiones irrident, negare naturam: dumq. naturam negant, non credere dispensationem: non credentes vero dispensationem, damnum facere salutis. Nam si ex quo mundus est conditus, quisquam in hanc vitam lapsus est, aliam præter hanc naturæ viam ingressus, id ostendant qui contentiosè aduersantur, & tunc demum sua deliramenta contexant. Sed si hæc sunt naturæ communis initia, & Deus Verbum revera factus est homo, cur qui naturam confitentur, passiones irridents? Alterum igitur ex duobus eligant, aut erubescentes de passioni-

Miror autem hominum amentiam nouum erroris iter ingredientium. Ego namque cum vnum eſſe Filium ſciam, ac pie didicerim, vnam incarnati Dei Verbi confiteor hypoſtaſim: itaque cũ vnus ſit qui paſſiones pertulit, & qui miracula perfecit, cur diuiniora reticentes, humiliora per iocum irrident? Vt enim fidem faceret, ſe, cum Deus eſſet ac Verbum exiſteret, permanendo quod erat factum eſſe carnem, & infantem, & hominem, tanto ſacramento nulla mutatione violato idem ipſe perficiebat miracula, & ſuſtinebat paſſiones, per ſigna quidem ſe manſiſſe quod erat indicans, per paſſiones autem id ſe factum eſſe quod formauerat, confirmans. Vnum igitur & eumdem Filium confitemur, & ſempiternum, & in nouiſſimis temporibus incarnatum, diuinæ naturæ nihil adulterinum adijcientes. nihil enim ſuperuacuum eſt in illo throno. Sed illud prorſus multorum ſermone vulgatum dicent, & ſyllogiſmos aranearum telis infirmiores texent. Si Trinitas eſt eiuſdem eſſentiæ, profecto Trinitas eſt impaſſibilis. ſed Deus Verbum in Trinitate ſpectatur: Verbum igitur eſt impaſſibile. Quòd ſi Deus Verbum eſt impaſſibile, colligitur ergo crucifixum alium eſſe præter Deum Verbũ quod eſt impaſſibile. Vere telam aranex texunt qui hæc dicunt, & ſcribunt in aquis, qui has inanes propoſitiones meditantur. Dicentes enim ſe eſſe ſapientes, ſtulti facti ſunt, & obſcuratum eſt inſipiens cor eorum. Nam lippus oculus ſolis radios non recipit, & mens infirma ſublimitatem Fidei non admittit. Quid igitur nos ad iſta dicimus? Nimirum quod ad rationem attinet diuinitatis, conſubſtantialem & impaſſibilem eſſe Trinitatem. neque enim cum ipſum dicimus paſſum fuiſſe, ratione diuinitatis paſſum dicimus: natura namque diuina nullam recipit paſſionem. Sed confitentes Deum Verbum vnam Trinitatis perſonam incarnatam, ijs qui cum fide ſciſcitantur, cauſam afferimus intelligendi quare ſit incarnatus. Nam quia Deus Verbum paſſiones deſtruere volebat, quarum finis mors erat, & immortalis illa natura paſſiones in ſe admittere non poterat: ſi enim omnis paſſio compoſitarum rerum pugna eſt atque ſeditio, in immateriali autem & ſingulari ſubſtantia nulla eſt compoſitio, non igitur eò pertingit paſſio, vbi non eſt compoſitio: volens igitur, vt prædiximus, deſtruere paſſiones quæ rationalem carnem opprimebant, quarum ſumma arx erat interitus, incarnatur ex Virgine vt nouit ipſe Deus Verbũ, & habitu formatur vt homo, id enim ipſi placuit, & exinanit ſemetipſum in forma ſerui, nullam ſuæ Deitatis circumſcriptionem admittens: & hoc modo ſalutem vniuerſo hominum generi tribuit, in ſua quidem carne paſſiones deſtruens, ſed ſuam Deitatem ſeruans impaſſibilem. potentiam annuntiaret, dixit ad Mariam: Ipse *Matth.1.*
saluum faciet populum suum à peccatis eorum. Populus autem non hominis, sed Dei est: neque mundum à peccatis liberare potest quisquis in hanc vitam per corruptionem intrauerit, & non habuerit expers culpæ natiuitatis exordium. Sed necessario idem cum Deus & homo esset, non in duo diuisus, sed vnus permanẽs, per id quod ex muliere natus est, se hominem esse demonstrauit: per id autẽ quod sine coniunctione natus, & quòd matrem virginem seruauit, quòd Deus esset declaratus est. Saluauit mundum IESVS Christus vbi venit in terras, & cum hominibus conuersatus est. Quòd si Christus purus homo est, & non ipse Deus Verbum, quomodo in principio creauit omnia, qui tunc, vt ipsi dicunt, non erat? Nam si postremus in creaturis homo fuit, liquet ijs quæ ante illum fuerant, creationem largiri non potuisse Christum, quippe qui vt purus homo posterius productus fuit. Quomodo igitur Paulus *1.Cor.8.*
ait, Vnus Dominus IESVS Christus per quem omnia? Nam si per Christum omnia, liquet Christum esse Deum Verbum, Euangelista testante: In *Ioan.1.*
principio erat Verbum, & Verbum erat apud Deum, & Deus erat Verbum. hoc erat in principio apud Deum. omnia per ipsum facta sunt. C
Si igitur Euangelista dicit, omnia esse per Verbum facta, & hoc ipsum beatus Paulus interpretans ait, Vnus Dominus IESVS Christus per quem omnia; liquet Christum esse Deum Verbũ. Quòd si voces proferunt ex diuinis litteris, in quibus homo est appellatus, cum dicat Petrus: IESVM à Nazareth, virum approbatum à Deo. *Act.2.*
& Paulus asserat: In viro in quo statuit, fidem *Act.17.*

Nam & homo est revera Christus, sed hoc factus est, cum prius non esset nisi tantummodo Deus. Sicut enim Deus est non creatus, sic idem quoque homo est non imaginatione fictus: ■ quemadmodum Patri secundum diuinitatem consubstantialis, sic idem ipse matri secundum carnem cognatus, ita vt vbique veritas mysterij præfulgeat, omnisq. deceptionis fraus remota sit. Quòd ■ Virgo non Deum genuit, nec magno digna erit illa inuiolata miraculo: multæ siquidem & aliæ mulieres iustos homines huic sæculo protulerunt. Si autem Prophetarum voces mysterium adeo ineffabile præcinentes clamant: Ecce vir- *Esai.7.*

nascentis inclinationem, gloriam parientis amputant? Sed prorsus illud opponent ac dicent: Omne quod nascitur, eiusdem generis est cum generante. si igitur homo est quæ genuit, necesse est hominem quoque esse qui ex ea natus est. Recte equidem dicitis: sed tunc pariens eiusdem generis partum edit, cum secundum naturam progreditur partus. naturalis autẽ partus exordium corruptio est, quia commixtio quoque cor-

corruptionem præcedit: hic vero cum huius iniuriæ ne cogitatio quidem fuerit, sed miraculum supra rationis captum effectum sit, vbi supra naturam est partus, ibi qui nascitur, Deus est. Confitemur igitur eumdem & mundum condidisse, & legem dedisse, Prophetas quoque inspirasse, & in nouissimis temporibus incarnatum, & Apostolos ad salutem gentium ac populorum expiscatum fuisse. Fugiamus igitur turbidos & cœnosos deceptionum riuos, hæreses inquam cum Deo pugnantes: Arij insaniam diuidentem indiuiduam Trinitatem: Eunomij audaciam, quæ intra cognitionis nostræ terminos naturam incomprehensibilem includit: Macedonij rabiem, quæ spiritum inseparabiliter procedentem à Deitate seiungit: hanc quoque nuper fabricatam nouamq. blasphemiam, quæ Iudaismum, quod ad blasphemiæ magnitudinem, longe superat. Illi namque dum eum qui Filius est, reprobant, ramo radicē priuant: hi vero vltra hunc qui est Filius, alium adijcientes, intemerabilem naturam tamquam multigenam denotant. Dicamus ergo cum Paulo: Christus est pax nostra, qui fecit vtraque vnū. nam Iudæum & Græcum per Baptismum in vnū nouum hominem condidit, vniens potentia quæ conuersatione dissidebant. Horreant damnationem nouæ impietatis auctores: siquidem cùm dissidentia in vnam concordiam vnita sint, is qui vniuit, quantum in illis fuit, in duo est diuisus. Sed iam omissa sermonis longitudine, ad compendium veri dogmatis veniam. Si quis cupit vere cognoscere illum esse vnum ac solum Filium, qui est antequam Abraam fieret, & in nouissimis proficiebat ætate ac sapientia secundum carnem, nam eius diuinitas semper est perfecta, interroget Paulum qui pietatem personabit, ostendens eum etiam postquam ex Iudæis secundum carnem extitit, Deum esse ante sæcula. cum enim de Iudæis loqueretur, & ingratam illam Deoq. rebellem gentem propter Abraam gentis radicem, & eius semen Christum Dominum, collaudaret, sic dixit: [Quorum est adoptio filiorum.] clamabat enim Deus per Prophetas: Filius meus primogenitus Israel. [& gloria,] nam ijs quos Deus tamquam nutrix gestabat, immensam gloriam assidua miracula conferebant. [& testamenta,] per quæ ipsi Abraam multiplicatio & benedictio est promissa. [& legislatio,] illa in monte digito Dei scripta. * [& obsequium,] quo diuino cultui seruiebant. [& promissa,] tum illa terra Palæstinæ, tum omnes gentes per semen Abraæ benedicendæ. [quorum patres,] qui in erroris nocte tamquâ fidei luminaria sunt exorti. neque vero hucusque stetit beatus Paulus. non enim ex quo fuit ille ex Maria partus, ex eo esse cœpit Verbi principio carentis initium; sed mox intulit, [secundum carnem,] vt manifestationem illam factam in carne, non generationem secundum diuinitatē indicaret. Quis nam igitur Christus hic sit ex Virgine natus, hic in spelunca, vt ipse nouit, collocatus, hic in præsepi reclinatus, hic tempore secundū carnem auctus, hic qui vsque

γοντες πρὸς τοὺς ὑποδέξεις· εἴ τις πνεῦμα Χριστοῦ
οὐκ ἔχει, οὗτος οὐκ ἔστιν αὐτοῦ. ἡμεῖς δὲ νοῦν Χριστοῦ
ἔχομεν· διὸ καὶ προσδεχόμεθα τὴν δόξαν τοῦ μεγάλου
θεοῦ καὶ σωτῆρος ἡμῶν Ἰησοῦ Χριστοῦ, ὃς ἀποδώσει τοῖς
μὲν εὐσεβέσι, τὰ τῆς δόξης ἐπαθλα· τοῖς δὲ ἀσεβέσι,
τὰ τῆς τίσεως ἐπίχειρα. Τοιοῦτα δὲ πρὸς τὴν ὑμετέραν
ὑπεστείλαμεν ἀγάπην, ἐκ τῶν ὑμετέρων προτεσπάντες
λιβέλλων, ὧν πρὸς ἡμᾶς διεπέμψασθε φάσκοντες
λυμεῶνας τινὰς καὶ περιπλόκους ἀνθρώπους εἰσεῖ-
σθαι τῇ ὑμετέρᾳ χώρᾳ, βουλομένους διὰ πο-
νηρῶν γραμμάτων, καὶ τῆς ἀπιθάνου τῆς ψευδωνύμου
γνώσεως διαστρέφειν τὸν ἁπλοῦν καὶ ἀμωμητόβιον τῆς
ὀρθοδόξου πίστεως κάλλος. ἀλλὰ τοῦ μακαρίου Παύ-
λου καὶ πάλιν φημὶ πρὸς ὑμᾶς· βλέπετε μή τις ὑμᾶς
ἔσται ὁ συλαγωγῶν διὰ τῆς φιλοσοφίας καὶ κενῆς ἀπά-
της, κατὰ τὴν παράδοσιν τῶν ἀνθρώπων,
καὶ οὐ κατὰ Χριστόν. Ἡμέλιον γὰρ ἄλλον οὐδεὶς δύναται
θεῖναι παρὰ τὸν κείμενον, ὅς ἐστιν Ἰη-
σοῦς Χριστός. σήκειτο τοίνυν ἐν ἑνὶ πνεύματι, μιᾷ ψυ-
χῇ συναθλοῦντες τῇ πίστει τοῦ εὐαγγελίου· καὶ μὴ
πτυρόμενοι ἐν μηδενὶ ὑπὸ τῶν ἀντικειμένων, ἅτινα
φυλάττοντες τὰς παραδόσεις ἃς παρελάβετε τῶν
ἁγίων καὶ μακαρίων πατέρων τῶν ἐν Νικαίᾳ τὴν ὀρ-
θόδοξον πίστιν ἐκθεμένων, καὶ τῶν περὶ τὸν ἅγιον καὶ
μακάριον Βασίλειον καὶ Γρηγόριον, καὶ τῶν λοιπῶν τῶν αὐτῆς ὁμοφρόνων, ὧν τὰ ὀνόματα, ἐν βίβλῳ ζωῆς.
πάντων τῶν παρ' ὑμῖν ἀδελφότητα, ἐγώ τε καὶ οἱ σὺν ἐμοὶ προσαγορεύομεν.

TEAOΣ.

A vsque ad infimas partes terræ descendit, hic qui omnia quæ carnis sunt, subijt, vt fidem faceret vere se hominem factum fuisse, hic qui non alius est ab eo qui descendit, sed qui descendit, ipse est & qui ascendit: non enim prius ascendit, sed descendit, vtpote qui non secundum progressionē Deus est, absit, sed propter suam misericordiam homo, nam hac re indigebamus: hic inquam qui nam sit, noli à me aut ab alio aliquo discere, sed à beato Paulo, qui Filium ab ipso Patre per reuelationem didicit, ac dixit: Cum autem placuit Deo, qui segregauit me ex vtero matris meæ, & vocauit per gratiam suam, vt reuelaret Filium suum in me. is namque qui nam sit IESVS Christus, vere te docebit, clamans: Ex quibus Christus secundum carnem, qui est super omnia Deus benedictus in sæcula. Quem aditum calumniæ hæc beati Pauli verba ijs qui conuiciari studeant, non obstruant? Dixit eum Christum, vt ostenderet vere hominem factum: dixit eum ex Iudæis secundum carnem, vt indicaret non ex quo incarnatus est, ex eo esse cœpisse: dixit eum esse, vt initium non habere declararet: dixit eum super omnia, vt creaturæ totius esse Dominum prædicaret: dixit ipsum Deum, ne illius passionibus & habitu decepti, immortalem eius naturā negemus: dixit benedictum, vt eum tamquam omnipotentem adoremus; non tamquā conseruum calumniemur: dixit eum in sæcula, vt ostendat, qui ea sæcula verbo condidit, perpetuo in ipsis vt Deū prædicari. Cum igitur habeamus Christum & Deum esse, & benedictum, ipsum adoremus, dicamusq. aduersus eos qui aliter sentiunt: Si quis spiritum Christi non habet, hic non est eius. nos autem sensum Christi habemus: ideoq. expectamus gloriā magni Dei & saluatoris nostri IESV Christi, qui reddet his quidem qui pie sentiunt, suæ fidei præmia: ijs autem qui eum reprobant, suæ audaciæ mercedem. Hæc vestræ caritati direximus, vestris permoti libellis, quos ad nos misistis, significantes pestiferos quosdam homines ac verborum portenta proferentes in vestram regionem irruisse, studentes peruersis scriptis, & oppositionibus falsi nominis scientiæ simplicem ac puram rectæ Fidei speciem peruertere. Sed ego vos iterum beati Pauli verbis admoneo: Videte nequis vos decipiat per philosophiā & inanem fallaciam secundum traditionem nugacium hominum, & non secundum Christum. Fundamentum enim aliud piæ Fidei nemo potest ponere, præter id quod positum est, quod est Christus IESVS. State igitur in vno spiritu, vnanimes collaborantes fidei Euangelij, & in nullo terreamini ab aduersarijs, sed custodite traditiones quas accepistis à sanctis ac beatis Patribus qui apud Nicæam rectam Fidem ediderunt, & à sanctis ac beatis viris Basilio & Gregorio, & reliquis qui cum illis eadem senserunt, quorum nomina sunt in libro vitæ. Omnem vobiscum fraternitatem ego & qui mecum sunt salutamus. [Data Constantinopoli, Consulatu pijssimorum Theodosij Augusti V. & Valentiniani IIII.

NOTAE AD LIBROS CONTRA NESTORIVM.

Primum admonendus eſt lector, varias lectiones vbi in alijs codicibus reperta fuerint, adnotatas eſſe ad marginem ſine vlla adiectione: vbi vero non ex libris, ſed ex coniectura deprompta fuerint, præpoſitum eſſe aduerbium forte.

In primo libro pro voce θεοτόκος fere tota contentio eſt.

Pag. 1. C. Præſtantior enim eſt ſapientia lapidibus pretioſis.] Verba intermedia quæ in Græcis codicibus habentur, (Non opponitur ipſi vllum malum, cognoſcitur autem facile ab omnibus qui appropinquant ipſi,) non habet Cyrillus, neque in Hebræis codicibus inueniuntur.

Fad. E. Eſtote probi nummularij.] Hanc ſententiam Cyrillus tribuit B. Paulo. & citatur nonnumquam à veteribus Græcis auctoribus, ſed nulli certo auctori adſcribitur. Vbi autem ſit in Apoſtoli epiſtolis, non inuenitur. niſi forte Auctor in epiſtola prima ad Theſſalonicenſes illam habuit, in qua ſunt etiam quæ ſequuntur verba, Omnia probate &c. Ceterum Epiphanius aduerſus Apellianos refert Apellem in Euangelio id ſcriptum eſſe dixiſſe, in ſuo fortaſſe, non in hoc certe quo Eccleſia vtitur. Erat autem in exemplaribus Græcis πρόϊμοι, cum ſit legendum δόκιμοι, vt citat Epiphanius eodem libro: quod ad marginem eſt adnotatum.

8. B. ἀυτὸς πρὸ ἰδίων κεφαλαίων λόγων τὸ ἀληθὲς.] Sic erat in exemplaribus, ſed mendoſe: legendum eſt enim, κεφαλαίων, vt eſt impreſſum. itaque reddidi, Sua verba vt perperam dicta damnare. Solet enim hic auctor vti in hac ſignificatione verbo κεφαλαίζειν, vt pag. 13. E.

Ibidem. προκὰς πατεῖτε τὰ διεφθαρμένα.] Puto legi oportere προχαΐ. nam reſpicit Auctor ad illud Salomonis in Prouerbijs cap. iiij. ὁδοὺς προχαὶ ποίει σοῖς ποσί. & paulo poſt, Αὐτὸς δὲ ὁδοὺς ποιήσει τοῖς προχαΐ σου. qua ſententia B. Paulus etiam vſus eſt in epiſtola ad Hebræos cap. xij. καὶ προχαὶ ὁδοὺς ποιήσατε τοῖς ποσὶν ὑμῶν. Et greſſus rectos facite pedibus veſtris. & hic ipſe Auctor in ſecunda ad Succenſum epiſcopum epiſtola in principio dixit, καμπύλας προχαὶ ἐρχόμενοι.

Ead. E. ὅτι πρὸ θείων διδασκάλων παραφωνῶσι τὸ ἀληθές.] Alij libri habebant, παραπαίουσι. ſed illud verius eſſe manifeſtum eſt quod eſt impreſſum, & ex correctioribus libris acceptum.

18. E. Creditis in Deum, & in me credite.] Hoc teſtimonium videtur Cyrillus alio ordine protuliſſe: Creditis in me, & in Deum credite. vel, Creditis, quo modo citauit etiam lib. 2. pag. 41. B

19. A. καὶ πηχὺς ὅπου μετελαχόν.] Malim legere, ὅπου μετελαχόν, vt dixit ſupra pag. 16. E. ὅπου πηχὺς καὶ αἷμα καὶ κακοήθειαι. & infra 36. A. καὶ ὅπου σκοτισμένος.

Ead. C. In Latino corrigendum, Filium Dei natum ex Patre vnigenitum. fortaſſe autem ordo inuerſus eſt in Græco, & ſcribendum fuerat, ὑὸν τῦ θεοῦ μονογενῆ, γεννηθέντα ἐκ τῦ πατρὸς, Filium Dei vnigenitum, ex Patre natũ.

20. A. παρ' ὅπερ οὐκ ἰδῖ.] Legendum videtur aut ſine παρ', aut ſine ἐκ, vt ſententia conſtet. ſic autem loqui ſolet Auctor, vt paulo poſt littera E. ἐκ οὗ μετεδίδοτο πρὸς ἕτερόν τι παρ' ὅπερ ἦν) πάσχειν. & pag. 21. D. τρόπον ὑπομείναντας πάθη ἐκ ὅπερ ἐκ ἰδῖ.

21. A. Et manſionem apud eũ faciemus, & in ipſo diuerſabimur.] Hæc poſteriora verba neque Latini codd. noui Teſtamenti, neque Græci habent: & idem ſignificant cum præcedentibus verbis. idem eſt enim diuerſari in aliquo, & in eo manſionem facere. habebant tamen omnes codd. Cyrilli.

Ead. C. παῖς πρὸ θεηγόρων φασί.] Sic appellare ſolet ſacrorum ſcriptorũ auctores, vt Apoſtolos, & Euangeliſtas.

Ead. D. Ad marginem eſt adnotata altera lectio, ἀδιάβλητον. ſed melior eſt lectio intus poſita, ἀδιαλείπτως, vt pag. 32. C. ἀδιαλείπτως ἔχον.

22. C. Et ſine ipſo factum eſt nihil.] Hic fere diſtinguere ſolet Cyrillus, vt etiam pag. 3. C

In ſecundo libro coarguit hominem θεορόν Neſtorium ſentire.

23. B. πάτωρον ἄδυ.] In Prouerbijs eſt hoc nomen poſitum cap. ix. verſ. 18. vbi Latina interpretatio habet: Et in profundis inferni conuiuæ eius.

31. E. Ζωτικὸν ἀυτοῖς.] Omnino legendum eſt, ἀζύμους, quamuis codd. repugnent. ſic namque requirunt ſequentia: ſic etiam habent Hebræi codd. Eſaiæ xvij. & nonnulli Græci, ἠμαφείνου ἀπό.

33. D. καὶ μὲν ἢ ἀυτοὶ Πέτρου.] Legendum videtur, ἢ μὲν ἢ ἄλλοι Πέτρου. ſic namque præcedentia ac ſequentia requirunt.

Ead. E. φησὶ λᾶναι.] Legendum diſtincte, φησὶ ἀλλᾶναι.

38. E. Ἀλλ' ὅρα πῶς πάντως ὁ φιλομαθὴς.] Legendum, ἐρῶ, vt lib. 1. pag. 17. A. ἀλλ' ὁρᾷ πῶς πάντως ὁ Θεοφιλὴς. & 43. B. ἐρῶ δὲ καὶ ὁ χρυσομαθὴς. Aut ſi ſecunda perſona legatur ὅρα, legendum ὦ φιλομαθὴς, ὦ Θεοφιλὴς, ὦ χρυσομαθὴς, cui lectioni fauet locus lib. iij. pag. 48. C. ἔρρε δὲ μοι τῆς προφητικῶν ἐννοιῶν πλοῦ ἐκφέροντα.

43. D. αὖ δ' ὅπου καλάζει.] Legendum videtur, ἢ καλάζῃ.

44. B. καὶ εἰ μὲν εἷς ἀδύ.] Legendum ἢ ἁ μέν. ſic dixit pag. 38. A. ἢ ἁ μὲν τῆς ἀδιαστάτου ἐρῶ τι.

46. A. εἴτε μὲν διεφθαρμένῳ.] Legendum ἤτοι, vt adnotatum eſt ad marginem, & vt in extremo hoc ij. libro dicit, μόνος ἤδη πλὴ διεφθαρμένων.

47. B. Fructus laborum tuorum edes.] Sic habet Græcus Cyrilli codex. ceterum LXX. verterunt καὶ πόνους τῶν χειρῶν σου φάγεσαι, Labores manuum ſeu palmarum tuarum manducabis. & χειρῶν eo loco non fructus, ſed palmas intellexerunt, vt etiam in Prouerbijs cap. xxxj. χειρὶ δὲ ἐξέτεινε πτωχῷ, Et palmas ſuas extendit ad pauperem.

In tertio libro refellit Neſtorij dogma diſtinguentis Chriſti naturas ſecundum hypoſtaſim, ex eo quòd indignum putaret Dei Verbum dici Apoſtolum, Pontificem, ſemen Abraham, ſimilem fratribus, vnctum, conſummatum, paſſum, tentarum; eaſdemq. naturas dignitate, coniunctione, auctoritate copulantis.

49. D. Chriſti bonus odor ſumus.] Aduertendum quomodo hic Auctor accipiat hunc B. Pauli locum. nam bonum odorem, ideſt εὐωδίαν, intelligit ſacrificium in odorem ſuauitatis oblatum.

55. A. Nos vero omnes reuelata facie gloriam Domini ſpeculantes, in eius imaginem transformamur.] πλὴ ἀυτῦ εἰκόνα μεταμορφούμεθα. Sic legit Cyrillus locum ij. ad Corinth. iij. Codd. fere Græci noui Teſtamenti habent, πλὴ ἀυτὴν εἰκόνα μεταμορφούμεθα. quo modo habet Latina interpretatio, In eamdem imaginem transformamur.

57. A. κατάκρεμα διανοίας.] Videtur lapſus notarij, cum Græci codd. noui Teſtamenti habeant, διανοίᾳ καρπουμένους, & item Latina editio vulgata.

61. B. De quo Ioannes in Euangelijs clamat: Iesvs proficiebat ætate, & ſapientia, & gratia.] Vel notariorum error eſt, vel turpiter lapſus eſt Neſtorius, qui verba hæc Lucæ cap ij. Ioanni adſcribit. Sed quia hunc lapſum in ſua refutatione Cyrillus non coarguit, & B. Lucam auctorem agnoſcit, notarijs fortaſſe iuſtius adſcribetur.

71. A. τὸ καθ' ἡμᾶς τῆς ἁμαρτίας.] Videtur legendum, τὸ καθ' ἡμῶν.

73. C. μᾶλλον τῦ μὴ ἔχοντος.] forte μᾶλλόν που.

In quarto libro contra eumdem Neſtorium pugnat, qui dixiſſet Chriſtum aduentitia & externa virtute aſſumptum à Patre, & glorificatum à Spiritu, cum illius ſit proprius, & ab eo detur: qui etiam cauillaretur carnem filij hominis in Sacramento manducari dictum eſſe, non ipſum Deum Verbum: ex quibus illud adſtruebat, diuiſas eſſe ſecundum hypoſtaſes Chriſti naturas.

77. E. τὸ λελουσῶτος ἐν ἀυτοῖς τῷ ἁγίῳ πνεύματος.] Articulus

culus τὸ, ex hoc loco ſubmouendus videtur, & præponendus verbo σαρκωθῆναι, vt ſit, λελεπώτος ἐν αὐτοῖς τὸ ἁγίου πνεύματος, τὸ σαρκωθῆναί τε.

80.B. οὐδ' ἐξελέξατο, διὰ πνεύματος ἁγίου ἀναλήφθη.] Sic diſtinguendus videtur locus, vt apte cadat ad Neſtorij ſententiam: quamuis peſſima ſit diſtinctio, & contra vſum Eccleſiæ quam diſtinctionem improbat Cyrillus pag. 81.B & Eccleſiaſticam ac vulgatam ſequitur.

82.A. προσῆλθεν ὥσπερ τῆς ἀνθρωπίνης φύσεως ἀναπλάσεως εἰς ἀφθαρσίαν.] Fere iiſdem verbis Latine dixit B. Ambroſius: Sacrum munus pro omnibus, & quaſi reparatæ quædam liba naturæ. libro de fide reſurrectionis.

83. B. ἀλλ' ἵνα καὶ τὸν ἀυτὸν ὁμοίως.] Deeſt verbum, puta κόπτει, vel ὁμολόγει, vel aliquid ſimile.

84. A. καὶ ὑφ' ἡμετέρων κατ' ἰδίαν παντελῶς τρόπον ἐν μιᾷ δείξει γενόμενον.] In margine coniectura adſcripta eſt, γέγονεν. ſed videtur mutilus locus & corruptus. deeſſe enim videtur aliquid quod pertineat ad Verbi naturam, vt καὶ ὑφ' ἡμετέρων, ὑφ' ἡμῶν δὲ θεοπρέπων κατ' ἰδίαν παντελῶς τρόπον ἐν μιᾷ δείξει γενόμενον. vel, τῷ δὲ θεοῦ λόγου κατ' ἰδίαν &c.

Ead. D. Cum intrinſecus corruptionis morbo laboret.] Intrinſecus putaui commode verti quod Græce eſt, ἔνοθεν. quo aduerbio vtitur nonnumquam Auctor in hac ſignificatione, vt lib. iv. pag. 76. B. ἔνοθεν καὶ ἁγίαν καὶ παρ' αὐτῆς τὸ πνεῦμα αὐτῆς. Intrinſecus & ab ipſo eſt Spiritus eius. & 77. A. οὐκ ἐπικεκριμένον ὄξωθεν, ἀλλ' ἔνοθεν ἔχει καὶ ἐξ αὐτῆς τὸ ἐνεργεῖν δύνασθαι. Intrinſecus & ex ſe ipſo habet vt operari & efficere poſſit.

85. A. πλὴν θείαν πάσχει τινὰ καὶ βουλήν τε καὶ σκέψιν.] Adnotauimus ad marginem ἴσως, σκέψιν. cogitationem atque conſiderationem, vt libro ſequenti pag. 93 A. ἐπειδὴ δὲ χρησὰ ἐπὶ ἡμᾶς ὁ δημιουργὸς ἐσκέψατο, Poſteaquam de nobis ille conditor meliora cogitauit.

89. D. Veritatis ſacrum adminiſtrum.] Nam in extrema epiſtola ad Romanos, ſanctificantem ſeu ſacrificantem Euangelium ſe ipſum dixit Apoſtolus, hoc eſt, ἱερουργοῦντα τὸ εὐαγγέλιον.

91. D. εἰς πλὴν [χν] τῆ σώματος μετασκευῆ θεὸν φύσιν.] Præpoſitio χν, videtur ſuperuacua.

In quinto libro coarguit Neſtorium diuiſiſſe naturas ſecundum hypoſtaſes, cum dictam ab Apoſtolo mortem Filij Dei, mortem hominis interpretaretur, & Dominum gloriæ crucifixum, hominem intelligeret, eumdemq. traditum dici putaret, occiſum, ſuſcitatum, palpatum etiam à Thoma, cum hæc omnia carnis ſint, non Verbi. In Symbolo quoque adnotaret, non fuiſſe dictum, Et in vnum Deum Verbum, ſed, In vnum Dominum IESVM Chriſtum, qui conſequenter natus, crucifixus, & mortuus perhibeatur, ex quibus omnibus duas in Chriſto hypoſtaſes adſerebat.

92. D. κατασκευάζωσιν.] Fortaſſe legendum, κατασκευάζωσαν.

93. A. Vbi enim per inobedientiam &c.] De peccato originis ita aperte differit, vt fere Auguſtinum legere videaris, qui eius ætate vixit: idq. non ſolum in hoc dogmate videre licet, maximam inter duos hos Patres eſſe consenſionem, verum etiam in multis alijs, ac præcipue in his quæ contra Pelagij opiniones pugnant, & in proceſſione Spiritus ſancti, quem a Filio quoque procedere aſſerit vt Auguſtinus; vt ſuperiore libro diſſeruit.

94. A. τὸ πρὸς ἁμαρτίαν,] homo ad nocendum compoſitus. melius fortaſſe, Quod ſuapte natura noxium eſt.

Ead. D. Quod vero nunc viuo, in fide viuo, in carne Filij Dei.] Sic legit ac diſtinguit B. Cyrillus locum in epiſtola ad Galatas cap. ij. non enim nobis viuimus, ſed ei qui pro omnibus mortuus eſt, vt qui viuunt, iam non ſibi viuant, ſed ei qui pro ipſis mortuus eſt & reſurrexit.

95. A. καὶ τῆς εἰς λύσιν ἐκείνης ἀναφημίας ὄνειδισμα γράψατ' ἄν.] Adnotauimus ad marginem, ἴσως, ὄνειδισμα, hoc eſt, crimen, haud inſuetum auctori nomen, quo vtitur in hac ſignificatione hoc eodem libro, pag. 104. A. ὄνειδισμα δὲ ποιοῦντι τοῖν ὡς τῆς ἀληθείας κατηφιάσι, Quibuſdam pro crimine obijcit, quaſi aduerſus veritatem dixerint.

97. D. κοινωνεῖ τὰ λεγόμενα, Communicant inter ſe quæ dicuntur.] Inferius pag. 99. D. dixit, συνᾴδῃ τὰ λεγόμενα, Conſentiunt quæ dicuntur.

98. D. καταστίκτεον δὲ ὅμως τὸ πῶς ἐστὶ φανερόν, καὶ ἀδιημάτων ἐστὶν.] Hæc tria commata ſine interrogationis nota debent eſſe, quamuis Latina interpretatio illam habeat ſine vllo ſententiæ diſpendio. ac neſcio quonã modo huc irrepſerit.

104. C. καὶ [οὐκ] ἔχειν ὅτι ἐ μὴ καταισχυνθῆ.] Omnes codd. habebant negationem, οὐκ, ſed omnino tollendam cenſeo, cum neque LXX. editio illam habeat, neque vulgata Latina, & cum ſententiæ obſit.

Ead. D. τὸν ἐλευθερούμενον ὑπὸ τῆς ἐνοῦσης, τῆς δούλου, τῆς ἁμαρτίας.] Peculiaris eſt hæc lectio Cyrillo, cum LXX. habeant, vt fere in eorũ codd. legitur, τὸν δοῦλον τῆς ἁμαρτίας, ſeruum dominorum, vt etiam in Hebræis codd. legitur.

109. D. ἃ τοῦ ἐν τῷ εὐαγγελίῳ διὰ τὸ διαγγελισθέντων ἡμᾶς.] Sic habebant codd. Cyrilli hunc locum epiſtolæ j. B. Petri cap. j. ceterum & vulgata editio Latina, & codd. Græci Teſtamenti noui, & Vaticanus codex antiquiſſimus habent ſecunda perſona εὐαγγελισθέντων ὑμῶν, & διαγγελισθέντων ὑμᾶς.

111. A. καὶ ■ φρονεῖν ἀναλείφαμεν.] Puto legendum, καὶ γε φρονεῖν ἀναλείφαμεν.

Ibidem. τῇ τάξει,] non habet interpres Dionyſius.

113. B. τῇ ὀρθῇ δόξῃ μαχόμενοι.] Ad marginem quaſi coniectura adſcripta eſt, ἴσως, ὀρθοδοξίᾳ, cum ſit non coniectura, ſed varietas exemplarium.

Ibidem verſ. vlt. πέπαυται μὲν τὸ ἀσεφίζεσθαι.] Legendum, τῷ ἀσεφίζεσθαι. & certe in poſteriore epiſtola ad Succeſſum pag. 121. E. hæc duo tantummodo membra commemorauit.

114. D. τῷ λέγειν μετακεχωρηκέναι πλὴν θεότητα εἰς φύσιν σαρκός.] Hæc verba in nonnullis exemplaribus non ſunt neque ■ habet Dionyſius interpres.
